

## The Amazing Son In-Law Chapter 4281-4290

### Chapter 4281

The bodyguard's words caused Jesse to panic a little.

He subconsciously asked, "Who are the dead people?"

The bodyguard shook his head and said, "This is unclear."

After saying that, he did not care to talk to Jesse anymore and hurriedly left.

Jesse's brain subconsciously spun rapidly as he thought to himself,

"Randal has disappeared, who did this? What about those Iga ninjas? Could they be the ones who died?"

To Jesse, he had never thought that the eight Iga ninjas he had found would have done it to Randal.

Therefore, he speculated in his heart that the odds were that Randal had been kidnapped by other enemies.

Jesse has done a lot of bad things in his life, but the disappearance of Randal,

He could swear to the world on his chest, absolutely nothing to do with him.

It is rare for him to encounter anything that can be as conscientious as this matter.

Therefore, he did not worry at all that Randal's disappearance would have anything to do with him,

The only worry was that if something really happened to Randal, he might temporarily lose his blessing.

In that case, in case the murderer who killed his brother is still after him, then he might be in big trouble.

However, when he thought about it, he felt that he should not worry too much for the time being.

After all, he is living in the Fei family, these days are all full of peace and quiet,

It proves that the other party has not been able to investigate the Fei family, he is still safe.

So, what he needs to do next is to continue to spend as much time as possible in the Fei family,

Regardless of whether Randal can return safely or not.

This is not a difficult task for Jesse, because Randal arranged him in the villa that the Fei family has moved out of,

The villa has been idle, so as long as he does not set foot out of it, the Fei family probably can not pay attention to him.

Even if they do, it doesn't matter, he can tell this family openly that he is a friend of Randal,

And the Fei family will not kick him out.

.....

And at the same time, the Fei family Wangfu Hotel.

The New York police had already gathered all the staff of the banquet hall, all of them.

Duncan concluded that there must be a ninja's inside man among them,

And now the top priority is to find out this inside man.

And Duncan's approach is also very simple and brutal,

He did not follow the normal process, first looking for the person in charge Leroy to understand the situation,

But Leroy also as one of the suspects, together with other staff members, all grouped into the crowd is there.

In this way, he did not have to listen to anyone's side of the story, directly from the crowd to find out what the problem was.

What Duncan did was to have his police officers first take a few high-definition frontal photos of each person,

After which he had someone pick one of these people first and bring him to the next room,

So that after he had looked at all the photos of everyone,

He asked him if there was anyone among the people present who he had clearly seen today but was not present at the scene now.

If the other party said no, he was temporarily taken to a corner,

Guarded by police officers, and was not allowed to communicate with anyone,

Thus ensuring that he could not conspire with others.

The dozen or so people who were questioned at the beginning were all official employees of the Wangfu Hotel,

And when Leroy put Kazuo Hattori and the others in, he also intended for them not to have any contact with the older employees,

So the older employees did not see that eight people were missing from the scene.

Soon, it was the turn of a temporary worker who had just been hired to help today.

This temporary worker is a young Chinese, he was originally a foreign student in an ordinary university in New York,

His family sold their property to send him to study abroad,

Hoping that he could achieve something, but did not expect that he gradually lost himself after coming to the United States,

Every day immersed in spending and drinking and simply waiting for his parents,

Who remit his tuition fee which is all squandered.

Because he couldn't pay the tuition fee, he was expelled from the school as a matter of course.

According to the U.S. visa policy, once expelled from the school,

The visa will be invalid, in this case, according to the normal process, you can only leave the U.S. and then find a way.

However, this young man had no face to go home to face his parents.

So he went black in New York.

#### **Chapter 4282**

In order to survive, he usually hangs out in an Internet cafe in Chinatown,

Where he lives and eats every day, and earns his living by helping others to practice games and working as a casual worker.

Once the income from coaching is not enough, he will come out to find a day-to-day casual work to do,

Earn enough money to continue to dive into the Internet cafe, when there is no money, he comes back to work.

At this time, he is standing in the conference room with others, waiting for the police to ask questions one by one.

However, he is particularly nervous at this time, because he is different from others,

His visa has long been invalidated, now belongs to the category of illegal immigrants,

Once found by the police, will certainly be handed over to the Immigration Bureau to deal with,

And the Immigration Bureau treats him as an illegal immigrant, there is only one solution, that is, deportation.

Apprehensive, he was eager to ask those who had been questioned and brought back by the police,

Asking them if the police checked their identity documents when they were questioned.

However, those who had been questioned were all taken to another corner by the police,

So he had no chance to ask them even if he wanted to.

At this time, a police officer came to him and said, "You come with me."

The young man did not dare to disobey and hurriedly followed the police out of the conference room to the next room.

Once he entered the next room, he saw Duncan, who also had a Chinese face.

When Duncan saw him, he smiled slightly, pointed to the single sofa in front of him,

And smiled, "Come here, young man, sit down."

The young man nodded nervously and sat down anxiously across from him.

Duncan saw his nervous forehead full of beads of sweat,

Fingertips and calf belly kept trembling, so he casually asked: "Young man, what's your name?"

The young man said nervously, "I ..... my name is Barton Zhang....."

"Barton ....." Duncan laughed: "You should be an illegal immigrant, right?"

Barton's face was white with fear and he stammered and asked,

"You ..... how do you ..... how do you know ....." "

Duncan laughed: "To tell you the truth, this case I am going to investigate today is very big,"

"It is never done by ordinary people, you have such a poor psychological quality,"

"It is certainly impossible to be their accomplice,"

"So the reason you are so nervous is only possible that there is a ghost in your heart."

"I see your face puffy, thick bags under the eyes than a middle-aged and elderly person,"

“A look that is often associated with staying up late, irregular rest,”

“And for people working here, rest time is very regular,”

“So the only explanation is that you should not be a formal employee here,”

“And most of the time your rest is not regular, the reason why you are here,”

“The only explanation is that you should not be an official employee here,”

“And most of the time your work and rest are irregular,”

“So you are probably just doing a short job and earning a living, right?”

When Barton heard this, his heart became even more nervous,

He didn't dare to answer freely, because he was afraid that Duncan was deliberately swindling him.

Duncan saw that he did not say anything, so he smiled slightly and continued:

“There are ghosts in your heart, irregular work and rest, and you have to work short hours to earn money,”

“So altogether, you must be an illegal immigrant. If you are not an illegal immigrant,”

“They will not make things difficult for you, but if you are indeed an illegal immigrant,”

“Then they will not hesitate to send you back to your country.”

Barton was scared half to death by his words and couldn't help but choke up,

“Please ..... don't send me back to China ..... if I go back like this, my father will kill me... ..”

Duncan nodded and smiled, “Don't worry, as I said earlier, I'm here to investigate a big case,”

“To catch an illegal immigrant like you, it's not necessary for me.”

He said, he threw a cell phone to Barton in front of him and said,

“Take a good look at the photos here, and then think about every person you have seen since you came here today,”

“And then tell me if there is anyone missing if you cooperate well,”

“Then I can not only let you go but also may give you some cash in return. “

When Barton heard this, he took the phone over without thinking,

And then immediately looked through the photos inside.

As he flipped, he muttered, "So many people in here I've never seen ah ....."

Duncan admonished, "You don't need to care about the ones you haven't seen,"

"You only need to care about the ones you've seen today but aren't in here."

Barton hurriedly nodded, after turning over all the photos, he said with some doubts,

"It seems like those Japanese who were with me earlier are not here in these photos!"

Chapter 4283

Duncan was immediately revived, and quickly looked at him and asked,

"What Japanese?"

Barton did not dare to delay and hurriedly said,

"I was recruited by the hotel as a temporary worker, and I came in with the same group of temporary workers,"

"A total of a dozen people, there were several Japanese, but these photos are not of them!"

Duncan asked, "What do those Japanese people you said look like? What are their characteristics?"

Barton pondered for a moment and said,

"Look, it is the ordinary people's face, as for the characteristics,"

"It is the feeling that their expressions are more serious, they did not smile,"

"And they never spoke, only talked with eye contact, sneaky, and from looks did not seem like good people."

Duncan was surprised and asked, "They didn't talk, how do you know they were Japanese?"

Barton said, "On the way here, I inadvertently saw the screen of the cell phone from one of them,"

"And his phone was in Japanese."

Duncan asked again, "Did you have any encounters after you arrive at the hotel?"

"No." Barton replied, "After we arrived at the hotel, we were assigned to help in the back kitchen at that time."

"But immediately after that several of them were assigned different jobs,"

“And then they left the back kitchen altogether.”

Duncan continued to ask: “Then I ask you, who is the person who recruited you in?”

“And who was the one who assigned you jobs? Especially who was the one who assigned work to those Japanese people?”

Barton said, “The one who recruited us is Manager Chen, but I don’t know what his full name is,”

“But he assigned us to the back kitchen, and he also assigned other jobs to the Japanese in the middle.”

Duncan took out the hotel’s staff book, found the page of Leroy Chen, handed it to Barton, and asked, “Is it him?”

Barton took a glance at the photo on the staff book and immediately concluded, “Yes, it’s him!”

Duncan nodded with satisfaction, in his opinion, the breakthrough point had been found.

Then, he said to Barton, “You’ve done a good job.”

Saying that he also took out his money clip from his pocket,

Took out 500 US dollars in cash from it and handed it to Barton, saying,

“Take this money first, and if there are any problems that need consultation, I will look for you again.”

Barton was flattered to take the cash and subconsciously asked,

“Inspector Li ..... I ..... don’t need to go to the police station anymore, right?”

Duncan knew what Barton was worried about, nodded, and said,

“Don’t worry, you will be allowed to leave when today’s business is over,”

“But before you go, leave a copy of your contact information for the police officer,”

“Either by phone or WhatsApp on the U.S. side, WeChat or e-mail from back home.”

Barton’s heart was happy and he was busy saying, “Don’t worry, I’ll leave my WeChat ..... then”

“Good.” Duncan nodded, then had someone take Barton away and instructed,

“Bring the hotel banquet hall’s manager Leroy Chen over.”

At this moment, Leroy was standing incomparably nervous in the middle of the crowd.

After he learned that Randal had been kidnapped and disappeared from the banquet hall, he was scared out of his mind.

He never dreamed that the real target of those people would be the young master of his own family.

Now that the young master has disappeared, he himself has become an accomplice.

And he did not dare to confess these circumstances to the police, or to Adam.

Because the lives of his wife and children are in the hands of the ninjas.

It didn't matter if he died, but if he couldn't get their lives back, what was the point of living?

Chapter 4284

Just as he was apprehensive, a police officer came to him and asked, "Are you, Leroy Chen?"

Leroy nodded and said in some panic, "Yes ..... it's me ....."

The police officer waved at him and spoke coldly, "Come with me."

Leroy's heart is even more panicked, but at this moment he does not have any other way,

He can only take heavy steps, follow the police officer to the next door where there is Duncan's temporary office.

As soon as he entered, Leroy was shaking with fear.

He had heard of Duncan's reputation for a long time, so he was afraid of being seen by him.

So, he came to Duncan with fearful hands and stammered,

"Li ..... Li ..... Inspector Li ..... How are you ....."

Duncan stared at him and suddenly forced his voice coldly,

"Leroy! I ask you! Why did you collude with the ninja and kidnap the young master of Fei family?"

Duncan's sudden angry shout made Leroy's heart and soul horrified,

He panicked and sophomorically said, "I ..... I didn't ..... I really didn't ....."

Duncan said with a cold voice: "You still lie? Those ninjas are the ones you recruited in!"

"If you just recruited them in, I reckon I can still believe that you are inadvertent,"

"Can recruit them in and then put them to the place of incident,"

"This is clearly premeditated in the first place! So you are their inside man!"

Leroy is still resisting, shaking his head repeatedly:

“Not me ..... I did not ..... I do not know any ninja at all ..... “

Duncan looked at his forehead and cheeks, there are beads of sweat dripping one after another, then sneered:

“Leroy you show me your sophistry here and I have no problem,”

“But I have to warn you if you do not cooperate with me,”

“Then I will now have that information back to Adam, the missing person tonight is Adam’s son,”

“I do not need to remind you of this matter, right? What do you think he will do to you when he finds out about this?”

Leroy heard this, the psychological defense instantly completely collapsed,

He immediately kneeled in front of Duncan, crying, and said:

“Inspector Li, I have hardships ah Inspector Li ..... that gang kidnapped my wife and children,”

“And said that if I do not obey their orders, my wife and children will be all gone.”

“And they forced me to give in, they also killed my family nanny! I was also forced to .....”

At this point, Leroy looked at Duncan and choked up,

“Inspector Li, I know I am guilty, I deserve to die, even if the young master wants me dead,”

“I have nothing to say ..... I only beg you to save my family of seven, they are innocent... ...”

From the moment Leroy came in, Duncan guessed from his apprehensive expression,

That he would definitely not be an accomplice in this matter.

After all, that gang of ninjas acted in a dry and ruthless style,

So how would they cooperate with an ordinary person with extremely poor psychological quality like him?

The only possibility was that they had coerced him.

Therefore, he did not doubt Leroy’s words at all.

So, he said to him: “Leroy, if you want to save your wife and children,”

“You must tell me everything you know, including when and where this gang met you,”

“What they said, and what messages they left!”

In Duncan’s opinion, he now desperately needs to find those ninja’s image data,

Must first grasp the facial features of this gang of ninja,

In order to be able to catch them, and his time is very tight,

If not speed up, this gang of ninjas may be smuggled out of the country!

Chapter 4285

In Duncan’s opinion, the surveillance records that were tampered with were only within the confines of the hotel,

But Leroy’s contact with the ninja outside the hotel must have been difficult to avoid all municipal surveillance.

Therefore, as long as Leroy could provide the time and place of his contact with the ninjas outside the hotel,

Duncan would be able to find out the visual data of these people.

Just when Duncan was mobilizing the police force and searching for image information based on Leroy’s confession,

Marven had already left the Wangfu Hotel with Sara, Tasha, and Hogan.

Considering that the charity dinner had gone down the drain and there was no dinner at once,

Marven proposed that everyone find a place to have dinner first.

He believed that Hogan must have something to say to him.

Moreover, he also wanted to hear what he has to suggest.

Hogan, too, really had a lot of questions to ask Marven,

And Marven let those ninjas kidnap the young master of the Fei family today,

This matter is not a joke, he was afraid that Marven has made a bad handling, causing a big disaster.

So, he proposed: “Why not go to my place, although the food is a bit rudimentary,”

“But the place is convenient to talk.”

Marven naturally has no opinion, so they looked at Sara,

Sara, while having a cheeky smile, said: “Uncle Zhong’s roast goose is the best, I have not had enough!”

Marven smiled faintly and waved his hand, "Come, let's go to Chinatown!"

Under the escort of the bodyguard, the four of them came to Chinatown.

At this time, Hogan's store was already closed, and the man had already closed and left,

So Hogan invited Marven and the others to the second floor, and he himself went to prepare the meal.

Marven also received the information from Joseph at this time,

Hattori Kazuo and others, as well as Randal of the Fei family, were now under his control.

Marven instructed him to make sure that all nine people were under control.

And not to let them have any contact with the outside world.

At the same time, he also instructed Joseph to draw more manpower to the vicinity of the Fei family's property,

Because he believed that Jesse was now hiding in the Fei family.

Only the Fei family was too big and heavily guarded,

It was easy for the Front to hit in, but if they wanted to sneak in silently to find Jesse, it was almost impossible.

Once the commotion gets too big, the Front will definitely reveal its whereabouts.

This time, Marven does not want to directly let the Cataclysmic Front exposed,

If the Cataclysmic Front is exposed now, later when they have come to the United States to compete with the Routhschild family,

There is one less trump card to catch the other side off guard.

The best solution is to lay a net around the Fei family and wait for that son of a bltch Jesse to get himself in!

.....

Ten minutes later, Hogan walked upstairs with the meal.

After preparing the meal, Hogan greeted everyone to eat, and after everyone sat down,

He looked at Marven and asked in a lowered voice:

"Young Master Ye, I don't quite understand one thing, why were those ninjas so afraid of you?"

Marven laughed, "Have you heard about the matter of the Ye family being sought for revenge,"

"By the Cataclysmic Front some time ago?"

Hogan nodded and said, "I only heard about it afterward,"

"They said that the Ye family gave up half of its assets to the Cataclysmic Front to escape a disaster,"

"So when I saw you today, I never mentioned this matter."

Marven waved his hand and said casually, "This is just a rumor that I deliberately let out,"

"The real situation is just the opposite,"

"Not only did the Ye family not give up half of its assets to the Cataclysmic Front,"

"The Cataclysmic Front is loyal to me instead,"

"I just don't want the Ye family to attract the wind, that's why there is this rumor."

Chapter 4286

Hogan listened dumbfounded if Marven won't tell him this, so he couldn't believe his ears.

The famous Cataclysmic Front is now under Marven's command,

This is definitely a great addition to the strength of the Ye family,

Not to mention the hundreds of billions of dollars in assets of the Fei family,

But they can't possibly afford to form a mercenary army of the size of the Cataclysmic Front.

Marven then added: "As for those ninjas today,"

"They are all forces under the command of a friendly family of mine in Japan,"

"And they had seen me at the time on Mount Yeling, that's why they were afraid."

Hogan took a long moment to digest what Marven said about this matter, and could not help but sigh:

"Young Master Ye, with your current strength, the Ye family in the whole of East Asia as well as Southeast Asia,"

"I'm afraid it can be ranked first!"

Marven smiled faintly and said, "Just the first in East Asia and Southeast Asia is far from enough,"

“The Saudi Royal Family in West Asia, in the strength of the world is second only to the Routhschild family,”

“The Ye family wants to become the first in all of Asia,”

“We must exceed the Saudi Royal Family, want to become the first in the world,”

“We must exceed the Rothschild family, which still has a long way to go.”

Hogan nodded and said with emotion, “I believe that with your strength, Young Master Ye,”

“It is only a matter of time before the Ye family stands at the top of the world.”

Marven smiled blandly, “I hope this time can be as short as possible.”

Hogan could not help but be impressed with Marven.

Previously, he did not believe that Marven could make the Ye family stand at the top of the world,

But now, looking at Marven’s calm and self-confident appearance, he suddenly felt that it was not impossible.

This reminded him of Marven’s father.

Even when he was at his peak, he only dared to think of this goal as a beautiful vision,

Never daring to think that it could really come true one day.

However, Marven, who is in his twenties, has already started to catch up towards this goal.

While feeling emotional, he could not help but ask:

“Young Master Ye, about that Randal, what are your plans? This person is a time bomb,”

“The slightest carelessness will most likely trigger a huge side effect.”

Marven sneered and said, “Uncle don’t worry, not to mention a simple Randal, even if it is Adam Fei or Dawson Fei,”

“I don’t put it in my eyes, the big deal is to abolish Dawson, Adam, and Randal’s lineage,”

“And then pull the senior Douglas Fei back to become the family head again.”

Hogan asked in horror: “Young Master Ye ..... you know the whereabouts of Elder Douglas Fei?”

“The Fei family has been searching for him like crazy!”

“For Dawson, as long as Old Master Fei doesn’t die, he can’t sit down on this family head’s seat!”

Marven laughed: "Douglas, and his granddaughter Stella, are properly arranged by me,"

"Originally I just return a favor to Stella, saved their lives, and did not intend to help them return to the Fei family,"

"But since the Fei family has such an asshole Randal,"

"He dared to hurt my people, then I have to reassess this matter."

"I have a feeling he won't stop there, maybe he will come to do something evil,"

"If he doesn't know any better, then I will do him too, and then let Master Fei go and talk to Dawson."

Hogan nodded and said, "Adam is a straw man himself, so many years, there is nothing to build,"

"But Dawson this person still has some wrist,"

"Otherwise it is impossible to seize the opportunity to usurp old Mr. Fei's position."

Hogan said: "If you can let the old man Fei come back to deal with him,"

"Indeed can play a four-two-square effect, the old man Fei in China, forced to fell from power,"

"In his heart, he must also want to reverse the situation, once he gets the opportunity,"

"With his style of action, will never give Dawson leave a way back."

Marven shook his head: "If he just does not give Dawson leave a way back,"

"That is far from enough, if I let him back, he will never leave Dawson's family alive!"

Chapter 4287

Last second, Hogan still felt that Marven had let those ninjas kidnap Randal,

Which would put him in a situation where he himself was walking on thin ice,

But this second, he realized that in Marven's eyes, the Fei family was not a behemoth at all.

On the contrary, in his eyes, this family is a plate of vegetables.

When to move the chopsticks, completely depends on Marven's mood.

Whether it was Adam Fei or Dawson, in front of Marven, neither had any advantage.

On the one hand, Marven has in his hand the Cataclysmic Front,

Really with the Fei family coming face to face, beating a drum, this family is not a rival.

On the other hand, Marven still has Douglas Fei, the great emperor of the Fei family, in his hand.

If Marven really sent Douglas back to the United States,

And then protect him with the strength of the Cataclysmic Front,

Then this Dawson will have to give up the position of the family head.

Otherwise, once the whole United States knows that Dawson has taken advantage of the opportunity,

To seize the power from his own father, and ordered his father to die and did not allow to return to the United States,

He will become a shouting street rat.

Even, it is likely, he is to be subject to judicial investigation.

So, no matter how much Dawson, Adam can jump,

As long as Marven played this trump card, for their father and son, is the trump card.

In this situation, even if Marven killed Randal in front of these two masters,

This father and son wouldn't dare to say a word out loud.

So, Hogan asked Marven: "Young Master Ye, what are you going to do next in this matter?"

Marven coldly said, "After that Jesse emerges, we will get him and Randal together,"

"And kill them both to eliminate the scum for the people!"

Hogan asked again, "Then do you plan to expose their despicable deeds?"

"Of course!" Marven said, "The reason I didn't kill off Randal directly is to dig out all,"

"All of his and Jesse's deeds and then expose them all, it would be great if I could wipe out their group."

Hogan nodded and suddenly had a plan and said,

"Young Master Ye, if you want to make a big deal out of this,"

"I do have a way to set aside a thousand pounds with four pairs of hands."

Marven's heart was happy, and humbly asked for advice: "Uncle, what is your good solution?"

.....

Tonight in New York, it was not destined to be peaceful.

Hattori Kazuo, with seven Iga ninjas,

Drove the garbage removal truck and brought the unconscious Randal all the way out of New York City,

He had contacted Joseph in advance and was following his instructions to deliver the man to the designated place.

After more than an hour of driving, Hattori Kazuo drove the car directly to a deserted gas station in the suburbs.

As soon as the car stopped,

More than twenty people immediately rushed out of the darkness and surrounded the garbage truck.

Joseph himself went outside the cab and said to Kazuo Hattori,

“Don’t turn off the car, everyone get out!”

Hattori Kazuo recognized Joseph at once, hurriedly pushed open the car door and stepped down,

Saying nervously, “Hello Mr. Wan ..... I ..... I was ordered by Master Ye to bring Randal to see you .....

At this time, from the passenger side also stepped down an Iga ninja,

And six other ninjas came out of the trash removal vehicle’s compartment one after another.

And Randal was still in an unconscious state when he was dragged out of the carriage.

Joseph looked at Hattori Kazuo and spoke, “You guys, go with my men.”

Hattori Kazuo did not dare to do anything rashly and said, “Yes, Mr. Wan, we will do as you say!”

Chapter 4288

Joseph waved his hand at his men, and a dozen of them immediately came up,

And picked up Randal and put him into a business car,

And then took Hattori Kazuo and eight others to different cars.

Then, one after another, many cars drove away from the gas station and headed in different directions.

Joseph said again to the two henchmen left behind,

“You guys take this junk car away and dispose of it.”

One of the yellow-haired Caucasian henchmen nodded and spoke,

“Don’t worry, Supreme Commander, I’ve already found a car recycling station,”

“In an hour’s time, we can take out all apart and crush its parts into pieces along with other cars,”

“Absolutely no one will be able to find its whereabouts.”

“Good!” Joseph nodded with satisfaction and said,

“Then you two hurry up and get it done, and meet me back downtown after it’s done.”

“As you command!”

.....

Meanwhile, both the police and the Fei family got a clue about the junk car.

Although Hattori Kazuo, they, did not leave video surveillance footage inside the hotel,

But, the municipal surveillance outside, is beyond their control.

So, as long as the person or car coming out of the hotel,

It will definitely appear in the surrounding municipal surveillance video.

The garbage truck was caught by the police and the Fei family at the same time.

So, both sides began to trace the garbage truck.

In addition to the police and the Fei family, all the gang members,

Professional killers and private detectives in New York are also out for the bounty, and the streets of New York are in chaos.

However, no one expected that Joseph had rented a super luxurious villa in Long Beach,

New York with a single-day rent of \$80,000!

This luxury villa is one of the top luxury houses in Long Beach,

Usually rented to foreign tycoons who come to New York for vacation,

Or rented to the crew to use for filming, and after receiving Marven’s order,

Joseph directly fictionalized a film crew from Hong Kong Island,

Rented the villa, falsely claiming to be ready to shoot a biographical film of a Chinese tycoons breaking into New York.

Moreover, the most unexpected thing is that the mansion was rented by Joseph.

Is only less than 500 meters away from the Fei family's estate.

Therefore, after driving around downtown New York,

Joseph's men brought the eight ninjas, including Kazuo Hattori, and the unconscious Randal, to this villa.

No one expected that Randal, who was being searched for all over New York,

Was lying in his neighbor's house less than 500 meters next door to his own.

Joseph's men took the eight ninjas, as well as Randal, directly into the basement of the villa.

At the same time, a large amount of movie equipment that Joseph had rented was also transported to the scene overnight.

And Joseph even let his men rent a variety of lighting, camera equipment all moved to the courtyard,

And even set up in the foyer and courtyard, the entire villa gave a sign of feverishness,

It seemed for sure that really there is a drama team having a shoot here.

At this time, Joseph made a phone call to Marven to report the progress and ask for his next instructions.

Marven adopted Hogan's proposal and conveyed the next order to him.

Joseph hung up the phone and immediately stepped inside the basement where the eight ninjas and Randal were being held.

At this moment, the eight ninjas were sitting in the corner like defeated roosters,

While Randal was left on the floor still unconscious.

### **Chapter 4289**

The eight ninjas stood up in a hurry and looked at him with a respectful face.

Joseph ignored them, but pointed at Randal on the floor and said to his men, "Wake him up!"

His men immediately brought a basin of cold water and poured it all over Randal's body with a clatter.

The unconscious Randal suddenly had a jolt and sat up with a scream.

As his vision slowly returned, he panicked and asked loudly,

“What do you want? Do you know who I am?!”

Joseph looked at him and pulled out a dagger from his men’s waist,

Then threw that dagger in front of Hattori Kazuo and said in a cold voice: “Go, cut off both of his ears!”

When Hattori Kazuo heard these words, his whole body shivered violently in fear.

He really didn’t expect that Joseph would let him cut off Randal’s two ears as soon as he opened his mouth.

Randal was also stunned.

He was the young master of the Fei family,

An existence that no one dared to mess within New York,

But he never thought that this guy in front of him would be so vicious that he would cut off his ears, and two at the same time!

The panic-stricken Randal shouted: “Do you know who I am? I am the young master of the Fei family, Randal!”

“I don’t need to tell you how strong the Fei family is!”

“If you guys dare to touch a hair on my head, my father and my grandfather will definitely take your lives!”

Joseph looked at Randal and said indifferently, “Let me tell you, my name is Joseph Wan,”

“I am the master of the Cataclysmic Front, not to mention a mere grandchild of the Fei family,”

“Even if it’s your father or your grandfather, as long as Mr. Ye says so,”

“I will kill them all! Even if I kill your Fei family to the point that not even a single dog is left, I will not blink an eye!”

Hearing these words, Randal’s entire body instantly felt a spinning of the sky and the earth.

“Joseph Wan?! You ..... are Joseph Wan?!”

Randal was terrified to the extreme and said offhandedly,

“Mr. Wan ..... our Fei family has no grudge against you,”

“I have even always looked up to you, why would you lay your hands on me?!”

Saying that he asked again nervously,

“Who is Mr. Ye again? I’ve never offended anyone named Ye!”

Joseph looked at the time and sneered, “Soon you will know.”

After that, he looked at Hattori Kazuo, pointed to the dagger on the ground,

And said in a cold voice: “Hattori Kazuo, the order was given by Mr. Ye,”

“I just conveyed it for Mr. Ye, he will come over soon,”

“You’d better get it done before he comes,”

“Otherwise, when the time comes, I’ll cut your ears together!”

When Hattori Kazuo heard this, he turned pale with fear and said in a panic,

“I’ll cut it! I’ll cut it right now!”

Kazuo was now very clear that no one could mess with Marven.

Still, if he messed with the Fei family, the Iga ninja might be exterminated,

But if he messed with Marven, the Iga ninja would definitely be exterminated!

So, he didn’t dare to delay, he hastily picked up the dagger and walked towards Randal with one step at a time.

When Randal heard Joseph say Hattori Kazuo’s name,

He immediately realized that this guy was the Japanese ninja that Jesse had found to kidnap Sara.

But he couldn’t understand how the man Jesse had found to kidnap Sara,

Why would he suddenly turn against the water to kidnap himself?

Angry, he stared at Hattori Kazuo and angrily reprimanded:

“You s0n of a b!tch are too unreputable! Not only did you not do anything after receiving money,”

“But you even turned around and kidnapped your employer!”

“Believe it or not, the Fei family will exterminate your entire family!”

## **Chapter 4290**

Hattori Kazuo also gave up his life and went up and slapped Randal across the face,

Gritting his teeth and saying, "You bastards asked us to kidnap Mr. Ye's woman,"

"That's like pushing us into the fire! Fortunately, I didn't make a big mistake,"

"Otherwise the whole Iga ninja would have disappeared from this earth!"

"I can't even kill you to get rid of my hatred!"

Hattori Kazuo was right. He now hated this Randal like crazy.

If it wasn't for him, how could he have come to America to Ye through this mess?

Although he had saved his life, for now, he didn't know how Marven would punish him next?

Thinking of this, he walked forward in anger, ignoring Randal's struggle,

Grabbed his hair, the dagger flew around two times at a very fast speed

Immediately afterward, Randal's pig-killing howl was heard!

"Ah!!! My ears!!!"

On the ground, the two bloody ears were very eye-catching,

While Randal was desperately covering his ears, wailing repeatedly,

Blood was gushing out from his fingers, which was unbearable.

At this time, Joseph gave a wink to his men and said, "Treat his wounds."

His men nodded and immediately took out a bottle of wound treating medicine to stop the bleeding,

Stepped forward and spread the powder on both sides of his wounds.

Joseph said to Hattori Kazuo:

"Pick up the things on the ground and go to the bathroom to wash them, I still need them."

Hattori Kazuo did not dare to refuse, hastily bent down and picked up the two ears,

Walked to the next-door bathroom and washed them with water.

At this time, a helicopter landed in the courtyard of the villa.

Marven stepped off the plane alone,

And then a soldier from the Cataclysmic Front stepped forward and said respectfully,

“Mr. Ye, the Supreme Commander is in the basement, please follow me.”

Marven nodded, and under the soldier’s guidance, he arrived at the villa’s basement.

Pushing the door in, Joseph was standing in the center of the room,

While Randal had already had both of his ears cut off, wailing in pain while shivering all over.

When Joseph saw Marven coming, he immediately said respectfully, “Mr. Ye!”

Marven nodded, looked at Randal, and sneered, “Young Master Fei, we meet again.”

Only then did Randal see Marven, and in this instant,

He couldn’t care less about the sharp pain coming from the root of his ear,

And said in shock: “You ..... you are that Feng Shui guy?!”

Marven laughed: “What? Are you surprised to see me?”

Randal’s brain is not enough to process all of this, he shot out this question:

“Who the hell are you? Why did you let the Cataclysmic Front tie me up here?”

“Why did you let them cut off my ears? Why?”

Marven said indifferently, “There is no such thing as to why, they didn’t look good on you, right?”

Randal roared in anger, “I have no fucking grudge against you!”

“What the fuck do you mean by that? Aren’t you afraid that my family will retaliate against you?”

Marven looked at him, eyes gradually cold, sternly asked:

“So many innocent girls who died at your hands,”

“And you have what grudge? And why did you work in cahoots with Jesse,”

“Hunting them and abusing them without any bottom line of conscience?”

Speaking of this, Marven’s voice raised a few points, angrily shouted:

“You do not have the eyes of a dog, how dare you even move your mind to Sara???”

“Do you know that Sara was engaged to me when she was three years old?”

“You could think of such a thing, are you not afraid of losing your life?”

Randal was instantly struck by lightning, his eyes wide, unable to say a word.

He never thought in his wildest dreams that his deeply hidden matter would be learned by this feng shui master named Ye .....

He subconsciously tried to show some sophistry:

“I do not know what you are talking about! I, have never done the things you said!”

“I didn’t have any ill intentions towards Miss Gu either!”

Marven said disdainfully, “Randal, do you still fcuking think that I run the court?”

“If you deny it, I won’t judge you? Since I got you here,”

“I won’t listen to a single word of explanation from you!”

Speaking of this, Marven coldly said,

“Randal, I can tell you straightforwardly, you fell into my hands this time, you’re fcuking dead!”
