

The Amazing Son In-Law Chapter 4321-4330

Chapter 4321

When Jesse escaped from the Fei family, he thought that through his own extraordinary foresight,

He could definitely play a hand of extreme operation and escape from the sky.

But he never dreamed that he just ran out of the Fei family,

Not even five minutes before and after, he was next door to the Fei family manor and became a prisoner.

Extremely fearful, he was confused by various thoughts in his heart.

Although he did not know who the gang that kidnapped him was,

But deep in his mind, he already had an answer.

He felt that these people should be the ones behind the killing of his brother,

And the evaporation of an entire Italian gang from Vancouver.

Soon, he was dragged to the basement, after the door opened,

He was horrified to find a naked man hanging in the room, just like himself,

Wearing only trunks, this naked man is no other than Randal.

At this time, Randal is nowhere near his usual style of the young master of the Fei family from the past.

He was naked, his hands were hanging, and the whole person is like a meat pig to be slaughtered.

The two ears are gone, and the only thing left are two large wounds,

And these wounds are covered with huge patches of blood scrub.

Randal at this moment also did not expect to suddenly see Jesse here.

Seeing Jesse was brought in, he was first surprised,

And then his expression showed more than a few points of excitement.

Nothing else, Randal suffered a lot here, a person in extreme despair here,

At this time there is Jesse this acquaintance with him to share the suffering,

The mood bottomed out, a little excitement is inevitable.

Other than that, even if it is to die, he has a person to accompany him on the road,

But the situation is much stronger than a person dying here.

But Jesse saw Randal here and is not the least bit happy.

In fact, what he was most afraid of was seeing him here.

Because, if the other side even dares to move the Fei family master,

Then who is he? A fart? Trying to escape would have even less chance

At this time, one of the Cataclysmic Front soldiers looked at Jesse and questioned,

“Young Master Qiao, young masters Fei is all excited to see you,”

“Why are you not happy to see your old friend at all?”

Jesse had the heart to die, he was like a human being, how could he not understand Randal’s mind?

If he were Randal, suddenly seeing someone to accompany him, he would certainly be happy.

He had the illusion that he could successfully run away,

But he didn’t expect to be caught here all of a sudden,

At such a time, he was naturally in a rock bottom mood.

The soldier saw that Jesse did not speak, a hand grabbed his collar,

Gave back and forth two slappings fiercely on his face angrily shouted:

“I asked you questions, why do not you answer?”

Jesse’s weak body, which can withstand the other party’s vigorous slapping,

Two slaps down, was immediately beaten with stars in the eyes, spitting blood,

So can only hastily say: "I am happy I am happy" "

The soldier gave another slap in the face, angrily cursed:

"Damn, not sincere at all, give me a re-speak!"

Jesse's teeth were broken a bit, face full of pain as if to explode,

But could only stiffen their heads and begged:

"I really happy please do not hit"

The soldier laughed: "The ruthless young master Qiao, how come he begged for mercy so quickly?"

"But only received a few slaps only, the good show has just begun,"

"You so early to beg for mercy, what can be done in a moment?"

Chapter 4322

The moment Jesse heard this, he knew that the other party would definitely not let him feel better,

And was probably even prepared to make him suffer to death,

So he subconsciously cried and begged: "Big brother we have no enemies,"

"Why do you want to kill me, big brother... .."

Randal saw Jesse like a dead dog crying and begging, a flash of light in his heart,

Immediately looked up at the monitor overhead, opened his mouth, and shouted:

"Mr. Joseph, Mr. Joseph are you there? The kidnapping of Miss Gu was all this Jesse's idea!"

"All the details were planned by him, he is the mastermind ah Mr. Joseph,"

"Please help me give a message to Mr. Ye, beg Mr. Ye to give me a lenient treatment ah"

Jesse's whole person listened to it dumbfounded, how could he expect,

Randal opened his mouth was actually for dumping the pot on him!

Moreover, listening to the meaning of the words,

As if the mastermind behind this matter of Sara's kidnapping has brought him here,

If so, then with the gang that killed his brother, should not be a wave, right?

Thinking of this, he said almost without thinking:

"Randal! Don't you fcuking spit on people! This matter is entirely your own idea!"

"You are the one who wanted to get Miss Gu, what does it have to do with me!"

Randal cursed angrily: "You usually follow my a55 and lick me with your tongue out,"

"And now that something has happened, you say you have nothing to do with it."

"Mr. Joseph, just send a few of the soldiers of the Cataclysmic Front,"

"You will be able to investigate everything, you think you can get rid of it by moving your lips?"

When Jesse heard this, he knew it would be difficult to clear his name,

So he looked at Randal and said angrily, "Fei, you only think of dumping the pot when you fcuking see me,"

"You are simply stupid! Don't you fcuking understand? We are both grasshoppers on a rope!"

Randal also saw Jesse's face and said coldly:

"When you dump the pot, you say it was my idea, but when you can't dump it,"

"You say you're a grasshopper on the same rope,"

"You're really are sinister and cunning, Jesse! I was fcuking dragged down by you!"

Jesse was shivering with anger and said through clenched teeth,

"You said I pulled you down? Back in school, if you hadn't been doing bad things all the time,"

"How would I have been in your good graces?"

“It’s obvious that I was led astray by you, and now you still bite me back!”

At this moment, in the monitoring room upstairs, Joseph saw the two of them biting each other,

And immediately cut this video and sent it to Marven.

After seeing this video, Marven replied to him, “It’s better to let Hattori Kazuo go.”

Joseph immediately sent a voice message to Marven and said,

“Don’t worry, Mr. Ye, my subordinate will make the arrangements.”

Immediately after that, he instructed the men around him, “Go and get Hattori Kazuo.”

“Yes!” The subordinate immediately brought Hattori Kazuo over.

Hattori Kazuo asked respectfully, “Supreme Commander, what are your orders?”

Joseph pointed to Jesse on the monitor and said, “You should know this person, right?”

Hattori Kazuo fixed his eyes and immediately said angrily,

“Supreme Commander! This is the son of a b!tch who tricked us into coming to New York!”

“Okay.” Joseph nodded and spoke, “Mr. Ye said, go and entertain him.”

Hattori Kazuo froze and quickly asked, “How am I going to entertain him?”

Joseph said to the men around him, “Give him your tactical dagger.”

“Yes, Hall Master!”

Without thinking, that henchman pulled out a dagger and handed it to Hattori Kazuo.

Hattori Kazuo, who himself hated Jesse with a passion, took the dagger,

His eyes chilled, and said coldly, “Please don’t worry, Mr. Ye and Supreme Commander,”

“I will treat this son of a b!tch well!”

Chapter 4323

When Hattori Kazuo rushed into the basement room with a dagger in his hand and in a rage,
Jesse's hands were already tied up and hung by the soldiers of the Cataclysmic Front.

And he and Randal were still cursing at each other,

Hating each other and at the same time, not forgetting to dump the onus on each other.

Seeing Hattori Kazuo pushing the door in, both of them stopped cursing at once,

And each of them was shivering with tension.

Randal was afraid that Hattori would take the dagger and cut something off his body.

Jesse, on the other hand, was afraid that he would be treated like Randal, who had his ear cut off.

As soon as Hattori entered the door, he saw Jesse hanging in the air.

His expression instantly became angry and fierce,

And he rushed forward with a big step and kicked Jesse in the stomach,

Sending him spinning like a sandbag.

At the same time, he cursed angrily under his breath,

"Son of a b!tch! You tricked me into coming to the United States,"

"And caused me to nearly make a big mistake in front of Mr. Ye, I can't even kill you!"

Jesse was kicked and spun around, panicking and shouting,

"Mr. Hattori, I'm a victim of this matter, just like you!"

"I was acting on the orders of this evil next to me, the real culprit is him not me!"

When Randal heard this, he immediately said,

"Mr. Hattori, don't be fooled by this son of a b!tch,"

"This son of a bitch has done many harmful things, this time it was his idea to use your ninja skills!"

Jesse said, "Mr. Hattori, don't listen to that bull5hit,"

"He is the one who wants to kill Miss Gu, and I invited you here because of his authorization."

Hattori Kazuo said coldly: "Jesse, do you think I still don't know your true identity?"

"Fei is not a good person, and you are not a good fcuking bird!"

After saying that, he grabbed Jesse's hair and looked at him with a cold smile,

"Jesse Qiao, don't make any more unnecessary struggles,"

"You and Randal, no one will be able to leave this place alive!"

As soon as the words fell, Hattori Kazuo's right hand swung violently,

And in an instant, he chOpped off Jesse's left ear by the root!

Jesse almost fainted from the pain and felt the warm blood spurting out of his ear,

And subconsciously tried to cover it, but his hands were bound, so there was nothing he could do.

He watched his cut ear fall to the ground, the whole person collapsed and could not control howling.

Seeing him crying miserably, Randal felt no small consolation in his heart,

So he sneered and bickered awfully, "Jesse, can't stand it anymore?"

"Don't worry, you'll have to give off that ear too!"

Jesse looked at Hattori Kazuo in despair and cried and pleaded,

"Mr. Hattori, I am a victim just like you."

Hattori Kazuo said in a cold voice: "I am the real victim!"

After saying that, his hand rose and cut Off Jesse's other ear as well.

The first thing you need to do is to get rid of the problem.

Jesse saw the smugness in Randal's expression, his heart was furious,

And then he suddenly remembered something and said to Hattori Kazuo:

“Mr. Hattori! You must not let this Randal go!”

“The Fei family has already sent someone to Japan tonight.”

“They think that you kidnapped Randal,”

“So they have sent many experts to exterminate the entire Iga ninja family.

When Kazuo Hattori heard this, he was shocked and asked,

“How do you know that the Fei family has sent someone to Japan?”

Jesse hurriedly said, “Mr. Hattori, I have been hiding in the Fei family manor these days,”

“And I know every move of the Fei family very well!”

“I have very definite information to prove that Randal’s grandfather has indeed sent many experts to Japan,”

“And will arrive in Japan in almost 10 hours,”

“And he seems to be very dissatisfied with the flight speed of civil aviation,”

“And is trying to find ways to purchase a Concorde!”

Chapter 4324

Hattori Kazuo’s heart suddenly tensed up.

He knew very well the strength of the Fei family,

If the Fei family really sent people to Japan,

It was only a matter of time to find the Iga ninja head.

Even, it is likely that before the experts of the Fei family landed in Japan,

The intelligence personnel of the Fei family had already checked out the Iga ninja clearly.

Therefore, he also understands very well in his heart that the Iga ninja,

Who is already on the wane, is not likely to be unbeatable in front of the Fei family experts.

And now, the kidnap of Randal cut off his ears,

All the accounts on their own head, once they find the Iga ninja,

They will definitely not be soft while treating them.....

The whole Iga ninja will be exterminated because of this!

The first thing he thought of doing is to call his father,

And tell him to take the Iga ninja into hiding so that they won't be wiped out by the Fei family experts.

However, he seemed to be unattended in this villa, but in fact,

His every move was under the close monitoring of the soldiers of the Cataclysmic Front,

And he had no channel to contact the outside world.

In anxiety, Hattori immediately put a knife against Randal's neck and shouted sternly:

"Tell me your family's contact information! I'll find a way to call them right now!"

"If my family is in any danger, I will kill you myself to avenge their death!"

Seeing that the blade had already cut through his skin,

Randal was trembling with fear and said,

"Mr. Hattori, this is all a misunderstanding, as long as you give me a phone,"

"I will immediately have my father order all the experts to be recalled to New York,"

"And then have them go north to Canada and kill Jesse's family!"

Jesse was not afraid at all, because he guessed that Hattori Kazuo must also be a prisoner,

And could not have a way to communicate with the outside world.

So he ridiculed Randal and said, "Randal, you are really not ordinary stupid,"

“Since you are already here, how can you have a chance to call your father?”

Randal also knew that the chances were slim, but he had to try everything he could,

So he looked at Hattori Kazuo and said,

“Mr. Hattori, you must find a way to contact my father no matter what,”

“As long as you can contact him and tell him my situation,”

“He will definitely pull back all the ninjas!”

Hattori Kazuo was also extremely worried at this time,

And his whole body was in a panic, not knowing what to do.

At this time, a soldier from the Cataclysmic Front came in,

Handed a cell phone to Hattori Kazuo and said, “Mr. Ye’s call.”

Hattori Kazuo hurriedly took the phone and said nervously, “Ye Mr. Ye”

Marven smiled faintly and said; “Hattori Kazuo, are you worried about your family now?”

“Yes.....” Hattori Kazuo choked, “Mr. Ye, the overall strength of the Iga ninja is severely damaged,”

“They are hardly a match for the Fei family”

Marven laughed: “You don’t have to worry, I have asked Miss Nanako of the Ito family to arrange a chartered plane,”

“It can take off from Iga anytime and fly directly to New York,”

“You can use this phone to call your father now and ask him,”

“To arrange for people to get on the plane as soon as possible,”

“As long as they can take off before the Fei family lands,”

“That gang won’t be able to do anything with them.”

Hattori Kazuo asked in surprise, “Mr. Ye”

“You you intend to let them come to New York?!”

“Right.” Marven on the other end of the phone said with a smile,

“Coming to New York is the best choice.”

Hattori Kazuo said nervously, “But But New York is the Fei family’s territory”

“If they come to New York, won’t”

“Wouldn’t they be throwing themselves into the net?!”

Marven laughed blandly: “Don’t worry, it won’t take long,”

“You will no longer be the enemy of the Fei family.”

Chapter 4325

Hattori Kazuo did not expect that Marven would be able to consider the safety of his clan in advance.

The moment he heard that the Fei family had sent someone to fly to Japan,

His heart was hanging in his throat, but he did not expect that Marven would have already made proper arrangements.

You should know that the experts sent by the Fei family are still in flight,

As long as his clan members can take off before the plane lands,

They can only be out of reach, even if they are strong.

This time let Hattori Kazuo completely relieved, he hurriedly said with immense gratitude:

“Mr. Ye, thank you really appreciate it!”

Marven smiled faintly: “Grab the time to contact your father, within five hours,”

“Let everyone must get on the plane to New York,”

“The Cataclysmic Front will arrange for them to land in Long Beach and protect their safety, for the rest, wait for my orders.”

Hattori Kazuo knew that Marven was ready to make the Fei family change the sky.

He could not help but think excitedly in his heart,

“If this time, we Iga ninja can play a small role in Master Ye’s action,”

“Then after the Fei family’s old man regains the power, we will definitely be reused!”

“And for a behemoth like the Fei family, supporting a mere Iga family is as easy as can be”

“In this way, it is also a disguised realization of father’s expectation of moving to North America”

“Since we helped Matsumoto Ryojin kidnap Su family members, in Japan has been highly discriminated against,”

“Continue to stay in Japan will only become more and more difficult,”

“Now if there is an opportunity to join the Fei family,”

“It is definitely a good opportunity to change the fate of the world!”

At this thought, he was even more grateful to Marven!

Then, without thinking, he said to Marven:

“Master Ye, don’t worry, I’ll call my father and ask him to bring all the clan members,”

“To New York as soon as possible to listen to your orders!”

Marven gave a hint and said indifferently, “Tell them to move faster.”

After Hattori Kazuo thanked him profusely,

He immediately used this phone to call his father, Hattori Hanzo.

At this time, Hanzo was as anxious as an ant on a hot pot,

Because of the loss of contact with Hattori Kazuo and the news of Randal’s kidnapping.

Because he could not contact Kazuo, his first thought was that something must have happened to his son,

And it was even likely that someone else had kidnapped Randal,
And that his son and the rest of his clan were just being used as scapegoats.
Just half an hour ago, he was consulting with a number of elders,
Of the Iga ninja to see if they should temporarily leave Iga, or even leave Japan,
In order to free the family to turn the spear on them.
The other elders also shared his view that at such a time,
They should hide away from the wind anyway, and wait until the matter is clear and unambiguous.
Otherwise, in case the Fei family really turned their anger on them, they would be unable to resist.
The Iga ninja were already in a bad enough situation already,
If they were targeted by the Fei family again, they would basically be left with a dead end.
At this time, he suddenly received a call from an unfamiliar phone number, and his heart suddenly became nervous.
He hesitated before he cautiously pressed the answer button.
The voice of his son, Kazuo, came over the phone: "Father! It's me, Kazuo!"
"Kazuo?" Hanzo suddenly became excited, and hurriedly asked,
"Kazuo, where are you now? I watched the news,"
"It said that you kidnapped the young master of the Fei family."
What is going on at the bottom?!"

Chapter 4326

Kazuo hurriedly said, "Father, it's a long story at this point. We were tricked by that employer!"

"He tricked us into coming to New York and actually wanted us to kidnap Master Ye's woman!"

"What?!" Hanzo felt a blackness in front of his eyes, shivering, and asked,

“Master Ye is it Master Marven Ye who was in Orgeyon that day??.....”

Kazuo blurted out, “That’s him!”

“Baka!” Hanzo cursed in despair, “You ba5tard! That day Master Ye’s women were all present at that point,”

“Don’t you recognize them?! Quickly say, did you offend Master Ye’s woman!”

Hattori Kazuo was busy saying, “No, father! How dare I make a move against Master Ye’s woman!”

“And, by chance, Master Ye himself was in New York!”

“So the moment I saw him, I immediately knelt down and confessed to him

Hanzo asked nervously, “What did he say?! Did he forgive you?!”

Kazuo said, “Master Ye told me to make amends, that’s why we kidnapped that Randal

Hanzo’s eyes went black: “That young master of the Fei family... you really kidnapped him?!”

“Yes

As he said, he hurriedly added: “Father, now the Fei family has sent someone to Japan,”

“And is expected to arrive in Japan in another ten hours,”

“Mr. Ye is kind-hearted, and has specially asked Miss Ito to arrange a plane for you and the rest of the clan,”

“What you have to do now is to hurry up and gather all the clan members and go to the airport immediately,”

“And make sure to take off before the Fei family’s people land!”

“If you can take off five hours before they land, that would be great!”

Hanzo had the heart to die. In his heart, he sighed,

“I thought that sending Kazuo to America this time would be an opportunity to open up overseas markets for the Iga ninja,”

“But who would have thought that such a big thing would happen as soon as he went to America

“Offending Marven Ye, is that a fcuking joke?”

“Not to mention that Marven Ye has subdued the entire Cataclysmic Front,”

“Just his unimaginably powerful personal strength alone,”

“One person can kill the entire Iga ninja all by himself

Thinking of this, he hurriedly asked, “Kazuo

“Would he want to use this to trick all of us Iga ninja into going to America and then kill us all?!”

“The original head of the Fei family, Douglas Fei is in his hands,”

“And he wants this Douglas to return to the position of head of the Fei family!”

Hanzo was so excited that he couldn't help but ask with some concern,

“Kazuo

Hattori Kazuo said without thinking: “Definitely credible! Father!”

“Think about it, what kind of existence is Master Ye?”

“If he really wants to harm us Iga ninja,”

“All he needs to do is to send some Cataclysmic Front experts to Japan,”

“And that would be enough to wipe us out,”

“He is really going to give us a good chance this time!”

Saying that Hattori Kazuo remembered Marven's words and blurted out,

“Father! Master Ye has said! Take a chance, a bicycle will become a motorcycle!”

Hanzo's mouth can not help but mutter a sentence: “Fight a

Immediately after, he was silent for a moment, suddenly stood up,

Stomped his foot and said, "Good! Then we'll wrestle him!"

In the Iga ninja clan, both ninja and family members have been enforcing military management,

For hundreds of years, with very strict management from top to bottom.

Therefore, when Hanzo gave the order, the whole clan immediately began to prepare in earnest.

All the ninja put down all their affairs for the first time,

And then they rushed to the school and picked up all the children who were attending school,

And the elderly who were hospitalized due to illness,

As long as their lives were not in danger for the time being,

They were picked up from the hospital by their families.

Chapter 4327

All the women in the family started to pack their luggage quickly at home.

Everyone strictly followed Hanzo's order to take only the necessities,

And small valuables and leave the rest at home,

Even if they knew that they might not be able to return in their lifetime,

They were not allowed to take a large amount of luggage.

The original five-hour evacuation time,

The entire Iga ninja only took less than two hours to make all the preparations.

Then, hundreds of people from all over the Iga ninja arrived at Kansai International Airport in Osaka,

Which is less than a hundred kilometers away.

Here, the three Boeing 777 planes arranged by Nanako Ito had been waiting for a long time.

When Marven instructed Nanako to arrange the planes, he deliberately asked her to be risk-averse.

These two planes were chartered in the name of Hattori Kazuo,

And the money was also paid from the United States by Marven,

So even if the Fei family jumped to the wall, they would not investigate the Ito family.

Soon, the entire Iga ninja clan finished boarding,

And the three planes took off smoothly from Kansai Airport one after another.

At this moment, a plane of experts sent by the Fei family would take more than seven hours to reach Osaka.

The experts on the planes were resting up,

Not knowing that their closest moment to the target would happen in more than three hours,

When they would pass each other on the route over the Bering Sea.

It is said to be a brush but for aviation safety reasons,

The distance between the opposing planes is at least ten kilometers away.

But even so, this will be the shortest physical distance between them at any point.

After confirming that the two Boeing 777s had taken off,

Joseph followed Marven's instructions and anonymously provided CNN with an important clue.

Right now, although the Fei family knew that Randal was kidnapped by ninjas from Japan,

But since Hattori Kazuo and the others all used disguised fake identities to enter the country,

They did not find out, for the time being, which ninja clan the kidnappers were from.

Originally, they planned to send the people to Japan first and then investigate from there,

But unexpectedly, the anonymous informant directly revealed,

All the real information of the eight Iga ninjas who participated in the kidnapping of Randal.

After confirming that the information provided by the other party was accurate,

The Fei family's intelligence personnel immediately checked and confirmed the identity of the anonymous informer,

And immediately informed the person in charge on the plane via satellite phone,

That they should go directly to Iga City after arriving in Japan,

And control all the core members of the Iga ninja to negotiate with Hattori Kazuo.

The reason why Marven gave this instruction was to completely cut off,

Any other thoughts of the Iga ninja, and also to play the Fei family a good game.

A few hours later, the Fei family would find that the entire Iga ninja clan has disappeared without a trace.

.....

Seven hours later.

When it was dawn in the United States and night in Japan,

The plane sent by the Fei family finally landed at Kansai Airport.

The person in charge was the first to send a message to Dawson, respectfully reported,

"Master, we have landed at Kansai Airport,"

"After we finish the entry formalities, we will rush to Iga at the first opportunity!"

Dawson said coldly, "Make sure to control the head of the Iga ninja and other key people!"

"When the time comes, cut off all their ears first!"

The person in charge said without a second thought,

"Don't worry, Master, we will complete the task!"

Chapter 4328

However, this person in charge never dreamed that Joseph had already had someone anonymously reveal,

A message to Japan's homeland security department a few hours ago,

And the message was that an overseas force of over 100 people...

...Would infiltrate into Iga City this night to create a terrorist attack.

Originally, according to the workflow of the Japanese security department,

They have to systematically analyze the reliability of the information first,

And confirm that the credibility of the information is high enough...

Before they will make advance deployment based on the information.

However, the mysterious person who revealed this information to them,

Said only one thing that put the entire security department on strict alert.

This mysterious person told the security department that,

The last time they were able to intercept the plane of Ruoli,

And the other experts of the Su family were on at Osaka Airport, it was the information he provided.

In order to convince the security department, the mysterious person also gave some details of the information provided that day,

And when the security department on this side found that the situation did match very closely,

They immediately determined that the mysterious person this time,

And the mysterious person who helped them catch the Su family experts last time was indeed the same!

This also meant that this person's source of information was highly credible!

This immediately triggered the attention of the entire security department.

After the last Tokyo chaos and the tragic case of extermination of the Matsumoto family by Ruoli,

The security department had been criticized by the domestic public.

The success of Ruoli's escape from prison had caused the entire department to lose its face.

The original head had resigned long ago,

And the newly appointed head had been determined since his first day in office,

That he would not let that Tokyo fiasco repeat itself during his tenure.

Therefore, since that time, he has formulated a series of strict anti-terrorism programs,

And even requested that anti-terrorism units across the country be on 24-hour standby.

To ensure that no matter where a similar incident occurs in the country,

The nearest anti-terrorism unit will be in place within two hours,

While other anti-terrorism units will be in place within four hours.

This time, upon receiving the tip-off,

The security department immediately secretly transferred two counter-terrorism units from Osaka and Nagoya to Iga,

Sending more than two hundred soldiers from both places,

As well as more than ten special helicopters.

Before the Fei family's experts landed,

The Japanese anti-terrorist forces had already laid down a heavenly net in Iga.

Marven had thought about it before,

How about revealing the flight information directly to the Japanese homeland security department,

Like he did last time with the Su family.

In this way, the group of experts from the Fei family would be held down...

By the Japanese security services before they had a chance to get off the plane.

But when he thought about it, this time the situation was very different from last time.

last time, a group of experts from the Su family were captured by the Japanese security services after committing crimes.

But this time, this group of experts from the Fei family did nothing,

If they were directly held down by the homeland security department,

At most, they would be investigated, and after confirming that there was nothing wrong,

The security department would only have two choices,

Either let them enter the country or repatriate them.

In this way, things will become insipid and tasteless.

That's why he decided, by providing a tip-off,

To let the security services squat in Iga in advance.

At that time, once this group of experts from the Fei family met with the homeland security department,

There might be some unusual sparks rubbing off over there!

Chapter 4329

The Fei family sent this group of experts, the vast majority of them are martial arts masters from around the world.

In addition to Chinese martial arts experts, there are many experts who have studied martial arts from other countries.

In the field of international martial arts, Korea's taekwondo, Japan's karate, ninjutsu, Thailand's boxing, Brazilian jiu-jitsu,

As well as Western boxing and combat experts in Europe and the United States,

All have a place, and they are also very popular martial arts names in their respective fields.

However, most of these martial artists, do not have a complete internal martial arts method,

Most of them are just misguided to find a little bit of internal martial arts doorway.

And even in many martial arts schools, their internal martial arts techniques are also gradually lost,

So their practical combat ability did not open a large gap with other martial arts.

At this stage, there are many other countries' martial arts masters,

Can improve their strength to the same level as martial arts five-star, or even six-star martial artists.

It is even said that the martial arts in other countries,

There are also the top experts of the Patriarch level,

The real combat power, may not be worse than Joseph!

And the Fei family in order to enhance their own strength,

The martial arts experts of all walks of life are on the list,

Today sent a group of people, the strength can reach four-star martial artists,

There are nearly ten people, the rest are also in the two-star and three-star martial artist segment,

The overall combat power is still very strong.

After completing the customs formalities,

The group did not dare to delay and immediately took the bus to Iga.

According to their original plan, after arriving in Iga,

They are to immediately attack the Iga ninja,

Directly catching the thief first and in any case,

They had to control Hattori Hanzo,

As a bargaining chip to negotiate with Hattori Kazuo and exchange for Randal.

Even the Fei family had already arranged a retreat plan in advance.

After capturing the man, they would immediately take him to the nearest port,

And leave Japan by boat to avoid the Japanese government's pursuit.

In the field of martial arts around the world, the ninja is not considered strong.

Only when the ninjas are in the shadows can their strength come into play,

Once the ninjas are exposed in the open, their combat power is greatly diminished.

Therefore, this group of experts of the Fei family was very sure about this operation.

However, when they arrived in Iga City,

They didn't know that the Iga ninja's compound had already been emptied.

And waiting for them here are hundreds of loaded and eager anti-terrorist troops.

The last time Ruoli escaped from prison and disappeared at sea,

It has been a great shame for the Japanese homeland security department.

If Ruoli had been missing, they could barely use the reason that she is probably dead to comfort themselves.

But unfortunately, after the battle of the Yeling,

Ruoli suddenly announced in a high profile to join the Cataclysmic Front, which put the Homeland Security Organizations in trouble.

Although the strength of the Cataclysmic Front,

It is impossible to go against the whole of Japan,

But the Cataclysmic Front such mercenary organizations are very strong,

And the ability to infiltrate and destroy is very strong,

The Japanese side, in case of such a large mercenary organization, can do nothing,

Only hope that this group of mercenaries never come to Japan to cause trouble.

So in this case, they do not dare to ask for people from the Cataclysmic Front.

In fact, they also know very well in their hearts,

Cataclysmic Front is so well-informed, it is impossible not to know Ruoli's entanglement,

But even in this case, Cataclysmic Front also announced the addition of Ruoli, which is clearly to cover her.

If the Japanese side really asked the Cataclysmic Front to ask for someone,

It will definitely be tied to the Cataclysmic Front.

Therefore, the Japanese side simply pretended to be deaf,

And did not express any opinion about Ruoli's joining the Cataclysmic Front.

But in this way, it also made Japan's homeland security department wildly condemned by the domestic public.

The security department, which was holding its breath,

Had been trying to find an opportunity to make a turnaround,

But the current situation in the country, which is peaceful inside and outside,

Simply did not have a stage for them to play on.

In the domestic, the Ito family with an absolute advantage to become the country's first family,

Several major ninja forces are also dependent on the Ito family,

So that the big family and ninja forces completely stopped the internal fighting.

And abroad, since the escape of Ruoli, there is nothing outside the power to focus the target on Japan,

All of a sudden the entire security department hung out to dry on the pillar of shame.

So, this time the mysterious informant, it became the key to the entire security department to turn around!

.....

Iga City itself is a very small city compared to a standard definition of a city.

In such a small city of 10,000 people, the majority of the population are farmers,

Who work hard in the surrounding countryside, and there are only 2,000 to 3,000 residents living in the city.

Among these two to three thousand people, the Iga family's own people accounted for a few hundred.

Among the rest, apart from the civil servants,

More than half of the ordinary citizens are serving the Iga family.

Therefore, in the center of this small town, most of the mansions are the assets of the Iga ninja,

And the Iga family is the owner of the city.

Now, after the departure of the Iga family as the owner,

Many of the people who serve the Iga family in this small town also received notice,

To take a temporary leave of absence from their homes.

This small town became dead all of a sudden.

Moreover, since the place is so small and the only selling point is the Iga ninja,

There is little room for the tourist industry to develop both vertically and horizontally,

So that the number of tourists here is also pitifully low.

Chapter 4330

In addition, it was already nighttime, and even the streets were so empty that there was not even a single tourist in sight.

For such a small town, the influx of hundreds of people in one breath seems a bit abrupt.

When the Fei family's men arrived in Iga in dozens of cars,

The anti-terrorist forces, who had been in ambush position in Iga, had already discovered their presence.

So the anti-terrorist forces began to rub their fists together,

Waiting for a suitable opportunity to neutralize the gang in one go.

This group of experts sent by the Fei family had also discovered something unusual at this time.

They originally thought that even if Iga City was small,

A hundred or so people coming in should still not be too conspicuous.

But now, the situation is very different from what they expected.

There were very few cars coming and going on the street,

And as they drove into Iga from various intersections one after another,

The street was almost full of their cars.

A deputy captain felt something was wrong and said to the captain of another car on his cell phone,

“Boss, why do I feel that something is not right? It’s dead everywhere”

“Yes, I also did not expect that this city is so cold”

That captain also showed some puzzle, simply ignored him and said:

“Iga ninja’s residence is in the center of the city Iga County Castle,”

“Most of the members of the Iga family live there,”

“Including the leader of this generation Hattori Hanzo,”

“We must do it as soon as possible later to catch people as fast as possible,”

“The city has the advantage of being small, the police here is estimated to add up to no more than fifty people,”

“Armed police is estimated to be even twenty people,”

“Basically we do not have to worry.”

“And the traffic route here is very good,”

“The retreat is also easier, in short, it is good for us!”

The people heard him say so, so they did not think much about it.

However, at this time, there was not even a stray dog in the huge Iga Prefecture.

However, at this time, Iga Prefecture is bright as fire.

Just two hours ago, the Iga ninjas were ordered by Nana Ito to sneak into Iga Castle,

And disguise it as an inhabited place, and prepare a super gift for the Fei family experts.

Unaware of the deception, the group of experts of the Fei family scattered in all directions in the night,

And effortlessly tumbled through the outer wall into the Iga Castle.

At this time, the counter-terrorism unit was monitoring the group's movements,

Closely through the drones deployed hundreds of meters above the ground.

Seeing them all quickly sneak into Iga Castle,

The person in charge of the scene immediately asked the commander for instructions:

"Sir, the targets have all entered Iga Castle, all helicopters are ready,"

"Snipers have occupied all the high points around the Castle,"

"Please order whether to carry out the arrest? We're going to capture them."

The commander immediately said, "Don't be in a hurry!"

"It seems that their target is the Iga ninja,"

"So since we have already set up a net, we might as well wait for them to fight!"

His men hurriedly said, "Sir, if we do it now,"

"We can neutralize them all and minimize the damage before they do!"

The commander said in a cold voice: "If we do it now, what will they be punished for?"

“Trespassing? The public will laugh at us when we announce that we have caught a group of criminals breaking and entering!”

“That’s why we must wait for them to make the first move,”

“And make a big deal out of it, and then we will catch them!”

As soon as the words were spoken, explosions suddenly erupted throughout Iga Castle!

The violent explosion made the entire Iga City felt like an earthquake,

And the Iga Castle, which covers hundreds of thousands of square meters, was instantly in flames!

At least ten explosive sites within Iga Castle were detonated at the same time,

And the wooden buildings inside, which were at least three to four hundred years old,

Were instantly plunged into a sea of fire!

The hundred or so Fei family experts who had just sneaked into Iga Prefecture were instantly killed and injured!

These martial arts masters from all over the world never dreamed that...

What awaited them were not Iga ninja armed with long swords, but powerful and potent explosives!

More than half of them were seriously injured in the explosion alone,

And the fires that ignited after the explosion made it difficult for the rest of them to retreat!

In the midst of the fire, desperate screams can be heard from time to time,

Like a purgatory, making those who are alive even more frightened!

The commander of the Homeland Security Department was watching the live broadcast through the drone screen,

And was stunned at the scene of the violent explosion.

He also did not expect that the Iga ninja would be so unmartial.

The duel between martial arts masters, shouldn’t it be a cold weapon?

How did it blow up like this all of a sudden? What can we do now?

Hundreds of anti-terrorist elites got the news in advance,

And still, let such a big thing happen under their noses,

If this gets out, the reputation of the homeland security department is lost!

Nervous, he had a flash of inspiration and immediately said,

“These terrorists dare to create such a horrific attack in our territory,”

“All anti-terrorist forces immediately mobilize, arrest them all!”

The drones zoomed in to show that they lost a lot of money in the explosion. Maybe the Iga ninja did it!”

The commander immediately said, “Baka! Their original intention was to cause multiple terrorist bombings in Iga City,”

“But thanks to our early detection and containment of these terrorists in Iga City,”

“We were able to force the vicious terrorists to detonate their bombs with the intention of dying with us,”

“And our anti-terrorist elite, under the proper command of Homeland Security,”

“Not only did they not suffer any damage, but they also protected the entire population of Iga City.”

“A perfect anti-terrorist operation!”
