

The Amazing Son In-Law Chapter 4331-4340

Chapter 4331

The Iga ninja, who were sitting on the plane to the United States, were still in a somewhat sad mood.

Their clan has survived in Japan for hundreds of years,

But this is the first time the entire clan has fled from their homeland.

Many of them were still longing for the time when they would be able to return to their homeland.

However, they never dreamed that their centuries-old home had been blown to pieces at the behest of Marven.

The fire was still burning wildly and at this time,

The group of experts of the Fei family had been killed and injured,

But all those who were injured in the explosion almost did not escape,

And those who managed to escape the explosion and fire were in shock,

Then suddenly found that several helicopters flying around, from each helicopter on both sides,

Are hanging the anti-terrorist elite force personnel.

These anti-terrorist elite force, relying on the fixed rope hanging on both sides of the helicopter hatch,

The hands of a very strong assault rifle and the gun have long been locked on these experts like a lost dog body.

The funny thing is when these lucky Fei family experts saw the anti-terrorist forces,

The first thought in their minds is not to worry and fear, but rather a complete sigh of relief!

Now they felt that they were completely victims.

They flew over to Japan for more than ten hours, and just arrived at the place without doing anything,

And then they encountered such a horrible explosion, which is clearly that they were attacked.

Moreover, they do not know, this gang of Iga ninjas in addition to the bomb in the house,

Maybe have made other forms of ambush, in case these guys have a backhand,

Then they are afraid that none of them can escape.

So, when they saw the anti-terrorist forces, their first thought was that they were finally saved!

So, among these Fei family experts, someone actually stood up and waved toward the helicopter,

Shouting, "We are here! Come and save us!"

Others followed suit and shouted to the anti-terrorist forces for help.

Immediately afterward, nearly a hundred members of the counter-terrorism unit,

Quickly descended from the helicopter to the ground by the ropes.

Before the experts of the Fei family could react,

The members of the anti-terrorist unit pointed their guns at them.

"No one move, get on the ground immediately and raise your hands to a position where we can see them!"

"No one should resist, or they will be killed!"

The head of the Fei family masters shouted, "This is all a misunderstanding, we are also victims,"

"It was the ninja of the Iga family who really planned the explosion!"

These anti-terrorist elites did not listen to their explanations and immediately rushed forward,

And handcuffed all of them backhanded, while using very strong nylon ties to tie their wrists,

Back and forth several times in order to prevent them from breaking free.

Afterward, several special forces cars stopped outside the Iga castle gates,

And the commander gave an order to bring all these people to the cars.

These experts of the Fei family, there were one hundred and thirty of them when they came,

But now less than thirty of them were taken to the car.

The remaining hundred or so people, most of them were already dead,

Only a very small number were seriously injured, and the scene was tragic.

Immediately afterward, a spokesman for Japan's Homeland Security Department issued an emergency announcement to the outside world,

Which stated that the Homeland Security Department had uncovered a terrorist attack,

By an offshore terrorist organization in Iga City tonight.

The brave special forces troops rushed to trap all the terrorists...

..in a residential house in Iga City before they could cause massive trouble. A great victory.

Chapter 4332

This news immediately exploded into the night in Japan.

After a few months of calm since the last Tokyo chaos, the people were surprised to hear about a new terrorist attack today.

However, the good thing is that their special forces are brave and good at fighting, avoiding tragedy.

This is really a great relief to many people,

And also makes everyone's impression on the homeland security department.

However, there are still many people who cannot understand why these terrorists,

Those who came from outside the country did not target big cities like Tokyo, Osaka, and Nagoya,

But instead found a small place between Osaka and Nagoya to carry out terrorist attacks.

This query, too, resonated with a lot of people on the Internet.

People really can't figure it out. The feeling is like a group of well-organized thieves...

Who traveled thousands of miles to your house,

But didn't steal anything before, but just took an egg from the chicken nest.

The Japanese security department was busy bringing the suspects caught at the scene to Osaka for interrogation,

And their chief, also immersed in the joy of this turnaround,

He was a bit overwhelmed when he saw the growing number of questions on the Internet.

But he did not dwell too much on this issue, after all, the story is told,

Anyway, they did capture a group of foreign forces, this even dead and more than a hundred people...

They are not the actors they found, this credit can not be erased.

Marven has been paying attention to this side of public opinion,

Seeing the white gift to the Japanese security department,

Seeing that the network of doubt is getting louder and louder,

And this homeland department did not come out to further explain, Marven could not help but for them to sweat.

So, he immediately called Nanako Ito, instructed her to help arrange some support,

And hurried to find a few reasons for the Japanese homeland security department.

A voice soon appeared on the Internet, and someone told netizens as someone,

Who was in the know, that the terrorists had in fact only deliberately chosen Iga City,

A small place, as their base, and that their real purpose was to launch terrorist attacks...

On the two major cities nearby, namely Osaka and Nagoya,

By splitting their forces in two directions immediately after they had finished their assembly...

After they would have completed all the preparations in Iga City.

It was because of the early detection of the Japanese homeland security department that these two major cities were spared.

So from this point of view, the Homeland department takes the most credit.

Once this statement was made, those doubts immediately dissipated.

After all, this argument is justified, Iga City, a small place,

Just sandwiched between these two big cities,

Hiding here to premeditate the attack against these two cities, really makes sense.

So, the internet is again full of praise for the Homeland Security Department.

The homeland security department itself is also very puzzled,

They did not expect such a statement, did not expect someone to help them find such a good solution,

This is like you are feeling sleepy and someone handed you the pillow!

So, they also simply immediately packaged this set of rhetoric and immediately released it.

This time, the situation was instantly and completely stabilized.

At the same time, the news from Japan also reached the ears of the Fei family.

Adam hurriedly ran to his father, Dawson, and said with a panting voice, "Dad! Something big has happened again!"

When Dawson saw Adam's panicked appearance, he couldn't help but frown and say:

"How many times do you want me to tell you?"

"Can't you have some composure! You're the son of the Fei family,"

"But you're in a mess when you encounter something."

"If outsiders know about it, where can you put your face?"

Chapter 4333

Adam did not care to explain, swallowed his saliva, and said in a panic:

"Dad! Something big has happened in Japan!"

Dawson looked at the time and said, "What's the big deal?"

"They just reported to me the progress not long ago,"

"They should have just started to penetrate the Iga ninja's compound,"

"So something big has happened so soon? What's the big deal?"

"Could it be that they've alerted the snake?"

"Not, " Adam said offhandedly, "Japan's homeland security department released a news,"

"That there was a terrorist attack in Iga Castle, where the Iga ninja are located,"

"And a group of terrorists from outside the country,"

"Intending to create a terrorist attack in Osaka and Nagoya Terrorist attacks,"

"Was discovered in advance by Japan's homeland security department,"

"The terrorists used explosive bombs in a vain attempt with the anti-terrorist forces,"

"Resulting in their own death and wounded most, and the rest were caught!"

Dawson heard this paragraph, the first thought is, they sent all the elite,

They certainly can not go wrong, this so-called half of the dead and wounded, the dead must be Iga ninja.

So, he said with some anger, "What's the situation? These guys blew up all the Iga ninja?"

"These sons of b!tches, I told them not to make too much noise in Japan!"

"Let them take the people out of there first, how the h3ll did they do that?"

Adam said tearfully, "Dad, you don't understand, the Japanese homeland security department said,"

"It was foreign terrorists! The dead and wounded are also foreign terrorists!"

"It's not the Iga ninja, it's our people!"

"What?!" Dawson's eyes went black and he asked,

"Are you saying that half of our people are killed or injured? How did they die?"

Adam said, "The news said that our people had prepared bombs in advance for a terrorist attack,"

"And when they were discovered, they detonated the bombs!"

"BullShit!" Dawson roared in anger: "All the people I sent were martial arts masters,"

"How could they have used bombs to carry out the attack?"

"What's more, they went to Japan by plane, even if they had bombs,"

"They couldn't have brought them in by plane,"

"And they couldn't have gotten bombs in such a short period of time!"

Adam said helplessly, "Dad, that's what the news said, I've asked people to contact the people we sent there,"

"And now the situation is that none of them can still be contacted!"

"I'm worried that they are really in bad luck"

Dawson grabbed his treasured alabaster pot and viciously slammed it to the ground, roaring in anger,

"Dmn! Iga ninja are determined to go to war with my Fei family?"

"This must be a trap laid by those ba5tards! Not only did they kill our men,"

"But they also made our men take the blame! What an outrageous piece of f!lth!"

After saying that, he looked at Adam and ordered through clenched teeth,

"Hurry up and have someone go and get information first,"

"I want to know how many of our men are killed,"

"How many are injured, and how many are captured!"

Adam hurriedly said, "Dad, I contacted the Japanese intelligence officers,"

"And told them to go and find out the information."

Chapter 4334

Dawson added, "Make sure to erase their files and exit records,"

"And never let this matter implicate the Fei family!"

"If the Japanese land security department follows their line to the Fei family,"

"We will bite the bullet and we should not admit it!"

"In addition, since they have announced that our people are terrorists,"

"They are definitely ready to plant evidence to frame us."

"So you find a way to give them a message, as long as they do not bite the Fei family,"

"The family will pay a fee of twenty million dollars per person!"

Adam said worriedly, "Dad, I'm afraid now that one of them can't carry the interrogation and can put us down!"

"There is no need to worry too much about this," Dawson said in a cold voice:

"They are all smart people, their families are outside if they go against us,"

"Let his family bear the cost in minutes, at this time they will definitely keep their mouths shut,"

"And then wait for our news, as long as our conditions satisfy them,"

"They will not give us up even if they die."

Adam breathed a little easier and asked, "Dad, what about the Iga ninja?"

"They dare to fight us so hard, they seem to be prepared!"

Dawson sighed and said resentfully, "This matter can only be shelved for the time being,"

"And considered in the long run, otherwise once we push the other side, they will probably hurt Randal.

Adam said worriedly, "Dad, the other side only gave us 48 hours,"

“If we can’t get 200 billion dollars of cryptocurrency, Randal will be in danger

Dawson nodded, gritted his teeth, and said, “Don’t worry, if there is really no other way,”

“Two hundred billion dollars of cryptocurrency I can give him,”

“Although the money is a lot, but the Fei family can still afford it!”

“But this money, even if he has a life to earn, but also certainly not life to spend!”

.....

At this moment, more than two hundred kilometers away from New York, Providence.

Marven sat alone on the hotel sofa and casually looked at the time on his phone.

There were less than 24 hours left before he gave the Fei family the 48-hour time limit.

Once the final time had passed, he was going to launch a final general attack on the Fei family.

So, he started the next phase of his deployment.

The first thing Marven did was to once again have Nanako let the wind out to inform the public,

That this bombing in Iga Castle was inextricably linked to the Iga ninja,

That the truth of the matter was that the Iga ninja were in cahoots with this group of terrorists,

And that according to reliable information, the Iga ninja had already fled Japan first.

The reason for this is that Marven intends to completely pull the entire Iga ninja down.

Once this news was released, the claim that the Iga ninja had left Japan ahead of time would soon be corroborated.

At that time, everyone would think that the Iga ninja were indeed in contact with this group of terrorists,

So that it was unlikely that the Iga ninja would ever return to Japan in their lifetime.

In addition, Marven also called Melba.

On the phone, he asked her about the location of the cargo ship that was headed to Syria to deliver food.

Melba told him that the cargo ship was about to pass through Sri Lanka,

And enter the Arabian Sea, and would sail into the Gulf of Aden in a few days.

Marven immediately instructed her, "Melba, after 24 hours, you should let the cargo ship anchor in place,"

"And I will ask the head of the armed escort of the Cataclysmic Front to contact you."

Melba didn't know the reason, but still agreed immediately,

And then made a phone call to have the cargo ship temporarily anchored in the sea near Sri Lanka.

After that, Marven called Joseph and instructed him,

"Joseph, the cargo ship will stop in the sea near Sri Lanka 24 hours later,"

"Arrange a plane to wait in Colombo after the cargo ship stops,"

"You send a helicopter to take Douglas, Stella, and Ruoli to Colombo,"

"And make them fly to New York to see me after they arrive in Colombo. "

Joseph said without a second thought, "Mr. Ye, I will follow your orders."

Chapter 4335

At this time, the eastern sea of Sri Lanka.

Due to the time difference, although it is already late at night in Japan,

The sunset here is just kissing the sea level in the west.

The gorgeous sunset stained the entire sea level with fiery red color, and the scenery is wonderful.

A great variety of seabirds soar in the sky,

And on both sides of the bow, there were many dolphins chasing the cargo ship,

And leaping out of the water from time to time.

This rare beauty, for the crew who often drifted at sea, has long been usual,

But for Stella, this is really a beauty that has never been seen before.

She is standing at the bow of the ship,

Looking at the beautiful scenery, the mood is suddenly much more relaxed.

These days, aimlessly drifting in the sea, and with no news from the outside world,

So her entire mental state has been very decadent.

Not only her, but the elderly Douglas is also even more devastated this time.

And, because there has been a heart of resignation,

Douglas this time has not been able to let go of the slightest,

The whole day sighing and lamenting, secretly sad.

And what Stella can not let go of is the thought of Marven, which is inexplicable.

Unconsciously in her mind, it is the image of Marven,

And then all of a sudden lost interest in everything,

Involuntarily fast-forward through the whole process of her acquaintance,

With Marven roaming in the brain again and again.

At this moment, she looked at the beautiful sunset over the sea,

And unconsciously thought of Marven, and even sighed in her heart:

“If only Marven was here too In that case,”

“No matter where this ship is going, I would not worry and there would be no nervousness”

At this time, Ruoli stepped to her side and spoke,

“Miss Fei, it’s time to go back to the cabin,”

“The sea men will come up for a routine inspection later.”

These days out at sea, she and Ruoli have become familiar with each other, and the two have become friends.

Stella nodded gently and asked her, “Ruoli, have you ever been to sea before?”

“Sort of went out” Ruoli smiled faintly,

“After my accident in Japan, it was Mr. Ye who saved me from the sea.”

Stella sighed: “It seems we both owe him a huge favor.”

“Yes.” Ruoli said seriously, “I have decided that I will follow him,”

“For the rest of my life, as a dog and horse, and I hope to do more for him.”

Stella nodded and said, "I also have the same idea as you,"

"I just don't know if there is still this chance."

Ruoli said, "Of course there is! You are so smart and have seen a lot of the world,"

"You are a high-end talent that Mr. Ye is desperately in need of."

Stella sighed and said helplessly, "But my status is too special now,"

"My uncle must be looking for my whereabouts everywhere,"

"If he knows that Mr. Ye saved me and grandpa,"

"I'm afraid it will only bring trouble to Mr. Ye."

Ruoli comforted, "You don't need to think so much now when you get to Syria,"

"Just settle down for a while, take care of your grandfather,"

"There might be a chance to turn things around in the future."

"Mmm!" Stella nodded heavily and said with a longing face,

"I hope there is still a chance in the future!"

At this time, Stella did not know that there were less than 48 hours left before she would return to New York.

.....

A few hours later in New York, USA.

Three Boeing 777 planes finally landed at New York's JFK Airport.

The Iga ninja and their families had just left customs,

And were taken away separately by the soldiers of the Front.

All the adult males were brought to Long Beach,

While those who were old and sick were all placed in a suburban estate.

Chapter 4336

Hattori Hanzo was taken with his clan to the villa,

Rented by Joseph in Long Beach, and met his son, Hattori Kazuo, here.

When father and son met, they naturally sighed with emotion and tears.

Hattori Hanzo said with regret, "Kazuo"

"If I had known that the trip to America would turn out to be so bad, your father would not have sent you here"

Speaking of this, Hattori Hanzo lamented,

"Now hundreds of people have been reduced to the point of leaving their homes,"

"And there is no telling when they will be able to go back"

"Going back?" Hattori Kazuo gave a bitter laugh and said,

"Dad, we can't go back to Japan in this lifetime."

Hanzo asked in surprise, "Why?"

Kazuo asked him, "You haven't received the news yet, have you?"

Surprised, Hanzo asked, "Has something happened?"

Kazuo nodded and said with difficulty to hide his pain,

"Our Iga Castle has become a ruin"

"What?" Hattori Hanzo's jaw dropped as he listened and blurted out,

"We just left the county not long ago,"

"Everything in the county was still fine when we left, how could it become a ruin?"

Kazuo saw that his father knew nothing about what was happening in Japan,

So he hurriedly told him all the news he had received.

After hearing this, Hattori Hanzo's eyes went black and he almost fell over.

A few moments later, he came back to his senses and said with a face full of pain:

"The county castle was built brick by brick by my Iga ninja ancestors"

"After so many years of hardship, it It was turned into ashes in one night"

"After I die, how can I face the ancestors of the Iga ninja"

Hattori Kazuo said helplessly, "Dad, now this situation, we can escape from Japan is already very good,"

"Now the homeland security department identified us and the Fei family experts are in cahoots,"

"Also identified us as suspicious accomplices of creating a terrorist attack,"

"Now we back home have become street rats everyone is shouting at....."

Hattori Hanzo hurriedly said, "Quickly release a statement to the public!"

"We have nothing to do with the death of these people!"

Hattori Kazuo said, "How can I do that If we issue a statement now,"

"Not to mention whether the government will believe us,"

"Mr. Ye's side, we can not explain ah!"

"The consequences of disobeying Mr. Ye are much worse than becoming a street rat"

After Hattori Hanzo heard these words, his heart was instantly grieved.

Although the destruction of the centuries-old county castle caused him immense heartache,

But the buildings were destroyed at least they could be rebuilt.

However, now the entire Iga ninja had taken on a heavy black pot,

Which, once taken on, was likely to be a lifetime

He immediately covered his face in pain and wailed under his breath,

"I am sorry to the Iga ninja and to the ancestors"

Hattori Kazuo hurriedly consoled, "Dad, now is not the time to think about this,"

"Our immediate priority now is to hurry to fully cooperate with Mr. Ye's next arrangements,"

"If we really become the credit of Master Fei to regain power,"

"Even if we can never return to Japan in the future, it does not matter,"

"We can still make the Iga ninja bigger and stronger overseas!"

Hattori Hanzo nodded approvingly and asked,

"By the way, Mr. Ye asked us to come over, what exactly are the orders?"

Hattori Kazuo shook his head and said,

“I’m not sure exactly, anyway, Mr. Ye told us to do what we do,”

“So, we will do what we do, listening to his orders will never be wrong!”

Hattori Hanzo nodded and said, “You’re right, that’s all we can do now.”

As soon as the words left his mouth, Joseph came over and said to the two of them,

“Mr. Ye has ordered you to make a video immediately,”

“Claiming that those experts of the Fei family are the close partners of the Iga ninja,”

“And that the Iga ninja are responsible for the explosion in Iga City,”

“And also for the premeditated attack planning on Osaka and Nagoya!”

Chapter 4337

Kazuo just finished listening to Marven’s orders he couldn’t believe it,

But he did not expect that Marven turned his face and let Joseph give his family such a dumb mission.

Hanzo’s expression was also very embarrassed, at this time,

If he publicly announced that he had cooperation with those experts of the Fei family,

And was responsible for the terrorist attack that did not happen,

It would not be tantamount to cutting himself off from the Japanese people?

The people over there, who do not know the truth will definitely swear at the Iga ninja,

And the reputation of the Iga ninja will not be able to turn over in this life.

Kazuo also could not help but open his mouth and plead,

“Master Wan If we really make this statement”

“Our ancestors’ hundreds of years of accumulation will be destroyed in a moment.....”

“Can you please plead with Grandmaster Ye and ask him to leave a way out for us.....”

Joseph said coldly: “Kazuo, you came to the United States from Japan and attempted to kidnap Miss Gu,”

“Which is a capital crime in itself, now Mr. Ye spared your life and gave your clan a chance to develop at sea.”

“What do you want to leave behind? Are you Iga ninja still planning to return to Japan in the future?”

“If you still plan to go back to Japan, then why would Mr. Ye give you this opportunity?”

“You should know that if Mr. Ye had not brought your clan to America,”

“In time, you would have all died last night!”

Kazuo was dumbfounded, and Hanzo, who was on the side, choked up and said,

“Master Wan We Iga ninja have had a reputation for many years,”

“If we really let our reputation go down, we will be faceless in front of the ancestors of the Iga ninja!”

“The Iga ninja will follow Mr. Ye’s orders wholeheartedly from today onwards,”

“And you will never go back to Japan in your lifetime.”

“What the Fei family will do to you next is your own problem.”

After saying that, he pointed at Kazuo and said coldly,

“But Kazuo, your father, and the others can leave, but you and your seven men cannot leave,”

“Since you cannot accept Mr. Ye’s conditions, then be prepared to be punished.”

Kazuo was flustered and said without thinking, “I am willing to follow Master Ye’s lead!”

After saying that, he hurriedly looked at his father again and said,

“Father! You have to say something! If you don’t agree, even if the Iga ninja returns to Japan,”

“They won’t be relied upon by the Ito family, and the future will still be in danger!”

“But if we stay in America, when Mr. Ye takes care of the Fei family, our future will be bright!”

Hanzo pondered for a moment and said through clenched teeth,

“Okay! Iga ninja, I wish to do everything as Master Ye arranges!”

Joseph nodded in satisfaction and said, “In that case, then don’t delay,”

“I’ve already had the room set up, you two go shoot the video now.”

.....

Ten minutes later, a video recorded by Hanzo and Kazuo personally, appeared on the internet.

In the video, father and son are sitting in an empty room,
Which is completely plastered with white background paper from the studio”
“In order to avoid being identified, the father and son face the camera and are telling a shocking truth.
It turns out that the terrorist attack that occurred in Iga City last night was planned by them,
In conjunction with forces from outside the country,
And the explosives in the attack were all provided by the Iga ninja,
And they also gave up their Iga Castle to these terrorists.
But to their surprise, the matter was known in advance by the Homeland Security Department,
Which subsequently rounded up the members of the foreign forces.
After the father and son explained what happened, they also officially announced,
That the Iga ninja would be responsible for the incident.
As for the reason why the Iga ninja did so, Hanzo explained that,
It was because they were very upset about the unfair treatment,
The Iga ninja had suffered during this recent period and decided to create some noise to express their protest.

Chapter 4338

In addition, Hanzo did not reveal the true identity of those forces outside the country in the video,
This was also because Marven had given his authorization.
Although he intended to make Randal a street rat,
He was not prepared to bring the entire Fei family into disrepute.
After all, in his planning, the Fei family is still to be handed over to Douglas Fei to continue to operate,
If the entire Fei family are tossed half-dead, in the future,
Even if Master Fei re-take over, the entire Fei family has become a mess.
In the future, Master Fei will probably still have to spend \$200 billion to buy the Rejuvenation Pill,
And for this kind of potential big customer, he still has to try to keep more energy.

As long as this time the line of Randal and his father and grandfather is abolished,
And then the matter of how they forced Douglas out of the Fei family is exposed,
Douglas can take back the control of the Fei family in name only.

Soon, the video sparked a huge reaction on the Internet.

The world knows that a horrific terrorist attack took place in a small town in Japan yesterday,
And everyone is concerned about the inside story and the follow-up of this matter,
But they did not expect someone to come out and admit it so soon,
And it is also the famous Iga ninja in Japan.

Most of the foreign netizens were just watching the fun,

But the Japanese public could not be calm and in an instant,

Countless people on the Internet raged against the Iga ninja, calling them the shame of Japan.

Some people even proposed to search for the Iga ninja all over Japan and arrest them all,

And put them in jail. Some right-wingers even called on the largest Yamaguchi group in Japan,

To hunt down and kill the Iga ninja in order to cleanse Japan of traitors.

Hanzo and Kazuo, father and son, saw the overwhelming insults on the Internet and nearly fainted from the pain.

Japan's homeland security department was also dumbfounded.

The original is to receive a tip to catch a group of people,

Intended to take advantage of the opportunity to give them a bigger crime,

So as to restore the face of the previous loss,

But who would have thought that the lie was made up, but became true?

Now, the most furious is the Fei family.

When he saw the news, Dawson wanted to tear down his home and cursed angrily:

"Iga ninjas have some big fcuking disease!"

“Why did they suddenly jump out and release a video saying they are terrorists for no good reason?”

“Just to fcuk with us? Isn’t that like killing a hundred enemies and losing a thousand?”

Adam was also confused, and after watching the video several times,

He gritted his teeth and said, “I don’t understand it either, isn’t this like eating sh!t and spitting it on others?”

“I really can’t understand their brain circuit, they are so screwed, they are not finished?”

Dawson sighed and said with a resentful face, “They are still only killing a hundred enemies,”

“If they expose us, or if the Japanese homeland security department finds us out,”

“Then we will really be in big trouble! And Randal is still in their hands, we are really too passive”

Speaking of this, Dawson clenched his fist and slammed the table, angrily:

“Really not good to see, the kid is difficult to deal with!”

“I really did not expect that a mere ninja family could force my Fei family to this point!”

Adam said with a worried face, “Dad, the time given by the kidnappers, not much left of it.....”

Adam’s statement that time was running out made Dawson even more worried.

He couldn’t help but question Adam:

“We sent so many people and offered so much money, and still haven’t found any clues?”

“No” Adam spoke: “Our people, as well as these local gangs, are almost digging up the whole New York,”

“But there are just no clues”

Dawson angrily rebuked: “All a bunch of rice buckets! Especially those intelligence officers,”

“Usually so much money to feed them, just to let them play a role in critical moments,”

“But the more this time, the more they are useless!”

Chapter 4339

Adam said helplessly: “Dad, this time we can not blame our intelligence personnel,”

“Mainly because the kidnappers are too cunning, they really did not leave a single clue,”

“Intelligence officers are good at following the vine to find the melon,”

“To strip the cocoon, but the premise is to have a vine to feel,”

“There are silk to draw, not to mention our intelligence personnel,”

“Even the officials have no clues about the case so far

Dawson suddenly remembered something, said off the cuff:

“Right! What did the police say? That Duncan Li is not a Chinese detective?”

“He has also been investigating, why is there no movement so far?”

“This” Adam said resentfully, “I didn’t contact Duncan, I can’t p!ss in the same pot with this guy.”

Dawson coldly asked, “Duncan seems to be very close to Marshal of the An family?”

“That’s right.” Adam nodded and said, “He has a good relationship with Marshal.”

Dawson instructed: “Make a phone call to ask him, see if the police have any findings,”

“If the police can find the kidnapers, then everything is okay,”

“But if not, we want Randal to live,”

We must first give out the two hundred billion dollars that the kidnapers want,”

“If the money is really handed over, and can not catch those people,”

“Then the money, to recover it will be difficult, that crypto thing completely anonymous,”

Adam said, “I know dad, I’ll give Duncan a call later.”

Dawson looked at him, hesitated for a moment, and said in a serious tone,

“Adam, this matter has developed to this point,”

“You and I should be prepared mentally enough.”

Adam expression stunned, busy asked, “Dad, what do you mean”

Dawson also did not cover up, said seriously: “Be prepared for Randal not to return.”

Hearing this, Adam’s face instantly became miserable white, his lips trembled slightly, and said,

“Dad” The other party is only seeking money, it shouldn’t be enough to harm lives, right?”

Dawson sighed and didn’t answer his question, instead, he looked at him and opened his mouth to ask,

“Adam, do you know what is the biggest negative impact on the Fei family,”

“Caused by your grandfather being in power for too long?”

Adam didn't know why his father was asking this and shook his head blankly.

Dawson lamented, “The biggest negative impact, from me to you, and then to Randal,”

“Our grandchildren's business ability is far from keeping up with the rhythm of this huge family,”

“If everything is running smoothly, it is the same as an airplane on autopilot,”

“I only need to sit in the pilot's seat to ensure that it moves forward normally,”

“But once the unexpected events, even I do not have a good ability to cope with it.....”

Speaking of which, he looked at Adam and said seriously:

“The question you just asked me is completely inconsistent with your identity,”

“Think about it, if you are a robber, you kidnapped for ransom to the tune of two hundred billion dollars,”

“And the whole process of your kidnapping is handled seamlessly,”

“And the cryptocurrency in hand can be slowly realized without risk, in this case, you will release the hostage?”

Adam was speechless for a moment.

Dawson looked at him and could not help but sigh:

“Still have to admit the gap ah”

“If your grandfather were here, he would not be so passive as we are”

Adam let out a lament and said, “Dad Grandpa and Stella are still missing,”

“We have invested a lot of manpower and resources to find them,”

“But we have not found a single clue I used to think that the overall strength of the Fei family,”

“Now can it be ranked in the top ten in the world, almost all-powerful,”

“But these two times in a row made me realize that our overall strength may still be far from”

Dawson said with a serious expression, “When this matter passes,”

“No matter what the result is, we must improve ourselves as soon as possible,”

“Otherwise, it is difficult to ensure that the Fei family can be everlasting”

Adam asked carefully, “Dad, Then what do you think, what is the probability of Randal coming back safely?”

Dawson thought about it and said seriously, “Frankly speaking, it won’t be more than 10%”

Chapter 4340

Just at this time, the butler quickly ran in and spoke,

“Master, Young Master, Inspector Li is here!”

“Duncan Li?!” Dawson frowned and asked, “What’s he doing here?”

The butler explained, “He said there’s something he wants to talk to you in person,”

“Master, it’s about the young master.”

Dawson nodded and said in a cold voice, “Good! I was looking for him, he came by himself, invite him in!”

Soon, Duncan walked into Dawson’s study alone.

When he saw Dawson, Duncan greeted him with a leathery smile, “Mr. Fei.”

Dawson nodded expressionlessly and asked him,

“Inspector Li, it has been more than 24 hours since my grandson got kidnapped,”

“May I ask if your police have any clues?”

“Not yet.” Duncan said very frankly: “I believe Mr. Fei should also be sending people to investigate this matter,”

“You should know that the other party’s clues are handled very cleanly,”

“As if they have evaporated, even if we bring in the FBI and NSA,”

“I’m afraid it would be difficult to find clues within 24 hours.”

Dawson questioned with some anger:

“You are a Chinese police detective, you can not find the person lost,”

“And still have the face to come to my home to see me?”

Duncan smiled and was not angry at Dawson's attitude, but said,

"Mr. Fei, I came here to consult with you about something,"

"I think that in this situation, we both can exchange what we have and what we don't have,"

"Maybe there is some kind of cross-clue in this case,"

"If there is, then this may be the key to our solving the case."

On the side, Adam questioned, "What is a cross clue?"

Duncan explained, "It is two seemingly unrelated clues,"

"But after careful combing, you may find that they exist at a certain point of intersection,"

"Once you find this intersection, it is likely to find more clues."

Said, Duncan added: "This is like I found a safe hidden in the dark by Randal,"

"But do not know the password of the safe, how can I crack it;"

"And you, although you don't know the existence of this safe,"

"Nor do you know the password of the safe, but you know who Randal's favorite woman is;"

"Let's take these two clues and put them together,"

"Maybe we can use that woman's birthday to open this safe;"

"In other words, it means that we all have to exchange clues so that we can have the possibility to go further;"

"Otherwise, I may not be able to open this safe for the rest of my life,"

"And you may not know about the existence of this safe for the rest of your lives;"

"This is what I mean by cross clues."

Dawson subconsciously nodded and opened his mouth to ask:

"Since you said that, you should have found some kind of clue similar to a safe,"

"Right? Might as well tell us first."

After a slight hesitation, Duncan said dryly,

“Okay! In that case, then I will speak first!”

Then, he looked at Dawson and Adam and said very seriously,

“I think that the kidnappers kidnapped Randal, most likely not for money.”

“Not for money?!” Dawson frowned and asked, “Not for money than for what?”

Duncan said seriously, “It should be for the purpose of unleashing a fatal blow to the Fei family!”

“A fatal blow?” Dawson was even more puzzled and asked after him,

“If someone really launched a fatal blow to the Fei family,”

“Then how could he do that if he just kidnapped Randal?”

“Even if I give them the \$200 billion ransom they want,”

“The Fei family will only be slightly wounded, far from a fatal blow.”

Duncan shook his head, looked at Dawson, and said word for word,

“I guess the kidnappers should have gotten hold of some kind of colossal scandal of the Fei family!”
