

## The Amazing Son In-Law Chapter 4421-4430

### Chapter 4421

In Marven's opinion, all sgum of the same kind as Randal must be killed quickly

Otherwise, if they are really handed over to the judiciary to deal with,

Then none of these people will pay the price with their life.

Moreover, with the weaknesses in the judiciary's law enforcement as well as the underhanded operation,

This group of rich and powerful people, even if they are sentenced to life imprisonment,

They can live in prison with great style.

Therefore, Marven intends to, let Cataclysmic Front in one breath kill all these people, and no one left behind!

Naturally, Joseph understood Marven's intention and said respectfully,

"Don't worry, Mr. Ye, I've got all the information about these people,

They are basically in New York, I'll arrange the manpower and start hunting these beasts tonight!"

On the side, Stella hurriedly asked, "Mr. Ye ....."

"Then when do you plan to disclose this matter, as well as those video materials?"

Marven looked out of the window and said, "When the moon is dark and the wind is high and the fire is set,"

"I will have someone upload the video to the Internet later,"

"With the public opinion of Randal's previous kidnapping, this matter will definitely cause a huge uproar,"

"By then those involved in order to avoid the law will definitely find a way to escape the United States,"

"Just so we can take advantage of this wind to scare them out first,"

“The first thing you can do is to take advantage of this wind to scare them out of the country,”

“And then kill them all.” After saying that, he looked at Stella and instructed,

“The Fei family must come out and make a statement after the matter is exposed,”

“So that people know that you are doing crisis PR only after seeing the matter come to light,”

“Don’t let people see that you are prepared in advance,”

“In that case, it is likely to cause you unnecessary trouble.”

Stella nodded solemnly and spoke, “Okay Mr. Ye, I understand!”

Marven nodded slightly, turned to look at Joseph, and spoke, “Okay Joseph, you don’t need to worry about this place,”

“Hurry up and bring people to lay control down, remember not to let any of the beasts escape.”

Joseph said, “Please don’t worry, Mr. Ye! I will definitely do this matter without fail!”

After saying that, Joseph immediately turned around and walked out quickly.

Tonight, a large group of demons was not destined to see the sun tomorrow morning.

After Joseph left, Marven looked at the Fei family and asked in a cold voice:

“I’ll let Miss Fei handle this matter fully, do you have any opinions?”

The crowd shook their heads to state their position, no one had any objections.

At this kind of time, they really have no opinion, after all,”

“Whoever comes forward in this matter will become a target, no one wants to take such a thankless task.

However, Douglas and Dawson, the two people have been constantly speculating about Marven’s meaning in their hearts.

Up until now, he had not said anything about making Stella the head of the Fei family.

So far, Dawson was still the rightful Fei family head.

And he himself also wants to hold on to this hard-won position as much as possible,  
Because he knows very well that only if he continues to sit down in the position of the family head,  
His son Adam will have the opportunity to take over.  
And for now, the most worried is the old man Douglas.  
Although he can not directly take back the position of the family head,  
But he is after all the owner of most of the assets of the Fei family,  
Once he wants to divide the property, then the gold content of his family head will shrink extremely fast.  
However, shrinkage is better than no water,  
Dawson does not want to end up with a basket of water that is empty.  
Therefore, what he fears most is that Marven suddenly cross fork one,  
Otherwise, once he lost the family head position, it is the same as having nothing.  
And at this time, Douglas's heart is also very apprehensive.  
He naturally hopes to regain the position of the family head, stag an absolute reversal.  
However, if Marven does not open his mouth, he really does not have the courage to say this.

#### **Chapter 4422**

Therefore, Douglas has been waiting for Marven to make a statement,  
Otherwise, he is a widowed old man, relying only on the support of his granddaughter,  
It is impossible to regain the family head status.  
Just when the two of them were having their own thoughts,  
Marven suddenly opened his mouth and said to the two of them,  
“You two, one is the current head of the Fei family, and the other is the previous head of the family,”

“Randal is the one who did so many inhuman and animalistic acts under the eyes of you two,”

“You two heads of the family, also have the responsibility of mismanagement,”

“So I want to know, do you two have now words to say?”

Dawson was startled, hmm. He hurriedly said,

“Mr. Ye, I have become the head of the Fei family for less than half a month,”

“This responsibility, no matter what should not fall on my head, please be clear!”

After that, he looked at Douglas and said to Marven,

“Mr. Ye, for the twenty years that Randal has been alive, ninety-nine percent of the time,”

“My father has been the head of the Fei family, so I cannot be blamed for this matter!”

When Douglas heard these words, his expression was ugly to the extreme.

His son dumped the pot on him, which of course annoyed him,

And he was also very clear about the meaning of Marven’s words,

The matter of Randal has not been once or twice but for many years in a row,

For so many years, he has been sitting in the position of the family head,

But did not have a half-awareness of what his great-grandson did, he naturally had an unshirkable responsibility.

So, he could only walk up and said with an arching hand,

“Mr. Ye, Dawson is right, I really can’t stop but blame myself for this matter, so please punish me, Mr. Ye!”

Marven waved his hand: “I will not punish you, after all,”

“You are at this age, even if you killed someone, the court will not sentence you.”

Douglas felt like a great pardon being granted, quickly bowed: “Thank you Mr. Ye for being generous!”

Marven turned to look at Dawson again and said indifferently,

“Dawson, even if you have only been the head of the family for half a month,”

“You still have to bear the responsibility for half a month,”

“At times like this, it is not a case of dumping the pot,”

“On your old man and you can get out of it smoothly by yourself.”

Dawson hurriedly said, “Mr. Ye is right ..... I do have responsibilities .....

“Please I ask for my chastisement .....

Marven said blandly: “Like just said, the responsibility of mismanagement,”

“Your family’s old man accounted for ninety-nine percent, you accounted for one percent,”

“Ninety-nine percent I do not want to pursue,”

“In your case, one percent, naturally there is nothing to pursue.”

When Dawson heard this, he said with gratitude,

“Thank you, Mr. Ye, thank you! Your great kindness, I will never forget it!”

Marven said with a nod, “Although I can not pursue the responsibility of the two of you,”

“But in my opinion, the two of you have a stain on the management of the Fei family,”

“After the exposure of this matter, the Fei family badly needs a clean person to come forward,”

“And lead the Fei family out of the gloom, so, from now on,”

“You two, are not suitable to be the Fei family head.”

Hearing these words, the hearts of the two people suddenly thumped.

Who would have thought that one second they would be grateful for Marven,

And this second, Marven came straight with such a sentence.

Dawson couldn't help but say offhandedly: "Mr. Ye ..... You just said,"

"My responsibility is only one percent, almost negligible, this should not be considered a stain, right?"

Chapter 4423

Marven frowned and asked in return, "What? One hundred percent is not a stain?"

"Besides, do you think you only have this one stain?"

"Dawson, don't forget that it was you who took your father's position as the head of the family,"

"And sent people to hunt him down everywhere."

"Why don't we just expose this matter as well and ask the general public in America what they think?"

"This ..... this ....."

Dawson was speechless for a moment.

If people talk about how he won the family headship,

He can confidently and proudly say that he obtained it through legal means.

In the past and present, all the big things, all pay attention to a division out of the fame,

Even the ten evil invaders, will make up a set of crowning lies, not to mention Dawson.

However, if people know that he hunted his own father all over the world, this is not a masterpiece.

Once this kind of scandal is exposed, it is impossible for him...

To continue sticking to the position of the family head, there is no other choice but to resign.

Thinking of this, he could only make his last effort and said,

"Mr. Ye, however, both my father and I are tainted,"

"And are no longer suitable to be the family head, then why not let my son Adam take over!"

To Dawson, if he had to give up his position as a last resort,

It would definitely be to give it to his son.

However, Marven refused him without hesitation and said in a cold voice,

“What? The matter of Randal is just about to be exposed,”

“And you want Randal’s father to be the head of the family?”

“Do you think that whoever has the biggest stain is suitable to be the head of the family?”

“I ..... this .....” Dawson was speechless.

Only then did he realize that when Marven threw out this taint theory,

Not only himself and the old man were rejected, but even his oldest son Adam was also rejected.

He just wanted to propose to his second son along the way,

But at this time, his mind suddenly came back to him:

“Marven has been going around for half a day, just wanting Stella to be the head of the Fei family, right?”

“The reason why not explicitly say it, certainly want to engage in a smooth invasion,”

“So that others have nothing to say, if I continue to be hard-headed at this time against,”

“Once this Marven is pi55ed off, absolutely no good end for me .....”

Thinking of this, he hurriedly said, “Mr. Ye ..... In that case,”

“Then I have a more suitable candidate to suggest .....”

At this time, Dawson’s second son, David, was already excited and unbearably happy.

He felt that he was not tainted in any way,

And since his elder brother could not inherit the family headship,

He just happened to take over and pick up a ready-made one.

And, he also feels that his father will definitely propose himself to Marven at this time.

Marven looked at Dawson with interest and asked, "What suitable candidate, tell us."

No one expected, Dawson at this time hands clasped fist, respectfully said:

"Mr. Ye, I think, at this time the most suitable to take over the family head, is my niece, Stella ....."

Once these words came out, David's entire body collapsed and shouted,

"Dad! How can a girl be the head of the Fei family? You're just old and confused!"

Dawson glared at David and said angrily, "Shut up!"

David was scared by his glare and winced, so he could only shut his mouth with good sense.

Douglas also did not expect that Dawson would change so quickly,

And directly propose to make his granddaughter Stella the head of the family.

In his heart, he could not help but think:

"Dawson has seen Marven's intention and has started to use the slope to curry favor with him and Stella ....."

At this time, Marven looked at Douglas and asked,

"Elder Fei, what do you think about Dawson's proposal?"

Douglas was helpless to the core,

He knew that his wish to take back the family head position today was a complete lost cause.

It seemed that under Marven's influence, there was no way for his son Dawson,

To continue to sit on the family head's seat as well.

This also means that although he didn't take back the family head position,

Chapter 4424

At least he won't have to hide from the east and hide from the chase in the future.

Thinking of this, he could only say respectfully,

“Mr. Ye, I also feel that letting Stella be the family head is the best choice right now.”

Marven nodded slightly, looked at Stella, and spoke, “Miss Fei, what do you think?”

Stella was a little nervous all of a sudden.

She had never actually thought about taking the position of the Fei family’s family head.

After all, the Fei family had never had a woman as the head of the family.

Moreover, her previous thoughts were simple: before her grandfather’s death,

She wanted to fight for her parents and the rest of her own family as much as possible,

So that her family would not suffer ostracism and expulsion after her grandfather left.

In other words, she originally wanted to have a position in the Fei family through her own efforts,

But never wanted to be the top person in the family.

Therefore, she was a bit indecisive for a while, not knowing what to do.

Marven knew that Stella was different from Warnia and Helena.

Warnia has no father or mother, and has a deep affection for Elder Song,

While she herself has little ambition, only thinking that she can run the little business of Antique Hall well,

And in the future, when her eldest uncle and cousin succeed to the head of the family,

They will not be interested in this little mess of hers so that she can also have a peaceful life.

The reason why things have changed so drastically is that Marven’s...

Rejuvenation Pill was so tempting to Elder Song that his son and grandson saw Warnia as a thorn in their side.

It could be said that Warnia was pushed all the way by Marven to the position of the Song family head.

As for Helena, she has always had ambitions and aspirations,

But for a long time, she did not have the opportunity to realize them,

And was even suppressed to the extreme by her sister Olivia,

And it was Marven who gave her a chance to reverse the trend,

And only then did she rise to the top and turn the tide smoothly.

Stella, on the other hand, seems to be in between the two of them.

She is not like Warnia, who has no ambition at all,

Nor does she want to be like Helena, who has a strong ambition built up inside her from hatred.

She would prefer the intermediate of both, ambitious but not so big that she wants...

To control the entire Fei family in her own hands.

Douglas saw that Stella was a little hesitant, and his heart was not without some tension.

After all, he is experienced and quickly saw the current situation,

Since Marven does not allow himself to become the head of the Fei family,

Then the best situation is to let Stella succeed.

Otherwise, for any other person to succeed, he is worried that he will be on his own.

Therefore, he hurriedly said to Stella:

“Stella, Mr. Ye is asking you something! Hurry up and answer!”

Stella came back to her senses and said apprehensively,

“Mr. Ye ..... I ..... am afraid I won't be able to take on such an important role ..... “

Marven pointed at Dawson and said indifferently,

“He didn't even think he couldn't handle it, what else do you have to worry about?”

Dawson's expression instantly became bitter.

He also knew that although he was dozens of years older than Stella,

He really couldn't compare to the young Stella in terms of management ability.

But, being so directly taken up by Marven to bury, his face was a bit embarrassed.

Marven saw Stella still not sure, then opened his mouth and said:

"Miss Fei, with the current situation of the Fei family, only you as the head of the family,"

"You can coordinate everything internally, think about the old man, and then think about your parents and relatives,"

"If you do not sit in the position of the head of the family,"

"What other option do you have to ensure their future life and safety?"

Speaking here, Marven added:

"If I'm not wrong, your parents are not among the Fei family present tonight, right?"

Chapter 4425

Marven's words caused Stella's entire body to be slightly stunned.

She had been at sea all this time and hadn't had the chance to have any contact with her parents at all.

And this time when she came back, she also did not see her parents,

Including as well her brother and sister in the family.

Therefore, she could basically conclude that Eldest Uncle had already kicked,

Her family out of the family after he had taken away Grandpa's power.

In the big family, the first thing the new head of the family will do after taking office is,

Definitely to suppress the brothers who are a threat to them, or who have been coincidentally disagreeable to them,

And also to leave a few loyal brothers around as their right-hand men,

And then after the kingdom is firmly established, then this group of loyal brothers will also be driven out,

In this way, basically, even if all threats are cut off,

And these brothers who are driven out of the family become foreign relatives.

If Stella does not become the head of the family, no matter who is present to succeed,

Her family will not be able to return to the Fei family.

They can only take a small amount of assets and set up their own business outside,

From then on they are just reduced to the Fei family's foreign relatives.

Thinking of this, she immediately clenched her teeth and said to Marvin,

“Mr. Ye, I am willing to be the head of the Fei family!”

Stella knew very well that this Fei family headship was not a good job.

With her own age, experience, and network resources,

She is afraid it would be difficult to sit firmly in this position.

But she is also very clear, she now has no other way, and can only meet the difficulties.

The things that follow are unknown but in her opinion,

It's just a matter of opening a road on every mountain and building a bridge in case it's water.

Although the difficulty is great, but there is still hope.

Marvin saw Stella finally take a stand, nodded in satisfaction, looked at Dawson, and spoke:

“The current Fei family head is still you, so it will be hard for you to do the formalities,”

“For the transfer of office in a while, you know this kind of thing, it has to be legal.”

“Okay Mr. Ye, I will definitely cooperate fully!”

Even though Dawson's heart was reluctant, at this moment, he did not dare to say more, and could only promise.

He knew very well in his heart that he had no choice and no right to refuse,

Because of this person Marven did not play by the usual rules,

He directly brought Cataclysmic Front to his door, and even shot his precious grandson in front of him,

If he angered him in this situation, he might even pick up a gun and put a bullet in his head.

In this case, even if he is still the head of the Fei family, there is no chance of turning the tide.

The most important thing is to make the most of the time to step aside,

And win a good impression in front of Marven, so that he can get some benefits for himself in the future.

Subsequently, Marven looked at Douglas and said lightly,

"Elder Fei, although the head of the Fei family is Dawson,"

"The majority of the Fei family's assets should still be under your name, right?"

Dawson hurriedly stepped forward and said respectfully,

"Mr. Ye, most of the Fei family's assets are indeed under my name ....."

Marven nodded and said, "To be honest, you are not young, if you really want to live a long life,"

"You still need to put away your utilitarianism, I suggest that you might as well,"

"Give all the assets under your name to Miss Fei, since she is the head of the family,"

"You have to give her all the rivers and mountains, just give her the position of head of the family,"

"But the assets are in your hands, it will be a great constraint for her."

"It would be better to let her unify and centralize the power,"

"Which would also allow the Fei family's resources to be most effective, what do you think?"

Chapter 4426

Douglas dared not obey.

Although he was still somewhat uncomfortable and unwilling in his heart just now, but now he has really thought about it.

He thought: "I can live to this day, can get back to the United States,"

"I am what I did not dare to hope before, this kind of time,"

"If the flow of the dominance of the assets does not have any meaning,"

"Rather than giving it to Stella, it is considered to help her get on the horse ....."

With this thought, he immediately said respectfully,

"Mr. Ye do not worry, I will have my lawyer prepare the documents later,"

"All my assets will be given under Stella's domination."

After that, he said with some emotion, "I don't have a year or two left to live,"

"And I've experienced so many things, I've already looked away from money."

Marven satisfied with a slight nod, spoke:

"I know, until now you have not had had an easy fight in this life,"

"Now that you are also old, and so much money earned, normally speaking,"

"There is no longer much meaning for you, and because of the matter of money,"

"Even let your own son have moved to kill you, to say the least, I feel sad for you."

Douglas sighed and said with a melancholy face, "Mr. Ye you are right ....."

"After reaching my age, there is no longer any positive meaning ....."

Marven smiled faintly and said lightly,

"Normally it is indeed true, however, I can give you a chance to spend money."

Douglas was stunned and quickly asked, “Mr. Ye, what do you mean?”

Marven smiled blandly: “Haven’t you always wanted to buy the Rejuvenation Pill?”

“If I remember correctly, at the auction in Wrestvel,”

“You were bidding two hundred and ten billion at that time.”

When Douglas heard this, although he was still unsure of what Marven meant,

He was already excited beyond control and said in a loud voice,

“Yes ..... Yes ..... Mr. Ye ..... At that time I .....”

“It is true that I asked for two hundred and ten billion .....”

“You ..... How did you remember to ask this?”

Marven smiled playfully and didn’t answer his question, but looked at Stella and spoke,

“Miss Fei, after you successfully succeeded as the head of the Fei family,”

“And succeeded to the domination of all of Elder Fei’s assets,”

“In order to express my congratulations, I can make an exception,”

“And give you an opportunity to purchase the Rejuvenation Pill!”

Hearing these words, Douglas’s entire body instantly fell into ecstasy!

“Rejuvenation Pill!”

“Mr. Marven is actually willing to sell Stella the Rejuvenation Pill!”

“If I can get this rejuvenation pill, I can live at least another ten or twenty years .....”

“This ..... Could this be the case of a stuffed horse, not knowing what is not a blessing?!”

Thinking about this, deep inside Douglas’s heart suddenly began to worry again.

Because what Marven just said was very clear,

This opportunity to make an exception to buy the Rejuvenation Pill was not for himself,

But for his granddaughter, Stella.

Moreover, it must wait until after the granddaughter becomes the head of the Fei family,

And inherits the right to dominate the assets.

This will test the character and temperament of granddaughter Stella.

If she really takes herself as a grandfather seriously,

She will certainly be willing to pay for the Rejuvenation Pill.

However, if she is also the same as her eldest son Dawson,

Not willing to pay this money for him, then he will be empty again.

So, he subconsciously looked at Stella, his eyes full of eager expectation.

Stella did not let Douglas down.

She was also very excited at this moment and said:

“Mr. Ye, is what you said true? Can you really make an exception,”

“And give me a chance to buy the Rejuvenation Pill?”

Chapter 4427

Marven nodded and said indifferently, “I, have always been true to my word.”

Saying that he looked at Douglas and added:

“That day at the auction, you asked for two hundred and ten billion dollars,”

“Today, for the sake of you, I will give you the change wiped off, two hundred billion dollars a piece.”

Without thinking, Stella said offhandedly, “Good! I’ll buy!”

When Douglas heard Stella’s unwavering decision, he was so excited that he could not attach it.

However, he also kept an extra eye on it.

Because, Stella only said that she would buy this rejuvenation pill, but to whom she buys it for,  
She has not yet stated her position.

Douglas had experienced several ups and downs during this period of time,  
So he naturally had a few more concerns in his heart about such matters.

At this time, Stella looked at him and said very seriously,

“Grandpa, later on, I will pay the payment to Mr. Ye,”

“And this rejuvenation pill will be left for you to take!”

Only when he heard this did Douglas finally put his heart down,

And was so excited that he burst into tears.

He was too eager to get a rejuvenation pill.

Originally, he thought that he might not have a chance with the Rejuvenation Pill in this life.

But unexpectedly, it was Marven and his granddaughter who had given him such a huge surprise!

At this time, he was so excited that he choked a little and said to Marven:

“Mr. Ye ..... Thank you ..... Thank you!”

“Your kindness, I will definitely remember it in my heart forever!”

Marven waved his hand and said very seriously, “Master Fei, there is one thing I have to say first,”

“Although I am willing to make an exception to sell Miss Fei a rejuvenation pill,”

“And Miss Fei is also willing to give you this rejuvenation pill to take,”

“But this pill I will deliver to Miss Fei in four installments.”

Douglas subconsciously asked, “In four installments?”

“Right.” Marven said blandly, “From now on, I will cash out a quarter of the Rejuvenation Pill,”

“To Miss Fei, every three years, until a whole Rejuvenation Pill is fully cashed out.”

Marven knew very well in his heart that if Elder Fei would not live long,

Then Stella’s position as the family head would not be secure no matter what.

And after all, he still has his own business to do, can not always escort for Stella,

So the best way is to let the old man continue to live.

And not only to let him live but also to ensure that when he lives,

He will definitely stand behind Stella and support her with all his might.

If he let Fei, the old man get a whole rejuvenation pill at once,

Then after he completely solves the problem of survival for the next ten years or so,

His deep-seated desire for power will probably make a comeback.

If that were the case, he would no longer be Stella’s biggest supporter,

But would instead become Stella’s biggest enemy.

That’s why Marven came up with such a strategy of delaying the delivery in batches.

First, give Stella a quarter of the Rejuvenation Pills,

Let Douglas in the next three to five years do not have to worry about survival.

However, this would also give Douglas a strong sense of crisis.

Because he still has three-quarters of the Rejuvenation Pills that he had not gotten.

And as Marven is the seller, he only recognizes Stella as the buyer,

So Douglas must keep his full support for Stella unchanged,

As long as he still wanted to get the remaining Rejuvenation Pills.

Only then would he be able to obtain the remaining Rejuvenation Pills,

In the remaining three key nodes, thus realizing his wish to extend his life by a decade or two.

Douglas had lived for more than ninety years and was a full human being,

He instantly understood that the reason why Marven was doing this was to pinch him.

However, at the moment, how dare he have any dissatisfaction with Marven's pinching?

In his heart, he could not help but sigh:

"If Marven pinches me, I can at least live;"

"If he does not pinch me, what other way do I have to go but to die?"

Chapter 4428

Therefore, without thinking, Douglas said,

"Mr. Ye, everything will be according to your wishes! I have no opinion!"

Marven nodded, looked at Stella, and asked her,

"Miss Fei, you don't have an opinion, right?"

Stella said: "I ..... I have no opinion ..... All listen to Mr. Ye's arrangement!"

Stella at this time also understands the purpose of Marven to do so,

Knows that Marven's purpose is for his own escort,

Her heart is naturally grateful beyond measure, a moment, she even asked herself:

"Mr. Ye is so good to me, his kindness so heavy,"

"What can I do in this life to return his kindness, even a millionth of it ....."

Marven said smilingly: "I am actually thinking about your family,"

"A one-time out of two hundred billion dollars, there must still be pressure on you,"

"The family will soon face a huge reputation crisis, in addition, to pay huge compensation to the families of the victims,"

“If another two hundred billion are paid to me, the cash flow must be stretched to the limit,”

“Then, after this reputation crisis passed If you want the family,”

“To overcome the difficulties and re-emerge, you will not have enough liquidity on hand.”

Speaking of this, Marven added: “However, if you deliver the Rejuvenation Pill in batches,”

“You can also pay in batches, each time you only need to pay me fifty billion dollars,”

“From two hundred billion down to fifty billion, for your Fei family, naturally there is no pressure.”

Stella hurriedly said, “What Mr. Ye said is extremely considerate .....

“Thank you Mr. Ye for thinking of the Fei family in every way .....

Douglas also immediately said gratefully,

“Mr. Ye, you are really the savior of the Fei family .....

Although he said so, but in his heart, he could not help but sigh:

“This Marven is really good at putting gold on his face .....

“In two or three sentences, he twisted the fact that he deliberately pinched me,”

“Into helping the Fei family to tide over the difficult times,”

“And I don’t know how he can be so thick-skinned at such a young age .....

At this time, Marven also looked at Dawson and Adam and spoke:

“You two, from today, you have to fully cooperate with all the requirements of Miss Fei,”

“Must shine in the development of the Fei family, if I come to know that you two have any other thoughts,”

“I will definitely let the people of the Cataclysmic Front come over,”

“And take you to Syria to experience the local customs and traditions properly.”

“When the time comes, I will give you a five-year and eight-year in-depth tour,”

“So that Syria will become your second homeland.”

Dawson’s body trembled with fear.

In his heart, he said: “D\*mn, I’d rather stay with the family and serve as a dog for Stella,”

“But definitely not willing to run to Syria to experience the so-called local customs,”

“This surnamed Ye’s words are really fcuking detrimental, the prisoner just say prisoner,”

“But also what to experience the local customs, what is there to experience in that place?”

“What five or eight years of in-depth travel, that is not five or eight years of imprisonment?”

Frightened, he hurriedly bowed ninety degrees and said respectfully,

“Mr. Ye, please don’t worry, I, swear to God that I will do my best,”

“To help Stella govern the Fei family, and will never do anything that infringes on the interests of the Fei family!”

Adam also followed and bowed to state, “Please rest assured, Mr. Ye, I will never let you down .....”

“Good.” Marven very satisfied with a slight nod spoke: “Since you guys are so up to date,”

“I believe that Miss Fei will also arrange a relatively comfortable job for you in the Fei family in the future.”

Saying that he looked around for a while, and said:

“But I want to remind you all, from now on, do not engage in anymore, hook, line and sinker!”

“What’s more, don’t follow the example of that Randal to do any wrong!”

The crowd nodded in obedience, no one dared to say a word more.

Marven looked at Stella again and explained, “Miss Fei, in the future,”

“The family must have an internal review team,”

“Regularly conduct strict investigations on every member of the Fei family every once in a while,”

“And if any problems are found, I will cut them off quickly, won’t give them a chance to develop!”

#### **Chapter 4429**

In Marven’s opinion, the primary condition for a family to prosper and flourish must be internal unity.

The biggest advantage of unity is that it can avoid internal conflict to the maximum extent possible,

And all the energy of this family will be used to do useful work.

In this way, even if the family is facing unsteady waters,

The family will certainly maintain an upward trend.

But if there is a split and confrontation within the family,

The vast majority of energy will be consumed in the internal struggle.

In this way, the family not only does not have enough energy to do useful work,

But also because of the constant internal depletion, the fall into the quagmire of regression is unavoidable.

If it keeps consuming a lot internally, even if it is trillions of family assets, there will be a day when it is exhausted.

That’s why Marven reminded Stella that she must keep a complete eye on the Fei family members to ensure,

That they all keep up with her, and once she finds a problem,

She must not be merciful and must kill the issue it early in the cradle.

Stella naturally understood Marven’s meaning, nodded repeatedly, and said,

“Mr. Ye, please rest assured, I will definitely pay more attention.”

Marven saw that she seemed to be more or less apprehensive,

So he gave her an encouraging look and said seriously,

“After you finish dealing with the matter of Randal,”

“The Fei family will definitely fall into an unprecedented low because of this incident,”

“But I believe in your ability and you will definitely be able to lead the Fei family out of the low.”

Stella said gratefully, “Thank you, Mr. Ye, for your encouragement,”

“I will do my best to get the Fei family through the trough as soon as possible.”

Saying that she gave a slight pause, her hot eyes fixed on Marven,

And said offhandedly, “In the future, if Mr. Ye has anything for the Fei family,”

“Just ask, no one in the Fei family dares to disobey!”

Marven nodded and said, “If there is a need, I will not be polite with you.”

After saying that, he looked at Karl Yuan beside the old man and said,

“Among these martial arts experts of the Fei family, you are the strongest,”

“So you will be ensuring Miss Fei’s safety from now on.”

Karl was busy saying respectfully, “Mr. Ye ..... I should have returned to my division to return to my orders,”

“In the future, my senior brother Parker Zhang will be responsible for the safety of the Fei family.”

Marven frowned and said, “Parker Zhang? It can’t be that five-star martial artist, right?”

Karl asked, “Mr. Ye has met senior brother Zhang?”

Marven sneered, “No surprise, he should still be kneeling in the restaurant.”

After saying that, he looked at Adam and said in a cold voice, “Go and call Parker over.”

Adam dared not disobey and hurriedly said, “Mr. Ye wait a moment, I will go and call .....”

Soon, Adam came over with Parker, whose legs were constantly swinging.

At this time, between the crotch of the legs of Paker, there has been a large white stain,

Accompanied by a burst of foul odor, so that people can immediately guess...

That is the urine alkali formed after urinating his pants.

As soon as Parker saw Marven, he couldn't help but kneel on the ground and choked:

"Mr. Ye ..... I have been listening to your instructions kneeling in the dining room,"

"Even for a moment, I did not get up, please,"

"For the sake of my loyalty, my cultivation restored it ....."

Saying that he can not control the wailing.

Decades of cultivation, in an instant turned into nothing,

This kind of blow to Parker can be called a disaster of extinction.

So, as long as he can get back his cultivation, let him do anything he is willing to do.

Karl didn't expect that, after only half a month of not seeing him,

His spirited senior brother had fallen to this state.

He was then surprised to find that Parker, at this time, had no trace of cultivation on his body,

And had just become an ordinary person, which made him startled and said offhandedly,

"Senior brother Zhang, what's wrong with you?"

Parker had focused all the attention on Marven, suddenly heard Karl speak,

Then realized that his senior brother had actually returned,

#### **Chapter 4430**

So Parker immediately acted like an aggrieved child after seeing his parents,

Crying and said, "Senior Brother Yuan ..... You are finally back senior brother Yuan ....."

Karl hurriedly went forward, while supporting him, while painfully said,

“Senior brother Zhang, how did your cultivation lost?!”

Parker said with remorse, “Brother, you do not know, today noon, Mr. Ye came to the house for a banquet,”

“I had no eyes, did not know his stature, in front of Mr. Ye I was reckless,”

“Mr. Ye then abolished my cultivation, let me have been kneeling in the restaurant until now .....

After saying that, he suddenly remembered something and said offhandedly,

“Brother, Mr. Ye said that someone will come back to teach me a lesson for him,”

“And he should be talking about you, right .....

Karl was shocked.

He knew that Marven was very strong, so strong that he was unpredictable,

But he did not expect that he had directly nullified all of Parker’s cultivation.

What he couldn’t believe was that although Parker had lost his cultivation,

His meridians were intact, and there was no sign of fracture and ruin,

Which meant that Parker’s cultivation had not been violently destroyed.

This point alone made Karl’s expression awe-inspiring.

Violently destroying a person’s cultivation is actually not that difficult,

As long as he is not your opponent, you can violently destroy all his meridians while knocking him down.

This is the same as picking off a person’s tendons and hamstrings, simple and crude.

However, Marven can do it this way, it comes out even more bizarre.

The meridians were intact, but the cultivation was completely ruined,

Which gave Karl a feeling as if Marven had used some kind of power to completely seal Parker’s cultivation.

If Marven really had this kind of strength,

Then he would no longer be on the same level as the martial artists in the world.

Thinking of this, he was extremely shocked in his heart.

At the same time, he also subconsciously wanted to plead for mercy for his poor brother.

However, as soon as he thought of what Parker had just said,

He immediately realized that since Marven had asked him to teach Senior Brother Zhang a lesson for him,

He could not directly ask Marven for mercy.

So, he looked at Parker and slapped him across the face, and shouted angrily,

“Parker, how dare you! How dare you even offend Mr. Ye! Do you really not know how much you weigh?!”

Parker was frozen by the slap of his brother, but he also quickly understood,

That he had livened up Marven, it was impossible to pull out safely,

Now he could only think of every way to make Marven satisfied.

And brother slapped him, it is to give Marven an explanation.

Thinking of this, he also hurriedly said with remorse:

“Brother, I know I’m wrong ..... It was my eyes that offended Mr. Ye, please punish senior brother .....”

Karl slapped again and said coldly, “Of course, I have to chastise you!”

“Otherwise, with a character like you, do you still want Mr. Ye to personally take action?”

After saying that, the remaining light quietly glanced at Marven,

And saw that Marven’s expression was cold and unmoved,

So he could not help but grit his teeth and rushed forward,

Kicking Parker to the ground and cursing angrily,

“Today, I will teach you a good lesson for Mr. Ye, you blind ba5tard!”

After saying that, he grabbed Parker and slapped him on the face one after another,

And for a while, he slapped Parker’s nose and face.

Parker was slapped one after another, but did not dare to have any anger,

But with a humble face choked: “Brother is right, a thousand mistakes,”

“It is my eyes without pearls that caused the disaster, I am a ba5tard, I deserve to die .....

Marven who can see these two people’s bitter plan coldly spoke:

“All right! You brothers do not have to act in front of me! You Mr. Karl seven-star martial artist,”

“Beat a cripple with so many slaps, but not even a tooth came out,”

“You really think I am stupid, so you are here to trick me?”
