

The Amazing Son In-Law Chapter 4431-4440

Chapter 4431

Marven's questioning, made Karl immediately panic,

He could not hide nervousness and spoke: "Mr. Ye please do not get angry"

"If you do not feel relieved, I will now knock out a few of his teeth"

"Not enough, not enough I will break his dog legs! In short, I will make you satisfied!"

Marven waved his hand and said indifferently:

"No need, he just bumped into me at noon, I let him kneel in the restaurant until now,"

"I think he must have known his mistake."

When Parker heard this, he hurriedly kneeled on the ground and said with great devotion,

"Mr. Ye, I do know that I was wrong! Please I ask you to raise your hand"

Marven nodded and blandly said, "I can no longer pursue your faults."

Hearing this, Parker's whole body was immediately excited,

And he hurriedly knelt on the ground and kept kowtowing, shouting,

"Thank you, Mr. Ye, for your generosity! Thank you!"

Marven said indifferently, "You don't need to thank me so anxiously,"

"I really won't pursue you any further, but I won't help you restore your cultivation either,"

"Because this is the price you have to pay for the mistake you made."

Parker's originally incomparably excited expression suddenly turned to miserable white.

He even pleaded with a few tears, "Mr. Ye, I have been training hard in the martial arts,"

"Since I was a child, and I have trained hard for dozens of years,"

"To achieve this insignificant achievement today,"

"If you cannot restore my cultivation, I might as well die"

Karl on the other side also hurriedly bowed and said,

“Mr. Ye, although Zhang’s character is a bit hot, but he is indeed a loyal person,”

“And it’s not easy for him to cultivate for so many years,”

“I hope you can give him a chance to reform for the sake that he has not made any big mistakes.”

Marven waved his hand and said, “If it’s not easy, it’s not easy for everyone,”

“Do you think it’s easy for Randal to live so much?”

“He was more than 20 years and did not bite rice? Can this also be a reason to forgive him?”

Karl was speechless.

Parker’s whole body almost collapsed, for him,

If his cultivation could not be restored, this life was basically equal to living in vain.

However, Karl no longer dared to plead with Marven on his behalf,

After all, Karl himself did not have much friendship with Marven,

And his words were insignificant in front of him.

At this time, Marven suddenly remembered something, looked at Karl, and asked,

“There was a guy surnamed Luo earlier, he should also be from your division, right?”

Karl was instantly excited and said offhandedly,

“Is it Tony Luo’s senior brother? He disappeared in Wrestvel earlier,”

“Could he be in your hands, Mr. Ye?!”

On the side, Stella’s expression did not change because she had guessed long ago,

That Tony must be in Marven’s hands, the reason why,

She did not mention this matter to Marven because she could not find a suitable opportunity to speak.

At this moment, Marven said with a frank face,

“He is indeed in my hands if I remember correctly,”

“His strength seems to be a little bit worse than yours, but a little bit stronger than that Parker.”

Karl nodded his head with difficulty hiding his shock and spoke,

“That’s right Senior Luo has broken through to a six-star martial artist,”

“Originally he was to replace me to continue serving the Fei family,”

“I wonder where he has offended Mr. Ye?”

Marven smiled slightly: “It’s not about offending me,”

“It’s just that at that time Miss Fei was racking her brains to investigate me in Wrestvel,”

“And I saw that the bodyguard beside her was rather obtrusive,”

“So I invited him to stay a few days at the dog farm under me.”

Karl’s expression at this time was extraordinarily sad.

Although there were many disciples in his division,

There were not many masters who could really show their skills.

One is himself, one Tony, plus one Parker,

They makeup half of the division’s experts, or even more than half of them.

However, this half of the mountain, in hands of Marven lost two,

Which is a great weakening of the overall strength of the division.

Chapter 4432

Thinking of this, Karl could only harden his head and said,

“Mr. Ye, my two brothers are the mainstay of the division,”

“Please forgive them and spare them both”

“If Mr. Ye has any orders in the future, I will not dare not obey!”

Marven to Karl’s statement was indifferent, waved his hand, and said,

“This kind of talk is useless if you really want me to let the two of them,”

“It is not impossible, but have to accept my conditions.”

When Karl heard that there was a way out of this, he immediately said,

“Please speak, Mr. Ye! No matter what the condition is, we will try to fulfill it!”

Marven said indifferently, “It’s also simple, let them both serve in the Cataclysmic Front for three years,”

“And after three years, I will give them freedom!”

When Parker, who was kneeling on the ground, heard this,

He immediately said without thinking, “I do! I am willing!”

“As long as Mr. Ye can restore my cultivation,”

“I am willing to serve the Cataclysmic Front for three years!”

Marven smiled and spoke, “In that case, you are given one night to clean up,”

“And tomorrow let Joseph arrange for you to go to Syria.”

Parker hurriedly asked, “Mr. Ye, then my cultivation will you help me recover first,”

“Or will I recover after I have served the Cataclysmic Front for three years?”

Marven couldn't help but ask rhetorically, “If you don't have cultivation,”

“What will you take to serve the Cataclysmic Front?”

Parker immediately understood the meaning of Marven's words and hurriedly kowtowed,

“Thank you, Mr. Ye Thank you, Mr. Ye!”

“Please rest assured, Mr. Ye, I will do my best to serve the Cataclysmic Front,”

“And will never fail to meet Mr. Ye's expectations!”

Marven nodded, reached out to him with a slight wave of his hand, and spoke,

“Remember, I can restore your cultivation today, in the future if you commit another crime in my hands,”

“I can still destroy your cultivation again, next time, I won't leave you with any chance.”

Parker said without thinking, “Mr. Ye don't worry, I will definitely not offend again”

Speaking of this, his entire body suddenly froze, followed by looking at his hand,

And then closed his eyes to experience a moment, and said offhandedly,

“My cultivation my cultivation is restored?!”

“How is it how is it suddenly restored?!”

After saying that, he looked up at Marven and said gratefully,

“Thank you, Mr. Ye! Thank you, Mr. Ye!”

Karl was shocked to hear this, and when he took a closer look,

He really found traces of cultivation on Parker’s body again.

At this moment, his heart was already flooded with shocking waves:

“Marven just now did not touch Parker at all,”

“He just waved his hand, and Parker’s cultivation was restored just like that?”

“What kind of strength is this that can do this kind of out of thin air?!”

Marven is also too lazy to hide his strength in front of the Fei family,

As well as Karl’s brothers and sisters, so he spoke with full pressure:

“After I return to Wrestvel, I will restore Tony’s consciousness and cultivation,”

“Let him go to Syria to report to the Cataclysmic Front,”

“After the expiration of three years, the Cataclysmic Front will let them go,”

“But if the two of them intend to escape during these three years,”

“I will definitely take their lives.”

Parker nodded repeatedly and promised, even Karl at the side also kept assuring,

“Mr. Ye doesn’t worry, the two of them will definitely do their best...”

“To serve the Cataclysmic Front and will never escape halfway!”

Marven nodded slightly, then added: “One more thing, from now on,”

“Whether it is the Fei family or these martial arts experts related to the Fei family,”

“Without my order, they are never allowed to enter China without permission,”

“Otherwise, no matter who it is, I will not be polite with them!”

Marven knew that behind Karl and the others was a martial arts domain clan.

And nowadays, except for a few martial domain families,

There are no more martial domain sects in China,

And almost all martial domain sects are overseas.

That's why he had to remind Karl, as well as the clan behind him, to stay away from now on.

Chapter 4433

As for the Fei family, Marven also did not want them to get too involved in China,

After all, once such a huge family shifted its focus to China,

It would definitely trigger many chain reactions,

Which might not be a good thing for Marven as well as the Ye family.

Moreover, he also knows very well that the girl Stella is too smart,

So he subconsciously wants to keep a certain distance from her to avoid any unnecessary trouble.

Both Fei family and Karl, of course, agreed without hesitation,

What they are most afraid of now is Marven's anger,

So none of them are willing to provoke his majesty.

It was just that deep inside Stella's heart was more or less a bitter taste.

Just now, she was still thinking in her mind how to transfer her business to China in the future,

So that she could also find an opportunity to meet Marven more often.

But unexpectedly, he seemed to have seen through her mind and directly killed her thoughts in the cradle.

At this moment, Marven also did not want to continue to delay in the Fei family,

So he urged Dawson to immediately sign the legal documents,

Giving the chairmanship of the board of directors to Stella.

Subsequently, Elder Fei also signed the power of attorney impatiently,

Fully authorizing all his assets to Stella.

In this way, Stella officially became the new head of the Fei family,

And is the head of the family and holds the two major powers of the board of directors and finance.

As long as these two powers are in her hands, no one in the Fei family can do anything to stop her.

When the dust settled, Stella took the initiative to say to Marven:

“Mr. Ye, \$50 billion can be paid to your account at any time,”

“May I ask when you intend to trade the Rejuvenation Pill?”

Marven smiled, “I can do it anytime, I will give you my account in a moment,”

“You will pay the money to my account and I will give you the Rejuvenation Pill immediately.”

Stella said without thinking, “Okay Mr. Ye, I’ll arrange the payment right now!”

Marven remembered something and spoke, “Miss Fei wait for a moment.”

After saying that, he took out his cell phone and made a call to Joseph.

When the call was answered, Marven said,

“Joseph, send me the receipt account number of Cataclysmic Front,”

“I will have Miss Fei transfer ten billion dollars to your account.”

Joseph was surprised and asked, “Mr. Ye you what are you doing?”

“There is no shortage of money in the account of Cataclysmic Front,”

“Besides how can your subordinates ask for your money”

Marven said seriously: “You now want to build the base, hardware and software need a lot of money to support,”

“The more money there is, this aspect is naturally the better,”

“And you have also invested a lot of manpower and material resources this time to the United States,”

“How can I let the brothers of the Cataclysmic Front return empty-handed?”

Joseph said: “Mr. Ye, the entire Cataclysmic Front is loyal to you,”

“Why do you have to be too foreign to us”

Marven said very seriously: “Even for a feudal society lord, warlord,”

“It is impossible for his soldiers to bring their own food and grass to fight for him,”

“Since the Cataclysmic Front is loyal to me, I have to give enough support in this area of funding,”

“The future of the Cataclysmic Front is to further expand their strength,”

“Which requires a lot of money, this money you will keep for your own development. “

Once Joseph heard this, he immediately stopped excusing himself and said very respectfully,

“Don’t worry, Mr. Ye, I will definitely raise the strength of the Cataclysmic Front by several levels!”

“Good.” Marven said with satisfaction, “Tonight’s matter must be done beautifully.”

Joseph said offhandedly, “Don’t worry, I have already arranged,”

“A large number of people to set up control, I will definitely not let any of them escape!”

A few minutes later. The fifty billion dollars from the Fei family,

Were remitted to Marven’s and Cataclysmic Front’s dollar accounts in two payments.

This amount was nothing to Marven, but to the Cataclysmic Front,

10 billion dollars was an extremely abundant development fund.

Originally, the Cataclysmic Front in the construction planning of the base,

In order to save the budget made a lot of functional sacrifices,

But with this money, the Front base can be completely in accordance with the highest standards of building,

Perhaps not long, the Cataclysmic Front can become the world’s largest and strongest mercenary organization.

And Marven, who received the money, also kept his promise,

Took out a Rejuvenation pill and divided it into four portions in front of Douglas.

Chapter 4434

Douglas looked at the Rejuvenation Pill, the pair of eyes full of expectation,

His eyes can’t wait to jump out of the sockets to embrace the elixir that they dreamed of.

And the rest of the Fei family, each and every one of them also stared with wide eyes,

They all heard about the miraculous efficacy of the Rejuvenation Pill,

And now they all want to witness with their own eyes if this pill is really that miraculous.

After Marven divided the Rejuvenation Pills,

He put away three parts and handed the remaining one to Stella, saying,

“Miss Fei, this quarter of the Rejuvenation Pills is now yours,”

“How to use it is completely at your personal disposal.”

Stella said gratefully, “Thank you, Mr. Ye!”

After saying that, she turned around and looked at her grandfather Douglas,

Without hesitation, she handed the Pill to him and said respectfully,

“Grandpa, you are the root of the Fei family, without you, there would be no Fei family nowadays,”

“So this quarter Rejuvenation Pill, you deserve it, please accept it!”

Douglas reached out and accepted the Rejuvenation Pill, his heart excited and moved.

He was excited because he had finally received the rejuvenation elixir and his life had finally been extended.

He was touched that his granddaughter had not let him down,

Even though she was already in power, she still treated him with respect,

Giving him face, but she was also truly good to him.

Thinking of this, the loss of the Fei family head is no longer any negative impact on him.

Instead, he felt that from now on, he would completely retire to the second line,

Eating rejuvenation pills and singing songs, at least one or two decades of less painful life.

If this precious granddaughter can make further efforts and get a rejuvenation pill,

It is not a problem to live another 30 or 40 years.

As for the Fei family head, there’s nothing to hold on to.

The first time he thought of this, Douglas’s mood brightened up.

This feeling of clarity, not just pushing open a window in the heart,

It is simply the heart of that room is demolished in general pain.

So, he put a quarter of the Rejuvenation Pill into his mouth without thinking,

Closed his eyes, and felt the extraordinary medicinal power of the Pill with his heart.

Although it was only a quarter of a pill, the medicinal effect was still very obvious.

He only felt as if his body was lighter all of a sudden,

And his exhausted body and sluggish spirit were greatly improved in an instant.

This allowed him to immediately recapture the feeling of being younger from a few years ago.

After hitting his age, every day he could feel that his body was not as good as before,

So getting back his youth of a few years at once made Douglas's physique,

Spirit as well as physical strength, all recovered in a flash.

Seeing that Master Fei's complexion had visibly improved,

Each and every member of Fei's family was stunned speechless.

Especially Dawson, when he saw that a quarter of the Rejuvenation Pills had such an effect,

He couldn't help but sigh in his heart: "No wonder the old man was willing to spend more than 200 billion,"

"To buy the Rejuvenation Pills. In that case, I'm afraid he's almost the same age as me"

Then, he couldn't help but think in his heart,

"If the old man still has the chance to get more Rejuvenation Pills,"

"Then I'm going to die in front of him"

Thinking of this, Dawson's entire body was somewhat disheveled.

He knew that he had now surrendered,

And that for such a thing as the Rejuvenation Pill he would definitely have no chance to get.

And at this time, Douglas, the whole person has been excited with tears,

He finally got the Rejuvenation Pill as he wished,

For the next few years, he no longer has to worry about death coming to him.

He was so excited that he silently wept for a long time before he opened his eyes and looked at Marven,

Choking with gratitude: “Mr. Ye, thank you for your kindness! I will remember it for the rest of my life!”

Marven waved his hand and pointed at Stella,

“If you want to thank, thank your granddaughter, she gave you the Rejuvenation Pill.”

Douglas nodded his head: “I understand!”

After saying that, he hurriedly turned around and said to Stella, “Stella thank you”

Stella said: “Grandpa, what are you talking about, these are all my duty!”

Douglas could not help but sigh: “Good child, grandfather really did not love you for nothing”

Marven then looked at the time and said,

“It’s late, I have to go back to Providence, you internal comb tonight, wait for tomorrow morning,”

“Then officially announced the matter to the whole community,”

“I will wait in front of the TV to see your performance!”

Chapter 4435

A few moments later, the entire Fei family, led by Douglas and Stella,

Walked out of the Fei family villa together and respectfully escorted Marven out.

At this moment, a helicopter had been waiting on the lawn outside the door for a long time.

Surrounded by the Fei family, Marven came to the helicopter and turned to Stella, and said,

“All right, go and do your own thing.”

Stella nodded gently and said respectfully, “Mr. Ye, have a safe trip.”

Marven looked at her and instructed in a low voice,

“Miss Fei, I’ll ask Joseph to keep some men to help you through this period of transition,”

“You should also be alert to potential threats from within the Fei family,”

“Although dogs can bite, they are still good to use if they can be tamed.”

Stella was incomparably grateful and said seriously,

“Thank you, Mr. Ye, I will definitely pay attention”

Marven nodded slightly and smiled, “In that case,”

“Then I’ll leave first, call me if you need anything.”

After saying that, he took a step and boarded the helicopter.

Immediately after that, the helicopter slowly took off amidst Stella’s reluctance,

And the Fei family’s annotations, flying towards the northeast.

Once Marven left, many Fei family members finally breathed a sigh of relief.

Dawson at this time also has a feeling of survival after the robbery,

The whole person instantly relaxed, as if all the pressure on his body was removed at once.

His son Adam was also the same.

At this time, they have almost left behind the death of Randal, grateful that they still survived.

Douglas was also infinitely emotional in his heart.

Although he did not get back the Fei family headship today,

He had harvested the most desired Rejuvenation Pill,

So the ending of the matter could be considered super successful for him.

To him, nothing is more important than the Rejuvenation Pill.

The death of Randal was now irrelevant to him, after all, to some extent,

He had to thank Randal if he hadn’t messed with Marven,

He wouldn’t have had the chance to return to New York, let alone get Marven’s Rejuvenation Pill.

What Stella missed most at this time was her parents,

So she immediately asked her eldest uncle Dawson, “Where are my parents and family now?”

Dawson looked tight and said: “Stella, your parents have moved out of the Fei family,”

“If I remember correctly, they should have gone to Miami,”

“Where your father has a villa by the sea, they have gone there for a vacation

Stella frowned and said, “If my parents went on vacation,”

“I could believe it, but my brother and sister have actual positions in the group,”

“How could they go to Miami for vacation? Don’t they need to work anymore?”

Dawson’s heart was suddenly disturbed.

Stella’s parents and relatives had been driven out of the family the first time he seized power.

And her older brothers and sisters who had actual positions in the group,

Were all dismissed outright without exception.

And in order to prevent them from posing any threat to himself,

Dawson explicitly forbade them from participating in any public activities,

And would only give them freedom after he knew that his kingdom was secure,

And the old man had completely returned to the West.

Therefore, Stella’s family, so to speak, was forced by him to Miami under house arrest.

Now that Stella has become the head of the Fei family,

And has the backing of Marven and the Cataclysmic Front,

Dawson is worried that she will settle accounts after his fall,

So deep inside he is extremely nervous and can only say with a stiff upper lip:

“Stella truth be told let your family going to Miami was my intention.....”

“I was thinking that they leave New York, for I would relatively be more at ease”

Chapter 4436

Dawson was afraid of Stella’s anger and said with an apologetic face,

“I’m sorry Stella uncle was in a momentary confusion, you must not take this to heart.....”

Stella has long guessed his motive for doing so,

The reason why she deliberately asked him, is to point him out,

See his attitude toward admitting fault is not bad, so she said:

“Uncle, as the saying goes, the world is bustling all for profit,”

“You do these things although are very inappropriate,”

“Even very immoral, but I can understand to a certain extent.”

“Yes, yes, yes” Dawson said with a compensating smile on his face,

“Thank you Stella long live understanding, long live understanding”

Stella blandly said, “Eldest uncle, I can leave these matters alone,”

“But you have to leave for Miami overnight,”

“Personally apologize to my parents and then pick them up one by one.”

“OK!” Dawson did not expect that Stella would be so generous as to give him a step,

And while his heart was excited, he said almost without thinking,

“Then I will prepare and fly to Miami!”

As they were talking, a soldier of the Cataclysmic Front ran over and said to Stella,

“Miss Fei, there are some police cars outside the gate,

Saying that Inspector Duncan Li wants to see Mr. Dawson.”

“Duncan Li?” Stella frowned slightly and spoke, “Isn’t he the Chinese sleuth?”

After saying that, she turned to Dawson and asked,

“Eldest Uncle, do you have a friendship with that man? Or is he investigating Randal’s case?”

Dawson hurriedly said, “Stella you do not know before you came back,”

“Mr. Ye first had someone kidnap Randal, and then cut off his two ears,”

“Openly demanded two hundred billion dollars in cryptocurrency,”

“Your elder brother went to meet with them, and they also seized the opportunity,”

“To speculate on the Internet, so that the whole world knows that Randal was kidnapped”

“And this case happens to be this Duncan is responsible for, he has not been able to find out the clues,”

“But is very impatient, has come once before,”

“I did not take care of him, do not know why he is here to find me again now.”

Stella listened to these only words, then could not help but feel:

“It seems that Mr. Ye had a plan, he attacked behind the scenes to push the waves,”

“Just want to let things come to light after,”

“The Fei family’s reputation suffer after the exposure.....”

Dawson hurriedly said: “Stella, this Duncan is not a fuel-efficient lamp,”

“Do you think someone should have sent him away first?”

Stella shook her head and said, “He can be sent away for a while,”

“But not for a lifetime, invite them in, I will go and meet him.”

Upon hearing this, the soldier of the Front immediately said respectfully, “Okay, Miss Fei.”

At this time, Stella said to Douglas as well as Dawson,

“Grandpa and Uncle, it’s hard for you to meet Inspector Li with me,”

“A for the others, just go back and rest first.”

Douglas and Dawson naturally had no opinion,

While the others also hurriedly prepared to leave.

Dawson called his son Adam and said, “Adam, arrange the plane,”

“after I accompany Stella to welcome Inspector Li, we will go to Miami together.”

Adam hurriedly said, “Okay dad, I’ll go arrange it.”

A few moments later, several police cars drove into the Fei family estate from the main gate.

These cars came all the way to the main villa’s door,

And under the leadership of a soldier from the Front, they walked into the parlor hall.

Once inside the hall, Duncan looked at Dawson and said offhandedly,

“Mr. Fei, there are not many hours left before the kidnappers left 48 hours,”

“Do you have any clues on your side to synchronize with me?”

The words just fell, Duncan suddenly saw Douglas sitting next to Dawson,

But the current Douglas, then the last time he saw him, seems to be a bit younger,

So he did not recognize him at once.

Chapter 4437

But when Duncan recognized Douglas, he was dumbfounded and said:

“Mr. Fei Mr. Fei? When did you you come back?!”

As a high-ranking Chinese detective in New York,

Duncan is naturally very familiar with Douglas.

Moreover, he also knows the inside story of the Fei family’s previous struggle for power,

Knows that Douglas was overpowered by his son Dawson,

And even heard that Dawson was spreading dark flowers everywhere to buy Douglas’s head.

However, he did not expect that at this moment, Douglas was sitting safely by Dawson’s side.

This makes him immediately confused, here in the end what has happened.

At this moment, Douglas slightly arched his hand at Duncan and spoke,

“Thanks to Inspector Li’s concern, I just came back today.”

After that, he pointed to Stella beside him and said with a smile,

“Inspector Li, let me introduce to you,”

“This is my most beloved granddaughter Stella, I don’t know if you two have met.”

Duncan looked at Stella and said politely, “Hello Miss Fei,”

“We have met before at several events, we just haven’t spoken.”

Stella also said with great respect, “Inspector Li, I’ve heard a lot about you too,”

“But I just haven’t had the chance to get to know you.”

Douglas spoke up at this time,

“Inspector Li, Stella has now officially become the new head of the Fei family,”

“From now on, she alone will be in charge of the entire Fei family,”

“If you have any matters to discuss, just talk to her directly.”

When Duncan heard this, his heart was even more shocked.

The fact that Douglas could return to the United States safely already surprised him,
After all, in his opinion, since Dawson had succeeded in seizing power,
He had enough strength to make it impossible for his father to ever return to the United States alive.
So, it is already unbelievable that Douglas could come back alive,
And it is even more bizarre and even a bit weird that Dawson would give the family headship to Stella,
Which he had so easily snatched.

Imagine, who would be so stupid as to give up the power,
That has just been grabbed and not yet warmed up so easily?

So he thinks that the only possibility is that Dawson was also forced to give up the family headship.

But this makes him even more puzzled: "Master Fei has already been taken away from his power,"

"And even has to do everything outside to avoid the pursuit,"

"And how can he be able to force Dawson, who is already sitting on a high position, to abdicate?"

"Moreover, this Dawson even if his brain is kicked by a donkey into broken tofu,"

"It is impossible to make such a decision"

"Could it be that could it be that there is some external force,"

"More powerful than Dawson helping Douglas?!"

"Thinking about it seems to be the only possibility"

Thinking of this, he could not help but think of Randal's kidnap before and after,

In his heart, he is more amazed, feels that both events are permeated with a strong conspiracy theory,

And there may even be some kind of twist that he temporarily can not see, can not touch the connection.

So, he could not help but ask Dawson: "Mr. Fei, your son Randal was kidnapped,"

"Have you thought of any new clues?"

"Could the kidnapers not be here for the money, but for another reason?"

Dawson said awkwardly, "About this honestly Inspector Li, I have no clue in my mind"

Duncan intuitively thought that Dawson must not have told him the truth,

However, in front of Douglas and Stella, he could not ask about the root of the problem,

So he opened his mouth and asked,

"Mr. Fei, then did you prepare the cryptocurrency for the kidnappers that they requested?"

Dawson said awkwardly, "This is Inspector Li now my niece Stella is in charge..."

"Of all the big and small affairs of the Fei family, so you should ask her about this matter... .."

Chapter 4438

Duncan frowned slightly, turned his face to Stella, and asked,

"Miss Fei, since you are the head of the Fei family,"

"How do you plan to respond to the kidnapping of Randal?"

Stella calculated the time, thinking that Marven should soon have someone publish those videos first,

So she could not expose any breach in front of Duncan yet.

Thus, she said to Duncan with a firm face: "Detective Li, although Randal is a little older than me,"

"He is my nephew and the eldest son and grandson of the Fei family,"

"We will naturally do our best to bring him back,"

"So I also hope that the police can do their best to bring him back from the kidnappers... .."

Duncan did not know whether Stella's words were sincere or not,

But he could only say seriously: "We in the New York Police Department have been doing our best..."

"To search for all relevant clues, but the kidnappers are too professional,"

"We simply do not have any substantial clues in a short period of time,"

"Now we not only do not know where Mr. Fei is?"

"We don't even know what kind of power the people who kidnapped him have."

"I have speculated that the kidnappers did not kidnap Mr. Fei for the ransom money."

“In my opinion, the kidnapers’ actions are more like a long-planned public execution against the Fei family.”

“The public opinion was deliberately led into sympathy for Mr. Randal,”

“So that when they expose his scandal this time,”

“They would be able to achieve the effect of first raising and then suppressing the public emotions,”

“Which would then also have a huge negative impact on the Fei family’s reputation.”

Deep inside Stella could not help but be a little surprised,

It seemed that this Inspector Li had already figured out the cause and effect of the matter,

Only that for the time being he had not yet grasped the specific clues of it.

However, she could only pretend to be confused and said,

“Inspector Li, to be honest, I don’t quite understand what you mean,”

“Randal is very young and just stepped into society not long ago, what kind of scandal can he have?”

Duncan shook his head, “I’m not sure about this,”

“But I can be sure that since these kidnapers kidnapped him and cut off his ears,”

“And made it known to the world, then I’m also sure that a scandal must have happened to him.”

Saying that, he looked at Dawson and said seriously, “Mr. Fei, the same thing,”

“I have told you once before, I feel as if you know something,”

“But for some reason, you did not tell me, but I have to remind you,”

“The time left by the kidnapers is now less and less,”

“If they really publicized the huge scandal of Randal,”

“Then not only the reputation of the Fei family is ruined, but the police will also face a dilemma!”

“It is likely that by that time, the public will no longer support us to rescue Randal,”

“If we continue, we may lose the hearts and minds of the people,”

“If we do not continue, we will lose our dignity as police officers”

Dawson embarrassed beyond words, “Inspector Li I I really do not know!”

“That grandson of mine, all aspects are”

Speaking of this, Dawson at once felt a little difficult to speak.

He originally wanted to say that that grandson of his was excellent...

In all aspects and would definitely not have any scandals.

However, in his mind, he could not help but recall those videos,

Randal’s inhumane brutal acts, which made him not even have the courage to continue lying.

He felt that if he were to say in front of others at this time...

That Randal was excellent in all aspects, those girls who died in vain at his hands...

Would definitely turn into life-threatening evil spirits to seek revenge on his old body.

Seeing him become stumbling all of a sudden, Duncan couldn’t help but ask:

“Mr. Fei, what do you want to say?”

Dawson dodged his eyes and said stiffly:

“I want to say Randal this child, is really quite “

Excellent two words at this time have reached the mouth of Dawson,

But even if he is dead he just can not say these two words out.

At this time, a police officer hurriedly ran in, panicked to the core as he blurted out:

“Inspector something big happened”

Chapter 4439

The policeman’s words made everyone, including Duncan, unconsciously tighten their hearts.

Duncan couldn’t help but urge: “What’s the big deal, hurry up and tell me clearly!”

The police officer said with a frightened expression,

“It’s a video! Someone has exposed a large number of videos on the Internet,”

“The content of those videos is really tragic network has completely exploded!”

Duncan questioned offhand: “The content of the video is about what in the end!?”

The police swallowed, dry mouth said: "All related to Randal Fei"

"All the content of his abuse of various girls although the victims' faces were blurred,"

"But still through the other identity characteristics, determine the victims at least 20 people"

"What?!" Duncan's jaw dropped as he listened.

Randal had been exposed to a huge scandal, which he had already been mentally prepared for,

But he really didn't expect that the scandal would be so big!

At this time, his men handed a cell phone to him and spoke,

"Inspector Li, take a look for yourself"

Duncan took the phone, and casually clicked on one of them, just a few seconds to look at it,

His face immediately turned iron blue, muttered:

"This is really an unprecedented shocking case"

He immediately asked, "Did you investigate who the publisher actually is?"

"Checked." The policeman replied, "We had someone check their IP address and found found"

Seeing the policeman stammering, Duncan immediately shouted angrily: "Hurry up and speak!"

The policeman could only say stiffly, "Back to Inspector Li, the IP address we found is here."

Duncan frowned and asked, "What do you mean? The other party is in New York?"

"No..... "The policeman shook his head, reached out, and pulled Duncan aside,

And lowered his voice, "Detective Li, the other party is in the Fei family!"

"How is it possible" Duncan's eyes widened and he likewise lowered his voice:

"These videos must have been sent by the kidnappers, these kidnappers are extremely shrewd,"

"All the clues are extremely well disguised,"

"How could they deliberately Leave such a big loophole"

He did not know that at this time, all the bodyguards of the Fei family,

Have been replaced with the soldiers of the Hall of Cataclysmic Front,

And the soldiers of the Cataclysmic Front, under the command of Marven, did not bother to use any hacking methods,

And directly finished uploading and publishing the videos in the Fei family, using the network of the Fei family.

And the policeman also nodded and agreed:

“I also think that they deliberately used technical means to change their IP address to the Fei family.”

Duncan couldn't help but say with some annoyance,

“What era is it now, there are still people who want to take matters into their hands and engage in some kind of substitution,

Since they have the evidence, why don't they just submit it to the police?!”

The police officer said incomparably embarrassed:

“Chief we both know, frankly speaking, do you really believe in justice for all?”

“The video of Randal's actions handed over to the police,”

“He will certainly not die, this kind of person, not dead how to get the civilian anger?”

Duncan was speechless.

He just felt that the mystery man had done all this behind the scenes,

Causing him detective, to suffer a great blow to his face.

But when he calmed down and analyzed the matter, he also felt that for the sgm of the earth like Randal,

He should just use the most primitive means to exterminate him completely,

Otherwise, with his financial power, he could live like a land emperor in prison.

However, the thought of such a big case popping up under his hands before he retired,

Chapter 4440

He felt very frustrated as a whole. At this time, his subordinate was also somewhat disillusioned and said:

“Chief, I really do not understand, they have killed so many people,”

“Why we have not received any recent clues about the disappearance of young girls?”

“It seems that recently there are no reports of missing young women in New York at all

Duncan said in a cold voice: “They would not be so stupid as to look for prey from New York,”

“As I see it, most of these girls they killed should have been sent here secretly from the West Coast,”

“Or even after being kidnapped from abroad.”

Speaking of which, Duncan suddenly remembered something and said,

“I see! The reason they were able to go undetected for so long,”

“And so many times without being detected is because they never started from their side,”

“But this time, Randal made a fatal mistake

The handlers hurriedly asked, “Chief, what is the fatal mistake?”

Duncan blurted out, “It’s Sara Gu!”

“Sara Gu?!” The underling exclaimed: “That big star?!” “That’s right!” Duncan nodded and said,

“I’ve always felt that the kidnapping of Randal smelled wrong from the beginning to the end,”

“And now it seems that it must be because he set his eyes on Sara that he got himself killed!”

The subordinate can’t help but ask: “Chief, then you mean this matter is Sara’s sides doing?”

Duncan frowned slightly and spoke, “The night Randal disappeared,”

“I met Sara at the Wangfu Hotel, I feel that she is a young girl, not like someone who has such ability

Saying that Duncan added: “That Sara, although the family conditions are also very good,”

“But compared with the Fei family, a little bit worse

The next nodded gently and said, “In that case, it should have nothing to do with her,”

“She is after all a newcomer, even if she has some strength in China,”

“When she arrives in New York, she will not be able to show anything,”

“In front of the Fei family, she is certainly not enough to look at.”

Duncan nodded slightly, but his mind unconsciously recalled when he met Sara,

Those people around her, among them, was a young man who dared to call on Adam Fei and impressed him.

He wondered in his heart: "What is the identity of that young man,"

"If he knows the identity of Adam, why does he dare to be so rude to him?"

"Could this matter have something to do with him?"

But think carefully and it feels not quite right:

"But a young man, even if the courage is extraordinary, he may not have such a strong strength,"

"To kidnap Randal under the nose of the Fei family, but also to plan everything without leakage,"

"This is never only the courage is enough and the Fei family head and Miss suddenly returned unharmed,"

"Not only was not killed by Dawson's men but that Stella,"

"She suddenly became the new head of the family, this thing is also very strange"

Duncan suddenly felt that his brain was a bit inadequate.

He knew that these things are very abnormal, and when things are abnormal,

There must be a demon, he just has not caught this demon out.

And, for a while, he couldn't catch any useful clues.

So, he turned around and looked angrily at Dawson, frowned, and questioned,

"Dawson, such a big thing happened to the Fei family,"

"I see your expression does not seem to be surprised, you tell me, these things, have you already known?!"

Dawson came back to his senses and hurriedly waved his hands and said,

"Inspector Li I simply do not understand what you are talking about"

"My grandson he he is not such a person ah"

Duncan stared dead at Dawson and said in a cold voice:

"OK! Things are still acting now! Such a bad case in the United States has not happened for decades,"

"Once the case is confirmed, your family's reputation will be in ruins,"

“At that time, you will cry without tears!”

Stella came forward at this time and said seriously,

“Inspector Li, if these crimes were, indeed, committed by the Fei family,”

“Then the Fei family is also ready to take responsibility for them!”
