

The Amazing Son In-Law Chapter 4441-4450

Chapter 4441

Duncan nodded and said in a cold voice, "I hope you can bear the burden!"

After saying that, he immediately said to the police officers around him,

"Immediately close the team! Call all officers to return to the station for a meeting immediately!"

At this point in time, Duncan no longer cared about the kidnapping of Randal.

After the big scandal broke out, in addition to triggering the American public's anger at the Fei family,

It will also trigger the American public's disappointment in the entire country's law enforcement system.

After all, so many innocent girls died unnaturally,

The police did not solve the case, and finally brought this matter to light,

But was previously hated by all the kidnapers.

This is good, the kidnapper instantly became heroes for whom the world is clapping and praising,

While the original was incomparably sympathetic to Randal,

All of a sudden this man became the world's most spiteful object of abuse.

In addition to the Fei family, there is also the New York Police Department,

Which has seen its reputation plummet.

Therefore, Duncan must study the current situation with his superiors and colleagues,

And find a way to make the NYPD's face slightly regained.

On the way back to the police station by car, Duncan was distracted,

Thinking of so many clues which were always unclear,

So he planned to give a call to his old friend Marshal.

For Duncan, Marshal is not only his good brother for many years but also a mentor and friend.

His own temper is hot, Marshal is relatively mild,

So the two not only chat but get along, the key is also in the thinking of mutual development.

The two of them had speculated in the chat that someone was going to publicly execute the Fei family,
And now it came true, so Duncan also wanted to talk to him about the sudden change...

All in front of him to see if he had any different thoughts.

However, he felt that the time was already so late that it was a bit risky to call,
Not to mention that he didn't know if the An family's old man had come through,
So it was not really appropriate to call at this time, so he put the phone down.

But he did not know that at this time, the An family has surrounded Sara and chatting fervently.

The old lady held Sara's hand and never let go of it all night,

Marven's aunt, as well as several other aunts and uncles,

Also surrounded Sara, how to see what she likes.

Sara herself is a bit flattered, surrounded by so many people to ask for warmth not to say,

Confused, but she has received a large pile of gifts, and each is worth a lot of money.

She also knows very well that the An family attaches so much importance to her,

On the one hand, because she gave the rescue pill to save the old man's life,

And on the other hand, it is because she is Marven's fiancée,

The An family misses Marven very much, so they also love her very warmly and with full sincerity.

This also makes her heart extra happy, in her opinion,

The An family is her solid backing in the future, the three-year agreement,

If Marven dares to renege, afraid that the An family will not agree.

However, seeing that the time has reached the latter part of the night,

Sara is also a bit worried about the old lady's health,

Plus she has to make final preparations for the performance tomorrow morning,

So she really can't continue to spend so much time, so she said:

"Grandma time is really late, you must be very tired,"

“and it’s too late for me to continue to disturb you

The old lady said: “Nothing, nothing, grandma is not tired at all, I have so many years,”

“The biggest problem is that I can not find my grandson,”

“Afraid that in this life I will not have the opportunity to see him again,”

“But today you can come over, my heart disease is half gone, I am beyond happy today

Sara nodded, and said seriously: “Grandma you do not worry,”

“I will have time to come over to see you and grandpa!”

Chapter 4442

As Sara spoke, she was a little embarrassed to continue,

“Grandma, today is really not early, I have to do the final rehearsal for the show early tomorrow morning,”

“Almost now I have to fly back to New York, sleep on the way, it will be almost dawn when I arrive.”

Only then did the old lady understand that Sara had her own business to attend to,

So she hurriedly said, “Oh, it’s Grandma’s negligence, I didn’t think you had something

After that, she hurriedly said to her eldest son, Marshal,

“Marshal, go and arrange the plane, I will accompany my granddaughter to New York,”

“And when my daughter’s concert comes, we will be there to support her.”

Marshal nodded and said, “Then I’ll go make arrangements.”

When Sara heard this, her heart immediately burned with anxiety.

She didn’t dare to let the old lady and Marven’s aunt go to her concert together,

After all, Marven and his wife had already booked to come over to support her,

And if the old lady and the girls also went, they would definitely recognize Marven when they see him.

Although Sara hopes that Marven can let go of his heart and identify with his grandmother’s family,

She also respects Marven’s choice, since he is not ready yet,

She should not accelerate this matter for him at all.

Otherwise, he would definitely feel uncomfortable.

So she hurriedly spoke, "Grandma, you shouldn't be so fussy,"

"As I told you before, my concert isn't just only in New York,"

"In a few days it will be the Los Angeles side of the tour, you can support me directly at home then."

As she said, she gave a slight beating and continued,

"Besides, although Grandpa's body has recovered, but other symptoms are not relieved,"

"It is better for you to stay by his side and take care of him at critical times."

Marven's aunt also said. : "Yeah Mom, Dad's memory hasn't recovered."

"You'd better stay with him. There are many concerts in North America."

"We can join her when she comes to Los Angeles. Everyone will make arrangements in advance."

"It's a good time, we can go together if Dad is in better condition,"

"Even he can go to the scene together, why do you have to go to New York at night."

The old lady hesitated for a moment and sighed slightly.

Her heart has been convinced by her daughter, but still can not help but take Sara's hand,

With a bit of choking she said: "Sara grandmother really can not let you go"

"You can suddenly appear today, grandmother's heart is really happy,"

"I really want to keep you around for more days, otherwise you will leave so soon,"

"Your grandmother still feels that all this is like a dream"

Sara said: "Grandma, don't worry, after all, I'm busy with this farewell concert,"

"I'll quit completely, then there will be plenty of time to accompany you!"

As she said, she hurriedly added: "Maybe we can find Marven soon,"

"At that time, we both come to Los Angeles to accompany you!"

When the old lady heard this, tears instantly came out of her eyes again,

She held Sara's hand and said solemnly, "Good, good! Grandma believes that we will get Marven back!"

“I’m still waiting to see you two get married and to hold my grandson!”

“When the time comes, you and your family will settle in Los Angeles and spend time with Grandma

Sara nodded solemnly and said seriously,

“Grandma, don’t worry, we will all be with you when the time comes!”

The old lady nodded with relief, reached out and wiped her tears, and said,

“Good child, since you still have things to do tomorrow,”

“Grandma will not delay you, but you saved your grandfather’s life,”

“We did not have time to thank you properly, my heart is really sorry,”

“And you are my future grandson-in-law’s wife, so far over, did not stay at home for one night!

Sara busily said: “Grandma, you have said, I am your future granddaughter-in-law,”

“Then you don’t have to be so polite with me tonight really the situation does not allow,”

“But you do not worry, I will certainly come to see you often,”

“Then every day here in the family to have food and drink, you drive me I do not leave!”

“Good!” The old lady said with great relief, “With your words, grandma is relieved!”

After saying that, she stood up and said, “Come, grandma will take you to the plane!”

Chapter 4443

The An family watched Sara’s private plane take off,

And only then turned around and returned to the villa.

The old lady even shed tears after Sara left, choking up and saying to her children,

“This is the good fruit that your sister had planted for your father and for us

“If she hadn’t set up this marriage for Marven,”

“I’m afraid your father would not have been able to overcome this hurdle today

“This hurdle we all..... would really have not been able to pass

Marshal also could not help but sigh: “Mom, you are right,”

“If it were not for Miss Gu’s pill, Dad might have died tonight”

The old lady said seriously: “We owe the Gu family a great debt of gratitude for this matter,”

“We must personally thank them in person, in my opinion, when your father’s health is a little better,”

“We all should go to Orgeyon to thank Sara’s father in person,”

“Do not let people think that our An family has lost its manners.”

Marshal nodded and said, “Mom, you are right, such a big favor, we really have to thank him in person,”

“But Dad’s memory is relatively poor now, this kind of thing,”

“I’m afraid he will soon forget when he hears that he has to go to Orgeyon,”

“I’m afraid he will be reluctant.”

Marshal knows very well in his heart, that after the accident of his sister’s family,

The old man has been very repulsive to Orgeyon and Wrestvel, in his daily life,

Even if he hears the names of these two places, he has to slap the table and curse angrily,

And his current memory, which happens to stay shortly after his sister’s death,

Let him go to Orgeyon under such circumstances, he will definitely be very repulsive.

The old lady listened, nodded slightly, and sighed:

“This is indeed a problem, let’s see your father’s state then,

If we can talk to him and let him know what the situation is,”

“Maybe he can still accept it, the big deal is to talk to him once a day.”

Said, the old lady sighed and continued, “In fact,”

“I want to take your father with me to Orgeyon, there is another selfish”

Several people hurriedly looked at the old lady, waiting for her next.

At this time, the old lady seriously said,

“I want to take your father to the Ye family to see your sister,”

“And by the way, with the Ye family to lift all the years of bad blood.”

After a pause, the old lady continued, "All these years,"

"Although we have not had any contact with the Ye family,"

"And even your father's heart was once very dissatisfied with them but,"

"The Ye family is ultimately your sister's in-laws, not to mention,"

"Although the whereabouts of Marven is still unknown, but the blood flowing in his body,"

"Is the Ye family's and the An family's and their future,"

"If Marven is found, for his sake, we are bound to release the former suspicion with the Ye family,"

"Rather than increase the divide, it is better to open up earlier,"

"So that when we find Marven, we can give him a complete and harmonious family,"

"By then he has the support of both the An family and the Ye family,"

"He can also be on the right track as soon as possible, what do you think?"

Marshal thought for a moment, nodded, and said, "Mom, I agree with your decision."

Marcus also said seriously, "Mom, I have the same opinion as big brother."

Martel and Tece also followed without thinking and expressed the same attitude.

The old lady nodded with relief and lamented,

"What I'm most worried about now is that your father can't wait for the day when Marven returns,"

"We've been looking for Marven for twenty years and have found nothing so far,"

"I don't know how long it will take to find his whereabouts"

Chapter 4444

Speaking of this, the old lady's eyes turned red, and sighingly said:

"One or two years may be okay, three or five years, ten or eight years, he certainly can not wait"

Marshal heard this, and could not help but sigh:

"If only I could buy the rejuvenation pill, Dad's problems can be solved."

The old lady saw the effect of the blood dispersal heart-saving pill today,

And instantly had great confidence in the pill again, so she hurriedly said,

“Marshal, let’s go back to the living room, you can give me a good explanation of what this pill is all about,”

“Recently mom also heard people talk about it,”

“But always felt that what they said was too fantastical and not like the real thing,”

“So I couldn’t tell if it was true or not.”

Marcus at his side also nodded and agreed:

“Yes, big brother, recently many people in the circle rumored the miraculous efficacy of the Rejuvenation Pill,”

“I originally wanted to send someone to try to find out about it,”

“But recently there are a lot of things to do, so I didn’t have the energy to do it,”

“So I thought that when you come back, let’s discuss it properly before making a decision.”

Marshal looked at the time and said, “Mom, it’s too late tonight,”

“Why don’t you go back and rest first, I’ll go with Marcus to keep Dad some company,”

“And when you’re well-rested, I’ll talk to you and everyone else about the Rejuvenation Pill tomorrow.”

The old lady waved her hand and said, “No, mom is not tired at all,”

“If Sara hadn’t left, I could have talked to her all night,”

“Now that she is back in New York, my heart is empty, so I don’t want to sleep.”

She looked around and said to everyone, “Let’s not rush to rest tonight,”

“Just think of it as a family meeting and let’s have a good chat.”

Seeing that the old lady had said so, all of them naturally agreed to do so,

And a group of people surrounded the old lady and returned to the living room.

After sitting down, Marshal recounted the whole process of his previous trip to Wrestvel in detail.

When everyone heard his account of the miraculous effect of the Rejuvenation Pill on those bidders, they were all amazed.

Marcus said in awe, “Elder brother, I thought these rumors must have been greatly exaggerated,”

“But according to you, the rumors outside are not exaggerated at all,”

“This stuff can really turn back the clock?”

“Yes!” Marshal sighed: “It’s just a pity that I’ve only seen the effect of a quarter of the Rejuvenation pill,”

“I didn’t have the chance to see what kind of magical performance a whole Rejuvenation pill has after taking it

Marcus immediately said, “This is simple,”

“I’ll have someone go directly to investigate the guy who got the Rejuvenation Pill tomorrow,”

“And see how much he has changed before and after.”

“I think since he can afford to buy the Rejuvenation Pill,”

“He must have his own medical team, all the medical records and health conditions,”

“There must be very detailed information,”

“And this kind of person must have a big health problem to bid for the Rejuvenation Pill,”

“So as long as we get his medical records,”

“We can know what kind of physical state he was in before taking the Rejuvenation Pill,”

“And exactly what kind of physical state he was in.”

“Moreover, I believe that after taking the Rejuvenation Pill,”

“He will definitely have his medical team conduct a new evaluation of his body at the first time,”

“And use scientific means to visually present all the changes,”

“That occurred in his body before and after taking the Pill,”

“So as long as we can get his medical records,”

“We will be able to know how effective a whole Rejuvenation Pill really is!”

Marshal said, “Mom, in fact, the safest way is to take Dad to the auction of the Rejuvenation Pill next year,”

“And buy the Pill on the spot and let him take it right there.”

Chapter 4445

The old lady sighed and said, “But according to what you said,”

“They only hold the auction once a year, and this year’s has just ended,”

“So we have to wait another year for the next one. There is nothing we can do

The old lady said, “You have just heard from Sara, there was only this one blood-saving pill left,”

“So we must make more plans, the auction is the last bottom plan,”

“If we can get the Rejuvenation pill through other channels before the auction, it would be great!”

After the An family reached a consensus on the matter of the Rejuvenation Pill,

The old lady was in a much better mood all of a sudden,

And it seemed that the whole person was somewhat enlightened,

With a smile hanging on her wrinkled face and an expression full of expectation.

She could not help but lament, “For your father to get a rejuvenation pill,”

“And then hurry to find Marven, that would be great!”

On the side, Marcus hurriedly said,

“Mom, I’m going to organize another group of people to go out,”

“And search for Marven’s whereabouts to see if we can find any valuable clues.”

The old lady said seriously, “We have invested a lot of manpower and resources over the years,”

“But we have not been able to find any clues about Marven,”

“So I now wonder if we are going in the wrong direction to begin with.”

Marcus asked, “Mom, what do you mean?”

The old lady spoke, “I remember that we first searched the entire Wrestvel several times,”

“And then spread from Wrestvel to the whole of China,”

“But after searching for more than ten years in there with no clues,”

“We continued to expand the scope to the whole world, and we haven’t found any clues until now.”

Marcus said: “This is the case, you know, looking for people is not easy,”

“And sometimes, the luck is not so good,”

“We have been looking for orphans of Chinese ancestry around the world,”

“About the same age as Marven, and then find ways to collect each one’s DNA,”

“And my sister’s DNA information to do a comparison, this is the most foolproof way.”

The world’s 1.5 billion Chinese, and of Marven’s age, there are at least 100 million people,”

“Even if we use all our abilities and resources,”

“It is impossible to compare the DNA of all 100 million people,”

“If we can achieve 90%, there are at least 10 million people who would not have been compared,”

“And, many things are not as expected, many times the person you want to find is in the 10% you did not check.”

Tece also nodded and said, “Second brother is right, luck is something that often can not be described,”

“Even if you look for one in a hundred, it is possible to find ninety-nine in a row are wrong.”

The old lady also nodded in agreement and said, “So I think we should not spread out so much now.”

Marcus asked, “Mom, you mean to narrow down the search?”

“Right.” The old lady said very seriously, “I think the odds are that Marven is still in the country.”

Marcus said: “Mom, China has more than 9 million square kilometers, 1.4 billion people,”

“Start from all again to find Marven, we need at least another 10 years,”

“And the country does not have all the DNA information database,”

“Generally will leave DNA information in the information database,”

“Either have a criminal record or have gone to the police to register to find relatives,”

“Otherwise, most people’s DNA information will not be included, it is very difficult to find.”

But the old lady said very seriously: “It does not matter,”

“This time we will start from the domestic search!”

“Since we have already checked all over Wrestvel,”

“Let’s do a thorough investigation of the provinces around Wrestvel, especially the provinces south of Wrestvel.”

Marcus nodded and said, "Okay, then I will arrange to start with the provinces around Wresterl."

Chapter 4446

Marshal said, "Mom, Marcus, Martel, and Tece are busy with the group's affairs,"

"So they are busy, so why don't I stay in the country to look for Marven's whereabouts after I go to Orgeyon this time?"

The old lady nodded gently, "Okay!"

At this time, the oldest Martel took a look at the phone that had been in Do Not Disturb mode,

And suddenly exclaimed, "Something big has happened to the Fei family!"

"The Fei family?" Marshal remembered his speculation with Duncan and asked offhandedly,

"Did some scandal break out?"

"More than a scandal" Martel said offhandedly,

"The Fei family is estimated to offend the world this time!"

"The news said that the kidnapped kid of the Fei family,"

"He at least abducted twenty innocent girls abused and killed them, and there is video evidence!"

The crowd was stunned and were all filled with horror.

Marshal hastily took out his cell phone,

Just read some pushing news headlines and knew that his good brother,

Duncan was afraid that this time it would be too late to save his life.

Out of brotherly love, he hurriedly said, "I'll go make a phone call."

After saying that, he stepped out of the villa, went to the closed track, and made a call to Duncan.

At this time, Duncan was in a meeting with a handful of police officers and a number of executives.

Just now, the FBI's hand in New York personally ran over,

Scolded them, and even proposed that if they can not solve the case in the next 24 hours, the FBI will take over.

Duncan worried scratching his ears.

If the case was taken by the FBI, then the face of the New York police can not be completely saved.

And he will soon retire, naturally do not want to carry such a big case to leave the police,

So he now has all the thoughts on how to solve the case.

However, with all the thoughts and clues, it seems to have entered a dead end,

So he repeatedly is going around in and out, just can not find the key.

At this time, Marshal's phone suddenly rang, he hurriedly left the conference room,

Went back to his office and picked up the phone.

Once the call came through, Duncan asked, "Marshal, how is the old man doing?"

Marshal said, "Fortunately, he has survived."

Duncan breathed a sigh of relief and said, "That's good Looks like tonight wasn't all bad"

Marshal asked, "How's your side? I saw the news, it seems things were guessed by both of us."

Duncan said helplessly, "I really didn't fcuking expect that this boy could commit such a big thing"

"Did you see the video circulating online? Too fcuking a beast!"

"I haven't watched it." Marshal said: "Just been chatting with the mom,"

"Saw the news push also dare not open in front of her."

"But look at the headline will be able to guess how a thing, such a big scandal,"

"Indeed a little beyond the expected, it seems that behind this Randal, really is not an idle generation."

Duncan said off the cuff: "More than Randal's you know, Master Fei suddenly came back tonight!"

"What?" Marshal exclaimed, "He came back at this time,"

"Is he still alive? How could Dawson let him return to New York alive?"

Duncan cursed offhandedly, "Da*n, that's what's strange!"

"I went to Fei's house at night, and Master Fei was there!"

"And what's even weirder is that Dawson gave up the position of family head!"

"Gave up?" Marshal asked, "Can it be that he returned the family headship to Master Fei?"

“No.” Duncan said, “It’s even more incredible than that!”

Saying that, he added: “Do you know Master Fei’s youngest granddaughter, Stella?”

“I know” Marshal spoke: “What happened to her?”

Duncan said, “The new head of the Fei family, that’s her!”

Marshal was dumbfounded, his mind quickly thought about it and said offhandedly,

“Something is wrong! It’s not just this thing that’s not right!”

“Everything that has happened to the Fei family recently is not right!”

Chapter 4447

Marshal has a fine mind, and although his style of action is not strong enough,

He definitely sees things more deeply than the average person.

When he was bidding for the Rejuvenation Pill, he had met with Douglas.

At that time at the auction, he had also once raised the price to a height that even Douglas, could not reach.

Moreover, what impressed Marshal was that not long after he was expelled from the venue that day,

He heard that Dawson of the Fei family had seized the position of the family head,

And even released a secret headhunt to buy Douglas’s life.

Marshal immediately realized that even if he was expelled from the field,

Douglas had not been able to get the Rejuvenation Pill as he had hoped.

At that time, Marshal also thought that Douglas was already 96 years old,

Dying, and had very little life left, so he would never have a chance to turn around in his life.

But he never expected that the 96-year-old man could suddenly make a comeback.

Therefore, he immediately realized that there must be something wrong here,

Not only just that, but Randal was also kidnapped and exposed to such a huge scandal,

There must be a master behind all the hidden manipulation.

Duncan heard his judgment at this time, also very certain said:

“I now also feel that these things are very wrong, feel whether Randal was kidnapped,”

“Or Douglas back to New York, behind the two things,”

“There must be a very good master, just at the moment really can not grasp clues

Marshal said seriously: “Randal was kidnapped, you should not have a directly related person until now, right?”

“No.” Duncan said truthfully: “In this line, we have not even found a single witness so far.”

Marshal said seriously: “Then I suggest you, check the line of Douglas,”

“He was in China, but now can return to New York with dignity,”

“Even when he was chased together with Stella, who became the head of the Fei family,”

“This proves that Douglas has a valuable person to help,”

“You do not want to know who is the master behind? Find Douglas, he definitely knows!”

Duncan exclaimed, “You mean, the one who kidnapped Randal,”

“And the one who helped Douglas return to New York is the same person?”

Marshal said without thinking, “That’s right, I think it must be the same person or the same group of people.”

Duncan said doubtfully, “Then I don’t understand, this person or this group of people,”

“Why on one side kidnapped Randal, cut off his ears, and exposed all the scandals of him,”

“But on the other side, he helped Douglas return to New York,”

“If he is very close to Douglas, he should not lay hands on Douglas’s great-grandson, right?”

Marshal suddenly remembered something at this time and said seriously,

“Old Li, I suspect that this matter might have something to do with the owner of the Rejuvenation Pill!”

Duncan asked in surprise, “The mysterious person who doesn’t even put 300 billion dollars in his eyes?”

“That’s right!” Marshal said: “Think about it, with the strength of the Fei family,”

“After Dawson became the head of the family, wanted to kill Douglas,”

“But even his silhouette was not found, but at that time Douglas and his granddaughter,”

“The two people in China can be said to be all alone, no relatives, no money, no power,”

“If there is no high people to help them, they must have been killed by Dawson by now!”

Duncan was also amazed, and said with approval: “That’s right! This is the truth!”

“Dawson wanted to kill the ninety-year-old Douglas after he succeeded in seizing power,”

“It was as easy as pawing, but Douglas was not killed,”

“Instead he suddenly came back to New York, there must be a high person behind this!”

Chapter 4448

Marshal also became more and more excited: “If it is really the owner of the Rejuvenation Pill,”

“Then maybe he himself is in the United States!”

“You should check Douglas’s entry records and see who entered the country with him tonight!”

Duncan immediately said, “Marshal, you really have a good fcking brain, you’re better than me! I’ll go check now!”

Marshal busily instructed: “Old Li, if you find a clue about this matter,”

“You must not hide it from me, my old man can only be cured by the Rejuvenation Pill,”

“If you find a relevant clue, you must tell me!”

“Don’t worry!” Duncan agreed without hesitation and said off the record,

“I will tell you first if there are any findings!”

Duncan hung up the phone and immediately had someone pull up Douglas’s entry record.

Since Douglas entered the country from the VIP building,

The number of people entering the country at the same time was not that many,

So Duncan quickly pulled out the entry information of more than twenty people at the same time.

Among them, apart from Douglas, Stella and Karl,

There was only one Chinese who entered the country at the same time, named Ruoli Su.

When Duncan saw Ruoli’s name, his entire pupils shrank!

This woman, he had never seen, but heard of!

Some time ago, she led people to exterminate the whole family of Matsumoto in Japan,

And even escaped under the heavy guard of the Japanese Self Defense Force,

And incidentally made a wave. Duncan had heard of her name.

But he didn't expect that she would come to New York with Douglas!

He immediately found his old colleague in Interpol and asked for his help to investigate Ruoli's information.

In the beginning, the Japanese Interpol issued a wanted notice for her,

And had been trying to take her back to be tried,

But after the Cataclysmic Front announced that Ruoli had joined them,

The Japanese side quietly pulled down the wanted notice.

But the good thing is that the Interpol database is connected between countries,

So Duncan's old colleague immediately compiled Ruoli's information and sent it to him.

After carefully reading the information, Duncan immediately gave a call back to Marshal.

As soon as the phone call came through, he said out of the blue,

"Marshal, I found out that there is a woman named Ruoli who entered the country together with Douglas,"

"That woman used to be the illegitimate daughter of the Su family in China,"

"And some time ago, she committed a murder case in Japan!"

"Su family?" Marshal asked in surprise: "I know something about the Su family in China,"

"And my sister's in-laws are similar in strength, definitely not as strong as the Fei family,"

"How dare people from the Su family interfere in the affairs of the Fei family?"

Duncan said offhandedly, "That Ruoli Su,"

"Some time ago has joined the Cataclysmic Front, and now she is working for them!"

"Cataclysmic Front?!" Marshal was dumbfounded as he listened and said,

"How did they get involved with the Fei family?"

Duncan said, "It could be that the Fei family's senior promised a heavy sum of money,"

"And asked the Cataclysmic Front to come over to help him take back the family headship."

Marshal said doubtfully, "If this is the only thing, then your speculation is very reasonable,"

"But the question is if the Cataclysmic Front is really hired by the Fei family's senior,"

"How would they go to kidnap Randal? While being hired,"

"They also kidnapped their employer's heavy grandson, isn't that a contradiction?"

Duncan remembered something and said offhandedly,

"By the way, Cataclysmic Front had friction with your sister's in-laws before, do you know about this?"

"Yes." Marshal said in a cold voice: "The master of the Cataclysmic Front has a grudge against my brother-in-law,"

"And last time he went to them, it is said that the Ye family gave up half of their family fortune to avoid a disaster."

Duncan said offhandedly, "Then it's possible that the Cataclysmic Front has tasted sweetness on the Ye family,"

"And now wants to make another fortune on the Fei family!"

Chapter 4449

Marshal had many grievances against the Cataclysmic Front.

The reason for this is because the Cataclysmic Front had made a move against the Ye family,

And had also put out the word that his brother-in-law would be thrown to the ground.

Marshal is different from the second brother Marcus,

In the eyes of Marcus, he only recognizes his sister Margaret,

And nephew Marven, others, even his brother-in-law, he does not put him in his eyes.

This is mainly because Marcus is younger, when his sister married Changying,

He was still in college and had little contact with his brother-in-law.

But Marshal is different, he and his sister only got two years apart,

So he had a lot of contact with his brother-in-law, deep down,

He still has a certain recognition of Changying as a brother-in-law.

Because of this, when he heard that the Cataclysmic Front was looking for the Ye family with the coffin,

He mentioned this matter to Marcus, hoping that he could put pressure,

On the Cataclysmic Front on behalf of the An family,

So that they would not make things difficult for the Ye family.

But Marcus did not agree.

The reason he did not agree was very simple,

It is because he did not put the Ye family in his heart.

A long time ago, the Ye family's old man Zhongquan once took the initiative to approach Marcus,

At an elite chamber of commerce meeting, but Marcus told him explicitly,

At the time that in the Ye family he only recognized Marven, among the others, no one.

Since Marven was not found, he naturally had no reason to help the Ye family.

But this incident later also let Marcus a burst of fear.

Because it was so unexpected, Joseph actually wanted to go up,

To the Yeling Mountain to his sister and brother-in-law's remains and thwart their bones!

Fortunately, the Ye family later took the initiative to take out half of the family fortune to settle the matter,

Otherwise, if his sister's remains were destroyed,

Marcus could not forgive himself for the rest of his life.

It was also that time, in his heart for the Ye family his emotions more or less loosened,

And also with Marshal's table attitude, if the time is right in the future,

He will definitely give the Ye family some help.

And right now, Marshal heard that the Cataclysmic Front came again,

In his heart he can not help but feel a surge of a bit disgust.

So, he said to Duncan: "If it's true that the Cataclysmic Front is behind this,"

“You can’t let them get away with it.”

“If you can’t deal with them in the New York Police, go to the CIA and Homeland Security.

Duncan seriously said: “I also plan to do so, but right now there is not a good opportunity,”

“After all, I now know that the members of the Cataclysmic Front,”

“Have arrived in New York, only Ruoli Su as a person, grasped as the intelligence and evidence is seriously inadequate.”

Speaking of this, Duncan added: “Moreover, there is something I still haven’t figured out until now.”

Marshal asked, “What is it?”

Duncan said, “What you just said is that it is justifiable for Cataclysmic Front to help,”

“Master Fei seize power and make a fortune in the process,”

“But they have no reason to kidnap Randal,”

“Unless the person who kidnapped Randal is someone else.”

Marshal sighed: “It’s really a problem, it feels like solving a complex equation,”

“No matter which direction to cut, it’s not right, it’s like there’s some necessary condition missing.”

Duncan remembered something and asked,

“Oh yes, do you remember what I told you about that star named Sara Gu?”

“I remember.” Marshal asked, “What’s wrong? This matter has something to do with her?”

Duncan smacked his lips and said seriously,

“There’s no evidence that it’s related to her yet, but I always feel some connection.”

Chapter 4450

Marshal didn’t say anything about Sara delivering medicine to his father tonight,

and saving his life, but asked, “How did you think about it?”

Duncan said, “I think this girl is not simple!”

As he said, he added: “Look, from the exposure of this guy Randal,”

“The night he disappeared to get that charity dinner, it was clearly set up for Sara,”

“He certainly wanted to kidnap her, to meet his own perverted desires,”

“But the result was she did not fall in, Randal, the person who made the game fell in instead,”

“A snake cannot suppress a dragon,”

“Let alone a dragon like Randal, I say this girl has to have a great ability”

Marshal heard here, his expression slightly austere.

A moment later, he spoke, “Old Li, do you know what Sara has to do with our family?”

Duncan was surprised and asked, “What? You know her?”

“I have investigated her details, the only daughter of the Gu family in Orgeyon,”

“The Gu family seems to have a good relationship with your sister’s in-laws,”

“But the strength seems to be a bit worse than your sister’s in-laws,”

“So reasonably speaking, in the eyes of your An family, it should not be enough to look at, right?”

Marshal seriously said, “Sara, is my nephew’s fiancée!”

Duncan was shocked and asked, “Really? Your nephew, you have found him?!”

“No.” Marshal said, “Sara’s marriage to my nephew was set by my sister when they were both children.”

“Oh” Doll marriage ah”

Duncan muttered a sentence to himself and said off the top of his head,

“But I haven’t heard you talk about this before.”

Marshal said seriously: “I also learned this evening, that my father was critically ill,”

“The heart had stopped, just the right moment Miss Gu came to visit,”

“She had a blood rescue pill, my father pulled back from the brink of death.”

Duncan on the other end of the phone froze for a long time,

And only after a long time cursed and said:

“I’ll be damn3d, this evening is really a dog!”

“How come all the strange and bizarre things will happen on this night?”

“The Fei family is not to mention those things, your old man is critically ill,”

“This Sara flew from the east coast to the west coast thousands of miles to deliver medicine,”

“Is she a foreteller? Or did she get wind of something in advance?”

“This” Marshal frowned and said, “This should not be”

“She just happened to come over to visit, I told you, she is my nephew’s fiancée,”

“This time she is on a tour to the United States, so took time to visit the family,”

“Just met my father and he was critically ill, so it”

As he spoke he suddenly stopped, his expression was very puzzled.

Although Duncan could not see his expression, he could also guess a rough idea,

So he opened his mouth and asked: “Do you also think that this Sara,”

“Without knowing anything, could just happen to fly from the east coast of the United States”

“To the west coast overnight to visit at this time of the old man’s critical illness,”

“Which is indeed a bit of bullsh!t to me?”

Marshal murmured, “Hearing you say that, it is indeed a bit”

As Marshal spoke he continued, “But this thing is also a bit strange,”

“If you push it the other way around, my father’s critical illness has never been leaked to the public,”

“No one in the outsiders except you, no one knows,”

“How did she know that my father was critically ill?”

Duncan asked him, “What time did she arrive?”

Marshal thought about it and said,

“Maybe ten or twenty minutes later than me, I can’t remember exactly.”

Duncan smacked his lips and said, “This is really fcuking hell, you came from New York,”

“She also came from New York, and only a dozen or twenty minutes later than you,”

“That is, basically equal to the same foot!”

“This is not a fcuking coincidence, it’s fcuking deliberate to save the old man!”
