

## The Amazing Son In-Law Chapter 4451-4460

### Chapter 4451

Duncan's words made Marshal feel a sense of relief.

He also immediately began to mentally calculate the reasonableness of this matter.

Thinking about it, he felt that Duncan's point was right.

If this is all a coincidence, then the old man can no longer even be described,

As blessed with a great life, but simply blessed by the gods of heaven.

Moreover, Sara's timing was just too good.

If she had been a few minutes later, the old man would have been brain dead,

All due to lack of oxygen in his brain, and that he might not have been saved by the Great Golden Immortal.

In addition, she suddenly flew so far to visit Los Angeles this evening, that too makes it a bit unbelievable.

After all, the east and west coasts of the United States have a distance of more than 4,000 kilometers,

A distance that is farther than from China's northernmost Desert City all the way to the southernmost Hainan Island.

It is not reasonable to come to visit across such a long distance in the middle of the night.

What's more, Sara came to the United States not a day or two, if she wanted to visit,

She could have arranged earlier, or simply later, when she arrived in Los Angeles for a concert, and then visit the family.

But she chose this time, most likely as Duncan said, she came in a hurry after knowing that the old man was critically ill.

Thinking of this, he couldn't help but say,

"If that's true, then where exactly did Miss Gu get the information from?"

“The An family has a large number of people, I certainly do not dare to guarantee that all the family members,”

“As well as the An family’s underlings are absolutely reliable,”

“But the flow of information takes time, and it cannot be this fast.”

Duncan said: “If you really want to know, then you have to start from the moment she landed in the An family,”

“And reverse comb her entire line of motion, such as from which airport her plane actually took off,”

“Time of departure, and then push forward from the airport, such as how exactly did she get to the airport?”

“What time did she arrive? With whom? Then continue backward to see exactly where she departed from before going to the airport.”

Having said that, he immediately tapped in front of the computer for a while and said,

“All civil aviation flight information and flight trajectories are publicly available on the Internet,”

“And the same is true for private jets. I’ll take a look now.”

“I’m flying from New York this afternoon. Flights to Los Angeles.”

While speaking he identified a series of information from the website,

Then he operated the mouse while speaking: “There are only seven private planes flying from New York to Los Angeles this afternoon,”

“And the last one that landed on the runway at An Estate ..... Well, there are only two,”

“The one you flew in I know, and this one with registration number B9733, should be the one that Sara took.”

While speaking, Duncan exclaimed: “She and you surprisingly both took off from JFK,”

“The two of you only have a 20 minutes difference in takeoff time.”

When Marshal heard this, his heart was shocked.

Without waiting for him to speak, Duncan said with some excitement,

“Good! Good! Finally, I’ve caught a clue!”

“I’ll have someone check the information and surveillance of the airport,”

“To see where this lady got the magic power to receive the news in such a short period of time!”

Marshal was slightly stunned and quickly said,

“Duncan, how about this matter ends here, don’t investigate any further.”

Duncan was surprised and asked, “Why? This is the only clue that can be caught,”

“And I now feel more and more my judgment is certainly correct,”

“Because the old man’s critical illness came too suddenly,”

“So this Sara did not have the opportunity to properly deal with the clues left behind,”

“Otherwise if you really give her enough time,”

“So that the person hiding behind a little bit of planning, the mechanism, then we can not even find this clue! “

“Do not you want to find out, that in the end through what channel she knew the old man’s critical illness?”

#### **Chapter 4452**

Marshal said: “Duncan, no matter what channel Miss Gu learned of the old man’s critical illness,”

“I think she has absolutely no hostility towards our An family, not only no hostility,”

“She is also our An family’s great benefactor if she did not come across,”

“These thousands of kilometers to save the old man’s life, he would have passed away by now.”

Marshal spoke here, and with a slight beating he continued:

“Such a great kindness, we have not had the opportunity to properly return,”

“But now to investigate her, this is not justified in reason,”

“In case she finds out, she will think that the An family people do not act generously.”

Duncan hesitated for a moment and said seriously: “Marshal, this matter is not only for your An investigation,”

“But also for the investigation of breaking this case, as I said before,”

“She could get out of Randal’s trap unharmed, and even led to him lifting the stone to smash his own feet,”

“It proves that she must have a very strong person sitting around,”

“Maybe, all this can help us to identify that person!”

“The first thing I did was to find out what happened to Randal,”

“And what happened to Master Fei when he came back, but I couldn’t find any clues.”

Then, Duncan hurriedly added: “Marshal, don’t worry, my investigation has nothing to do with you,”

“It’s entirely my decision as a police officer to solve the case, and you don’t need to have any negative emotions.”

Marshal sighed helplessly and said, “Duncan, you are a police officer,”

“How to investigate the case is your freedom, I will not interfere much.”

“Good!” Duncan could not hide his excitement and said,

“Thank you for your understanding Marshal, talk to you later, I must solve this case!”

Marshal busily asked, “Duncan, if this matter is related to Miss Gu,”

“Please do me a favor and do not implicate her personally as much as possible.”

Duncan said without thinking, “Don’t worry, I will!”

After hanging up the phone, Duncan immediately found his most trusted subordinate and instructed,

“Go to JFK Airport now, starting from the airport,”

“Investigate all the information before the departure of the B9733 private plane,”

“Including the passenger named Sara Gu’s boarding time,”

“Security check time and arrival time at the airport,”

“And then follow this line all the way to the front,”

“Until or before she left the hotel this morning,”

“Investigate all her movements after she woke up!”

“Bring me back all the video data you can get!”

The subordinate asked in surprise, “Chief ..... you want to investigate that big star?”

“She’s getting a lot of attention right now, we’re investigating her for no reason,”

“This ..... iff the top asks down, how can we explain?”

Duncan said in a cold voice: “I suspect that she is related to the case of Randal’s kidnapping,”

“So I must investigate her to the letter, but before finding the actual clues,”

“You must ensure that this matter remains in the dark, otherwise, we will both be in trouble!”

Duncan’s subordinate is very clear about the seriousness of this matter.

In the United States, this law enforcement authority is extremely clear and everywhere restricted country,

In the absence of permission from superiors, randomly follow the investigation of a public figure,

Once exposed, it is likely to provoke a lot of public pressure.

However, he himself is Duncan’s favorite, very obedient to his orders,

So at this time dare not delay, immediately said: “Chief, then I will go to investigate!”

Duncan instructed: “Remember, do not miss any clues!”

“Maybe an inadvertent discovery can affect the detection of the entire case!”

The other party nodded and said, “Don’t worry, I’ve been with you for so many years,”

“You still don’t understand my style of action?”

Saying that he looked at the time and said,

“It’s already past two in the morning, I’ll try to bring back the clues you want before nine in the morning!”

Duncan nodded and said, “Hard work!”

Chapter 4453

With the departure of his man, Duncan’s heart, finally, had a hint of hidden excitement.

Since Randal was kidnapped, he had been very depressed.

Because he couldn’t find a clue, and now he also finally saw a glimmer of hope.

At this time in New York, already night, but the city is still not asleep.

Randal’s video is still spreading extremely fast on the Internet.

Countless New York citizens were stimulated by the video to sleep,

The public’s mood is also very complex, angry, nervous, scared, or anxious.

People are constantly expressing their views on the matter online,

While many people have also started to denounce the Fei family online.

Although everyone knows that all these things are the personal actions of Randal,

But the sober public is very clear that the reason why Randal was able to commit,

So many untold crimes, all are largely due to the blessing of the family halo,

And the support of the family’s financial power.

The Fei family’s reputation, all of a sudden fell to the bottom and became the object of everyone’s scorn.

And Dawson, as the head of the family in the eyes of the public,  
Has also become the target of crazy attacks by netizens at this time.  
Stella did not immediately come out to represent the Fei family to take a stand,  
And Dawson looked at the Internet so many people scolded him to death,  
The whole person's mood is unusually low at this moment.  
He wanted to beg Stella to come out and make a statement,  
And also officially announce that she has replaced him as the new family head.  
However, he did not dare to go to her to open his mouth.  
After all, she and the old man did not pursue him for power seizure.  
It is already extraordinary generosity, he runs over to make a request at this time,  
This would simply be asking for some trouble.  
And he also knows very well, that Marven has explained it to Stella,  
It is tomorrow morning that she officially has to hold a conference.  
This means that from now until tomorrow, before the start of the conference,  
He has to block the gun for the entire Fei family.

.....

The next day early morning.  
Just as the group of passionate netizens on the internet,  
Cursing Randal Fei and Dawson Fei to death all night long,  
Another video was suddenly released on the internet.  
In the video, the bodies of Randal and Jesse were lying in front of an incinerator,

And the person who shot the video identified them both,

Then pushed the two bodies into the incinerator and burned them cleanly with a fire.

From the corpse identification to the corpse was pushed into the incinerator ignition,

And then the body finally turned into a pile of ashes,

The entire video has no editing, it is completely a single string to the end.

At the end of the video, there are some subtitles at the bottom,

Presenting seven big words: good or evil, all will have a reward at the end.

Once this video was released, it immediately exploded the entire network.

People only knew that Randal was kidnapped and his ears were brutally cut off by the kidnapers,

But they didn't know what his current condition was.

And now, the two culprits of the whole thing were executed by the kidnapers,

Which instantly made everyone excited to the extreme!

They knew very well in their hearts that once these two people were arrested and brought to justice,

Then these two people would definitely only be sentenced to life imprisonment.

If that was the case, every one of them would be very dissatisfied.

And now that the mysterious kidnapers have taken out these two scums of the earth,

What could be more gratifying than that?

Chapter 4454

So, at this time, the ordinary people stopped calling these mysterious people kidnapers,

And instead started calling them chivalrous robbers and praised these chivalrous robbers.

In the opinion of the general public, if this mysterious group of chivalrous robbers had not kidnapped Randal,

And exposed these crimes of his, then instead of getting any sanction,

Randal would have continued to brutalize an unknown number of innocent victims.

So, these chivalrous robbers not only terminated the atrocities,

But even sent the criminals to hell, which can be said to be of great merit.

Along with the video, there are also these words, "good or evil, all will have a reward at the end."

Countless people after reading the words are deeply shocked,

Many of them started to put these words in their social media bios and statuses.

There are even many tattoo enthusiasts, early in the morning calling their tattoo artist,

And can not wait to tattoo these words on their bodies.

At this time, the night without sleep, Duncan,

Just made a cup of coffee ready to refresh his bogged mind.

Eager to crack the case, he did not leave his office all night.

He was waiting with great anticipation for the results of his subordinate's investigation,

When suddenly there was a knock on the door,

A subordinate rushed in a panic and said offhandedly:

"Inspector, something big has happened!"

When Duncan, who had not slept all night, heard this,

He immediately felt his head overwhelmed, and he hurriedly asked, "What happened this time?"

The other party said, "Randal Fei is dead! And that Jesse Qiao, both are dead!"

"What?!" When Duncan heard this, he asked with horror, "When did this happen?"

"Just now!" The other party explained: "A video just came out on the Internet,"

“In the video, Randal and Jesse have been cremated!”

Duncan’s brain was dizzy and he quickly said, “Quick, let me see!”

His subordinate hurriedly handed over the phone,

And on the screen, it was the video that had just been exposed.

Duncan clicked on it and saw the two bodies being pushed into the incinerator,

And immediately cursed in anger:

“These people are so desperate! They’ve blocked all the ways out for us!”

For Duncan, Randal was kidnapped and he didn’t catch him,

Randal had his ears cut off and he didn’t catch him,

Until Randal’s evil deeds came to light, but he didn’t notice it before,

And then he didn’t catch him, which has made him, and the whole police force loses face.

The only way to regain their status back was to find a way,

To find the person who kidnapped Randal, and then get him back for a public trial.

Only in this way could the police department regain its last bit of face.

However, he did not expect that the kidnapers were so ruthless,

So much so that they directly killed Randal and Jesse!

This is equivalent to the last little retreat for him blocked in a large part!

From the beginning to the end, the police failed to seize the opportunity to regain face,

And now that Randal was also dead, Duncan felt that the only thing he could do was to catch the kidnapers.

Only by catching the kidnapers could the police prove that they were still useful.

However, Duncan still has a worry in his heart,

If he really finds a clue, should he catch people?

If not, the police will lose face and the entity of justice will be challenged.

But if he really catches them, how to explain it to the public?

After all, these kidnapers have become the eyes of the public chivalrous,

The police did not catch the bad guys but in the end,

The chivalrous gang is arrested, and the public will certainly scold them to death .....

At this instant, Duncan felt the whole headache explode, he does not know what to do.

The man who was sent to investigate Sara called at this time and spoke:

“Chief, there is a clue!”

Chapter 4455

The words of his subordinate made Duncan’s spirit shake.

He hurriedly asked, “What have you found?”

The subordinate immediately reported, “We have found Sara Gu’s movement line,”

“Before she went to the airport yesterday, and she actually had a spatial intersection with you, chief!”

“What?!” As a police detective, Duncan naturally knew what spatial intersection meant,

Which meant that he was once in the same physical space as Sara,

Which made him exclaim: “Spatial intersection in what place?!”

The subordinate said, “She first went to Fei’s house yesterday at noon,”

“Then from Fei’s house, she went to the Cantonese style roast goose restaurant in Chinatown,”

“And after she arrived at the roast goose restaurant, you and Mr. An also arrived there!”

“Fck!” Duncan burst out a foul mouth and cursed, “So that’s how it is!”

When he heard this, he was actually a little disappointed in his heart.

By digging deeper into this line of Sara, he originally wanted to bring out,

The mysterious person hiding behind her to protect her.

Moreover, he had always felt that she must have a very strong intelligence network,

This was why she was able to get the news of the An family's old man's critical illness in such a short time.

However, listening to his man so reported, he realized that the original thing is a coincidence,

It is that at that time Sara herself was in that roast goose restaurant,

So Marshal chatted with him and was not surprisingly heard by her .....

Thinking of this, he sighed lightly and asked:

"Who was with her? When did she leave?"

The subordinate said, "I watched the surrounding CCTV footage, specifically with whom,"

"It is not yet possible to determine, but she arrived first before you,"

"Mr. An left first, you probably came out after waiting for two or three minutes,"

"Sara came after a minute or two after you came out, as she came out, she went directly to the airport."

Duncan was busy saying, "Send me the video to see!"

"Okay."

Soon, Duncan's phone received a video.

This video originated from the surveillance camera that was diagonally across from the roast goose restaurant.

After he opened it, he saw the process of Sara and Marvin's car arriving at the roast goose restaurant.

However, because the front door of the restaurant is just in the dead center of this surveillance probe,

So in the video, they can not see the situation when people get out of the car.

If they can find the frontal surveillance video,

Duncan will be able to see, Sara then from the car after getting down,

and intimately holding a man into the roast goose restaurant.

And that man is the An family struggling to find for twenty years named Marven Ye!

At this point in the video, just shortly after Sara and Marven's car stopped,

Duncan saw himself and Marshal's car also entered the monitoring range.

He looked straight sucking his teeth, then a phone call to the other side,

Opened his mouth and asked: "You did not find other monitoring probes?"

"The best is the other side can be photographed, people."

The other side replied: "No, the one in the line of roast goose restaurant surveillance video it is only this one."

Duncan cursed and said: "Fcuk, long suggested to the mayor, let him allocate funds to set up a Skynet system,"

"He just grumbled reluctant to approve, look on the other side,"

"Even a small city's surveillance coverage rate has long exceeded 95%!"

"And look at New York, until last year, only the subway stations have installed monitoring!"

The other side helplessly said: "Chief, even in New York if we installed the Skynet,"

"It is not of much use, even if you can install 100,000 cameras overnight,"

"The next day certainly those gang members smashed half of them,"

"The remaining half, it is estimated that the homeless will demolished them for cigarettes and burgers  
..... "

Chapter 4456

Duncan sighed and said, "Forget it, look for any other clues."

The other party was busy asking:

"Do you want to ask the owner of that roast goose restaurant?"

"Maybe the restaurant has its own surveillance."

Duncan immediately said, "Do not go there first, that Sara as the most famous singer in the Chinese,"

"But went to this roast goose restaurant to eat,"

"The probability of knowing with the owner is high, risking to ask, it will alert the snake."

While speaking Duncan had a bright idea, so he said: "So, you wait for the roast goose restaurant to open,"

"Go inside to eat a meal, see if there is a security camera inside, if there is,"

"In the afternoon, let people in the vicinity of the street robbery create a cell phone snatching drama,"

"And then ask a man to go to the restaurant, say that the investigation needs to retrieve their surveillance video,"

"At that time you can retrieve the whole hard drive."

The other party laughed: "I get it sir ..... you have the means!"

"Then I'll wait for them to open the door and go over to take a look first!"

After Duncan gave a hint, he hung up the phone.

After hanging up the phone, he flipped out the video just now,

Then he pulled back the progress bar, he then first saw Marshal's car quickly leave from the restaurant,

Shortly after, he himself also walked out from the restaurant,

Followed by the car that Sara took then also drove away from Chinatown in the same direction as Marshal.

Seeing this, he couldn't help but mutter: "That day when I went to this restaurant with Marshal,"

"It was already long after dinner, the restaurant seemed to be empty, so where was Sara?"

In his mind, he could not help but close his eyes,

In his mind replayed the situation in the restaurant that day.

Soon, the picture of that day was presented in his mind.

As a detective for a long time, he has a very strong passive memory,

May not have noticed a small detail of the scene,

But those details have actually been in his mind like a video recorder,

Mechanically stored in the mind, he can replay, just like rewinding and rewatching again,

Many of the details of the time, he is able to capture again.

Soon, he remembered that in the roast goose restaurant,

Next to the right-hand side, there was a wooden staircase upward,

That day when he and Marshal entered the door, they did not deliberately pay attention to the staircase,

But an image in his mind suddenly flashed, then the staircase was not empty,

But there were two people's four legs that appeared in the uppermost right corner of the image in his mind.

He immediately confirmed in his mind that when he and Marshal went to the restaurant that day,

Sara should have just gone up with another person.

So, he couldn't help but murmur, "Who is the other person? Is it her agent?"

"Or is it the kid who fell out with Adam Fei when Randal was kidnapped that day?"

Thinking of this, his mind couldn't help but think of Marven's performance that day.

When he thought of Marven, he couldn't help but think:

"After Randal was kidnapped that day, under Adam's aggressive posture,"

"He was already able to not show the slightest bit of fear, and even not let go,"

"So it is clear that he is extremely confident in his heart, but why is he so confident?"

"He knew, this is the Fei family's territory, he accompanied Sara to attend the charity dinner organized by Randal,"

"He certainly knew what the Fei family's strength in the background."

"Knowing the ability of the Fei family, and still do not put Adam in the eyes,"

"This kind of person, in the end, is too strong, or too crazy?"

When Duncan thought of this, he felt more and more...

That there seemed to be some secrets in that young man.

Chapter 4457

Duncan felt that a person, whether he was crazy or strong, had to have enough backbone,

So he wanted to find out why that young man had the backbone to go head to head with Adam Fei.

In his opinion, this young man may become a breakthrough point.

However, what he is most worried about now is that...

He does not know how to reach that young man in a reasonable way.

After all, if a person's rash approach without a reasonable enough reason,

Then he will certainly suspect the other party's motives for approaching him.

For smart people, once they sense that something is wrong,

They will immediately take countermeasures so that the other party can not find any breakthrough point.

Just when he was worried about this matter, Marshal suddenly called.

Duncan did not make any hesitation, so he directly pressed the answer button.

On the other end of the phone, Marshal opened up and asked,

“Duncan, did you find anything new last night?”

In fact, Marshal did not sleep much last night, his mind has been thinking,

How did Sara in the end learn the news of the old man’s critical illness?

However, after all, he told Duncan yesterday that he didn’t want to investigate Sara,

So now he was too embarrassed to ask Duncan directly,

And could only ask vaguely if there were any new discoveries.

Duncan and Marshal are good brothers for many years,

Naturally knows what is in his brother’s mind, so he directly replied:

“I had someone reverse trace the source from JFK airport, to say you may not believe it,”

“When we were eating roast goose in Chinatown, this Sara was also there.”

“What?!” Marshal incomparably surprised asked:

“She was also in the restaurant? That can’t be, there were only two of us in there,”

“At that time besides the boss and his guys, right?”

Duncan said, “You may not have noticed, but I carefully thought back,”

“We were entering the restaurant when there were two people,”

“Who had just arrived before us on the floor, one of the two people was Sara.”

Marshal blurted out: “I see ..... there is such a coincidence!”

“This means that Miss Gu did not get the news of the old man’s critical illness from other people,”

“She heard it directly from me when I was speaking to you .....”

“Right.” Duncan smiled sarcastically and said, “This thing looks like I thought too much,”

“I thought yesterday that there must be some conspiracy theory,”

“But I did not expect that things can have such a coincidence,”

“At that time you said that the old master is seriously ill, rushed to the airport,”

“I did not have much time to leave, after I left Sara’s car also left Chinatown,”

“In the same direction as you, must be directly going there to the airport,”

“Which can reasonably explain why she could follow you to Los Angeles.”

Marshal sighed: “It seems that the old man is really blessed with a great life .....

“That day if the two of us did not go to eat roast goose,”

“The old man would certainly not be able to pass this hurdle .....

“Yes.” Duncan sighed: “Speaking of which this Miss Gu is also really affectionate,”

“After hearing about this matter, immediately went to Los Angeles,”

“It seems that the reason why she would come to Los Angeles,”

“It was not to pay a visit, but to save the old man to go.”

Marshal said with incomparable emotion,

“I really didn’t expect that the hidden story of the matter would be like this .....

“In that case, our An family owes Miss Gu an even greater debt of gratitude .....

Duncan gave a hmmm, but soon muttered with some doubts,

“Marshal, there is a thing I did not understand, if I say out loud you do not mind right.”

Marshal then said, “You say it.”

Chapter 4458

Duncan said, "Look since this Miss Gu had the medicine that could save the old man,"

And she also knew that you were downstairs, then why did you think she didn't just give you the medicine?"

Saying that Duncan added: "And look, she didn't go after you immediately after you left,"

"She waited until I left before coming out, which feels as if she was deliberately trying to avoid you."

"This ....." Marshal also can not think of a reason, so said:

"You said she did not give me the medicine directly,"

"It is likely that she was afraid that I would not believe it?"

"If I don't believe in her medicine, whether I will receive it is a question,"

"Whether I will give it to the old man after receiving it, is another question."

Duncan sighed and said, "Maybe, but I feel that in all these things,"

"There is not a single thing that is logical and completely smooth."

Marshal then said, "Okay, then you should not be too suspicious,"

"I just received a news push, the Fei family's spokesman announced that the Fei family will hold a press conference at eight o'clock in the morning,"

"When the whole network synchronized live, it is estimated that the newly appointed young girl to step in to save the day."

Duncan smiled sarcastically and said, "To save the day ..... this mess, I think whoever it is, they can not clean up."

Marshal said: "This time if the brave man breaks his wrist, there is still a chance,"

"Depending on whether this little girl has the courage or not."

Duncan laughed: "Then I'd like to see how capable this little girl really is!"

"If she can save the day and try to moderate the public anger, it will be a favor to me,"

“Otherwise, I’m really fcuking worried to death .....

Saying that Duncan lamented: “A dead Randal, a dead Jesse Qiao,”

“And also involved dozens of brutalized young girls, so many cases of human life,”

“It really is an overwhelming case for the whole of the police department and law enforcement in the city.....”

Marshal said: “The good thing is that those young girls are not missing in New York,”

“This you can still excuse yourselves a little.”

Saying that Marshal reminded, “But Duncan, you have to find a way to stabilize the situation first,”

“You can’t let the situation go down further.”

“Yes.” Duncan spoke, “I will have a morning meeting with them in a moment,”

“And the attitude should be clear, no matter what, no one can die again in New York because of this matter.”

As soon as the words fell, a subordinate pushed the door without knocking and said in a panic:

“Inspector, something big has happened!”

When Duncan heard this, his head buzzed with a sharp pain.

He thought his nerves were big enough, but he didn’t expect to be tortured.

Into a nervous breakdown by the words ‘something big has happened.

These four words, don’t know how many times he has heard,

But each time after hearing, his nerves have to suffer from the destruction and stimulation.

So he could only ask: “What’s the big fcuking deal again?”

The subordinate said in a panic:

“Someone found a dozen floating bodies in the mouth of the Hudson River,”

“Each body is tied to the float, the body is also chained with the lead that is sunk in the water,”

“The killer deliberately let them float in less than a meter from the surface,”

“Early in the morning, a boat saw a group of things swaying around in the water,”

“And though it was some large fish, only to find all dead people .....

“Holy sh!t!” Duncan stood up, and said: “How can so many people die? Have the dead been identified?”

“It’s confirmed.” The subordinate said incomparably nervous:

“The nearest precinct has sent people over, after the initial investigation of the scene,”

“It can be determined that the dead are almost all dignitaries and the gentry of the great families .....

“Among them are the heir of the Routhschild collateral family,”

“And the eldest son of the Hudson family .....

“Brandt family, the son-in-law of British aristocratic origin .....

#### **Chapter 4459**

The report from his subordinates made Duncan furious.

He really didn’t expect that not long after Randal and Jesse died,

So many corpses were suddenly found in New York, and all of them were dignitaries.

He subconsciously asked: “Has the forensic pathologist reached there?”

The subordinate replied: “Yes, even the FBI has received the wind and sent people over to investigate.”

Duncan asked with a black face: “When did these people die?”

“Last night.” The subordinate replied offhand:

“The coroner said the time of death was no more than eight hours.”

“D\*mn it!” Duncan said without thinking: “It must be the same gang that killed Randal .....

After saying that, he immediately ordered,

“Hurry up and have them all transfer the corpses to the morgue of the autopsy center,”

“Don’t let any media get close, and don’t let anyone give media interviews!”

“If anyone dares to quietly give information to the media, once caught, I will not spare them!”

The subordinate said, “I’ll talk to them now!”

The subordinate turned and left, and Duncan slammed the ashtray to the ground,

and the glass ashtray instantly fell into pieces.

At this moment, his heart was already burning with anger.

He really did not expect that he had just said that luckily these deaths were not in New York,

The echo of the words in this room had not completely dissipated, and immediately he got this news.

What he didn’t expect was that these people would dare to play so big in New York,

Which simply did not put the NYPD in the eye!

This reminds him of what happened to the Tokyo Police Department some time ago.

In those days of the Tokyo chaos, the Tokyo Police Department should have faced the same situation as he is now.

Thinking of this, he remembered that Ruoli Su who entered the country with Douglas and Stella.

He couldn’t help but think: “Could it be that this time it was Ruoli’s handiwork again?”

“Okay! Then I will go and meet her! Let’s see how capable she really is!”

With his mind made up, Duncan picked up the desk phone, dialed a short number, and ordered,

“Tell the second team to get ready, we’ll leave in two minutes!”

After saying that, he hung up the phone and found that his phone was still on,

So he picked it up and said to Marshal,

“Marshal, I have some urgent business to take care of, let’s leave it for now.”

Marshal said, “Duncan, I advise you not to try to hide this matter,”

“Because it won’t be long before the killer will definitely take the initiative,”

“To release the video and evidence with these dozen or so people.”

Duncan asked, “You mean that these people, like Randal, have done a lot of unconscionable things?”

“Definitely.” Marshal opened his mouth and said,

“Although the murderers behind the scenes are vicious, but honestly,”

“What they do, is also considered to punish evil and promote good, remove the violence,”

“So I believe that they will not kill without reason, once killed,”

“It proves that these people must be extremely evil.”

Saying that Marshal added: “With their style of action, this matter will certainly be exposed at a suitable time,”

“And by then everyone will definitely know, so there is no need for you to hide it for the time being,”

“It is better to take the initiative to announce it to the public openly and honestly.”

Duncan let out a long sigh and said helplessly, “Hmm! The impact of this incident on the NYPD is really too bad,”

“Now announced, I’m afraid that immediately it will hit the headlines,”

“In less than a minute, the mayor and council members will all call, then do not know how to deal with .....

After that, he added: “This kind of thing can’t be concealed for sure,”

“So I have to leave the police station first, in case any scandal really comes to light later,”

“Let the director go and explain to the mass media, I just take this opportunity to hide a wave,”

“I’m about to retire, I don’t want to say anything to become the public enemy before retirement.”

## Chapter 4460

Marshal then said, "That makes sense, it's good to avoid some right and wrong,"

"Then you pay attention to safety, we will get in contact again if there is anything."

"Okay!" Duncan hung up the phone, then hurriedly packed his things and hurriedly left the police station.

He had just gotten in his car and was ready to head to the Fei family estate,

When his phone received a push notification.

The headline of the tweet was shocking to his eyes:

Thirteen murderers related to Randal Fei in New York were executed by mysterious forces last night!

He hastily clicked on the tweet and was horrified to find that the other side had been exposed...

Many more videos related to the abuse, and the protagonist of these videos was no longer Randal Fei.

But the thirteen dead people who were found in the Hudson River today!

These thirteen people, compared with the behavior of Randal,

Can only be said to have been more than ever, the cruelty of the means is outrageous.

And at the end of their sadistic video is a video taken on the sea late at night.

In the video, the thirteen people were executed, like dumplings,

One by one, thrown from the boat into the water, the video shooter used a strong light,

To give each of the thirteen people a close-up of their faces,

You can see that they all died a very tragic death,

Each of them is lifeless, and the eyes are full of horror.

In the video with each shot to the face, there is a short screen pause,

And then the letters will be next to the person's name, origin, and related information.

These thirteen people, each of them is the son of a wealthy family of great fame in New York,

And each of them is the offspring of a wealthy family worth billions of dollars.

Once this video was released, it once again exploded the entire Internet,

And the media followed up on the story in the shortest possible time.

The public was outraged, and the Internet was full of vitriol against these 13 people and their families,

Which soon triggered a mass hatred of the common people, the middle class, and the upper class.

At one time, the entire New York high society everyone is afraid for themselves,

Afraid that after this incident, the whole society will be watching every high society member,

All their scandals could be dugged up and exposed.

Duncan's top boss called him at first, asking him to prepare a press conference immediately,

To make a statement to the media and the public, to stabilize people's hearts.

But Duncan refused to accept such an assignment and said,

"I'm on my way to the autopsy center, let someone else do it."

The supervisor said angrily: "Randal disappeared in your jurisdiction,"

"The back led to so many cases, should also be under your name,"

"At this time of course you are the most appropriate person to deal with the press conference!"

Duncan said without thinking: "Either you let me go to the autopsy center,"

"I do my best to find clues, try to solve the case, or you will give me a direct word of pain,"

"I immediately retired in this place, but this matter I really do not want to participate at all!"

When the supervisor heard this, he said angrily,

"Inspector Li! You do not threaten me with in-situ retirement!"

“Even if you want to retire early, it must be after the press conference!”

Duncan also gave up and spoke, “In that case, then I promise you with my personality,”

“I will directly announce the news of early retirement at the press conference,”

“And as for this case, I will not say a word, not even a single word!”

“You .....” The supervisor was furious for a while,

But in the face of Duncan who is acting like such a dead pig who is not afraid of boiling water,

He had no choice but to angrily say: “I’ll cover for you first, but you’d better solve the case quickly!”

“Otherwise, even if you retire, walking in the streets of New York you will still be pointed out!”

Hearing this, Duncan immediately said, “Don’t worry, if this case is not solved,”

“I will hold a conference and personally apologize to all the American people!”
