

## The Amazing Son In-Law Chapter 4461-4470

### Chapter 4461

After hanging up his boss's phone, Duncan first said to his subordinates,

"No more autopsy center, go to Fei's group!"

His subordinates hurriedly asked: "Inspector, what are you going to do at the Fei Group?"

"It will soon hold a press conference, almost all the media in New York are there,"

"You go there at this time is not ..... is not ....."

As the subordinate tried to speak, all of a sudden stuttered up,

Stammering half a day not saying anything in the follow-up.

Duncan asked in a cold voice: "What? You da\*n well say it!"

The subordinate can only pluck up courage, hardened his head, and said,

"Is it not the same as ..... throwing yourself into the net?"

Duncan gritted his teeth and cursed: "Fcuk you! I am a police officer,"

"Not a murderer, how can I be considered to throw myself into the net?"

His subordinate said anxiously, "But the media are waiting to interview you. ...."

Duncan knew that what his subordinate said was not wrong.

With so many major cases occurring in the city overnight,

And so many innocent deaths involved,

The reporters in the city are now most eager to interview the head of the police.

The top has also long issued an order, without the permission of the top,

No one is allowed to accept media interviews privately.

The reason why the top is so afraid of interviews is because in this case,

The police have long been the object of blame by the media and the public.

As long as they seize the opportunity, no matter who is interviewed,

They will have to face all the possible criticism.

Therefore, the top is afraid that the police asked by reporters and dumbfounded,

With the red-faced look, the media films this and broadcasts it to the country or even the world it will be a sight of embarrassment.

This is also why Duncan lied to his superiors and said he was going to the autopsy center.

If he had said he wanted to go to Fei's group and meet Ruoli Su,

His boss would have cursed him on the spot and forbade him.

However, at the moment, Duncan has no other way.

The only clue he could grasp was that Ruoli Su has come to New York with Stella,

So to know whether the Cataclysmic Front was behind this matter or not, Ruoli Su was the only breakthrough.

So, he ironically said to his subordinates:

"From now on do not say anything, do not ask anything, what I tell you to do,"

"You do as you are told to do, if the above blame down, everything is on me."

Hearing this, The subordinate knows that Duncan has made up his mind,

So he wisely did not say any word, and then immediately picked up the intercom,

Said to the cars following behind him: "Not going to the autopsy center, just follow me."

.....

At this moment.

From eight o'clock, there are less than five minutes left.

The conference hall of the Fei Group is not only full, even the aisles are full of people.

All kinds of media set up all kinds of long guns,

Afraid to miss every shot and clip of the launch they are already there.

In addition, many media outlets also carried out simultaneous live broadcasts,

Which are broadcasted in real-time to the world through the dual platforms of cable TV and the Internet.

Because Randal's case has stirred the world, at this moment,

Not only the people of the United States are watching the conference,

But also people in other countries are watching the broadcast of the conference in different time zones,

At different times, and through different network platforms.

#### **Chapter 4462**

In the lounge next to the conference hall, Stella, wearing a black skirt with a white shirt,

Was ready to go on stage, with a calm expression and a bit of confidence.

While Douglas, Dawson, and Adam, the three generations of the Fei family, each is there with a nervous face.

They do not know what situation is waiting for them at a moment,

Perhaps as soon as they walk into the conference hall,

There will be countless people ready to take off their shoes and throw at them.

Adam, as Randal's father, was the most nervous deep inside, after all,

He also knew that the son was not taught and it was the father's fault,

And now that Randal is dead, people's first thought of the outlet should be him.

Seeing that the time is getting closer to eight o'clock, he said to Stella apprehensively,

“Stella ..... can I go up later .....

Stella said firmly: “In today’s conference, none of the four of us can be missing!”

Adam said in a panic: “I am afraid that when I appear now,”

“It will immediately cause public anger, in case it affects the rhythm of your launch, it will be bad .....

“Never mind.” Stella did not leave any room for error and said,

“After you and uncle and grandpa take the stage, you don’t have to say anything,”

“And you don’t have to do anything, the words will be said by me alone,”

“You only need to apologize with me when I apologize, and bow with me when I bow.”

Adam still wanted to say something, next to him Douglas coldly shouted,

“Adam! Your son has caused such a big trouble, if you, as a father,”

“Don’t show up, what would others think of our Fei family?”

Adam said in shame: “Grandpa you are right .....

Douglas looked at him coldly, and then looked at Dawson who was scowling at the side, and coldly said,

“Everyone in the Fei family, including me, must obey Stella’s orders,”

“Otherwise, get out of the Fei family before it’s too late, and go outside and become a relative!”

Adam shrank his neck and hurriedly said, “I know grandpa .....

At this time, Ruoli, who was dressed in a black suit,

Pushed open the door of the room and came in front of Stella with big steps and spoke,

“Miss Fei, there is one last minute.”

“Okay.” Stella nodded and asked, “Ruoli, Mr. Ye is not coming over?”

“Yes.” Ruoli Su said, “Mr. Ye is watching the live broadcast at the hotel,”

“And he asked me to convey the words to you that you will handle it well.”

Stella pursed her lips, nodded her head forcefully, and said,

“I know ..... help me thank Mr. Ye for me!”

After saying that, she took out her phone and looked at it,

Forty seconds left until eight o'clock, so she turned it off and said to the three-generational elders around her,

“It's almost time, let's go now!”

Douglas, Dawson, and Adam, their expressions were all aghast.

In their view, the upcoming conference was like they were going to be stripped naked,

And paraded through the streets, making them feel uneasy.

But now, they do not have any room to retreat,

So they can only follow Stella's steps and walk out of the lounge.

The main door of the lounge was directly connected to the stage access of the conference hall.

After passing through the several-meter-long passage,

The four of them appeared directly on the side of the stage of the conference hall.

The reporters, who had been waiting for this, saw someone appearing from the passage,

And regardless of the angle, all the cameras were aimed at the entrance,

And for a while, the shutter sound crackled madly,

As if a hundred thousand mouse traps were triggered at the same time in an instant.

The reporters, out of professional instinct,

Realized after the first round of photos that the first person to walk out of the entrance was not the Fei family's head, Dawson!

The great change that happened in the Fei family last night had not been officially announced to the outside world.

Chapter 4463

Therefore, when people saw a young and beautiful woman,

Who was the first to ascend the stage from the entrance,

Each and every one of them was speechless with shock.

Many people didn't even know who Stella was, so one by one they all mingled below,

Trying to figure out what this woman actually does.

Many media reporters even preemptively cursed:

"These men of the Fei family are too shameless to push a girl out as a shield at a critical moment!"

This kind of voice instantly triggered everyone's approval.

However, no one expected that when Stella walked to the speaker's platform,

And stood behind the microphone, with the first words she said, it dropped a heavy bomb in the crowd.

Only to see her lips lightly open, she calmly and coolly said,

"Hello, friends of the media, I am the new chairman of the Fei Group, Stella Fei!"

Stella's throwing words caused the whole scene to burst into an uproar.

No one expected that the Fei family would change a new chairman at this critical moment.

And what was even more unexpected was that this new chairman was a woman.

We must know, that even in developed countries, those big families' patriarchal thinking is extremely serious.

There are so many big families with more than ten billion dollars worth,

Almost none of them will give the position of leader to a woman.

And, still such a young woman.

However, if you look behind Stella, the previous family head, Dawson Fei,

And even the previous family head, Douglas Fei, all are standing.

This also means that the young Stella is not joking here.

With the previous two family heads standing up for her,

She was definitely the leader of the Fei family.

The crowd was shocked beyond belief.

They really couldn't understand why the Fei family would make such a decision,

Even if they needed to find someone to take the blame or find someone to be a shield at this time,

There was no need to give up the position of the family head, right?

If you can become the head of the family after taking such a pot,

And also the head of the Fei family with nearly trillion dollars in assets, I'm afraid no one will refuse.

When the media reporters were horrified, Stella went straight to the point and said,

"I believe that everyone here should have seen the series of videos that were exposed on the Internet yesterday,"

"And I, as well as the rest of the Fei family, did not know,"

"About the unforgivable crimes committed by Randal Fei until yesterday, just like you all."

As soon as many people heard Stella say that they only learned about these things yesterday,

They immediately felt that she was going to start dumping the pot.

One of the young male reporters said to the others around her,

"I think she's going to say that we didn't know anything, that what Randal did was his personal act,"

"That it has nothing to do with us, and that we are also victims blah blah blah! Bullshit!"

The viewers who watched the live broadcast in front of their TV sets,

Computers and cell phones also had similar thoughts in their minds.

They had seen a lot of this, the behavior of the big families dumping the pot at a critical moment.

So, they also expected that the Fei family would definitely use this way to clear their name.

However, no one expected that Stella, immediately afterward, said incomparably piously,

“Although we also just learned about all this last night, but for what Randal did,”

“Our Fei family still has a major responsibility that cannot be shirked!”

When Stella said this, it immediately made the reporters on the scene as well as the viewers,

Watching the live broadcast feel a sense of relief.

This phrase has a great responsibility that cannot be shirked,

In the view of reporters and viewers, it is already extremely rare wording.

Chapter 4464

Because, in the past, when it comes to similar situations,

Even if the big families admit fault with a good attitude,

They will only admit a secondary responsibility at most,

Such as their supervision was not enough or something like that.

Like Stella, the word “major responsibility” directly on their own, it is extremely rare.

At this time, everyone put away the disdain just now and began to listen intently to Stella’s next words.

At this time, she said seriously: “The reason why I say that our Fei family,”

“Has a major responsibility that cannot be shirked is mainly in the following aspects;”

“First, the Fei family’s education of Randal was indeed extremely inappropriate!”

“It is the Fei family’s fault for failing to establish a healthy and kind outlook on life,”

“Worldview, and values for him, allowing his character and acting style,”

“To continuously go to extremes and even bring such significant harm to the society!”

“Second, the Fei family has been extremely negligent in supervising what Randal had done!”

“Randal had been doing wrong for so many years and we didn’t even know about it until yesterday,”

“This is a clear dereliction of duty and incompetence within the family!”

“If we could have found out about his problems as early as possible,”

“He wouldn’t have been able to hurt so many innocent women, so this, too, is the Fei family’s fault!”

“Third, the Fei family’s wealth, status, and resources have had inadvertently become the key factors,”

“That aided and abetted Randal to keep committing felonies,”

“If not for the Fei family’s resources, Randal would not have had the opportunity,”

“To commit so many felonies one after another, so this, too, is still the Fei family’s fault!”

Stella said three points of the Fei family’s faults in a row, which instantly made everyone dumbfounded.

In everyone’s opinion, Stella’s words were not biased, shirking responsibility,

On the contrary, she took the initiative to admit all the direct and indirect responsibilities,

Which really made everyone’s attitude towards her change a lot.

At this time, Stella continued: “In addition, I also want to state one thing,”

“That is, I personally, just took over the Fei family last night,”

“So in the Fei family in the end there are no other people involved,”

“I can not yet say this with a 100% guarantee!”

“But what I can promise you is that in the next few days,”

“The Fei family will take the initiative to cooperate with the police and conduct,”

“An in-depth investigation into every member of the Fei family as well as the employees of the family!”

“At that time, we will make all the contents of the investigation open to the community.”

“We will never condone it once we find that there are other people involved!”

These words of Stella threw another thunderbolt in the hearts of reporters and viewers!

At such a time, it was rare to admit that there were education problems,

Improper supervision and potential accomplices for Randal,

But what everyone did not expect was that she would conduct a thorough investigation of the family.

Once these words came out, everyone understood that Stella really wanted...

To solve all the problems thoroughly, without any half-hearted or perfunctory ingredients.

So, there were already reporters on stage who couldn't help but applaud.

Their attitude towards Stella, at this moment, has also changed dramatically!

At this time, Stella continued, “In addition to cooperating with the investigation,”

“Digging out all the garbage within the Fei family and removing it completely,”

“We also have an extremely important matter to resolve,”

“And that is to start the compensation work for all the victims' families!”

Once these words came out, everyone stared closely at Stella.

Taking the initiative to compensate the families, this was taking the attitude of handling the problem to a new level.

Therefore, everyone was eager to know how Stella was going to handle the compensation of the victims' families.

Stella said very seriously: “Before disclosing the compensation method, I also want to make a statement,”

“That is, we know very well that even if we compensate with more and more money,”

“It is impossible to bring the victims back from the dead and completely compensate for the trauma in the hearts of the victims’ families,”

“But we are still willing to do everything we can to help the victims’ families solve their future life problems,”

“So that they can stay away from the problem as much as possible.”

“In order to keep them away from their grief as much as possible.”

At this point, Stella gave a slight beating and said in a loud voice:

“Therefore, I hereby officially announce that the Fei family will pay,”

“A lump sum of one billion dollars as compensation to the families of each victim who died as a result of Randal’s cruelty!”

Chapter 4465

“One billion dollars?!”

With these words of Stella instantly made the whole world in an uproar.

In third-world countries, the civil compensation for human life is only a few thousand dollars.

In developing countries, it is only tens of thousands of dollars or at most hundreds of thousands of dollars.

In developed countries, it is true that there are often some very high compensation cases,

But tens of millions of dollars are already at the top.

Moreover, the kind of compensation up to tens of millions of dollars,

Generally is the top team of lawyers racking their brains to get.

So, the victim can really get only a small part of it,

And a large part of it almost all into the pockets of lawyers.

The first time Stella opened her mouth, it was a billion dollars per person,

What concept is this? Almost equal to paying out to each victim's family a listed group!

Video footage shows that the girls who died at the hands of Randal, at least are more than twenty.

This means that the Fei family will have to come up with at least twenty billion dollars to settle this matter.

This ..... This can no longer be described as wealthy being generous.

Therefore, in this instant, Stella's image, in everyone's eyes, became abnormally tall.

What kind of boldness could make this woman, at the first word, is to compensate one billion dollars each?

Moreover, one billion dollars is already enough for any family,

In any place in this world to live a top luxury life, and several lifetimes to spend.

This kind of compensation is unheard of! And impeccable!

Don't know who applauded first, so the whole conference hall became thunderous with applause that lasted forever!

Randal's actions really made everyone gnash their teeth,

But Stella's attitude and the solution she proposed just now really convinced everyone.

Not to shirk any responsibility, not to avoid any sensitive factors,

But bearing costs to make up for the fault, with this solution, so that no one can pick any fault.

Therefore, at this moment, everyone's negative feelings toward the Fei family, instantly dissipated.

However, Stella was not finished at this time.

She waited for a few minutes, but there was no chance of this applause stopping,

So she could only hold out her hand to signal everyone to stop applauding.

After waiting for about another minute, the applause finally stopped gradually.

Stella continued: "Specifically for the payment of this money, we will first fully communicate with the police,"

"After determining the identity of the victim, take the initiative to contact the victim's immediate family,"

"The compensation will be paid to the victim's immediate family;"

"If the victim does not have immediate family,"

"We will donate the money to the victim's birthplace women and children's rights protection organizations,"

"Then the donation details We will disclose it to the whole society and accept the supervision of the whole society."

When Stella said this, the stage once again thundered with applause.

So far, the crowd had never seen any magnate noble family that could handle their own scandals so beyond expectations.

In the past, those gentries, after making a mistake, the first thing to do is to set aside the relationship,

If they really can not set aside the relationship,

Then find a lot of reasons to defend themselves,

Or even simply pretend to be deaf and dumb, no longer responding.

However, Stella's handling of the matter was perfect in everyone's eyes,

And a textbook crisis PR for all the top families.

However, the cost of this public relations is also really big,

The first time you ask for compensation of 20 to 30 billion dollars,

Even the top tycoons may not be able to have such boldness.

Seeing that the crowd was appreciative of her solution, Stella was finally relieved.

She knew that this crisis PR had been successful.

Chapter 4466

Although Stella represented the Fei family and took most of the blame,

But because her attitude was sincere enough and her solution was reasonable enough,

She got the tolerance of the people instead.

This is also what Marven had said, set the place to die and then live.

Standing up straight and taking a beating is always much more painful than being scolded with your head covered.

The beating, just this one, as long as in the beating you do not die,

Then you can stand up with the backbone to be a person.

However, once you choose to hide with your head covered,

It is destined to hide for the rest of your life, and can not afford to hold up your spine.

Not to mention a family, even a country has the same.

For those countries that have launched wars of aggression,

Those who choose to admit their mistakes and actively compensate have been forgiven by the vast majority of people,

While those who are unrepentant and never admit their mistakes have been nailed to the pillar of shame.

At this point, Stella faced the media reporters and continued,

“Here, I would like to solemnly state that we are not simply trying to solve all the problems with money,”

“We just want to try to make up for the harm that Randal brought to these families,”

“And at the same time, we dare not ask for forgiveness from the victims’ families,”

“And only hope that they can welcome the new life that belongs to them after the great grief.”

“Even though Randal has been severely punished,”

“The guilt in our hearts is still hard to overcome. I’m sorry!”

As soon as the words left her mouth,

Stella walked out of the lectern and bowed deeply to everyone.

After that, Douglas, Dawson, and Adam also hurriedly followed her and bowed deeply to apologize.

Only after a long time, Stella stood up straight and said aloud:

“From today, we will disclose the progress of the compensation work to the outside world every day,”

“I will later instruct the group’s technical department to develop the group’s home page,”

“And add a real-time information release interface,”

“There everyone can see all the details of this matter on the official website of the Fei Group,”

“And if there is If there is a major event, we will also hold a press conference to announce it to everyone.”

After that, Stella continued, “That’s it for today’s conference, thank you! Thank you!”

The press conference was over, and the public opinion about the Fei family changed,

From a universal accusation at the beginning to praise all of a sudden.

Stella’s handling of the situation left everyone speechless and made the vast majority of people appreciate her,

And in front of the TV set and on the internet, people were not stingy with their praise.

After watching the whole conference in the hotel living room,

Marven also recognized Stella’s normal performance, and he knew,

That as long as Stella could actually land her promise, the Fei family’s hurdle would be over.

However, his wife Avella was still watching the TV at this time, with a shocked face unable to speak.

After a long time, she asked Marven with a bewildered face:

“Husband ..... This Miss Fei ..... should be Zhan Feier, right?”

“I see that she is very similar to her in all aspects, even her voice is very similar .....”

Previously, Stella had been alias Zhan Feier to approach Avella,

And even became good friends with her, and after Douglas was displaced by his son some time ago,

Marven let Ruoli take Stella on board, Avella lost her contact information.

During this period of time, Avella has been somewhat worried about Stella’s safety,

But today, after watching the Fei family’s launch, she realized that,

Stella who was wearing a professional suit at the launch had a 90% resemblance to Zhan Feier,

So much so that her whole body fell into a kind of bewilderment.

Marven at this time can only play dumb and said,

“She does look very similar, but if it is the person, I can’t say .....”

Chapter 4467

Avella said with some dismay: “It should be the same person .....”

“I have not been able to contact her recently, and thought something had happened to her .....”

After saying that, she looked at Marven and asked with a puzzled face,

“Honey, why do you think she has to hide her identity in front of me?”

Before Avella graduated from college, she was promised to Marven in advance by her grandfather,

And after their marriage, she had been a transparent person in the Xiao Group,

So she didn’t really have much life experience besides having seen the sinister nature of the Xiao family.

In her limited social experience, she really can’t understand why,

A person would want to use another identity to make friends with others.

The other party is deliberately trying to harm her,

Then she uses a false identity, naturally, it can be justified.

However, in the midst of her relationship with herself,

Instead of lying to her, Stella even did her a big favor by introducing her to her idol,

Kelly West, and also got her a place in the master class.

So, she wondered even more about the reason why Stella did that.

However, the matter of Stella's hidden identity still made her heart very low,

Because she sincerely considered Stella as a good friend but never thought that,

In the end, the identity of her best friend is all fake.

When she thought that she had invested her heart,

But did not even know the other party's true identity, Avella could not help but have red eyes.

Marven saw that she was depressed and knew that she must have some disappointment in her heart,

So he spoke and comforted her, "Honey, you don't have to think too much,"

"You see she comes from such a big family with trillions of dollars,"

"Surely she can't reveal her true identity,"

"Otherwise there's no telling how many people will have crooked brains."

Avella lightly sighed and said, "You say the truth I can understand,"

"But there is still a feeling of being cheated, you know I do not have,"

"Many friends in the first place, and I was sincerely treating her as a good friend ....."

Marven heard this, a melancholy hit his heart.

He was really afraid to imagine what kind of mood Avella would be in if she knew his true identity.

So he could only excuse Stella: "Wife, in this matter you do not have to be so sad,"

"I think she must also have her hardships, and, Zhan Feier this identity may not be fake,"

"The real rich people, many have several identities, and each identity is real,"

"Only each identity has a different nationality, name, etc,"

"Maybe she just chose to use Zhan Feier as an identity to go to China only."

"Is that so?" Avella seemed to be in a better mood when she heard Marven explain like this,

But she still asked with some doubts, "Then what do these rich people need so many different identities for?"

Marven laughed: "As the saying goes, there are three caves for cunning rabbits,"

"Let alone such top tycoons? Some countries do not allow citizens to have dual citizenship or multiple citizenships,"

"In this case, they have to use multiple identities to solve this problem,"

"Just like you often watch the movie of those agents,"

"Each agent has several passports, several identities, these are also very normal."

Saying that Marven continued to comfort:

"You think since she is the Fei family's golden girl, far away in China,"

"Itself unfamiliar with the place, if they use their real identity,"

"What if in case they are kidnapped? What to do?"

Avella nodded with great understanding and said seriously,

"You're right, I'm the one who's a little narrow-minded ....."

Marven laughed: "You are not narrow-minded, you are too easy to put true feelings on people,"

“So all of a sudden the heart is a bit unacceptable.”

Chapter 4468

Saying that, Marven added: “Oh yes, I have seen this Miss Fei information online,”

“You just saw at the launch, she also stood in front of three men, the oldest called Douglas Fei,”

“He is the original head of the Fei family, later is his son Dawson Fei more power not to say,”

“His son is rumored to have wanted to kill him to end the future.”

“Ah?” Avella exclaimed: “How can there be such a bad person, even trying to kill his own father?”

Marven nodded and said, “In the face of powerful interests, no relationship is 100% reliable.”

“I heard a gossip, some time ago this Douglas and Stella disappeared together,”

“The Internet said that they must have been killed by Dawson,”

“Now it seems that they should have gone to hiding,”

“And then came back to the United States to take back control,”

“Which explains why Miss Zhan, oh no, why Miss Fei would leave without saying goodbye,”

“She suddenly disappeared is the reason why she didn’t contact you,”

“Maybe she was trying to escape from the chase.”

Avella nodded gently, her low mood had eased a lot, and said softly,

“If that’s true, Miss Fei’s life is indeed not easy .....”

Marven nodded and smiled and said: “You do not need to think too much,”

“Since she has now become the head of the Fei family,”

“It is certainly no longer a reason for any worries,”

“I believe she will soon contact you, personally explain the situation to you.”

Avella said somewhat vaguely, “To be honest, I’m quite afraid that she will contact me .....”

Marven puzzled and asked, "What?"

Avella seriously said, "She is not only the top big family's young lady,"

"And now also became the head of the whole family, compared with her,"

"People like me simply mediocre can not be even mediocre, which is not enough to be her friend ....."

Marven said seriously: "Wife, at any time do not presume to be inferior,"

"In my eyes, you are not inferior to anyone."

Saying that he smiled and said jokingly,

"Moreover, you may feel that the other party is the daughter of a thousand-year-old big family,"

"So you can't climb high, but others may also feel that,"

"They can't climb high because you are Master Ye's wife, in turn."

Avella thought Marven was teasing her, and could not help but also jokingly, said:

"People call you Master Ye a few times, you really think you are a master,"

"I tell you the truth since you began to give people feng shui,"

"I always worry that you will one day be arrested by the police ....."

"Just have dreamt about you being caught, not once or twice ....."

Marven laughed: "wife, you can rest assured that such things as feng shui,"

"Without a willingness to fight or a willingness to suffer, how can the police arrest me ....."

Avella nodded and said, "Later found that you have a very good relationship with your customers,"

"They also trust you, I am not so worried anymore like before."

Saying that, she asked him, "Honey, are you still going to New York today?"

"Yes." Marven said, "I'll go there after I drop you off at school later,"

“Miss Gu’s first concert starts tomorrow, and I have to open her performance venue today.”

Avella was busy asking, “Then can we go to New York tomorrow to see her concert?”

Marven was a little hesitant all of a sudden.

Originally, he did plan to take his wife to see Sara’s concert.

And it was to see both New York and Boston.

However, since Sara was in danger and helped him to deliver medicine to Grandpa,

He was more or less worried in his heart.

He was not sure if his grandmother and the rest of his grandmother’s family...

Would go to her concert out of gratitude for her act.

So, he intends to go to New York today, by the way, also go to the performance venue to take a look,

If there is a good private VIP box, it would be good, if not,

Then he has to consider making up an excuse to persuade his wife to give up the concert in New York!

#### **Chapter 4469**

Stella solved all the troubles of the Fei family at once,

But immediately afterward, more new video evidence was immediately exposed on the internet.

However, the main lead of these evidences is no longer Randal,

But those tycoons, and noble sons who were found tragically dead in the Hudson River this morning.

This, again, exploded all over the world.

The public’s attention was immediately shifted from the Fei family to these large families.

And those big families did not even care to grieve for the tragic death of their own family members,

They immediately had to face a headache over how to eliminate the public anger.

Although Stella had already given them a sample, her solution was too expensive for others.

These big families, who are addicted to money,

Are not willing to provide a billion dollars in compensation for each victim's family until they have no choice but to kill them.

However, these are no longer the issues that Stella needs to consider.

After the conference was over, she immediately called Marven,

And when the call was answered, she asked incomparably piously,

"Mr. Ye, did you see the Fei Group's conference just now?"

Marven smiled, "I saw it."

Stella asked, "Then do you think the solution I proposed is satisfactory to you?"

Marven seriously said, "I think you have handled it well enough,"

"And I believe that under your impeccable handling like this,"

"The Fei family will soon be able to get out of the haze of Randal."

When Stella heard Marven's praise, her heart was not only relieved but also a little more shy than a young girl.

She then said to him, "Thanks for Mr. Ye's approval,"

"I will complete the verification of the victim's information as well as the payment of compensation in the fastest time possible."

"Good." Marven gave a slight beat and asked her again,

"Now that you have officially become the head of the Fei family, what are your next plans?"

Stella said, "I have only planned two things during this recent period of time,"

"The first thing is to solve the mess left behind by Randal;"

"The other thing is to take the time to familiarize myself with the group's affairs,"

“Sort them out, and get started as soon as possible.”

Marven instructed,

“Actually, your top priority now is not to familiarize yourself with the business, but to purge the team.”

Stella asked busily, “Mr. Ye, what you mean is .....

Marven reminded, “You should not forget that the current board members of the Fei family,”

“All are the same group of people who kicked your grandfather out in the first place,”

“Your immediate priority now is to take back all their voting rights and veto power on the board,”

“Only then will your position be the safest.”

Stella said with some concern:

“The members of the board of directors, in addition to the direct members of the Fei family,”

“Are basically the relatives of the Fei family, as well as some of the backbone of the ministers,”

“I have just assumed office, the smooth operation of the group still needs them to maintain,”

“If at this time to start on them, I am afraid that they will unite to hollow me out, or simply quit.”

Marven said seriously: “These people stood on the wrong team once,”

“And now you have become the new head of the family, they must be very panic in their hearts,”

“Afraid that you look for them to settle scores so at this time,”

“You must not let them worry in vain, you must first time settle the previous accounts,”

“Otherwise, if you turn over this one today,”

“Then they will feel that even standing in the wrong team has no consequences,”

“Next time they will only be more reckless.”

Saying that Marven added: “Now in front of you are two extremes,”

“Either take advantage of this opportunity to completely convince them,”

“So that they fear you, or let them take this opportunity to see your weaknesses,”

“So that in the future they can intensify, in addition to these two possibilities,”

“If you want to forget the past, and want a friendly and sincere cooperation with them, the possibility is almost Zero.”

#### **Chapter 4470**

Stella was silent for a moment.

She knew that what Marven said was right.

At this time, she should indeed be tougher and set up the authority of the family head.

Only, one person against the entire board of directors,

Which made her more or less like a man, and did not know exactly where to start.

Marven spoke at this time: “I have the impression that in most groups,”

“Shares and voting rights correspond in equal proportions if a person holds 10% of the shares,”

“He or she has 10% of the voting rights if a person holds more than 51% of the shares,”

“The voting rights are also more than 51%, theoretically,”

“He or she is the absolute controlling majority shareholder, right?”

Stella was busy saying, “That’s right Mr. Ye, that’s right.”

Marven added: “But for many large groups, because of the many businesses,”

“Many shareholders, and the public offering of shares, the equity dilution is very strong,”

“And in many large groups, the single largest shareholder holding shares,”

“May sometimes be only twenty to thirty percent, right?”

“Yes.” Stella truthfully said, “The vast majority of listed companies are like this,”

“Take Apple, which has a market capitalization of more than two trillion dollars,”

“The largest shareholder, Pioneer Group, holds only about seven percent of the shares.”

Marven said, “So in this case, it is necessary to implement the system of AB shares,”

“Take away the voting rights of other shareholders without depriving them of their shares,”

“Even if you can’t achieve an absolute holding of more than 51%,”

“You should at least aim at taking more than 51% of the voting rights in your hands,”

“Only then can you ensure that others can’t shake your foundation. “

Saying that Marven added:

“You have to remember, today, is the day those shareholders are most afraid of you,”

“No matter if you let them pay the price today, after today,”

“Their fear of you will be dissipated, so you must seize the opportunity.”

When Stella heard this, the whole person was enlightened.

Marven was right, the current board members were definitely all like suspects.

Who had committed a crime and were waiting for sentencing.

They were all ready to receive punishment themselves,

And if she didn’t take this opportunity to suppress them for a wave,

Then they would create a feeling of impunity after today.

In that case, they would only become more arrogant.

Thinking of this, she immediately said to Marven:

“Mr. Ye, thank you for your reminder, I understand,”

“Later I will convene a board meeting and ask all board members to surrender,”

“All the voting rights corresponding to their own shareholdings!”

Marven smiled with satisfaction, “Then I’ll wait for your good news.”

Just then, one of the group’s public relations managers walked over in stride and said to Stella,

“Chairperson, Inspector Duncan Li from the NYPD is here, he said he has something important to ask you.”

Stella frowned and said, “He should be here for the matter of Randal,”

“Let you take care of this matter with him, I have other matters, so I won’t meet with him.”

The PR manager immediately nodded and said, “Okay, then I’ll go communicate with him.”

Stella was about to speak when she heard Marven on the phone speak,

“Miss Fei, since Duncan ran over to you, then you might as well meet him and see what he really wants.”

“Okay!” Stella immediately agreed and said to the PR manager, “Let Inspector Li in.”

Marven spoke at this time, “Miss Fei, you don’t have to hang up, I want to hear what he wants to do.”

“Okay, Mr. Ye,” Stella said and put the phone into her pocket.

A few moments later, Duncan walked in with big steps.

After he saw Stella, he asked straight to the point:

“Miss Fei, where is the Miss Ruoli Su who came to New York with you?”

“I have something to ask her face to face!”
