

The Amazing Son In Law Chapter 451-460

Chapter 451

If the psychological suggestion of the s*umbag is a stream, then Marven's hypnosis is the whole sea!

In an instant, he completely defeated the psychological hint that the s*umbag gave to Yuesheng.

But at this moment, in Yuesheng's heart, Marven's words already stood there like a beacon of life, and they would never disappear in her entire life.

Suddenly she had an epiphany at this time, and realized how stupid she was before.

Thinking that she was almost bewitched by a s*umbag to commit suicide, she was so frightened, she immediately knelt on the ground, bowed her head to Marven, and said, "Thank you for saving me. I will live well in the future, and will never disappoint my parents and society for their cultivation!"

Marven nodded in satisfaction and said, "Since you can wake up to your senses, then I wish you a happy and fulfilling life in the future."

With that said, Marven thought of the s*umbag and asked, "Can you tell me about your boyfriend?"

Yuesheng said bitterly: "From now on, he is not my boyfriend, this kind of person will only make me feel sick!"

After that, she respectfully said to Marven: "The s*umbag is called Wu Qi, and he is the school grass of our Wresvel School of Finance and Economics. He is not a local, but it is said that his family is very good. I was also deceived by lard at the time. I always think he is the perfect object. I didn't expect him to be such a despicable villain."

Marven nodded and said, "I heard he killed many girls?"

Yuesheng nodded repeatedly: "I don't know how many girls he has played with. I'm just one of them..."

Marven gave a hum, and said, "In this way, call him and say that before dying, there is a gift you want to give him, so that he can come here now."

Yuesheng asked hurriedly, "What if he doesn't want to come over?"

Marven said: "If he doesn't want to come, then you tell him, you have to break up with him, and from now on, the well water will not be offended by the river. This kind of rubbish wants to force you to commit suicide and regard your suicide as your greatest achievement. If he hears that you are going to break up with him, it must be a great blow to him."

Such s*umbags take pleasure in being able to control women, but if women get out of control, it will be a huge pain and shock to them.

They regard this kind of thing as a war. There is only one victor in the war. If the victor is not themselves, the label of the loser will be put on their heads.

For these people, failure is beyond their tolerance!

.....

At this moment, in a bar near Wrexham University of Finance and Economics, Wu Qi was sitting opposite a beautiful girl, and said with a smile: "Beauty, God is really unfair to me. I come here alone every day. Drinking two drinks at the bar, I saw you for the first time today, and it instantly made me feel that I had lived for nothing in the past twenty years."

The girl smiled a little embarrassedly: "You are pretty good, do you talk to girls less often?"

Wu Qi shook his head repeatedly, and said solemnly: "I am actually quite shy and don't dare to talk to girls, but the feeling you give me is so special. I hesitated and struggled for a long time by myself before finally deciding to come over and say hello to you."

With that said, Wu Qi deliberately exposed the Vacheron Constantin watch on his wrist.

This watch, worth more than seven million, is an extremely rare limited edition.

But to Wu Qi, this kind of watch is nothing at all. There are several more expensive watches in his family, each worth tens of millions.

The girl recognized this piece of Vacheron Constantin at a glance, was surprised for a moment, and hurriedly pretended not to see it, and said with a grin: "Since we are so destined, why not drink two glasses together?"

Wu Qi smiled slightly and said, "I will invite you tonight."

After speaking, he immediately beckoned and said to the waiter: "Here, the two best ace of spades champagne."

Ace of spades sells for more than 20,000 in the bar, which can be said to be the most expensive champagne.

Chapter 452

Seeing that he was so generous, the girl's defense had almost completely collapsed, she just waited to learn more about Wu Qi, and then went further.

At this time, Wu Qi's cell phone rang suddenly. He looked down and found that it was Yueheng's call, and he couldn't help but frown.

Why isn't this woman going to die? What annoying!

Seeing him with a weird expression, the girl asked curiously: "It's not your girlfriend's phone call, right?"

“No, it’s not.” Wu Qi hurriedly explained: “Ex-girlfriend, she cheated, but she has been pestering me.”

After speaking, he sighed and said: “Hey beauty waits for me, I will be back when I answer the phone.”

“It is Okay.”

Wu Qi took his cell phone and went out of the bar. Then he got on the phone. As soon as he opened his mouth, he cursed: “Why are you filthy girl calling me? Isn’t the insult and humiliation you brought me enough?! “

Yuesheng was turning on the speaker at this time, and Marven felt annoyed when he heard this.

This b@stard is really giving his own psychological hints all the time! Just want Yuesheng to feel dirty, want her to give up her life!

However, he did not expect that Yuesheng was actually completely free from his psychological hints at this time.

But Yuesheng still obediently followed Marven’s instructions and said: “Wu Qi, I am ready to die. Only if I die can you be free from the humiliation...”

Wu Qi said impatiently: “Then you go quickly, don’t f*cking hurt me again!”

Marven typed a string of words with his mobile phone and handed it to Yuesheng.

Yuesheng read the words on Marven’s phone and said, “Then can you come to meet me by the artificial lake of the school? Before I leave, I still have gifts to give you...”

Wu Qi immediately said: “No! I don’t want to see you again, seeing you will make me feel sick! It makes me nauseous, makes me want to vomit, makes me want to draw my own face, and asks how I fall in love with some Dirty woman like you!”

Yuesheng said, Marven sent another string of words at this time.

She read as she read: “Since you don’t want to come, let’s break up. From now on you will take your Road and I will cross my single-plank bridge. If we meet at school, I hope you can pretend not to know me. Thank you.”

Wu Qi was stunned.

what’s the situation? !

Hasn’t Yuesheng been brainwashed by him? !

How could she suddenly wake up? Why is she so calm about breaking up with him?

d*mn it, isn’t this slap in the face? ! Haven’t all his previous efforts been abandoned?

So he hurriedly begged: “Yuesheng, how could you be so cruel and hurt me, and then leave me, are you really going to break my heart?”

Yuesheng looked at Marven’s cell phone and read the lines Marven wrote to her, and said, “Don’t you hurt my heart? I’m ready to die. My only wish is to see you again before I die. On the one hand, if I give you a gift, why can’t you promise me? If you don’t promise me, then I can only break up with you!”

When Wu Qi heard this, he blurted out immediately: “Don’t! Don’t break up with me! You want to see me, right? I’ll see you now! On the artificial lake, right?”

Yuesheng gave a hum, and said, “Yes!”

Chapter 453

Seeing that Yuesheng might want to get rid of his own control, Wu Qi was extremely nervous, ignoring that there was still a beautiful prey waiting for him in the bar, and hurried back to school.

As soon as he entered the school, Wu Qi hurried to the artificial lake, and finally saw Yuesheng on the edge of the artificial lake.

He hurried to Yuesheng and asked: “Yuesheng, what gift do you want to give me?”

Marven suddenly stood up at this time and smiled: “She has no gifts for you, but I do!”

“Who are you?” Wu Qi frowned and looked at Yuesheng, and asked: “This person is your relative?”

Marven smiled and said, “I am not her relative.”

Wu Qi asked: “Then who are you?”

Marven said lightly: “I am the one who walks for the sky!”

After speaking, Marven patted Yuesheng on the back and said: “Yuesheng, you go to Aoxue and the others, first go back to the dormitory and change to dry clothes. This has nothing to do with you.”

Yuesheng nodded gratefully, because of what happened just now, she had 10,000 trust in Marven, bowed respectfully, and walked to find Aoxue and the others not far away.

Aoxue and a few classmates saw that she had given up committing suicide and immediately held her and wept with joy.

Yuesheng was also grateful to the fellows for their concern.

Later, a few classmates sent her back to the bedroom.

Wu Qi looked at it from a distance, feeling that Yuesheng’s current state seemed strange, could it be that she had got rid of his own psychological hints? !

He was very angry, frowned and looked at Marven in front of him, and said coldly: "You asked Yuesheng to call me and lie to me? What do you mean?"

Marven sneered and asked, "What do I mean? I just wanted to ask you, did your parents give birth to you and let you poison women? You are such a sc*m, do your parents know?"

Wu Qi's expression also became gloomy. He had realized that he might be exposed, so he cursed: "Whatever, I play with women and it's my ability. What's the matter with you? What are you? Want to take care of me too? Do you know who I am? Do you believe it or not?"

Marven smiled and said, "What? You have a big background?"

Wu Qi was full of arrogance and said, "Have you heard of the Wu family? If you haven't heard of it, you can go to inquire about it. Our Wu family is the top family in Wrestrvel!"

"Oh." Marven said with a smile: "The Wrestrvel top family, so amazing, are the men from your Wrestrvel top family like you? Are innocent women like you?"

Wu Qi sneered: "I like it, are you dissatisfied? I just like to see these women being manipulated by me, just like watching them self-harm and commit suicide for me. Can you control it? Also, can I control it?"

Marven said coldly: "Do you think your family is very powerful, so you have someone to support you? Besides. How did I hear that the real big families are in the north, especially Orgeyon, that's everyone. In places where ethnic groups gather, these families outside are somewhat unable to get up to the table."

Wu Qi said contemptuously: "Although our Wu family is not comparable to the top big families in Orgeyon, we are still one of the best in the Wrestrvel area. Even the Song family in Wrestrvel is not as strong as ours, so you still weigh in. You provoke me, can you hold it?"

Marven nodded and exaggeratedly said, "Suhang Wu Family, right? That's amazing, I'm so scared!"

Wu Qi sneered: "Get out of the way if you're afraid, don't be nosy, otherwise, I can kill your whole family by just calling!"

Marven smiled and said, "I'm afraid to return, but I have a problem. The more afraid, the more I have to try!"

After speaking, Marven observed at him murderously, saying every word: "Do you know who I am?"

"You're the d*mn who cares about you!" Wu Qi gritted his teeth and said, "If you provoke me, even if you're the king of heaven, you have to pay the price!"

Chapter 454

Marven rounded his arm, slapped it, and directly caused Wu Qi to stagger and fall to the ground.

Wu Qi hasn't been touched with a finger in his entire life, and has been held in the hands. How could he have received such a slap, he immediately got up and roared: "I f*cking kill you!"

“Kill me?” Marven said coldly: “Bast@rd, you listen to me, my grandfather’s surname is Ye, my name is Marven! Ye family master of Orgeyon, chairman of the Emgrand Group! You are now weighing and weighing, you A filthy Wu family is also worthy of being arrogant in front of me?!”

Wu Qi was struck by lightning immediately!

Ye Family? !

This is the top family in the country!

Although the Wu family is better than the Song family, it is not even one-tenth less than the Ye family.

Although he had also doubted whether Marven was bluffing himself, but after another thought, this person was not afraid of hearing his own report, and he dared to slap himself. It seemed that he must be full of confidence!

This also means that what he said is 80% true!

At this moment, Wu Qi suddenly became nervous!

He thought he could dominate in Wrestrvel and even the whole Wrestrvel, but he didn’t expect that the young master of Ye family would appear in Wrestrvel, and would appear in front of him and make trouble for himself.

After all, he is a high-achieving student and a young master from a large family who has been trained by nobles since childhood. His IQ, EQ, and methods of doing things are by no means comparable to those of Jay’s generation. He immediately realized that he might be in trouble, and might even bring the whole family face trouble.

So he knelt on the ground very acquainted with the current affairs, and begged: “Mr. Ye, I have offended you because of my blindness. Please also remember that you are not a villain!”

Marven was very surprised at the speed of his transformation.

It seems that this guy is indeed very smart!

No wonder he can constantly control and hurt girls with psychological hints. This kind of person has too good brains. Most people can’t beat him with IQ. In the end, they can only be at his mercy.

However, Marven was not merciful to him.

He sneered and said: “You guy, you can really bend and stretch, but you really think that if you kneel down and beg me, I will let you go?!”

Wu Qi trembled and said, “Mr. Ye, I know I was wrong. I will definitely correct my evil in the future. At the same time, I am willing to spend 100 million to compensate Yuesheng! I hope you can forgive me!”

Marven smiled and said, "You, you don't understand Marven's behavior too much. If you are in my hands today, it can't be solved by money!"

Wu Qi hurriedly asked: "Mr. Ye, how do you want to solve it?!"

Marven grinned and said, "I want to treat you in my own way!"

Wu Qi was a little surprised.

What do you mean? Do you want to give me psychological hints too?

how is this possible?

He a good hand at psychological suggestion. Psychology is the elective course in college. How could Marven brainwash me?

Seeing him with a surprised look, Marven smiled and said, "Don't you like to give girls psychological hints? I'm going to add a psychological hint to you so that you have to eat sh!t every hour. Don't eat until you don't stop!"

Chapter 455

Wu Qi looked at Marven dumbfounded, and felt that Marven was talking about a fantasy.

At this moment, Marven smiled evilly and continued: "Also, after I finish this psychological suggestion, if someone stops you from eating sh!t at that time, you will do everything possible to kill yourself until you eat sh!t. At the same time, if you see sh!t on the road, you must also eat it. If you don't eat it, you will die. Whoever dares to stop you, you will still find a way to kill yourself. The cycle goes back and forth for a lifetime!"

"So, in your future life, apart from eating sh!t, you will have no other pursuits. You will not pursue spending money, pleasure, or women. For the rest of your life, you will only want to eat. feces!"

When Wu Qi heard this, he couldn't help being a little angry, and said, "Mr. Ye, do you treat me as a mentally retarded? Do you think I will listen to you if you say this? Psychological hints are not done this way. You are not professional at all!"

Marven laughed and said, "I'm not professional? I'm too professional, okay? If you don't believe me, come and try!"

After all, Marven stretched out his hand and tapped on his forehead...

Wu Qi's whole body seemed to have been fixed, and he paused for about ten seconds. Then, he suddenly opened his eyes and murmured anxiously: "Where is the sh!t? Where is the sh!t? Don't take another bite. I'm dying! I'm dying! How can there be sh!t?!"

After finishing speaking, he also forgot who Marven was, turned his head and ran to the dormitory, because there was a voice in his mind telling him that there are toilets in the dormitory building, and from some of them he can eat sh!t...

A shocking incident broke out in the dormitory building of Wrestvel University of Finance and Economics!

The school grass, super rich second-generation Wu Qi suddenly rushed into the bedroom toilet and kicked a male student who was sitting on the toilet defecating.

Listening to the first half, it seems to be a story of a domineering rich second-generation bullying classmates, but this second half is really disgusting.

After kicking the classmate who was defecate, he directly reached out and grabbed the stool that was just pulled out, grabbed it and stuffed it in his mouth...

The scene of his devouring caused the roommates in the bedroom to vomit bile.

The classmates didn't know what he was going crazy suddenly, so they called the teacher quickly. When the teacher came, Wu Qi had just eaten and he didn't even wipe his mouth. When the teacher came, he vomited and vomited to death.

The teacher knew that Wu Qi's family was very strong, so he didn't dare to take it lightly, staring at him in disgust and asking him: "Student Wu Qi, what's wrong with you?"

Wu Qi had just recovered his sanity at this time, and felt an extremely disgusting taste in his mouth, so he wiped it and put it under his nose. The disgusting almost died.

He had completely forgotten that he had seen Marven, and he had also forgotten that he had just grabbed sh!t and ate it. Now he has no idea why he had a mouthful of sh!t.

He rushed into the bathroom to rinse his mouth and retches constantly. The teacher followed and asked: "Student Wu Qi, are you feeling unwell?"

Wu Qi paled and shook his head: "What the h*ll is going on? Is anyone pitting me?!"

A classmate plucked up the courage and said: "Boss, you just came back from outside, kicked the roommate off the toilet with one foot, and then ate what he pulled..."

Speaking of this, he really couldn't go on. He strongly controlled the thought of vomiting, and said, "Should we go to the hospital for a visit?"

"What the h*ll are you talking about?!" Wu Qi scolded angrily: "You said I ate the roommate..."

Several classmates nodded one after another.

Wu Qi vomited for a while and cursed: "Quick! Quickly take me to the hospital!"

The teacher hurriedly drove his car, where Wu Qi went to the People's Hospital.

Several classmates who had a good relationship with Wu Qi also followed.

As soon as he arrived at the hospital and saw the emergency doctor, Wu Qi couldn't wait to say: "Doctor, come on, give me a gastric lavage! I ate sh!t!"

The doctor was stunned. After more than ten years of experience in medicine, it was the first time he saw such a "patient".

He subconsciously asked: "Why are you eating sh!t?"

Chapter 456

Wu Qi grabbed his collar angrily: "If I f*cking know, I'll come to you?! Give me a stomach lavage!"

Although the doctor was very dissatisfied with his attitude, he was still kind and hurriedly said to the nurse: "Prepare gastric lavage tools!"

The nurse nodded hurriedly and set about preparing.

At this moment, Wu Qi suddenly felt that there was another pain in his mind, and then his whole body lost control from his mind, and all his thoughts were sh!t!

So he blurted out subconsciously: "Where is the toilet? Where is the toilet?!"

The doctor subconsciously pointed to the right hand and said, "Turn left and go to the end."

When Wu Qi heard this, he blurted out and rushed to the toilet.

The teacher and a few classmates hurried to catch up.

As soon as Wu Qi rushed into the toilet, he went straight to open one of the compartments. After opening, instead of going to the toilet, he looked into the toilet. Seeing that the toilet was empty, he immediately exited and opened the second one.

Everyone was frightened by his actions, could it be...is he going to eat again? !

At this moment, Wu Qi opened the second compartment, and there was an Old Master in it. Wu Qi was about to rush up immediately. Everyone held him tightly and blurted out: "No way, Wu Qi, no way! "

Wu Qi yelled frantically: "Let go of me! Let me go! Let me eat, I want to eat!"

Everyone almost collapsed, what happened to this person? Suddenly become neurotic? Otherwise, why is he suddenly crazy, desperate to eat sh!t?

The teacher yelled at this moment: "Quickly, get him up and get out!"

So several people together, just carried him out.

As soon as he exited the toilet door, Wu Qi collapsed and shouted: "Let me down, I want to eat sh!t! Let me down! If I don't eat it, I will die! Please let me down!"

The entire emergency department of the hospital was boiling.

They have seen people with various diseases, but who has seen people who are forced to eat sh!t?

And he's a young and handsome guy. What's the reason?

The doctor was also very embarrassed and asked, "He just said he needs gastric lavage, why is he suddenly saying that he wants to eat something like that...They wonder if this person has something wrong with his nerves? How about you taking him to SanityLab Hospital, right?"

When the teacher thought about it, this kind of thing really didn't look like some kind of organ disease. It was estimated that this was a mental problem, so he hurriedly said, "Let's go to the SanityLab Hospital!"

At this time, Wu Qi was almost crazy!

He is now thinking about eating sh!t, and ready to self-harm if he can't eat it. He keeps slapping himself, seizing the opportunity, kneeling on the ground and hitting the floor with his head. The classmates grabbed him desperately, but he changed. He even more irritable, and shouted wildly: "You all f*cking let me go! If you don't let me eat sh!t, I will die can't you see!"

After that, he started struggling violently.

Because of his explosive power, a few classmates didn't hold him down. He broke free all at once, rushed to the toilet quickly.

A lot of classmates hurried to catch up, but they were not as fast as him. When everyone rushed to the toilet, he had already pulled out the Old Master just now and threw him to the ground. He threw himself directly into the toilet and started to stuff his mouth with...

Everyone hurriedly stepped forward and dragged him tightly, but he stopped slowly and still didn't stop...

The Old Master didn't even pull up the pants and was scared, and he was shivering on the ground. Someone was frightened by the sight. He immediately took out his phone and took a video, which was posted on Facebook.

"An eye-opener! Wrester People's Hospital has a lunatic who grabs sh!t and eats..."

Chapter 457

Wu Qi's headteacher and roommates in the same dormitory were almost tortured crazy by him.

They resisted the nausea and wanted to send Wu Qi back to the doctor.

The Old Master who was pulled out of the toilet by Wu Qi and thrown to the floor whimpered: "If your brain is sick, don't let him out! Why is he stealing sh!t!"

The headteacher looked embarrassed and took out his wallet, handed him five hundred, and said, "Master this should compensate you for your loss, please forgive me..."

The Old Master didn't expect that he could earn 500 in this way. The grievances just now disappeared in an instant. Then he asked with joy, "Well, do you want to next time?"

The headteacher retched and said, "Uncle, I don't want it next time. If you don't finish it, please continue to go in..."

After finishing speaking, he shouted to everyone quickly: "Quickly, get Wu Qi to the doctor!"

When he arrived at the doctor, the doctor glanced at him, then vomited all the supper, and blurted out: "I beg you, take him to the mental hospital, we really can't cure this kind of disease!"

The headteacher said: "Well, somehow, give him a stomach wash, how dirty it is to eat..."

The doctor was about to cry and said, "I can wash him, but are you not afraid that he will slow down and eat again? No matter how I wash this, I have to put the tube in a little bit, I can't stand it. He eats so fast!"

The headteacher asked some of his classmates: "Is this the second time for him?"

"Yes." The same bed hurriedly nodded and said: "It's almost an hour away!"

The headteacher said: "Then he might have to eat in another hour..."

Thinking of this, he hesitated for a moment, and blurted out: "Wipe him clean, get in the car, let's go to the SanityLab Hospital, otherwise, in case of delay, it will be finished again!"

Everyone had to endure the nausea, wipe Wu Qi's mouth with a tissue, and then walked out with him in a daze.

As soon as he got in the car, Wu Qi came back to his senses, feeling a strange nausea in his mouth, and couldn't help asking: "What happened to me?"

A sleeper sitting next to him asked in surprise: "Don't you remember?"

Wu Qi shook his head and said, "I don't remember, I just remember that I had a headache just now, and my mind was buzzing."

After speaking, Wu Qi put his hand to his mouth, he sighed, and instantly he was almost fainted. He blurted out and asked, "What's the situation?! Did I eat that thing again?!"

Sitting in the dormitory of the front co-pilot, the old third turned around and said, "Boss, we couldn't stop you with all our hard work just now. You rushed into the toilet and took an Old Master..."

The bedmate sitting next to Wu Qi hurriedly said: "Hey, don't talk about it!"

“Oh...” The youngest realized that this fact was a bit disgusting, so he closed his mouth with interest.

Wu Qi hurriedly asked: “What the h*ll is going on?! Tell me clearly!”

“This...” Everyone looked at each other. No one wanted to describe the terrible devil scene just now, and even thinking about it, it felt disgusting.

Wu Qi shouted with a dark face: “d*mn! You guys can’t tell me!”

The voice roared out, and the whole car was immediately stinking!

Chapter 458

The three classmates and the head teacher who drove were a little dizzy. The head teacher hurriedly put down all the windows and let the wind continue to pour into the car, which is regarded as blowing away the smell.

Wu Qi exploded. He gritted his teeth and said to the person on his right hand: “Fourth, if you or he doesn’t tell me clearly, don’t blame me for turning my face with you! The two hundred thousand you took from me last time, hurry up Give it back to me!”

Hearing this, the guy hurriedly said: “Boss, I said! I said it’s okay! Just now, you suddenly had to eat that thing like crazy. The three of us pressed you, but you were too strong and broke away. After that, you ran to the toilet of the hospital, but we didn’t catch up with you. You broke into a cubicle and pulled out an Old Master who was doing to the toilet, and then...”

Wu Qi’s face turned black. He resisted the nausea and murmured, “I...have I eaten?”

The fourth child nodded cautiously, and said, “Yes...you...eat...”

“vomit.....”

Wu Qi spit out suddenly.

The thing that he ate twice in a row, all vomited in the car...

At this time, the whole car seemed to have fallen into a septic tank, and it smelled like the gutter, and the windows were hard to use when driving...

The other four people in the car have completely collapsed!

The head teacher wanted to die. He had just bought a car for 200,000 and drove it for two weeks, and it was covered with the vomit. It is estimated that he will not be able to drive in the future.

But he also dared not say anything. After all, the Wu family’s strength is too strong. The principal has already told him that he must take care of Wu Qi and must not be negligent...

At this time, Wu Qi’s video of eating stool has become popular on Facebook!

This kind of brutal and inhuman devil video has exploded in the moment it goes up!

The Wu family in Suzhou and Hangzhou was shocked when they saw this video! The whole family became nervous about it.

The Wu family is one of the largest families in the south of the Yangtze River. They have always attached great importance to their children. Suddenly, Wu Qi had such an unthinkable thing. The Wu family immediately realized that something must have happened, so they had to come and find out.

At the same time, the Wu family is also trying every means to contact the entire network to delete videos. After all, this kind of thing is too shameful for them. How can a big family like theirs afford this person?

However, the speed of this video spread was so fast, and it spread to platforms such as Youtube, Instagram, and Twitter. It almost instantly reached the hottest state, and it was instantly known.

The head of the Wu family was furious. Wu Qi's father Regnar immediately called Wu Qi and blurted out, "Wu Qi, what's wrong with you?! What is it that stimulates you?! Do you know your video? , After the video exploded, how much black was smeared on the family's face!"

When Wu Qi heard that the video had exploded on YouTube, he couldn't wait to hit himself to death, or just jump out of the car and kill himself.

He cried loudly and said, "Dad! you can't blame me for this! I don't know what's wrong. My brain will have problems every hour, and then I will eat that thing uncontrollably. The whole person is totally unaware. My classmate said that if I can't eat that, I will self-harm and commit suicide...Dad, you have to find a way to save me!"

When Regnar heard this, he immediately said, "Son, wait for me! I will fly over with your brother and the doctor!"

After finishing speaking, he immediately took his brother Roger, too late to pack any luggage, and hurriedly took a private plane from Suzhou to Hangzhou to Wrestvel. They were accompanied by the entire Wu family's physician team.

The strength of the Wu family even exceeds that of the Song family by a large margin. The family has all aspects of supporting facilities, not only private jets, private yachts, but even a private medical team and security team.

The Wu family's physician team is composed of six top medical experts in various fields, including one of the best psychiatric experts in China.

However, the Wu family did not know that even the best psychiatrists in the world would not be able to cure Wu Qi's disease!

Chapter 459

Marven was at the gate of Wrestvel College of Finance and Economics at this time, and Aoxue the arm affectionately.

“Mr. Ye, you are so amazing! So many of us have been useless to persuade Yuesheng for so long, so you just said a few words to her, and she immediately figured it out!”

Marven said indifferently: “It may be that after jumping into the lake, she realized the preciousness of life. People will only see some of their own problems when they are in desperation.”

Aoxue nodded repeatedly, and said gratefully: “Mr. Ye, thank you so much this time. If it weren’t for you, Yuesheng might have been short-sighted...”

Marven said: “Don’t worry, she will face life positively and optimistically in the future.”

After speaking, Marven reminded: “You also have to be careful yourself, and when you find a boyfriend in the future, don’t be fooled by such a s*umbag!”

Aoxue smiled shyly, and said, “Of course not! I am very smart...”

After speaking, he looked at Marven with big eyes full of admiration, and whispered: “I have thought about it. If I find a boyfriend in the future, I will find someone like Mr. Ye...”

Marven smiled and said, “Do you want to hire a son-in-law?”

Aoxue replied with shame: “If I can find Mr. Ye, it doesn’t matter if he doesn’t come to the door...”

Marven nodded and smiled: “Okay, you are still young now, study hard, it is not too late to fall in love after graduating from college.”

Aoxue mumbled her little mouth, and said, “If you meet the right one, you may talk about it in advance, after all, the true love is the biggest!”

“Yeah.” Marven also said seriously: “If you really meet the right person, of course don’t miss the opportunity.”

With that, Marven didn’t think deeply, and said to her: “Okay, you can go back to the bedroom, I’m leaving.”

Aoxue said, “Mr. Ye, are you leaving now? Would you like to have a cup of coffee together?”

Marven waved his hand: “Stop drinking, I can’t sleep at night after drinking.”

At this time, Aoxue suddenly received a WeChat message, she subconsciously opened it, and she was stunned and blurted out: “My mother, it’s disgusting!”

Marven asked curiously: “What’s wrong?”

Aoxue retched for a while, and then handed the phone to Marven. While coughing violently, she said: “The hot video on Facebook...that Wu Qi, actually rushed to eat stool in the hospital bathroom... Oh, it’s really disgusting, who would eat that kind of thing! It’s sick!”

Marven glanced at the video, it was really disgusting, but it was d*mn good looking at it.

Isn't he the dog kid who liked to give others psychological hints? This time he's on the cusp, and feels the pleasure brought by psychological hints.

Marven could already foresee Wu Qi's future.

He must eat stool once an hour, otherwise life will fall into the extreme of self-harm and suicide.

It would be useless to tie him tightly. If they don't feed him, he would try to bite his tongue, attempt a hunger strike, abstain from water, and even keep yelling crazy.

Therefore, the best way to keep him alive is to satisfy his need to eat stool every hour.

Otherwise, this person will suffer torture and die within a month.

But fortunately, the Wu family is also a big family, with a big support base and a lot of people. This will definitely be indispensable in the future...

But Wu Qi will be a bit miserable for the rest of his life. He has to eat every hour. They don't know how long he can last!

.....

When Marven returned home, Wu Qi was sent to the SanityLab Hospital.

SanityLab Hospital is the only psychiatric hospital in Wrester, but it is too remote.

Chapter 460

Driving this way, twenty or thirty kilometers, the smell in this car is comparable to a septic tank, and for several others, it is simply a torture like a purgatory on earth.

Just got out of the car and was helping Wu Qi to walk into the hospital. At this time, Wu Qi suddenly felt something wrong...

He felt dizzy and headache in his head, so he looked at the people around him desperately, and cried and said: "It's over...that feeling will come again...after a while if I lose again Reason, you must hold me back!"

Several people had lingering fears, but they nodded subconsciously.

What they thought in hearts is that if they pull him, he will definitely try to pull them, but if he succeeds, it's really bad...

Immediately afterwards, Wu Qi suddenly changed his face and shouted hysterically: "Where is the toilet?! Where is the toilet?!"

Everyone looked at each other, desperate in their hearts...

It really started again!

How to do? !

The head teacher yelled: "Push him there! Don't let go this time!"

So everyone hurriedly hugged him, put him down on the ground, and then pressed his limbs tightly. The head teacher said, "You wait, I'll call the doctor to help!"

Three people pressed Wu Qi desperately, but Wu Qi had been struggling desperately. One of them couldn't help but say: "Oh f*ck, I can't hold him anymore, what should I do!"

"If you can't hold it, you have to press it!" Another said, "Wait when I pull off the belt and tie up his legs!"

"It's a good way!"

At this moment, Wu Qi was crushed to the ground, his eyes were red, and he blurted out and shouted: "Let go of me! You guys, let me go!"

People passing by the psychiatric hospital are not used to this. Everyone is too lazy to take a look. After all, there are often such hysterical patients here.

At this time, a retired Old Master living in the back family yard led a huge husky to the front, the husky smelled everywhere, and then squatted down in a circle.

Seeing this, the roommate in Wu Qi's bedroom yelled at the Old Master: "Hurry up and take your dog away! Don't let him pull it here!"

The Old Master glared at him and said, "Can you control it?"

The roommate was anxious, and blurted out: "You dead Old Master, if you don't get rid of your dead dog, something big will happen!"

The Old Master snorted coldly and said, "I have been keeping this dog for six years. Even if it is pulled on my bed, I will let it pull it comfortably. Then I clean it up again, and I am not willing to let it be wronged. Who do you think you are?"

"You..." The roommate was speechless.

At this time, the husky had already worked hard, pulled out a few times, and pulled out a lot of hot sh!t.

Wu Qi was even crazy when he saw this scene!

It seemed that he was given a stimulant in an instant, and his body's strength exploded several times in an instant. He bowed fiercely, and knocked all the three people on his body to the ground!

The three of them fell on all sides, and before they had time to cry out, the fourth child collapsed and shouted: “f*ck, stop the boss!”

As the three of them said, they went crazy to catch up.

But, how can they have such crazy Wu Qi fast!

Wu Qi rushed to the Husky in an instant, toward the big pile of sh!t on the ground, instantly like a vicious dog rushing for food, opened his mouth and rushed up!

The Old Master was shocked by the scene of subverting the three views, jumping half a meter high, and trembling: “You...you...how many days have you been hungry?!”
