

## The Amazing Son In-Law Chapter 4541-4550

### Chapter 4541

Tasha had been forcing her composure.

Even though she had always acted in a style that was quite feminine,

What happened today was something that she had never experienced in her life.

She saw Duncan's corpse with her own eyes, saw Marven's third aunt die of poison,

And saw the gruesome images of multiple members of her team dying.

However, she kept bracing herself to not break down.

Because Sara was still performing, she is the head of the whole team, she must take care of these things.

However, the moment she saw Sara, the mind she had been holding on to was no longer able to continue, and she cried out.

Sara was also startled by her performance, and quickly asked:

"What happened in the VIP area? With Marven in, what big deal can happen that made you cry and frightened?"

Tasha cried: "You do not know ..... with the start of the performance came a wave of attackers,"

"Killed many people ..... even that detective Duncan Li is killed ... .."

"What?!" Sara's whole body feeling numb, stared wide-eyed and asked offhandedly,

"What's going on?! What happened to Marven and his grandparents?!"

Tasha was busy saying, "They are fine, but a woman in the An family died of poison ....."

The next step was to tell Sara what she knew, in its original form.

After listening, Sara was also shocked and lost her color.

She never dreamed that such a serious and horrible attack would happen at her concert,

And the most crucial thing was that she knew nothing about it!

However, after knowing that Marven and the An family were all well,

And that the woman who died of poison was only Marven's aunt, Sara was slightly relieved.

Afterward, her first thought was to hurry up and give Marven a call to ask what happened,

After all, what Tasha knew was only a very one-sided part.

And at this time, she suddenly thought that she had just received a text message from him,

Saying that Jordan was at the VIP exit of the venue.

From the content of Marven's text message she presumed that Marven and Avella have left,

Thinking they must also be in little danger, so she hurriedly said to Tasha:

"Tasha, this matter we do not discuss, for the time being, dry your tears first,"

"Go outside and pick up Jordan and bring him in,"

"He, you should know, is the guy from Uncle Chen's roast goose store. "

Tasha hurriedly wipe away tears, nodded, and said, "Okay, I'm going to ....."

After saying that, she said to Sara: "You have to hurry up,"

"Let's hurry up and leave first, compared to this, the hotel is safer."

"Okay." Sara said, "You first bring in Jordan."

Soon, Tasha came in with an anxious and red-eyed Jordan.

As soon as he saw Sara, he knelt down in front of her, crying and begging,

"Miss Gu, please save Uncle Chen, if you don't save him, he won't survive for sure ....."

Sara was astonished and asked, "Get up first, Jordan, tell me properly, what happened?"

Jordan cried and said, "Uncle Chen is taken away by the police,"

“They said they wanted to hand him over to the Immigration Bureau,”

“Because someone reported him to the Bureau for illegal stay,”

“The police also said, at most five days, Uncle Chen will be deported back to Hong Kong .....”

Sara asked offhandedly, “How could this happen? Is it that Gerard who is doing this?!”

“It should be!” Jordan nodded repeatedly, and choked:

“Earlier a cop came to the store to investigate you and young master Ye,”

“Uncle Chen was afraid of revealing information, so he in advance destroyed the surveillance video hard disk,”

“So that the cops pounced on a blank, the results immediately after,”

“Uncle Chen himself began to pack his luggage, and said he is entrusting the roast goose store to me,”

“I guess he should be aware that the cops were going to the Hong Kong cops to investigate his situation,”

“His whereabouts were also found by the one surnamed Liu .....”

Sara said with a serious expression, “It seems that after all these years,”

“The surname Liu is still not willing to let go of Uncle Chen .....”

## **Chapter 4542**

Sara immediately said to Jordan again: “Jordan, you do not rush,”

“And do not panic, there are still a few days, I will find a way to solve this matter!”

Jordan said nervously, “Miss Gu, the cop who took Uncle Chen is quite nice,”

“But I’m afraid that Liu has paid off the higher-level cops here,”

“In case they do special things, what if they send Uncle Chen back tonight?”

Sara seriously said, “Solving illegal detention is a judicial process,”

“There are clear legal provisions, it is impossible to be arrested today and sent away tonight,”

“If the police dare to do something against this process,”

“I will definitely protest to the New York City government, you can rest assured.”

With that, she turned to Tasha and said,

“Tasha, ask our lawyer from the American side to go to the New York Police Department,”

“Say that we have accepted the commission from Uncle Chen to handle this matter for him,”

“The lawyer has the right to see the client, and also has the right to ask them,”

“To announce the law enforcement process, they will definitely not dare,”

“To act in a disorderly manner when they see the lawyer involved.”

Tasha hurriedly said, “I’ll call the lawyer right now!”

“Okay.” Sara followed up by saying to Jordan,

“Jordan, you have to trust Marven, with his ability,”

“That Liu definitely won’t dare to do anything to Uncle Chen.”

Jordan did not know Marven well, so he was worried and said,

“I don’t have Young Master Ye’s contact information .....”

“And I don’t know if he will be willing to intervene .....”

“Definitely will.” Sara smiled faintly and said comfortingly,

“I believe that in this world, there is no matter that Marven can’t handle!”

Saying that she took out her cell phone and tapped while saying,

“I will send a message to Marven about this matter right now, I believe he must have a solution!”

The Shangri-La Hotel, where Marven and Avella were staying, wasn’t too far from the performance venue.

At this time, he had already driven the car to the entrance of the hotel and handed it over to the parking boy.

After walking into the elevator with Avella, he received a message from Sara,

The message was short and concise and read,

“Marven, Uncle Chen has been arrested and will be deported back to Hong Kong soon!”

When he saw this line, the first thing Marven thought of was that he and Sara had harmed him.

He thought: “Chinatown is a relatively small, closed society,”

“Where there are a large number of illegal stays and illegal smuggling of black items,”

“And the police generally do not ask about things here,”

“Uncle Chen hiding in Chinatown for so many years without incident, now suddenly gets arrested,”

“Must be because he and Sara attracted the attention of Duncan,”

“Which led to the exposure of Uncle Chen’s identity.”

“And that Gerard in Hong Kong has always regarded Uncle Chen as the shame of his life,”

“Once he learned of the current situation of Uncle Chen,”

“He will definitely find a way to make the U.S. side deport his prey back.”

“Although he had an agreement with that Liu before,”

“As long as he does not return to Hong Kong, he will no longer make things difficult for Uncle Chen,”

“But he is now using this method to force Uncle Chen to have to go back,”

“As long as Uncle Chen’s feet touch on the ground in Hong Kong, that Liu surnamed will find someone to kill him,”

“It will not be a violation of his initial promise to Uncle Gu,”

“And then Uncle Gu will not have any reason to go after him .....

Thinking of this, Marven could not help but sneer: "This Liu, really played a good game!"

About this man from Hong Kong Gerard Liu, Marven does not have a half-good impression.

This is not because of what he did to Uncle Chen,

#### **Chapter 4543**

Because Marven is fair and objective, although Uncle Chen is the underdog in this matter,

But in this matter is also really the fault of Uncle Chen.

That Gerard for his dignity, and reputation, want to retaliate against Uncle Chen and it is all human nature.

However, the point that Marven is most dissatisfied with Gerard, is this person's insubordination.

According to the dictation of Uncle Chen in the roast goose store at that time,

In the earliest incident, Uncle Chen had first called his father for help.

And Marven's father, also immediately flew to Hong Kong, and with Gerard reached an agreement,

So that he looked at his face, let Uncle Chen leave.

But not long after that, with the father and grandfather conflict,

Mr. Ye took Marven and his mother to settle in Wrestvel,

After that, the parents were killed.

The first thing that Liu did after learning of his father's death was to go back on his word.

He completely disregarded the previous agreement with his father,

And almost immediately sent a large number of people around the world to hunt down Uncle Chen.

The reason why he gave up temporarily was that Philip took over for his father.

And fortunately, Philip was seriously ill, and Sara found Marven.

Otherwise, in case Philip died of illness, the surname Liu would certainly also renege after knowing.

In that case, Uncle Chen would have been killed by the assassins who coveted the bounty.

Moreover, the one surnamed Liu was now ready to use a curved way to get around his promise to Philip,

Which made Marven despise his character even more.

Not being moral and not respecting promises, this is the reason for Marven's greatest dissatisfaction.

Therefore, he immediately sent a text message back to Sara,

And the content was also very concise, with only seven words: "Don't worry, I have everything under control."

On the other hand, after Sara saw Marven's reply to the text message, her heart was satisfied.

She simply handed her phone to Jordan's face, pointing to Marven's message,

Said with a proud face: "Look, I told you, Marven will not sit idly!"

"You just relax and wait, he will definitely be able to solve this matter perfectly,"

"Maybe when this matter is over, Uncle Chen will not have to hide in the east again in his life!"

Jordan was surprised and delighted, and at the same time asked with a hint of confusion,

"Miss Gu, is Young Master Ye really that capable?"

"I have followed the news of that Gerard on the Internet, he is a very powerful person,"

"He used to be one of the largest real estate developers in Hong Kong,"

"And later became a shipping tycoon in Hong Kong, after the Hong Kong Li family went to England to develop,"

"He is almost the richest tycoon in Hong Kong ..... Strength goes through the sky ....."

"It doesn't matter," Sara said very firmly:

"In your eyes, he has heavenly strength, in the eyes of Marven, he is a sgum!"

On the other side.

After Marven and Avella returned to the room, while Avella was preparing to put the water in the bath, Marven walked up to the terrace alone and called Sara back.

As soon as the phone call came through, he asked, "Sara, is Jordan still at your place?"

Sara said: "I just had someone send him back, by the way,"

"Marven, what happened tonight? Tasha said that many people died, even that Inspector Li got killed?"

Marven hmmd, and explained the whole known situation.

After listening, Sara exclaimed, "My goodness, how could there be such cruel people ....."

Saying that she blamed herself quite a bit and said,

"Marven, do you think it could be that there is a mole in my team?"

"Otherwise how could the gang work so well together?"

"Surprisingly, they attacked at the time when the background music was at its strongest,"

"They must have had figured out the flow of the concert in advance ....."

"It may not be." Marven faintly said:

"At present, the only identified mole is my third aunt,"

"But she is dead, I guess the attackers simply do not know your concert flow,"

"Also do not know when the background music was the strongest,"

"They could grasp the timing so accurately, must still be because"

"My third aunt from the inside tipped off, she should feel The timing was right, and then notified the gang of attackers."

Chapter 4544

Sara said: "But didn't you say that your third aunt had a shielding device on her?"

"Put her with shielding equipment, then she has no way to contact the attackers herself right ....."

Marven could not help but laugh lightly: "How do you have a tendency to think like that?"

"I speculate that she has been waiting for the right time when the time came,"

"She first sent the message to notify the attackers, and then immediately open the shielding device,"

"After all, the attackers only used less than a minute to reach the corridor,"

"Such a short shielding time, focus on watching the performance of the An family,"

"The An family people who were watching the show might not even notice."

Sara suddenly realized this and spoke: "Then it seems that they just want to kill the entire An family all at once,"

"In that case, your third aunt's task would be completed, so she could follow them together and evaporate....."

"Right." Marven sighed: "I really didn't expect that with the An family being so powerful today,"

"There are still people who want their lives all the time,"

"This organization's strength, I'm afraid, is much more powerful than I thought."

Sara asked, "Then what should we do? If we don't find out,"

"I'm afraid your grandparents' family will always be in danger, right?"

Marven said, "This should not be so, the reason why they were caught,"

"By the other side, today was indeed too much of negligent,"

"I believe that with their strength and insight, they should not have left such opportunities for the other side,"

"Otherwise the other side would not have allowed my third aunt to hide in the An family for such a long time,"

"The next An family just needs to be alert, the other side should find it difficult to find another opportunity."

"That's good." Sara breathed a sigh of relief and asked,

“Right Marven, the matter of Uncle Chen, what are you going to do about it?”

Marven then said, “I just thought about it, since we want to solve this matter,”

“Then we should simply solve it from the source,”

“Isn’t it true that Uncle Chen will not be deported back to Hong Kong until a few days later,”

“Then I will go to Hong Kong in advance to meet that Gerard Liu,”

“Before Uncle Chen arrives at Hong Kong, set things right there for him so that he can go back openly.”

Sara was busy asking, “Then when do you plan to go to Hong Kong?”

Marven pushed the time and then said, “I promised your sister-in-law that I would accompany her to see your 2nd concert,”

“The day after tomorrow, and after your 2nd concert is over, I will depart for Hong Kong.”

Sara’s heart is somewhat sour, pouting her lips, she muttered:

“You show love to your wife all the time, even in this critical time you are thinking more about her,”

“My next performance is the day after tomorrow, you will watch and then leave,”

“For Hong Kong, that is at least three days, in case something goes wrong in the middle what to do .....”

Marven explained: “I am not to show love, I can always go to Hong Kong,”

“But I can not directly throw your sister-in-law here,”

“Not to mention that I also have to find a suitable reason and opportunity,”

“And the situation of the surnamed Liu I do not know very well,”

“So I need a little time to do homework, set a good to this old boy.”

Said, Marven said: “To be honest, if you just want to keep Uncle Chen safe,”

“It couldn’t be simpler, Liu in my eyes is not a solid egg,”

“I can have the Front send dozens of experts to Hong Kong tonight,”

“Directly kill him, then, Uncle Chen will naturally be safe.”

Speaking here, Marven added: “Only this way of handling, too unskilled,”

“For Uncle Chen, will certainly also make him fall into self-condemnation for the rest of his life,”

“So this matter can not come hard, have to let the surnamed Liu himself convinced.”

“As for the safety of Uncle Chen in the next few days, you do not have to worry,”

“Although Liu’s strength is in Hong Kong, but in New York, it is not ranked high,”

“I will ask Miss Fei to help covertly protect Uncle Chen’s safety,”

“By the way, the time to delay of these few days,”

“I will first get my mother-in-law to the United States to accompany your sister-in-law,”

“And then go to Hong Kong to help Uncle Chen to set all these things right!”

“After I’ve settled everything, then let Miss Fei’s side loose a little,”

“Then Uncle Chen will be sent back, and everything will be fine!”

Chapter 4545

Originally, Marven was planning to let Hogan continue to live peacefully in Chinatown first,

And then he would take the time to go to Hong Kong in the future to settle his affairs.

However, since that Gerard was so restless and took the initiative to make something happen,

He had to go to Hong Kong to meet him first.

Hong Kong and the United States are very far away, the ordinary plane at least takes ten hours each way,

Plus the processing of things also needs time, so Marven estimated that,

At least he would have to stay three to five days or more away from the United States.

And he is most concerned about Avella.

Although he has long arranged the female soldiers of the Front to secretly protect her,

But let her stay in the United States alone to study and live, his heart is still inevitably worried.

And right now, Dave is still in Korea engaged in cultural exchange activities,

The only one who can really come to the United States to accompany his wife for a few days is mother-in-law Viola.

However, if he tells Avella directly that he is going to Hong Kong,

And then he needs to invite his mother-in-law over to accompany her, Marven feels more or less rigid.

But if he goes to discuss with Avella, then she may not like to toss his mother-in-law over,

Then there are only two options, one is to persuade himself not to go to Hong Kong;

The other is to reassure himself, go to Hong Kong, and think she has no problem alone.

Moreover, he estimates that Viola now also does not want to come to the United States.

She is alone in Wrestvel, with luxury cars and mansions,

And hundreds of thousands of pocket money, life must be very good,

If he asks her to come to the United States, he is afraid that she will not be happy.

So, he began to calculate in his heart, can first find a reason to get his mother-in-law to come over,

And then take the opportunity to tell Avella that he has a client in Hong Kong,

Just Viola is here came, he can go to Hong Kong for a few days, let the two stay here for a while.

As for how to get Viola over from China, Marven was not worried at all,

He knew her too well, he only needed to make a slight game, and he could trap her in.

So, he immediately called Warnia and said, "Warnia, I need your help on something."

Warnia said without thinking, "Master Ye, whatever you want, just give me an order."

Marven was not polite, so he told her about his plan.

After listening to it, Warnia immediately said, "Master Ye don't worry, I will definitely complete the task."

.....

Meanwhile.

On the other side of the world, in China, it was morning.

Viola was lying on the luxurious king-size bed in the villa and slept until after ten o'clock.

Ever since Marven and Avella went to the United States and Dave went to Korea, she had just let herself go.

She lived in a big mansion, drove a Rolls Royce Cullinan,

And had 500,000 pocket money from Marven on her bank card, so her day was simply too good.

At this time, she had not yet woken up, the phone was buzzing non-stop.

She sleepily picked up the phone, picked it up to her mouth, and asked:

"Who is it, what is it? Why are you calling early in the morning?"

On the other end of the phone, Horiyan's flattering voice came over:

"Sister, it's me, Horiyan! It's already this time, you're still not up?"

Since Horiyan came back, she has been treating Viola as a family,

And recently she has been looking for her every day, not only kissing Viola's ass,

But also following her around like a little kitten, carrying her bag when she goes out,

Opening the door when she gets into the car, even when Viola goes to the toilet,

She takes an extra copy of toilet paper and guards at the door,

Afraid that there is not enough paper for Viola inside.

In the past, when she was in the Xiao family, she was always bullied by Horiyan,  
And she had a lot of grudges against her, but now Horiyan came over to her like a dog,  
Which instantly magnified her vanity, and gave her a feeling of pleasure to turn over a new leaf,

Chapter 4546

So she was happy to spend time with her every day.

For Viola, only when Horiyan is fawning over her,

She can really feel that she, Viola, is really different from the past.

So, when she heard Horiyan's voice on the other end of the phone, she grunted and said,

"I haven't slept well yet, what time is it?"

Horiyan said: "It's almost eleven o'clock! You said yesterday that you want to go shopping in the mall today, right?"

"I'm all set here, right in front of your house! Are we still going today?"

Only then did Viola come back to her senses and blurted out,\

"Oh, no! I forgot about that! I was going to buy a necklace at the harbor city,"

"Recently, I always feel like there is something missing on my neck!"

Horiyan said with a smile: "You are always driving Cullinan and carrying Hermes,"

"But you only need a more elegant necklace! What brand do you want to see?"

Viola said casually: "What! Bulgari, Tiffany, Cartier, any of it,"

"I am not picky, as long as it is a first-line brand."

Horiyan immediately praised: "Oh Sister you have an eye, with your temperament,"

"It is necessary to match the first-line brands, a mundane like me can not compare with you sister,"

"A few thousand worth of chain for people like me is more than enough."

Speaking of this, she sighed and said, "I'd say you're lucky to live in a mansion,"

"Drive a luxury car, wear top luxury goods, a proper winner in life, unlike me,"

"After I fell on hard times, jewelry and bags are all gone, now I can't afford to buy a first-line brand,"

"Even a chain ..... I'll ask my daughter for some money later, to buy a silver chain at the stall ....."

Viola thought: "This Horiyan really has the self-awareness to know that she is only worthy of a local brand,"

"While I can afford Bulgari ..... tsk, this level how can we two be compared."

So she said, "We'll go to Seaport City later, and after I pick out a necklace,"

"We'll go to the market, and I'll give you a necklace!"

"Huh!" Horiyan asked excitedly, "Sister, you're not deliberately making fun of me, right?"

"Are you really going to give me a necklace?"

Viola said seriously: "I never brag about what I said, I'll spend for you 10,000 yuan, take your pick!"

Horiyan said happily, "Yes! Sister is more open-minded than me!"

"When are you going to get up? I'll walk you around the City!"

Viola rolled out of bed and said, "Wait for me, I'll go wash up and clean up!"

Half an hour later, the electric gate of the villa slowly opened and Viola drove the Rolls Royce Cullinan out from inside.

Horiyan looked at the Rolls-Royce's imposing front and the way Viola drove in the car,

Her heart was sour and angry, and she couldn't help but mutter:

"Viola's little frustration, still have the nerve to drive the Cullinan,"

"She sat inside and drove, people from the outside can only see her skyline..."

At this time, Viola parked the car in front of her, peeked out, and greeted her, “Hey, hurry up and get in.”

“Yes!” Horiyan immediately put the sour taste in her heart to the back of her mind,

Got into the car, smiled with a flattering face, and said,

“Sister, this car really matches your temperament, it’s so dominant!”

“Once you sit in it, good lord, it’s a perfect match!”

Viola raised an eyebrow and smiled, said proudly:

“That’s right! When Dave comes back I will tell him that this car will be for me to drive from now on,”

“So he can buy another one for himself!”

After saying that, she drove the car and made it out of the Tomson One.

When Viola drove out, a man in a black SUV at the entrance of Tomson One,

Picked up his cell phone and made a phone call.

Once the call came through, he said respectfully, “Madam, the target drove out.”

Chapter 4547

On the other end of the phone, Warnia’s voice came out, “Keep an eye on her!”

Viola drove the overbearing Rolls-Royce Cullinan all the way to Wrestvel Harbour City.

After carefully backing up the car a dozen times in the underground garage before finally parking it,

She went to the first floor with Horiyan.

The first floor of Harbour City is almost all first-line luxury brands.

Among them, half of them are clothing and luggage brands,

Such as LV, Gucci, and the other half is jewelry, such as Bulgari, and Cartier.

Once they arrived, first dragged Horiyan to Bulgari’s store.

Not knows how much better Bulgari is than other brands,

Mainly because Viola like the name Bulgari, and thinks the name shows festive.

Once the two people got into Bulgari, Viola went straight to the middle counter,

Then reaching the counter in front of a high stool seat,

Her right hand first came up and slapped the Rolls-Royce car keys on the counter,

The left hand moved and placed the Hermes handbag on the counter above, the one gifted by Marven.

When the sales lady saw this, she thought she was a big customer,

So she hurried over and said very respectfully, "Hello lady, welcome to Bulgari, I don't know what you want to see?"

Viola cleared her throat and said with an arrogant face,

"Ahem, what nice necklaces do you have in store, bring them out and give me a pick."

The sales nodded her head, then turned to the male sales and said,

"Jack, prepare two bottles of sparkling water imported from Spain for the customers,"

"And bring the latest perfume samples for the two of them to try."

The male sales immediately obeyed and did as he was told, and Viola sighed in her heart:

"In the end, it's a big brand! This service is really not one!"

Horiyan stood behind Viola, heart filled with strong emotion:

"Thinking back when the Xiao family still had money, at shops I got this kind of treatment,"

"But now I enter a store, feel nervous, really a fallen phoenix is worse than chicken."

The female sales took out a tray full of necklaces at this time and placed it in front of Viola,

Saying respectfully, "Madam here are all our latest necklaces,"

"There are many newest models of the classic series, you can take a look."

Viola nodded and pointed to one of the diamond pendants and said,

“I think this one is good, what is the price of this one?”

The female sales took a look at the price tag and said,

“The necklace you’re looking at is priced at 118,800,”

“It’s made of 18K gold necklace with a South African diamond pendant,”

“The diamonds are all broken diamonds, but the cut is perfect, so the luster is very good, and it’s very shiny when you wear it. “

The price of more than 110,000 is just the ideal price for Viola in her mind.

After all, when Marven and Avella first left her 500,000 pocket money,

If she bought a necklace that was too expensive, the budget accounted for too much,

Which would have an impact on her later life consumption.

The price range of a little more than 100,000 is very friendly,

With her current financial resources, more than 100,000 to buy a necklace,

The rest of the money is enough for her to spend in style until Marven is back.

So, she said to the sales, “Come, you help me wear it I want to see the effect.”

The shop assistant was about to help Viola wear the necklace,

When her desktop phone suddenly vibrated,

And the person who called was the manager of the store, who was also her top boss.

So she apologized and said to Viola, “Wait a minute, I’ll take a call from our boss, sorry.”

Viola has been visiting stores like this so she said without any emotion:

“Not a big deal, you first answer the call.”

The female sales picked up the phone and walked to the side, the boss on the phone instructed:

“You must make that woman spend as much money as possible later,”

“If you can make her spend 300,000 in our store, I will reward you 50,000,”

“If you can make her spend 500,000 in our store, I will reward you 100,000!”

Chapter 4548

Once the female sales heard this, she couldn't help but sneak a glance at Viola over there.

Although she didn't know why the store manager was concerned about this woman,

She realized in her heart that this was a good opportunity to make money, so she whispered, “Don't worry boss.”

After saying that, she hung up the phone, stepped in front of Viola,

And said with a smile, “Madam, come, let me try it on for you.”

Viola nodded, put the necklace on with the help of the guide, and looked at the mirror endlessly.

A gold chain itself is not worth a few dollars,

And the pendant full of broken diamonds also does not cost much,

And these two together are estimated to be a fraction of the selling price.

However, what Viola values is not the price/performance ratio, but the face-to-price ratio.

The so-called value for money is the ratio between the performance of goods and the price,

The same price, the better the performance is naturally better.

As for the face-to-price ratio, it is the ratio between the face of the goods and the price,

The same price, the higher the face is more important, even if a cotton T-shirt,

Costing no more than a hundred dollars is sold for eight thousand,

As long as the brand logo on the chest is enough to have a face,

Then in her eyes, it is also worth it.

Viola examined it for a while and found that the necklace was indeed sparkling,

And under the light of the jewelry store, almost every prong burst with dazzling splendor.

She said almost immediately, "I'll take this one, wrap it up for me!"

The female sales couldn't help but say, "Madam, to speak from the bottom of my heart,"

"I feel that this necklace doesn't seem to match your temperament."

"What do you mean?" Viola frowned and asked,

"Are you saying that I don't deserve such an expensive necklace?"

The saleswoman hurriedly waved her hands and said, "No, no! That's not what I meant!"

"From the moment you walked in the door, I could see that you had a noble aura."

"To be honest, in all the years I've worked at Bulgari, I've never seen such a classy customer like you."

The other party's sudden kissing immediately slapped Viola into the sky.

She smiled from ear to ear and said, "Aigoo, you are really good at talking,"

"Although I am really good-tempered, but after all, the older, and those younger still can not be compared ....."

The female sales was busy saying, "You are really modest,"

"You are much more temperamental than those 20-something female celebrities I have seen."

"Really?" Viola was surprised looking at herself in the mirror,

Trying to see and feel her own temperament is indeed very good, she smilingly said:

"Aiya, to say temperament and these things, really not young on the line, young people will only dress but with no charm!"

Horiyan on the other side heard straight dry heaves.

In her heart, Viola that bit of temperament, on the weighing of the youngest, is not more than three or five,

Of course, if we are talking about the temperament of the shrew, that is really the force of the mountain and the gas.

At this time, the female sales said with a serious face:

“Lady, to be honest, you have such a good temperament, and drive a Rolls-Royce’s top car,”

“Even the bag is also Hermes, almost already the top of the top,”

“The necklace you wear is worth a hundred thousand or so,”

“It simply does not complement your temperament,”

Viola heard these words, and subconsciously asked: “Really? This is worth more than 100,000 .....

Female sales: “To be honest with you, I worked here for a long time, and have seen more,”

“Many spend more than 100,000 to buy the necklace for the guests,”

“In fact, most of the well-off families, buy more than 100,000 necklaces are hard on,”

“Most people drive cars worth not more than 500,000, to put it bluntly,”

“It is all the main swollen face to fill the fat... ..”

After saying that, she said with a compliment: “But you are different!”

“You drive a Rolls-Royce, carry Hermes, this is the ceiling level,”

“Than that kind of swollen face fat guests from whom you are 1000 times better, the absolute noblewoman!”

“Oh no, it is the best of the noblewomen, the ceiling of noblewomen!”

“So, how can you wear the same necklace as those people who swell their faces and pretend to be fat?”

#### **Chapter 4549**

The sales girl’s sentence, the ceiling in the list of the noblewoman, immediately took the vanity of Viola to the roof.

She felt that the words of this sales girl were like chemical energy,

Through a certain chemical reaction with her eardrums, it produced a lot of dopamine,

Rushing up with the blood straight into the skull.

Simply put, it is too on the head.

This feeling is like a young man who has just learned to smoke,

Grabbed the village master's dry tobacco bag and took a big puff.

Not only did it hit her head, even made her a little dizzy.

She was so happy that she couldn't keep her mouth shut,

Looking at this sales girl, the more she looked, the more she liked.

Horiyah is indeed quite patronizing, obviously when it comes to praising her sister-in-law,

With the twist of her words, she can turn her mood in her own favor.

But really compared to this sales girl in front of her, Horiyah is at best a juvenile.

So, Viola asked the sales girl with joy: "Hey, girl,"

"What kind of necklace do you think I should wear for this temperament?"

The sales girl said without thinking:

"I think this temperament of yours, deserves the treasure in a store like ours!"

After that, she hurriedly said: "Madam, you wait a moment,"

"I will go to the back to find our boss to open the safe, there is the treasure of the store to show you!"

As soon as the words left her mouth,

The sales girl hurriedly got up and went to the back of the office area.

In the office area, the boss is seeing it all through the store monitoring,

He has the real-time observation of the sales girl and Viola's conversation,

Seeing the sales girl coming in, then hurriedly said:

"Smart girl, how easily you can push the store treasures to her ....."

The sales girl said with a surprised face: "Boss, is this not what you instructed?"

Let me try as much as possible to fool that woman to spend more money?"

"Then simply one step in place, I found a way to make her buy our store treasures."

The boss waved his hand: "Oh, the treasure of the store is more than 7 million,"

"How can she afford to buy it? As far as I know, the amount of money she has it is at most 500,000,"

"You just find a way to sell her our set of emerald goddess dreams and that's it."

The sales girl was shocked and said, "Boss ....."!

"Your intelligence work is too good, you even know how much money she has?"

The boss said seriously: "I am also helping others, it must be confidential!"

"Anyway, you just have to find a way to make her spend 500,000 in our store,"

"I will immediately put 100,000 yuan into your card!"

"If she really does not have enough money, you must think of all the ways to make her spend all the money,"

"Even if you lower the sale price or directly fool her, it does not matter,"

"You are free to play, I will bear the burden if something happens!"

"Okay!" The sales girl nodded, waved her hand, and said, "Leave it to me, boss."

The boss said: "Okay after she finishes buying,"

"Tell her that she can also come over after lunch to participate in the lottery,"

“The first prize is worth 1.2 million! The prize is all set for her,”

“But the raffle tickets are still being expedited and can be delivered at 1 pm,”

“So when she comes to the raffle this afternoon, she will be able to draw the first prize.”

The sales girl asked dumbfounded: “Boss, what is the origin of this woman? So much blood money .....”

The Boss said: “The blood money is not mine, there is the big man down,”

“You just cooperate well, after that reap the benefits of your success!”

The sales girl nodded understandingly and said to the boss:

“Okay boss, I understand now! But I still have to trouble you,”

“To take the treasure of the store to me first, or I go out badly.”

The boss did not say much, immediately took from the safe a set of beautiful diamond necklaces out,

Handed it to her and said, “You must take care of it.”

The sales girl nodded and smiled, and walked out with her hands holding the treasure of the store.

When Viola saw the huge diamond necklace in her hand,

She was surprised and could not help but feel a bit vain.

#### **Chapter 4550**

Viola is not a fool, she knows the good and bad things,

Such a large diamond, hitching eyes to see can not be under 7 figures.

However, when she thought that the sales had set the atmosphere here,

If she had to say that she could not afford it,

She would not be able to live up to the title of “Noblewoman Ceiling”.

When she was worried, the salesgirl placed the treasure of the store in front of her.

Viola looked down at the price tag, in the heart immediately exclaimed:

“My mother, seven, eight, eight, eight ..... seven followed by six eights,”

“There is no decimal point ..... this is 7.88 million ah!”

The sales girl in front of her took the necklace out, looked at Viola,

And then looked at the necklace, and shook her head and said,

“Madam, I suddenly feel that even this necklace, in front of you, is a bit dull.”

Viola was on the verge of tears.

“Nearly eight million worth of necklace in front of me is dull? You think I’m the sun?”

Horiyah behind her was also shocked and said offhandedly,

“Your necklace is too expensive ..... 8 million, shaving off the tax must win the lottery at least twice!”

The sales girl said seriously at this time:

“Actually money is not a problem, I believe that with this lady’s temperament and the price,”

“It is more than enough to buy such a necklace.”

When she said this, Viola was already a bit fidgety.

This sales girl is really good at setting the atmosphere,

At first, the atmosphere is baked to make Viola really happy,

But baked to this point, she is already riding the tiger and it is difficult.

At this time, the sales girl’s words turned and said seriously:

“In fact, I think, this kind of diamond necklace is all about big,”

“All about more, all about flash, after matching together it looks a little too vulgar,”

“The taste of money is too strong, but there is no underlying reason apparent.”

Once Viola heard this, her eyes lit up and she said,

“Oh, you’re so right! Such a big string of diamonds on the neck,”

“It is the same as hanging three words on the top of the neck:

“I have money! That’s tacky! It’s really tacky!”

The sales girl nodded and said very seriously,

“In fact, when a ceiling-level noblewoman like you chooses jewelry,”

“What she really cares about is not how high its value is,”

“But its temperament, its style, its heritage!”

Viola’s fidgeting just now had dissipated,

And what replaced it was a higher level of comfort and pleasure.

She said with unparalleled approval, “Oh, girl, what you said is great! Really true!”

The sales girl smiled faintly and took out a necklace of crushed diamonds,

With emerald pendant from a side counter, handed it to Viola and introduced,

“Madam, look at this Goddess Dream, its diamonds are not big,”

“But each one is a carefully selected ultra-pure diamond,”

“And the fan pattern is inspired by the classic architectural style of ancient Rome,”

“Showing everywhere the successful woman’s unique charm!”

“The most crucial thing is that the main stone that goes with this necklace is a teardrop-shaped emerald!”

“You know, our people love jade, and jade is green for respect,”

“Green for precious, although Westerners do not know jade,”

“But they will also consider emerald as the best of the gemstones, which coincides with our aesthetic jade!”

“So, such a necklace, not only it is beautiful and exquisite,”

“More importantly, it is a fusion of the cultural heritage of the East and West,”

“Whether you wear it in Western-style or Chinese style,”

“This necklace can perfectly complement your distinctive temperament,”

“In my opinion, it is more suitable for you than our store’s treasure!”

“I even feel that it is simply tailor-made for you alone!”

Hearing this, Viola’s love for this necklace was already overflowing,

She was surprised and took the necklace in her hand to examine it carefully,

And couldn’t help exclaiming, “Oh my! This necklace is really beautiful! It’s perfect!”

After saying that, she hurriedly went to see the price tag, forty-eight thousand eight hundred .....
