

## The Amazing Son In-Law Chapter 4551-4560

### Chapter 4551

Viola's heart can't help but mutter: "Danm, forty-eight hundred and eighty-eight thousand ....."

"Marven gave me the money, I have recently spent a lot,"

"The card seems to have no more than three hundred thousand ah ....."

Thinking of this, her heart burst with a sense of loss.

After some words from this sales girl made Viola hopelessly in love with this necklace,

She now has only one idea: buy it! "But, there is not enough money ....."

The sales girl seemed to see Viola's dilemma, her brain turned and spoke:

"Madam, you are so lucky today, today is our store's store celebration,"

"This necklace is on sale now, buy now you can directly subtract the change, only 400,000!"

Viola had not yet reacted, Horiyah on the side had already exploded.

She blurted out: "I remember your brand never gives a discount,"

"How can it be cheaper by 80,000 at once!"

The sales girl said with a smile: "Madam, you are right,"

"Our store is never on discount, today is the only exception and only today!"

Viola was also moved.

The brand that never discounted directly drops the price by 80,000, this is a big bargain!

As the saying goes, if you have a bargain, don't forget to take advantage of the son of a b!tch.

If you don't buy this necklace, you'll wake up at night with a sense of loss.

So, she quietly opened her phone and glanced at the account balance in the bank app, the account says 362,000 left.

Marven and Avella left these days, she not only spent 80,000 yuan in the beauty salon super VIP membership card,

But also took Horiyah to eat several meals, and bought a few new clothes, the money was spent really fast.

Now even if she takes out all the money, she is still short of 38,000,

Not to mention, the money she can not spend it all, she has to live by herself for the next half of the month!

If the money is all spent now, in the future days will she have to eat dirt?

By then, in the Rolls-Royce, she can not even afford to fill up the gasoline,

Can not really sell the four wheels, right? She was in a dilemma all of a sudden.

The sales girl, who was an expert, saw that her expression was a bit torn,

So she asked very politely and tentatively, "Madam, is it not convenient for you to pay?"

After saying that, she was afraid that Viola was not happy,

And also hurriedly gave a supplementary sentence:

"I know many successful people like you, in the bank card they do not put too much cash,"

"Many successful people like you, usually put the money in the financial management,"

"Only leave a small part of the funds for a daily flow."

Once Viola heard this, she was relieved, isn't this the best step?

So she hurriedly said, "Yes, yes, yes! I usually put the money in the financial management,"

"The bank card balance is just some pocket money,"

"To be honest, my pocket money is not really enough around 400,000."

The sales girl nodded and said seriously, "Like the wealth management you purchased,"

"Even with the fastest redemption time, I guess it will take tomorrow to reach the account, right?"

"Yes, yes, yes!" Viola sighed and said with a grumbling face,

"I'm telling you, these banks are especially unbelievable, when you buy their product,"

"They deduct your money in a second, and when you redeem your money from the account first,"

"They usually take the 2nd day to arrive, and if there are holidays and weekends,"

"You have to wait until they finish their holidays."

In fact, Viola even did not buy a penny of wealth management products.

But the earliest time, she took control of the family's financial power, did buy some wealth management products.

At first, she also bought it in the bank, but then with too low-interest rates,

She ran to buy PtoP, and finally the platform burst mine, and Marven help to get the money back.

The sales girl saw Viola borrowing the slope, so she smiled and asked,

"Madam, how much pocket money do you have in your balance now?"

Viola pretended to pick up the phone and said with a smile,

"Let me take a look, I don't know exactly how much money there is."

While speaking she open the bank app, and helplessly said to the sales girl:

"Ah, really unfortunate, out of my pocket money it is only 362,000 left ....."

The sales girl nodded and said seriously: "It does not matter lady,"

"We have a hidden activity today, while there are no other customers in the store,"

"I will only tell you the details of this activity."

#### **Chapter 4552**

Viola asked: "There are activities? What is it? Can you give a cheaper price?"

The sales girl explained, "This is the case, we have an internal high-end customer quota,"

"Get this high-end customer, the price can also be about 40,000 yuan discount range,"

"So that you can buy this necklace for only 360,000 yuan,"

"And in addition, you can also enjoy an additional cashback activity!"

Viola was surprised and asked, "What kind of cashback activity is that?"

The sales girl said: "20% cashback, you have to pay three hundred and sixty thousand to buy this necklace,"

"After the transaction, we will return you 20%, which is 72,000."

"My mother ....." Viola blurted out, "Does that mean that I can buy this necklace,"

"For less than three hundred thousand after participating in various activities?"

“Yes!” The sales girl took the calculator and calculated for a while and said,

“The actual hands-on price is only \$288,000, a full \$200,000 cheaper!”

Viola went crazy with joy.

Two hundred thousand cheaper, isn't this a great bargain for nothing?

Just when Viola was excited, the sales girl said, “By the way, after you buy it,”

“You can come to the store around 1:00 or 2:00 in the afternoon to participate in the lottery,”

“The lottery is free, and the highest prize is worth 1.2 million.”

“OMG!” Viola exclaimed, “What kind of prize is it, it's worth 1.2 million!”

The sales girl laughed: “I'm not sure what the prize is, to be honest, you'll have to find out when you come.”

Viola thought to herself, “To pick up 200,000 yuan for nothing,”

“And have the chance to draw a 1.2 million yuan grand prize,”

“This is like a money bag falling from the sky. .... What kind of luck did I have today?”

The first thing she did was to say, “Yes! I'll buy it! Now swipe the card!”

Saying that she took out the bank card from her Hermes bag.

Horiyah was almost crying with envy, thinking in her heart:

“What kind of dog luck does this b!tch has! Such a big leak can let her pick up,”

“I'm poor every day, not even a dime worth of pick for me!”

At this time, when the sales girl saw Viola taking out her bank card,

She immediately nodded and said with a smile, “Then I will swipe your 360,000 yuan!”

After saying that, she entered the amount on the POS machine,

Swiped Viola's bank card on the machine, and handed it to Viola,

“Madam, please enter your password.”

Viola still retained the last piece of calmness, she knew that after this money was swiped out,

She would only have more than 2000 left in her card.

So, she hurriedly asked, "Girl, is it true what you just said about the cashback?"

"Of course." The sales girl nodded and said, "You swipe your card first,"

"And I will apply for cashback for you after you swipe your card."

Viola completely put her mind at ease.

If the cashback of 72,000 yuan is returned, she still has 74,000 left,

So she can spend it sparingly until her daughter and son-in-law return.

After Viola entered her password, a transaction voucher was automatically printed out.

The sales girl handed the voucher to Viola for her signature and then smiled,

"Congratulations, ma'am, this necklace is yours, I'll wrap it up for you."

Viola was also delighted, while nodding she asked:

"Hey girl, the cashback, when will it arrive?"

The sales girl was busy saying, "This is the way lady,"

"The cashback is operated by the finance of our headquarters,"

"I need to send your transaction voucher, there after the completion of the review,"

"The payment will be credited to this card that you paid with."

"Ah?!" Viola was shocked and asked, "How long will it take to arrive?"

The sales girl said, "Under normal circumstances, it should be in five to seven working days,"

"After all, logistics also need time."

Viola immediately anxious, subconsciously said:

"Oh, why did not you say that earlier ....."

"I thought it would immediately cash back to the account ....."

The sales girl hastily said: "Madam, if you are really in a hurry to use the money,"

"You can redeem some from the financials first because this cashback does take time, really sorry!"

“However, I believe that for a high-end customer like you,”

“It is certainly not possible to use this 70,000 or so in a hurry, right?”

Chapter 4553

When Viola heard this, she was a bit tearless.

But in order to maintain her identity as a noblewoman epitome,

She could only break her teeth and swallow them in her stomach.

After all, she felt in her heart: “I can’t have a fight with this sales for the arrival time of this more than 70,000 yuan,”

“After all, this sales girl is quite good to me, gave me so many discounts .....

“Not to mention that she did not talk about not giving me the money, it is that the process will take time.”

“How can I argue with her just because of this, won’t I be blind to do that.”

Thinking of this, she could not help but sigh from the bottom of her heart:

“The main thing is that my card is now left with not more than two thousand,”

“This money is enough to spend a few days with it .....

Thinking of this idea, she did not continue to talk about the problem anymore.

Yet on the surface, she pretended to laugh at the girl casually,

“It’s okay, it’s okay! I’ll go and redeem a little pocket money,”

The sales girl nodded and said, “Then don’t forget to come to the store for the lottery at around 1:00 or 2:00.”

“OK!” Viola said with a smile, “I will fight for the grand prize by then!”

The sales girl smiled: “I’m sure you’ll be fine!”

Viola nodded, put away her necklace, and said to Horiyah, “Horiyah, let’s go.”

Horiyah was so envious that she answered absentmindedly and followed her out of the store.

Once out, Horiyah could not help but say, “Sister Horiyah ..... your luck is really too good,”

“Such a good thing for you to catch, there is really none like this..... this is a bargain of a full 200,000 ah!  
“

Viola is also very happy, so said with a smile:

“To tell you the truth, since I started to draw a clear line with the Xiao family,”

“I totally feel that my luck is getting better and better each day,”

Horiyah sighed, “When will I be able to draw a line with this family,”

“Especially that dreadful old lady, I am now annoyed to death every time I see her!”

Viola smilingly said, “Why do you care about her, she doesn’t have many years to live anyway.”

Horiyah nodded, remembered something, and asked her:

“Sister, you said you’d buy me a bracelet, why don’t we go and have a look now?”

Viola said with an embarrassed expression, “What to look at,”

“I only have 2,000 in my card, how can we do that? I don’t have money to buy it.”

Horiyah was depressed and said, “So .....

“Why don’t you redeem some of your money now and come back tomorrow to buy it?”

“Redemption? I’m not sure if I’m going to be able to do this.” Viola didn’t pretend to be rich in front of Horiyah.

“You understand my situation, The money was all given by Marven. Before they left, he gave me 500,000, now I have 2000 in my account.”

“Huh?” Horiyah exclaimed, “Half a million is all spent?”

Viola shrugged: “Yes, it’s all spent, just waiting for their cashback to arrive.”

Horiyah had no choice but to nod and say, “Then we can only hope that they will arrive soon .....

After that, she cautiously said, “Then, Sister ..... when the money arrives, you do not forget what you promised me .....

Viola nodded and said briskly, “Since I promised you, I will definitely not go back on my word.”

“That’s good.” Horiyah breathed a sigh of relief and said to her,

“Sister, the harbor city upstairs is full of delicious food,”

“Don’t you want to go back to the store to draw a prize this afternoon,”

“So let’s go up and find a place to eat lunch?”

Viola waved her hand and said with a sad face,

“Eating here?? two people eating a casual meal will cost more than a thousand,”

“The rest of the money is all I have, I think it will take more than a week to get the redemption.”

Chapter 4554

Saying that Viola continued “Let’s go back to Tomson and order from outside, two ramen, eat and then come to the lottery.”

Horiyah said, “There is no need to go back, I know a Ramen restaurant near here.”

“And it has a good taste, one person can get it for 15 yuan,”

“Why don’t we go there to deal with hunger!

Viola said, “You want me to drive a Rolls Royce to eat Ramen? I can’t afford to lose my personality!”

Horiyah said helplessly: “Then, it’s better to go back to Tomson .....

Then, the two drove back to Tomson One, Viola ordered a meal,

She can’t wait to put on the new necklace, and bring a small dressing mirror,

And keep taking pictures of herself sitting in the dining room, eating a bowl of Ramen.

After eating, she has been thinking about the lottery.

She didn’t expect to win any 1.2 million grand prize,

As long as she could slightly win something, it was all for nothing to her.

.....

After eating, she and Horiyah returned to Harbour City again.

At this time, the store manager of the jewelry store had already received the raffle tickets that Warina had sent over.

This batch of raffle tickets were made by the printing house overtime this morning, and they still had a strong smell of ink.

When Viola walked into the store with Horiyah, the salesgirl from the morning rushed to welcome her and said with a smile,

“Madam, you are here! Please come to our store manager’s office!”

Saying that she deliberately lowered her voice and said to Viola,

“Madam, our lucky draw today is limited to high-end customers like you,”

“Ordinary customers in the store are not entitled to it,”

“So let’s keep a low profile and not let them know.”

Viola understood. She just liked the feeling of being different.

So, she immediately winked at Horiyah, and the two of them followed the sales to the store manager’s office at the back.

The store manager had been waiting here for a long time, and when he saw Viola come in,

He hurriedly said with a smile: “Hello, madam! I am the manager of this store, you can call me Zhang!”

Viola nodded and asked curiously, “Manager Zhang, you let me come here to draw a prize, what kind of prize is it?”

The store manager smiled, “Madam, let me tell you, this time, we only target high-end VIP customers,”

“The prizes are worth a minimum of 100,000 and a maximum of 1.2 million, and the winning rate is very high.”

“Huh!” Viola immediately came to life and said, “The lowest prize is worth 100,000? You guys are too generous!”

“Yes.” The store manager smiled and said, “This is our group’s activity, mainly to give back to the majority of VIP customers.”

Viola asked, “Can you reveal what the prizes are? Especially the first prize is worth 1.2 million, what exactly is it?”

The store manager laughed: “The first prize is our mystery prize, only you can scratch the ticket to know what it is.”

He said, somewhat apologetically: “By the way, lady, I have to apologize for one thing, our headquarters sent a notice today,”

“Recently because of the financial audit activity, the payment will be slightly slower,”

“For your cashback, you may need to wait for about 20 days or so.”

“What?!” When Viola heard this, her eyes suddenly went black.

Two thousand yuan to let her hold on for a week, she gritted her teeth but can still hold on.

Moreover, she just filled a tank of fuel for her Rolls-Royce yesterday with the highest standard gasoline.

It costs 1,000 yuan to fill it up, if she has to rely on 2000 yuan, she will have to eat chaff dishes.

The store manager said casually at this time: "But I believe that for a top-class like you,"

"This money should not be a worry, and I heard my employee say that you have already redeemed part of the financial seat pocket money, right?"

Viola at this time is dumb for having to bear the problem this time,

So there is a bitterness that she can't express, so can only helplessly nod and say, "Ah yes ..... yes ....."

The store manager nodded and hurriedly moved a lottery box from under his desk and said to her,

"Madam, you'd better draw the lottery first!"

Viola sighed and rubbed her hands together and said,

"Come on, let's try to draw the first prize to see what's good enough to be worth one million two hundred thousand!"

Chapter 4555

With that, Viola reached out and selected a lottery ticket from inside and took it out.

The store manager hurriedly put the raffle box back, and then said to her:

"Madam, you can scratch it off and take a look!"

Viola nodded, reached out, and used her nails to scratch away the coating of the prize redemption area.

When she saw the two words of first prize in front of her eyes, she was overjoyed and shouted,

"Oh my God, it's really the first prize! Hahaha!"

"It's the first prize! My goodness! My luck is too good! I'm not dreaming, am I?"

Seeing the two words of the first prize, Viola's heart still surged up.

Horiyah behind her heard what she said, and hurriedly came forward, putting her head down to look hard.

This look does not matter, the words "First Prize" are clearly printed in the prize redemption area.

At this moment, Horiyah's heart can't help but die.

"I really can't understand, Viola this bltch, why will have such a good luck."

“The moment she reaches out and draws the ticket, it is the first prize, is this still a fucking human being?”

“Seeing this stinky b!tch Viola win a 1.2 million, it’s really worse than losing a million and two myself!”

Viola was so happy by now that she hurriedly asked the store manager, “What is the prize for the first prize?”

The shopkeeper said, “You go on scratching the prize, it’s written below, but you have to scratch it to find out.”

Viola chanted, “It better be a million and two gold bars, I’ll sell it!”

After saying that, and can not help but mutter: “Or a one million two hundred thousand car is okay, new car resale discount rate is still quite high .....

She chanted while scratching the back of the scratching area.

With a line of words scraped out, she eyed the line of words, the whole person was dumbfounded.

Her mouth popped out word by word: “Congratulations ..... you ..... won ..... bay ..... stream .....G ..... six ..... five ..... zero ..... private ..... jet...Plane

Seeing this, her eyes widened and she blurted out, “OMG! It says I won a private jet! Private plane ah!”

“My goodness, I haven’t even driven this Rolls Royce yet, but I am given a private jet .....

The store manager said awkwardly, “Madam, you have to scratch further, there should be another line underneath .....

“There is?” Viola frowned and continued to scratch down.

Her mouth continued to chant, “Enjoy ..... the privilege ..... package ..... Go ..... to the ..... The United States ..... tour ..... one ..... time?!”

Speaking of which, Viola subconsciously read it coherently: “Congratulations on getting a Gulfstream G650 private jet,”

“Privileged charter to the United States once ..... What does this mean?”

The store manager started to explain, “Wow! Congratulations, lady, you can fly to the United States once for free on a Gulfstream G650 private jet!”

“What the h3ll is this ..... This is a bullsh!t prize .....” Viola wanted to cry and blurted out,

“Besides, what kind of plane is this? The first time I fly to the United States, it cost 1.2 million? How much can I pay for a ticket?”

The store manager said, "Madam, you must know that business jets are always very expensive,"

"Not to mention that the Gulfstream G650 is one of the best business jets on the market today.

Viola threw the winning ticket in front of him and hurriedly said,

"I don't want to go to the United States, why don't you give me a discount,"

"I don't want more, just give me a discount of one million."

The store manager said seriously, "Madam, this matter is not up to me."

With that, he turned the winning ticket over and pointed to the note on the back, saying,

"Look, it's already written here that all prizes are non-cashable and non-transferable."

Viola was sweating and said, "But why am I going to America?"

"And a 1.2 million charter flights! What a waste to sit alone on such a big plane!"

The store manager said, "Ma'am, this is a free benefit anyway, so if you don't want it, just give it up."

As he said, he remembered something, and said: "Oh yes, I will take the phone to record a video for you,"

"You just have to personally say to the camera, you are giving up this right to redeem the prize, and you are handing it over."

Then he reminded again, "And ah lady, your cashback amount when our finance can pay, I will tell you."

This statement from the store manager undoubtedly reminded her of something very important.

He made her realize that she was out of money!

Chapter 4556

"Right now, I only have a measly two thousand left on hand, so if I want to use this amount of money to live through the majority of the rest of the month,"

"Then I can only scrimp and save, buy vegetables and cook at home every day, or eat cheap take-outs at home ....."

"In addition to that, I'm afraid I can't afford to fill up that gas,"

"Even if I just drive my Rolls Royce out for a leisurely drive every day ....."

"In contrast, if I go to the United States at this time, I can go to join my daughter and son-in-law ah!"

“Just follow Marven eat tasty food drink spicy, but also play a good game,”

“Is that not better than to drink bland soup or to eat the chaff?”

“Moreover, when I arrive in the United States, I can completely excuse that I don’t have any money on me and not spend a single penny,”

“So that I won’t reveal the fact that I’ve spent all my money!”

Thinking of this, her expression instantly turned cloudy and rainy.

She hurriedly asked, “This plane flies to America, is it possible to fly anywhere?”

“Yes!” The store manager seriously said, “As long as it is any civilian airport in the United States, you can specify it, so that you can fly there directly.”

“In fact, this is much more convenient than taking a civil airliner, through the civil aviation to the United States,”

“There are very few direct flights, most of them have to transfer in South Korea, Hong Kong, or other stopover,”

“And there are only a few major cities in the United States you can travel to,”

“If you go to other smaller cities, you have to go to the place to transfer again, so it will take two or three tosses,”

“If you are on a private jet, you can just eat, sleep and play, and when you have had enough, you can go directly to your destination.”

When Viola heard this, she said, “Good, good! Great! Then arrange for me to go to that what Pro what ..... Pro what is it .....”

“The name of a city in the United States, in a hurry I forgot it.”

The store manager asked tentatively, “Is it Providence?”

Viola brightened up: “Yes, yes! That’s the place! Is there an airport there?”

The store manager thought about it and said, “I think there is.”

“The civil aviation industry in the United States is more developed, and there seems to be an airport in every city.”

Viola slapped the table and said, “Good! Let’s go here! When can we leave?”

“Anytime.” The store manager said with a smile, “If you have a U.S. visa, you can leave today,”

“If you don’t, we have a fast track to help you apply, the soonest you can apply tomorrow, and you can leave tomorrow night.”

Without thinking, she said, “Good! Tomorrow then!”

After that, she said with a happy face: “My daughter and son-in-law are there, when the previous talk, they said they are staying in the local best hotel in a presidential suite”

“That guy really is too grand! I heard that the light bedroom is several sq ft long, I just go over to find them and have a few days of a good time!”

Horiyah on the side was envious and couldn’t help but ask:

“Sister, the plane is chartered anyway, you are going to sit alone, two people can also sit, why not take me along,”

“Let me be a companion with you, besides Avella and Marven did not charter a presidential suite?”

“There are so many rooms, they are just empty, give me a room, you going away alone is quite meaningless,”

“I can also help you look after a bit, and also accompany you to relieve boredom!

Viola thought about it, it seems to be the same thing.

If she went to the United States to join Marven and Avella, then her family status will definitely be the last,”

“And then there will be no one around to kiss her a5s all day long.

If she takes Horiyah, it is different, she is always respectful in front of her like a nanny,

Take her, and she can also yell at her as a servant to make use of her any time.

Thinking of this, she immediately said to the store manager:

“Can you help my sister to get a visa too so that we can go to the United States together?”

Without thinking, the manager said, “Sorry, ma’am, this is not possible, we only provide single-person flight and visa services.”

Viola said discontentedly, “What’s wrong with you guys?”

“I just take a taxi, on the way to pick up a friend driver does not dare to refuse ah.”

The store manager laughed: “The driver charges you money, of course, he has to listen to your command,”

“We are talking about a prize here, all interpretation rights belong to our company,”

“So if you want to cash this prize, you must follow the rules of our company,”

“Otherwise it can only be regarded as you automatically give up.”

Hearing this, Viola immediately threw Horiyah into the trash can and spoke without hesitation,

“OK! Then I will go by myself!”

Chapter 4557

About going to the United States. Although Viola had already made up her mind,

She didn't know how to speak to Marven and Avella for a while.

Of course, she didn't dare to directly say that she had spent all her money,

And now she has no money to live, and she just happened to win a prize to fly to the United States for free,

So she flew over to join her daughter and son-in-law.

Therefore, she made up her mind to find her daughter Avella first to sell the plan.

However, it was already two o'clock in the morning in the United States at this time,

Viola hesitated for a moment, and decided to wait until the evening on her side,

And the morning on the American side to make a video call with Avella.

At the same time, Marven, who was in the United States, after confirming that Avella was asleep,

Put a little spiritual energy into her mind to ensure that she could sleep more steadily,

Then got up and dressed and left the Hotel.

He was going to see the man whose limbs were cut off by him.

Find out who the other party is.

At the door of the hotel late at night, a low-key black Cadillac has been waiting here for a long time.

Joseph sat in the driver's seat alone, and when Marven came out,

He was about to push the door and get out of the car to open the door for Marven.

Marven waved his hand at him, quickened two steps, opened the co-pilot's door, and sat in directly.

As soon as he got in the car, he asked, "How's the situation with that guy?"

Joseph replied respectfully, "Mr. Ye, that person has been safely controlled,"

"And there is a person watching him at all times, in order to ensure absolute safety,"

"I have all his teeth pulled out, he has no hands or feet, and it is impossible for him to commit suicide."

"Okay." Marven nodded with satisfaction, and asked again,

"While dealing with the corpses of the attackers, did you find anything?"

"Yes." Joseph said, "We took a look around, and we have a few points to report to you."

Having said that, Joseph paused for a moment and continued:

"First of all, their weapons and equipment are very advanced."

"The cost of individual soldier equipment is several times more expensive than that of the individual soldier equipment of the US special forces,"

"And they use the bullets are all specially made dummy bullets."

"When the bullet hits the human body, it will produce a powerful cavity effect."

"Once a hole is hit, the key point is that it also especially increases the amount of gunpowder in the bullet,"

"Raising the power of the bullet to a new level."

It's amazing that an eight-star warrior can carry dozens of bullets with this kind of power.

Normal people, even those of the level of the boxing champions like Tyson and Dwayne Johnson,

They would definitely be killed by one shot."

Speaking of which, Joseph continued: "Secondly, although these people were not martial arts people,"

"They seemed to have strengthened their bodies in some way."

"Not to mention, their physical strength is very strong, and they are definitely very human!"

Marven was curious. He asked, "How did you find out that their physical strength is very strong?"

"When I faced them, I didn't find any cultivation base or anything special about them."

Joseph said: "With Judging from the amount of gunpowder of their bullets,"

“The recoil of the gun would become very large when fired.”

“The recoil is comparable to that of a large-caliber sniper rifle.”

“In this case, even well-trained special forces must lie on the ground when firing.”

At least use shoulders to firmly press the butt of the gun to counter the recoil.”

“If you stand up and shoot with a gun, it is generally impossible to press the muzzle of the gun,”

“And your arms will be numb with one shot.”

“It’s even more impossible, and they can stand up and quickly light up the entire magazine,”

“Which proves that their physical strength was extraordinary.”

“And, my people reported that their flesh and bones are much stronger than ordinary people,”

Chapter 4558

Joseph continued: “Even the Martial arts masters are not too much to give up, because their meridians are not open,”

“So they rely on the strength of their flesh and bones to improve their combat effectiveness.”

After speaking, Joseph added: “I suspect that they should have other methods.”

“The quality has been greatly improved, after all, with this intensity of continuous shooting,”

“The three-star fighters are strong enough to be stable,”

“They can quickly play the entire clip without changing their face,”

“And their strength is at least above the four-star masters.”

Marven couldn’t help frowning, and said coldly: “These people are well-armed and well-trained,”

“And they were methodical and well-prepared for martial arts masters.”

“Even if they were not martial arts masters, they must have known martial arts masters very well,”

“And know martial arts masters. Where are the shortcomings, and then formulate targeted tactics.”

“Yes!” Joseph said seriously: “No matter what organization they are in,”

“Their method of greatly improving the physical fitness of ordinary people is really terrifying.”

“Although there are tens of thousands of mercenaries under us,”

“There are only a few hundred who can really practice martial arts.”

“The height of warriors, and these people can use unknown methods to raise ordinary people to this level,”

“If they could cover a large number of people, their strength must not be underestimated!”

Marven subconsciously frowned, He opened his mouth and said,

“I’ve never heard of this kind of method for ordinary people...”

With that, he asked him, “Have you heard of it?”

“Mr. Ye, none of your subordinates has this”.

As he spoke Joseph continued: “I know that there are some Martial Arts people outside,”

“Who have joined some mercenary groups, but this is the first time I have encountered this.”

“There are no direct clues yet. They collected faces, fingerprints, and DNA,”

“And then they would find a way to compare them in databases around the world.”

“Start with the identities of these people.”

“As long as the identities of the members are confirmed, they can dig out more clues. “

Okay!” Marven nodded and warned: “These people may be very dangerous,”

“And the real strength of the organization behind them may be above the Cataclysmic Front.”

“You must pay attention to the identities of these people when you investigate. It’s not the time to face the enemy.”

Joseph said solemnly, “Okay, Mr. Ye, your subordinates understand.”

Marven nodded and said, “Go to Long Island, I want to see that guy.”

...

Twenty minutes later.

The black Cadillac drove into the manor on Long Island, New York.

When Marven stepped into the basement, he saw the leader of today’s group of attackers,

Who was being fixed on a chair at this time? He was extremely sluggish and was dying.

His amputated limbs were wrapped in bandages, and his mouth was full of blood.

Above the severed arm, someone had put an infusion needle on him,”

“And a packet of medicinal liquid was hanging above it,

Which was being continuously delivered to the body.

Joseph said to Marven, “Mr. Ye, this guy has been resisting very strongly.”

“I gave him a tranquilizer. Now he should have passed out.”

Marven nodded, stepped forward, and stretched out his hand. Tap lightly on the other person’s head.

Immediately afterward, they saw the man’s body trembling slightly, and then he slowly raised his head.

The man opened his eyes and saw Marven in front of him with a panicked expression blurted out, “It’s you...”

Marven sneered: “What? Are you surprised to see me?”

The man thought with a single move, Marven could cut off his legs and those of his more than 20 subordinates.

He blurted out in horror and asked, “You... Who are you!”

### **Chapter 4559**

Marven said indifferently: “ It’s not your turn to ask me questions now.”

With that, he stared at him and said sternly, “Listen clearly to every word I’m about to say next,”

“My methods, I believe you have already learned them, so I have not much to say,”

“I will start asking questions from now on, you must know everything and say everything,”

“If you make me feel that you are fooling me, I will make your life worse than death,”

“And will not give you a second chance, you understand this?!”

Marven’s words made the man in front of him extremely frightened.

He couldn’t help thinking of the bloodbath a few hours ago,

When Marven turned him and his subordinates into cripples by himself.

He had never heard of this kind of terrifying strength.

What’s even more terrifying is that he never saw Marven make a move in the whole process!

Even Marven had no physical contact with them at all.

This is the most disappointing point for him.

With his knowledge of martial arts masters, even a dark realm master...

Would not be able to achieve such a strange long-range strike!

The internal strength and infuriating qi of a martial arts master can only achieve the so-called bullying from the air at most,

And the distance is extremely limited, and the power will be greatly reduced.

Like Marven, who can burst out such lethality without contact at all,

In his opinion, the strength may have reached a demigod!

And he still clearly remembered that when he crushed his dentures,

And the venom penetrated his whole body with his blood,

Marven was able to use a mysterious force to withdraw all the toxins from his body.

Even now, he can clearly feel that the venom is still intact in his belly,

And that mysterious power tightly wraps all the venom, so that it is completely isolated from his body.

Therefore, at this time, Marven, in his eyes, was like a god of death wielding a sickle.

Frightened, he blurted out and pleaded: "Sir, please give me a good time...kill me..."

"You want to have your say?" Marven sneered and said lightly:

"To tell you the truth, today the people you wanted to kill are my grandfather and grandmother's family,"

"Do you think I will give you pleasure? Since you want pleasure,"

"Then I will make you suffer, and it will last a lifetime."

After that, Marven stared at him and said coldly:

"I think you are only in your thirties. Although you have no limbs,"

"It should not be a problem to live for a few more decades."

"It just so happens that I still have some elixir that can prolong life."

“It should be easy for you to live another sixty or seventy years.”

“It just so happens that there are more high-tech now,”

“And there are some drugs that can make your nervous system amplify the pain hundreds of times.”

“The combination of the two will make sure, for the rest of your life, you will have a new experience every day!”

The man suddenly smiled, shook his head, and said,

“Impossible... Even if you don’t give me a good time, in a few days, I will definitely be dead...”

Marven couldn’t help frowning, and asked coldly,

“What? Do you think you are still capable of committing suicide?”

The man shook his head and smiled bitterly:

“How can I still look like a ghost? The ability to commit suicide.”

After that, he smiled miserably: “For us people, we have only seven days to live after we come out,”

“And when the seven days are up if we can’t return,”

“Our skin and muscles will burst and we will die, and then I will be rotten here.”

“Don’t be too surprised when it becomes a pool of blood and flesh.”

“Seven days?” Marven snorted disdainfully when he heard this,

Stepped forward and put his hand on the top of his head.

Immediately afterward, spiritual energy flowed into his body from the crown of the skull.

## **Chapter 4560**

It was only at this time that Marven discovered that...

This person’s physique was indeed different from ordinary people.

None of the eight extraordinary meridians are connected,

But the strength of the body is not inferior to that of the five-star warrior, just like steel and iron bones.

Moreover, even though his limbs have been chopped off, under the existing muscles,

The sense of strength is also very surging, the heartbeat is much stronger than ordinary people,

And every beat is like a high-pressure pump, pumping blood violently to the blood vessels throughout the body.

It's just that he is losing too much blood right now,

And although the heartbeat is strong, the blood vessels are a little shriveled.

In addition, what surprised Marven, even more, was that this person looked like steel and iron,

But he was not really steel and iron, but completely relied on the surging power hidden under his flesh and blood.

This power seems to be only temporarily stored in his body to help him strengthen his body,

But it was not tamed by him but was forcibly bound in his body by some force.

Because Marven found that this force has been trying to attack outwards.

With the continuous impact of this force, the force that binds it is also gradually weakening,

But each time it only weakens a little bit.

In this way, after a few days, this force will indeed break through this bondage,

And at that time, it is estimated that his body will likely be smashed to pieces by this force.

At this time, Marven finally understood why,

After all, this person is begging him to give him a happy ending, he acted like he was accepting his fate.

It seems that even if he doesn't give him a good time, he will surely die in a few days.

Marven smiled slightly at this time, and said, "Don't worry, you can't die with me here."

After that, he used his spiritual energy to directly seal the force that had been pounding outwards in his body.

In terms of the strength of that power, after Marven's aura sealed it,

Even if it could keep hitting without any attenuation,

It would not be able to rush out for 10,000 years.

The man's expression was still very slumped even more than before, but he immediately looked at Marven in horror,

And blurted out and asked, "You... what have you done to me?"

Marven sneered, "That kind of power in your body that you can't suppress,"

"It has now been completely sealed by me. In this way, you can live a hundred years!"

"If you don't explain it honestly, you may live in hell for decades to come."

"After speaking, he turned his head to look at Joseph, and said sternly,

"Joseph, if he doesn't explain honestly, use all the means you can think of."

"If he doesn't explain honestly these days, take him to Syria,"

"Build a special cellar to keep him in it, strip him naked, and throw him in an iron cage,"

"Then power up the iron cage, and inject him with enough drugs to make him feel 24/7,"

"What is it like to have an electric shock magnified a hundred times!"

When the man heard Marven's words, he suddenly trembled violently in horror.

Seeing that Marven's expression was extremely cold,

He knew that what this man said just now had absolutely no moisture.

If he really refuses to cooperate, he is afraid that he will experience eighteen layers of hell-like pain for the rest of his life...

He is not afraid of death. Those brothers with him are not afraid of death.

He is also not afraid of torture.

After all, he has been severely trained for so many years,

And he has an extraordinary ability to endure all kinds of torture.

However, he was afraid of endless, unending torture.

Thinking of this, he said emotionally: "I speak! I'll say everything!"

"As long as you promise to give me a happy ending after I finish speaking, I will definitely say everything!"

Marven said coldly: "You can't negotiate conditions with me."

"If you want me to give you a good time, just answer my question!"

The man nodded terrified and said, "You ask, if I know, I will answer!"

Marven asked coldly, "What are you guys? Organization?"

"Organization..." The man hesitated for a moment, then said,

"I don't know what organization we are... I only know that people like us are called dead men in the organization."

Marven asked: "What is a dead man?!"

Hearing Marven's question, the man opened his eyes wide and shouted hoarsely like a conditioned reflex:

"Those who live for the sake of death, and are willing to die generously for the Master at any time, we are the dead men!"
