

The Amazing Son In-Law Chapter 4591-4600

Chapter 4591

Marven smiled slightly: "Miss Liu, to tell you the truth, I have received professional training."

"Yes, under normal circumstances, I won't laugh." After speaking, Marven couldn't help laughing:

"Under normal circumstances, I won't laugh, unless I can't help it! Hahahaha!"

Marven suddenly laughed, causing both Gerard and Bella to be shocked and angry at the same time.

Only then did they understand that the reason why Marven kept mentioning,

The topic of roast goose was not because he missed the taste as he said,

But because he had been deliberately teasing them all the time!

However, Jemima was not surprised at all, but was amused by Marven's sudden sharp turn,

And the two facing each other tacitly laughed together.

Gerard's face became more and more ugly with the laughter of the two.

After a while, he slammed the table, looked at Marven, and shouted angrily:

"Mr. Ye, from the moment we met, I treated you with courtesy and treated you as a guest,"

"But why did you do this? Deliberately humiliating me?!"

Marven was not nervous at all, and smiled lightly:

"Humiliating you? Mr. Liu, what do you mean?"

"Although this is your home, you can't even make me laugh. Right?"

Gerard said with a red face: "I invited you to come home to discuss cooperation with you,"

"Not to let you take the opportunity to make fun of me! This is too rude!"

Marven said innocently: "Mr. Liu, what do you mean by that?"

"The reason why I laughed just now was that Miss Liu kept making me laugh."

"We are both young people. When she laughs, I want to laugh too. Is there any problem?"

Gerard said angrily: "But you clearly know what roast goose means!"

“Doesn’t what you said just now mean that you admitted that you did it on purpose?”

Marven’s face was full of blank words: “Roast goose is a roast goose, besides being edible,”

“What else can it mean? The reason I said this just now was because I thought,”

“That Miss Liu was intentionally teasing me and wanted to see if I could hold back my laughter,”

“So I also wanted to play a little game with her, which is considered to enhance mutual understanding.”

After speaking, he looked at Jemima very seriously, and said,

“It’s my honor to be able to make a beautiful girl like Miss Liu smile.”

“If you say something over your own strength, the ancients don’t always say,”

“A fair lady, What a gentlewoman, when I saw Miss Liu, I naturally wanted to show her a little effort, is this wrong?”

As soon as Marven said this, Jemima’s expression instantly became a little unnatural.

She didn’t expect that Marven suddenly brought the topic to her,

And in addition to being ridiculed, she seemed to be a little serious.

Gerard was also a little confused at this time.

He really couldn’t figure out whether Marven was trying to make fun of him,

Or whether he was really trying to please his daughter.

If it is the former, then it must be unbearable with his own temper,

And he must settle accounts with Marven, otherwise, how can he be worthy of his current status?

What’s more, his wife is sitting opposite him. If he is ridiculed in front of her, where should he put his face?

But if it’s the latter, then the whole thing goes exactly as he expected.

Because, his original idea was to pull out his daughter, let her take away Marven’s soul,

And then strike while the iron is hot and finalize the cooperation with him.

After the cooperation is settled, with his daughter’s character,

She will never give Marven any chance to take advantage.

In this way, he is the winner who has the last laugh.

Others will say that this kind of trick is called the empty-glove white wolf.

But in Gerard's view, this is clearly a lure master fishing with simulated lures.

Ordinary people while doing fishing, in addition to fishing gear,

Also need to prepare all kinds of bait and nest material,

And try every means to let the fish in the water open their mouths.

Chapter 4592

But Lure masters are different. Lure masters only use anti-real bait.

The fish eats the artificial bait and is caught.

The bait can be used continuously after it is removed.

As long as the technology is good, it can be reused indefinitely without additional payment and cost.

Therefore, at this time, he did not dare to continue arguing with Marven on this issue.

After all, he also planned to catch the big fish of ISU Shipping,

So he tried his best not to turn against Marven.

As long as Marven didn't make it clear that he was laughing at himself,

The green-haired turtle then had to pretend that he didn't know about this matter to be treated.

So, he quickly changed his expression and said with a smile:

"So that's the case, Mr. Ye, it seems that I misunderstood you, and I will punish myself with one drink!"

After speaking, he immediately picked up the wine glass and drank the white wine in it.

Marven nodded with a smile, and said,

"I really didn't expect that the mere roast goose would make Mr. Liu so unhappy."

"If so, then I won't eat roast goose at night."

Gerard didn't expect Marven's mouth to be inseparable After opening the word "roast goose",

He could only bite the bullet and say with a smile:

"Okay, okay, I will have someone prepare western food at home that night!"

Marven waved his hand, looked at Jemima, and smiled:

“Miss Liu is not going to take me for a walk this afternoon.”

“To show me around Hong Kong? If it is convenient, how about we have something to eat outside together at night?”

Jemima was suddenly overwhelmed by Marven.

She firmly believed that Marven knew the allusion behind the roast goose,

So he deliberately led her to admit it, but she did not expect that after playing tricks on her father,

He actually rounded up the matter again with her.

It was also at this moment that Jemima felt that the young man surnamed Ye in front of her was definitely not simple.

Even, she has begun to doubt Marven’s purpose in coming to Hong Kong.

If he really came to talk about cooperation,

Why should he seize the handle of her father and stab him repeatedly?

The man seemed to have a plan to make her father uncomfortable.

Thinking of this, she also wanted to explore Marven’s real purpose, so she said very cheerfully:

“Since Mr. Ye wants to eat out at night, then I’ll take you to try the authentic Hong Kong-style snacks.”

“Okay!” Marven said with a smile: “A word is settled!”

Gerard finally breathed a sigh of relief when he saw Marven’s smiling expression at this moment.

In fact, he is not sure whether Marven is deliberately mocking him,

But he is reluctant to get to the bottom of it right now. According to his plan,

Just Let Marven and Jemima get to know each other today, and then give them some private time.

Take Marven to the company and start chatting with him about cooperation.

He thought to himself: “As long as the cooperation can be negotiated,”

“It doesn’t matter whether the surnamed Ye is mocking me or not;”

“But if the cooperation cannot be negotiated, then I will definitely not suffer from this dumb loss,”

“Since he has arrived in Hong Kong. If he wants to leave this place, he must pay the price!”

Thinking of this, he immediately said with a smile: “You two young people can eat out alone at night,

We are old, and we are not used to eating outside, so we will not join you.”

After speaking, he looked at Jemima and said, “Jemima,”

“Ask Amin to accompany you with the motorcade in the afternoon, and if anything happens, just tell him directly.”

“No need.” Jemima shook her head and said:

“I’ll drive with Mr. Ye, don’t let Amin follow us when there are too many people and I’m uncomfortable.”

After that, she looked up at Marven and asked, “What do you think, Mr. Ye?”

Marven knew Jemima wanted to find an opportunity in private,

So he also followed the flow and said, “Of course, I firmly support all of Miss Liu’s decisions.”

Chapter 4593

Gerard saw that Marven seemed to have a love for his daughter, and he was finally relieved.

The fish has already spoken, and the rest depends on when he bites the hook.

Satisfied, Gerard said, “Mr. Ye, I have something to do with the group in the afternoon,”

“So I won’t accompany you. Let Jemima be with you and have a good time in Hong Kong.”

Marven nodded and said casually: “Mr. Liu, feel free to do anything,”

“As long as I have Miss Jemima to accompany me.”

Gerard nodded with satisfaction and instructed his daughter:

“Jemima, please help me entertain Mr. Ye.”

Jemima was also unequivocal and asked directly said:

“When will you arrange the 50 million donations you promised?”

Gerard said casually: “As long as you are obedient, within three days,”

“I will have the finance transfer the money to your foundation’s account.”

Jemima while nodding said: "Mr. Ye is here to testify, you must speak your mind."

"That's natural!" Gerard said with a serious look:

"You old bean, it has been so many years, when have I never followed my words?"

When Marven heard this, he suddenly felt a little disgusted in his heart.

He didn't know how many times Gerard broke his word in his life,

But he knew that after his father died, Gerard broke his promise to his father.

It's just that Jemima didn't know this. When she heard Gerard say this,

She felt relieved and said, "That's good!"

Marven looked at Gerard and wanted to ask him if he still remembered Changying Ye,

And whether he still remembered the words. The agreement between him and that man.

But thinking about it carefully, if he asks this question now,

Gerard must have a hint that he came to Hong Kong this time for Hogan and not to discuss cooperation with him.

Even, it is very likely that he thinks of his father because of this,

Combined with his surname Ye, combined with his resemblance to his father, can deduce his identity.

Thinking of this, Marven temporarily suppressed this urge.

He flew more than 10,000 kilometers to Hong Kong,

And he couldn't reveal his identity so easily, it would be no fun.

So, he looked at Jemima and said with a smile,

"Miss Liu, since the meal, is finished, why don't we go first?"

Jemima nodded and said, "Okay, then let's go."

Marven stood up and said to Gerard and Bella,

"Mr. Liu, Mrs. Liu, thank you for your hospitality, and Miss Liu and I will go out for a walk."

Gerard said with a smile, "Okay, then Mr. Ye have a good time first,"

"Let's have a talk about business tomorrow."

...

Marven and Jemima came out of the restaurant side by side, Jemima said to Marven,

“Mr. Ye, please wait a moment, I’ll go upstairs to get something.”

Marven asked her, “Miss Jemima, you need my help with anything?”

“No need.” Jemima said casually: “It’s just some personal belongings,”

“Please wait for me here for a while, and I’ll come down immediately.”

Marven nodded: “Okay.”

Jemima took the elevator upstairs, After a while,

She walked out of the elevator holding a cardboard box.

Marven took the initiative to step forward and said, “Miss Jemima, let me get it for you.”

Jemima nodded slightly: “Thank you, Mr. Ye.”

Marven took the box and hugged it, and went out of the villa with her.

In the yard, Jemima walked straight toward a normal version of the Tesla Model 3.

Tesla’s cheapest entry-level sedan looks out of place in a yard full of Rolls-Royces and Maybachs.

Chapter 4594

Marven didn’t expect that she would drive such an electric car of not expensive than 200,000 yuan,

And he couldn’t help being a little surprised.

Jemima also saw the surprise in Marven’s eyes, and said,

“Mr. Ye, my car is a bit crude, please don’t mind.”

“Not at all.” Marven waved his hand and said with a smile,

“I am not a little concerned about the car. Don’t be particular about it,”

“Let alone an electric car with four wheels, even if it is an electric bike with two wheels, I’m fine.”

Jemima nodded and said a little coldly:

“That’s good, please Mr. Ye helps me with the things. Put it in the trunk.”

“Okay.” Marven readily agreed, and after putting things in the trunk, he opened the co-pilot’s door and sat in.

Jemima was already waiting in the driver’s seat at this time.

After Marven got in the car, she drove the Tesla directly out of the villa.

As she drove down Shixun Road, she asked Marven,

“I don’t know where Mr. Ye wants to go for a stroll in the afternoon?”

“I can go anywhere.” Marven smiled and said, “As you please, you can take me any place of your choice.”

Jemima nodded, glanced at Marven, and asked,

“By the way, Mr. Ye, I have always wanted to ask you a question. I don’t know if it is convenient?”

Marven asked with a smile. “Does Miss Jemima want to ask me if I am single now?”

“No.” Jemima frowned slightly and said, “I just want to ask Mr. Ye,”

“If you know the reason behind the frequent mention of roast goose at the dinner table just now. What does it mean?”

Marven felt that Jemima seemed to be aware of it, so he shook his head:

“I just said it casually, I don’t know what is the meaning behind it,”

“And I wonder if Miss Jemima can explain it?”

Jemima said lightly: “My father used to have a subordinate named Hogan.

Later, this man eloped with my current stepmother to the United States and opened a roast goose shop in Chinatown.”

“The matter of the two of them eloping has always been a very sensitive subject for my father.”

“So roasted goose is a taboo for him.”

Marven said lightly: “Miss Jemima, with all due respect,”

“Your stepmother doesn’t look like someone who can endure hardship.”

“Indeed.” Jemima said: “She usually doesn’t even bother to wash her own underwear,”

“And has several servants waiting around her every day at any time.”

After speaking, she couldn't help but sigh:

"However, it is this kind of pampered personality, and one can't expect her,"

"To be able to follow Hogan to open a roast goose shop for a few years in the United States."

Marven said casually, "It seems that she and that Hogan had the true love."

Jemima shook her head and said, "This, I don't know." After speaking, she looked at Marven again and asked,

"Mr. Ye, do you really not know about these things?"

Marven shrugged and said, "I know Mrs. Liu eloped with someone before."

"You should have heard about it all over Hong Kong,"

"And many big entrepreneurs will talk about it as gossip after dinner,"

"But I haven't heard of what she did abroad after eloping with others."

Marven saw that Jemima was not an ordinary woman,

So he didn't want to let her realize his true motives.

After all, even Gerard has only recently learned about Hogan's opening of a roast goose shop in the United States,

And this incident has not been reported back to Hong Kong.

If an outsider admits to knowing, it means admitting that he and Hogan have a relationship.

Jemima was a little skeptical. She always felt that Marven's mention of roast goose,

At the dinner table seemed to be intentional, but when Marven said this,

She also felt that there was no loophole in logic.

After all, Marven's identity is a high-level assistant of ISU Shipping,

And he came from the mainland, so it is unlikely that he knows about Chinatown in the United States.

So, she put the matter behind her and said to him,

"Mr. Ye, if you don't have a designated place to go, then we'll go to Tsim Sha Tsui first,

Where my classmates and I organized a meeting. A charity sale, I will drop the things in the car over there."

Marven nodded and said, "No problem with that."

Chapter 4595

Tsim Sha Tsui is one of the most prosperous commercial centers in Hong Kong and a shopping paradise.

According to Jemima, she and her classmates have been raising funds,

For a charity sale in the central area of Tsim Sha Tsui Commercial Street these days.

According to everyone's original division of labor, she was going to come back tomorrow,

But she was called home from school by her father at noon,

And she agreed to take Marven around in the afternoon,

So she simply brought the things that she had prepared for the charity sale with her as she was coming here, by the way.

Moreover, she really didn't know where to take Marven.

She spent most of her time at home and school. Apart from doing some charity,

She didn't have any entertainment activities on weekdays,

So her father asked her to give Marven a company as a tour guide,

So she simply went about her own business and took Marven along.

Marven came with his parents several times when he was young.

He felt that because of the small area of Hong Kong,

There were many people, and cars, and most of the streets were narrow and cramped,

So he was not interested in the wandering around Hong Kong,

So he planned to follow Jemima and walked around to have a look in general.

Jemima drove the car into the parking lot of a shopping mall in Tsim Sha Tsui,

And then got out of the car with Marven.

Marven went to the back of the car, opened the trunk, and helped Jemima get her personal belongings.

At this time, an all-black Rolls-Royce Cullinan parked in front of Jemima Tesla's car,

The cab window was lowered, and a boy in a suit and leather shoes with neatly combed hair said in surprise:

“Jemima, weren’t you coming over tomorrow? Why are you here now?”

Jemima frowned slightly and asked him, “What are you doing here?”

The other party smiled and said, “I didn’t hear that your Hong Kong University is holding a charity sale,”

“So I thought about it. I came here to support you, I heard that you are coming tomorrow,”

“I didn’t want to be too deliberate, so I came early today, I didn’t expect you to be early too, it’s so fateful!”

Jemima asked again: “How do you know that I’m coming tomorrow?”

The young man known as Henry Zhong smiled and said:

“I happened to pass by here at noon and saw the school badge and volunteers of your University,”

“So I went over to ask, and I found out that it was a charity sale organized by you,”

“So I asked. When are you coming over? They told me that you are coming tomorrow.”

“You know me. I don’t like being active, so I thought about going home,”

“And getting a few watches and donating them before you came. It’s such a coincidence to meet you here.”

He said flatteringly, “Oh, by the way, Jemima, in order to support your University Charity Sale,

“I brought a few Patek Philippe and Rolex watches to support you,”

“And there are two parrots. The total price is almost four million.”

Jemima said with a cold expression: “I’m sorry, Mr. Zhong, we are all selling small personal items for charity here,”

“And the maximum unit price does not exceed 10,000 HKD.”

“These things of yours are too expensive, and it is difficult to sell them on such occasions, thank you for your kindness.”

Henry waved his hand: “It doesn’t matter, although it is a watch worth more than four million,”

“It can be priced at three million. Well, the price is good, I believe it will be sold out soon.”

After saying that, he deliberately winked at her and said with a smile:

“I’m here to cheer you up, the famous Jemima organized the charity sale,”

“If there are not many pieces. Valuable commodities are really unreasonable, am I right?”

Jemima shook her head and said lightly: “Thank you for your kindness,”

“But the reason why I organized a charity sale is to make charity work more grounded and lower the threshold.”

“At the lowest level, so that more people can participate,”

Chapter 4596

Jemima continued: “After the valuables, you mentioned come in,”

“It will dampen the enthusiasm of ordinary people to participate in charity, so there is no need.”

Henry hurriedly said: “Jemima, if you think it’s not suitable,”

“Then I can donate money, how about 10 million HKD?”

Jemima said: “Donation is not a problem, our charity foundation has opened a notarized account,”

“You can send money directly to the account, and you can also make a note to be an anonymous donor.”

“Or real-name donation, if it is an anonymous donation, we will write the enthusiastic citizen,”

“If it is a donation in real name, we will write your name on it.”

After speaking, Jemima said again: “But since Mr. Zhong doesn’t like to be too active and deliberate,”

“Then I think it is more appropriate for you to choose the anonymous donations option`.”

Henry’s expression suddenly became ugly.

He originally wanted to take advantage of Jemima’s absence today and hurry to show it first.

As soon as a few precious watches are taken out, it is estimated that the volunteers here will definitely be in an uproar.

While admiring him, they will definitely contact Jemima as soon as possible,

And then he will be able to passively pretend to be in front of Jemima.

When he suddenly bumped into Jemima just now, he felt that God was helping him,

And this was just a good way to put on a wave without showing any signs.

But unexpectedly, Jemima didn't appreciate him.

Even with a few words, she dug a hole for him.

Now that it is difficult for him to ride a tiger,

If he doesn't want to lose face, he can only honestly cash in the donation of 10 million HKD,

And according to Jemima, it must be an anonymous donation.

Seeing his embarrassed expression, Jemima said indifferently,

"It doesn't matter if Mr. Zhong goes back on his words, just treat it as if you didn't say it."

Upon hearing this, Henry blurted out without thinking,

"No! Absolutely not! How could I go back on it?"

"Isn't it just 10 million HKD? I'll transfer the money right away!"

After saying that, he picked up the phone.

Jemima nodded: "Then turn around slowly, I have something else to do, so I'll go first."

Then, seeing Marven's delay in showing up,

She turned around and glanced at the back of the car: "Mr. Ye?"

Marven was at this time Leaning his head out, he joked with a smile:

"Oh, I won't delay the two of you, right?"

"You can continue, just pretend I don't exist, and I'm not in a hurry."

Jemima knew that Marven was making fun of her, so she complained a little and said,

"Mr. Ye, you are the fiance my father arranged for me."

"What do you mean by hiding behind the car at this time? Are you not a man?"

When Marven heard this, he couldn't help but cracked his mouth and smile.

He somewhat admired her.

One is that he admires how fast this girl turns her head;

The other is that he admires that she doesn't wait to have revenge and will give it on the spot.

He was just making fun of her, he didn't expect her to turn her face and use him as a shield,

And by the way, she also damaged him, and it was indeed something.

However, Jemima underestimated Marvin.

She doesn't hold grudges overnight, and neither does Marvin.

So, Marvin said with a look of shame: "I'm sorry, Jemima, it's my fault."

"If I encounter such troublemakers in the future,"

"I will definitely stand in front of you as soon as possible."

Jemima nodded with satisfaction and spoke:

"In the future, when you stay with me, you must not be so girly,"

"You must be tougher and more manly! Otherwise, how can you give me a sense of security?"

"You are right." Marvin said seriously: "My previous personality... is really too timid."

Chapter 4597

Jemima couldn't hold back her smile, and said, "You know it!"

At this moment, Marvin put one arm under the cardboard box, walked to Jemima,

And took advantage of her unpreparedness. He reached out and grabbed her other hand and held it tightly,

His eyes and tone were firm and he said, "Dear, please believe me,"

"From now on, I will do my best to protect you, Never let you get hurt!"

Jemima was caught by Marvin's little hand, and the first reaction was like being electrocuted,

Wanting to break free, Marvin's grasp was strong, and Jemima couldn't pull it out at all.

Moreover, she didn't dare to blatantly forcefully pump.

Because in that case, she is afraid that Henry will see through the trick between the two at once,

And then he will really come back stronger.

So, she could only suppress the anger in her heart and said to Marvin, "You'd better do what you say!"

After speaking, she said to him, "Let's go!"

Henry's face was ashen, and he blurted out: "Jemima! Who is this guy?!"

Jemima was still holding hands with Marven, feeling very irritable, so she said angrily,

"Didn't you hear what I said just now? He is my fiancé!

"How is that possible!" Henry said angrily as if his tail had been stomped on:

"My dad had dinner with Uncle Liu only last week, and Uncle Liu said he was in favor of me being with you,"

"And he also said that we can develop a relationship."

"I hope I can work harder, it's only been a week, how come you have a fiancé?!"

Jemima pointed to the right hand held by Marven, and said with a serious expression:

"You also know that I don't post updates on social media. If he isn't my fiancé,"

"How could I have let you hold my hand? You should have slapped him a long time ago!"

Marven knew that Jemima was talking about him, so he sternly confronted Henry and shouted:

"What do you mean? Do you want to pick up my fiancée? If you dare to pester her again,"

"Be careful that I will slap you to death!"

After speaking, he turned to Jemima and asked seriously, "Dear, I am like this! Am I a man enough?"

Jemima wanted to die in depression, but she could only bite the bullet and say,

"Enough is enough... You've changed so fast all of a sudden, I'm a little uncomfortable..."

Henry was in a hurry at this time. Pointing at Marven, he scolded:

"What the hell are you doing? Dare to talk to me like that?"

"Haven't you heard of the Four Dragons in Hong Kong?!"

Marven shook his head, and said blankly:

"What are the four dragons in Hong Kong? I came from the mainland, and I have never heard of it."

"You lost it!" Henry gritted his teeth: "You haven't even heard of the Four Dragons in Hong Kong."

"If you do, you dare to pretend to be in front of me,"

“Believe it or not, I will let you go this time!”

Marven quickly asked Jemima with a look of panic:

“Dear, who are the four little dragons in Hong Kong? Are they big?”

Jemima’s hand was held by Marven all the time, feeling very depressed,

And said with a look of hopelessness: “The background... the background is quite big,”

“His father is one of the top five in Hong Kong by strength.”

“And he has a deep relationship with the famous Hongmen, he belongs to the kind that can do anything.”

Marven asked in surprise: “Ah? What should I do? Can my future father-in-law help me settle it?”

Jemima shook her head: “My dad can talk to Hongmen, so it should be settled.”

After speaking, she saw that Marven seemed to be really scared, so she said,

“But if you are scared, just say it, I Let my dad arrange for you to run away,”

“You can leave Hong Kong, they shouldn’t do anything to you.”

Chapter 4598

Henry also heard the conversation between the two, and shouted coldly:

“Boy, you fcuking provoked me and now want to run away.”

“Let me tell you if you don’t kneel in front of me and kowtow three times,”

“And slap yourself a hundred times in this matter today, I, Henry Zhong, will never let you go!”

Marven raised his eyes and looked at him, asked suspiciously, “Are you kidding me?”

“Just kidding?” Henry thought that Marven was afraid, and said angrily:

“What the hell are you thinking, I will joke with you like this?!”

Seeing Henry’s fierce appearance, Jemima couldn’t help realizing that he seemed to be playing a big game,

So she didn’t care about Marven holding her hand, and quickly pulled him aside and whispered,

“This guy is very bad. If you mess with him, you should apologize to him,”

“And not fight for this matter, otherwise, I’m afraid my dad won’t be able to protect you...”

Marven couldn't help smacking his lips, put away his playful expression, and said,

"Let me, apologize to a bedbug, if this spreads out,"

"What will my fathers and fellow villagers think of me in the future?"

"How will the big yellow dog at the head of the village think of me?"

"After that, he turned his face, looked at Henry in the car, put away the joking expression, and said seriously:

"Boy, according to my previous temper, I will just say a few words to you just now,"

"I will definitely call my royal body calligrapher, slap you 10,000 in the face first,"

"And then put some calligraphy on your forehead, but you are lucky,"

"I came to Hong Kong this time, not to waste my time on fish and shrimp-like you,"

"So from now on, don't let me see your face again, otherwise,"

"I'll turn you, the four dragons in Hong Kong, into a worm in Hong Kong!"

Jemima was surprised to hear that, when she wanted to stop Marven, it was already late.

Henry was instantly furious at Marven's anger, and pointed at him and said coldly:

"You are really courting death! Do you know that no one in Hong Kong dares to talk to me like this!"

Marven was too lazy to pay attention to him, and said lightly:

"Remember what I said, avoid my sight, or you will be finished if you see me again."

After that, he took Jemima's hand, turned around, and walked towards the exit of the parking lot.

Henry didn't catch up, but while looking at Marven's back through the rearview mirror,

He gritted his teeth and took out his mobile phone and made a call.

At this time, Jemima, who was dragged away by Marven, stomped her feet in a hurry and blurted out,

"Mr. Ye, why do you have to compete with that person!"

Marven asked her back: "Isn't this what you want? Do you not want to let me be your shield,"

"Then I will do what you want, how about it, are you satisfied with the effect?"

Jemima blurted out: "I asked you to be my shield, but I didn't expect you to speak harshly to him."

"You don't need to say anything, just leave with me, there's no need to provoke him at all!"

"This man will have a grudge! He will definitely trouble you!"

She suddenly stopped and grabbed Marven's hand. As he was about to go back, she said eagerly,

"No! You hurry back with me, and I will ask my dad to arrange for someone to take you off Hong Kong immediately!"

"No need." Marven pulled her with a little force, then dragged her out,

And said indifferently, "Apologizing is not my style, let alone running away,"

"The mere four dragons in Hong Kong are not enough for me."

"I can stick them in my teeth if all the four little dragons were here,"

"I would fry them and could serve them as a dish."

"You..." Jemima stomped her feet anxiously as she was dragged away by Marven,

And her feet slipped. she blurted out: "Mr. Ye! This is not the time for you to say harsh words,"

"They will kill you if you don't stop now! It's all my fault,"

"I'm begging you, okay? You come with me first!"

"If you still want to talk to my dad about cooperation,"

"Then simply let my dad come to the mainland to find you, okay?"

"No." Marven said lightly: "You promised your dad to take me around,"

"And you also promised your dad, you are going to take me to taste the authentic Hong Kong snacks in the evening,"

"You have to fulfill these promises first, and then tell me about other things~~~~"

Chapter 4599

Jemima almost collapsed at this time.

Now she is powerless to care about being held by Marven, she just wants to get herself out of trouble and solve it quickly.

Pulling other men to do things like shields, which she has seen many times on TV, but she had never done it herself.

Just as Marven made a joke just now, she couldn't help but think of a prank.

But she really didn't expect that he could turn things into such an out-of-control situation step by step.

This also made her feel scared for the first time because she was joking,

And even her voice was a little choked up, and she begged:

"Marven, I beg you, leave Hong Kong first, and you can come back later,

But if you don't leave today, it will be very troublesome!"

Marven saw that her eyes were flushed, and she was about to cry, so he stopped,

Let go of the hand that was holding her, and said seriously,

"Miss Liu, you don't have to worry about me, I'll tell you the truth,"

"I came to Hong Kong this time just to find trouble!"

He said indifferently, ignoring Jemima's surprised eyes,

"I came to Hong Kong, someone provokes me, I want to deal with him;"

"If no one provokes me, I will find a group of people to come out and play a game!"

"If that Henry has nothing to do with Four Dragons, then I may not be too lazy to know him in general,"

"But since he has a close relationship with Four Dragons Shen, even if he doesn't provoke me today,"

"Tomorrow, the day after tomorrow, and the day after tomorrow, I may come to the door and clear Four Dragons!"

"Are you crazy?!" Jemima was stunned and blurted out:

"You If you don't talk about good business, what do you do when you come to Four Dragons?!"

"Do you know what Four Dragons is? In Hong Kong, no matter how rich the richest man is,"

"He doesn't dare to fight against Four Dragons, they will kill people!"

Marven naturally couldn't tell Jemima that he had read the information given by Joseph,

Before getting off the plane. This time, there were many forces in Hong Kong.

Who wanted to kill Hogan and take 30 million, and the name of Four Dragons was listed in it.

Therefore, before Hogan is sent back, he had to touch Four Dragons himself,

So he smiled and said to Jemima, "It's alright, I like to seek excitement."

After that, he intentionally ended the topic,

He dragged the cardboard box in his arms and asked her,

"Aren't you going to deliver something? Let's go?"

Jemima was helpless, sighed, and said, "I'll call my dad to see if he can find a solution."

Marven frowned, turned around, walked out, and said,

"If you tell your dad about this, then I won't go back to your house at night,"

"And I'll ask about Four Dragons when I go out."

"Where is the old nest of theirs, go and talk to them directly."

"You..." Jemima was speechless, she had been completely broken down by Marven's indifferent attitude,

So she could only grit her teeth and said,

"Okay, since you don't want to go, from now on, I will follow you wherever you go!"

"Okay." Marven agreed casually, and said, "Anyway, you are my guide, so just follow."

Jemima was speechless, she could only sigh, ran two steps to keep up with him,

And said, "Then we won't eat out tonight, we will go home early."

No." Marven waved his hand: "If you want to go back home,"

"I really want to experience the nightlife in Hong Kong."

Jemima reluctantly said: "Okay, okay... I'll be with you..."

Marven nodded, took out his mobile phone, and called Joseph.

As soon as the call was made, Joseph said respectfully, "Mr. Ye, what are your orders?"

Marven glanced at Jemima and asked, "Have you investigated Henry Zhong before?"

"Master I have investigated," Joseph said:

"Henry is the eldest son of Herman Zhong, the richest man in Hong Kong."

“Herman’s assets can make it into the top five even the top three in Hong Kong,”

“But he has a deep relationship with Four Dragons.”

“Four Dragons is now a big player. The head of the family is his adoptive father.”

Chapter 4600

After speaking, Joseph said again: “By the way, Four Dragons is very interested in Hogan’s secret head bounty this time.”

“The legal system of Hong Kong has been getting better and better these years.”

“He is also more serious, and there are many younger men under him,”

“The expenses are huge, and the overall financial situation is relatively tight.”

Marven asked him: “Four Dragons is so poor, doesn’t Herman usually help?”

“Helps.” Joseph said: “ If Herman didn’t help, Four Dragons would have started laying off staff long ago.”

“Herman had a lot of help when he made his fortune in Four Dragons,”

“So Four Dragons also relied on this point and kept reaching out to him.”

“Later, when Herman grew up, he also wanted to leave some ties with Four Dragons.”

“So he helped Four Dragons start its transformation. Four Dragons now have four main income channels,”

“One is to open pawn shops, one is to open nightclubs and bars,”

“One is to smuggle frozen meat, and the other is underground casinos,”

“In addition to casinos, the first three businesses were all started by Herman.”

Marven hummed and said, “Which is the biggest nightclub under Four Dragons?”

Joseph replied, “It’s called Inspur Club, in Lan Kwai Fong.”

“Hmmm”...” Marven whispered softly and said with a smile, “Okay, I see.”

He hung up the phone and said to Jemima beside him,

“Miss Jemima, why don’t we do this, let’s eat at night. After dinner, take me to a nightclub.”

Jemima’s head was about to explode, she subconsciously asked,

“Marven, you asked about Four Dragons’ nightclub on the phone just now, shouldn’t you be going?”

Yes.” Marven smiled slightly: “Go and experience the famous nightlife in Hong Kong.”

Jemima blurted out: “Then you can’t go to Four Dragons’ nightclub by name!”

“You just offended Henry. It’s very dangerous there!”

Marven laughed: “The danger is for sure, but who is the danger, in the end, we have to look at this.”

Seeing Marven’s playful and understated look,

Jemima was very concerned about his arrival road, she is now more confused.

From Marven’s phone call just now, she can conclude that he is by no means so reckless as he seems,

And he may have already investigated the various forces in Hong Kong clearly, and he is confident.

Thinking of this, she couldn’t help but ask him: “Who the h3ll are you?”

“Me?” Marven smiled and said, “I should be someone who no one can afford to offend in Hong Kong.”

Jemima couldn’t help frowning, and she became cautious and asked Marven:

“What are you doing in Hong Kong this time?”

Marven raised his eyebrows and said calmly, “I will preside over a justice.”

Jemima was surprised for a while, she really couldn’t figure out Marven’s routine,

This person’s words are true and false, and it is difficult to see through his character.

It was only two hours after they met, but her impression of him changed several times.

At first, she felt that he seemed to be quite humorous,

And he also had a certain degree of control in his speech,

And he could handle it with ease in front of her father.

When she met Henry, she felt that Marven seemed to be missing a bit of shrewdness,

And he was somewhat reckless, not knowing how to judge the situation.

Moreover, the act of taking the initiative to grab her hand,

In her opinion at the time, was a bit abrupt.

Then, Marven's attitude of refusing to leave Hong Kong made her feel that,

This person was completely ignorant of the dangers in the world,

And she had already said this, but he was still unmoved, he was simply fearless.

But until now, she felt that her previous views about him seemed wrong.

Marven is indeed fearless, but fearlessness is not because of ignorance,

On the contrary, because he already knows himself and his opponent.

Thinking of this, she looked at him and couldn't help but ask,

"Then...then can you tell me what justice you came to Hong Kong for?"

"What justice?"
