

The Amazing Son In-Law Chapter 4621-4630

Chapter 4621

Herman wanted to cry without tears, but nodded and said, "Godfather, you will definitely win this time!"

Jairo lit a cigar, took a hard puff, and then exhaled a cloud of white smoke.

With a smile, he said: "Within three years, Four Dragons must achieve,"

"The goal of making an annual profit of 100 million US dollars!"

Just as he was talking, a subordinate quickly walked over and blurted out:

"Sect Master, Coach Lin sent a message saying that it was a transfer."

"After reading the monitoring information, he found that Young Master Zhong and the others went to Honghualing in the afternoon,"

"And Coach Lin is now leading people over there!"

Jairo was overjoyed and blurted out: "In a hurry, let Coach Lin rush over with the fastest speed!"

When Coach Lin led the crowd to Honghualing, Jemima drove Marven to Lan Kwai Fong in her Tesla.

After the car stopped at the entrance of the Inspur Club, Jemima asked him, "Do you really want to go?"

Marven nodded and said, "I've come here, why do I not have to go in and sit down."

After that, he was ready to push the door and get off the car.

In a hurry, Jemima took Marven's hand and said nervously:

"Marven, think about it again, the Zhong family and Four Dragons must be looking for Henry,"

"And their whereabouts right now, as long as they find Honghualing,"

"They will know that we are the ones who took him. After leaving Henry,"

"They will definitely find us all over Hong Kong by then."

"If we run in time, it will be too late, but if we get in here, it will be difficult to figure out."

Marven smiled slightly and said, "Don't be afraid. , Today is your birthday,"

"Just treat it as a good show for yourself, it's not easy to catch up with such a good show."

Seeing his insistence, Jemima said helplessly: "Okay, today I'll do it. I'll accompany you to the end."

Saying that she let go of Marven's hand, pushed open the door, and got out of the car.

Afterward, the two walked into the door of Inspur Club together.

This time it is eight o'clock in the evening.

It was also the time when the nightclub began to pick up customers.

When the two entered the nightclub, the nightclub's booth was already 80% full.

A beautiful waitress stepped forward and asked Marven,

"Sir, do you want to sit at the bar or the booth?"

Marven asked her curiously, "What about the bar and the booth?"

The waitress said, "Consumption at the bar is optional. The minimum consumption of the card seat ranges from 3,888 to 88,008 HKD."

Marven nodded and waved his hand: "Come on bring the most expensive one."

The waitress had a look of joy in her eyes, and quickly said respectfully,

"Sir, ma'am, please! Our biggest booth just hasn't been reserved yet!"

After speaking, she could see Jemima next to Marven through the dim light.

In Hong Kong, many people know Jemima. After all, she has been rated as the most beautiful second-generation wealthy in Hong Kong over the past few years.

Although she is very low-key, she will be featured in local news and magazines in Hong Kong for a long time.

The waitress recognized Jemima, and she couldn't help being surprised.

She didn't expect that Jemima would come to a place like a nightclub with a man.

Moreover, this is not an ordinary nightclub, this is Four Dragons' business.

Often come here to play, and it has something to do with Four Dragons.

To put it bluntly, they are basically young and dangerous young people who are on the road,

Or little girls, serious people will never come here when they go to nightclubs.

Therefore, seeing Jemima appear here, the waitress was also a little stunned.

However, she didn't show her surprise, but asked Marven respectfully:

"Sir, do you want to go straight to the set menu or order a la carte?"

Marven waved his hand: "Serve the set meal." The waitress nodded and said,

"Are you using cash or a card? If you swipe the card, I'll bring the POS machine over."

Marven said lightly, "Swipe the card."

After saying that, he took out the black gold card and put it on the table.

Chapter 4622

Seeing this card, the waitress and Jemima were extremely surprised.

Especially Jemima, compared to the waitress who just thinks the black gold card is very powerful,

She is the most aware of the gold content of the black gold card.

Without more than 10 billion cash in the account, it is impossible to get this black gold card.

For her rich second generation, it is not surprising that tens of billions of assets are a normal thing.

After all, her father's assets are almost 100 billion Hong Kong dollars,

But the difficulty lies in the tens of billions of cash assets.

If according to what Marven said, he was working in ISU Shipping,

Then even if the entire ISU Shipping is handed over to him, he would not have such wealth.

Therefore, this also made her more curious about Marven's true identity.

The waitress came over with the POS machine diligently,

And after swiping the card for Marven, she immediately reported this news to the manager.

The first news is that the famous Jemima Liu actually came to their club;

The second news is that the man who came with her actually held a top black card;

The third news is that Jemima and the man look like it's a couple's relationship between them.

After the manager heard about it, he immediately ordered the waitress to serve him well.

At the same time, he also subconsciously took out his mobile phone and prepared to call Henry Zhong.

Everyone knows that Henry has been pursuing Jemima, but it seems that Jemima already has a man.

Therefore, he planned to report the news to Henry as soon as possible.

However, when he called Henry, he found that the other party couldn't get through.

In desperation, he sent a message, and then he didn't pay much attention to it.

At the same time.

Coach Lin has already led people to Honghualing.

When they saw three cars parked on the side of the road, they immediately,

Found the trail of everyone walking into the forest, so a group of people rushed in immediately.

It doesn't matter if it's gone, the tragic situation in the mountains and forests made everyone,

Including Coach Lin, struck by lightning!

The famous Jim brother was leaning against a tree with a thick bowl at this time, wiping his tears in despair.

The rest of the younger brothers were all lying on the ground and moaning constantly.

Each of them had broken bones in many places, and they couldn't even crawl.

Coach Lin was startled and quickly asked Jim, "Jim, this... what's going on here? Where's Young Master Zhong?!"

Jim choked and said, "Coach Lin... You must avenge us, Coach Lin..."

Coach Lin frowned and immediately asked, "Where is Young Master Zhong? Mr. Zhong is waiting for news at the moment!"

Jim hurriedly said: "Master Zhong is kidnapped by a boy from the mainland!"

"That boy seems to be able to fight and fight like a pro, his strength is better than mine,"

"We are not his opponents, only you, only you can handle him..."

Coach Lin said coldly, "It's the key! Who is that kid, what is his origin,"

"What clues can I find for him as soon as possible, and is the young master still alive?"

Jim blurted out: "Master Zhong was knocked unconscious and kidnapped by him."

"He should be still alive. As for that kid, I don't know who he is. "

Speaking, he remembered something, and hurriedly said:

“By the way, Coach Lin, that kid came with Jemima Liu, the eldest lady of the Liu family!”

As long as you find her, you will definitely find that kid!”

Jemima...” Coach Lin frowned, and asked in a cold voice,

“I looked at the surveillance camera, Young Master Zhong came here in your car, why did you come here?”

Jim explained: “Master Zhong asked us to drive and track that Jemima and that adulterer,”

“So we drove all the way here. Master Zhong wanted us to kill that kid,”

“But I didn’t expect him to be stronger than us.”

Coach Lin nodded and said coldly, “You guys wait here first, my priority now is to find Young Master Zhong as soon as possible!”

After that, he said to the Four Dragons’ disciples who had followed him, “Follow me!”

Jim hurriedly shouted: “Coach Lin, take us with you too!”

Coach Lin said coldly: “We don’t have time to deal with your affairs now,”

“You wait here first, and I will have someone call and bring an ambulance for you!”

After that, he walked back, took out his mobile phone, and called Jairo.

After Jairo on the other end of the phone learned what happened, he immediately ordered:

“Coach Lin, in my name, you immediately ask all Four Dragons children to find Jemima,”

“And the whereabouts of that boy in Hong Kong. If you have any clues, you must first Hurry up and save my godson!”

Immediately, he gave a slight pause and said coldly,

“You must arrest the kid who hurt my godson, and then contact me, I will see it with my own eyes. Watch him die!”

Chapter 4623

For a while, the members of Four Dragons in entire Hong Kong received a message,

Which was to find the whereabouts of Jemima, the eldest lady of the Liu family.

But most people did not expect that Jemima was sitting in a nightclub run by Four Dragons at this time.

The waiter just brought the set menu drinks ordered by Marven,

And the nightclub manager also stepped forward and said respectfully,

“Distinguished guests, I’m Kevin, the manager of the store. You can tell me directly if you have any needs.”

Marven looked at him, and waved his hand: “Okay, go ahead and do your work first.”

The nightclub manager nodded quickly and said, “Okay, sir, then I won’t bother you.”

After speaking, he turned around and returned to the bar,

And his phone immediately received a message from Four Dragons.

When he saw that Four Dragons, in the name of the sect master Jairo,

Asked all the Four Dragons’ disciples to find clues about Jemima and a young man,

He reported the news almost without hesitation.

Soon, Coach Lin received feedback that the person he was looking for was actually in Four Dragons’ own nightclub in Lan Kwai Fong!

Coach Lin did not dare to delay and immediately reported the news to Jairo.

After Jairo heard about it, the whole person was very angry, and said coldly:

“This girl named Liu and that unknown boy are really good enough!”

“They tied my godson, and they dared to go to my nightclub.”

“Drinking really broke the ground on Tai Sui’s head, don’t they fear the death!”

Herman couldn’t wait to hear this, and said, “Godfather, hurry up and ask your subordinates,”

“To arrest these two people and force them to find out my son’s whereabouts!”

Jairo waved his hand and said lightly: “This matter can’t be rushed, don’t forget,”

“Jemima is Gerard Liu’s daughter.” Herman was angry, and said sternly:

“What about Gerard? Isn’t he just someone with a little more money than me? Are you afraid of him?”

Jairo snorted coldly: “Of course, I won’t be afraid of him. His daughter participated in the kidnapping of my grandson.”

“Doesn’t this mean that the God of Wealth knocked on the door to send money?”

“How could I miss such a good opportunity?”

Then it dawned upon Herman.

It turned out that Jairo wanted to take the opportunity to knock Gerard for some free money.

As Jairo said, Gerard’s daughter is involved in this matter, thus it is impossible to get rid of this matter so easily,

And Jairo happens to be his and his son’s godfather, which gives him a full excuse to go to Gerard for an explanation.

At that time, he will definitely have to spend a large amount of money to settle things...

Thinking of this, Herman couldn’t help but scolded:

“This immortal man can really seize every opportunity to make money!”

“My son is out! Not only do I want to give him money, but he also uses my son as a reason,

To blackmail others into giving money... The money will make this immortal earn money!”

Although Herman was very annoyed in his heart, he didn’t dare to show it,

Any disobedience, so he quickly asked: “Godfather, what are you going to do now?”

Jairo laughed, stood up, straightened his Tang suit, and said with a smile:

“Since they have already arrived at my nightclub,”

“Then It’s the turtle in the urn, we can have a good time with them.”

After that, he said to his subordinates: “Inform Coach Lin and let him take someone to the nightclub first,”

“But don’t startle the snake, just make sure that the other party can’t escape.”

“The rest for me, I will deal with the rest in person when I arrive.”

Herman exclaimed: “Godfather, do you want to go too?”

“Of course!” Jairo laughed: “I will not only go in person but also take Gerard.”

“Call him too, I want him to tell me in front of me how much he is willing to spend to solve the problem!”

Chapter 4624

Herman understood instantly.

Jairo wanted to take Gerard's daughter and threaten Gerard with bleeding.

However, he was more worried about his son's safety, so he said,

"Godfather, Henry's life and death are unknown now. I'm really worried."

"In any case, I have to let them explain about my son's whereabouts first!"

"Don't worry." Jairo said lightly: "The more this is the case, the more you have to keep your composure."

"Now the culprit is sitting in my nightclub, which also means that if Henry is still safe,"

"Then he will definitely not be in danger. But if Henry has already been killed,"

"It would be meaningless to kill them both now, so you must wait!"

"Wait until I get a result of this matter!" Herman was so anxious that he was about to breathe fire,

But at this moment he was too excited. He could only grit his teeth and nodded: "Okay... I'll listen to your godfather..."

Jairo nodded and said with a smile: "Let's go, let's go to Lan Kwai Fong together,"

"We will meet those two young people in a while."

...

At this time, Lan Kwai Fong Inspur Club.

Because of the news, the whole wave no longer allows any FIT to enter.

Many Four Dragons younger men who were nearby also rushed here to support.

They first guarded all the entrances and exits of the entire nightclub to prevent Marven and Jemima from escaping.

And Coach Lin also brought his men and quickly rushed over from Honghualing.

Marven was sitting in the booth of the nightclub at this time,

He picked up a bottle of Ace of Spades champagne very calmly, and asked Jemima:

"Miss Jemima, would you like a drink?"

Jemima shook her head nervously: "I never drink alcohol. No."

Marven looked at her and asked with a smile, "Are you afraid?"

Jemima nodded: "A little..."

After speaking, she asked him, "Should I call my dad over?"

"No ." Marven smiled and said, "Someone will definitely call him later."

Jemima said helplessly, "If it really can't be done, let him clean up this mess,"

"And the big deal is to go back and be scolded by him."

Marven smiled slightly: "Don't worry, there must be a lot of mess tonight, but you don't need to worry about it."

After speaking, he poured himself half a glass of wine, took a light sip, and looked at the time.

It's half-past eight.

Coming to think of it, he said to himself, "It's about time."

So, he took out his phone and sent a message to Joseph:

"Lan Kwai Fong Inspur Club, need you here, wait for my message, don't rush in."

Joseph replied immediately: "Okay, Mr. Ye, your subordinate is here. Just will come over in ten minutes!"

Ten minutes later, a black off-road vehicle parked opposite the Inspur Club.

There were a total of five people in the car, and in the co-pilot sat Joseph, who had already entered the dark realm.

And in the co-pilot is Walter Chen, one of the two commanders of the Cataclysmic Front.

Among the three people in the back row, one of them was another battle commander,

Harmen Lu and the other two were five-star soldiers.

Joseph was ordered to come to Hong Kong first, so he called the two war commanders,

Under his command to avoid encountering the mysterious organization that attacked An family in New York.

A few minutes later, when Coach Lin led the people from Honghualing to Lan Kwai Fong, Jairo's Rolls-Royce just arrived.

Coach Lin was a little shocked. He didn't expect Jairo to come over in person,

So he immediately pushed the door and got out of the car, and quickly came to Jairo's Rolls-Royce.

At this time, Jairo and Herman also got out of the car one by one.

Coach Lin asked Jairo: "Sect Master, why did you come here in person?"

Chapter 4625

Jairo smiled and said, "The God of Wealth arranged for someone to rush to give me money."

"If I don't come in person, how can I be worthy of his painstaking efforts."

Instantly understood Jairo's intention, so he asked:

"Sect Master, people should still be inside, what are you going to do with them?"

"Do you want me to go in and control them?"

Jairo said with a smile: "Haha, don't be in such a hurry, let the people inside start to clear the scene first,"

"And invite out those who are irrelevant, and then I will personally go on stage and make a good show for them!"

Jemima soon discovered a strange phenomenon. The waiters in the entire nightclub,

They all seemed to be whispering something to the guests at other tables.

Soon after, the guests who have communicated with the waiter will get up and leave immediately.

She couldn't help being nervous for a while, and said to Marvin in a low voice,

"Have they already come over? I don't think something is right with these waiters."

Marvin smiled and said, "Don't be nervous, the show is just about to begin."

With that said, he poured another glass of champagne and took a sip for himself.

Soon, the other guests in the nightclub were almost gone, leaving only the table of Marvin and Jemima.

Immediately afterward, all the lights on the ceiling lit up at this moment,

Illuminating the dim nightclub lobby as bright as day.

The explosive music has also come to an abrupt end,

And the DJ and waiters quickly left through the staff channel.

Immediately, a large group of young and dangerous men with machetes rushed in,

Blocking the scene surrounding Marvin and Jemima.

Marvin was in no hurry or panic, with a smile on his face,

While Jemima next to him couldn't help but ask: "What are you doing?! Be careful I'll call the police!"

As soon as the voice fell, a joking voice came: "Miss Liu, you have such a big temper."

Following these words, an old man in his 60s wearing a Tang suit walked in with his hands behind his back.

This person is Jairo Hong, the sect master of Four Dragons in Hong Kong.

Along with Jairo, there were Herman Zhong, Henry's father, and Lin, who had worked hard for Jairo to bring in his command.

Jemima had never met Jairo, but because Jairo was so famous in Hong Kong, she recognized him at a glance.

Seeing that Jairo came in person, she was extremely nervous, because she knew that,

Looking at this posture, today's troubles may be difficult to solve.

So, she said with a bit of respect in her tone: "Mr. Hong, I don't know what you are doing?"

"What is it?" Jairo snorted coldly and asked, "Did you not hurt me?"

"The people who are here, also kidnapped my godson?"

Jemima hurriedly explained: "Mr. Hong, things are not what you think,"

"The whole thing is Henry's initiative who provoked first..."

Herman on the side was furious and blurted out: "Jemima Liu, right,"

"You'd better tell me quickly about my son's whereabouts!"

"If there is anything wrong with my son, I don't want you to look good!"

Marvin, who was sitting beside him, couldn't help but raise his eyebrows and said:

"I think both of you are in your 50s or 60s. You two add up to more than 100,"

“And are all going to be buried in the ground. You are actually uniting here and shouting at a girl,”

“So you won’t be afraid of being laughed at when it spreads out?”

When Jairo heard this, he was immediately furious, and shouted sharply:

“Boy! You are so fcuking arrogant. I heard that you are from the mainland. Do you know who I am?”

Marven said lightly: “You are in my eyes just an old dog with almost all of its teeth gone,”

“I don’t care who you are.”

“Grass!” The group of young men were immediately furious, and one of them blurted out,

“You fcuking dare to scold the master of Four Dragons. Wait, I won’t hold to hack you to death!”

Chapter 4626

Marven smiled slightly: “Isn’t it, you’re going to hack people as soon as you come up?”

“Isn’t it boring if the climax entered so quickly?”

Jairo looked at Marven with a sinister expression and said:

“Boy, you really are one of a kind! You don’t even pay attention to me, what’s your background?”

Marven snorted: “What’s my background, you don’t deserve to ask,”

“Don’t you want to solve the problem? Now I’ll give you a solution to the problem.”

“As the boss of Four Dragons, you condone your younger brother to do evil,”

“And for the sake of your age, you bow and apologize here today, and I don’t need to pursue this matter.”

After that, he pointed to Herman beside him, and said coldly,

“You are Henry’s father, right? Your son was plotting against Miss Jemima today,”

“But as a father, you have no way to shirk teaching your son, so the responsibility is inevitable,”

“So if you now Kneel down and kowtow three times to Miss Jemima, I can stop holding you accountable.”

Marven’s remarks made Jairo and Herman angry enough.

Especially Jairo, he has been out all his life, and he has never met someone as arrogant as Marven.

So, Jairo said to Coach Lin angrily, "Coach Lin! I want you to tear this kid's mouth to pieces!"

"The corners of both sides of his mouth torn to the roots of his ears, I'll see how hard his mouth can be!"

Coach Lin immediately clasped his fists with both hands: "Yes!"

After saying that, he frowned when he looked at Marven, and he was about to rush forward.

Marven saw his cultivation level, a mere three-star fighter, in his eyes, was inferior to a dog.

If he really wants to use his hands and kill him with one punch,

It is much easier than not killing him because it is difficult to control his strength,

In the face of such a fighter, a little bit of aura will beat him to death.

At this moment, Jemima suddenly stood up, and said in front of Marven,

"Mr. Hong, I have something to say! My friend's brain is not tuned to the facts,"

"Don't get angry, I can let him know about this matter."

"Dad will come to solve it, and I will give you a satisfactory answer!"

When Jairo heard this, he immediately stopped Coach Lin, then looked at Jemima with great interest,

And asked with a smile, "Miss Liu, are you sure your father can deal with this?"

"For a satisfactory answer, I have a great appetite."

Jemima gritted her teeth and said firmly: "I can ask my dad to come over and have a talk with you!"

"But the premise is that you can't touch him, otherwise there is no point in talking about it!"

Jairo nodded and said with a smile: "I also admire Mr. Liu very much. Although I have met several times before,"

"I have never had the opportunity to make deep friendships."

"Since Miss Liu said so, I might as well take this opportunity to talk to him. Get to know Mr. Liu."

Herman, who was beside him, said quickly: "Godfather! You have to ask Henry's whereabouts quickly!"

"Henry's life and death are unknown now, if something happens, it will be over!"

Jemima said subconsciously: "Henry is not in danger!"

Herman blurted out: "Then where is he?!"

Jairo interrupted Herman at this time, and said,

“Herman, don’t be so excited. Since Miss Liu said that Henry is not in danger, he must be fine.”

After that, he smiled. Looking at Jemima, he laughed and said,

“Miss Jemima, please call your father, I’ll be waiting for him here.”

“Okay!” Jemima took out her cell phone without hesitation.

At this moment, Marven wanted to stop her.

After all, in his opinion, this matter is not that troublesome,

Either by himself or by letting Joseph come in and put these people on the ground.

After they are put on the ground, then at this venue and at this opportunity,

Come to the court to try the case, Jairo, Herman, Henry, and even Coach Lin in front of him,

One is counted as one, and let each of them experience what is called the disaster of extinction.

However, seeing Jemima trying to protect him from disasters over and over again, he was somewhat moved.

Just as Jemima wanted to call Gerard over, Marven thought,

He might as well use the donkey down the slope to give Gerard a chance.

If he can really do some good affairs, then Uncle Chen’s affairs,

He can think of Jemima’s act and treat her father a little more leniently!

Chapter 4627

At this time, Gerard had just had dinner in his mansion and came to the pool with a cigar and a bathrobe.

Beautiful Bella was wearing a bikini by his side.

She hadn’t worn a bikini for a long time, was somewhat uncomfortable, and said,

“Gerard, there are guests at home. You let me dress like this, and it’s not good to be caught?”

Gerard said carelessly: “What are you afraid of?”

“The man surnamed Ye is having dinner with Jemima, and they definitely won’t come back too early.”

Bella was helpless and asked him, "Why do you have to swim at night?"

"Where did you get such a good interest."

Gerard was cheeky and smoking a cigar, he smiled at her and said:

"I just heard that the United States will soon send back Hogan."

"If they hurry, maybe he will be there early the day after tomorrow!"

Bella's expression turned pale, and she blurted out: "Gerard... You really can't let him go?"

Gerard glared at her and asked coldly, "Why, you still want me to spare him?!"

Bella was caught by his eyes Frightened all over,

She shook her head quickly and said, "No... I didn't mean that..."

He said coldly: "In the future when I mention this person,"

"Listen to me, if you want to it's best to follow this rule,"

"Keep in mind my opinion when expressing your opinion, otherwise, shut up!"

Bella could only nod her head and said: "Okay...I see..."

Gerard's expression seeing this got a little easier,

He took off the bathrobe, stretched out his foot to test the water temperature,

And then jumped in with a thud, setting off a massive splash of water.

As soon as he entered the water, the cell phone he placed beside the reclining chair rang.

Bella glanced at it and said, "It's Jemima's call, do you want to answer it?"

"Take it." Gerard swam to the edge of the pool a little clumsily,

Stretched out his hand, and took his mobile phone from Bella's hand.

"Hello." As soon as he answered the phone, he asked with a smile,

"Jemima, have you finished eating with Mr. Ye?"

Jemima blurted out: "Dad, we have a problem,"

"We are in Lan Kwai Fong now, can you come over?"

Gerard frowned: "What's wrong?!" Jemima said helplessly:

"Mr. Ye had some conflicts with the people from Four Dragons because of me,"

"But they surrounded us and wanted to do something, I have no choice but to call you."

"A conflict with Four Dragons?" Gerard suddenly had a big head like a dolphin,

He blurted out: "This Mr. Ye is not good at this, what does he have to bump into people from Four Dragons?"

"Doesn't he know that Four Dragons is the most notorious dog skin plaster in Hong Kong?"

"If it sticks on, at least a layer of skin should be torn off!"

Jemima said seriously: "I already said that Mr. Ye started it with them because of me."

"If it weren't for Mr. Ye, I might have encountered an accident now!"

When Gerard heard this, he sighed helplessly and asked,

"Okay, okay... tell me where you are, I'll come right now!"

Jemima said: "We are at the Inspur Club in Lan Kwai Fong."

"Inspur Club?" Gerard frowned: "Isn't that the place of Four Dragons?"

"It's the only place you should not go and you are in there now!"

Jemima asked him, "Are you coming or not?"

"Coming, I'll come." Gerard was extremely helpless,

But he could only open his mouth and say: "Tell the person on the opposite side not to act rashly, I'll come over now!"

After he finished speaking, he hung up the phone and climbed up from the pool in embarrassment

"What happened to Gerard?" Bella was surprised

He cursed and said: "There is a conflict with Four Dragons."

"Dmn, Jairo is a mad dog. Anyone who passes by him will have to take a bite."

"Jemima and that Ye have offended him, and I am afraid that I will have to bleed."

Chapter 4628

Bella couldn't help frowning and said: "Jemima this girl doesn't provoke anyone,"

“But goes to provoke people from Four Dragons...”

“They are a bunch of desperadoes, whoever sees them, they have to hide away..”

Gerard put on his bathrobe and said lightly:

“Okay, you can wait at home, I’ll go and see what’s going on.”

Bella asked, “Would you like me to come with you?”

“No.” Gerard waved his hand and said, “It’s troublesome for you to go.”

...

Soon, a convoy of three cars drove out from Gerard’s mansion in Shi Xundao.

As soon as the convoy left, they quickly drove to Lan Kwai Fong.

At the Inspur club at this time, Jairo sat in front of Marven and Jemima with a smile on his face.

He looked at Marven and said with a smile, “You are so lucky, bad boy,”

“You have caused trouble, and Miss Jemima is a beautiful woman standing in front of you for you,”

“It’s really a blessing if you can live tonight and go out from here,”

“Then you really have to thank her.”

Marven said lightly: “You should thank her,”

“If she hadn’t stopped me, I would have killed you long ago.”

“Fcuk!” The faces of several minions of Jiro turned green,

And they really couldn’t understand why this kid was acting so aggressive.

The key is that, for this sake, he still pretends to be forceful.

Is he really not afraid of death?

Jemima is also about to collapse. She really can’t figure out what Marven wants to do.

With so many people of Four Dragons here, does he still want to start a fight here?

Jairo was almost mad at this time.

If he hadn’t wanted to wait for Gerard to come over and talk about the price,

He would have ordered his minions to rush up and hacked him to death.

But for the sake of money, he still forcibly suppressed the anger in his heart, and sneered:

“Boy, I won’t be quick to talk to you, if Mr. Liu can’t give me a satisfactory solution after coming here,”

“The first thing I do is to cut your tongue off!”

Marven smiled slightly: “If you are willing to wait, then I will accompany you to the end.”

Twenty minutes later, Gerard hurried over.

As soon as he entered the door, he was taken aback by the scene here.

Not to mention so many fierce Four Dragons members with machetes,

The presence of Jairo alone makes Gerard feel bad in his heart.

On the phone, he only heard his daughter say that there was some friction with Four Dragons,

But he didn’t expect that Jairo came over!

So, he quickly said with a smile: “Oh, I didn’t expect you to be here, Mr. Hong, it’s really disrespectful!”

Jairo looked at him with a smile and said, “Mr. Liu, I’m sorry,”

“It’s a big night. I also asked you to make a special trip.”

Gerard hurriedly said, “It should be.”

Then, he glanced at Jemima and asked Jairo: “Mr. Hong, I don’t know what the little girl has offended Four Dragons with,”

“Please I should say, she is still young, raise your hand, don’t treat her in the same way!”

Jairo snorted and said, “Mr. Liu may not know what happened,”

“Your daughter and her friend hurt my Four Dragons’ more than a dozen subordinates,”

“And they also kidnapped my grandson Henry Zhong.”

“You don’t let her give me an explanation for this kind of thing, so how can I raise my hand?”

When Gerard heard this, he was shocked and blurted out to Jemima: “Jemima, what’s going on here?!”

Jemima said, “It was Henry who led people to follow me, wanted to betray me,”

“And wanted Mr. Ye’s life. Mr. Ye had to scuffle with them to save me!”

Gerard hurriedly said to Jairo: “Mr. Hong, it sounds like your grandson doesn’t follow the rules first,”

“So I shouldn’t let my daughter come to tell you anyway, right?”

Jairo slapped the table and pointed at Gerard angrily and said:

“Do you think I asked you to come here to reason with me?”

“A dozen of my men from Four Dragons were injured and my grandson is missing.”

“If you don’t give me an explanation today,”

“I will even destroy your daughter to give an explanation to my Four Dragons!”

Chapter 4629

When Gerard saw that Jairo began to play a hooligan,

He knew that it was impossible to reason with the other party about this matter.

So, his expression gradually calmed down, and he asked,

“Mr. Hong, how do you want to solve this matter? Just give me a straightforward statement.”

Jairo looked at Gerard, then at Jemima, cold With a snort, he said,

“Mr. Liu, don’t say I’m joking here, I know that your daughter didn’t hurt members of my Four Dragons,”

“She also did not hurt my godson, so you only need to come out with ten million and you can take her away.”

“Ten million?!” Gerard blurted out as if his tail had been stomped on,

“Did you make a mistake, Mr. Hong, you said it yourself, my daughter didn’t do anything.”

“You have to take 10 million without doing anything, you are too big to talk!”

Jairo sneered: “What? A mere 10 million should be nothing to you, Mr. Liu, right?”

“But the other way around For me, it is different.”

“Thousands of people in my Four Dragons are waiting to eat. Without money,”

“They can only go to the streets to beg for food; without money,”

“They can only do things what people like you don’t want them to do!”

“Do you think you only need to give me an explanation?”

“You want to give me an explanation for the entire Four Dragons here!”

Jairo has long since mastered the means of threatening others.

Gerard is not a fool either.

The meaning of Jairo’s words is nothing more than bringing Four Dragons as a threat.

Although he is rich and powerful, the more rich and powerful people like him,

The more afraid of those who want money or life.

Now that his daughter has given Jairo a handle for money,

This means he may not be able to take her away without bleeding any blood.

So, he gritted his teeth and said, “Mr. Hong, I won’t say more nonsense.”

“Ten million dollars is too much. If I pay two million, this is the end of the matter here. What do you think?”

“Two million?” Jairo said disdainfully: “You are treating us like beggars,”

“Do I have the words “beggars” written on my face?!”

Gerard sat next to Jemima and said, “Two million dollars, if it is still not enough,”

“Then I will let you, Mr. Hong, deal with it today,”

“And you can do whatever you want to relieve the hatred, and I can watch it.”

Don’t look at Gerard’s usual cheerful smile, but he also has a strong street color in his bones.

He knew very well that if he was taken advantage of in front of Jairo today,

Jairo would treat him as an ATM in the future as well.

He must show some boldness today, but he must not make him 100% satisfied,

He must let him know that he is also temperamental.

Jairo really did not expect that Gerard, a billionaire, would actually play tricks with him.

He now looks like a dead pig that is not afraid of boiling water,

Which immediately makes Jairo feel a little tricky.

Although he is the master of Four Dragons, he does not dare to openly do something to Gerard.

After all, after the Li family went to the UK for development, the richest person in Hong Kong is almost Gerard.

If he really did something to him today, the whole of Hong Kong would know tomorrow,

And then he would definitely be criticized and berated,

And the Hong Kong Police would definitely not sit idly by under pressure.

Therefore, he really did not dare to do anything to Gerard.

So, his expression softened a little, and said with a smile:

“Mr. Liu really has the courage, I appreciate it!”

Gerard snorted and said, “Mr. Hong, whether it’s okay or not, please give me a word.”

Jairo nodding his head said, “Mr. Liu, I don’t speak secretly. Today’s matter we settle in five million.”
for five million.”

“Take your daughter out of here immediately, if you are ignorant, don’t blame me for changing my mind!”

Gerard also realized that Jairo would never promise to let Marven go, and he was afraid that he could not save him.

At that time, if Marven died in the hands of Jairo,

And his cooperation with ISU Shipping would definitely be in vain,

So right now, there is no need for him to stay here and risk the safety of himself and his daughter.

Thinking of this, he gritted his teeth and said to Jairo,

“Okay! Five million is five million. I’ll write a check to you now!”

When Jemima heard this, she knew that her father had given up on Marven,

So she didn’t care. Without hesitation, she blurted out,

“If you want to go, go by yourself, I want to stay here with Marven!”

Jemima’s words made Gerard stunned.

He asked subconsciously: "Are you crazy? Don't you know that you will die here?"

"I don't care," Jemima said with a firm expression:

"I will stay with him or leave, whether I die or live, I will follow Marven!"

Chapter 4630

Gerard frowned, then pointed at Jemima and Marven, and said loudly:

"Five million are fine, but I'm taking both of them."

Jairo laughed out loud: "Haha, Mr. Liu, you may not have understood the situation,"

"The reason why you came is to solve your daughter's problems,"

"And the reason why you are asked to solve your daughter's problems is that,"

"Your daughter is not the main culprit in this matter,"

"So I look at your face and give you a chance to resolve the conflict."

After speaking, he pointed at Marven, and said coldly,

"As for this kid, you are here today. Even with a lot of money,"

"It is impossible to take him away because I want his life!"

Gerard saw Jairo's killing intent, his scalp could not help tingling.

He could see that he really wanted Marven's life.

However, if Marven really has a mishap in Hong Kong,

Then his cooperation with ISU Shipping will probably be permanently strangled in the cradle.

So he hurriedly said to Jairo: "Mr. Hong, I came here today to solve the problem with you completely,"

"So you can directly tell me the price and how much it will cost me to take them both."

"Let's go for it and not make a big deal out of it, I'll add more money for you!"

Jairo's brows couldn't help but twitch, and he said coldly:

"It's not about money anymore, he tied up the grandson of Jairo,"

"And he just said crazy things to me,"

"If I let him go, how can I come out and hang out in the future around my men?"

Gerard realized the seriousness of the problem and said quickly:

“Mr. Hong, Mr. Ye is a newcomer and he is not familiar with the situation in Hong Kong,”

“So he may be a little bit intimidated by you, so I will take his place.”

“I apologize to you, and I also ask you to look at my face and let him go!”

“The big deal is that I will add more money, let’s say 10 million!”

Jairo has already negotiated with Herman for three years and 60 million US dollars.

How could he be moved by Gerard’s mere 10 million local currency?

What’s more, he has nothing to lose by letting Jemima go.

On the contrary, if he, as the head of the Four Dragons Sect,

He can’t get along with a girl Jemima, and the whole of Hong Kong will despise his actions tomorrow.

Therefore, Gerard pays millions to redeem Jemima, which is a windfall for him,

Not to mention buying a few Rolls-Royces, why not do it for himself.

However, if he lets Marven go today if the word gets out, he really can’t get along.

So, he looked at Gerard and said coldly,

“Mr. Liu, I asked you to take your daughter away with five million.”

“It’s already very good for you. If you are wise, write a check for five million.”

“Take your daughter out of here immediately, if you are ignorant, don’t blame me for changing my mind!”

Gerard also realized that Jairo would never promise to let Marven go, and he was afraid that he could not save him.
