

The Amazing Son In-Law Chapter 4651-4660

Chapter 4651

The helpless Herman could only stand on the side of the road and stopped a taxi,

And took Henry, who was unconscious, to the hospital in embarrassment.

When he arrived at the hospital after the emergency doctor's diagnosis,

It was confirmed that Henry was not having any life-threatening injuries.

This made Herman slightly relieved.

At this time, the doctor told him, "Mr. Zhong, Young Master Zhong is awake."

Herman hurriedly entered the ward, only to see Henry, who was lying on the bed with a bruised nose and a bruised face,

And cried and shouted, "Dad..., Dad...you must ask my godfather to help me breathe out, Dad!"

The doctor hurriedly said, "Master Zhong, you have just woken up now, you must not be so excited!"

As soon as he finished speaking, he saw a black shadow flashing around him.

Immediately afterward, Herman jumped onto the bed like crazy,

Kicked Henry with his feet, and scolded hysterically,

"You ba5tard, you have hurt me, and you have the guts to ask me to avenge you."

"Sigh! Look, I won't kill you today!"

Henry just woke up, full of pain and grievances all over his body.

Seeing that his father, he never dreamed that his own father would treat him as an enemy,

Who rushed up and kicked him violently!

He was in pain already, and was kicked several times by Herman,

And with each kick, he was crying and shouting, "Dad, are you crazy... What are you beating me for... "

What did I hit you for?" Herman scolded out of breath, "I hit you because you ba5tard hurt me!"

After that, Herman rode on Henry, grabbing the collar with one hand and holding the other collar with the other.

He slapped him on the face and scolded: "You ba5tard, you know that you will cause trouble to me!

"Sooner or later, I will be mad at you!"

Henry cried and shouted: "Dad... What did I do wrong... I was beaten like this,"

"It's fine if you don't avenge me, but why do you still beat me..."

Herman was about to explode, but he didn't dare to tell the real reason.

He knows himself very well as a prodigal son. He likes to cause trouble for one thing, and he has no ability to be a city man.

Therefore, he could only stare at Henry and said viciously:

"Listen to me! From now on, don't mention your beatings, let alone try to get revenge on the other party,"

"Otherwise, I will kill you with both legs interrupted."

"I will keep you at home like a dog, and never let you go out! Do you understand?!"

Henry was frightened by his father's fierce look.

He had never seen his father look so vicious in his life.

Although he didn't know why his father became like this, he also faintly realized,

That he might have caused a big disaster today, so he could only endure the grievance.

Cried and nodded and said, "I understand Dad..."

Herman still couldn't understand his resentment, and slapped him hard in the face again,

And then said to the doctor, "From now on, don't let him leave this ward for the next two weeks!"

The doctor nodded quickly.

Herman looked at Henry again, gritted his teeth, and said, "Without my permission,"

"If you dare to walk out of this ward for half a step, I won't have you as my son. Just go as far as you can!"

Henry shivered in fright and quickly said: "Dad, I want to see my mother... Can you let my mother come over?"

Herman scolded: "Oh yeah, cry in front of your mother, you bastard,"

At the same time.

When Marven and Jemima arrived at the Liu family's mansion in Shi Xundao, Gerard,

Who had been following behind, and also arrived at almost the same time?

Just when Marven stopped the car and was about to unbuckle his seat belt and was about to get out of the car,

Gerard got out of the car quickly, ran to Tesla, and diligently opened the door for Marven.

Chapter 4652

Marven never expected that this old man could sprint so fast with such a fat body.

This is, Gerard, who is already standing outside the door, smiling respectfully: "Mr. Ye, please."

Marven smiled slightly: "Mr. Liu is too polite."

Gerard said busily and attentively: "I should be, I should be ."

After speaking, he hurriedly asked Marven: "How was Mr. Ye's meal at night?"

"If you are not full, do you want to eat a late-night snack?"

"I just asked the housekeeper to buy roast goose for you."

"Do you want to eat some? We can have two more drinks by the way."

Marven smiled: "I thought Mr. Liu didn't like roast goose."

Gerard blurted out: "I like it, I like it very much!"

Marven nodded and said, "Mr. Liu, don't have to worry so much,"

"Miss Jemima took me to eat very well at night, and I can't eat supper anymore,"

"And it's not early today, what are we going to do so fast,"

"We can do it tomorrow. I will come to your company to talk more."

Gerard waved his hand and said, "It's all right, you can chat anytime you want to cooperate."

"I'll let Jemima show you around tomorrow. You young people must have more common topics together."

Saying that, he hurriedly asked Jemima: "Jemima, it should be fine for you tomorrow, right?"

"If you have nothing to do, continue to accompany Mr. Ye."

At this point, Marven said directly, "Miss Jemima will have a charity sale in Tsim Sha Tsui tomorrow, so I won't waste her time..."

Jemima felt a little disappointed.

In fact, she really wanted to say that about the charity sale, she could talk to her classmates without having to go.

However, Marven said so, and she couldn't refute it with the cheek, so she could only nod her head and said,

"Dad, I have something to do in Tsim Sha Tsui tomorrow."

"After that, I will take Mr. Ye to dinner, and you can talk about cooperation during the day.

Seeing this, Gerard could only nod his head and say, "Okay, then I'll take Mr. Ye to the company tomorrow,"

"And you can come to the company to find us after you're done."

"Okay." Jemima nodded lightly.

After the three returned to the villa, Gerard said to Marven,

“Mr. Ye, it’s getting late today, let Jemima take you to the guest room to rest,”

“I have already had the guest room tidied up, it is just opposite Jemima’s room.”

Jemima was surprised to hear that, the guest room at home was not on the same floor as hers,

And the room opposite her room was specially prepared for good girlfriends to stay at home for the night.

She also specifically explained that it must not be used to entertain other guests.

Unexpectedly, her father arranged this room for Marven.

It is estimated that this was on the way here, and her father specially arranged for the servant to prepare it urgently.

However, Jemima was not angry at all, instead, an inexplicable shyness filled her heart.

So, she said to Gerard: “I know Dad, you can go back to rest, I will take Mr. Ye to the guest room.”

“Okay!” Gerard laughed and said, “You guys go, I’m going back to the room too.”

Watching Marven and Jemima enter the elevator, Gerard was very happy.

He never dreamed that Marven had such strength.

If he could really be captured by his daughter, then he would really take off again!

Just as he was excited about the new center, assistant Amin quickly stepped forward and whispered in his ear:

“Chairman, I just received news from the United States that Hogan Chen has already boarded the plane.”

“So soon? Gerard asked in surprise: “Didn’t you say that the process may have to wait for two more days?”

Amin explained: “I heard that there was a backlog of illegal immigrants there, so they expedited it.”

Gerard quickly asked, “When will the plane arrive in Hong Kong?”

Amin said, “Tomorrow at around two o’clock in the afternoon.

“When it arrives at two o’clock in the afternoon tomorrow,”

“He will definitely be handed over to the customs for processing,”

“And he will be released after the processing is completed within a few hours.”

Chapter 4653

Jemima took Marven to the center of the two doors, pointed to the room on the right, and said to him,

“Mr. Ye, this is the guest room where you will rest.”

“It is a suite with an area of about 80 square meters and a living room, a bedroom, and a separate bathroom.”

After speaking, she opened the door and walked in with him.

The door to enter is the living room of this suite, which is about 30 square meters.

The decoration is very luxurious, and there are all kinds of furniture and appliances.

Jemima said to Marven, “You can think of this place as a hotel.”

“If you have any needs, please call the housekeeper directly.”

“He will arrange for someone to serve you as soon as possible.”

“In addition, I live opposite you. You can come to me if you have anything.”

Marven thanked: “Okay Miss Jemima, I understand, thank you.”

Jemima nodded and said a little shyly: “Mr. Ye, it’s getting late,”

“If there is nothing else, I won’t bother you in your rest time.”

Marven smiled slightly: “Okay, Miss Jemima, you too have a good rest.”

Jemima hurriedly said: “Oh, by the way, Mr. Ye, don’t call me Miss Jemima, just call me Jemima. “

Okay.” Marven was not polite, and said: “Then let’s call each other’s names in the future,”

“And don’t call each other as Mr. and Miss.”

Jemima blushed slightly, and whispered: "Mr. Ye can call directly."

"I'm Jemima, but according to our habit, we still like to call men "Mr."."

Then she asked him, "Mr. Ye, which communication app do you usually use? WeChat or Whatsapp?"

Marven said: "I use WeChat, but it seems that you use WhatsApp more here?"

"Yes." Jemima said: "Most people use WhatsApp, but some people use both,"

"After all, everyone here has many mainland friends. ."

Saying that she took out her mobile phone, opened her WeChat, and said to Marven,

"Mr. Ye, if it is convenient, let's add WeChat."

"Okay." Marven also took out his mobile phone and added her as a Wechat friend.

Seeing Marven's friend request, Jemima felt joy in his heart, and said,

"Mr. Ye, I'll go back to the room first, and if you have anything, you can tell me on WeChat."

"No problem."

Jemima smiled and waved: "Then Good night, Mr. Ye."

After saying good night to each other, Jemima returned to her boudoir,

And the moment she closed the door, she leaned against the door and put her hands on her chest,

The two blushes on her face were much deeper than before.

After she calmed down a little, she immediately turned on her phone and entered Marven's circle of friends,

Wanting to see more information about him from his circle of friends.

It's a pity that he is not a person who likes to post on Moments.

His circle of friends is set to be visible for half a year,

But he has not posted a single circle of friends in the past six months.

She found that Marven's circle of friends was empty, and couldn't help but feel a little lost.

However, she thought about it, and it is also in line with the character of Marven who doesn't like to post Moments.

He is very low-key, and naturally, he can't be the kind of person who often posts Moments to show himself.

...

This night, Jemima tossed and turned in bed, almost feeling insomnia.

This is the first time she can't sleep at night because of a man.

Chapter 4654

Early the next morning, she got up from the bed, thinking that Marven must be resting in the room,

But when she came downstairs, she found out that he had already eaten breakfast and was ready to go out.

She asked him in surprise: "Mr. Ye, what are you doing out so early?"

Marven smiled and said, "I want to go out for a walk and walk around, just to see how many mansions Shi Xundao has."

Jemima asked in surprise: "Mr. Ye, do you want to buy a house in Shixundao?"

Marven smiled casually: "Yes, no, even if I buy it, it isn't me who buys it."

Jemima didn't quite understand what he said, but it sounded like he was very interested in Shi Xundao,

So she was overjoyed and said quickly, "If Mr. Ye is interested in the house here,"

"I can introduce it to you. The Huo Mansion next to us is for sale,"

"And it is the property of the Huo family in Hong Kong Island."

Marven smiled: "Then I'll go out and take a look."

Jemima hurriedly asked, "Do you need me to accompany you?"

“No need.” Marven said, “Don’t you have something else to do in a while?”

After speaking, he found that she was not looking very well, so he asked curiously,

“Jemima, did you sleep well last night?”

Feeling a little embarrassed for a while, while arranging her hair, she said hesitantly:

“That is...it was raining last night...so I couldn’t sleep...”

Marven didn’t think much, nodded lightly, and said to her:

“You look so bad, and you have to go to Tsim Sha Tsui for a whole day,”

“I’m afraid your body won’t be able to carry it.”

After speaking, he walked up to her and said very seriously, “Come on, give me your hand.”

Not knowing what he wanted to do, she blushed but still handed him her right hand.

Marven used his fingertips to squeeze a few times on her tiger’s mouth, and said nonsense:

“There are many acupuncture points in the palm and the tiger’s mouth. Makes people full of vitality all day.”

While he was speaking, a trace of spiritual energy quietly entered Jemima’s body.

Jemima didn’t believe it at first. It’s not that she didn’t believe in acupoints and massage,

But she just didn’t believe that pressing the palm of the hand could make the whole person full of vitality.

However, after Marven pinched a few times, she felt that her whole body was much more comfortable,

And the fatigue that she felt after not sleeping all night disappeared instantly without a trace.

Instead, she felt as if she had slept for more than ten hours in one breath, a spirit that she couldn’t tell.

So, she couldn’t help exclaiming: “It’s amazing, Mr. Ye, how did you do two massages to give such a strong effect?”

Marven smiled and said, "I have learned some traditional methods, and a few massage skills."

Jemima sighed, "I really didn't expect that just massage can have such a good effect!"

Marven smiled slightly and said, "Jemima, you go to the dining room to eat first, I'll go out for a walk."

Okay." she nodded and said, "If Mr. Ye has any questions, you can ask me on WeChat at any time."

"If you like a house, you can take a picture of the house number and let me help with that"

"Okay."

Marven agreed, then waved his hand, and left the Liu family's mansion alone.

As he told Jemima just now, he did plan to buy a house in Shi Xundao,

But instead of buying it himself, he planned to let Gerard pay for it.

Moreover, after buying it, he did not plan to live by himself,

But planned to let Uncle Chen and his family live here.

Gerard was aggressive and murderous towards Hogan.

Although Marven didn't intend to make things difficult for him too much,

It was still necessary to severely dampen his dignity and spirit!

Chapter 4655

Marven moved around in Shixun Dao and felt more and more that this place had a unique geographical location.

In Hong Kong, where every inch of land is worth the money,

In Shi Xundao he could not see the slightest congestion, and he can see that the density of mansions around Panshan Road is not too high.

Coupled with the warm and humid climate in the south, living here is not only quiet but also comfortable.

He saw the door to the mansion mentioned by Jemima was closed.

And it seemed that in this Huo mansion no one lived nowadays.

Although the facade of the house is a little old, it still looked very stylish.

Marven strolled around, and when he returned to Liu's villa,

Jemima just came out. Seeing Marven, her pretty face blushed,

And she asked, "Mr. Ye, how's it?"

Marven smiled and said: "Very good, are you ready to go out?"

"Yes." she smiled back and said, "I will try to do the tasks quickly today and later pick you up from my dad's office then."

"Okay." Marven nodded and said: "But don't worry, you can do your business first."

Jemima said: "Okay, Mr. Ye, then I'll go first."

Marven instructed: "Be careful on the road."

Watching Jemima drive away, Marven Only leisurely walked into the villa.

As soon as Gerard saw him, he stepped forward with a smile on his face,

And said with a smile, "Mr. Ye, I heard from Jemima that you are interested in buying a property in Shixundao?"

Marven said casually, "No, no, I am just taking a look."

Gerard said without hesitation: "Mr. Ye, Shi Xundao is definitely a good place,"

"If you are interested in the houses here, I can give you a set!"

Marven waved his hand and said, "As the saying goes,"

"How can I accept such an expensive gift from Mr. Liu without merit?"

Gerard said very seriously: "Mr. Ye, you and I are like old friends at first sight,"

"And the little girl can get along with you very well."

“I will give you a house so that you can come to Hong Kong for a small gathering in the future.”

Bella walked up quickly and said flatteringly:

“Yes, Mr. Ye, Gerard told me tonight that he really hopes to become a close friend with you.”

“He rarely admires others, and you are the first.”

“If you can be our neighbor, he will be very happy!”

Marven didn’t expect that Bella’s attitude towards him would change so obviously.

Yesterday, she seemed to be a little contemptuous of him,

But today she suddenly changed her ways and began to compliment him.

However, Marven was not surprised.

After all, she is at Gerard’s bedside. Gerard will definitely tell her what happened at Inspur bar last night,

So today she knows that he has a great background,

And her attitude has naturally undergone a 180-degree change.

So, Marven chuckled and said, “Mrs. Liu is too polite.”

“I have no idea of settling in Hong Kong yet. Maybe, I will wait for a few years.”

When Gerard heard this, he hurriedly said,

“Hey, Mr. Ye, Now that the society is so developed, the concept of settlement has long since disappeared.”

“Even if you usually live in the Mainland, as long as you want to come to Hong Kong,”

“You can get here by plane in two hours. To be honest,”

“It is more convenient than driving to the suburbs for outings.”

Chapter 4656

Then, Gerard added: “Also, there are just a few private jets available.”

“If Mr. Ye wants to come to Hong Kong, just call me a few hours in advance,”

“And I will arrange a plane to pick you up immediately.”

“And even after you have landed at the airport, you don’t need to take a car anymore.”

“I will directly arrange a helicopter and take you to Shi Xun Dao.”

“You come to Hong Kong for a day or two on weekends and then can go back. It is as simple as that.”

Bella smiled and said, “Oh, Gerard, your idea is really good.”

“Mr. Ye must have his own business in the mainland, but he can definitely rest on weekends,”

“Otherwise you will pay for the next door. The Huo family’s house can be bought,”

“And after a quick renovation, it can be given to Mr. Ye,”

“And every Friday in the future, a plane will be sent to take Mr. Ye to Hong Kong to bring him here.”

Marven smiled: “Thank you for your kindness, but this arrangement doesn’t sound suitable for me,”

“But it is suitable for one of my elders.”

After speaking, he changed the subject and said to Gerard:

“Mr. Liu, shall we go to your company for a chat later?”

“No problem!” Gerard was excited as he said, “I’ll have someone prepare the car!”

Bella asked from the side, “Gerard, will you and Mr. Ye come back for lunch?”

“Would you like me to prepare lunch in advance?”

Gerard waved his hand and said, “I won’t be coming back,”

“At noon, I plan to take Mr. Ye to Long Jingxuan to taste the authentic Hong Kong cuisine.”

Bella hurriedly said, “In this case, do I need to go to Long Jingxuan earlier at noon for a meal?”

“Alright.” Gerard said with a smile: “You make arrangements in advance and call Jemima and ask her to join us.”

“Okay.” Bella said with a smile: “I will contact her then. You and Mr. Ye concentrate on talking about business.”

Gerard nodded with satisfaction, at this time, the driver had already pulled up to the front,

So he smiled at Bella: “Bella, I will leave with Mr. Ye now, Call me if you have anything.”

She said with a smile, “If there is anything in the afternoon and evening that I need to arrange for you in advance,”

“Let me know at any time, and I will dismiss today’s game.”

“Okay.” Gerard smiled fondly: “You are the most sensible.”

After that, he said to Marven, “Mr. Ye, shall we go?”

Marven nodded, and sat in the back row of Rolls-Royce with him,

And then he caught Bella’s attention ceremony, he left the villa.

When the car came out, Marven looked at Gerard with great interest, and said with a smile,

“Mr. Liu and Mrs. Liu have a very deep relationship.”

Gerard sighed with a smile: “Mr. Ye, to tell you the truth,”

“I have been with many girls, but Bella is the only one who really won my heart.”

After speaking, Gerard looked at Marven, and said to him as if he had come over,

“Mr. Ye, in fact, for successful men like us speaking of women, especially good women,”

“Of course the more there are, the better, but no matter how many women there are,”

“You are all in the midst of thousands of flowers. In the end,”

“You still have to choose the one that suits you best, understands you best,”

“And is most satisfied with you. That is the woman you want her to be your life partner.”

Marven raised his eyebrows and smiled, and asked him, "It seems that Mrs. Liu is the one that suits you best."

"Yes." he said: "To be honest, I do love her very much!"

"The whole of Hong Kong knows that I am good to women, but I am the best to her!"

Speaking of this, Gerard said very seriously:

"Danm, if it wasn't for that, she did something wrong when she was young, and I would have doted on her even more now!"

Marven said with a faint smile: "Before I came, I had heard about some past events of Mr. Liu and Mrs. Liu,"

"But Mr. Liu could finally choose to accept Mrs. Liu, it seems that it is true love."

Gerard sneered: "It is true love, but true love will inevitably have some grudges."

After speaking, he suddenly sighed with emotion: "Fortunately, this grudge will soon be over!"

Chapter 4657

At this moment, Marven saw a relief-like expression coming from Gerard's face.

However, he just smiled slightly, and then asked Gerard:

"Mr. Liu looks very happy, is there anything special today?"

Gerard waved his hand and said with a smile: "Haha, except for the cooperation with Mr. Ye,"

"Everything else is little things, all small things! It's not worth mentioning!"

Marven didn't point it out, looked at the scenery outside the window, and said calmly:

"It rained heavily last night, and the sun is shining brightly today. It seems that something good is going to happen."

"Yes, yes. Yes." Gerard said with a smile: "I specially asked Master Micah Yu to do a calculation for me this morning."

"He said that my hexagram today shows signs of purple energy coming from the east,"

“Saying that something great is about to happen.”

Master Micah Yu?” Marven asked in surprise: “I don’t know who is the master’s name?”

“Is he related to Jinghai Yu?”

Gerard asked in surprise: “Mr. Ye also heard Jinghai Yu’s reputation as a master?”

Marven smiled awkwardly, thinking to himself, “I don’t know if you heard that it was with Jinghai,”

“That I used a thunderclap to cut him into ashes.”

However, Marven couldn’t say such a thing. So he smiled and said,

“I have heard that Jinghai is a very famous master of metaphysics in Hong Kong, but I have never met him.”

Gerard nodded and said seriously: “Master Yu was the most famous in Hong Kong before.”

“Master of metaphysics, almost all the rich and famous stars in the whole of Hong Kong were regulars in his family,”

“And I had a very good personal relationship with him.”

Marven asked him curiously: “Then where is the master now?”

Gerard said: “Yu Since last year, has been looking for treasures from heaven and earth all year round.”

“Some time ago, Micah announced that Master Yu found a fairyland cave in the mainland and he retreated there to practice.”

Marven laughed and said: “Fairyland Cave, is it possible that he wants to cultivate immortals?”

Gerard said earnestly: “Mr. Ye, Micah cultivates feng shui metaphysics,”

“And it is best to use the treasures of heaven and earth to cover feng shui.”

“It is said that when they reach a certain age, they have to retreat and practice, and Master Yu is no exception.”

Marven smiled and nodded.

It seems that Master Micah does not know whether Jinghai is dead or alive.

In order to avoid affecting his reputation, he simply concocted a story that Jinghai was practicing in retreat.

So he asked Gerard: "Mr. Liu hasn't said yet, what does Mr. Yu, who is fortune-telling for you, have anything to do with Jinghai."

Gerard said, "Now the one who sits in his place is Jinghai's son."

Marven nodded and didn't ask any more questions.

Soon, Gerard's car drove to the Central business district, the most prosperous financial center in Hong Kong.

Gerard has two office buildings in Central, the total value has now exceeded 20 billion Hong Kong dollars,

Which can be regarded as the largest part of Gerard's assets.

However, Gerard is not a big boss in Central. The real boss is actually the Li family who have faded out of Hong Kong.

The total price of a central center in Li's family is approaching 40 billion Hong Kong dollars.

After the two entered Central, Gerard introduced Marven proudly:

"Mr. Ye here is the Central, the financial center of Hong Kong."

"You haven't been to Hong Kong for a long time, and you may not know much about it. Land price is too expensive here."

He said with a smile: "Mr. Ye, the rent of Grade A office buildings here is almost the highest in the world,"

"60% more expensive than the famous Manhattan, New York. The ones placed here are all Fortune 500 companies without exception."

Marven asked curiously, "Mr. Liu should have an industry here, right?"

"Of course." Gerard said with a smile, "I'll tell you Speaking of Mr. Ye, housing prices in Hong Kong are already ridiculously expensive."

“In Central, the price of a top office building is about HK\$20,000 to 30,000 per square foot,”

“And 11 square feet is converted into one square meter in the Mainland.”

“That is to say, here office buildings, the price per square meter is more than 300,000 Hong Kong dollars.”

Chapter 4658

Speaking, Gerard pointed to a building on the side of the road, and said with a smile:

“This building sold a unit of 260 square meters at the beginning of the year, and it sold for 120 million Hong Kong dollars.”

Marven smiled: “Two hundred and sixty square meters can be sold for so much money,”

“So Mr. Liu’s property here has already exceeded 10 billion Hong Kong dollars, right?”

Gerard said with a smile: “The two office buildings I have in hand add up to almost two Fourteen billion Hong Kong dollars.”

Marven asked again: “By the way, at what price did Mr. Liu buy Miss Jemima’s snack street?”

Gerard laughed and said, “Mr. Ye, mention that Snack Street is really an excellent investment.”

“More than ten years ago, I spent 158 million Hong Kong dollars to buy the entire street.”

“Now if I take it out for redevelopment, the land alone will be worth at least 3 billion!”

Speaking of this Gerard said to Marven in a low voice:

“The boss of Yateng Assets has taken a fancy to that street and wants to demolish it and build a commercial center.”

“If I cooperate with them, they will invest 15 billion Hong Kong dollars to build it.”

“I used the land and out of the total shares they can give me 30%.”

“What I am talking to them now is that I will use the land for 5 billion shares,”

“And then subscribe to invest 2.6 billion.”

“I will take 51% of the shares, and I will be the major shareholder.”

Having said that, he looked at Marven and said very seriously:

“If Mr. Ye is interested in this project, I can give you a part of the shares at a low price,”

“And we can make a fortune together.” Marven asked, “Except for the two sides .”

“Outside the shops, there is a road in the middle, how to build a commercial center in such a place?”

Gerard smiled and said, “In fact, everything is working, the road is very narrow,”

“And it is almost occupied by the stalls at night. The function of the municipal road has almost been lost,”

“So I communicated with the planning department, and I only need to commit to investing one billion to demolish and rebuild a municipal road on the south side of the snack street area,”

“And then when the commercial center is built, it will be underground.”

“Leave an underground pedestrian passage on the floor, and then add escalators at both ends, and the project can be approved.”

After speaking, he said again: “I will invest in a municipal road, and then build a pedestrian passage.”

“At that time, if I spend a little more money, I will be able to lead an underground passage from the basement level of the commercial center to the nearby subway station.”

“By that time, this will be a commercial center with very convenient transportation, and the future is limitless!”

Marven frowned slightly and said, “This street seems to be very important to Miss Jemima.”

“If it is redeveloped, it must be difficult for her to accept it.”

Gerard Slightly startled, then smiled: “I have dealt with women a lot, and I know more about women than ordinary men.”

“Girls, most of them are too emotional. This is also a woman’s natural weakness in character,”

“So you see, why are most of the richest people in this world men?”

“To put it bluntly, it is because men are always rational and can be truly mercenary and reckless.”

“In the market, only people who are rational and calm enough are able to make a lot of money!”

Marven felt a little more disgust for Gerard in his heart, and said lightly:

“For Miss Jemima, there is her spiritual sustenance, and it seems inappropriate to dismantle it to make money?”

Heard Marven’s question, Gerard said with a smile:

“Mr. Ye, this child Jemima, the biggest problem is that she has never been in love.”

Marven frowned and said: “You wanted to open the snack street, what does it have to do with Miss Jemima?”

Gerard hurriedly said: “Look, don’t think that this child is twenty-four years old this year,”

“And she is in the age of marriage, but it is because she has never been in a relationship and has been in a blank state in terms of relationship,”

“So she has always been very nostalgic. She is in her twenties, and she still goes to the snack street to eat every day,”

“And hangs with those vendors and walkers just like when she was a child,”

“Which proves that her emotional vacancy has always been filled by missing her mother.”

Chapter 4659

Speaking of which, Gerard looked at Marven and said meaningfully: “Actually,”

“The best way now is to let her mature quickly and let her have a true experience.”

“She is really going to fall in love. Once she starts falling in love,”

“The vacancy in her emotional aspect will be filled by the guy she loves.”

“At that time, this snack street which is very important to her now will be not that important anymore.”

Marven hummed and said, “Mr. Liu, I heard from Miss Jemima that you bought the snack street and gave it to her.”

“Strictly speaking, this is her property, do you want to tear it down? In order to re-develop, she should be consulted.”

Gerard could hear that Marven was somewhat defending Jemima,

And instead of being angry, he was extremely happy. So, he looked at Marven and promised very seriously:

“Don’t worry, Mr. Ye, I will definitely seek Jemima’s approval for this matter,”

“And I don’t want to tear it down and rebuild it right away, it’s better to wait for Jemima.”

“After she has found her wishful husband and started her own life, I will seek her advice.”

Then, he deliberately said very seriously: “In addition, I have already made plans,”

“And I will be here by then. All the shares in the center are used as Jemima’s future dowry, whoever marries her will be the boss here!”

Marven smiled and said nothing. He felt that Gerard’s remarks are to attract him.

He has probably already made a plan. Even if Jemima does not agree, he will go his own way in the redevelopment.

But Marven didn’t say more, because Gerard is in high spirits now, but in the afternoon, he will teach him how to be a man.

At that time, he will definitely make a contract with him for another thing,

And this will make him make a promise that he must not go against Jemima’s opinion in the handling of the snack street.

Afterward, the convoy drove into an office building owned by Gerard.

Gerard warmly invited Marven to walk into his special elevator, and said to him,

“Mr. Ye, the largest entertainment company in Hong Kong, works in my building.”

“Their boss, Tyren Yang, has a very good relationship with me.”

“If you are interested in getting to know him,”

“I can let him come up in a while, and let’s have tea together and get to know him.”

After speaking, Gerard said to Marven with an expression that he could understand,

“At least half of the female stars in Hong Kong are all signed to Tyren’s company,”

“If you are interested, I can also let them introduce some of them to you.”

For Gerard, he is a master of indulging in flowers, so even if he hopes Marven very much to be his future son-in-law,

But he still felt that a real man should be as unrestrained and wild as himself,

And having more women is an elegant affair, and it is no big deal.

However, Marven didn’t have any interest in female stars in Hong Kong,

He waved his hand with a cold expression, and said, “No need, Mr. Liu,”

“I have heard about the chaos in your circle, and I dare not Ye into the mud without care,”

“At least I won’t take the initiative to jump into the cesspool.”

When Gerard heard this, he was stunned for a moment, knowing that Marven must have looked down...

On the chaotic female stars in the entertainment industry,

And he was flattering and accidentally patted the horse’s leg. He said embarrassedly,

“Mr. Ye misunderstood. In fact, I don’t mix in their circle. Like Mr. Ye, I am clean!”

“Okay, okay.” Shaking his head and smiling, Gerard was a little ashamed.

At this time, the elevator indicated that it had reached the top floor,

And then the elevator door opened. Gerard said attentively,

“Come here, Mr. Ye, please come to the lower office first.”

Marven nodded, followed Gerard out of the elevator, and then seeing the two young,

Beautiful, tall, and short skirt uniform girls at the elevator entrance,

They bowed respectfully and said, "Hello, Chairman!"

Gerard hurriedly pointed at Marven and said to the two,

"This is my distinguished guest, Mr. Ye, quickly say hello to Mr. Ye!"

The two girls said in unison, "Hello, Mr. Ye!"

Chapter 4660

Marven smiled and followed Gerard all the way to his office.

Interestingly, along the way, he met at least seven or eight female employees with the same dress and temperament.

Apart from that, there were hardly any male employees on this floor.

So, Marven asked with great interest: "Mr. Liu, why are there all-female employees here?"

"It's eye-catching!" Gerard said with a smile: "My employees are basically from flight attendants and beautiful Hong Kong girls,"

"And they are all about the same height, all under the age of 28,"

"I pay them double wages, but I don't need them to hold important positions,"

"Just dress up like this every day to say hello to me and serve me well at the same time, that's enough."

After speaking, he was afraid of Marven's misunderstanding, and quickly explained:

"Mr. Ye, this kind of service as I speak, doesn't mean anything else, it's a simple, normal, and healthy daily service."

Marven said lightly: "I had little understanding of Mr. Liu's behavior before I came here,"

"So Mr. Liu doesn't have to explain this kind of thing."

Gerard smiled awkwardly, scratched his head, and said, "Oh, for a long time,"

"For the people outside there have been some misunderstandings about me."

"If Mr. Ye hears something outrageous, don't take it seriously."

“Okay.” Marvin sat down on the sofa in his office and said casually,

“Mr. Liu, let’s talk about business, how do you want to cooperate with ISU Shipping?”

Gerard didn’t expect Marvin to go straight to the point so quickly, and hurriedly said:

“That’s right, Mr. Ye, there is also a shipping company I have,”

“But the operation is not very good, and a lot of transportation capacity is wasted,”

“So I hope to be able to follow ISU Shipping should cooperate in-depth and take some orders that cannot be digested from ISU Shipping.”

Marvin said indifferently: “This kind of cooperation is naturally not a problem,”

“But the key is how much profit you are willing to pay to ISU Shipping?”

Gerard thought about it and said tentatively: “How about 30%? ISU Shipping doesn’t have to bear anything,”

“Just give me the waybill that you can’t digest, and I will give 30% of the freight to ISU Shipping.”

“Thirty percent?” Marvin said with a smile: “If Mr. Liu only has such a little sincerity,”

“Then I guess it’s impossible to talk about this matter.”

Gerard was stunned, and quickly said: “Oh, Mr. Ye, these are easy to say.”

“It really doesn’t matter to me how much you split, I just want to make you an offer as a friend,”

“If you don’t think it’s suitable, it’s okay to open five or more!”

Marvin smiled: “Well, I’ll give you some time to think about it, after thinking about it, give me a price.”

Gerard couldn’t figure out Marvin’s psychological expectations, so he could only nod and say,

“It’s easy to talk, we can discuss this matter in the long run.”

Just after finishing speaking, a beautiful woman knocked on the door and came in.

She said respectfully: “Chairman, Mr. Yang is here, and he has brought two very young newcomers.”

“He said he wanted to introduce them to you.”

“I told him that you were meeting guests, and he asked me to ask if it was inconvenient for you now.”

When Gerard heard this, his expression was extremely ugly, and he quickly waved his hand and said,

“No, no, tell him that I have a distinguished guest, it is inconvenient! Let him go!”

After speaking, he deliberately glanced at Marven and muttered:

“I lost it, this ba5tard surnamed Yang, he always runs to me when he has nothing to do, making it seem like everyone is familiar.”

Marven laughed and said, “Mr. Liu, you are often in the entertainment industry,”

“And your acting skills are still like this. It’s really hard to hide.”

Gerard could not wait to dig through the cracks in the ground and said bravely:

“No, Mr. Ye, I’m really not familiar with the entertainment industry...”

Marven waved his hand: “Forget it since it’s your good friends,”

“There is no reason to go out, you might as well introduce me to know them.”

Gerard looked at Marven, stunned slightly, and thought to himself:

“I thought this Ye is really a good man with a clean body, I didn’t expect that he is also a good man.”

“A fellow man full of benevolence, righteousness, and morality,”

“Now that he heard that Tyren brought two young newcomers here, so he moved his mind...”

Thinking of this, he immediately changed his expression with a smile on his face,

Said to the secretary, “Quick, let Mr. Yang come in!”
