

The Amazing Son In-Law Chapter 4681-4690

Chapter 4681

Gerard and Bella, although they have reached the top of the pyramid in Hong Kong,

But looking at the world, they are still far behind.

And the strength of the Fei family is no longer on the list of ordinary rich people.

The strength already belongs to the hidden wealthy family,

And the overall strength is countless times stronger than Gerard's.

Stella is also the head of the Fei family, and in the eyes of Gerard and Bella, it is even more unattainable.

At this moment, the mentality of the two of them is like the richest man in a small county.

They finally have the opportunity to meet the richest man in the country.

In addition to being excited, they are inevitably nervous.

Unlike the two of them, Marven was in a very relaxed state.

With his hands in his pockets, he swaggered into the arrival hall.

In the arrival hall at this time, there were many people who came to pick up the people from the plane,

But Bella did not put on sunglasses and a mask as she did when she came to pick up Marven with Gerard before,

And she did not have the attitude of a rich wife, as before.

At this time, Joseph turned around from the crowd,

Came to Marven, and said respectfully, "Mr. Ye!"

Marven nodded and asked him, "Did you find anything special?"

Joseph respectfully said Said: "No, Mr. Ye."

Seeing that Joseph was also here,

Gerard immediately clasped his fists nervously and said, "Mr. Wan... Hello, Mr. Wan!"

Joseph glanced at Gerard and bowed slightly to him. Hands over as a response, but no words.

Joseph knew very well, don't look at Gerard and Marven like old friends now,

But it won't take long for Gerard to know Marven's true identity,

And the real purpose of his coming to Hong Kong this time.

Therefore, there is no need to be too much frank with Gerard.

Twenty minutes later.

A beautiful figure appeared at the customs exit,

Instantly attracting the attention of many people.

Stella, who is young and beautiful and has a strong aura, walked out of it, accompanied by Karl Yuan.

Before Stella came out, she saw Marven in the crowd at a glance,

And she waved to him excitedly, and said loudly, "Mr. Ye!"

After that, she quickly ran a few steps and came in front of Marven.

When Stella stood in front of Marven, a little blush appeared on her originally fair cheeks.

Don't know if she blushed because she ran a few steps quickly or if it is because she is shy.

However, Stella's expression when looking at Marven was obviously filled with joy beyond words.

To Gerard, who had countless royal daughters, he could tell at a glance that this girl must like Marven!

Thinking of this, he couldn't help exclaiming in his heart:

"What kind of virtue this Marven has! Why even a young lady like Stella Fei,"

"Who is worth thousands of trillions of dollars, is full of admiration for him?!"

"And she is not only rich but also has the same appearance and figure.

"She is not inferior to Jemima at all, and her background is much stronger than that of ours."

"It seems that Jemima has almost nothing in front of her. There is no chance of winning..."

Just when Gerard secretly screamed in his heart with sorrow, Marven said to Stella with a smile:

"Miss Fei, Master Yuan, the two of you have worked hard to come all the way."

Karl on the side said very respectfully: "Mr. Ye's words are serious, it's all under the responsibility."

Stella also said seriously: "Mr. Ye who works hard,"

“It’s my honor to be able to share your worries with you.”

Stella’s remarks are even more shocking for Gerard and Bella.

Chapter 4682

The two looked at each other with shock and disbelief in their eyes.

Originally thought that Stella was Marven’s friend,

But who would have thought that Stella would drop herself in front of Marven, call him respectfully,

And said that it was her honor to share his worries.

This is even a bit humble, more like the subordinate’s tone and attitude towards the boss.

Neither of them could understand why Stella, the head of the Fei family, was so humble towards Marven.

At this time, Marven said to Stella, “Miss Fei, let me introduce you to two friends.”

Then he pointed to Gerard beside him, and said, “This is the famous Gerard Liu in Hong Kong,”

“Next to him, is his wife, Miss Bella Fang,”

Stella was shocked when she heard the names of the two.

She knew that Marven came to Hong Kong this time to help Hogan solve the troubles here,

and she also knew that the person who wanted Hogan’s life was Gerard Liu, the richest man in Hong Kong.

But she really didn’t expect that Marven brought Gerard here,

And looking at this situation, Gerard seemed to have become friends with Marven,

And he had no sense of danger at all. Just when she was surprised,

Gerard took the initiative to stretch out his hand and said very respectfully:

“Hello, Miss Fei, Gerard Liu, I have admired your name for a long time,”

“But I didn’t expect to see you in Hong Kong today.”

Stella put away the surprise in her heart, looked at Gerard,

Stretched out her hand to shake his hand lightly, and immediately smiled:

“It turned out to be the famous Mr. Liu, nice to meet you!”

Bella on the side was also a little nervous. Said:

“Fei... Hello Miss Fei! I’m Bella Fang, it’s a pleasure to meet you!”

Stella nodded slightly and said with a smile, “Hello Mrs. Liu. Nice to meet you.”

“Miss Fei, Mr. Ye and I are inseparable, and you are Mr. Ye’s good friend.”

“When you come to Hong Kong this time, you must give the next opportunity to fulfill the friendship of the landlord!”

He continued: “I have prepared a banquet at home. If Miss Fei doesn’t dislike it,”

“Please come and condescend to have a small talk in my humble house!”

Then, Gerard quickly added: “By the way, Miss Fei, Mr. Ye has been living in the humble house for two days.”

“If Miss Fei doesn’t dislike it, she can live with us in Hong Kong for these few days.”

Stella smiled slightly, looked at Marven with affectionate eyes, and said,

“To be honest with Mr. Liu, I came to Hong Kong this time because of Mr. Ye, so I obey Mr. Ye’s orders.”

Looking at Marven on the side, she asked respectfully, “Mr. Ye, what do you think?”

Marven smiled and said, “It’s too early to say anything.”

After speaking, he asked Gerard, “By the way, Mr. Liu. You have a deep relationship in Hong Kong,”

“Can you ask the airport management to provide us with a VIP lounge in this building?”

Gerard asked curiously, “Mr. Ye, aren’t we leaving now?”

Marven laughed casually. Said: “To be honest, there are two distinguished guests today.”

“Miss Fei is the first one, and there will be another one later. It may take a while.”

When Gerard heard this, he didn’t think about Hogan at all,

He just couldn’t help but ask in surprise:

“Mr. Ye, do you still have a distinguished guest?!”

“I don’t know what this distinguished guest is? Could it be... someone from the famous An family?”

Marven smiled slightly: "This distinguished guest is for me."

"One of my elders and he had a very close personal relationship with my father,"

"As for his surname, Mr. Liu should not be so detailed."

Gerard thought to himself: "Even Stella is very respectful to Marven,"

"That Marven is very respectful to this second distinguished guest,"

"Maybe that person will be bigger in status than Stella!"

"Maybe it's really the An family I guess, if that's the case, I'm really lucky today!"

Thinking of this, he immediately patted his chest and said to Marven,

"Don't worry, Mr. Ye, I have shares in this airport."

"It's very easy to arrange a VIP lounge. Just wait a moment, I'll arrange it!"

Chapter 4683

With his identity as a shareholder of Hong Kong Airport, Gerard made a phone call,

And soon an airport executive rushed over.

After a while, he invited everyone to the VIP lounge on the second floor of the arrivals hall.

This VIP lounge itself is used to receive VIP customers.

Gerard had really thought about whether to prepare a lounge.

But when he thought that Stella was a distinguished guest,

He had to stand in the arrival hall and wait to be greeted,

In order to appear to be paying enough attention.

Otherwise, if he sits in the VIP lounge and waits for others to bring Stella over,

His posture will be a little too high.

After coming to the VIP lounge, he still had this concern in his heart, so he asked Marven:

"Mr. Ye, is it inappropriate for me to sit here and wait for your VIP guest?"

"Otherwise, tell me the guest's name. I will write a sign to go outside,"

"And wait for their arrival to meet them, you and Miss Fei can rest here!"

Marven waved his hand and said with a smile, "Mr. Liu, don't be so polite,"

"That distinguished guest is my elder, so of course, I will personally welcome him,"

"You can rest in the room for a while, and when I receive him, I will invite him over to meet you."

Gerard said hurriedly and diligently, "Mr. Ye, let's accompany you this time!"

Marven smiled slightly: "You really don't need to, I'll just go there myself."

After speaking, he no longer gave Gerard a chance to argue, and instead said to Stella:

"Miss Fei, Mr. Liu is very strong in Hong Kong. You can talk more about it."

Stella nodded with a smile, and said, "Okay, Mr. Ye."

Gerard hurriedly smiled and said, "Miss Fei, how many days are you going to stay in Hong Kong this time?"

Stella looked at Marven subconsciously and smiled:

"How long I stay depends entirely on Mr. Ye. I will stay as long as Mr. Ye needs me to stay here."

Gerard felt more and more surprised in his heart:

"It seems that Stella is not as simple as having a good impression of Marven,"

"It is completely like falling in love! The big family woman and in charge of thousands of trillions of dollars,"

"But how can she let go of what she is doing, and come to Hong Kong from thousands of miles away,"

"And she also says that she will stay as long as Marven wants her to stay, this... this I can't stand it!"

This made him feel even bleaker for his daughter Jemima:

"If I were Marven, I would definitely choose Stella..."

"In that case, wouldn't Jemima have no chance at all?"

With emotion, he looked around subconsciously. Looking at Bella next to him, he couldn't help thinking:

"Actually, for a man like Marven, with such a strong strength and background,"

"There must be no only one woman, right? Maybe he is just like me in his bones, showing affection everywhere..."

“He even has a second or third bedroom outside... If that’s the case, there may be hope for Jemima!”

After thinking about this, Gerard’s heart dropped a little.

However, he immediately thought to himself: “That’s not right!”

“I am also the richest person in Hong Kong, so I can’t let my daughter be Marven’s affair, right?”

“If it spreads out, I really don’t have a place to hide.”

Chapter 4684

At this moment, Stella on the side said to Marven:

“Mr. Ye, the Fei family’s shipping business has accumulated for many years,”

“And the business scale is relatively large. Recently, I want to work hard to expand in the Asian market.”

“I think simply cooperate with your ISU Shipping. If ISU Shipping has excess waybills in Asia,”

“They can be digested by the Fei family, and then the profit will be taken by ISU Shipping.”

Marven casually said: “No problem. The export volume of China has surged recently,”

“And the demand for unilateral transportation capacity is indeed very large.”

“It is impossible for ISU Shipping to control it all.”

“Later, I will talk to Melba and ask her to integrate the transportation capacity on your side and make a unified deployment.”

Okay.” Stella smiled coquettishly: “Then thank you, Mr. Ye!”

Marven smiled: “It’s such a small matter, you’re welcome.”

After speaking, he pointed at Joseph and said:

“If you also have the need for an armed escort, you can directly connect with Joseph.”

Stella smiled and said, “I just wanted to say, since that’s the case,”

“Then I’ll ask the person in charge of the shipping business to connect with Mr. Wan.”

Joseph clasped his fists and said, “Don’t worry, Miss Fei, I will definitely do my best here to cooperate.”

Gerard, who was next to him, was shocked when he heard this, and thought to himself,

“How can I not guess from Stella’s words, it seems that Marven is the real boss of ISU Shipping?”

“That Melba seems to be following Marven’s orders in doing business?”

Thinking of this, he couldn’t help sighing:

“If it really comes out to be such a big background for Marven,”

“He can’t just be the assistant of ISU Shipping!”

“If Marven is the behind-the-scenes boss of ISU Shipping, then his real strength,”

“I am afraid It’s much stronger than what I initially thought!”

Immediately, he looked at Marven subconsciously, and saw that he was a talented person,

And there were two great people, Joseph and Stella, by his side, and the future was bound to be limitless.

So, he couldn’t help but sigh in his heart: “Hey! These are the perks of being young!”

“Just look at him! As long as a man is really capable and young, he will climb high,”

“And with his stature and progress, will he really look at Jemima’s ability!”

At this time, Gerard was all thinking about how to get closer to Marven,

But he didn’t realize that danger was approaching.

More than ten minutes later, Joseph received a call from his subordinate and hurriedly came to report:

“Mr. Ye, the guest is coming out.”

“Oh?” Marven immediately stood up and said,

“The distinguished guest is here. Everyone, please wait here, I’ll receive him.”

Gerard said quickly and diligently: “Mr. Ye, should I accompany you?”

“No need.” Marven waved his hand: “You wait for me here for a while,”

“And you can accompany Miss Fei and have some chat.”

Gerard hurriedly said, “Okay, then we’ll wait for you here.”

Marven greeted Stella, and then walked out of the VIP lounge together with Joseph,

The two came out and walked quickly towards the customs exit.

At this moment, Hogan has completed all the entry procedures.

After all, he is a legal citizen of Hong Kong, and he has not violated the laws of the land,

So after completing the formalities, he regained his freedom,

He took his luggage directly and walked out of the customs office.

At this time, Hogan was already ready for his death.

His only hope was that he would not be killed by an anxious killer after going out.

He just hoped that first, he would be able to return home to see his elderly mother.

However, he is also entangled, if he goes home by himself, will it bring death to his family as well.

Or, will the elderly mother take a bigger hit if she sees him getting killed.

Thinking of this, he made a decision in his heart.

He didn't plan to go home. He simply will wait for the other party at the airport gate.

In this case, at least the old mother who bought him into this world will not have to see him getting killed.

After making up his mind, he stepped out of the customs exit, ready to die.

At this moment, he suddenly heard a familiar voice: "Uncle Chen, welcome home!"

Chapter 4685

Hearing this voice, Hogan trembled.

Immediately, he raised his head and faced the direction of the voice,

And was surprised to find that Marven was looking at him with a smile on his face.

He was so shocked that he was speechless,

And he muttered after a long while, "Master Ye...you...why are you here?"

Marven looked at Hogan and couldn't help but be a little surprised,

Because he had not seen him for a few days and he seemed old and decadent already.

Coming to think of it, he concluded that Hogan must have been tortured recently.

So, Marven smiled slightly, and said casually, "I've been here for a few days,"

"And it's such a big thing that you wanted to come home,"

"I'm sure I can't ignore it, I'm here in Hong Kong this time to make sure that,"

"You can return home safe and sound. That is when you get home, make sure that no one dares to touch you from now on."

Hogan hurriedly said, "Young Master Ye..."

"Gerard Liu announced a 30 million US dollars bounty and is determined to take my life,"

"You come to pick me up at this time, it is very dangerous..."

"Nothing dangerous." Marven smiled, pointed to Joseph beside him, and said,

"Uncle, let me introduce to you, this is the master of Cataclysmic Front, Joseph Wan."

"If someone dares to touch you today, or dare to stop you from going home,"

"I will definitely make him pay a heavy price."

Joseph said respectfully: "Uncle Chen, don't worry, here I am with Mr. Ye,"

"No one in Hong Kong would dare to do anything to you!"

Hogan was so grateful for a moment, his eyes were red,

He tried his best to hold back his tears, but he choked up: "Master Ye... I owe Master Changying's kindness all the time."

"There is no chance to pay it back, and now I owe you such a kindness, I am truly ashamed of myself..."

Speaking of which, he looked at Marven and said very firmly:

"Master Ye, from now on, as long as you have a use for me anywhere,"

"You will definitely find this old bone at your beck and call!"

Marven really wanted to bring Hogan under his command,

And let him help him manage his ever-increasing capital and industries.

But now, he just wants to help the wanderer,

Who has been away from his hometown for more than 20 years to return home safe and sound?

The rest is not important.

So, he turned around and asked Joseph: "Joseph, are all the things I asked you to prepare in advance ready?"

"Mr. Ye, everything is ready," Joseph responded respectfully,

And immediately looked at a man in plain clothes in the crowd and winked,

And then the man immediately walked over with a 20-inch suitcase.

The man handed the suitcase to Joseph, and said very respectfully,

"Mr. Ye, the Supreme Commander, everything is here."

"Okay." Marven nodded and said to Hogan, "Uncle, there we have prepared a brand new outfit and a razor for you,"

"I will take you to the bathroom to prepare,"

"And then I will take you to meet the two old friends later."

Hogan was shocked and couldn't help asking: "Ye Young master, shouldn't you be..."

"Could it be that you have brought Gerard and Bella under control?!"

Hogan knew that since Marven said that he wanted to help him solve the problem of returning home,

He must have contacted Gerard in advance.

When he heard that the young man beside Marven was the famous Joseph,

He was very worried, worried that Marven would use violence against Gerard.

Chapter 4686

But when he heard him say that he was going to take him to see the two old friends,

Hogan was even more worried that Gerard and Bella had been controlled by Marven.

Although he always knew that Gerard's intention to kill him would not die,

He himself had no intention of letting Gerard die.

As for Bella, he didn't even complain or blame her at all.

Therefore, he was afraid that Marven would use thunder to deal with them.

Seeing his worry, Marven smiled slightly: "Uncle Chen, it seems that I can't hide anything from you,"

"But don't worry, I didn't control Gerard and his wife, and the two of them are still in the dark."

“I will take you to see them when you are ready.”

“Let’s make this grievance clear face to face. After making it clear,”

“This matter will be all over.”

“I promise that Gerard will not dare to do anything wrong to you from now on.”

Hogan finally breathed a sigh of relief when he heard this, he nodded lightly, and said gratefully:

“Master Ye, no matter what the outcome of the matter is,”

“Please don’t embarrass the two of them, what happened back then, no matter what. It’s all my fault...”

When Hogan was young and vigorous, he never felt sorry for Gerard.

After all, he helped him make a lot of money back then,”

“And he did not cuckold Gerard. He only asked Gerard for mercy,

After he was sure that Bella was willing to reunite with him.

Moreover, Bella did not marry Gerard at that time, and she was not a third party involved.

However, as he got older, he gradually realized that although he didn’t feel guilty in handling this matter,

In all fairness, it did cause a lot of trouble for Gerard.

After all, Gerard was a well-known super-rich man, and he was well known for taking care of Bella back then.

He took Bella and eloped with her, which brought him a very negative social impact.

It is very likely that people in Hong Kong are still talking about this after dinner.

And this one is about Gerard’s current wife, who once eloped with someone.

Marven also understood Hogan’s mentality, so he smiled and said,

“Uncle Chen, don’t worry, since I want to take you to see them,”

“I don’t want to make too much trouble for them, otherwise,”

“I could have killed them directly. It would be solved once and for all.”

After speaking, Marven said again: “But Uncle Chen, I am not only here to seek justice for you alone,”

“But also for my father, I have to ask Gerard to give me a satisfactory account of this matter for his backtracking.”

Hogan didn't know how to answer for a while, but Marven changed the topic and said,”

“Uncle Chen, I'd better take you to change your clothes.’

‘You can't be so decadent when you want to see your old friend later.’”

Hogan nodded lightly. Nodding, he said gratefully, “Thank you, Young Master Ye!”

...

Ten minutes later.

Hogan had put on the white short-sleeved shirt, black trousers, and leather shoes that Marven had prepared for him.

This suit is a high-end series of well-known brands, and Hogan is a talented person.

Even if he is old, he is still very handsome, so after putting on such a suit,

And shaving his beard, his visual age is instantly much younger. He looks only about forty years old when he got out.

When he was ready, Marven smiled and said,

“Uncle Chen, your two old friends are in the VIP lounge on the second floor of the airport at the moment, I'll take you up.”

“Okay.” Hogan nodded slightly, slightly Following Marven nervously, he took the elevator to the second floor.

In the VIP lounge at this time, Gerard was still looking forward to Marven's second VIP guest,

And he couldn't wait to see the true face of this VIP.

Chapter 4687

At this moment, Marven pushed open the door and walked in.

Seeing that both Gerard and his wife were full of expectations, he smiled slightly and moved a bit.

Hogan's figure instantly fell into the sight of the two of them.

Bella covered her mouth in shock and was speechless,

While Gerard was stunned at first, then immediately became furious,

Pointing at Hogan and shouting angrily: "Dmn, Hogan! You deserve to die!"

At this time, Gerard had been carried away by his anger.

He blurted out an angry curse, but Hogan said with a somewhat ashamed expression:

"Mr. Liu, it's been a long time."

"See your mother, see your father!" Gerard pointed at Hogan and cursed angrily:

"You are so fcuking arrogant. How dare you run in front of me! You really think you have a long life!"

Marven on the side said coldly: "Mr. Liu, you treat my honored guest like this,"

"Don't you think that I am nothing in your eyes?"

Gerard came back to his senses instantly and then shivered in fright.

Only then did he realize that Gerard was actually brought over by Marven!

So, he asked Marven nervously: "Mr. Ye, you...how do you know him?"

Marven frowned and said, "Uncle Chen is my father's friend."

Having said that, he looked at Gerard, and ask him:

"Mr. Liu, do you still want to ask who my father is?"

Gerard nodded subconsciously.

He had only one relationship with Changying Ye back then,

Not to mention that Changying had been dead for 20 years, and he could no longer remember this person in his mind.

Marven looked at him, smiled slightly, and said word by word,

"Mr. Liu, my father's name is Changying Ye, Changying of Ye's family in Orgeyon,"

"You forget things so much, you can turn your head and throw away the promises."

"In the back of your head, after so many years, do you still have any impression of my father?"

"Changying Ye..." Gerard murmured and repeated, his brows furrowed.

Immediately afterward, he suddenly remembered the middle-aged man who had met him on a special trip from the mainland to Hong Kong.

At that time, Changying was very famous in Chinese circles.

Not only because of his good background and strong ability,

But also because he married a very remarkable woman, Margaret An,

Who was famous all over the world for promoting the rapid development of countless companies in Silicon Valley!

Back then, when Gerard met Changying, he also sighed that this person is of extraordinary strength.

It was because of Changying's face and potential that Gerard readily agreed to let Hogan go.

Although he hated Hogan at the time, he still decided to let go of the past,

When he thought of the chance to get on the boat of the Ye family and the An family.

Originally, Changying did have plans to give Gerard something in return, but unfortunately,

Not long after that, Changying broke up with the Ye family and left Orgeyon with his wife and children.

Just when Gerard was thinking of finding an opportunity to catch up with Changying,

He heard the news of his death.

Gerard's first thought at that time was that he had lost a lot.

He made concessions to Hogan, not because of Changying's face,

But because he wanted to benefit from Changying for a long time in the future.

However, the benefits were not obtained, Changying and his wife were both killed,

Therefore, Gerard at that time immediately forgot his promise to Changying.

Chapter 4688

As time went on, Gerard gradually forgot about the number one person Changying.

However, today he suddenly heard the name again from Marven's mouth,

And all of a sudden his memory related to Changying was awakened.

He looked at Marven in disbelief: "You...you are Changying's son?!"

"This...how is this possible, I heard that their family...all died!"

Marven was cold as he said: "I'm sorry to disappoint you, I'm still alive."

Gerard trembled in fright and waved his hand quickly: "Mr. Ye...I...I didn't mean that..."

Then, what did he think of? , looked up at Marvin, widened his eyes, and said,

"You are Changying's son... That means you are not from ISU Shipping at all..."

Marvin said lightly: "Although I am not an assistant of ISU Shipping,"

"I am the boss of ISU Shipping, and Melba Watt works for me."

Gerard was horrified, and then subconsciously said: "But...but..."

"I heard that the Ye family was plundered by the Cataclysmic Front,"

"Half of their assets were taken away by the Cataclysmic Front, and now they have collapsed..."

"But you are the owner of the Cataclysmic Front, this... this is completely contradictory..."

Marvin sneered: "You think the Ye family lost, but that's just my hope that outsiders think the Ye family has lost."

Joseph, who was beside him, immediately said, "It's me, Joseph Wan,"

"Who was overthinking and trying to challenge Mr. Ye,"

"In the end, Mr. Ye spared my life regardless of the past!"

Gerard's cold sweat at this time has left his face and running down his entire back.

And his brain also began to run rapidly, and he thought to himself:

"Since this Marvin is Changying's son, it also means that the head of the Ye family in Orgeyon is his grandfather,"

"And the head of the An family in the United States is his grandfather too."

"... And what happened at the club yesterday proved that he is still the real owner of Cataclysmic Front,"

"And now he says he is the boss of ISU Shipping... In this way,"

"The strength behind Marvin is stronger than what I could imagine. Much much bigger..."

"The reason why Marvin used the excuse of the people from ISU Shipping to approach me,"

"It is probably because he knew that I wanted Hogan's life, so he did it on purpose..."

"Now, Marvin bringing Hogan here, he must have come to me to ask for forgetting the past..."

“This is really the end...”

At this time, Gerard was extremely flustered. Then, a thought suddenly flashed in his mind,

And he quickly put on a smile, and said excitedly: “You are Young Master Ye?”

“So you are Young Master Ye! Oh, I have always admired your father!”

“I was fortunate enough to have a drink with him in Hong Kong back then!”

“I’m really excited to see Master Changying’s son!”

After he said that, he hurriedly looked at Hogan again and said with emotion,

“Hey, Hogan! You left without saying goodbye for so many years, and now you are finally back!”

“You don’t know how much I feel guilty for you all these years,”

“And I have always wanted you to return to Hong Kong. In order to make up for the shame in my heart,”

“I have asked Bella to take care of your family for me for so many years.”

“She also visited your old mother a few days ago! You are back safely now, that’s really great!”

Marven looked at Gerard’s sincere look, and couldn’t help laughing:

“Mr. Liu’s ancestors should be theater actors, right?”

Gerard shook his head subconsciously, and said with a smile:

“Ye Young master, my ancestors were farmers in the Mainland.”

Marven frowned: “Your ancestors were farmers?”

“That’s not right. It seems that the skill of changing faces is only available from expert actors, right?”

Gerard was extremely shrewd, then heard the sarcasm in Marven’s words.

He hurriedly said, “Master Ye...you...what do you mean...”

Marven’s expression turned cold, and he asked coldly, “Gerard Liu, it doesn’t matter,”

“I just want to know, how do you explain that 30 million US dollars were spent in secret to kill Uncle Chen?”

Gerard quickly waved his hand and said, “Young Master Ye has mistaken, Master Ye,”

“I have known Hogan for many years, and he is my old subordinate,”

“How could I spend money to get him killed, there must be some misunderstanding...”

Chapter 4689

“Misunderstanding?”

Marven sneered and said, “Everyone in Hong Kong knows about this,”

“Even Jairo and that coach Lin are concerned about it.”

“With the \$30 million bounty you offered, you are telling me now that it is a misunderstanding,”

“Do you think I will believe you?”

Gerard was extremely nervous at this moment, and he only had one thought in his mind,

That he could not admit that he wanted to see Hogan dead, even if he lived or died

He has seen Marven’s methods, and when he becomes ruthless, he will never show mercy.

Therefore, he could only grit his teeth and say,

“Mr. Ye, you are really wronged! This matter is all rumors,”

“Many people only know how to spread it indiscriminately, and are not responsible at all...”

Marven looked at him, nodded slightly, and said, “Since you don’t admit it,”

“Then I’ll find someone to confront you on the spot.”

“What do you think of Jairo? Do you want me to call him over?”

Marven looking for Jairo is even more frightening.

He couldn’t be more clear about what kind of ways Jairo has!

Not to mention anything else, he saw clearly the process of Jairo beating Herman this morning.

He knew that Jairo had now regarded Marven as an emperor,

And he only wanted to make Marven satisfied with everything he did.

If Marven really called him over, he would definitely bite him without hesitation.

That hard-mouthed dog will attack him on the spot.

Thinking of this, Gerard said quickly: “Mr. Ye...this...this may be a miscommunication...”

“I did tell the people around me before that I have some feelings against Hogan.”

“I was dissatisfied, I wished I could kill him, but I never thought I would really kill him...”

Seeing that he refused to admit it, Marven said coldly: “Gerard,”

“Do you think I flew here from the United States to have a debate with you?”

“I already know the truth of the matter, even if you don’t admit it. So what?”

“And don’t forget, you promised my father back then that you would not care about Uncle Chen and Ms. Fang,”

“But what did you do later? Why did Uncle Gu fly to find you again?”

“Isn’t it because you turned your face and broke your original promise immediately after my father died?!”

Speaking of which, Marven raised his voice a bit and scolded:

“You clearly promised my father, but after he passed away, you immediately went back on your words.”

“Do you think I would forgive you for this kind of thing? Do you think that no one will ask you,”

“To settle the account after more than 20 years?”

Brokenhearted, he knew that even if he could argue for Hogan’s matter,

He couldn’t give a reasonable explanation for violating the agreement with Changying Ye.

He was the one who went back on his word at the beginning,

And Philip came to help Hogan to ask for calm again.

This causal exchange was done 20 years ago, and he could not refute it if he wanted to.

Frightened, Gerard’s legs softened, he threw himself on his knees on the ground, and choked:

“Mr. Ye, what happened back then was really back to back...”

“I was also misled by ghosts back then, please take a look for the sake of what happened to me back then, forgive me this time...”

Chapter 4690

After speaking, he looked at Hogan again and blurted out,

“Hogan, please say something to Mr. Ye, from now on, the two of us have released our previous suspicions,”

“You will be my brother in the future, if I have any more thoughts of killing you,”

“You will let Mr. Ye smash my body into ten thousand pieces!”

Bella on the side also panicked at this time and hurriedly begged:

“Hogan... Gerard and I have been married for more than ten years, and we have a son.”

“I beg you, for the sake of your relationship for so many years, please help him to plead with Mr. Ye..”

Saying that Bella’s eyes turned red, and the tears that looked like big beans rolled down.

Hogan was also a little unbearable at this time, so he looked at Marven and pleaded,

“Master Ye... things happened back then... I was also at fault... so...”

Marven interrupted him with a hand raised, and said seriously,

“Uncle Chen, I am now asking for an explanation for my father.”

“I think that any honest person will abide by the promises he has made with others.”

“Even if the other party has passed away!”

Speaking of this, Marven looked at Gerard and said coldly,

“Although my father is no longer here, as his son, he owes others,”

“And I will pay for him, others owe him. , I want to stand for him!”

When Gerard heard this, he was so panicked that he couldn’t stop shaking violently.

The reason why he didn’t take the agreement he reached with Changying at the time was...

Mainly because he felt that Changying and his wife had been abandoned by the Ye family and the An family,

Otherwise, the two families would not be able to sit back and watch both of them getting killed.

It is precisely because of this that he did not take that promise into his heart at all.

A lot of people seem to promise a lot of money, but in fact, they are just a dish.

They promise a lot of money in front of those who can’t afford to offend them,

And they look like rogues in front of those who think they don't matter.

Gerard is such a person in his bones.

He has a very classic motto: never make useless friends.

Once this person is useless to him, even if he grew up together, he is not worth mentioning in his eyes.

But once this person is useful to him, even if he kills his father,

He will find a way to have a relationship with him.

It is precisely because of this mercenary character that he immediately retracted his original promise after Changying Ye's death.

For a long time, Gerard was proud of his principles of life,

And felt that he was truly awake in the world, but he never dreamed that he would fall into trouble today.

So, he begged with extreme fear: "Mr. Ye, I was really obsessed and didn't fulfill the agreement with your father."

"I really knew I was wrong. Please give me a chance to change my mind!"

Marven looked at him, and asked lightly, "How do you plan to change it?"

Gerard blurted out without hesitation, "I promised your father back then that I would no longer pursue what Hogan did back then."

"I will correct it now that I know my mistakes, and continue to promise you,"

"I will never embarrass him because of this matter..."

Marven sneered: "Mr. Liu, I came to Hong Kong to discuss three things."

"The first thing, you have more than 20 years of experience. You promised my father before,"

"And now that I found you, you are telling me that you will correct your mistakes,"

"How can you give my father an explanation for the mistakes of the past 20 years?"

Marven said again: "Second thing, Uncle Chen was also one of the top talents in the financial field back then."

"Because you did not believe what he said, he could only go to the United States and sold roast goose in Chinatown for 20 years."

“Long years of youth and 20 years of life, how can you give him an explanation?”

Immediately, Marven continued: “There is a third thing! In the past 20 years,”

“Uncle Chen has not been able to return to Hong Kong to reunite with his family,”

“Nor can he stay in Hong Kong to reunite with his family.”

“My parents were his close friends, and my father passed away and couldn’t come back for the funeral.”

“In the past 20 years, the family has been destroyed and separated from each other, how can you give them an explanation?!”
