

The Amazing Son In-Law Chapter 4701-4710

Chapter 4701

After the killer fell from the building, outside the airport exit,

Several killers who were hiding in the crowd were suddenly subdued by other members of the Cataclysmic Front in disguise.

The killer hiding in the car, waiting for an opportunity, had not had time to react,

And was immediately caught in the front and back of the car by the members of the Cataclysmic Front.

Before he could react, his car was broken into and taken away.

Only now did these killers realize that they had already been closely monitored by the soldiers of the Cataclysmic Front.

Those killers who left the scene immediately after receiving the news of the withdrawal of the bounty,

Cataclysmic Front did not make them embarrassed,

And those who were unwilling to leave directly became a prisoner of the Cataclysmic Front.

At this moment, in the VIP lounge of the airport, Gerard said to Marven with relief:

“Mr. Ye, the bounty has been withdrawn, those killers must have received the news, you can rest assured...”

Marven ignored him, looked at Joseph, and asked, “Joseph, are you all done?”

Joseph respectfully said: “Mr. Ye, the bounty has indeed been withdrawn,”

“But within our control range, there are still some killers who have not left,”

“But our people have already dealt with it, killed one, and arrested seven.”

“Well done.” Marven nodded slightly and said, “Send these seven people to Syria too,”

“So as not to affect Hong Kong’s long-term peace.”

Joseph immediately cupped his hands and said, “Your subordinate obeys Master!”

Marven looked at Gerard and said indifferently,

“Mr. Liu, the grievance between you and Uncle Chen will be settled after you return from Yeling Mountain.”

“When it comes to an end, if you want to cooperate with ISU Shipping,”

“I will also arrange a special person to connect with you at that time.”

“As long as you can keep your promise from now on,”

“I have no other requirements for you, and I will not embarrass you again.”

When Gerard heard this, he really felt relieved and said respectfully,

“Thank you, Mr. Ye, for your magnanimity!”

Then he hurriedly said to Hogan, “Hogan, I will write a check today for the money I promised to give you!”

Hogan on the side said, “Master Ye, I don’t want this money, donate it all.”

Marven nodded and said, “How you manage this money is your freedom, Uncle Chen,”

“No matter what you do. No matter what you say, I support it.”

Hogan then said, “In the past few years, I have been in the United States,”

“And I have seen many orphans like strong boys,”

“So 20% of the money is to be used to support those orphans who have fallen abroad,”

“And the rest donate all of it to the Hope Project.”

“Okay.” Marven didn’t have any objection, and said,

“Uncle Chen is a person who has great love. Since you have decided, I will do it according to your will.”

At this time, Bella, who had not spoken for a long time, couldn’t help but reminded:

“Hogan...you...your mother suffered from a stroke and is in very poor health.”

“She is hospitalized in the church hospital, so you should spare some money for her...”

Hogan was stunned and blurted out, “When did it happen?!”

“Just a few days ago...” Bella didn’t dare to look in Hogan’s eyes, and whispered,

“I went to the hospital to see her. The doctor said that the situation is not optimistic,”

“It is best to send her to the United States for treatment,”

“Otherwise... I am afraid that there is not much time left...”

Hogan was flustered, he looked at Bella, and said gratefully: "Thank you, Mrs. Liu."

After speaking, he turned around and said to Marven,

"Master Ye, I want to go see my mother first!"

Marven said, "Uncle Chen, let me go with you."

Hogan hesitated for a moment, but agreed, said respectfully: "Then it is you and me, Mr. Ye."

Marven said to Joseph: "Joseph, get the car ready and go to the church hospital."

"Okay, Mr. Ye."

Chapter 4702

Marven turned to Gerard and said: "Mr. Liu, you can go too,"

"Hurry up and take care of the rest, it's best to get things done in the villa tomorrow."

"Okay!" Gerard nodded without hesitation and said,

"Mr. Ye, don't worry, I'll settle this matter tonight!"

Marven nodded with satisfaction, then looked at Jemima with red eyes beside him,

And cupped his hands: "Miss Jemima, I have offended you so much today, please forgive me."

He wanted to say something but said nothing.

Gerard hurriedly reminded in a low voice, "Jemima! Mr. Ye is talking to you!"

"What are you doing stupidly? Answer quickly!"

Jemima turned her face to the side stubbornly,

And reached out to wipe the tears from the corners of her eyes.

Marven felt guilty, but he didn't know how to explain it, so he said to Gerard,

"Mr. Liu, since Miss Jemima doesn't want to talk to me, you don't have to force her."

Gerard laughed awkwardly and said, "The little girl doesn't understand."

"The etiquette... made Mr. Ye laugh..."

Marven shook his head slightly, turned to look at Stella, and said,

“Miss Fei, thank you for flying over so far with Mr. Yuan,”

“If you are not in a hurry to go back, we will have our meal together.”

Stella smiled and said, “Okay, I’m not in a hurry at all,”

“If Mr. Ye has to stay in Hong Kong for a day or two,”

I can wait in Hong Kong until Mr. Ye finishes the matter.”

“After that, we can go back together.”

“Okay.” Marven nodded readily and agreed.

He planned to leave for the United States after Uncle Chen’s family moved to a new house.

Since Stella is not in a hurry, he can fly back with her at that time.

Stella asked Marven again: “Which hotel are you staying at, Mr. Ye?”

Marven looked at Gerard and Jemima, and said, “I haven’t found a hotel yet.”

Stella also probably saw the whole story and said:

“Then I’ll choose a hotel and reserve a room for you too.”

Marven nodded: “Then it’s hard for Miss Fei.”

Jemima looked up at Marven and wanted to say something, but she didn’t say anything.

Gerard on the side was a little disappointed.

Although he had just been abused by Marven,

He still wanted to continue inviting Marven and Stella to live in his house.

However, he also knew that this was the case.

If he wanted to show his face, it would be really difficult for him to open his mouth,

So he hesitated again and again but didn’t say anything.

Marven didn’t delay any longer and left with Hogan and Joseph.

Stella was also about to leave, but before she left, she deliberately came to Jemima,

Took out a business card from her bag, took the initiative to hand it to her, and said with a smile,

“Miss Liu, I’m Stella Fei, this is my business card,”

“If you need anything in the future, you can contact me at any time.”

Jemima was still immersed in trance and pain when she suddenly saw the business card handed over by Stella,

The whole person was a little stunned.

She came over later, so she didn’t even speak to Stella.

She didn’t know why the famous Fei family head gave her a business card.

Seeing that his daughter was still in a daze, Gerard, who was on the side,

Quickly reminded in a low voice, “Jemima, Miss Fei is talking to you!”

Jemima then recovered and said hurriedly, “Thank you, Miss Fei...”

Stella smiled kindly and said seriously, “You don’t have to be so polite.”

After that, she put the business card into Jemima’s hand and smiled lightly:

“Miss Liu, I have to leave now, we will contact you later.”

Chapter 4703

Jemima tapped gently Nodding and being polite, she watched Stella leave.

Stella took Karl out of the airport, and Karl asked a little puzzled:

“Miss, you seem to be paying attention to that Miss Liu?”

Stella smiled slightly, shook her head, and said,

“Mr. Ye gives attention to her, so I can’t ignore her.”

“Ahem... Miss, did you just say that you care about Mr. Ye’s acts and thoughts?!”

Karl looked at Stella in surprise, but she didn’t expect him to say such an understatement.

Seeing Karl’s astonished expression, Stella smiled and said,

“Master Yuan, you are a martial arts master who listens to all directions.”

“I said so clearly just now, can’t you hear it?”

Karl said hurriedly, “No. No... I just didn’t expect these words to come out of your mouth,”

“Miss, I’m a little surprised...”

Stella smiled and said seriously: “Master Yuan, don’t be surprised,”

“I’m not the only one who likes Mr. Ye, have you noticed how resentful that Miss Liu looked at Mr. Ye just now,”

“And how resentful a woman looks at a man, how much she loves him in her heart.”

Karl nodded and said with a smile, “Whatever you say? It’s true...”

Stella couldn’t help sighing: “Oh, Mr. Ye has only been in Hong Kong for two days.”

“I’m not surprised that she likes to give birth to Mr. Ye’s child in two days,”

“But she can make him feel distressed in two days. I really didn’t expect it.”

Karl asked in surprise, “Why didn’t I see that Mr. Ye felt bad for that Miss Liu?”

Stella smiled and said, “That may be because you didn’t observe carefully enough.”

Karl laughed at himself He smiled, and then asked Stella:

“Miss, since you like Mr. Ye too, then Miss Liu is your competitor,”

“Why do you take the initiative to make friends with her?”

Stella smiled: “If Mr. Ye was not married, then she is my rival in love,”

“But the problem is that Mr. Ye is already married, so she is my comrade-in-arms, my comrade, and my sister.”

After speaking, she added: “For men, there is a term called “difficult men”,”

“And she and I are considered to be difficult sisters.”

Karl was stunned by Stella’s frankness but on second thought,

This eldest lady herself is by no means an ordinary woman, and she acts in a style. It’s normal to be so straightforward.

Thinking of this, he said casually: “Miss, it is said that Mr. Ye has many confidantes,”

“The big star Sara Gi, Zhiyu Su of the Su family, and Ito Nanako of the Ito family,”

“These are the heirs of the big family just like you.”

Yes.” Stella sighed: “You said, this is only a small part of it, there are many competitors!”

“And all of them are very powerful. It seems that I have nothing but cleverness. The advantage...”

After speaking, she turned her head to look at Karl and asked,

“Master Yuan, do you think there is any way to win by surprise?”

“Cough...” Karl coughed awkwardly and said “Miss, to tell you the truth,”

“Mr. Ye is a strange person, and it is not something that someone like me can guess.”

“In terms of intelligence, you are much smarter than me.”

“If you can’t think of any way to win by surprise, I will not be able to do something about it.”

Stella said helplessly: “If it’s how to refuse a man to chase me,”

“Then I must have rich experience, but how to chase a man, I have no experience at all...”

After that, she sighed and shook her head. “Forget it, it’s a long way to go, take your time.”

Speaking of which, Stella couldn’t help but mutter softly,

“I think Mr. Ye seemed helpless when he was leaving,”

“But now he can help first. Mr. Ye and Miss Liu have cleared away their previous suspicions.”

Karl was even more puzzled: “Miss, what kind of chess are you playing...”

Stella said seriously: “It’s not playing chess, I really want to share worries for Mr. Ye.”

“I don’t have any other ideas, just give my heart to Mr. Ye,”

“Even if I don’t get on the podium in the end, at least I’m repaying my gratitude.”

...

Chapter 4704

At this moment.

Marven and Hogan were sitting in the car driven by Joseph and quickly headed to the church hospital.

Along the way, Hogan became more and more anxious, and the cold sweat on his forehead continued.

Seeing that he was nervous, Marven said with relief:

“Uncle Chen, you don’t have to worry too much, your mother will definitely be able to turn the corner.”

Hogan sighed: "Old mother is in her 80s this year."

"She suffered a stroke at this age. I'm afraid the situation will not be very optimistic."

Marven smiled slightly: "Don't worry, there will be no problem."

Hogan nodded slightly, But his expression was still worried.

Joseph quickly drove his car to the gate of the church hospital.

Without waiting for the car to stop,

Hogan hurriedly pushed the door to get out of the car and ran all the way towards the hall.

He came to the nurse's desk to inquire about his mother's relevant information,

And the nurse on duty quickly found out the department and the bed number of the old lady.

Hogan quickly followed the instructions and ran to the ward where his mother was.

When he came to the door of the room, he stopped and knocked gently on the door.

A woman's voice soon came from inside: "Please come in."

Hogan pushed open the door of the ward and saw that there was only one bed in the ward.

The old lady was wearing an oxygen mask, lying on the bed very weakly,

And surrounding by the old lady are three men,"

"Two women, five middle-aged people, and several teenage children.

When the five middle-aged people saw Hogan at the door,

They all stood there as if struck by lightning. One of the older women asked in horror,

"Big brother?! Is that really you, big brother?!"

Hogan Looked at her, she couldn't hide her excitement and blurted out, "You...you are Lena?!"

The woman burst into tears when she heard Hogan call her name,

She hurriedly ran over and hugged Hogan, crying, and said:

"Big brother, why are you back, the surnamed Liu always wanted to kill you,"

"And if you came back at this time, if he knew about it, he would definitely not let you go..."

Another man and a woman also rushed up at this time,

And two He also hugged Hogan tightly, crying and asking the same question.

This man and two women are Hogan's younger brother and two younger sisters.

When Hogan and Bella eloped, the eldest brother and sister were still studying, and the youngest was still underage.

In the blink of an eye, 20 years have passed,

The younger brother who was still in college at that time is now in his forties,

And the little sister who was still in middle school at that time is now married.

In addition to his younger siblings, the other two men are his two brothers-in-law,

And he is meeting for the first time today.

Although Hogan has been in the United States for so many years,

Although he often used e-mail to communicate with his family, he has never met them in so many years.

Even though the family knew he was in New York's Chinatown,

No one dared to go to New York to see him for his safety.

Moreover, they are now in Hong Kong, and they are all relatively low-level people.

They are doing their duty to earn a living. They don't know much about the outside world,

And they have not heard the news that Hogan will be extradited.

Therefore, when they suddenly saw Hogan come back, besides being excited,

They were more worried, worried that when Hogan came back, Gerard would kill him.

Hogan held back his tears and comforted them: "You don't have to worry,"

"Mr. Liu and I have already settled the quarrel."

After that, he hurriedly asked, "How's mom?"

Hogan's brother cried and said: "Brother, Mom is already in a deep coma."

"The doctor said that she can't wake up. He called us this morning and told us that Mom should be in a day or two..."

Hogan rushed to the hospital bed when he heard this.

Holding the old lady's hand on the bed with both hands, she cried and said,

"Mom, it's me, Hogan... I'm back to see you, open your eyes to see if I'm okay, Mom!"

Chapter 4705

At this time, the old lady has no perception ability at all, and her life breath is even very weak.

Hogan and his mother hadn't seen each other for 20 years,

And now they finally meet again, but he never thought that his mother is dying,

And even looking at him for her is as hard as heaven.

Looking back on his failure to perform filial piety in front of his parents over the past 20 years,

Hogan's whole body was completely broken down, holding his mother's hand and crying like a child.

Affected by him, the younger brothers and sisters also cried together in front of the old mother's bed.

Seeing this, Marven took out a blood-healing pill from his body,

Stepped forward and handed it to Hogan: "Uncle Chen,"

"This pill should be able to cure your mother, you can feed her now."

Hogan looked at the medicinal pill and remembered something in an instant,

So he subconsciously touched his pocket, took out a small wooden box, and said earnestly,

"Young Master Ye, I still carry the medicinal pill you gave me before, and this, can they cure my mother?"

Marven nodded and said, "Yes, my grandfather was terminally ill and was rescued by the pill."

Hogan couldn't hold back his joy and said, "That's great,"

"Thank you, Young Master Ye, I will give this pill to mother now!"

After speaking, he immediately opened the wooden box,

And took out the blood-scattering heart-saving pill from inside.

Marven didn't insist any longer, and silently took back the medicinal pill he took out.

Hogan immediately took off his mother's oxygen mask, and said to his younger brother,

“Azur, you help me get mother up.”

The younger brother hurriedly followed suit and gently lifted the old lady’s upper body.

Hogan put the elixir that Marven gave him into the old lady’s mouth,

And then stared at the old lady intently, looking forward to a miracle.

And Heart Saving Blood Dispersing Pill will never disappoint.

After just a few seconds, the old lady’s sallow complexion turned bloody,

And her originally weak breathing gradually became even and powerful.

Then, she saw the old lady’s eyelids tremble a few times and she slowly opened her eyes.

Maybe it was because she didn’t adapt to the light all of a sudden,

And the old lady couldn’t see clearly for a while, and she said vaguely:

“Azur...I dreamed just now...dream about your elder brother. He’s back...”

The children were speechless in shock, no one thought that Marven’s medicinal pill was so effective,

And within ten seconds, people woke up from a deep coma!

And first words of the old mother after waking up made Hogan cry instantly.

He choked and said, “Mom, I’m Hogan, I’m back!”

“Ah... Hogan?!”

The old lady was startled, raised her hand, and rubbed her eyes.

After her vision gradually recovered and the scene in front of her became clearer,

She stared at Hogan with wide eyes for a long time,

Then suddenly reached out and slapped him, scolding angrily,

“You ba5tard, who told you to come back!

“He glared at his second son and two daughters, and asked,

“Who asked you to call your eldest brother back?”

“Didn’t I tell him, even if I die, I can’t tell him!”

“As long as he returns to Hong Kong, the surnamed Liu will kill him!”

Hogan hurriedly said: “Mom, don’t worry,”

“Mr. Liu and I have reconciled, and no one will kill me!”

“How is it possible?” The old lady couldn’t believe it and blurted out:

“The last time Bella came to see me, she specifically told me to tell you not to come back to Hong Kong,”

“Saying that the surnamed Liu refused to let you go for so many years.”

Chapter 4706

She continued “You made him ridiculed by the whole of Hong Kong, and he always hated you to the core.”

“How can he reconcile with you?” Hogan turned around, pointed at Marven, and said to the old lady,

“Mom, thanks to Young Master Ye for helping me mediate, Gerard also reconciled with me because of his face.”

Hogan said again: “By the way, Mom, you were able to wake up thanks to the elixir that Young Master Ye gave.”

The old lady looked at Marven. Seeing that he is so young,

She was very surprised, but she said respectfully, “Young Master Ye,”

“On behalf of our family, thank you for your kindness!”

Marven hurriedly said, “Grandma, don’t be polite, Uncle Chen was my father’s best friend before his death,”

“And these are all things I should do.” After speaking, Marven asked with concern,

“How are you feeling now? Are there any obvious discomforts?”

The wife was stunned for a while, and said in surprise: “Oh,”

“Listening to you... I don’t seem to feel any discomfort at all...”

After that, the old lady tried to sit up by herself, she felt that her body is very light.

Previously, because of a stroke, her whole body almost lost half of her life,

But now she can’t feel any signs of a stroke,

And her overall state is surprisingly good.

Several children were also shocked and speechless.

Since the old lady suffered a stroke, her physical condition can be said to have collapsed in a straight line.

The doctor even thought that she is dying and would die in a day or two.

However, the eldest brother Hogan fed the old lady an unknown elixir.

As a result, not only did the old lady have no symptoms of a stroke,

but her whole face is radiant, which is unbelievable.

Hogan quickly looked at Marven and asked him,

“Master Ye, can my mother be discharged from the hospital?”

Marven nodded: “Basically, there is no need to stay in the hospital for observation.”

Hogan was very excited and said to the old lady, “Mom, let’s go home! “

The old lady hurriedly said: “Don’t rush back, you finally got home for a reunion,”

“We have to go to Sand Ridge first, you haven’t come back for so many years,”

“You must go to pay homage to your father first!”

“Sand Ridge?” Hogan asked in amazement: “Dad is buried in Sand Ridge?”

That place is too remote, I remember it was the place where the Hong Kong government used to bury unidentified bodies...”

The younger brother Azur quickly explained: “Brother, you haven’t been back to Hong Kong for many years,”

“And you may not know much about the situation here. In recent years,”

“It has been difficult for ordinary people to buy a decent cemetery in Hong Kong.”

“A better cemetery costs million or even millions,”

“And now it costs 400,000 to 500,000 yuan to buy a columbarium in a better cemetery...”

Azur’s eyes reddened, and he continued. : “Before father left, the family spent almost all the money to treat him.”

“After he left, the family couldn’t afford a decent cemetery...”

“In fact, let alone the cemetery. We couldn’t even afford a columbarium.”

“It was just at the time when the Sand Ridge Cemetery was about to be developed,”

“And a batch of new cemeteries was built. With the help of Miss Fang,”

“We were able to buy a regular cemetery for father in Sand Ridge.”

“For those deceased who can only be placed in the columbarium,”

“It is very rare for father to truly be buried in the ground...”

Hogan’s little sister couldn’t help but choked: “It’s still the fault of us children.”

“I don’t have the ability... Otherwise, there is no need for Miss Fang to help,”

“Because of this incident, Gerard also scolded her...”

Hogan pursed his lips and asked subconsciously: “Bella... Oh no, does Mrs. Liu come here often?”

Hogan’s little sister explained: “At the beginning, Gerard was very fond of her when he first married her,”

“And basically everything was up to her. So she often came to see parents.”

“Later, after father passed away, she did not dare to come blatantly,”

“And the number of visits was less. A few days ago,”

“When the mother was hospitalized. She sent some money...”

Chapter 4707

She paused, then continued: “Brother...Actually...In fact,”

“The family has been able to get to where it is today thanks to Miss Fang’s care over the years...”

“So don’t hate her too much about what happened back then...”

Hogan’s expression became a little complicated, he couldn’t help asking:

“Why haven’t you told me for so many years? These things?”

The little sister hesitated for a moment and said, “Miss Fang won’t let us tell you...”

“She said that she has hurt you badly and doesn’t want to trouble you, and you will be troubled by her again... .”

At this moment, Hogan had mixed feelings in his heart.

Although he had already let go of the fact that Bella left him,

But when he heard that the other party had not forgotten his parents and family,

For so many years, his heart suddenly throbbed.

Sometimes, if the other party is heartless enough, the injured party can come out in one go.

However, this kind of state of separation is not clear,

And suddenly knowing that the other party has a little bit of position in their hearts,

That feeling is more likely to make people fall into it...

...

At the same time.

The Liu family has also returned to the mansion in Shi Xun Dao by car.

On the way back, Gerard and Bella were in a car, and Jemima was driving her own Tesla.

Gerard saw that his daughter was in a trance and seemed to be lost,

So he wanted her to go back with him in the car, but she refused.

Jemima was upset and wanted to be alone,

But he didn't expect that on the way back, only Marven was in her mind.

She unconsciously thinks about the bits and pieces since she and Marven met.

The more she thinks about it, the more she feels that Marven seems to have been branded in her heart.

However, when she thought that Marven was deceiving her from the beginning to the end,

She couldn't help but complain to Marven a lot.

Fortunately, although she was very worried, she did not encounter any unexpected incidents on the way back,

And she drove the car home safely.

When she stopped the car, Gerard got out of the car as if he had lost his soul.

He seemed to be recovering from a serious illness and even had some inconvenience moving.

Seeing this, Bella hurriedly supported him, and asked with concern, "Gerard, are you okay?"

Gerard sighed, waved his hands weakly, and said, "Let's go home."

Jemima also felt a little distressed about herself. Hurried to the other side and hugged her father.

The three entered the villa, and Gerard asked them to take them to the sofa and sit down.

The moment he sat down, Gerard let out a sigh of relief, and sighed to himself:

"I have lived for more than 50 years, and today is the most terrifying day..."

Bella wiped her tears and choked up, "I'm sorry Gerard. Blame me....."

"I don't blame you." Gerard waved his hand and sighed:

"I have always been too mad, I always feel that a mere Hogan is just a bug in front of me,"

"As long as he appears, I can shoot him to death... .."

"But I never imagined that the all-powerful Changying Ye back then had a son..."

Bella said, "I heard Hogan talk about that Changying Ye before,"

"If I remember correctly, he seems to be the son-in-law of the An family in the United States."

"Yes..." Gerard said with lingering fears: "Changying Ye was very famous in the Chinese circles back then,"

"But the most famous one was his wife... that she was really a bright star..."

"Anyone who mentions her will give a thumbs up..."

After speaking, Gerard added: "I thought all three of his family were dead,"

"After all, I have never heard of them, their son is still alive."

"The news of being alive, I didn't expect that their son is not a thing in the pool now..."

"Let's not talk about the giant An, the Cataclysmic Front alone is already frightening..."

After a pause, he sighed: "Hogan has such a backer, I am convinced that I lost this time."

Bella on the side said hurriedly: "Gerard, you are going to Orgeyon in a few days, and I will accompany you too."

Gerard looked at her seriously and said: "Going to Orgeyon is very hard,"

“Marven asked me to go to his father’s grave to repent, and I can’t leave for three months.”

“I’m afraid I’ll be sleeping in the wind, I don’t know how much I’ll suffer.”

“It’s okay!” Bella didn’t think about it and said:

“Since it is a husband and wife, it must not be difficult to be together.”

Chapter 4708

Gerard laughed at himself, and suddenly said: “Actually, if you still have Hogan in your heart,”

“You can consider renewing the relationship with him,”

“He now has Marven Ye, with such a backer, coupled with his outstanding abilities, his future must be limitless.”

Bella hurriedly shook her head and said, “Gerard, I told you when I came back from the United States,”

“That he and I are already apart, and it will be impossible in this life.”

“Going back again, for so many years, I feel more guilty towards him, after all,”

“I caused him to wander outside for so many years, so,”

“I have been quietly taking care of his family, just to make myself feel better...”

Saying that she burst into tears, looked at her husband, and said sincerely:

“Gerard, after today’s events, he can safely return to Hong Kong and be reunited with his family.”

“That hurdle in my heart is over. In the future, I just want to live a good life with you,”

“Just like the vows, we made when we got married, no matter if we are poor or sick...”

Gerard, who had lived in a thousand flowers all his life,

Suddenly felt an unprecedented emotion in his heart.

In the past, when he faced every woman, he had a high-level attitude.

He felt that these women were his favored objects, and he was extremely lucky to get his favor.

It is because of such a detached mentality that he has been able to indulge in flowers for so many years.

Although Bella was his favorite among all his women, in his heart, he still looked down on her.

Bella followed Hogan to the United States back then.

In his eyes, it was like his favorite toy was stolen.

After she came back, he just wanted to keep this lost toy by his side forever.

But to ask him if he really loves her, his answer must be no.

Even though he really liked her back then, after she ran away once,

He always controlled himself and didn't invest emotionally too much in this woman.

And over the years, he has been doing it very well.

Although Bella is expensive as Mrs. Liu, she has no chance to control his family property.

Even if she got married, she is just a canary being raised.

But at this moment, he suddenly felt that deep in his heart, he seemed to be touched by Bella's words just now.

He has been indulging in the flowers with full pride all his life,

But when he knelt down in front of Marven and begged for mercy, his pride was already gone.

Now, he is more like a general who has lost a battle.

He has lost his previous pride, but because of the persistence of the women around him, he has a softness in his heart.

It was a softness that made the loser feel a little warmer.

So, he sighed, nodded, and said, "If you really let go of him in your heart,"

"Then we will live our lives well from now on, and the past will be written off."

Bella was moved when she heard this and tears welled up.

Over the years, she also knew Gerard's attitude towards her.

Although she was not reconciled, she still had self-knowledge and knew why Gerard had a grudge against her.

For so many years, she has been looking for an opportunity to eliminate this barrier, but she was powerless.

But who would have thought that after Gerard's catastrophe today,

The grudge against him was suddenly eliminated, which made her extremely excited.

Jemima, who was beside him, also had subtle changes in her heart.

In the past, she was very dissatisfied with Bella, but now, she suddenly sympathized with this woman.

Moreover, seeing that she and her father could completely eliminate the separation,

Jemima felt a little gratified in her heart.

However, she didn't want to watch the confession of the two here, so she stood up and said,

"I'll go back to my room to rest."

Gerard hurriedly asked, "Jemima, have you contacted Miss Fei?"

"No." Jemima asked in surprise, "Why are you asking about this?"

Gerard said, "I think you can get in touch with Miss Fei more."

Jemima shook her head and said, "She and I are not from the same world."

"There is nothing to get in touch with her for."

Gerard said seriously: "Miss Fei must know Marven better and from her,"

"You should be able to know some information about him!"

Chapter 4709

Jemima's expression immediately became abnormal when she heard this,

And she fumbled and said, "Why should I find out about his information..."

Gerard looked at her and said with a smile "Jemima, remember if you want to develop a relationship with someone,"

"You must not have the mentality of vindictiveness and anger,"

"If he must take care of you, you must respond twice, he ignores you, and you have to take the initiative,"

"If you are cheeky. When you go to him..."

"You must not be angry in your heart just because of your little emotions!"

After speaking, Gerard said again: "He doesn't look for you, you don't look for him,"

"And even if he comes to you, you still have to put on a gesture."

“In this case, even if there is fate and opportunity, you will be tossed apart!”

Jemima’s heart was instantly poked by Gerard’s words,

But she was stronger on the surface and quibbled: “Dad, I have nothing to do with Marven.”

“Besides, it’s impossible for me to be with him,”

“How could I be with a man who asked my dad to kneel down for him?”

Gerard said with a sullen face: “Oh! If you can really be with him,”

“For me an old man what’s the point of kneeling down for him? Even kowtowing to him is fine!”

After that, he said, “Besides, we have to be realistic and rational, I kneel to Marven because I offended him.”

“I wanted to ask for his forgiveness, there’s nothing I could do.”

“To put it bluntly, it’s my own fault, but if you can develop with Marven,”

“Wouldn’t he be okay for me kneeling down for him?”

Jemima frowned: “The reason why you say that is entirely because you see Marven’s strength.”

“Yes.” Gerard said calmly: “Jemima, you are my first child, and you made me experience the feeling of being a father,”

“Wich is incomparable to your younger brothers and sisters.”

“Based on this, I will never harm you, let alone sacrifice you for my own benefit.”

“So, for me, If you don’t have feelings for Marven, no matter how strong Marven is,”

“I won’t push you into the fire pit, but the problem is, you clearly have feelings for him.”

“In that case, why don’t you work hard to make it the best of both worlds?”

Jemima said in a panic, “I... I really don’t... I’ve only known Marven for a few days...”

Bella on the side couldn’t help but said: “Jemima, you are so careful,”

“Even my eyes can’t ignore it, let alone your father.”

Jemima was slightly startled, and she understood what Bella meant.

In this regard, Dad has been through a hundred battles for a long time,

And her thought, in his eyes, she is afraid that it has long been transparent.

At this time, Bella saw that Jemima's expression had loosened, and quickly added:

"Jemima, if you really have feelings for Marven, don't delay yourself because of today's events,"

"Marven probably won't stay for long. Go, you have to seize the opportunity, don't leave any regrets!"

Jemima couldn't help biting her lower lip with the tips of her teeth, and her heart was extremely tangled.

She was really angry with Marven, but he was really lingering in her mind all the time.

So, she subconsciously took out Stella's business card, looked at it for a long time,

And said to the two, "I'll go back to my room."

Seeing that Jemima seemed to be persuaded by him, Gerard was also relieved,

And Bella said: "I'm going to call the Huo family and ask him the price of the villa."

Chapter 4710

On the other side.

Marven did not accompany Hogan's family to Sand Ridge.

He felt that Hogan, a wanderer who had been out and away for 20 years,

Finally returned home and should have a good gathering with his family.

If he stays with them, as an outsider, it will not only affect the reunion of their whole family,

But also make them walk on thin ice because of the so-called kindness.

Therefore, he asked Joseph to arrange two cars,

And he came forward to take Hogan's family to the Sand Ridge Cemetery.

As for Marven himself, he was going to find Stella to invite her to the meal as a thank you gesture as promised,

So naturally, he couldn't break his promise. So, he called her.

At this time, Stella had already checked in at the Mandarin Hotel,

And when she received a call from Marven, she said, "Mr. Ye,"

“I have already opened two presidential suites at the Mandarin Hotel, what are you doing? Time to come?”

Marven said: “Don’t worry, I’ll treat you to dinner tonight.”

“Okay.” Stella smiled and said, “Where is Mr. Ye going to invite me to eat?”

Marven thought about it and said: “The restaurant in the Mandarin Hotel is said to be very high-end, why don’t we eat there.”

Stella smiled and said, “Mr. Ye, I heard that there are many famous snacks in Hong Kong,”

“Why don’t we eat something down-to-earth?”

Marven suddenly felt a little embarrassed.

Originally, Jemima had agreed with him that she would go to the snack street for dinner tonight.

Although Marven verbally made an agreement with Jemima,

His original intention was to stop seeing her after resolving Gerard’s matter to avoid embarrassment.

Originally, his plan was to let Gerard explain his identity to Jemima himself after punishing Gerard.

It’s just that he didn’t expect that Jemima would suddenly appear at the airport this afternoon.

Marven felt that he not only lied to Jemima but also taught her father a lesson.

She would definitely hate him in her heart, so he felt a little guilty in his heart.

Unexpectedly, Stella offered to try Hong Kong’s snacks at this time,

Which brought Marven’s thoughts to Jemima again.

Seeing that Marven didn’t answer, Stella asked curiously, “Mr. Ye, are you listening?”

Marven came back to his senses and hurriedly said,

“Oh, I’m listening, since you want to taste Hong Kong’s snacks, then I’ll take you to a delicious snack street.”

“Okay.” Stella said with a smile: “You can send me the address, and I can come there by myself.”

With that, Stella said again: “By the way, Mr. Ye,”

“I will bring a friend with me in the evening, are you okay with that?”

Marven asked curiously, “Do you have friends in Hong Kong?”

“Yes.” Stella said with a smile, “I have quite a few friends, all over the world.”

Marven didn’t think much, and said: “ Let’s go together then.”

“Okay!” Stella said hurriedly: “Then it’s settled, I’ll wait for your address.”

Marven hung up the phone and sent her the address of Jemima’s snack street.

Then he saw that it was not too early, so he waved and stopped a taxi to go to the snack street.

When he arrived at Snack Street, it was the time when Snack Street had the most traffic.

However, as soon as he walked into the snack street,

He heard a somewhat familiar voice shouting to him: “Miss Jemima didn’t come with you?”

Marven looked sideways and found that it was the one at the entrance of the snack street.

Uncle Nan, who set up the stall, smiled slightly: “Hello, Uncle Nan, Miss Jemima is not here today.”

Uncle Nan nodded and asked him, “What would you like to eat? Would you like to try my craft?”

Marven nodded cheerfully: “Okay, let’s try your craftsmanship and have a dry fried beef!”

Uncle Nan quickly put away an empty table, invited Marven to sit down, turned around, and started getting busy at his booth.

At this time, Stella, who was wearing a short-sleeved dress,

Carrying a small shoulder bag, and dressed very youthfully and beautifully,

Appeared in front of Marven, smiled, and waved to him, “Mr. Ye!”

Marven looked When he found her in his view, he smiled and said,

“Come on, Miss Fei, please take a seat.”

Stella nodded and sat down in front of Marven.

Seeing that she was alone, Marven asked curiously, “Where’s your friend?”

Stella looked at her watch and smiled, “Should be here soon.”

As soon as she finished speaking, she saw a girl about her age approaching not far away,

And hurriedly waved enthusiastically, “Miss Liu, this way!”
