

The Amazing Son In Law Chapter 501-510

Chapter 501

Barena didn't expect that he was only proving Marven's identity, and he was beaten by both his father and Fredmen at the same time.

Fredmen beat him, he could still bear it. After all, he knew in his heart that it was the medicine that Fredmen took by fooling him, and it was normal for Fredmen to hate him.

However, Barena couldn't believe that his father, who had barely touched himself in decades, slapped him twice in this moment of effort!

He covered his face, looked at Youngzheng angrily, and blurted out: "Dad, why did you hit me again? Did I make a mistake?"

"b@stard stuff, shut up!"

Youngzheng glared at him fiercely, and cursed in his heart, why this prodigal son didn't have any eyesight?

Now even Tianqi is Marven's licking dog, so now Marven is the only savior of the Wei family. Even if he is really a magic stick, it can never be said in front of him, let alone offend him!

After scolding Barena, Youngzheng said now "Mr. Ye, this dog is unleashed, you must not take it to heart..."

Fredmen also panicked. He hated Barena to death. He kicked Barena and said coldly: "Barena, don't talk too much here. If you annoy Mr. Ye and Grandpa Ye, I'll f*cking chop you! "

Barena sighed, he had already rolled three meters and finished driving.

After Fredmen kicked, he hurriedly laughed at Marven and said, "Grandpa Ye, don't be angry at this kind of garbage, he is not worthy at all, please hurry up and treat me!"

Barena was completely stunned. Marven was just a Rubbish live-in son-in-law. He fooled a bunch of big people with feng shui tricks. He was telling the truth. How come he was beaten in the end?

Marven looked at them coldly and said, "If it weren't for Liang to beg me, I wouldn't be here at all, so you people, you must know in your heart that if the Wei family resolves the crisis today, the credit entirely goes to Liang. "

When Youngzheng heard this, he hurriedly praised Liang: "You did a good job this time, I will remember it."

Liang's heart was excited and intolerable. It seems that as long as Marven cures Fredmen's fester, he will become the chairman of Wei's Pharmaceuticals!

However, he didn't know that Youngzheng already had his nitric acid U disk in his heart.

In Youngzheng's view, Liang was born as a wild species from a village girl in Changbai Mountain who was played with by himself. Because his mother was born humble, Youngzheng was also a hundred people inferior to Liang.

He originally said that he and his eldest son Barena, whoever can solve the family crisis, can be the chairman. In fact, the main purpose is to stimulate Barena and make him actively think of ways. He really didn't expect Liang to have such a big breakthrough, that he could invite Tianqi and Marven over.

If he really did what he said, then when Marven took the initiative to cure Fredmen, he would have to make Liang the chairman.

But how is it possible?

He is a garbage that shouldn't exist at all!

In the beginning, he just happened to be in Changbai Mountain and found a beautiful girl in the home of the medicine farmer he cooperated with. So, with the purpose of having fun, he captured her with rhetoric and had a few shots.

But he didn't expect that the girl will pregnant!

What was even more unexpected was that he clearly refused her request to get married, and then left the village at the foot of Changbai Mountain, and never visited again, but the woman just gritted her teeth and gave birth to the child alone.

When he learned of Liang's existence, the wife of Youngzheng, had been arguing with him for a long time, and made Wei's chickens and dogs restless. At that moment, he had been full of disgust for Liang before he met him.

Youngzheng himself is an extremely selfish person. He has several illegitimate children outside, but he doesn't want to take them back.

Because in his opinion, those illegitimate children were born because their mothers did not know themselves, let alone a little credibility!

Chapter 502

Everyone is just playing on the spot. If you are pregnant, you should get rid of it. What the h*ll is it when it is born?

Therefore, this is also the fundamental reason why he always hates Liang.

If it hadn't been for his father to hear that there was a grandson living out and forced him to take him back, he would never want to see the wild species born by this rural woman!

Now, even if Liang made great contributions, he would not be able to hand the Wei family's business into his hands. Is he not a sh!t?

However, Youngzheng did not reveal the slander and uncomfortableness in his heart. He just wanted to quickly send Fredmen away, the plague god!

So Youngzheng respectfully said to Marven: "Mr. Ye, please help Fredmen!"

Fredmen also looked at Marven bitterly. He called him grandfather and apologized, wasn't it just to cure his illness?

Otherwise, how could he endure and not get angry yet.

Marven smiled playfully and said to Fredmen: "Come on, I'll give you a pulse number."

Fredmen hurriedly stretched out his wrist.

Marven pretended to signal his pulse, and said: "This is because your body itself is going through blood stasis, the downward movement is not smooth, and you also took the medicine that promotes liver fire and kidney fire, which caused the accumulation of efficacy and caused ulceration, so It's absolutely impossible to cure it simply by anti-inflammatory."

Fredmen felt very reasonable, and hurriedly asked, "Mr. Ye, how can you treat my disease?"

Marven smiled slightly and said, "I need to make a bowl of medicinal soup with eighteen traditional medicines for your disease."

As he said, he waved his hand: "Get a pen, I'll give you a prescription!"

Fredmen got excited immediately and blurted out: "Great, great! Thank you Mr. Ye!"

After speaking, he hurriedly asked Youngzheng for paper and pen, and handed them to Marven respectfully.

Marven scribbled the most bitter and bitter traditional medicine with eighteen flavors, and prescribed a large dose.

Just this nonsense prescription, if he drinks a sip of the boiled medicine, it is estimated that the tongue will be bitter for three months and no other taste can be tasted.

After the prescription was written, Marven directly handed it to Youngzheng and said, "Your Wei family is a pharmaceutical company. It should be easy to get this medicine for you?"

Youngzheng took a hurried look and saw that the medicinal materials above are relatively common, so he nodded and said, "All of these are available! I have them at home! I'll let people get them!"

After that, he called a servant, handed him the prescription, and said coldly: "Go grab the medicine!"

"OK, lord!"

The servant hurried to grab the medicine according to the prescription, but Fredmen trembled with excitement, and blurted out, "Mr. Ye, can this medicine be made really, can it be done by boiling it in water and drinking it?"

Marven nodded, and said unpredictably: "It can be good or it can not be good, but this medicine still lacks a drug primer."

"Medicinal primer?" Fredmen asked hurriedly, "What do I need to use to make medicinal primer? Tell me, I will send someone to prepare!"

Marven smiled and said, "You have a large amount of blood and qi, you need to use human urine as a medicine!"

Chapter 503

"Using human urine?!" Fredmen immediately said with an embarrassed face: "This...isn't this disgusting? Is it really necessary to use urine?"

Marven snorted coldly: "Do you think I'm bluffing you?"

After that, he pointed to Youngzheng, and said, "You should have been in the medicinal material business for many years. I ask you, in many ancient recipes, do you want to use urine as a medicine?"

"Yes, yes, yes!" Youngzheng nodded immediately, and said, "Many ancient recipes require urine as a medicine. In the south, there is even a tradition of using urine to boil eggs. It does have a certain health effect."

Having said that, Youngzheng said to Fredmen: "Fredmen, don't worry too much. urine in traditional medicine is a very pure thing and it is not dirty."

Hearing that it was a boy peeing, Fredmen's expression eased slightly.

He used to watch costume movies and TV shows. This boy has a high rate of appearance, so now he wants to come, not so disgusting.

However, when he had just accepted boy urine, Marven suddenly said: "In fact, this drug primer cannot be used with boy pee, because boy pee is produced by the pure body that has never touched a woman, so boy pee energy is extremely strong, and you have blood stasis. If you use boy urine again, it will only aggravate your condition!"

When Fredmen heard this, he asked in amazement, "Mr. Ye, can it be done with a girl's urine?"

"Nor for girls." Marven waved his hand and said, "To treat your disease, you have to use adult male urine, and this adult man must have slept with many women, the more the better! Because he has slept. The more women there are, the more cloudy the urine will be, and it will have an excellent effect on your blood stasis."

Fredmen was stunned, and couldn't help asking: "Mr. Ye, do you have a grudge against me, so you deliberately play with me? Why do I feel more mysterious as I listen?"

Marven said calmly: "I, can swear with my life. If you do exactly what I said, your fester will be cured. If it doesn't work, let the thunder hit me."

After all, Marven glanced at Fredmen disdainfully, and said: "That's the end of the story. If you don't believe me, then I have no other way."

Seeing Marven's incomparable sincerity, Fredmen believed a little bit in his heart.

At this time, Marven saw that he was still a little bit unbelieving, and said: "This way, so many people have witnessed that if my medicine is ready, if you drink it and it is not completely cured within ten minutes, I will give you 100 million."

Last time at the auction of the traditional medicine Expo, Marven spent 100 million on a 300-year-old purple ginseng, so no one doubts that he can bring forth another 100 million.

When Fredmen heard this, he felt that Marven was probably not cheating him.

Otherwise, at the price of 100 million, he would drink a pee for himself, then he wouldn't lose his life?

If he is really willing to give up, with a grit and a stomping, he can directly drink as the world's first defeat!

So he gritted his teeth, for the sake of his own roots, blurted out: "Okay! Then as you say!"

Having said that, he thought about it for himself, and said seriously: "Mr. Ye, I have not used many women in my life, but there are a hundred smaller ones, so I should just drink my own urine?"

Marven frowned and looked at him: "What do you think? If your own urine is useful, do you still need to drink it? It has already worked in your bladder!"

"Huh?" Fredmen blurted out: "I can't use my own? Whose one should I use?"

Marven looked around and said: "Come on, everyone who is present, please report how much experience you have in that area. Please answer honestly. Don't brag, otherwise it will delay Fredmen's treatment. Be responsible here!"

Chapter 504

Everyone didn't speak, but they started to look at each other. In the end, they all looked at the Old Master of the Wei family, Youngzheng.

Who doesn't know that Youngzheng, the elder of the Wei family, was ultra-romantic when he was young?

When he was young, he could eat his poisonous recipe for strong sheep every day, and he was about to die when he was only in his sixties, so he should be the one with the most women.

Seeing that everyone was looking at him, Youngzheng suddenly felt a sense of accomplishment. He said proudly, "Mr. Ye said that he was dissatisfied with that when he was young, Wei was more exposed to the wind, and there were more women who liked me. I roughly calculate Forget it, there are three to five hundred!"

Marven nodded, pointed at Youngzheng and said to Fredmen: "Okay, it's him."

Fredmen's expression is very ugly.

Let himself drink the urine of Youngzheng? This is too f*cking disgusting, right?

However, Marven said that the more experience in that area, the better the effect.

Youngzheng is a terrible Old Master who can play better than himself, and really can't find someone more suitable than him...

So he had to gritted his teeth and said: "Then... then so be it..."

Marven nodded, and said to Youngzheng, "Come on, Mr. Wei, you first take two liters of pure water, hold back your urine, and when you feel like urinating, get a basin and connect it. When you save one liter, and then you will you tell me."

"One liter!?" Fredmen was about to collapse: "Mr. Ye, this is too much..."

Marven said: "What if the effect is not good? Are you trying to corrupt my one hundred million?"

"No, it's not about that." Fredmen hurriedly waved his hand and said, "I was thinking about it. Almost two mouthfuls are enough. One liter is too scary..."

Marven said seriously: "If you want to cure the ulcer in one step, you have to drink one liter, otherwise, in case of sequelae, don't blame me."

Fredmen's heart was depressed, and he didn't know if Marven was playing with him. It can be seen that he was serious, and he was willing to swear by his life. He also attached a promise of 100 million. He always felt that this man should not be playing.

At this time, the person who was sent to grabbed the medicine came back.

According to Marven's request, the dried and dehydrated medicinal materials alone cost more than 20 kilograms.

Marven said, "Come on, divide these medicines into four parts, put each part in a casserole, add ten liters of water, and boil it on high heat for one hour, then mix the four parts of the soup together, and cook for another half an hour, and finally 40 liters of water. Boil it to a liter."

After speaking, Marven said to Fredmen: "When the medicine is ready, and Mr. Wei has enough urine, you will have one liter of medicine and one liter of urine. Drink the urine first, then the medicine, understand?"

Fredmen was really crying.

Two liters in one breath? ! One liter of Chinese herbal medicine that is so bitter to death, and one liter of the Old Master's urine, which is probably too bad, is absolutely terrible!

However, in order to cure his own roots, he did not dare to bargain. Instead, he asked, "Mr. Ye, can you drink the medicine first and then drink the urine? In this case, the medicine will have a strong taste, and you won't be able to taste it after drinking urine. "

"What are you kidding?" Marven said contemptuously: "Drinking first, of course you have to drink the urine first, and then drink the medicine! You are upside down, is it urine inducement or not?"

Chapter 505

But after only a moment, he wanted to understand the truth in Marven's words.

Since urine is a drug primer, it must be used to induce drugs, that is, he must drink urine first.

However, one liter is too much...

Fredmen felt his head as big as a fight when he thought of this.

Marven smiled and said at this time: "This matter can't be delayed. If you really suck it up by yourself, don't blame me for not saving you."

Fredmen shuddered in shock, and blurted out: "Okay! I listen to you!"

Marven nodded and said to Youngzheng, "Mr. Wei, please drink more water first, and also, quickly arrange for someone to boil the medicine."

How dare Youngzheng nod, he hurriedly nodded and said, "Mr. Ye, don't worry, I'll go drink more water..."

Fredmen sighed, already admitting his fate.

To him, healing the fester is more important than anything else.

Marven was particularly happy at this time.

To treat Fredmen's ulcer, what kind of pee and the most bitter thing are important?

As long as a little bit of medicine dregs is removed from the pills he refined before, he can heal his fester.

The reason why he told him that he was asked to use Youngzheng's urine as a medicine was to cheat him.

After a while, the entire Wei family was filled with the extremely bitter taste of traditional medicine, and the bitter throat was dry and mouth astringent after just smelling it. It was hard to imagine how uncomfortable it would be to drink it.

A few large pots of water were boiled on a high fire and boiled into a liter of concentrated black medicinal soup, which looked no different from oil.

Youngzheng hadn't returned yet after the herbal soup was boiled.

Fredmen was waiting anxiously, so he ordered someone to urge him.

Youngzheng has worked hard. He is old and his kidney is not good. It is really painful to drink so much water in one breath and force himself to urinate.

After waiting for another twenty minutes, Youngzheng finally made up one liter and hurried in, clutching his nose.

"Mr. Ye, one liter of urine is enough!"

Marven was afraid that the smell would suffocate him, so he immediately stayed away, clutching his nose and said to Fredmen: "Come on, drink this first, and then drink the medicine!"

"Ok!" Fredmen nodded hurriedly.

The severe pain there made him realize that this matter was urgent, so he did not dare to delay, and directly took the big bottle of orange liquid from Youngzheng's hands.

Barena on the side looked nauseous, seeing Fredmen want to drink this thing, he immediately involuntarily remembered his licking of the urinal in the brilliant club.

Every time he thinks about it, he will inevitably want to nauseate.

Fredmen also wanted to vomit.

Youngzheng, this bad Old Master, was really willing to give it to him. With a large cup of one liter, the liquid level was even a few millimeters higher than the scale of one liter.

But when he thought that this thing could save his life, he didn't dare to delay a little bit. He hurriedly picked it up, closed his eyes, gritted his teeth, and directly poured it down!

In an instant, the inside of Fredmen's mouth exploded, and the whole mouth and nose were filled with a strong odor. He just wanted to vomit when he was sick.

"Gulp Gulp....."

Fredmen almost couldn't hold back, almost vomiting out, but because of fear of affecting the effect of the medicine, he hurriedly covered his mouth and swallowed again!

The others are almost throwing up.

Chapter 506

The situation of this grandson at this moment, and the rich second generation who grabbed sh!t on YouTube some time ago, is really a match...

Fredmen drank it, wiped his mouth, and hurriedly said, "Where is the medicine? Quick! Give it to me!"

Marven took a liter of thick black medicinal soup from the hand of his servant, and sprinkled in his fingertips a little bit of scraps that had just been picked from the pill.

Afterwards, he smiled and brought the medicinal soup to Fredmen, and said with a smile: "Come on, Fredmen, please!"

There was a strong smell in Fredmen's mouth. At this moment, he couldn't wait to cover up with a little other smell, so he picked up the soup and took a big sip.

This mouthful of medicinal soup hardly fainted him bitterly.

He had never tasted anything so bitter in his life. It was so d*mn bitter, like 10,000 bottles of licorice slices melted into this bowl of medicinal soup.

And this medicinal soup is not only bitter, but it also burns badly!

The tongue that burned in the mouth became numb, and then the whole mouth was numb.

Drinking into the stomach, the whole stomach feels like drinking sulfuric acid, burning uncomfortable.

However, at the same moment when he drank it, Fredmen immediately felt a different kind of heat spreading from his stomach to the bottom.

The pain there was relieved immediately!

Hey! What a f*cking god!

Fredmen was so excited, he didn't care that the ghost was going to die, so he poured in.

When he drank it, the dregs in the bottom were as thick as black sesame paste, and when he drank it in, it was pasted in mouth. It was uncomfortable.

However, he swallowed all the dregs of medicine into his stomach for the sake of effect.

At this time, his entire mouth was numb to death. He didn't know that at this moment his taste buds were burned out by the ghost medicine soup. What he eats in the next few months will definitely be tasteless. What's more, the mouth his will always be numb, and the burning pain is enough for him.

More importantly, this medicine burns the stomach and intestines. In the next few months, he estimates that he will scavenge several times a day. In short, there will be sins.

However, Fredmen didn't have the energy to experience the discomfort in other places now. He felt more and more that the painful part of the ulcer was refreshed and comfortable, and the whole person seemed to be much easier.

"It's amazing, it feels effective!"

Fredmen was overjoyed and immediately took off his pants in front of everyone.

When he glanced at it, he was almost excited to shed tears, the place where the fester was originally present, healed quickly! This is really amazing!

At this time, Marven said calmly: "Your ulcer should have been cured, but your nerves have been necrotic. It must be very difficult to regain your strength in the future, and I advise you not to take that medicine indiscriminately, otherwise Maybe there will be the same experience again.

Fredmen nodded repeatedly.

Since the roots began to fester, he no longer hopes to regain his glory, as long as he can let it stay there, he is already satisfied.

I'm fine now, my roots are kept!

Marven said faintly at this time: "Fredmen, you should be grateful that at the auction that day, I took the 300-year-old premium purple ginseng, not you. Otherwise, with your condition. If you took the 300-year-old premium Purple ginseng, I'm afraid it will just rot away there, instantly. Giving you no time"

Fredmen was scared after a while.

At this moment, in front of Marven, he didn't dare to pretend to be forced, and he could only say respectfully: "Thank you, Mr. Ye for your rescue!"

Marven said, "Since you have recovered now, there is no need to embarrass the Wei family, right?"

"Of course, of course!" Fredmen nodded repeatedly.

Although I have suffered a lot of crimes, since the roots have been cured, there is indeed no need to continue to talk to Wei's.

Now he is full of sadness for Wrestvel, as if he has come to Wrestvel and his life has not been better.

At this time, his roots were also preserved. Deep down in his heart, he wanted to return to Orgeyon and leave the sad place of Wrestvel behind forever...

Chapter 507

After suffering so many wrongs, Fredmen really wanted to go home.

Moreover, he knew that he could not find a way to restore his glory in Wrestvel, so he wanted to return to Orgeyon again to see if he could find an expert.

One more thing is very important. His mother is nearly eighty-four years old. As the eldest son, he must go back to celebrate her birthday.

However, his mother asked him to invite Tianqi over, but now it seems that Tianqi still did not forgive him.

However, he still asked Tianqi tentatively: "Uncle, it will be my mother's birthday banquet in a few days. I wonder if you can come to Orgeyon to enjoy it?"

Tianqi said blankly: "Fredmen, I have already told you that there is no relationship between me and the Xiao family, so you don't need to waste your tongue anymore about the birthday party."

Fredmen sighed softly and nodded.

Even though he wanted to put Tianqi this bad Old Master on the ground, he still said very humbly: "Since Uncle has made a decision, Fredmen is not reluctant to force it. If this is the case, then I will return to Orgeyon first. ."

Tianqi nodded.

Fredmen glanced at him, then looked at Marven, his teeth tickled with hatred, but still did not say a word, took his bodyguard, and left dingy.

Seeing that the plague god finally left, Youngzheng was completely relieved.

Moreover, he discovered that he actually got a good prescription because of a blessing in disguise.

It turns out that the root ulcer can be treated with a dozen traditional medicine soup and combined with his own urine treatment. This is amazing. If anyone has such a thing in the future, then he can completely treat him!

Thinking of this, he hurriedly stepped forward and said respectfully: "Mr. Ye is truly a Wrestvel genius doctor, and his medical skills are admired. Today, thanks to Mr. Ye's action, my Wei family can survive. The Wei family will remember Mr. Ye's kindness forever. ."

The others also bowed their hands and saluted Marven: "Thank you, Mr. Ye, for saving the Wei family in the fire and water. We are grateful."

Marven glanced at them, and said lightly: "I'm not here to hear that you are grateful to me."

With that, Marven pointed at Liang and said to Youngzheng: "Since Liang has solved your Wei family's troubles, as you said, he should be the chairman of Wei's Pharmaceuticals now, right? When are you going for the official announcement?"

When Youngzheng heard this, a trace of dissatisfaction flashed in his eyes. He was the head of the Wei family. When was it the turn of an outsider to drink?

Besides, how could it be possible to get that wild species as the chairman of Wei's Pharmaceuticals?

Barena on the side was also furious, this outsider was really too much! Helping that wild species to grab the chairmanship? Doesn't he know that he is eldest son of the Wei family?

Liang, who had been insulted for half his life, was extremely excited at this time, and his eyes were full of gratitude when he looked at Marven.

At this time, he already regarded Marven as a second-born parent,

however.....

Youngzheng smiled at this moment, and said unhurriedly: "Mr. Ye, to tell you, this is the Wei family's family affair, not to mention the appointment of the chairman of the board, which is of great importance, and we have to consider long-term considerations."

Chapter 508

What he meant was that you, Marven, are just an outsider, don't interfere with the Wei family!

When Liang heard this, his excitement instantly fell into the ice cellar.

He finally realized that he had been tricked.

And it was miserable.

Dad was not prepared to give him a chance at all.

Even if he took out the precious snow ginseng that his mother left for him, even if he begged Marven to save the Wei family, his father was still not going to make him the chairman.

At this moment, Marven frowned, looked at Youngzheng, and asked coldly: "What? Do you want to regret it?"

Youngzheng hurriedly said: "Mr. Ye, you don't know anything about this. What I told the two dogs at that time was that if anyone can help the family solve this problem, whoever has the opportunity to be the chairman of the board, Liang contributes to the family today. , Of course, I will make a note for him. When the chairman is elected in the future, he will naturally have a better chance of winning."

Youngzheng's rhetoric is a complete rogue, whoever solves the crisis can become chairman of the board, and he changed his claim that whoever solves the crisis will have the opportunity to become chairman.

This "has a chance", he took the initiative of the whole thing completely in his own hands, which is like putting a coin in the hand, and start with it. The coin is positive, and the coin is reversed. It's the opposite, who can win him?

Barena beside him was also a little angry at this time. Anyway, Fredmen is gone, and the crisis has been resolved. He is not so afraid of Marven anymore. He just blurted out: "Marven, the family affairs of our Wei family. It has nothing to do with outsiders. If you are acquainted, get out, the Wei family still has no turn to play wild!"

Youngzheng is also the kind of old dog that employs people forwards instead of backwards. Seeing that his son has come out and tore his face, he simply said directly: "To be honest, I absolutely cannot give Wei's Pharmaceuticals to this wild species from Changbai Mountain. , I have played with countless women in my life. This wild mother is the second one. d*mn, she's just a village girl. If I were not young and hot, I would feel uncomfortable around her."

When Liang heard this, he shouted angrily: "How can you say that to my mother!"

Youngzheng glared his eyebrows and shouted coldly: "Why? Do you still want to bark your teeth with me? It's really a d*mn unfamiliar wild species! In this case, the Wei family has raised you for so many years, and you don't know how to repay us. In a vain attempt at the Wei family's family business? In my opinion, you will get out of the Wei family from now on!"

Liang lowered his head and stood sullenly on the side. Deep down in his heart, he had accepted the failure. He blamed himself for being naive and believing Youngzheng's words!

That being the case, it doesn't make any sense to stay in Wei's house, so it's better to make a clean break with them!

Thinking of this, Liang clenched his fists, gritted his teeth and said, "Okay! From now on, I and your family will be absolutely gracious!"

Barena was overjoyed in his heart, and said with a smirk: "You wild species, you still have to die with us. We wanted to kick you out a long time ago, don't you know? After raising you for so many years, it's d*mn enough to waste food!"

Marven looked at Youngzheng and asked in a cold voice: "Mr. Wei, are you blatantly asking for revenge?"

Youngzheng said with disdain: "This is the Wei family's business, and it has nothing to do with you. The Wei family doesn't welcome you right now. Get out of here!"

Youngzheng didn't believe in Marven's background at all, but there was a prescription that could cure Fredmen's illness. Such a person would definitely not be able to treat himself.

Moreover, now Fredmen's illness has been cured, and he has also left the Wei family. Even if he was hit and killed by a car when he went out, it had nothing to do with the Wei family.

That being the case, why bother to put Marven in his eyes?

Chapter 509

Youngzheng's rebellion did not exceed Marven's expectations.

As long as there is more than one child in the family, it is difficult for parents to treat everyone fairly. This is human nature.

It's as if the Old Mrs. Xiao always felt that Avella didn't want to leave Marven because she didn't know how to raise her. Theresa, who had always listened to her, naturally pleased her even more.

In Youngzheng's eyes, he didn't regard Liang as his own son at all. For so many years, he was only raised in the Wei family as a servant. How could he be willing to pass on the entire family business to him.

At this moment, Marven looked at Youngzheng and asked him in a cold voice, "I will give you one last chance to give the chairmanship to the right person. You can speak after you think about it."

Youngzheng sneered and said: "I don't need to think about it. I'll tell you again. I can't give Liang the position of chairman! Let me tell you the truth. I never thought of giving him the position of chairman from the beginning, even if He saved the Wei family today, too. In my eyes, he will always be an illegitimate child who can't make it to the table. A woman from a village in Changbai Mountain carries the waste of his birth!"

With that said, Youngzheng looked at Liang again and yelled: "And you, you are a dog who eats inside and out. I have raised you for so many years. I want you to be a dog in Wei's family. You dare to covet the chairmanship. If I knew you had such wolf ambitions, I shouldn't have brought you back, but after that woman died, I should have thrown you into a ravine of Changbai Mountain!"

Liang showed unwilling eyes and was extremely angry: "Youngzheng, you can insult me, but you can't insult my mother!"

"Your mother?" Youngzheng said contemptuously: "A village girl at the foot of Changbai Mountain, who doesn't measure her strength, still dreams of marrying me, thinking of her will only make me feel sick!"

Liang trembled with anger and violent blue veins, and shouted angrily: "Youngzheng, you have insulted my mother over and over again, I'm fighting with you!"

When he was about to rush up, Marven suddenly stopped him and said lightly: "Don't do anything with this kind of old crap. You, as the head of the Wei family and the chairman of Wei's pharmaceutical company, will not let someone gossiping."

When Marven said this, all the people present were stunned.

Youngzheng was surprised at first, then laughed loudly: "You kid is really interesting, do you think you have the final say about the Wei family?"

Marven nodded and said calmly: "Today I said he is the head of the Wei family, he is the head of the Wei family!"

Youngzheng said contemptuously: "Boy, you have cured Fredmen, I will forgive you once, now get out, I won't care about you, otherwise, I will let you know that the Wei family is not easy to mess with!"

Barena also kept yelling from the side: "Marven, I haven't accounted for you the last time! If you don't know how to promote today, then I will even count the benefits with you!"

Marven stepped forward, slapped him in circles!

No one thought that Marven would do it!

Everyone in the Wei family is going to rush up. Not only is Marven not afraid at all, but rather arrogantly coldly said: "You will listen to me. From today onwards, I, Marven will officially chase Youngzheng and Barena and his son. I give killing order! Which of you is not afraid of death, you can stand for them. I don't mind adding a few more names to the killing order!"

The chasing order in the underground world is like the "fantastic" in the Hong Kong movie. Once the chasing order is issued and a reward is added, the entire underground world will be mobilized to hunt down the victims for the high reward.

Now Ichiro, who is raising a dog in Orvel's kennel, was ordered by his brother to kill in Japan. The reward amount is only 50 million. There are already countless people who are ready to move. If the reward is 50 million The heads of the Wei family father and son, then they will not be peaceful in this life.

When Youngzheng heard that Marven was going to chase down him and his son, he immediately sneered: "Do you think you are great? My Wei family is worth at least one billion. I can take one billion out and give you another chase. A stronger killing order!"

Marven said disdainfully: "You rubbish, you are not qualified to pursue the killing order."

With that said, Marven took out his phone and called Mr. Orvel directly!

Immediately, the phone was connected, and Orvel respectfully asked, "Mr. Ye, what are your orders?"

Marven said: "Mr. Orvel, give me a chasing order. I want to hunt down Youngzheng and Barena his son! A reward of 100 million! It will take effect today at 12 o'clock in the morning!"

Mr. Orvel said immediately: "Mr. Ye don't worry, I will tell the whole city!"

Chapter 510

Immediately afterwards, Barena's mobile phone popped up a WeChat message frantically.

He has a WeChat group with families that have a good relationship with the Wei family. Now the heads of these families are crazy

"Barena, how did you provoke Orvel? Now he is offering a bonus of 100 million, and he wants you and your dad's head! Effective tonight!"

Barena's face turned dark, and his heart was shocked and scared.

Before he could reply, another message was posted in the group.

“f*ck, Solmon Wang, the Patriarch of the Wang Family, has added a 100 million bonus to the Wei family and his son’s chasing orders for the arena!”

“Qin Gang, the Patriarch of the Qin Family, has also taken action, and the bonus has now increased to 300 million!”

“My God! The Song family has also taken action! They directly added 200 million, and now the bonus is 500 million!”

Barena’s face was extremely pale, the phone fell directly to the ground and the screen broke.

Youngzheng on the side hurriedly asked: “Barena, what happened?”

Barena was sweating profusely, and said the matter to Youngzheng in a panic.

When Youngzheng heard these words, he was so frightened!

what happened?

Why is this young man so influential?

Orvel was the only one who looked at him, and the Wang family and Qin family also showed their courtesy to him.

What is even more frightening is that the Song family, the largest family in Wrestvel, has to flatter him? !
What is the origin of this guy? !

Five hundred million bonuses, so much money is placed here, he’s afraid that the underground world of the country will treat him and his sons as treasures!

He was really scared this time. Looking at Marven with an indifferent expression, his legs softened and he knelt directly on the ground, his face covered with cold sweat, and his whole body was shaking uncontrollably!

“Mr. Ye, be merciful! Be merciful!”

Youngzheng also knelt on the ground and began to plead, “Mr. Ye, I was wrong. I don’t know Your excellency. Please forgive me. I will never dare to do it again. I am willing to be a dog for you. !”

Marven looked at them coldly, and said lightly: “You want to live now? Were you not arrogant just now?”

Youngzheng slapped himself immediately, crying and said, “Mr. Ye, I am always confused. I didn’t turn my mind just now. Please forgive me...”

After speaking, Youngzheng immediately said, “Mr. Ye, from now on Liang will be the chairman of Wei’s Pharmaceuticals and the head of the Wei family! Are you satisfied now?”

Marven said lightly: "If you said that when I asked you first, I would have been satisfied, but if you say it now, I am not so satisfied."

Youngzheng frightened his liver, and hurriedly asked, "Mr. Ye, how can you be satisfied?"

Marven looked at him and said coldly with the pale face of Barena: "Aren't you 10,000 people who look down on Changbai Mountain and Liang, the woman who grew up under Changbai Mountain? Well, then you and your eldest son, in this life Just go to Changbai Mountain to dig ginseng, and you can't leave Changbai Mountain forever!"

Speaking of this, Marven's expression became extremely cold, and he said word by word: "Listen to me for a lifetime, you can't leave Changbai Mountain!"
