

The Amazing Son In Law Chapter 511-520

Chapter 511

Hearing this, Youngzheng was desperate!

He has always been very upset with the bitter cold land of Changbai Mountain!

Had it not been for the fact that he had to collect medicine personally when he started his business, he would not be willing to go to that cold place.

Precisely because he didn't look down on the bitter cold place, he didn't look down on Liang's mother as much as 10,000. He just felt that it was a temporary plaything, just playing with her and forgetting.

However, he never dreamed that Marven would punish him and prevent him from leaving Changbai Mountain forever!

That's a place that he has always hated!

What's the difference between letting oneself go there and never leaving forever?

He had a problem with his body a long time ago, and he couldn't live for a few years. If he went to a place like Changbai Mountain, he would die faster, right?

Moreover, living in that place is simply better than death for a bad Old Master like him who is greedy for pleasure!

He looked at Marven desperately, crying and begging: "Mr. Ye, my bad Old Master will not survive for a few years. Please be merciful. I am willing to pass on Wei's Pharmaceutical to Liang, and please let me stay in Wrestvel, let me spend my old age here..."

Marven asked coldly: "Have you ever thought that Liang's mother has been dead for twenty years? You s*umbag has lived twenty years longer than her, and you have made a lot of money! So, for the rest of the days in your life you will go to Changbai Mountain to confess! Not only do you go to the mountain every day to dig ginseng, but also have to sweep the grave of Liang's mother every day!"

After that, he looked at Liang and ordered: "Liang, after you accept Wei's Pharmaceuticals, immediately organize some people to go there, supervise them every day, and ask them to sweep your mother's grave every morning and enter the mountains every morning and afternoon. Collect ginseng, do not allow them to use mobile phones, surf the Internet, or watch TV. Let them live a life depending on sunrise and sunset every day! If they dare to be passive, break their legs and throw them into ice pops in the snow. !"

Liang was thrilled with excitement. Unexpectedly, Marven not only helped himself get Wei's pharmaceuticals, but also helped him to discipline Youngzheng and Barena. More importantly, this punishment method was so hard that he would never even dream of it. The perfect ending!

Let them go to Changbai Mountain and spend the rest of their lives in the place they spurned. It is ironic, blackly humorous, and hate-free!

He was extremely grateful to Marven, and he immediately knelt on the ground and said respectfully: "Thank you, Mr. Ye, for your perfection! Please rest assured, Mr. Ye, I will do it!"

Marven gave a hum, glanced at Youngzheng and Barena and his son, and said coldly: "If these two dare to escape from Changbai Mountain, they will automatically activate the 500 million chasing order. As long as they dare to leave Changbai Mountain in this life, they will die! "

When Barena heard this, his eyes burst into tears.

He was already the second-in-chief of Wei's Pharmaceuticals. With a wide network of contacts in Wrestvel and a well-earned family, his daily life is really a drunken fan.

Suddenly let him go to Changbai Mountain to dig ginseng, and he was not allowed to leave for the rest of his life, which made him more painful than being sentenced to life imprisonment!

After all, if he serves a sentence in a prison, he can at least get a little smoke from modern society.

However, if he goes to Changbai Mountain, that bitter cold land, how can he stand it?

Chapter 512

So he cried out in despair and collapsed: "No! I won't go! I don't want to go digging for ginseng in ghost places like Changbai Mountain!"

After finishing speaking, he looked at Marven and kowtowed his head and said: "Mr. Ye, please forgive me. I am willing to leave China and never come back. Never trouble Liang again. Please don't let me go to Changbai Mountain.

Marven didn't give them a chance at all, and directly ordered the rest of the Wei family: "You, Wei family, listen to me. From now on, you have only two paths. Either follow Liang and work hard, and Liang will make sure Your own vested interests are met; or, follow these two to Changbai Mountain to dig ginseng!"

After speaking, Marven's expression was stunned, and he shouted: "I'll give you ten seconds to stand in line. After thinking about whom to follow, you will stand behind whom!"

As soon as Marven said this, everyone in the Wei family immediately moved.

However, they all stood behind Liang, all scrambling, without exception!

Youngzheng and Barena scolded angrily: "You gang of Wang-eyed wolves, our Wei family has really raised you for nothing!"

Everyone completely ignored the accusations of their father and son. As the saying goes, the tree fell and the wall fell and everyone pushed. The father and son had obviously lost power. At this time, the

fool would not stand with them, and then follow them to Changbai Mountain to dig for a lifetime of ginseng!

Barena cried loudly, and Youngzheng on the side convulsed all over.

Seeing that the situation is over, Barena could only look at Liang, crying and begging: "Liang, my good brother, although we are not born to the same mother, we are the same father's children anyway! Half of the blood on our bodies is the same, I am sorry. Poor brother, help me brother plead with Mr. Ye, and forgive me brother! From now on, the Wei family will be yours. I don't need anything, as long as you don't send me to Changbai Mountain!"

Liang looked at him coldly and said, "I will not disobey Mr. Ye's decision for a sc*m like you! What's more, you have not regarded me as a younger brother for so many years. You have insulted me and insulted my mother for so many years. I have hated you for a long time! Your fate today is entirely on your own account, I am too happy to be too late!"

Youngzheng said shiveringly: "Liang, why am I also your biological father? Would you not be afraid of thunder and lightning if you treat your biological father like this?!"

"Won't be afraid!" Liang asked coldly: "It's you. You have hurt so many women and betrayed so many of your own flesh and blood. Are you not afraid of retribution?"

Speaking of this, Liang said seriously: "Actually, you are already getting retribution! You know in your heart that you have not been alive for a few years. Even if a miracle happens, you may be able to live for a few more years, depending on your physical condition. , The period of living more is equal to suffering more! This is your retribution!"

"You...you..." Wei Yong was speechless, angrily for a while, his whole body coughing violently.

Marven said indifferently: "Give you two an hour to prepare. After an hour, I will arrange for someone to take you to Changbai Mountain!"

After speaking, he immediately called Orvel and said: "Mr. Orvel, you arrange a few clever brothers, arrange two cars, let them pick up the Wei family father and son, and send them all the way to Changbai Mountain! "

Orvel immediately said: "Okay Mr. Ye, I will make arrangements!"

After speaking, Orvel asked again: "By the way, Mr. Ye, Why sending them to Changbai Mountain?"

Marven said: "Send them to the village at the foot of Changbai Mountain. After that, you will buy them a small house that barely shelters the wind and rain, let the father and son live in, and buy them some rice, noodles, cereals and oil. They are the people of Changbai Mountain, and death is the ghost of Changbai Mountain. Even if they are cremated, the ashes must be buried at the foot of Changbai Mountain! Understand?"

Orvel blurted out: "Mr. Ye, I understand!"

Chapter 513

The Wei family father and son sat on the ground and cried bitterly. Until now, they were unwilling to accept and were given the fate of Changbai Mountain.

Seeing that they were still there with ink stains, Marven said lightly: "Although it is only autumn, it is already very cold in Changbai Mountain. If you don't have thick clothes for the winter, and if you go there to freeze to death and frostbite, you will be completely blamed."

When the father and son heard this, they suddenly realized that if the delay continued and the people from Mr. Orvel came, they would really have to go to Changbai Mountain empty-handed.

So the father and son looked at each other, got up in despair, crying, and went to their respective rooms to pack their things.

At this moment, they had completely given up the resistance in their hearts, because the strength that Marven showed was far beyond their carrying range.

The big families in Wrestvel are all adding bonuses for Marven. If they don't leave, they will really die in Wrestvel!

The rest of the Wei family avoided both father and son. Even if Youngzheng was not well and had limited mobility, other people were unwilling to step forward to help. After all, no one wanted to offend Liang, the new head of the Wei family, let alone no one. Want to offend Marven, whose hands and eyes are open to the sky.

When the father and son packed their things, Orvel personally brought a few younger brothers over.

This time, Orvel arranged a total of six younger brothers, with three land cruisers with relatively strong overall performance and adaptability, and prepared to drive all the way north and directly to Changbai Mountain.

It takes at least two days to reach the road over two thousand kilometers.

The little brothers Orvel looked for were all excellent players with extraordinary strength under their hands. With six of them, the Wei family father and son have absolutely no chance to escape.

Even Marven feels that if they let them run, they may not dare to run, because once they run, they will be chased by all walks of life. By then, they will really lose their lives. It is better to go to Changbai Mountain honestly.

Half an hour later, the Wei family head and his son, who had packed two large suitcases of luggage, came to the lobby full of despair.

Seeing this, Marven opened his mouth and said, "Okay, the people and cars to take you north have arrived. Hurry up and get in the car and set off now."

The father and son can only nod sullenly, and then they are taken away by Orvel's younger brothers.

When they left, the two turned their heads one step at a time, but even if the two of them were very reluctant, they had to get out at this time.

Youngzheng regrets most in his heart.

Knowing this a long time ago, it would be better for Liang to honestly give him the position of chairman he promised after he resolved the crisis. In this case, Liang would certainly not drive him to Changbai Mountain.

Therefore, the reason why there is today is, in the final analysis, made by myself.

Liang watched Youngzheng and Barena get into the car with his own eyes. The three cars left Wei's house and went straight to Changbai Mountain, more than 2,000 kilometers away.

There were tears in his eyes until the team disappeared from sight.

Immediately, he stepped up to Marven, without a word, he knelt on his knees, and squatted three heads vigorously, then raised his head, choked and said, "Mr. Ye I feel fulfilled! I had two major wishes in this life. They have been realized. From now on, Liang's life belongs to Mr. Ye, Wei's Pharmaceutical, and Mr. Ye. In this life, Liang will always listen to your dispatch! As long as you say a word, Liang dares to blink A glance, the sky must thunder!"

Marven smiled indifferently and said, "Liang, you have a backbone and are a filial son. What you lacked is an opportunity. I admire you, so I am willing to fulfill your dreams, but you must remember that you must never live the life of the person you hate. If you let me know in the future that you have become another Youngzheng, then I will kill you with my own hands, understand?"

Liang knocked his head down, unable to get up for a while, and said loudly: "I understand! If Liang is half similar to Youngzheng in the future and fails Mr. Ye's entrustment, Liang would like to apologize with death!"

Chapter 514

Marven nodded and said lightly: "Get up, sort out the Wei family's industry and manage it well. Someday in the future, I may use you."

Liang immediately said: "Mr. Ye has any instructions, Liang dare not disobey!"

For Liang, his life has been completely completed today.

Therefore, for the rest of his life, there are only two thoughts in his mind.

First, repay Marven's great kindness;

Second, live a different life from Youngzheng!

Marven patted Liang on the shoulder and said indifferently: "Do a good job so that your mother can be proud of you even under heavens!"

Liang nodded his head heavily, tears couldn't stop screaming.

Marven said to Tianqi and Zhovia at this time: "The matter is settled, let's go."

Zhovia looked at Marven at this time as if she looked at the god of heaven.

She had never expected that a man could be so domineering and even so attractive. When Marven sent out the Wei family father and son just now, that courage was really unprecedented.

Although Tianqi had been known throughout his life, he also admired Marven more and more, feeling that his decision to stay in Wrestvel was one of the most correct decisions he had made in these years.

On the way back, Zhovia drove, Marven and Tianqi were sitting in the back row. Tianqi was still sighing: "Mr. Ye, your handling of the Wei family is really reasonable and well-founded. I admire it!"

Marven smiled slightly: "The best way to punish a person is to force him to accept what he hates the most. Changbai Mountain is our treasure mountain in China. It is rich in resources. I don't know how many natural materials and treasures there are, but Youngzheng mentioned it. Changbai Mountain is disgusted and spurned. In that case, it is better to let him live in Changbai Mountain for the rest of his life."

After a pause, Marven went on to say: "If he can realize the beauty of Changbai Mountain for the rest of his life, then he will be considered as not lost; if he persists until death, he will also spend the rest of his life in pain, and Die in pain with his current attitude."

Tianqi sighed, "Mr. Ye, you want Youngzheng to go by himself!"

Marven said lightly: "I'm not that great. I just want to teach him a deep enough lesson for the rest of his life. As for whether he can survive on his own, it has nothing to do with me. Maybe he couldn't stand the environment there and committ suicide after he arrives in Changbai Mountain. Or he can fully realize that there is a good death in Changbai Mountain, but it all depends on him and has nothing to do with me."

Tianqi arched his hands and said convincingly: "Mr. Ye, you are a man of great wisdom!"

Marven waved his hand: "Great wisdom dare not be, just a little clever."

As he said, Marven remembered something, took out a small wooden box from his pocket, and handed it to him: "Old Shi, this is the medicine I saved for you. You keep it."

Tianqi hurriedly took it and said gratefully, "Thank you, Mr. Ye."

Marven took out a newly refined rejuvenating pill and handed it to him: "This medicine is newly refined by me. If you take it before going to bed at night, it will make you at least ten years younger. If nothing happens, Life span can also increase by ten years."

Tianqi was shocked and dumbfounded: "Mr. Ye...Mr. Ye...this medicine really has such a magical effect?!"

Chapter 515

Rejuvenation Pill, to ordinary people, can indeed be regarded as an elixir.

After all, this thing can really make people younger and even extend their life.

However, to Marven, this pill was nothing special. Even if it was a rejuvenating pill, it was just a relatively low-level pill recorded in the Nine Profound Heaven Scriptures.

This time, he refined a total of 30 pills. He prepared one part for himself to use to strengthen his body, and the other part. If there is someone who is more obedient and sensible, he can reward one with.

Although Tianqi is very old and an old senior in the field of traditional medicine, in Marven's eyes, he is actually only half of his disciple.

He wholeheartedly hopes to be by his side and repay him for his kindness in rebuilding. In many cases, although he can't help too much, but fortunately, he has a sincere heart. Coupled with his old age, giving him a rejuvenation pill is also a favor.

So he said to Tianqi: "Don't be reluctant to take this medicine, and don't keep it, take it tonight, and then get a good sleep."

Tianqi suppressed the excitement in his heart and said respectfully: "I understand, Master!"

Marven nodded slightly and said, "I hope you will be healthy and youthful and make more contributions to ordinary people in the Clinic."

Tianqi said immediately: "Mr. Ye can rest assured, I opened the clinic, not to make money, but to treat patients and save people, patients are never charged for medical treatment, and only charge for medicine. If the family has difficulties, medical expenses are often exempted!"

Marven said with satisfaction: "This is a good thing, keep it up."

.....

When Marven just returned home, Fredmen, who was finally cured of the root ulcer, left the People's Hospital and returned to Xiao's house.

The reason why he came to the People's Hospital was mainly to find a doctor for another diagnosis and see if he was really well.

The doctor also found it very miraculous. This was a serious ulcer that was about to be amputated, but he didn't expect it to be abruptly restored.

After going through a series of inspections and confirming that the ulcer was cured, Fredmen was completely relieved.

After leaving the hospital, Fredmen looked up at Wrestrvel Sky, and shook his head bitterly.

He felt that the aura of Wrestvel was not compatible with him, so he planned to pack his luggage and return to Orgeyon immediately.

Wrestvel has become Fredmen's sad place. If it is not necessary, he will never want to come back in his life.

Before coming to Wrestvel, he was a dragon and phoenix among the people;

After coming, he lost his male prowess.

Not only that, but also suffered all kinds of humiliation, and even almost lost the most precious thing, but what did he get?

Nothing!

Even the young and beautiful Theresa, after only a few days of getting started, he completely lost the ability to get started.

And he spent 15 million to live a happy life in those few days!

Thinking about it now, Fredmen still feels pain.

Where did Theresa know that she was already the woman with the least value for money in Fredmen's eyes.

She has been waiting for Fredmen to come back, waiting for Fredmen to regain his glory.

Chapter 516

After Fredmen returned to the Xiao family, they saw Fredmen coming back and hurriedly greeted him and said with joy: "Fredmen, you are finally back. Has the Wei family cured your illness?"

Fredmen said irritably, "The Wei family couldn't cure my disease at all, so I asked Marven to treat me in the end."

"Marven?" Theresa hurriedly asked: "Did he heal you?"

Fredmen sighed and said, "He's just cured the fester, but it still can't be used..."

Theresa said indignantly: "Then you shouldn't let the Wei family go easily, especially that Barena. It was he who fooled you when you took their Wei family's inferior medicine and caused you to suffer so much sin and so much suffering. Let them heal you for that too!"

Fredmen said with a cold face: "Marven was here today, so I won't continue to care about this matter with the Wei family. After I return to Orgeyon, I will ask the Wei family for an explanation!"

When Theresa heard this, she asked in surprise: "Mr...Fredmen, are you going back to Orgeyon?"

Fredmen glanced at Theresa, and said lightly: "Of course I have to go back. Hasn't it been unlucky enough for me in Wrestvel?"

When Theresa heard that the Great God of Wealth was going to leave, she was a little flustered, and quickly said: "But Fredmen, I don't want to leave you, you take me to Orgeyon, okay."

Theresa knew that the Xiao family had no hope of turning over this time.

Fredmen promised to invest 80 million, but only 10 million was actually invested, which is not enough to repay the debt.

She now feels that she has nowhere to go. Wrestvel already knows about being Fredmen's lover. In the future, she wants to find a good person to marry in Wrestvel, and the chance is almost zero.

Therefore, she can only hug Fredmen's thigh tightly now, otherwise, she will not be able to turn over in her life.

However, how could Fredmen take her to Orgeyon, after all, he is a person with a family, otherwise his wife would not have a quarrel?

Besides, it is useless for Fredmen to ask Theresa now. He can only see but can't eat. What's the use?

Therefore, Fredmen said rudely to Theresa: "Orgeyon is not something you can go to. Honestly stay in Wrestvel."

Theresa panicked and blurted out: "Then what should I do?"

Fredmen said coldly: "What else can we do? The fate of the two of us is exhausted. As for whether there will be fate in the future, I will talk about it when I come back from Orgeyon one day."

Fredmen was about to leave suddenly, and the entire Xiao family was confused.

The Old Mrs. Xiao also counted on Fredmen to make up for the 80 million promised. If Fredmen left at this time, it would be equivalent to kicking the Xiao family into the abyss.

At that time, the Xiao family had no other way to go except bankrupt.

Moreover, because the company still has a lot of debts that cannot be paid off, even the old villa of Mrs. Xiao will not be able to keep it!

Therefore, Fredmen almost became the only life-saving straw for Mr. Xiao, if he left, the Xiao family would be in desperation again.

So, the Old Mrs. Xiao was blushing, begging to Fredmen, "Fredmen, if you leave, our Xiao family will be over. We are your own family. Theresa has followed you again. You can't leave her behind!"

Having said that, the Old Mrs. Xiao said busy: "Fredmen, why don't you take her back to Orgeyon, she will be by your side in the future, and everything will be yours!"

Noah also begged and said, "Yes, Fredmen, you are in Wrestrvel these days, our Xiao family treats you in every possible way. My father saved your father's life, so you should do your best and take her to Orgeyon."

Fredmen looked at the Old Mrs. Xiao and Noah, with a look of disgust flashing in his eyes, and said coldly: "Joke, we are not relatives, why are you following me to Orgeyon?"

Speaking of this, Fredmen said again: "Furthermore, although your Old Master did save my father back then, I invested 10 million in your Xiao family, and it can be regarded as paying off this favor. So from now on, we will owe each other No debt!"

Chapter 517

Fredmen couldn't look down on the old Mrs. Xiao, so it was impossible to manage the life and death of the Xiao family.

Now he just wants to return to Orgeyon quickly, and then visit Orgeyon's famous doctor to see if he can heal.

At this time, the Old Mrs. Xiao still wanted to come over and beg for a few words, but Fredmen did not give her a chance at all and waved his hand directly: "Okay, I will go up and pack things now, so please do it yourself!"

Old Mrs. Xiao's face turned pale, and she continued to plead, "Mr. Xiao, you can't leave us behind. You know the current situation of our Xiao family. Without your support, it will definitely collapse completely... "

With that, the Old Mrs. Xiao winked at Theresa quickly.

Theresa also immediately pleaded: "Fredmen, grandma said yes, and you said before that you want to invest 80 million in the Xiao family? Only 10 million has been given until now, which can't solve the Xiao family's problems!"

As she said, he was busy and said again: "Why don't you give us the remaining 70 million, so that we can continue to maintain it, and how we can go back to Wrestrvel in the future, we may already be relieved."

Others also looked expectantly. Fredmen could leave, but the money had to be given, otherwise the Xiao family would be gone.

Jay also licked his face to Fredmen and said, "Fredmen, my sister has followed you. Who does not know that Wrestrvel is an upper class person? You also know that she is still an unmarried girl. She is your woman. You can't watch her suffer when you are gone, right?"

What the Xiao family didn't expect was that Fredmen's expression became even uglier after hearing this!

He cursed with a dark face: "Money, money, money, you three generations of grandparents, you know you want money every day! Even if I'm worthy of you if I didn't take back your ten million, you still dare to ask me for money? dream!"

The Old Mrs. Xiao still didn't give up, she squeezed out a few tears and said, "Fredmen, you can do it well, without your help, our Xiao family will be over!"

Others also pleaded, just like a beggar on the side of the road.

Fredmen was upset by the quarrel and directly slapped the Old Mrs. Xiao with a slap: "One more nonsense, I will immediately ask the lawyer to seek compensation from you and ask you to refund the previous 10 million investment! You can figure it out!"

Old Mrs. Xiao covered her face, and she didn't dare to speak anymore.

What if Fredmen is really anxious and asks for the ten million?

As a result, she could only sigh in her heart, while watching Fredmen finish packing his luggage and leave with the bodyguard.

After Fredmen left, the five members of the Xiao family fell into a sad atmosphere.

Old Mrs. Xiao was upset, Jay and Theresa were perplexed, while Noah and his wife Horiyah had their own ghosts.

In fact, Noah still had some savings in his hands.

He himself had a deposit of about 10 million. Later, the 5 million that Fredmen gave to Theresa also went into the pockets of the couple. This 15 million was for buying a house.

If he took the money out, he would be able to pay off most of the debts of the Xiao family, but how could he be willing?

The current Xiao family is a bottomless pit, and money is filled in, and there will be no return. In that case, why invest money?

Anyway, the company belongs to Mrs. Xiao, and she is also responsible for the debt relationship. If the court seizes her villa and funds in the future, she will not find her own. If she owns this 15 million, she is considered to have it. A foundation for the elderly.

Thinking of this, Noah deliberately wanted to give the ball to Mrs. Xiao, so he took the lead and said anxiously: "Mom, our bank and supplier still are to be paid a lot of debts. If they come to the door, what shall we pay back? Ah! I'm afraid that even this villa will be closed for auction by the bank. We have to prepare in advance..."

Chapter 518

Old Mrs. Xiao also looked sad.

How to do it? What can we do?

The Xiao family now has no source of income, owes a lot of foreign debt, and the capital chain has long been broken. At this time, the only thing that can be done is to quickly find investment, otherwise it will soon fall apart.

However, Fredmen, who was most likely to help the Xiao family, also left. Who else can the Xiao family call now?

Old Mrs. Xiao sighed and said: "Now that we can only go one step at a time."

As she said, her eyes suddenly lit up, looked at Theresa, and blurted out: "Theresa, didn't Fredmen give you to Barena? Although the strength of the Wei family is not as good as Fredmen, the scale of assets is at least two billion, how about you go to him and find a way to let him invest tens of millions to help us tide over the difficulties?"

Noah also said excitedly: "Yes! Why forgot Barena from the Wei family! Theresa, you have had some stories with him anyway, at this time he can't help but die?"

Theresa was too embarrassed to do her best for her own people at this time. When she thought that Barena could solve the problems of the Xiao family, she immediately took out her mobile phone and called Barena.

But how did she know that Barena was sitting in a land cruiser at this time, heading north quickly?

The driver who drove didn't know whether it was intentional or intentional. He played a folk song from mountains all the way from north, and Barena felt cold when he heard the song.

Moreover, his mobile phone was taken away and turned off long ago, because Marven clearly ordered that he could not use his mobile phone or surf the Internet.

Therefore, he didn't even know that Theresa was looking for him at this time and was anxious.

Theresa was a little surprised after a few phone calls could not be made. She held her mobile phone and muttered, "What's the matter? Barena's phone turned off. Their Wei family just solved Fredmen's troubles. It should be time to breathe! "

Old Mrs. Xiao said: "Maybe the phone is out of power, please try again later!"

"Okay!"

Theresa was about to try again later. At this time, the great turmoil that had just occurred in the Wei family had spread throughout Wrester.

Especially the pharmaceutical industry has directly turned up the stormy sea.

Youngzheng, the head of the Wei family, and his eldest son, Barena, the future successor of Wei's Pharmaceuticals, were driven to Changbai Mountain, and there were even multiple families jointly

issued a killing order. Everyone realized that Youngzheng and Barena must be someone who has offended someone.

But no one knows who they offended.

The Wei family dare not talk nonsense, let alone naming him.

The news spread more widely and faster, and soon reached Noah.

When he found that Barena and his father Youngzheng had completely lost power and were now on their way to dig ginseng in Changbai Mountain, he suddenly fell into despair.

He told the Xiao family about the incident. The Old Mrs. Xiao's blood pressure went up on the spot, and she fell back in a daze. If Noah didn't have eyesight and quick hands, the Lady Xiao might fall into trouble.

Noah helped the Lady Xiao onto the sofa and sat down. The Lady Xiao burst into tears, patted her thighs and cried, "God, you are going to kill the Xiao family!"

Chapter 519

Mrs. Xiao's whole body was completely desperate.

She didn't want all the hard work of a lifetime to be wasted in the end.

Moreover, she has no other real estate in Wrestvel, only this villa.

If the Xiao family really goes bankrupt, this villa will definitely be sealed up. At that time, she and her eldest son's family will all be on the streets.

She suddenly remembered that the eldest son Noah should still have some money in his hands, so she hurriedly asked him: "Noah, how much money do you have now?"

Noah sighed in his heart and blurted out: "Mom, I don't have much money in my hand, just a few million..."

"Few millions? Why are so few?" The Old Mrs. Xiao frowned and asked, "Fredmen alone gave Theresa five million. You ate and lived at home all these years, and you also received the salary of the Xiao Group. How about your savings?"

Noah cried and said, "Mom, how can I save? Although the expenses in life are low these years, I still have to raise Jay, Theresa and Horiyah, and I spend money on my own. It is also relatively large, so basically no money has been saved."

Old Mrs. Xiao said: "In this way, you first put the money out and invest it in the company. It can be delayed for a while, and then I will find a way to find some investment."

Noah hurriedly said, "Mom, I bought all this money for regular financial management...I can't get it out!"

“You don’t joke with me!” Old Mrs. Xiao snorted coldly and said, “Don’t think I don’t know your careful thoughts, don’t you just have the savings for yourself?”

Noah didn’t dare to make a sound.

The Old Mrs. Xiao asked: “Have you heard a word? There are finished eggs under the covered nest? If the Xiao family falls, do you think you can live well?”

Noah nodded hurriedly and said, “Mom, you are right...but I really save my money regularly.”

“How about regular?” Mrs. Xiao said coldly, “It’s not that I haven’t saved money. Regular financial management can be withdrawn in advance. It is nothing more than loss of interest. In this situation, you still think about regular financial management. Interest? I’ll give you one day, quickly take the money out, put it in the company account, and then I will communicate with a few creditors to see if I can make an installment repayment, it is best to get us Time to breathe for a year or two!”

These years, it is also very troublesome for creditors to collect debts. Therefore, sometimes if the debtor has a good attitude and can clearly give an instalment repayment method, and can pay a little first, most creditors will agree to installment repayment.

What the Old Mrs. Xiao wanted was to use Noah’s millions to stabilize the remaining creditors, and then buy herself some time.

Otherwise, the villa may be sealed up next month.

Noah was 10,000 unwilling in his heart.

He knows that the Xiao family is now a bottomless pit, and he doesn’t want to put money into it. But since his mother asked so strongly, he can only nod his head, pretend to agree, and say, “Don’t worry, I’ll wait with Horiyah. Go to the bank and withdraw the money from financial management and transfer it to the company’s account!”

Old Mrs. Xiao was slightly satisfied, and she said, “I guess you have at least 10 million in cash, so let’s put 8 million in the company’s account first, not more.”

Noah cursed secretly in his heart, the Lady Xiao’s appetite is really big enough, presuming that he has ten million, and she wants eight?

This money, he will not give a cent!

Thinking of this, he promised in face, while quietly winking at Horiyah.

After agreeing to come down, Noah said to the Lady Xiao: “Mom, Horiyah and I are going to bank now. You can wait a while at home.”

Mrs. Xiao nodded in satisfaction: “Go and come back quickly.”

Noah took Horiyah out of the house. Horiyah couldn't wait to ask: "Are you crazy?! Why promise the Lady Xiao to give her 8 million? We only have 15 millions in total!"

Chapter 520

"I'm not crazy!" Noah said hurriedly, "Promise to my mother is just a slow-down. Let's spend the money quickly so she won't worry about it anymore. It's best to find a good house today and buy it!"

Horiyah asked in surprise: "Buy now?"

"Yes!" Noah said, "Didn't my mother think that I have ten million? Then let's use ten million to buy a house, and then throw the house purchase contract in front of her and tell her that she has the money to buy a house. what?"

Horiyah suddenly smiled, and blurted out: "Okay, always do it, I really have you! Come! Let's go to the real estate now!"

When the Xiao family was in trouble again, the Wei family became famous throughout Wresterl.

What happened just now in the Wei family made countless people sigh with emotion. They realized that as long as your strength is not top-notch, you are likely to become the fish of the strong at any time!

Wei's Pharmaceuticals can be regarded as a large pharmaceutical company in the south of the Yangtze River, and Youngzheng and Barena have also enjoyed unlimited success.

But now? In a blink of an eye, the two were sent to Changbai Mountain and became ginseng pickers with no identities, difficult survival, and never leaving Changbai Mountain. It couldn't be more miserable!

And the illegitimate son Liang, who is the most unwelcome and has almost no presence in the Wei family, has become the head of the Wei family and the chairman of Wei's Pharmaceutical. This is really shocking.

However, surprise is surprised, but everyone knows that Liang inherits the entire Wei family alone, which is definitely the rhythm of the upcoming rise.

Moreover, it seems that Orvel, Wang Family, Qin Family and even Song Family are all behind helping Liang to sit as chairman.

This proves that Liang has a certain relationship with these families, and represents that Liang's strength will be improved on the basis of the original Wei family.

Before today, many people in Wresterl had bullied Liang.

Before, Liang was only an illegitimate child, and his status in the Wei family was not much better than that of his subordinates.

He came out with Barena, and he was insulted by others. Many people even deliberately insulted Liang in order to please Barena.

They thought that Liang would not be able to turn over in his entire life, but no one expected that he would actually turn over, and even so thoroughly.

So, starting from noon, many people from the Wei family came to him.

They presented Liang with generous gifts and congratulated him on his appointment as chairman of Wei's Pharmaceuticals.

Among them, many people are those who have insulted him, and even those who have beaten and insulted him.

Not only did they prepare generous gifts, they even hoped that Liang would forgive them with sincerity, for fear that after Liang's rise, but he would also seek revenge from them.

And Liang really did not take the opportunity to take revenge at all.

He smiled and treated everyone who had insulted him with a smile.

Because he always followed Marven's instructions in his heart, he would never be the kind of person he hated the most!

The humiliation and oppression that he has suffered before are all tempered by God. If it weren't for those experiences, how could he have this good fortune and be helped by Mr. Ye to a high position?

Therefore, he did not dare to float, and he did not dare to float at all.

He just wanted to be a human being, act low-key, and do well in Wei's pharmaceuticals, to satisfy Mr. Ye, but also to have more abilities and opportunities to repay his kindness.
