

The Amazing Son In-Law Chapter 521-530

Chapter 521

When the Wei family news hit the whole city, Marven, who threw the Wei family father and son into hell and lifted Liang to the sky, was wearing an apron at home and cooking lunch for his wife and father-in-law.

At the dinner table, Dave and Viola were actively discussing things about the Wei family. The two liked to discuss such gossip, especially Viola. If she knew someone had something wrong, she would be happy for three days.

Just when Viola laughed at Wei family father and son for having blood mold, Avella couldn't help but said, "Mom, don't always look down at people and make jokes."

Viola snorted and said, "I can ignore other people's jokes, but I can't help but read the jokes of the Wei family!"

After that, Viola said mysteriously: "By the way, do you know that Theresa seemed to have gotten with Barena a few days ago!"

"Huh?" Avella was surprised, and blurted out: "No? Barena is in his thirties, and Theresa is a round older, right? I think Theresa must look down on him."

Viola curled his lips: "What do you think Theresa is? I tell you, I also heard that Theresa had been a lover for a period of time for Fredmen, chairman of Orgeyon Future Company Group! Later Fredmen transferred her to Barena!"

Dave said incredulously: "You said that Fredmen from Orgeyon? Theresa was his lover? Impossible, right? Fredmen is older than my eldest brother!"

Viola said: "Your mother wanted to curry favor with Fredmen and ask Fredmen to save the Xiao family, so she instructed Theresa to get along with Fredmen. Fredmen was also quite interesting, and he also invested 10 million in the Xiao family. This matter is known to the outside world."

"My God..." Avella exclaimed, "How could grandma be so excessive?! Let Theresa go with Fredmen for money? How could my uncle and aunt agree?"

"They?" Viola curled her lips and smiled: "They can't expect it!"

Speaking of this, Viola said mockingly: "The Lady Xiao's wishful thinking is good, but it is of no use. Fredmen only invested 10 million in the Xiao family, and he was reluctant to vote if it was too much."

Avella said: "The debts outside the Xiao Group are about 30 million. Having this million is a drop in the bucket. Grandma and the others should not have a good time."

"She deserves it!" Viola said contemptuously, "Your grandma is really not a good thing! What has happened to bully our family for so many years? I am now anxious that the Xiao family will soon go

bankrupt, watching the Lady Xiao sleep on the street. At that time, she will realize how many mistakes she has made in her life! When I think about it, I feel hatred!"

Dave on the side said embarrassingly: "Okay, it's really wrong for mom to do something, but don't curse her like that! If the Xiao family really goes bankrupt and the Lady Xiao really sleeps on the street, she will come to us, we can still ignore her?"

Viola blurted out: "What are you kidding me? Of course it doesn't matter! Don't say that she sleeps on the street and I don't care. Even if she starves to death, I will not care about her! You forgot when she drove our family out, yes What kind of face? I tell you, I will never forgive her in my life!"

Dave sighed and said nothing more.

He was indeed angry with the Lady Xiao, but he was only angry, not to mention the hatred of Viola.

Viola said triumphantly at this time: "I'm looking forward to the end of the Xiao family. By then, they will be over. Our family will move to the big villa in Tomson. I must let them know what is meant by thirty years in hell and thirty years in Heaven!"

After that, Viola said to Marven: "Marven, have you been in contact with Solmon Wang of the Wang family recently? Ask him to arrange for the decoration company to speed up the progress. Let us move in if we say anything next month!"

Chapter 522

Marven nodded and said: "Solmon Wang told me that the construction will definitely be completed next month and we will be able to move in then."

Avella said, "Isn't it inappropriate to move in as soon as the renovation is completed? How can the air in it taste like?"

Viola hurriedly said, "No need, no, I went to see with your dad last time. They used imported non-polluting materials and zero formaldehyde for the decoration of the house. There is really no smell in the room. The fresh air system is installed, and the fresh air is replaced 24 hours a day. You don't know how advanced and healthy it is!"

Avella nodded, and said nothing more.

In fact, she herself didn't feel much about moving to Tomson's villa.

But the last time Marven was right, at least he could not live on the same floor as his parents when he moved there. In this case, there would be a lot more private space, not as it is now, even in her own room, there is no privacy...

Moreover, she also promised Elsa that after moving to the villa, she would reserve a room for her and invite her to live in. She is a girl and has been living in a hotel alone, but it is actually quite deserted.

Marven didn't care about the villa. Before he was eight years old, he had been in the orphanage for so many years after that.

At this time, Viola suddenly received a WeChat message, picked up the phone and glanced at it, and her brows were instantly happy.

She opened the mouth and said to the three of them: "In the afternoon, an old sister asked me to play mahjong at her house. It takes eight laps. I won't come back for dinner."

Dave said in surprise, "Eight laps? Then ten hours?"

Viola gave him a Wang look and said, "What's the matter with ten hours? Two days and two nights, more than forty hours in the big game, I haven't played when I was young!"

Dave persuaded: "You are old after all now! Sitting for a long time is prone to many diseases, such as lumbar disc herniation, cervical spondylosis, and high blood pressure, all of which are caused by sitting for a long time."

Viola waved her hand: "I'm in good health, don't curse me!"

Avella frowned, and couldn't help but say with some worry: "Mom, you occasionally play mahjong for fun. I don't have any opinion, but you listen to advice, one is not to play for too long, and the other is not to If you play that one again, you will win or lose thousands of money."

"Oh, playing mahjong is just a fun!"

Viola said nonchalantly: "Besides, I go out to play mahjong every day. Isn't it for this family? Your dad refuses one. Marvin is not only a Rubbish, but also a big fool who deceives people everywhere. They may come to our house in the future. What a disaster, you are starting a business now, and the company has not seen the money back. How will your father and I support it? I will now point to playing mahjong to earn money and subsidize the family!"

Marven was very upset.

This mother-in-law, she likes to pull him out to make a mockery if she is okay, and now he feels like a big fool, he really wants to draw a big mouth on his face, and tell her: Since you think I'm a big fool, then I'll fool you Villa, don't live in licking your face!

In the final analysis, mother-in-law still owes a lot to clean up!

Chapter 523

Because there was a card house waiting, Viola didn't wait for the meal to finish, so he walked out with her bag on her back and immediately took a taxi to an older villa complex.

An old friend of hers lives in this villa area.

XiDollar Villa was regarded as a relatively good villa in Wrester twenty years ago, but after all, it has been a long time since it has gradually lost some ground.

In the past, Viola felt that XiDollar Villa was already a standard mansion, and her family might not be able to live in such a single-family villa in this life.

But now it's different. As soon as she thought of being able to live in the best Tomson villa in Wrestvel, Viola was a little scornful of this XiDollar villa.

The old friend who lives here is named Shehlain, who Viola has known many years ago.

Shehlain's family was a good family. Her husband made a lot of money in the early years, and then died because of an accident, leaving Shehlain with a lot of money.

After Shehlain pulled the child up and sent the child abroad for higher education, she played mah for fun every day.

Moreover, Shehlain has money and poor card skills. She always loses more and wins less when playing cards. Every time Viola plays cards with her, she can win points.

So Viola regards Shehlain as her god of wealth, as long as Shehlain asks her to play cards, she will definitely be there.

Ringling the doorbell of Shehlain's house, the door opened quickly, and a woman about the age of Viola, with a warm smile on her face, greeted, "Sister Viola is here, come in!"

This middle-aged woman is Shehlain.

Viola hurriedly greeted her, stepped through the door, and said with a smile: "Oh, Shehlain, I'm so embarrassed to keep you waiting for a long time."

When they came to the living room, the other two mahjong friends who often played cards with her were already sitting at the mahjong table and waiting.

"Sister Viola, you can count it!"

Seeing her coming, another middle-aged woman said impatiently: "Sit down, let's make an eight-lap hot hand!"

After Viola and Shehlain were both on the mahjong table, the card game officially began.

Viola rubbed the mahjong while saying, "Shehlain, you have lived in this villa for some years, right?"

After touching a card, Shehlain smiled and replied: "This house was bought more than ten years ago, but it was mainly for investment at the time. After my child went abroad, I have been living in a building in the city. The villa is too big. Living alone is discomforting."

"Then have you thought about redecorating it?" Viola came to be interested and said, "I told you that my girl happened to be running a decoration company, and also cooperated with our Wrestvel Emgrand Group, and the level is absolutely guaranteed. If you want to redecorate, I can ask her to give you a friendly price. When the time comes, she will definitely make your villa as magnificent as the palace!"

“Sister Viola, thank you for your kindness.” Shehlain smiled slightly, then sighed, and said, “However, I plan to sell this villa.”

“Sell it?” Viola asked puzzledly: “Why do you want to sell it? You are not the one who lacks money. Your husband left you seven or eight sets of the house, and you have invested in so many real estates yourself. , How nice it is to put it here to appreciate!”

Chapter 524

Shehlain shook her head and said with a smile: “In fact, I am going to the United States in a while, and I am not going to come back.”

Viola asked in surprise: “How do you plan to settle in the United States?”

Shehlain nodded and said, “I’m telling you, my son has never come back from the United States since he went to study there. Now he is married there, and the daughter-in-law is also pregnant, so he doesn’t plan to come back anymore. , So he wants me to live with him in the future and help them bring their children by the way.”

A woman at the poker table blurted out, “Oh, Shehlain, are you ready to take action in so many houses in Wrestvel?”

Shehlain said: “Leave a set of flats in the urban area. If there is a chance in the future, the family can come back for a few days.”

Hearing this, Viola couldn’t help but feel sorry.

She didn’t regret that she was about to lose a card friend she got along with, but she felt that Shehlain would leave as soon as she said it. In the future, she estimated that it would be difficult for herself to encounter someone like her, who has poor card skills and still enjoys losing money every day.

.....

At this moment, at the door of XiDollar Villa, Noah and Horiyah parked their car and waited for the real estate agent at the door.

Noah planned to find a suitable house and spend the 10 million, so he contacted the agency and asked the agency to help find a house worth about 10 million.

The average price of house prices in Wrestvel is a little more than 30,000, but the villa will be more expensive. If you buy a new villa for 10 million, it is basically useless, so you can only buy this old villa.

Horiyah looked at the door of the XiDollar villa and said with some dissatisfaction: “Noah, this villa area is a bit too old? Look at these houses, they look a bit older than the Lady Xiao’s, or else Let’s not look at the room here.”

Noah said: “There is no way, the flat floor of Tomson First Grade is good, but you are not willing to buy it.”

Horiyah said angrily: "That Rubbish Marven has a villa in Tomson First-Class. I don't want to stand guard for Dave and Viola in the future! I can't buy Tomson First-Class flats for anything!"

Noah said: "So, it is more cost-effective to buy this kind of old villa. The area is large enough, and it is a single-family house. It is also comfortable to live in. It does not matter if the house is old. Just we can renovate it."

With that, Noah said again: "You have to consider our situation. Jay has no object, and Theresa has no object. They are one person and one room, plus the two of us, this is three bedrooms. In case Jay gets married in the future, He must live with us. When he has a child, he has to give the child a room? That's four rooms."

Noah continued: "Mum will definitely have to live with us in the future? At that time, we will have to leave a room for her. This is five rooms, so the villa is more practical."

Horiyah annoyed and said, "Why does your mother live with us? Why not live with Dave?"

Noah shrugged: "The Lady Xiao has severed ties with Dave's family. Do you think Dave will let her live?"

Horiyah was very dissatisfied and said: "Then she can't follow us, we are not affected by the Lady Xiao! Now the Xiao family is almost finished, and it is no good! If I want to say it, I will take her to Dave's house, whether it is his business or not, we don't care about the Lady Xiao anyway!"

Noah said, "You don't know that. My mother has a life insurance that has been bought for more than 20 years. It is a wealth management type. After her death, this life insurance can get more than six million. If you drive the Lady Xiao to that Home, after the Lady Xiao's death, the six millions will belong to Dave!"

"More than six million!?" Horiyah's eyes lit up and she asked in surprise: "Really there are so many?"

Chapter 525

"Yeah." Noah said, "This life insurance was bought by my dad when she was alive, so as to leave a way out for future generations."

After that, Noah said again: "You count yourself, how many years my mother can live? It's all three years or five years. Let's take care of her for another three to five years. After her death, there will be more than six million life insurance in our hands, draw it down, one or two million a year, do you think it's worth it?"

"It's worth it!" Horiyah rubbed his hands in excitement, and said excitedly: "Then you have to look good on your mother, and you definitely can't let Dave's family grab it!"

Noah nodded and said with a smile: "That's natural! More than six million won't be given to Dave at that time!"

Horiyah hurriedly said, "Not only will I not give him more than six million pennies, when mother is dead, and we have to pay for funeral and the cemetery, Dave will have to pay half!"

Noah subconsciously said: “The Lady Xiao has cut off relations with him, can he pay the money?”

“Are you stupid?” Horiyah blurted out: “The Lady Xiao broke off relations with him. It was verbal and does not have legal effect. When the Lady Xiao dies, if Dave is unwilling to pay the money, then let’s go to court sued him! After all, before the law, he is still the son of Lady Xiao, and he has the responsibility and obligation to pay half of the money!”

Noah instantly beamed his eyebrows and laughed: “Wife, you are right! By then, Dave’s half can’t be discounted by a single point! It’s my wife who is smart! Hahaha!”

Horiyah was also full of pride, and said with a grin: “Dave and Viola’s two silly dumb hats, playing with us, how can they be our opponents!”

As soon as the voice fell, a little real estate agency girl in a small suit came over and asked politely, “Are you Mr. Xiao and Mrs. Xiao?”

“Yes, yes, yes!” Noah nodded hurriedly and said, “You are the granddaughter of Premium Land Real Estate, right?”

“That’s right.” The little girl smiled slightly and said, “Mr. Xiao and Mrs. Xiao, I have already made an appointment with the owner of this villa. She is in the villa now. We can go directly to inspect the house.”

“Okay.” Noah said hurriedly: “Then go over and take a look.”

While leading the way, the little girl said: “I will introduce you to this villa. The owner is an aunt. This time she wants to clear the property and immigrate to the United States. So the price is slightly cheaper than the market price!”

Upon hearing this, Noah and Horiyah couldn’t help themselves.

It’s cheap!

If this villa is suitable, the money saved after it is bought will be used to decorate and save money!

.....

On the other side, Viola was playing mahjong with Shehlain and other players, and a pleasant doorbell suddenly rang from outside the door.

Shehlain said with an apologetic expression: “I’m sorry, it may be that the intermediary brought someone to see the house. I am unaccompanied and go and open the door.”

After speaking, she stood up, walked to the hallway, and opened the door.

Seeing the agent who had previously commissioned the sale of the villa standing outside the door, and seeing her with a middle-aged man and woman behind her, Shehlain knew that this was a client who came to see the house, and smiled and said, “Please come in.”

The agent Xiaosun said: “Ms. Shehlain, let me introduce to you. This is Mr. Xiao. The one next to him is his wife, Mrs. Xiao. These two are the ones I communicated with you on the phone and are interested in buying this villa.”

The middle-aged man smiled slightly, took a step forward, and said politely: “Hello, Ms. Shehlain, my name is Noah, I am glad to meet you.”

The visitors were Noah and his wife Horiyah.

Chapter 526

Shehlain hurriedly smiled and said: “Oh, please come in quickly, please come in quickly, I haven’t lived in this villa for many years, you can watch it!”

“Okay.” Noah nodded, and after entering the door with Horiyah, he began to look at the layout and decoration of the villa.

The agent on the side, said with a smile: “Mr. Xiao, the XiDollar villa area is the first villa area developed by our Wrestvel. The supporting facilities are relatively complete, and access is controlled. It can fully guarantee your safety. The villa has an actual living area of 470 square meters, which fully meets your previous requirements...”

The reason why Noah bought the old villa was because it was a cheap one. A normal 470-square-meter villa cost at least 20 million in Wrestvel, but the price of this villa is generally 134 million, and the price is still dozens. Ten thousand downsides.

So he asked Shehlain: “Ms. Shehlain, how much is your villa going to sell for?”

“I am going to the United States soon. This villa is in a hurry for sale, so the price will be relatively cheaper...”

Shehlain smiled slightly and said, “Well, if you two have intentions, a price of 12 million, what do you think?”

“What, are you stealing the money?” Horiyah couldn’t believe it, she raised her voice, blurted out: “For such an old villa, you actually asked for twelve million?!”

Shehlain was not angry, and said with a smile: “In this community, most of the listings are above 13.5 million, and there are even more than 14 million. I quoted 12 million. In fact, It’s already a very, very cost-effective reserve price.”

Viola was sitting in the entertainment hall of the villa. She heard the sound outside that was particularly familiar, and quietly glanced out, and suddenly saw Horiyah with a look of disgust.

And next to her is Noah, the eldest son of the Xiao family.

Viola didn’t expect that these two people would actually be here. Combined with what Shehlain said just now, it is estimated that they are customers who want to buy Shehlain’s old villa.

Isn't the Xiao family going cold? Can they still afford a villa?

At this time, Horiyah said with an arrogant expression: "Ms. Shehlain, to be honest with you, only a fool would buy 12 million, and I heard that you are going to the United States soon. I don't think so. Give you a price of 8 million. You sell the house, and we can trade today! You can pack your bags and go to the United States tomorrow. The best of both worlds."

The main reason why Horiyah kept the price down was that the other party was anxious to sell. Since she was anxious to sell, she would definitely have to bargain to death so that she could make a fortune.

She felt that Shehlain was just going to the United States, not anxious enough, if someone in the family was dying and waiting for first aid! Maybe five or six million can be won!

However, Horiyah didn't know that Shehlain had money, and there were only a few houses alone, so she was not the one who lacked money at all. How could she ask Horiyah to cut the meat with a knife because she was in a hurry to sell her house?

Naturally, Shehlain knew that Horiyah was not at ease. She frowned and said with some disapproval: "Mrs. Xiao, let's not hide it. Although my villa is a bit old, the price given to you is quite reasonable. In the market, you will definitely not find a lower price than mine. As for the price of 8 million you said, it is simply a fantasy!"

After speaking, Shehlain said again: "Since the two of you don't have this sincerity, then I don't think we need to continue talking."

Noah knew very well in his heart that a counter-offer of 8 million would be a bullshit. Saying 8 million for this house was a joke. As long as the owner hangs out 11 million, someone will eat it within half an hour, because the house is indeed very expensive. It's cheaper!

So he hurried to accompany with a smile and said: "Ms. Shehlain, don't be angry, my wife is not sensible, so she will talk nonsense."

Horiyah glared at Noah and said, "I'm not sensible? Who is in charge of the family, you forgot? I tell you, don't be a shit stick with this. I think this house will cost 8 million. Nothing!"

After finishing speaking, she tried her best to wink at Noah, which means, look at her, she specified that this woman can be taken down.

At this time, Viola came over with a smile on her face and said cheerfully: "Oh, eldest brother and sister-in-law, eight million you want to buy a villa, are you two crazy?"

Chapter 527

Horiyah and Noah never dreamed that they would meet Viola here!

The two of them didn't even understand why Viola was in this villa?

Could it be that she and this Shehlain are friends?

Horiyah felt a little annoyed.

In fact, she had planned to do it at the beginning, first kill the price of 8 million, if the other party really disagrees, she can keep increasing, up to 9 million, and it is estimated that she can win it.

However, she did not expect Viola to be here at this time!

Moreover, this Viola is usually respectful to her. Why did she dare to mock her when she came up today? She has eaten the courage of the bear heart and leopard?

Viola was bullied by Noah and Horiyah since she married into the Xiao family. After being bullied for more than 20 years, she hated them for a long time.

And she also heard that the Xiao family is going to be bankrupt now, so she had long wanted to find a chance to taunt the two, but she didn't expect God to be really eye-opening, and she would run into them here!

This allowed Viola to find an opportunity to avenge his hatred.

After Horiyah heard her sarcasm, her face was very ugly, and she asked: "Viola, what do you mean by this?"

Viola smiled and said, "Oh, sister-in-law, do you really not understand or fake? My friend's villa of more than 10 million, you only give 8 million, you are shameless? I know you are poor recently you are crazy, but can't come out to grab it!"

When she said this, she didn't conceal anything, nor did she want to conceal it, let alone what Noah felt in the heart.

Husband Dave has no status in Xiao's family. She has been held down by the couple for so many years, and she has long been suffocated.

Now that she has a chance to step on a foot, she naturally wants them to feel the bitterness that she has tasted over the years!

Horiyah's face was even more ugly, she glared at her, and said, "Okay, Viola, I haven't seen you in a few days. You have become more skilled, right? I used to be like a mouse and a cat. Now you dare to do this. Talk to me?"

She was naturally angry too!

In the past, Viola was inferior in front of her Xiao family's sister-in-law, who was the only one who didn't dare to breathe.

But now, seeing that the Xiao family was about to be finished, this Lady Xiao immediately dared to jump out and run herself, what a villain!

When Viola saw her mention the past, she immediately said arrogantly: "Oh, sister-in-law, you thought you are the Lady Xiao, and wanted to press me everywhere? Don't look at how poor you are now. Pretending to me?"

She said, she said with contempt: "To tell you the truth, I have seen not pleasing to your eyes for a long time. Over the years, if the Lady Xiao had been partial to you, your eldest daughter-in-law, how could I have swallowed my breath and praised your stink every day? Feet? A stinky lady who only knows how to kneel and lick old ladies. Now that the Xiao family is down, what else do you want to pretend to be with me? I yuck! You can hurry up and take a pee and take your own virtues!"

Horiyah's angry face turned green.

In the entire Xiao family, could it be that she was the only one kneeling and licking the Old Mrs. Xiao?

When, Viola, rushed to lick the Lady Xiao, you did everything, but you worked harder than me. Everyone is the same thing. Are you embarrassed to say me? !

Chapter 528

Noah's face was pale, and he stepped forward and scolded: "Viola, you are less damned in this villain, no matter how downright we are, we are better than you! You don't want to see what you have? Husband is a Rubbish, son-in-law also waste, the whole family is waste!"

Viola's eyes were wide, and she said with disdain: "Oh! Big brother, big brother, my husband is really waste, but there is no way, the men of the Xiao family are waste, don't you know this in your heart?"

"You..." Noah gritted his teeth.

Good you Viola, I scolded your husband, your words brought me and my son in too?

At this time, Viola did not give him a chance to continue speaking, but pinched her waist and said with a proud face: "But, don't you say that my son-in-law Marven is Rubbish, my baby son-in-law, now he is amazing. Quite! Don't say anything else, it is because of my son-in-law we will be able to live in Tomson's big villa next month. Do you have it?"

In fact, Viola can't really afford Marven.

However, at this time, using Marven to ridicule Noah was really just right!

When Noah heard this, his heart was really uncomfortable to death.

d*mn, that's right!

Marven's Rubbish can actually flicker to a Tomson first-class villa, what about himself? Now he is going to buy this kind of second-hand villa with 20 years of age, the other one, here are ten on top!

Seeing Noah's ugly and uncomfortable expression, Viola was happy, and almost danced a square dance in excitement.

She continued to attack Noah, sighing and saying, "Oh, before, I really thought Marven was a rubbish, so I couldn't look down on him. At that time, I envied my eldest brother and sister-in-law! Your Theresa, she went to the Wang family's Young Mr. Phil, isn't this just flying on a branch and becoming a phoenix?"

As she said, Viola sighed and shook her hand with regret: "Hey, but who would have thought that Theresa would be dumped by Phil! Tell me about this Phil, really the sumbag among the sumbags! It's a big game! Theresa's belly swallowed. What was the reason?"

Horiyah and Noah looked at each other, and they were already annoyed to kill!

d*mn, this stinky lady dared to expose her shortness, it's damned!

At this moment, Viola continued: "But, I still envy you. Although Phil dumped Theresa, I heard that Theresa hired a son-in-law for my elder brother and sister-in-law! I heard that he is Fredmen, the chairman of Future Company Group, is much better than Phil!"

Speaking of this, Viola said with regret: "However, this Fredmen is good everywhere, just a little older, brother, Fredmen seems to be two or three years older than you, can I ask you, What is it like to hire a son-in-law who is older than you?"

Horiyah couldn't hear the irony in these words, her angry face was livid, and she shouted angrily: "Viola! Shut up! Otherwise I will tear your mouth down!"

"Yo!" Viola said disdainfully: "Sister-in-law, what I'm telling you is the truth, why don't you let me tell? You have a guilty conscience? You want to tear my mouth?"

Speaking of this, Viola snorted coldly, and said, "I tell you Horiyah, don't think you have a son-in-law who is older than you, you just want to bully me! Don't think I don't know, Director Fredmen, he has already dumped your Theresa! Am I right?"

"Also, I heard that Fredmen still gave your Theresa to Barena from the Wei family? Oh, this Fredmen is really interesting. Theresa is a person, not a gift, not a puppy, so how can she be casual give away someone?"

"It looks like it's better than my precious son-in-law Marven. Although it's a little bit useless, it's at least reliable and won't give up to our family."

Horiyah was ridiculed by Viola, and she was going crazy!

She grinned and rushed to fight Viola, hysterically cursing: "Viola! I am fighting with you today!"

Chapter 529

When Viola saw that Horiyah was about to come up and do something, she immediately jumped a step back and said coldly: "I tell you Horiyah, you can't offend me, you'd better not indulge me!"

Horiyah cursed with a stern face: "I can't afford to offend you, Lady Xiao? If I don't tear your mouth today, I would change my name!"

Viola snorted and said coldly, "My precious son-in-law Marven, that's a very good fight! You forgot how he taught the Xiao family's dog legs, and your rubbish son Jay? Kick your son up into the sky! You provoke me, believe it or not, I will call him over with a phone call and let him kill you two old turtles?"

As soon as these words came out, Horiyah trembled all over, like a deflated ball, all the rhetoric just now disappeared...

To be honest, Marven really left a strong psychological shadow on her.

She couldn't understand why the Rubbish who could be bullied before suddenly became so capable of beating. He was a pervert when he struck up people!

Noah was also very afraid of Marven, after all, he had watched Marven do it with his own eyes at the beginning, and that guy almost did scare him to pee.

Viola saw that the two of them were afraid to say anything, knowing that they were both afraid of him, and immediately sneered: "Oh, I really sympathize with you when, I say. The Xiao family is over, Jay and Theresa have no objective, and Theresa is now in Wrestvel, and that is also well-known to all. You will definitely be particularly sad in the future."

As she said, Viola said with a serious face: "Don't blame me for not reminding you. Just don't buy a villa if you look like a bird. What kind of villa do you buy? There are mines at home? You might eat it any day. In the absence of a last meal, let me see, you should go to the suburbs to buy a cheap small house, and take the remaining money to do a small business."

Noah and Horiyah were so angry that they couldn't speak.

Viola continued: "Right! I think you might as well open a mahjong hall! In this case, when Shehlain's villa is sold, I will take my sisters to your mahjong hall to support you, so that you will not starve to death. What do you think?"

Noah had a heart attack.

Horiyah on the side wanted to kill Viola.

This is the first time they have seen Viola so unsparingly sarcastic!

Even the most ruthless and ruthless sarcasm they have suffered in their entire lives!

What's even more hateful is that they can't talk back!

Why is this mouth back?

Eating, dressing, housing, use, daughter, son-in-law, everything is better than Viola, this stinky lady!

Thinking of this, Noah and his wife were even more frustrated. They were so ashamed and angry that they wanted to dig a hole directly on the spot!

Viola was in a mess at this time, and she even wanted to open her throat to sing a few more words, she can't remember how long she hasn't been so happy, she is simply repaying the previous hatred, even with the benefits!

Noah knew that he couldn't find his face today, so he said coldly, "Viola, sooner or later you will pay for your arrogance of today!"

Viola nodded and sighed, "Yes, big brother, I think the price will come soon. I will move to Tomson's big villa next month. The house is so big that I might be in it every day, I will be lost several times. How can I live in this house now? The house there is so big and tall, I'm afraid that I won't adapt to it..."

As she said, Viola sighed again and said, "Hey, when we live in Tomson, we will be separated from eldest brother, and we will not see each other often in the future, so I can't listen to what the eldest brother and sister-in-law say often. These are the prices I have to pay for today!"

Noah felt that he was going to be blown up soon. In order to save his life, he gritted his teeth and stomped his feet and cursed: "d*mn, if you don't buy the house, let's go!"

Chapter 530

After speaking, he took Horiyah and went out.

The intermediary girl on the side greeted her in a very embarrassing manner. Although she despised the two customers after listening to Viola's words, the customer is god after all.

When Shehlain saw the two gone, she couldn't help sighing: "Sister Viola, your two relatives are too weird, do they think I am a fool? They wanted to buy my villa for eight million... "

Viola smiled and said, "They are about to go bankrupt, and they have no money at all. They are just a bunch of poor people. Even if you promise them to sell for 8 million, they may not be able to pay!"

Shehlain nodded and said, "It's really disappointing. Let's ignore them and continue playing cards!"

.....

When Noah and his wife Horiyah left the villa, they scolded the people in the street, in unison!

The main reason why they didn't dare to scold in front of Viola was because they were afraid of her son-in-law Marven.

If they really get beaten, it will be a big loss.

The intermediary followed the two of them. After they had enough scolding, she cautiously asked, "Mr. and Mrs. Xiao, are you two still looking for other houses?"

Horiyah's face was extremely ugly, she glared at her and cursed: "Look at your mother, get out!"

After speaking, she took Noah and walked out of the community.

The little girl was aggrieved in tears, but because of her weak temper, she didn't have the courage.

But when Horiyah went out, she wanted to get more and more angry, and couldn't help but say to Noah: "This Viola, she doesn't know how to show off if she has two stinky money! Look at her virtuous attitude. She actually showed off that she was going to live in the Tomson first grade, and she panicked for us. Whose big villa is, does she have no idea? If Marven's Rubbish goes out to deceive people, what can she do!"

Noah said with a cold face, agreeing: "This stinky girl is really too f*cking too much!"

As he said, he sighed and said helplessly: "However, we have nothing to do with her now. Whoever makes our Xiao family fail soon, anyone or a dog can come over and step on..." "

Horiyah couldn't help asking: "Then we still buy a house? If you don't, your mother wants you to give her 8 million!"

"Buy, of course we must buy it!" Noah said, "The house must be bought, but not now."

Horiyah hurriedly asked, "When will you buy it?"

Noah said: "Viola, the stinky lady, has two money now. In my opinion, we might as well make a round for her."

"Do it? What game?" Horiyah was surprised.

Noah said with a sullen expression: "Doesn't she like gambling? Then let's make a bet. First use a little petty profit to lure her into the set, lure her to play the bigger the bet, and then let the experienced Old Master do something. Get all her money, hands and feet!"

Speaking of this, Noah sneered, and said: "It's best to let her mortgage Tomson's first-grade villa to us! In that case, we can turn over!"
