

The Amazing Son In-Law Chapter 531-540

Chapter 531

Viola didn't know that Noah and Horiyah had already coveted her assets and the Tomson First-Class villa of her son-in-law Marven.

She was in Shehlain's house, and she started to rub mahjong with her friends. She didn't go home until dinner time. The four old ladies ordered some KFC takeaways. One of them was holding a family bucket, eating chicken legs and rubbing mahjong. The one that rubs the mahjong is called shiny.

Marven finished the meal and was eating with his wife and father-in-law. Avella couldn't help complaining when seeing his mother still not coming back, saying: "Dad, you also take care of my mother occasionally, don't keep her all day long to play!"

"Do I care about her?" Dave snorted, and said, "I don't have the ability to do it. You have to do it. If I could do it to your mother, I won't be here today? Do you know why your grandma prefers your uncle, right? Do I need to tell you?"

Avella asked in surprise, "It's not because of my mother, right?"

"It's because of her!" Dave sighed and said, "Your grandfather and your grandma didn't allow us to get married at the beginning. If your mother had you before she was unmarried, your grandfather wouldn't compromise. "

Marven was surprised when he listened. He didn't expect the mother-in-law and the Old Master to run with the ball!

At this time, Dave said to Avella again: "Actually, your grandma has never liked your mother, and it hasn't changed for more than 20 years."

"Why?" Avella asked puzzledly, "Is there any dissatisfaction, should we not let go of prejudices for more than 20 years?"

Dave said: "Your grandma said that your mother is a shrew, and she thinks your mother's family is relatively poor."

Avella sighed in embarrassment and said, "It's not good to say, my grandma is not much better than my mother..."

"You're right." Dave nodded and said, "I think the reason why your grandma doesn't like your mother is because she feels too much like herself..."

Avella rubbed her temples and murmured, "I think what you said makes sense..."

Marven on the side did not speak, but in his heart he also agreed with Dave's words.

The Old Mrs. Xiao is the big devil, Viola is the little devil, and the big devil will get old, so she will be afraid when she sees the little devil. She is afraid that one day she will grow old and the little devil will become the big devil, and then start oppressing her.

Therefore, this is also the fundamental reason why she has been pressing Viola all the time.

The relationship between Chinese mother-in-law and daughter-in-law is very subtle, but in the final analysis, it is nothing more than one point: the mother-in-law wants to hold the daughter-in-law firmly, and the daughter-in-law desperately wants to get rid of the control of the mother-in-law.

Especially Mrs. Xiao, a woman with a particularly strong desire for control, I am afraid that no one can stand it.

At this time, the TV that had been playing Wrestvel News suddenly interrupted a piece of news.

The host said: "The following is an emergency news. A few days ago, the chairman of Kobayashi Pharmaceutical Co., Ltd., Masao Kobayashi died in an accident in Tokyo. According to Japanese media, the cause of death was that his eldest son, Ichiro, gave him poison. It shows that Masao Kobayashi took a drug with a strong excitatory effect, which caused the heart to become overloaded and he died of a sudden heart attack."

Speaking of this, the host said: "Interpol has received news that Ichiro is currently hiding in Wrestvel, and now the Kobayashi family is offering a reward of 3 billion yen to hunt down Ichiro, so a large number of Japanese killers and gang members have entered. In Wrestvel, the police are actively hunting down these killers. The general public are requested to be vigilant and call the police immediately if they find suspicious persons!"

When Dave heard this, he smacked his lips and said, "This Ichiro is really a beast. In order to inherit the family property, he will not let go of his own father!"

Marven on the side laughed twice.

He wanted to cure his father's paralysis, so he was a filial son.

Chapter 532

It's a pity that this son was in his own hands, so this great filial son has now become a beast that everyone spurned.

After two days of fermentation, the death of Masao Kobayashi, the president of Japan's Kobayashi Pharmaceuticals, has already aroused great concern in Japan.

Under the vigorous propaganda of Kobayashi's second son, Jiro, Ichiro became the chief culprit who poisoned his biological father and tried to occupy Kobayashi Pharmaceutical.

The whole Japan scolded Ichiro, thinking that he was the most unfilial livestock in Japan..

At the same time, Jiro also increased the reward for killing Ichiro from 1 billion yen to 3 billion.

He now wants to quickly take the position of chairman of Kobayashi Pharmaceutical Co., Ltd., so he must let his brother die quickly, and never let him return to Japan alive.

Jiro also knows very well that his elder brother never intended to kill his father, otherwise he would never be in China and would kill his father remotely. Then, if his father died, he could not take over immediately. Wouldn't it be a waste of money for him? ?

Therefore, he can also guess that the eldest brother is dying now.

After all, Kobayashi Pharmaceutical gave Marven 10 billion, which is enough to see that Marven was behind the whole incident.

However, the eldest brother has nothing to do with the wrongdoing. He is not wronged. He is the eldest son succeeding to the throne. What's the matter with himself?

If his second son wanted to counterattack, he had to suppress his eldest son.

Because of this, he couldn't wait to let his eldest brother die in Wrester.

Because if Ichiro could never speak, his position would be more stable.

From his continuous increase in the bounty, it can also be seen that this person is now very eager to kill Ichiro as soon as possible.

So Marven sent a WeChat to Orvel, asking him to contact Jiro, asking for one billion. If he puts out one billion, he will sell him Ichiro, and if he can't get it, he will escort Ichiro. Back to Tokyo to open a press conference to clarify the reason, and then openly compete with him for the successor of Kobayashi Pharmaceutical.

Marven's thinking is simple. If Jiro wants to be the chairman, he must cooperate with him. Otherwise, he will let Ichiro trouble him. If the brothers share Kobayashi Pharmaceutical, the loss will be far greater in Billions.

Without saying anything, Mr. Orvel immediately contacted Jiro and told him Marven's request intact.

Jiro went crazy after hearing this.

Billion?

Kobayashi Pharmaceutical has given Marven 10 billion for the prescription of that poison!

The ten billion thing was given by Kobayashi Pharmaceutical Co., Ltd. voluntarily at the beginning, and it was his father who was fooled by the other party.

When he think about it, it's d*mn irritating. My father spent 10 billion to buy a poison, and then he ate it himself to death and took his life.

If this transaction were to spread out, it would be the first unjust case in the ages.

Jiro felt that if Marven wanted to be a person, he should just kill his eldest brother as a reward. He didn't expect this guy to speak up and ask him one billion? When did he open a bank?

Chapter 533

Jiro really hated Marven crazy.

However, he didn't dare to offend Marven 10,000 people.

Therefore, he could only bargain with Orvel.

The tone was very religious and said: "Mr. Orvel, can you convey to Mr. Marven, Kobayashi Pharmaceutical's account is only two to three billion, and many sales channels have not paid us back, and we still owe several billion bank loans are we are under great pressure now!"

Orvel said: "Mr. Marven is always the same, so don't imagine that you can bargain with Mr. Marven!"

Jiro begged: "Mr. Orvel, I'm really having a hard time now. If you don't want to do this, you can ask Mr. Marven to delay me for two months. After two months, I will definitely give the money, but these two months During the time, he must not let my brother show up and speak up, let alone let him return to Japan!"

"Two months..." Orvel thought for a while, and said: "Wait a moment, I will ask Mr. Marven."

After speaking, he immediately sent Marven a WeChat, telling him Jiro's request for payment in two months.

Marven was clearing the dining table. Seeing this WeChat message, he did not hesitate to reply: "Tell him, and then bargain with me, I will talk to his brother, and then I will send his brother back to Japan to grab the property. I ask his brother for 5 billion, and he would agree."

Ichiro is still hiding in the kennel of Orvel. He knows that there are countless people outside who want to kill him, so he is in panic all day long.

In his opinion, he might die one day. So, if Marven gave him a chance to return to Japan to regain the property, then he would give Marven the 80% property he robbed. There will be no hesitation.

What Orvel received from Marven, and he immediately shared with Jiro: "Kobayashi, you are now bargaining with Mr. Marven for one billion, but have you ever thought about it, if Mr. Marven and your brother Ichiro had a good chat, Send him back to Japan to grab the property, Ichiro may promise to pay Mr. Marven two billion or three billion in remuneration! By then, you will not lose a billion! As far as I know, you Kobayashi Pharmaceutical is a company with a market value of tens of billions!"

Upon hearing this, Jiro gritted his teeth and said without hesitation: "Mr. Orvel, please tell Mr. Marven, I agree! I'll go raise money now!"

In fact, although there is not much money in the accounts of Kobayashi Pharmaceutical Company, there are still a lot of deposits in the personal account of Jiro's father, Masao Kobayashi.

This money was supposed to be his father's inheritance, and the two brothers shared it together, but as long as his brother Ichiro died, Kobayashi Pharmaceutical, as well as all the deposits, cash, antiques, and real estate left by his father, belong to him alone.

Therefore, he did not dare to delay any more. After only ten minutes, he transferred the money to Marven's account, and at the same time called Orvel and said, "Mr. Orvel, the money has been transferred to Mr. Marven's account. Please let Mr. Marven check it, and by the way, please send my brother on the road as soon as possible after receiving the money. I hope he will die soon!"

Orvel agreed and said: "Mr. Marven has always placed the most credibility, don't worry, as long as the money is received, your brother will be completely resolved and let him evaporate from the world."

After hanging up the phone, Orvel immediately sent a WeChat message to Marven and asked: "Mr. Ye, have you received the money from Jiro?"

Marven replied: "I have."

Chapter 534

Orvel hurriedly asked, "Do you want me to kill Ichiro now? Then take another video for Jiro to see?"

Marven replied: "You hide Ichiro, then find someone who can do special effects, shoot a headshot of Ichiro's fake video and send it to Jiro to make sure he believes his brother is dead."

Orvel asked in surprise: "Mr. Ye, are you trying to save Ichiro's life?"

Marven said: "Yes, keeping Ichiro will be of great use in the future. Maybe someday I can get Kobayashi Pharmaceutical with him, and kill him for a billion. It's too cheap for Jiro."

Later, Marven said again: "In addition, you don't think about morality in this matter. After all, we and the Japanese have no morality to talk about. On the contrary, the more miserable they can be, the better!"

"I understand!" Orvel hurriedly said: "Don't worry, I will arrange more manpower to protect Ichiro well!"

.....

At this moment, the Song family mansion.

The large family of the Song family was eating at the restaurant and discussed about Kobayashi Pharmaceutical.

Mr. Song Jimo, after seeing the news of Kobayashi Pharmaceutical, he said: "I always have a feeling that this incident of Kobayashi Pharmaceutical seems to be related to Mr. Ye."

Warnia, who had just picked up a piece of broccoli, suddenly stopped, silently put the broccoli in a bowl, did not eat or speak.

On the side, her cousin Honor said: "Grandpa, I also feel this way. I heard that Masao Kobayashi of Kobayashi Pharmaceuticals took a special medicine to cure the paralysis first, and then died suddenly. And I also heard that at the Wrestvel traditional medicine Expo, Ichiro asked the genius doctor to have a prescription to treat hemiplegia. I speculate that the medicine that the genius doctor used to cure hemiplegia should be the medicine Marven gave you."

Grandpa Song said immediately: "Honor, Mr. Ye's name is not something you can call directly!"

Honor hurriedly changed his words: "I'm sorry, Grandpa, I didn't react for a while. I think the medicine given to him should be the same as the medicine Mr. Ye gave you."

Seeing that he changed his tongue quickly and sincerely, Old Mr. Song nodded in approval and exclaimed: "I think so too. Tianqi's medical skills are indeed very good, but he hasn't come back to life and turn decadent into a miraculous point. Only Mr. Ye The magical medicine of China has this effect."

With that, Mr. Song couldn't help sighing again, and said: "The medicine given by Mr. Ye last time is indeed very effective. I was already a dying person before. After eating, I just feel that my body is much stronger, but It may be that I was too ill before, and now although my life is not in danger, my body is still somewhat languid, I am still old..."

Honor hurriedly said: "Grandpa, or I will go to Mr. Ye again, ask him for a magical medicine, or buy a magical medicine for you! If you can take another magical medicine, believe in your physical condition. There will be great relief!"

Father Song hurriedly waved his hand and said, "It's impossible. Mr. Ye has given medicine to the Song family. We haven't paid him back this favor. If we venture to ask for medicine, it will appear that we are insatiable and greedy. Know yourself!"

Chapter 535

Honor couldn't understand the respect that grandpa showed to Marven.

Father Song regarded Marven as a god for the same reason as Tianqi. Both of them were already old men in their twilight years. The more they knew the fate of heaven, the more they were afraid of the fate. To put it bluntly, they were afraid of death.

However, Honor is less than thirty this year. If you tell him that someone can make him live for another five years in the future, he may dismiss it at all, but for the Old Master in his twilight years, if someone can make him live for another five years, That is the true god in his eyes.

Warnia can more or less understand grandpa's psychological thoughts. After all, unlike Honor, she also has a magical medicine given by Marven, and that magical medicine has been hidden in the car by her, except for herself and Marven, no one knows.

With that medicine, Warnia felt an unprecedented peace of mind, because she knew that if anything happens to her, as long as the medicine was in her hands, she would have the chance to come back against the wind and survive.

This kind of opportunity, just tell others, no one thinks it's great, because they know that this kind of opportunity can't have anything to do with them.

Honor is the same.

He knows that Marven's magical medicine is precious. If he can get one, he will definitely use it to cheat the Old Master, and then try to make the Old Master take a higher look at himself. Maybe in the future he can inherit more from the Song family assets, he will not keep the medicine in his hands like Warnia.

It is not that Warnia is not filial to her father. More often, she feels that this medicine represents Marven's concern for her.

Marven definitely hoped that she would keep this medicine in her hands. Therefore, deep down in her heart, she didn't want to disappoint Marven's hope for herself, and she didn't want to use the things Marven gave her to win grandpa's appreciation.

At this time, Old Master Song suddenly remembered something and blurted out: "By the way, Honor, Warnia, you two will go to the SanityLab Hospital together if there is nothing to do after dinner."

"SanityLab Hospital?!" Honor asked in amazement: "Grandpa, why are we going there? Is there anything wrong?"

Mr. Song said: "The younger generation of Suhang Wu family came to Wrestvel. I heard that something happened to a junior in the family, so they rushed over."

As he said, the Old Master Song said again: "It is Regnar, the eldest son of the Wu family, who is the same as your father, but your father is not in Wrestvel now. Take a look, after all, our relationship has always been good."

Honor nodded, and suddenly realized: "I remember, the kid on YouTube who was mad and robbed of shIt some time ago seems to be a junior from the Wu family, right?"

"Oh, brother..." Warnia put down her chopsticks and said helplessly: "I'm still eating, why are you talking about those disgusting things..."

Honor smiled and said, "I'm sorry, but I'm quick."

Father Song also watched the video, and his expression suddenly became a little disgusting, so he put down his chopsticks and said, "I heard that the junior from the Wu family has been in the SanityLab Hospital for the past two days. Say hello to Regnar and tell him that your father is not in Wrestvel, so he can't come to visit, so that he doesn't take offense, and by the way, he will also say hello to your father."

"OK grandpa." Honor nodded hastily.

The Suhang Wu Family is the first family in the south of the Yangtze River. It is more powerful than the Song family. The Song family can rank in the top five in Wrestvel, but can't make it into the top three.

These top-notch big families are actually very close to each other. Generally, whoever arrives at their home court, the host will do their best to entertain and show their sincerity.

Chapter 536

Warnia asked at this moment: "Grandpa, do you want us to take any gifts?"

Mr. Song said: "In the past few years, someone gave me a piece of cold jade, which has the effect of calming and soothing. Take it to Ragnar. Tell him it is for the sick junior in their family. The effect should be small, but it is better than nothing. "

Warnia nodded, and said, "Ok, Grandpa, I will."

At this time, Old Master Song stood up and said to Warnia, "Warnia, come with me."

"Ok,Grandpa." Warnia didn't know, so she hurriedly got up and followed her grandpa to his study.

In the study, Mr. Song tremblingly sat on a mahogany chair, and asked Warnia: "Warnia, let me ask you, how have you been with Mr. Ye recently?"

When Warnia heard this, her face instantly blushed, saying: "Grandpa, I...I...that..."

Grandpa Song smiled and said, "You kid, what is there to be embarrassed about? Just say anything!"

Warnia said embarrassingly: "Grandpa, Mr. Ye has been very busy recently. We have almost no chance to meet..."

Grandpa Song's expression was a little disappointed and said, "Warnia, you can't waste it like this! You are still young, but grandpa is about to die. You can wait, but grandpa can't wait for a few years..."

As he said, Mr. Song hurriedly said again: "Warnia, Grandpa said this not to kidnap you morally, nor to force you to have to do with Mr. Ye. The main reason is that Grandpa can also see that in your heart. You really like Mr. Ye, right?"

Warnia nodded lightly, her face flushed and hot.

She really became more and more enamoured of Marven.

She likes a strong man like a man with ability. The stronger the man, the more attractive she feels.

Therefore, she was enamored with Marven, there was really no suspense, it was inevitable.

Mr. Song sighed softly, and said, "The only pity is that Mr. Ye got married too early, but in modern society, everyone sees these things very lightly. For a man, second marriage is nothing, and third marriage is not even called. It's a matter, so you don't need to care about a man who has been married before. You don't need to care about who his first wife is. You just need to know that all you have to do is to keep a good man by your side forever, even if he has already been married. Ten times of marriage, as long as he can stay by your side, it's more important than anything."

Warnia nodded slightly and said piously: "Grandpa, I understand what you are saying. It's just that I can't chase Mr. Ye too tightly for fear that he will dislike me because of this, because I heard that Mr. Ye treats his wife very well."

"Yeah." Mr. Song said in agreement: "In this case, it's not wrong for you to fight steadily, step by step, and secretly go through it."

With that, Mr. Song suddenly remembered something and hurriedly said, "By the way, it will be my 80th birthday in a few days. Please invite Mr. Ye to come over to the birthday banquet when you turn around. It's just this opportunity to meet him. This increases the relationship."

Warnia hurriedly said, "Ok, Grandpa, I will."

"Yeah." Mr. Song nodded and said, "It's okay, it's not too early. You can go to SanityLab Hospital with Honor to see the junior of Wu's family first!"

Chapter 537

Soon, Honor drove Warnia out of the house and went straight to the suburban SanityLab Hospital.

At this moment, in the SanityLab Hospital, the nurse just fed Wu Qi who was crazy.

After feeding him, wiping his mouth, rinsing his mouth, and washing his stomach, Wu Qi can be considered as regaining consciousness, lying on the hospital bed with his hands and feet tied, his face is unlovable.

Several nurses resisted the nausea and walked from the inside of the intensive care unit to the family rest room outside with the filthy thing washed out of his stomach.

Wu Qi's father Regnar and his brother Roger sat on the sofa with no expressions.

After the nurse came out, she respectfully said to them: "Mr. Wu, the patient has regained consciousness."

Regnar asked coldly: "Is the stomach lavage finished?"

The nurse nodded and whispered: "It's finished!"

"Yeah." Regnar asked again: "The stuff you are feeding this time has been disinfected?"

The nurse hurriedly said: "It has been sterilized. We put it in a pressure cooker for high temperature and high pressure sterilization. Although the smell cannot be eliminated, it can be confirmed that there are no bacteria or viruses in it..."

Now, Wu Qi's iron rule of "supplements" every hour has remained the same.

Regnar didn't dare to stop him. After all, he would die after a minute. He was really afraid that something would happen to his son.

Therefore, he discussed with his medical experts and came up with a temporary solution, which is to put the “supplement” for Wu Qi in a pressure cooker for half an hour in advance, so that at least it won’t be “infested” and make him sick.

This is the only buffer they can do at this stage.

Regnar glanced at a few nurses, waved his hand sullenly, and said, “Okay, you can go out. Remember to prepare the next meal in advance.”

The nurse nodded and said, “Eight meals tonight have been prepared in advance, and each one will be autoclaved and sterilized in advance, and then placed at room temperature for the patient. You rest assured.”

Regnar suddenly felt a strong nausea, waved his hand and said, “Okay, go now.”

After the nurses went out, Roger whispered to Regnar: “Dad, it’s not a problem that it’s always like this! He eats sh!t every hour. If this spreads out, what would happen the Wu family’s face? “

Regnar asked, “What should I do? You can’t watch your brother die, right?”

Roger said hurriedly: “I didn’t mean that. I wanted to say, or let’s take Wu Qi back to Suzhou. It’s not a way to stay here. Go back to our own home and use our own doctors and nurses. Be more assured than they are tight-lipped.”

Regnar said: “It’s okay to let your brother go back, we can’t leave yet.”

“Why?” Roger asked in surprise: “What else can we do here?”

Regnar said: “I suspect that your brother had this problem suddenly. It is definitely not accidental. There must be some clue behind that we haven’t found out yet. So I plan to stay in Wrester for a while and make a good investigation. You have to stay with me.”

Roger nodded when he heard this, and said, “Okay, dad, I will stay with you.”

Regnar hummed and said, “In this case, let our doctor go home with your brother first tomorrow morning.”

After speaking, he stood up and said: “Let’s go in and see your brother.”

The father and son got up, pushed open the door of the ward inside, and a disgusting stench came over their faces.

Although the windows are open and the exhaust is open, the smell will really last for a while.

Chapter 538

Wu Qi was lying on the bed, with tears in his eyes and silently looking out the window. He smelled the strong smell when he breathed, and he already felt bored.

“Wu Qi.”

Seeing him so decadent, Regnar gave a distressed cry.

Wu Qi didn't look back, still staring out the window, choked up and said: “Dad, you let me die. I have to do such a disgusting thing every hour, I really want to collapse...”

Regnar hurriedly stepped forward, shook his hand, and said, “Good son, you have to remember one sentence, it is never better to die than to live!”

Wu Qi burst into tears: “But, who can live worse than me? If I have to live like this in my life, then I really want to die now...”

Regnar felt distressed and said seriously: “Wu Qi, don't worry, no matter what method is used, Dad will heal you, Dad promises you!”

Wu Qi turned his head, looked at his father, and asked subconsciously: “Dad, is what you said is true?”

As he spoke, a stench hit Regnar's cheek.

Regnar's eyes reddened by the smell, he also shed two lines of tears. He could only resist the urge to vomit, nodded and said, “It's true, don't worry!”

After speaking, Regnar said again: “I will arrange for someone to take you back tomorrow. Dad will find the culprit in Wrestvel, and then find a cure for you. After you go home, you can take care of your health at home and wait for Dad's Good news!”

Wu Qi felt a glimmer of hope and nodded excitedly.

Roger on the side could not help sighing and said, “Wu Qi, don't worry, if you let Brother find out who did this, Brother will kill him and give you revenge!”

Wu Qi nodded moved and said, “Thank you brother!”

At this time, the nurse knocked on the door and came in and said, “Mr. Wu, there is a Mr. Song and a Miss Song who want to see you.”

“Mr. Song, Miss Song?” Regnar frowned slightly, and then suddenly realized: “It should be from the Song family, please let them in quickly.”

After speaking, he hurriedly added: “Please go to the outside living room, don't bring them into the ward.”

The nurse nodded and turned to leave.

Roger asked in surprise: “Dad, is someone from the Song family here?”

“It should be.” Regnar said: “We have come to Wrestvel this time. We haven’t visited the Song family yet. Maybe the Song family has received the news, so that’s why they came over.”

Roger nodded, and suddenly thought of Warnia, the eldest of the Song family.

The last time he saw Warnia was three or four years ago, when she was already very beautiful.

At that time, he already had the idea of pursuing Warnia. After all, Warnia was not only beautiful, well-educated, and capable, but more importantly, the strength of the Song family was not weak, and it could be said that it was right in line with the Wu family.

However, he hadn’t finished his studies at the time, so he didn’t have time to pursue Warnia.

Later, when he returned to China, he was busy handling the business from his family, not to mention coming to Wrestvel to pursue Warnia, so this matter was crushed by him.

Now, he heard that someone from the Song family had come, and his affection for Warnia suddenly rekindled!

He couldn’t help but look forward to it in his heart. One of the two people who he hoped to meet now was Warnia!

Chapter 539

When the nurse brought Honor and Warnia into the outer hall of the ward, Regnar and Roger just came out.

Roger saw the slim, beautiful and unparalleled Warnia at a glance, and he was shocked for several seconds without regaining his senses.

Regnar was a little surprised when he saw Warnia.

He is Warnia’s elder, so he didn’t have much contact with Warnia. They have not seen each other for several years. He didn’t expect this girl to look more beautiful and attractive, not much less than those big stars!

Honor at this moment respectfully said: “Hello, Uncle Wu, I am Honor of the Song family, and this is my cousin Warnia. Grandpa heard that you are in Wrestvel, so he let us come and visit you.”

After that, Honor said again: “My father is not in Wrestvel for the time being, so he can’t come to visit in person. Please forgive us.”

Regnar hurriedly said: “Oh, Uncle Song is so polite! I was supposed to visit him, but something happened at home, so I never walked away. That is a bit rude of me!”

Although the Wu family and the Song family are very different in strength, they belong to the first-line family in the south of the Yangtze River. Therefore, no matter who comes to whose territory, these two families should actually visit.

If under normal circumstances, Regnar came to Wrestvel, then the first thing to do is to visit the Song's house, and the two families move around to improve the relationship.

Therefore, he felt a little bit embarrassed.

The key is that his family's situation is indeed special. It is a shame to talk about this problem with youngest son Wu Qi.

So he said frankly: "Oh, this time I came to Wrestvel, it was mainly because the boy had some physical and mental problems. So as soon as I came over, I stayed in the hospital and didn't go anywhere. Otherwise, I must visit Uncle Song for a while, and hope that Uncle Song will forgive me and don't blame me."

Warnia hurriedly said: "Uncle Wu, you don't need to be so polite. Grandpa knows that you have business to do, so there is no point to blame."

With that, Warnia took out a piece carved from cold jade and handed it to Regnar, and said solemnly: "Uncle Wu, this piece of cold jade is good for your son. It is said to have the effect of calming the mind. He asked me to give it to you. He hopes it will have an effect on the second son's condition."

Regnar hurriedly thanked: "Thank you Uncle Song so much!"

As he said, he was not polite, and reached out and took this cold jade.

Roger on the side kept watching Warnia silently, and then forcedly pretended to be calm and said: "Warnia, have we not seen each other for a long time?"

Warnia smiled slightly, nodded and said: "It seems that it has been three or four years, I don't remember it clearly."

Roger smiled and said: "Time flies so fast! Your changes are big enough. It seems that we will have to contact a lot in the future, otherwise we will not recognize each other if we accidentally encounter outside in two years!"

Warnia also said politely: "Yes, we haven't seen each other for so many years, everyone has changed a lot."

Regnar was keenly aware of Roger's abnormality. He could see that Roger seemed to be interested in Warnia.

At this moment, he suddenly felt in his mind that if he could really marry Warnia to the Wu family and let her be his daughter-in-law, it would be perfect!

There are also many large families in Wrestvel, and many of them are of marriageable age, but the key problem is that most girls in large families are not very attractive.

Although some are good-looking, they have been spoiled since childhood, so they have a very poor temperament. There are really few who can be as smart as Warnia.

If the two families can marry, they will definitely join forces and have a strong stimulating effect on each other.

Chapter 540

If the two families can work together after the marriage, then the two families will even have a chance to lead the entire Wrestrvel.

Thinking of this, he deliberately smiled and asked Warnia: "Warnia is so beautiful and so good. I wonder if you are married?"

Warnia said hurriedly: "Uncle Wu, you are joking. If I get married, grandpa will definitely notify you to come for a wedding drink."

Regnar smiled and nodded, saying that this girl is clever and can speak.

So he asked again: "Then Warnia has a boyfriend now? If so, which young master are we looking for?"

When Roger heard his father ask this question, he hurriedly raised his ears with concern, looking forward to Warnia's answer.

At this moment Warnia immediately thought of Marven in her heart.

What if Marven were not married? she should have already confessed to him.

Moreover, she is considered to be the better of the girls. She believes he would not refuse her. In that case, when someone asks her a question like this, she could proudly and shyly say that her boyfriend is Marven... ..

Thinking of this, Warnia couldn't help sighing in her heart, and said: "Uncle Wu, I haven't found a boyfriend yet."

Both Regnar and Roger breathed a sigh of relief.

Didn't find a boyfriend, that would be great!

A girl like Warnia really couldn't be found with a lantern. Since she is still single, his son has a great chance to chase her!

So he immediately said to Warnia: "By the way, Warnia, I hope you will tell Uncle Song when you go back. I have arranged a plane to take my second son home for treatment tomorrow. Roger and I will stay in Wrestrvel to find out. Specific clues, so tomorrow we will definitely come to visit."

Warnia didn't think much, nodded and said, "OK Uncle Wu, I'll tell Grandpa when I go back."

What Regnar thought was that since he was going to stay in Wrestrvel for a while, he might as well take Roger and go to Song's house for a few days.

As the host of the Song family, arranging for a few days to stay with his son is normal. In this way, it can also create a chance for his son to have more contact with Warnia.

Regnar even thought, this time he will find a suitable opportunity to talk about marriage with Mr. Song, presumably Mr. Song will not refuse.

After all, there is no family bigger in Wrestvel than the Wu family, and Roger is the eldest son of the Wu family and the first heir of the younger generation. It is not an exaggeration to say that he is the fifth king of the first diamond in Wrestvel.

As long as Mr. Song agrees, he will definitely help persuade Warnia. In this way, the marriage may be settled soon, and the two families will choose an early auspicious day together and the marriage can be done!

Regnar is not young anymore. He has been hoping to hold his grandson and see the continuation of Wu's incense with his own eyes, but he has never met a woman worthy of his son.

Just now, he caught Warnia at a glance, and felt that there was no better daughter-in-law than Warnia in this world!

However, he never dreamed that Warnia had already belonged to someone in some way.

Moreover, the man who made Warnia so enamored was the culprit who turned his second son into a sh!t-swallowing beast!
