

## The Amazing Son In-Law Chapter 541-550

### Chapter 541

Honor, who hadn't spoken for a long time, looked at him coldly and saw that the Wu family father and son were moved by his sister Warnia.

At this moment, there was a faint excitement in his heart.

If Warnia could marry the Wu family, that would be great for him!

At that time, Warnia will marry the Wu family as a young woman, naturally it is possible to compete with her for the Song family's property, and he will become the well-deserved heir of the Song family.

He was afraid that Warnia would get along with that Marven.

He didn't know Marven's true identity. He only knew that Marven seemed to have some supernatural powers, and he really made his grandfather respect him.

If Warnia is really with Marven, then there is no doubt that Marven must join the Song family. At that time, he will be in trouble!

Warnia herself is his biggest rival for the family property. If she doesn't marry far away, she will always be his rival!

Moreover, grandpa respects Marven very much, and dreams that he can enter the Song family. If Warnia really makes grandpa do what she wants, then grandpa will definitely pay more attention to her and Marven.

At that time, Warnia and Marven will be in the Song family together, so how can they still be in their early days?

Therefore, the last thing he wanted to see was that Warnia was really with Marven!

Now that the Wu family has the intention of marrying, all they have to do is to find a way to persuade grandpa and Warnia to accept the Wu family and send Warnia out early!

Warnia didn't realize the intentions of the Wu family man. She and Honor had a polite conversation with the father and son. Seeing that it was not early, they left because of inconvenience.

Regnar and Roger kept sending them downstairs. Watching them get in the car and seeing the car go far away, Regnar sighed and said, "Warnia, this girl is a perfect girl!"

Roger on the side also nodded and said, "I didn't expect her to become more beautiful after a few years."

Regnar said seriously: "beauty is only the second thing, family background, education, and temperament are the most important."

As he said, he said again: "However, Warnia has no choice in these aspects. If you can marry her, it is really the best choice for you."

Roger smiled and said, "Dad, you can help me a lot with this matter. Warnia's parents have passed away, so you have to start with her grandfather."

Regnar smiled and said, "You can rest assured, Dad knows that, I believe that Mr. Song also hopes that Warnia can marry a good family, and our Wu family is the best choice."

After that, Regnar said again: "I think, if I tell Mr. Song about this matter, Mr. Song will definitely agree to immediately, and then start working for Warnia. If it goes well, within a month, we should be able to make the marriage agreement!"

"Okay!" Roger said excitedly, "I better have the wedding this year!"

At this moment, Roger had only Warnia in his mind. As for his poor brother, he had completely forgotten him.

When he returned to the ward, Wu Qi began to lose heart again.

The nurses are already busy, bringing in the "Special meal" that has been sterilized with high temperature, feeding Wu Qi to enjoy it first, and then using gastric lavage to wash out as much of the food as possible. .

Regnar went in and took a look, then walked out with a black face.

Roger didn't even enter, and sat on the sofa outside alone, looking at Warnia's WeChat Moments.

Before coming to Wrester, he had not paid much attention to Warnia, who had not seen him in a few years.

## **Chapter 542**

However, seeing her just now has completely ignited his deep desire for Warnia.

Therefore, he wanted to browse all the photos of Warnia's circle of friends at the first time.

He carefully observed every picture in Warnia's circle of friends, and while looking at it, he sighed in his heart that she was a perfect girl, and he couldn't find the slightest fault.

So, he secretly vowed in his heart that he must get Warnia anyway!

.....

On the way back with Warnia and her elder brother Honor, Honor tentatively said to Warnia: "Warnia, I think Roger seems to be interesting in you!"

Warnia said flatly: "Oh."

“Oh?” Honor asked curiously: “Why are you so cold?”

“Otherwise?” Warnia said, “Is he interested in me? It has nothing to do with me. Do I have to be very excited?”

Honor asked: “Roger looks like a hero, so don’t you have any interest in him at all?”

Warnia shook her head and said, “I have no feeling for him at all, and he is not even a friend in my eyes, at best he is a half acquaintance.”

Honor hurriedly persuaded: “Are you stupid? How strong is the Wu family! The first family in the south of the Yangtze River, if you can come together with Roger, it will be the icing on the cake for the Song family!”

“I have no feeling for him.” Warnia said seriously: “I won’t be with a person who I don’t feel towards, even if he is the richest man in the world.”

Honor said in surprise: “You would really like that Marven?!”

Warnia glanced at Honor, a little embarrassed to answer.

Honor sighed and said, “My good sister, are you stupid? Grandpa is so confused. If he asks you to chase Marven, then you will really chase him? He is a husband. What about you? You are the most noble one among the girls in Wrestvel. How can you be with such a man?”

Warnia somewhat evasively said: “Brother, don’t worry about my business, I will take care of it myself.”

“Hey!” Honor sighed pretentiously, and said: “I am the brother who watched you grow up. Brother sincerely hopes that you can marry a good man who is the right person, and is like you, who has never been married. If you really marry Marven, a second-married man in the future, it will be a pity for you!”

Having said that, Honor further said: “What’s more, this Marven is still a live-in son-in-law, how can he be worthy of you?”

Warnia turned her face to look at Honor, and said seriously: “Brother, Mr. Ye is not as unbearable as you said, you just haven’t seen the shining light on Mr. Ye.”

Honor said disdainfully: “What can he do to shine? Doesn’t he just get a medicine? I don’t think it is great.”

Warnia shook her head and said lightly, “Everyone has many faces. In the eyes of many people, Mr. Ye is a Rubbish and a son-in-law, but in my eyes, he is a real master. He is different!”

Honor curled his lips: “Don’t you also think that he is a real dragon on earth? I really want to be laughed at by these four words! Real dragon on earth...I pooh!”

Warnia glanced at Honor, feeling that Honor’s appearance at this time was like a mentally retarded.

However, Honor felt that it was time for Warnia and Grandpa to keep their eyes open to see Marven's true colors.

Isn't Marven known as the real dragon on earth? Then I figured out how to make Roger become super dragon, strip his skin, and shake his muscles!

### **Chapter 543**

At the same time, Tianqi was staring at the Rejuvenation Pill given to him by Marven in his Clinic.

He recalled what Marven said to him, and Marven told him that this medicine can make him ten years younger and extend his life by ten years.

Although he knew that Marven had great magical powers, he still felt that such a medicinal effect was like a fantasy.

As the saying goes, there is a day when a flower blooms, and a person will never be a teenager.

Human beings can control everything in the world, but they can't control aging alone.

How many in this world, how can there be any elixir to rejuvenate people?

However, when he thought that the medicine was given by Mr. Ye, Tianqi was full of confidence in the medicine again.

He felt that Mr. Ye would never deceive him. Since he said so, then this medicine must have such a magical effect.

So, he made up his mind to take the medicine according to Marven's instructions.

Tianqi carefully put the Rejuvenating Pill in his mouth. He thought this pill would be more difficult to eat, but he didn't expect that as soon as the pill was taken, it instantly turned into a sweetness and directly flowed into the abdomen.

Immediately afterwards, it was a magical moment that Tianqi would never forget.

He felt that his body was tightly wrapped up and down by a warm current, which was like a strange energy, working in every part of his body.

At first, he felt a little tightness on his face, then his scalp was itchy and numb, and then he felt all the joints become hot.

A few minutes later, Tianqi felt a feeling of rebirth.

It seems that the whole body has really returned to the way it was ten years ago!

He came to the mirror subconsciously, and when he glanced at it, he was shocked by himself in the mirror!

No wonder he felt tight on his face just now. It turned out that the wrinkled skin before was tightened a lot, so he looked a little younger at once!

What's even more amazing is that he was already full of silver hair, but he didn't expect that this full head of silver hair turned out to be more than half black!

The body that was already a little rickety can now stand up straight, and the joints that have been severely degraded have also been greatly improved.

Tianqi hurriedly got on his pulse, signaled his pulse, and then found that his whole person's breath and pulse had been greatly improved compared to before!

In other words, not only does he look younger, not only his bones are younger, but his internal organs, inside and out, are all young!

It's tantamount to suddenly returning from more than seventies to the state of sixties!

Tianqi was crazy!

If a person's life is a clockwork alarm clock, then the energy stored in the clockwork will continue to fade with the passage of time, until the moment when all the energy stored is exhausted, the alarm clock will also Stop completely.

And now, Tianqi's life alarm clock is equivalent to being used by Marven with his God's hand to force back twice!

This also means that Tianqi's life alarm clock can go two more laps!

Isn't this a miracle? !

#### **Chapter 544**

If such an elixir is sold, let alone one billion, it means more than one billion. Those old and rich will all rush to buy...

When people are old, what is the use of making more money? If money can return to youth, those billionaires worth billions or tens of billions will definitely spend half or even most of their worth without hesitation to give themselves 10 or 20 years of life!

This is exactly how difficult it is for someone to buy an inch of time!

Tianqi was in tears of excitement at this moment!

Even crying!

He immediately took out his cell phone and sent a WeChat message to Marven, saying, "Mr. Ye, your immortal medicine, Shi has already taken, thank you very much for your reward, Shi is willing to treat your with all his heart and mind, and will not give up!"

Marven replied lightly: "It will be effective, but you must remember not to tell anyone other than Zhovia."

Refining such a rejuvenating pill requires three hundred years of premium purple ginseng, which is really precious.

He called for his granddaughter Zhovia who was grinding medicine next door. When Zhovia saw Tianqi, she was shocked and said: "Grandpa...what's wrong with you? Do you feel that you are suddenly younger! With me ten When I was a few years old, I had exactly the same impression of you!"

Tianqi sighed with excitement, "It's all thanks to the elixir given by Mr. Ye! Mr. Ye said that I could be ten years younger and live ten years longer. I didn't expect it to have such a magical effect!"

Zhovia was also stunned, and blurted out: "Grandpa, how can this fairy medicine have such a magical effect? This is incredible!"

Tianqi tremblingly said: "I said earlier that Mr. Ye is a real dragon on earth, which is beyond our comprehension. I have lived such an old age. I never expected that the greatest opportunity in life was to meet Mr. Ye. ...."

With that said, Tianqi hurriedly took out the small wooden box containing the pill from his close-fitting pocket.

In the wooden box, there is also a half pill.

This is the last time Marven refined the pill that can treat body and nerve damage and strengthen the body.

Half of it was used when he helped Marven save Dave, his Old Master.

The whole one was specially rewarded by Marven after knowing that he refused to treat Fredmen.

Tianqi kept thinking that when he was old, he would take this one and a half pill with him at all times for emergencies.

However, today suddenly had such an opportunity, he prepared to give one of these pills to his granddaughter Zhovia.

So, Tianqi took out the pill and said: "Zhovia, this is the medicine that Mr. Ye previously rewarded at that moment. I originally wanted to keep it for myself..."

Speaking of this, Tianqi looked at Zhovia and said sincerely: "Zhovia, don't blame Grandpa for being selfish. After all, Grandpa is getting old, and the older people are afraid of death and don't want to leave you too early..."

Zhovia hurriedly said: "Grandpa, don't say such things, I never think you are selfish!"

Tianqi smiled slightly and said, "Actually, I understand in his heart that I am selfish."

With that said, Tianqi handed the pill to Zhovia, and said seriously: "Zhovia, Grandpa has received too much favor from Mr. Ye. I have a handful of old bones. It is a blessing that I have been able to have such an opportunity for several lifetimes. Therefore, Grandpa can't enjoy these blessings of Mr. Ye alone. Grandpa will give you this medicine. You can keep it next to your body in case you need it."

Zhovia hurriedly waved her hand and said, "Grandpa, you should keep this medicine, Zhovia don't!"

Tianqi said seriously: "Zhovia, listen to Grandpa's words and accept this medicine. Grandpa alone will not be blessed to endure such a great destiny. You should be helping Grandpa share the destiny."

After speaking, he sighed again: "Zhovia, from today, you must serve Mr. Ye well. Even if your grandpa dies in the future, you must continue to serve. This is not only to repay Mr. Ye's kindness, but also for yourself. Seek a greater good fortune!"

### **Chapter 545**

Seeing that grandpa said sincerely, Zhovia hesitated and finally took the medicine.

Once upon a time, she had dreamed in her heart whether she could have such a miraculous medicine, but when she thought that her grandfather was older and needed more than herself, she didn't think about it anymore.

However, she never expected that Grandpa would actually give the medicine that Mr. Ye gave him to her!

Therefore, she was extremely excited after receiving this pill, and at the same time, the words her grandfather had ordered continued to echo in her mind.

Serve Mr. Ye for a lifetime?

She really want to, but she doesn't know, Mr. Ye will dislike her?

Tianqi saw her careful thoughts, smiled slightly, and said: "Zhovia, Mr. Ye is a person who values love and justice. As long as you treat him wholeheartedly and sincerely, he will treat you sincerely. Grandpa will never live forever. It's nothing more than a hundred years old. You are still young. If you can always stand by Mr. Ye and serve him, Mr. Ye will definitely not treat you badly in the future."

Zhovia nodded repeatedly and said, "Don't worry, grandpa, Zhovia knows!"

Tianqi sighed sincerely: "At the time Honor invited me to treat Mr. Song, my old wounds were not healed. I wanted you to oo there alone, but because I had friendship with Mr. Song back then, in case you treat him. It's not good for him, he may not be able to live for long, so he came here. I didn't expect that in this trip to Wrestvel would meet the biggest noble person..."

.....

Tianqi stayed up all night with excitement.

Like him, there is also the Song family's father Song.

It's just that Mr. Song is not as lucky as Tianqi. After being rescued by Marven and taking the magical medicine given by Marven before, his body is indeed much better than when he was seriously ill, and his legs and feet are also much more flexible, but because of the poor foundation, in fact, his physical fitness has not been greatly improved.

It happened that Wristvel had cooled down in the past two days, and Father Song felt that he was slightly cold and coughing all the time, so this night was almost as if he hadn't slept.

Early the next morning, Mr. Song got up from the bed dizzy.

Coughing and staying up all night, whether it is physical or mental state, it is not very good at this time.

When the Old Master left the room, Warnia and Honor had both gone out early. The two of them are now busy with part of the family business, and they leave early and return late every day.

So Father Song called the housekeeper Boyu, and asked him to drive him to Tianqi's Clinic. He planned to let Tianqi get two sets of medicine for him. If he could prescribe some prescriptions for warming the body, then it couldn't be better.

As soon as the Clinic opened the door in the morning, a Rolls Royce slowly stopped at the door. The top-notch luxury car immediately attracted the attention of many passing pedestrians.

Then, the elderly Song, supported by Boyu, walked out of the Rolls Royce.

Beside the two of them, there were four bodyguards closely following, all of whom were masters that the Song family could find.

Father Song took two steps, stopped and coughed twice, then took a step and walked again.

Uncle Boyu carefully supported him while helping the Old Master follow his back and said respectfully: "Mr. Ye since you are unwell, we should let you rest at home. I will ask the genius doctor Tianqi to see you."

"I can't make it." Old Song Song waved his hand and said, "Tianqi is arrogant, and he is also a well-known doctor in the country. How many big people want to ask him to please him, I have a minor illness, how can I let him come? ."

Boyu said, "Mr. Song you are about to celebrate your birthday. You are the birthday star. How can you do everything yourself."

#### **Chapter 546**

"It's okay." Mr. Song said lightly: "It just so happens, by the way, hand over an invitation to the genius doctor Tianqi, inviting him to come to the birthday party.

After that, he pointed to the gate of Clinic and said, "Take me in."

At this moment, Zhovia happened to be busy in the outer hall of the Clinic. She suddenly saw Mr. Song coming. She hurried forward and asked respectfully: "Master Song, why are you here? Is there any discomfort?"

Grandpa Song coughed, and said with a smile: "When people are old, this body is not as good as one day. The weather is getting colder recently. I have a little bit of cold. I came to your grandfather to ask him to catch some medicine for me."

Zhovia hurriedly said, "Hurry up take him inside. I will go to the inner hall and call Grandpa."

After speaking, Zhovia welcomed Mr. Song in, and after Mr. Song sat down, she went to the inner hall and called Tianqi.

Hearing that Mr. Song was coming, Tianqi hurriedly put down what he was holding and walked out quickly.

Tianqi always regarded Mr. Song as a great benefactor, and he was a little grateful to Old Song. After all, he knew Marven because he was critically ill. He accepted Honor's invitation and came to see him.

If it weren't for this incident, he wouldn't have had the opportunity to know Marven.

Therefore, deep down in his heart, he always remembered the love of Mr. Song.

At this moment, Tianqi had just walked out, and the moment Grandpa Song saw Tianqi face to face, he was shocked and speechless!

He never expected that Tianqi suddenly became so young!

Last time he met, Tianqi was clearly a standard Old Master in traditional medicine, with Wang beard and hair. But now, most of his Wang hair is black and shiny, and the age lines on his face are much lighter, and his shriveled figure is also full. He looks aware, his complexion was ruddy, and he was full of energy.

And now, Tianqi was originally in his seventies. Because of his good health regimen, he looks like he is seventy years old, but now it seems that Tianqi is also in his sixties!

In the eyes of Mr. Song, this is almost the same as rejuvenation!

He couldn't understand how Tianqi did it, so much younger at once?

"Look at him, and then look at me. I am 80 this year, only a few years old from Tianqi's age. However, because I was seriously ill, I have since recovered and stopped vomiting, and I look more old."

Compared with Tianqi, who is ten years younger now, the two are almost a generation apart!

The shocked Old Master Song couldn't sit still anymore. He stood up tremblingly, and asked in shock, "Brother Shi, how come I haven't seen you in a few days? Why are you so much different? Looking at

you today, I feel you are younger than me. You're not over 20 years old! Have you found any extraordinary way to keep in good health?!"

Tianqi hurriedly arched his hands and said: "Brother Song, the reason why Shi has made this change is really because of a recent chance."

Hearing this, the Old Master Song was very envious. He now dreams of encountering the same chance as Tianqi.

Even if he let him spend his wealth, he is willing!

Therefore, he asked Boyu to retreat temporarily, only when he and Tianqi were left, he cautiously asked: "Brother Shi, I wonder if you can reveal, where did your chance come from?"

Tianqi said apologetically: "Brother Song, please forgive me, I promised, this matter can't be told!"

When the Old Master Song heard the words, his eyes flickered, and he blurted out: "The chance that the Old Master said, it is nothing but Mr. Ye?!"

#### **Chapter 547**

Mr. Song is not stupid, what good fortune can make a person more than ten years younger?

Only one person in Wrestrvel can do such a magical thing.

That person is Marven, Mr. Marven Ye!

Although Tianqi hasn't responded yet, Mr. Song is sure that Tianqi must have received the good fortune from Mr. Ye to become so young all of a sudden!

At this time, Tianqi was complicated.

Without the approval of Mr. Ye, he would definitely not dare to talk about the Rejuvenating Pill.

After all, Mr. Ye clearly reminded him yesterday not to tell others.

However, now that Mr. Song has guessed it by himself, it seems a bit difficult to do.

Seeing Mr. Song's face, he said awkwardly: "Brother Song, you guessed this by yourself. Don't tell Mr. Ye that it was me... Mr. Ye won't let me I tell anyone."

When Mr. Song heard this, he confirmed his guess in his heart.

The gift to Tianqi was indeed no one else, but the good grandson-in-law, Marven, and Mr. Ye that he wanted to do!

Mr. Song was extremely envious about this matter.

Even, when the envy reached a certain level, he was already faintly jealous.

He didn't want to be like Tianqi, a person in his seventies, it seems that he is only sixty years old?

Why didn't he want his life to last ten years or more?

Once people reach middle-aged and old age, they will become more and more afraid of death at old age. This is human nature, and no one can avoid them.

The same is true for Mr. Song.

He has recovered from a serious illness, and there are still many minor problems in his body.

Although Marven's last medicine pill can make him live for a few more years, but it only keeps him alive.

It is impossible for him to have a ten-year-old body like Tianqi.

Therefore, Mr. Song couldn't help sighing at this moment, and said, "I never thought that Mr. Ye could have such an ability!"

Tianqi also looked solemnly and said, "Mr. Ye has been transcended into the saint in the medical skills. In my life, I am afraid I only have worship..."

Father Song couldn't help sighing: "It would be great if Mr. Ye could give me such a fortune. I would like to give tens of billions of cash!"

Although that was the case, Song Grandpa knew very well in his heart that he couldn't directly ask Marven to make such a request, otherwise, on the one hand, he might betray Tianqi, and on the other hand, he might betray Mr. Ye.

Therefore, such good fortune can only wait for a coincidence or when the time is ripe, no matter what it is, it must not be forced.

And the best time is to make Marven his grandson-in-law!

If Warnia can marry Mr. Ye, how can he worry about such good luck?

It's a pity that Warnia and Marven haven't made any definite progress yet, which makes Old Song a little worried.

It seems that they still have to find a way to bring these two young people together

Because he knew in his heart that once the Song family and Marven had a deeper relationship, not only would it benefit, Warnia and the entire Song family would benefit for life!

## **Chapter 548**

Just when Mr. Song made up his mind, Tianqi asked him: "Brother Song, what is the main cause of your discomfort today?"

Grandpa Song looked at Tianqi, put away his thoughts, and said, "Hey, brother Shi, look at me now, my body is worsening every day. I have recently fallen into the autumn and caught the cold when I didn't pay attention. I have to find you to treat me with some medicine."

Tianqi hurriedly said, "Then I will get your pulse first to see where the problem is."

Grandpa Song gave a hum and stretched out his hand.

Tianqi put his finger on the wrist of Mr. Song, checked his pulse, and looked at Mr. Song's other conditions, and he was relieved that he was only infected with the cold.

"It's really just the cold. I'll prescribe some medicines for you. You can take them. It will be better in three or two days."

"Thank you Brother Shi." Old Song nodded slightly, suddenly remembering something, and blurted out: "By the way, there is still something."

Father Song paused, and then said, "My 80th birthday will be in two days. We brothers have known each other for many years, so you must come."

While talking, Mr. Song handed a bronzing invitation to Tianqi.

Tianqi took it in his hand, and promised to Mr. Song, "Don't worry, Mr. Song, I will be there on time."

After speaking, Tianqi hurriedly asked Mr. Song to take the medicine, and then personally sent him out of the door and put him in the car.

.....

When Father Song returned to Song's house by car, Ragnar and Roger had just sent Wu Qi to the airport.

In order to prevent him from wanting to "supplement" on the plane, the nurse kept guarding him and waited for him to have the urge for "supplement" before sending him on the plane.

Wu Qi woke up from the chaos again, smelling his mouth full of stench, he looked at his father in pain, choked up and said: "Dad, there must be someone behind who harmed me. You must find the beast and avenge me. Ah! "

Ragnar nodded and solemnly said, "Don't worry, Wu Qi, Dad will find out whoever harmed you. He dares to treat you like this, and I must make him better than dead!"

After speaking, Ragnar said again: "After you go home, don't show up, don't go out, and stay at home. I will find a world-renowned doctor to treat you, and I will cure your illness!"

Wu Qi choked and nodded again and again, and then reluctantly boarded the plane.

Wu's private plane took off from Wrester Airport. Ragnar and Roger have been watching the plane take off and disappear into the sky.

After that, Regnar looked back and said to Roger who was beside him: "Let's go to Song's house, and propose your marriage!"

Roger said excitedly: "Great dad! This matter should be settled sooner rather than later, we must finalize it as soon as possible!"

After that, Roger asked a little nervously: "Dad, you said the Song family shouldn't refuse this marriage, right?"

Regnar said confidently: "You are the eldest son of the Wu family. How many girls from big families line up for you to choose them. Although Warnia looks good, the strength of the Song family is much worse than ours. Father Song must be anxious to marry Warnia to you!"

"Really?" Roger said in surprise: "According to what you said, Elder Song will definitely agree?"

Regnar smiled indifferently, and said confidently: "Son, in Wrestvel, which woman do you want to marry, it's not possible to marry yet! You can see Warnia. It is the luck of the Song family. In the final analysis, this matter is theirs. Keep your spirits high!"

As he said, he said with an arrogant look: "Believe it or not, when it comes to the Song family, when I mention this, Mr. Song will immediately agree?"

Roger immediately smiled and blurted out: "Dad, let's go over now!"

Regnar smiled slightly and said, "You are also the eldest son and grandson of the Wu family anyway. How come you are so uncomfortable when you meet Warnia, you have no prospects at all!"

After speaking, Regnar exhorted: "When we arrive at the Song family, you must put on a high attitude to let the Song family understand that marrying Warnia to you is a high level, understand?"

"understand!"

## **Chapter 549**

At noon, Song's house.

Regnar and Roger carefully selected some gifts before the father and son rushed to the Song family.

Mr. Song already knew that they had come to Wrestvel, and knew that their younger generation had encountered something, so he didn't expect that they would come to visit home so soon.

However, since the eldest son and eldest grandson of the Wu family are here, Father Song is naturally very polite and comes out to entertain the two in person.

Regnar and Roger sat in the guest seats, Song Old Master sat opposite, Boyu poured tea and water for everyone, and was very busy.

Regnar presented a lot of gifts, and then he put his hands together and smiled and said: "I haven't seen Uncle Song for a long time. I didn't expect Uncle Song to be so strong. It's really enviable!"

Father Song smiled slightly and said, "My body can't be said to be strong, at best, I have a little self-care ability, and I won't die for a while."

Regnar hurriedly said, "Uncle Song, you are really humble."

After speaking, he said: "Uncle Song, I heard that you were ill, but this time you look radiant, it seems that you are in good health?"

Old Master Song smiled bitterly and said: "At first I thought I was great, but today I suddenly realized that I am far from great."

Regnar was a little surprised when he heard it, and asked, "Uncle Song, how is that not great?"

Grandpa Song smiled slightly and sighed: "It's really good to return to the state of the body more than ten years overnight!"

When he said this, Mr. Song thought of Tianqi, who subverted his cognition today and shocked him extremely.

When he returned from the Clinic, he had never forgotten about it, even brooding about it.

Whenever he can meet such an opportunity, he will not let it go waste.

However, Regnar didn't know that he had gone through this, and thought he was joking when he said this, so he smiled and echoed: "As the saying goes, there is a day when flowers bloom again, and people will never be young again. Uncle Song, you want to be young. I have the same wish, but unfortunately, this is just a wish after all and it cannot be realized."

Mr. Song smiled indifferently and didn't say much.

Regnar felt that it was impossible to achieve it because he had never seen a real dragon like Mr. Ye in the world.

Therefore, there is no need to talk to him on this issue.

So Father Song asked him: "By the way, Regnar, with your second son, what's the situation now?"

Regnar sighed, and said: "It's still the same, all methods have been used, but there is still no progress. I have sent him back to Suzhou."

Speaking of this, Regnar said again: "The reason why Roger and I have not left is to find out why my second son became like this. I suspect that he was wronged, and it is very likely that he was sent to this condition deliberately. The strong psychological suggestion might even be related to the witchcraft of lowering the head in Southeast Asia. I wonder if Uncle Song knows, does Wrestvel have any good hands in this method?"

Grandpa Song shook his head and said, "I have only heard of the witchcraft-like thing you said, but I have never seen it before, and I can't even determine whether it is true or not."

Regnar said earnestly: "These things are actually true, but they are all sidelines. Most people who use this method are small people, or desire to become rich or gather a crowd. People, like our big families, generally disdain to engage in such things."

### **Chapter 550**

Mr. Song nodded and said: "Big families believe in Feng Shui fate and gossip of the Book of Changes. This is the essence passed down by our Chinese ancestors. As for the dregs in Southeast Asia, I really don't look at it admiringly. "

Regnar said: "From this point of view, there is really no clue. In this case, it may not be easy to find the man behind the scenes."

After that, Regnar clasped his fists and said, "Uncle Song, Roger and I are going to stay in Wrestrvel for a few more days. We will check for relevant clues. I don't know if Uncle Song is inconvenient to arrange for us to stay in your house for a few days?"

The Old Master Song smiled and said: "The Song and Wu family are also considered family friends. How can this little thing be polite? Since you are here, I will naturally do my best to be a landlord. Later I will let the servants to arrange things for you in the guest room, you just live in it."

The Song family's villa is just a mansion. There are more than a dozen rooms on the first floor, and there are as many as eight guest rooms in the house. It's so easy to arrange for the Wu family and his son to live temporarily.

When Regnar heard this, his eyebrows were instantly overjoyed, and he quickly thanked him: "Thank you Uncle Song!"

After speaking, Regnar brought Roger, who had been silent for a long time, to his side and said with a smile: "Uncle Song, I haven't officially introduced you to this man. This is my son, Roger, and the next generation heir to the Wu family in the future. ."

Roger hurriedly bowed respectfully and said, "Junior Roger, Nice to meet you Grandpa Song!"

Father Song smiled and nodded, and said, "The eldest son and grandson of the Wu family are indeed a talent!"

Regnar laughed and said, "Uncle Song, you are too polite. In fact, your grandchildren are all dragons and phoenixes!"

After that, he sighed: "Especially Warnia, I hadn't seen her for many years. When she visited the hospital yesterday, I hardly dared to recognize her! Now she has become more beautiful and mature."

Mr. Song said with a smile: "Warnia just looks mature and capable, but in fact she is still a little girl in her heart."

Regnar nodded, and deliberately asked, "Uncle Song, Warnia should be at the age of marriage. I wonder if you have found a good husband for her?"

Father Song suddenly thought of Marven, but unfortunately, Marven is still the son-in-law of the Xiao family, the husband of Avella, and his granddaughter have not made substantial progress, so he can only say: "She is not too old, so she is not in a hurry."

Regnar hurriedly said: "Uncle Song, in fact, this matter should be anxious. Time flies quickly. If you don't worry about it this year or next year. You will find that it is too late the next year. Looking for, falling in love, running in, talking about marriage, getting married, conceiving in October, by the time you have a child, you may be almost 30 years old."

Grandpa Song nodded in agreement, and said, "What you said makes sense. I take it down. I'll talk to her and persuade her to plan early."

In fact, what Elder Song thought was that he would use this set of excuses to persuade Warnia to take the initiative to attack Marven as soon as possible, and don't continue to consume more time.

However, Regnar thought that he had already laid the groundwork and he could go straight to the topic.

So he confidently said: "Uncle Song, I think Warnia and Roger are about the same age, they are both at the stage of marriage, and I think they can be regarded as good friends, Uncle Song, I wonder if you are interested in Our Wu family and want to strengthen the relations?"

After all, Regnar smiled and looked at Mr. Song, determined to win.

He felt that after listening to this, Mr. Song would definitely agree to him without hesitation.

Roger on the side also observed at Mr. Song nervously, expecting Mr. Song to agree.

However, no one thought that when Mr. Song heard this, he blurted out, "No!"

After finishing speaking, add another phrase: "Absolutely not!"
