

## The Amazing Son In-Law Chapter 561-570

### Chapter 561

At this moment, Marven couldn't help but whispered to the Old Master: "Dad, who is this Auntie Han Meiqing that everyone is talking about?"

Dave gave him a blank look, and whispered, "Don't open the pot!"

Marven shrugged and said nothing more.

But when Panming saw more and more people coming, he looked arrogant and introduced the young man around him, saying: "Everyone, let me introduce you. This is my son-in-law Jones Jian. In the Internet industry, he started his own company, and now the company will soon be listed on the Growth Enterprise Market."

"Is going to be listed?" Zhouqi couldn't help but exclaimed, "After listing, the company's market is worth hundreds of millions, right?"

"Hundreds of millions?" Panming curled his lips and blurted out: "Let's talk about starting with a billion! You don't want to think about how difficult it is to go public now. How can a company without certain strength pass so many rounds of review by the Securities Regulatory Commission?"

With that, Panming said with great pride: "I tell you that when my son-in-law's company goes public, the market value must be over 1 billion. The performance of their company has risen very fiercely over the past two years. If you are interested To make money, you must buy the stocks of their company at that time!"

Panming's son-in-law Jones Jian hurriedly said: "Dad, don't brag for me. I'm just an entrepreneur who has just achieved something. Your old classmates hide dragons and tigers. Which row of juniors like me is the top number!"

Jones Jian's modesty won the favor of many people at the scene.

An Old Master with silver hair sighed: "Oh, Panming, your son-in-law is really young and promising, and he is humble and low-key. He is a good son-in-law!"

"Of course!" Panming nodded proudly, then deliberately looked at Dave and asked: "Dave, what does your son-in-law do?"

"My son-in-law?" Dave looked at Marven and sighed in his heart. Although he wanted to brag about his son-in-law as a human being, but after thinking about it, he was afraid that he would be pierced and make bigger jokes, so he was embarrassed. Said: "My son-in-law does housework."

"Do housework?" Everyone laughed blankly.

They never dreamed that what Dave said was such an answer.

Panming curled his lips and said, "Doing housework means that he doesn't have a job? I heard that Dave is also idle at home, right? Would you like me to let my son-in-law arrange a job for you and your son-in-law? Dave, your age It's a little older. It should be okay to look at the door. Your son-in-law is young and has experience in housework, so he can simply go to the staff canteen to cook for the staff. What do you think?"

The students around laughed out loud.

Marven hasn't spoken. He has been ridiculed to numbness by people in recent years. He didn't know how many times he had gone through a battle stronger than this, so he didn't feel ashamed at all. Instead, he felt that Panming's set was a bit pediatric. .

But Dave was really depressed, his face was very ugly, and he couldn't help cursing in his heart: This Panming is really slamming his nose. From the moment he met, he started all kinds of sarcasm. Isn't it that he didn't catch up with Meiqing? As for having trouble with him after so many years?

Seeing that he didn't make a difference, Panming deliberately sneered: "Hey, Dave, I kindly introduce you to work, can you say something?"

After speaking, he looked at Marven again, and said dissatisfied: "Young man, your father-in-law is too old and his brain is not good. You can be forgiven if you don't understand etiquette occasionally. Are you like him, don't understand basic etiquette?"

Marven smiled slightly and said, "Uncle, let's not tell you, you can hire me for work, but the salary is very high."

### **Chapter 562**

"High?" Panming curled his lips: "Where is the high energy? I asked you to cook. I'm sorry not more than a four to five thousand a month?"

Jones Jian on the side deliberately pleased his father-in-law, and deliberately agreed: "Dad, since it is the son-in-law of your old classmate, then I must take care a little bit, so let me pay 10,000 a month!"

Marven laughed and said, "I'm sorry, I don't want money to work for people."

Panming frowned: "You don't want money, what do you want?"

Marven smiled and said: "Whoever hires me to do work has to marry his daughter to me. For example, my father-in-law, he wants to hire me home to work, so he married his baby daughter to me. Uncle Panming, if you want too Hire me to work, then you have to marry me your daughter too!"

Panming became angry immediately and cursed: "You kid really doesn't know how to praise! You are kindly rewarded with a bite of food, are you still playing this game with me here?"

Jones Jian was also full of anger. He looked at Marven coldly and threatened: "Boy, my father-in-law has only one daughter, my wife. Please be careful when you speak, otherwise, I won't let you go around!"

Marven smiled: "You two are really interesting. When did I ask you to give me a bite of food? Obviously you are licking your faces and want to hire me to work. You want to hire me. I said my request. Isn't it normal if you agree to give me work we discuss the conditions?"

Jones Jian annoyed: "Why did you make such a request? Aren't you just looking for something?"

Marven said calmly: "You are wrong. I am not looking for trouble. I have always been on this condition. To tell you, I have been married to my wife for more than three years. For more than three years, I have just been doing housework and buying things for home. Sweeping the floor and cooking, this is my job, and the remuneration for my work is my wife. If you want to hire me to do things, naturally you have to follow the terms I ask for. You can give me what I want. If you can't afford it, just shut up. With such a simple truth, you two are almost at least 80 years old together. Don't you understand?"

"You..." Panming and Jones Jian his son-in-law were speechless.

Marven was right.

He didn't take the initiative to ask these two people to offer the job, but the two people came up without licking their faces. Now that Marven said the request, what makes them angry?

Seeing that the smell of gunpowder between the three of them was strong, other people hurried over to round the scene and said: "Oh, everyone is here for a party today. Happiness is better than anything else, so don't quarrel on this little thing."

Panming and Jones Jian suffered a dumb loss. Although they were very upset, they couldn't continue to talk.

After all, they are looking for things first, everyone can see that if they continue to hold Marven, they will only look down on everyone.

Dave on the side was so happy!

He really didn't expect that his son-in-law was so clever, he immediately blocked Panming and Jones Jian and couldn't help giving him a thumbs up.

Jones Jian looked at Marven with a bit of resentment in his eyes.

He thought that he was also the boss of the company that was about to go public, and accompanied the old man to come over and pretend to be low-key, but he didn't expect that Marven would put him in a position, and finally dig a hole for himself.

For him, this loss is too uncomfortable, he must find a way to get the place back!

### **Chapter 563**

In order to get a little back, Jones Jian recalled that his father-in-law, Panming, had always used a woman named Meiqing to ridicule Dave, so he pretended to be curious and asked: "Dad, what's the matter with that Meiqing Aunt? Huh? You always talk about her, which makes me quite curious..."

Panming glanced at Dave and said with a smile: "In the words of your young people, Meiqing is our school's flower. Many boys in the school loved her. The boys who chased her would probably have to go around University twice. Not only once."

As he said, Panming deliberately raised his voice and said with a smile: "Finally, this school girl suddenly didn't know how he was blinded, and she was with Dave. Don't you know that at the time Dave was in love with the school girl, so he went out. You have to avoid others, for fear of being ambushed by other boys."

Jones Jian continued to ask: "What happened later?"

Panming glanced at Dave, smiled happily, and said: "Later, Meiqing of course broke up with him, and went straight to the United States. She hasn't come back for so many years."

After that, Panming said to Dave, "Oh, Dave, do you know why you were dumped by Meiqing back then?"

Dave snorted coldly and said angrily: "My business with her has nothing to do with you, so you don't need to worry about it."

Panming laughed and said, "Let me tell you. In fact, Meiqing was chased by too many boys at school, and she had been annoyed after chasing her, so she wanted to find a fake boyfriend to solve those flies once and for all. Looking around, and finally choosing you to be her fake boyfriend, only you were in the dark. People who have finished with you and want to go abroad will naturally dump you, hahahaha!"

Dave blurted out angrily: "You don't talk nonsense here! I broke up with Meiqing because of..."

Speaking of this, Dave couldn't talk anymore.

His expression changed rapidly from anger to regret, desolation and sadness. He lowered his head, sighed softly, and waved his hand: "Forget it, don't say it, it's boring."

"Don't!" Panming said aggressively: "Don't say half of the conversation, and tell everyone, why did you break up with Meiqing? Didn't she kick you when she ran out?"

"of course not!"

Panming said, "Then you just talk about it!"

Dave gritted his teeth and said, "The matter between me and her is the matter of the two of us, and there is nothing to say about you."

"Cut." Panming curled his lips and said disdainfully: "I see, you have been tricked and embarrassed to admit!"

Dave waved his hand: "Whatever you say, I'm too lazy to explain to you."

“You...” Panming didn’t expect Dave to have a truce, and suddenly felt that his iron fist had hit the cotton, which was really disappointing.

At this moment, other people also arrived one after another.

Soon, more than 20 middle-aged and elderly people gathered at the door.

And indeed, as Dave said, the people who came to the party this time were all male classmates.

This kind of gathering of middle-aged and elderly classmates still seems to be very sincere. Everyone talked to each other, and Marven saw that some people inside had red eyes.

When Zhouqi saw this before, he hurriedly said: “Old classmates, let’s go in and talk, don’t stand here.”

Panming nodded and said: “Yes, let’s go to our old classroom to talk. Teacher Li is in poor health. It will take a while for him to arrive. Let’s go in first.”

#### **Chapter 564**

The crowd just gathered to walk to the school. On the way, someone asked Zhouqi: “What did you talk about just now? See what you said is so hot.”

Zhouqi laughed and said, “I’m talking about Meiqing. By the way, Meiqing won’t come today?”

Someone laughed and said, “Don’t even ask Dave, why are you in a hurry?”

Zhouqi smiled and said: “I’m not asking for Dave, Meiqing is Dave’s first love, and I didn’t know that for so many years, Dave has forgotten that she did not.”

Panming sneered at the interface: “From the perspective of Dave’s current dire and hot days, he may not forget Meiqing in his life.”

“Oh? What’s the matter?” someone suddenly asked curiously.

Panming opened his mouth and said, “After entering the classroom, I will tell you more in detail.”

Dave said angrily: “Why do you have such a big mouth? No one thinks you are dumb if you don’t speak.”

Panming laughed twice and said: “But I just want to talk, can you control it?”

Walking into the classroom, everyone looked at the place they hadn’t been in for many years, and recalled the good times in college for a while. Many people wept at that time.

Panming sat down in his seat, sighed with emotion, and said to the classmates: “It’s not good to say it. At that time, Meiqing was looking for a shield to fall in love with Dave. Once she graduated, she would just go straight to America.”

After speaking, Panming said again: “I heard that Dave’s mother doesn’t seem to like him, so he has done nothing in society these years. He finally gave birth to a beautiful girl, hoping to turn her over, who

knows that he will be found again. He came to get a wasteful son-in-law. It is said that his son-in-law is an orphan who eats leftovers, so compared to most of our classmates, he is now a lot worse.”

Hearing what he said, everyone gathered around him and asked curiously about the details.

Marven also touched his nose, thinking that Panming really knew the situation of the Old Master. He even knew his orphan status and the things of eating leftovers at home. The resentment is indeed very deep!

At this moment, someone said with a look of surprise: “Why is Dave so miserable now? In the past, Dave was also the chairman of the student union and a famous top student in the school. Wouldn’t it be such a mixed up?”

Dave cursed angrily: “Panming, can you shut up?”

Jones Jian laughed and said, “Uncle Xiao, don’t care too much. Everyone is just being happy, no one will really take it to heart. You also try to be open-minded.”

Dave’s expression was extremely ugly. What Jones Jian said was to base their happiness on his pain?

Panming looked at Dave provocatively, then continued to smile and said to the students: “This is not the worst. Do you know what the worst is?”

“What is it?” everyone asked curiously.

Panming laughed and said, “The worst thing is that Dave finally married a certain celebrity in our school! Guess who it is?”

Someone complained: “How can we guess this? Many of us have been developing in other places. Unlike you, you are in Wrestrvel and you know more gossip news.”

“That’s right, don’t sell it off, tell us quickly, we are all curious!”

Panming didn’t sell off anymore, and said with a smile: “The one who married him is the school’s number one vixen, Viola, who was famous back then!”

## **Chapter 565**

Marven really didn’t expect that his mother-in-law Viola would be classmates with the Old Master!

Even more unexpectedly, the mother-in-law has the reputation of the school’s number one shrew!

To be honest, Viola’s quality is really not like someone who has studied in college.

To say that this person went to junior high school is a blasphemy against junior high school.

With her inferior quality and character, it is incredible to be admitted to university.

Marven was not only surprised at this time.

All other old classmates of Dave were also shocked.

No one thought that Dave would be with Viola!

Although Viola was not in the same class as them, she was famous in school back then!

When she was in school, she was arrogant and unreasonable, and she was very immoral. She stole other people's things every other time. When she was caught, instead of admitting mistakes, she wanted to fight with others.

Once, Viola's thermos broke and was unwilling to spend money on a bottle, so she went to the tea furnace room and ordered one, but she didn't expect that the owner of the thermos was a boy from the northeast, five big and three thick.

The boy went to Viola for a thermos, but Viola pointed at his nose to scold him for half an hour.

In the end he couldn't help but slap Viola. Viola carried a bottle of water and chased him to burn him to death. The man in the northeast was chased for more than ten minutes, but she still burned his arm.

Not only that, Viola even let out words, if the other party dared to yell at her, next time it will not be pouring water but sulfuric acid.

This time, the Northeast boy was terrified. Not only did she dare not pursue her sins of stealing the thermos and scalding herself, he even begged her to let her go.

Since then, Viola became famous in the school.

Since then, no one in the school could provoke Viola, even if she was a boy, she would beat and scold whenever she was dissatisfied. Many boys in the school could not raise their heads by her scolding.

Therefore, when they heard that Dave and Viola were married, everyone was stunned!

Someone looked at Dave with sympathetic eyes and asked, "Dave, I remember Viola was really pursuing you back then, but you were so good at the time, how could you look at her?"

Dave was very angry and said furiously: "Do you bother asking what these do?"

Panming was happy when he thought of it, and he explained happily: "You don't know about this, but I know it. Do you remember the gathering when we graduated from our senior year."

Someone echoed: "Remember, I remember that many people drank too much."

Panming smiled and said, "It was at that party that Viola poured Dave a pound of Wang money. Dave was not good at that time. Everyone was still thinking about sending Dave home, but Viola said that no one would send him. , She can do it alone, in the end this girl carried Dave to the guest house by herself..."

“Guesthouse?! d\*mn it, isn’t it?!”

Panming smiled and said: “You all left at the time. I was more curious about this, so I followed up and took a peek. Guess what happened?”

“You don’t want to betray me, and finish it in one breath.” Someone complained.

Panming laughed and said: “That was the time that Viola put Dave to sleep, and she won the bid. It didn’t take long before she found out that she was pregnant. Because Meiqing also graduated, she flew directly to the United States. He had no choice but to marry Viola, hahahahaha.”

## **Chapter 566**

Everyone laughed, no one thought that there was such an amazing inside story back then!

Although Marven was not very good at evaluating this matter, he couldn’t help but laugh inwardly.

Unexpectedly, the old father-in-law still has this kind of story. The mother-in-law has always been such a b\*tch, and she was also drunk and in bed with the old father-in-law, so she has taken the initiative to do something with him. This is a devil!

The other classmates couldn’t help feeling sympathy for Dave, and all of them spoke to encourage and comfort him.

Panming looked at Dave at this time, and said with a smile: “Don’t rush to sympathize with Dave. In fact, it is very miserable for Viola to marry Dave!”

Everyone asked puzzledly: “What is wrong with her? Isn’t it more than enough for Dave to compensate her?”

Panming sighed and said: “Hey, you don’t know anything. Viola, who was in the past, wanted to find a rich second generation, so she fell in love with Dave. She felt that the Xiao family was rich at the time. Mrs. Ko...”

Speaking of this, Panming changed the subject and laughed: “But who knows, Dave would be so wasteful after graduation, he had no resources and no attention in the family, and the Xiao family has also become more and more desolate. Viola wanted to be a rich second generation, but unexpectedly ended up with a stinky silk!”

Dave was very embarrassed and angry, his face flushed, and he held back for a long time before he said: “Panming, I don’t need you to talk too much about me!”

Panming snorted coldly and said, “Dave, who does not know about his family’s affairs in Wrestvel? If you don’t let me talk, don’t you have other ways to inquire?”

As he said, Panming said loudly: “Originally, your Xiao family still had some assets. Once you leave the house, you can still bluff someone with the name of the Xiao family. Now the Xiao family is cold. Viola is a visitor to mahjong club every day, not doing business, this live-in son-in-law is still a waste living on

leftovers at home, the whole family, now live on daughter alone? I don't know what your daughter did in her previous life. It's really heartbreaking to marry this kind of rubbish husband in a family like yours!"

Marven couldn't help hearing this.

It doesn't matter to say that you can say that you can say that the old father-in-law and mother-in-law, but you can't say Avella.

Because she is his wife.

So he frowned and said, "Uncle Panming, you just need to live your own home. You don't need to worry about our family's affairs."

Panming said with a look of disdain: "What? As an old classmate, I still can't care about your family's situation?"

After all, he said with an arrogant face: "I just think it's worthless for Dave's daughter!"

Panming got more excited as he talked, stood up and blurted out: "Look at me, a petrochemical company cadre at the department level, now I go to the unit every day to check in, and get a salary of 20,000 a month. I will be 65 years old in this year. After retiring, a monthly pension of more than 20,000, and 100% reimbursement for medical treatment and other things!"

"My wife is also a deputy section-level cadre employee of a petrochemical company, one hundred and fifty-six thousand a month, after that we both retire, the national pension will have to pay 40,000 a month!"

"Look at Dave and Viola again. Both are in their fifties and do not have a formal job. If they grow old in the future and don't even have a pension, wouldn't they become a social burden?"

Having said that, he pulled his son-in-law and said seriously: "Look at my son-in-law, the CEO of Wrestvel Daz Technology Company, the company will soon be listed on the GEM! The company will have a profit of one or two billion in a year, even if putting it in the whole Wrestvel, it can be regarded as the top group of people. Our family is thriving, and this is what we have lived!"

There were envious voices from everyone around, and they did not listen to Panming and Jones Jian.

Indeed, the economic foundation of their family is already very enviable among these old classmates.

Panming also enjoyed the awe and envy around him very much at this time. He looked at Dave and Marven with contempt and thought, "I have been looking forward to this face fight for so many years, and it really didn't disappoint me! I am so happy! Happily enmity."

However, he did not notice the playful smile at the corner of Marven's mouth.

"The couple are both cadres of a petrochemical company? The son-in-law is the CEO of Wrestvel Daz Technology Co., Ltd.? Okay, father-in-law doesn't know how to deal with you. Unexpectedly, you declared yourself destiny. Didn't you just hit your foot with the gun?"

## Chapter 567

Now that Panming reported his family, Marven sent Zak Chen a WeChat along the way.

In WeChat, he asked Zak Chen to help him investigate the personal information of the petrochemical company employee Panming and his wife. At the same time, he asked him to check the relevant situation of Wrestvel Daz Technology Company.

When Zak Chen was helping to inquire about information, Panming was accepting all the worship.

Most of these elderly people are now working within the system or in state-owned enterprises. Most of them are just ordinary workers. They have been working for a lifetime, and now they have only a few thousand in wages, which is more than enough.

However, Panming is already a section-level cadre employee of the petrochemical company, which makes them very envious.

The petrochemical company's original benefits are very good. The department-level cadres do not seem to be very high, but they are actually very rare. You can see from the salary. This level is already very popular, and everyone is out of it all at once.

What's more, their son-in-law, Jian, turned out to be the CEO of a company that is about to go public. This is really powerful. Listed companies are quite powerful, with a market value of several billions or even tens of billions, and Jones Jian is still so young. , Give him a few more years, wouldn't he be a super rich man?

Dave also felt very hit.

Back then, this Panming was his defeated man. He desperately pursued Meiqing, but Meiqing didn't even look at him. On the contrary, Meiqing had a soft spot for him.

Now Panming is spreading rumors everywhere, saying that Meiqing only used him as a spare tire, which is nothing but bullsh\*t!

Back then, he and Meiqing were in love with each other, and they had long been private for life. The most precious first time Meiqing give to him.

It's a pity that the shameless woman Viola made a pitfall. She got drunk and had a relationship with him, and then went to Meiqing to show off. In the end, Meiqing was hit hard and decided to go abroad.

So speaking of it, today, he is completely harmed by Viola.

Otherwise, he must have been married to Meiqing, and even the two of them were likely to go abroad to study together and then stay abroad!

When he thought of this, Dave felt mixed, but more bitter.

It's so painful that he just wants to cry now, and he doesn't bother to be familiar with Panming.

Marven received the WeChat from Zak Chen at this time, and in just a few minutes, he had obtained the detailed information of Panming's family.

Panming, the deputy chief of the sales department of the petrochemical company, does have a bit of authority, earns a lot, and is greedy. It looks like he only earns 20,000 wages a month, but in fact he has long used his position to be greedy for thousands Million assets.

Some of the assets he embezzled were transferred abroad, some transferred to his daughter's name, and some were laundered by investing in Jones Jian's company.

As for Jones Jian, a few years ago, he was still a stinker who failed many times in his business. Knowing that Panming is a small leader with real power in the petrochemical company, he went after his daughter frantically, and then quickly enlarged his daughter's belly.

Immediately afterwards, Jones Jian married his daughter and asked him to support the business. Panming privately gave Jones Jian 30 million, and Jones Jian started the company.

Moreover, Jones Jian's Wrestvel Daz Technology Company is basically a money laundering company for several black gambling shops on Wrestvel Road.

They built an Internet crowdfunding app, and they called it free crowdfunding for sick patients. The result was that people on the road donated the black money in more than n accounts, and then aggregated them together, one million, one hundred donated to those fictitious "patients", so the company's book performance is also very beautiful.

And ironically, the biggest customer of Jones Jian's Wrestvel Daz Technology Company is Orvel.

Orvel has several underground black gambling shops in Wrestvel, and a considerable part of the cash is laundered through the crowdfunding app of Wrestvel Daz Technology Company.

After Marven saw these messages, a gratified smile appeared on his face.

Panming, Jones Jian, let you have a while, waiting for you to have enough, waiting for you, there will be endless darkness!

## **Chapter 568**

At this moment, someone outside shouted: "The teacher is here, hurry up and two young boys to help carry it."

Dave finally breathed a sigh of relief, and said to Marven: "Hurry up and help."

Marven nodded.

Panming also said to Jones Jian, "You too, we are all old guys. We are not as good as your young ones, so we can't lift them anymore."

"OK." Jones Jian nodded, and walked out the door with Marven.

When he went downstairs, Jones Jian's nose was upright, and he didn't bother to look at Marven.

Marven didn't bother to talk to him either, anyway, this grandson and his Wrestvel Daz Technology Company were destined to be stunned today.

However, Marven still want to find a suitable time to give him a fatal blow.

As the saying goes, extreme happiness produces sadness, and Jones Jian is not so happy yet.

When they got downstairs, they saw an 80-year-Old Master with all Wang hair sitting in a wheelchair and looking up at the old school building.

Next to him, there was a middle-aged man who saw Marven came down and said with a smile: "It's really hard work for you. I've grown older, and I've grown older, so I really can't lift it. The teaching building of University is too old. There is not even an elevator installed. After I retired, he always wanted to come back to school to have a look, but my legs were inconvenient and couldn't go anywhere."

The Old Master smiled and said, "Even if you look at me and don't let me move, otherwise I can climb over."

The middle-aged man laughed and said, "Taught for a lifetime, haven't you been in school enough?"

The Old Master shook his head, and said in a righteous manner: "Teaching and educating people is a lifetime matter."

The middle-aged man smiled helplessly and said, "Okay, fulfill your wish today, and then teach your old students."

Marven listened in awe. The attitude of these older generation of educators to education can almost be called faith.

A trace of disdain flashed across Jones Jian's face, but he didn't say anything, just said: "Let's go up quickly, everyone is waiting."

After finishing speaking, he looked at Marven and said: "Hey, come and help me!"

Marven didn't bother to look at him, and said lightly: "I'll do it alone, lest I don't cooperate with a clumsy person like you, and then fall or touch the Old Master."

"Can you do it alone?" Jones Jian had an expression of disbelief.

Marven ignored him, walked to the back of the wheelchair, shook his hands, directly lifted the entire wheelchair, and walked upstairs steadily.

Marven's physical fitness is different from ordinary people. After making the rejuvenating pills a few days ago, he himself ate two pills, and his physical fitness has been greatly improved, let alone a man carrying an Old Master and a wheelchair. , Even if it is several times the weight, it is nothing to him.

Jones Jian's eyes were a little surprised, but he didn't need to lift him, it just saved a little effort, so he followed behind and said with a smile: "Oh, you have so much strength, you can go to the construction site to carry bricks and concrete! I have a friend who works on a construction site. Would you like me to introduce?"

Marven looked at him, smiled and asked, "Do you want to go to the construction site to carry bricks and cement?"

Jones Jian contemptuously said: "I'm talking about you!"

Marven smiled slightly and said happily: "Okay, you made the arrangements for yourself clearly! Then go to the construction site to carry cement for 20 years, what do you think?"

### **Chapter 569**

Seeing that Marven answered the wrong question, Jones Jian took a sip and said, "Is it interesting to pretend to be crazy and be stupid? It's exaggerating to ask you to carry cement!"

Marven nodded and smiled: "Okay, I see, I will arrange it for you."

Seeing that he was always talking in the mist, Jones Jian said disdainfully: "Neurotic!"

After speaking, he spoke again: "As someone who came here, I would advise you a few words, you are still young, and now you go out and find something serious to do, you may still succeed."

"Is it humble to carry cement? Not at all. Did you know that there is a singer named Adu? He was carrying cement at the construction site. Didn't people also carry fire?"

"And now him and YouTube are so popular, you can register for an account, and it's okay to post some cement-carrying videos on it, maybe it will be popular!"

Marven smiled and said, "I have a YouTube account, do you want to follow me?"

Jones Jian asked contemptuously: "Oh, is your family chef still playing YouTube? What is your WeChat number? What's your name? Is it Wrestvel's largest rag?"

Marven smiled and said: "My mobile number is 786019911, my name is King Son-in-Law, and my avatar is a red dragon, do you want to follow and like it?"

"King son-in-law?" Jones Jian looked at Marven contemptuously, and said, "Just you? Give the f\*cking son-in-law? I said, can you have a face? If you are son-in-law, then I am not a son-in-law or any other thing. The royal son-in-law, the overlord son-in-law?"

Marven smiled slightly and said, "You, you are a muddy son."

"Son-in-law? What do you mean?" Jones Jian frowned.

Marven laughed: "The son-in-law who carries cement, don't you understand this?"

“Grass!” Jones Jian couldn’t help spitting out: “You kid really doesn’t know how to praise!”

Marven ignored him, carrying the old teacher of the Old Master, walked a few steps quickly and came directly to the door of the classroom.

The Old Master patted Marven’s hand and said: “Young man, who can laugh at humiliation, not humble or overbearing, is a promising person at first glance.”

After all, the Old Master turned his wheelchair and entered the classroom.

Jones Jian whispered: “You’re so dim-eyed, you don’t know where you can tell that he is good.”

Marven ignored him, anyway, he was not far from the fate he arranged for him.

At this time, with the arrival of the old teacher, there was already cheers in the classroom, and everyone kept greeting the Old Master.

The relationship between teachers and students in that era is not exaggerated to say that they are like father and son.

The Old Master looked at these middle-aged people who were over half a hundred years old and had a little gray hair. He couldn’t help being very pleased and nodded repeatedly.

He has taught all his life, and it can be said that there are peaches and plums all over the world. Seeing these students, he feels no regrets in his life.

“Let the teacher give us another lesson.” Someone moved emotionally.

Everyone expressed the same request.

The Old Master nodded, his eye circles a little red, sitting behind the podium, his fingers touched the already rough podium, and slowly said, “Hello, class.”

“Hello teacher,” everyone shouted in unison.

The Old Master nodded and said, “I am old and can’t stand up, and I can’t shout. The quality of lectures may not be as good as before, so I must say sorry to everyone first.”

## **Chapter 570**

Everyone hurriedly said with red eyes: “Teacher, don’t you say that...”

The Old Master smiled slightly and said: “I have been here all my life, and I have witnessed your growth and the development of the country. I will not say anything else. I will give you words, peace and happiness. I have taught for a lifetime. , I am still poor and have no longevity, but I have ideals in my heart. I will live happily and contentedly in this life without regrets!”

Everyone applauded, especially Dave. After hearing the teacher's words, he felt that the teacher was simply a beacon for guiding the way.

Although he didn't have much money, he tossed about antiques every day and realized his hobbies and pursuits, so he was also very happy.

Of course, there is still a source of pain in his life, and that source of pain is Viola.

The Old Master was too old and lacked energy. He gave everyone an ancient Chinese lesson on stage. After that, he seemed a little panting, and everyone quickly helped him down.

Everyone is satisfied to hear the old teacher's lecture again, so I am extremely grateful to the Old Master.

Panming said at this time: "Since everyone's wish to attend the class is over, and it's rare to have a meeting today, then I will ask my son-in-law to arrange a place for everyone so that everyone can go together and relax."

After speaking, he turned to look at Jones Jian and asked: "By the way, Jones Jian, do you have any suitable places to recommend? Want the best place!"

Jones Jian nodded and said: "Recently, we opened a brilliant club in Wrestvel. It is the property of the Song family, the largest family in Wrestvel. It is currently the most luxurious leisure and entertainment venue in Wrestvel. I happen to be a member there. We will go there soon. Let's have fun there, and I'm all inclusive for everyone's consumption today!"

Hearing that Jones Jian is a member of Brilliant Club, everyone was amazed!

This brilliant clubhouse is really extraordinary!

Everyone knows that this is the top and most upscale place in Wrestvel. Those who can mix here are all great people.

In other words, if you can't mix with the upper class of Wrestvel, you will never be eligible to be a member of the Brilliant Club.

The membership of this Brilliant Club is also an important reference for measuring a person's status.

Jones Jian was able to become a member of the Brilliant Club at a young age. This is indeed extraordinary!

Moreover, although everyone has heard of the Brilliant Club, apart from Jones Jian, none of these middle-aged and elderly people is a member of the Brilliant Club.

Let alone members of the Brilliant Club, none of these middle-aged and elderly people even have the opportunity to enter the Brilliant Club. No one has ever experienced what the top leisure club in Wrestvel is like.

Now, thanks to Jones Jian's blessing, everyone has the opportunity to go to the brilliant club to see. Wouldn't it be too awesome to go in and take pictures and post to a circle of friends?

As a result, everyone was flattering Jones Jian again.

Jones Jian is naturally proud that the members of the Brilliant Club are the weapon he has used to force external appearances during the recent period, and he has tried repeatedly!

Whenever he declares that he is a member of the Brilliant Club, he can always get the respect and flattery of the surroundings, which makes him extremely useful.

However, his membership of this Brilliant Club is not actually his qualification, but he begged Orvel several times, and Orvel came forward to help him handle it.

Had it not been for the use of him when laundering gambling money, Orvel would not help him.

After all, in the eyes of Orvel, this kind of person is no different from Harley Zhou, who was a p2p deception at the beginning, and is just a dog who does things for him.

Always let the dog collect money everywhere, and give the dog two bones appropriately.

In this way, the dog will work harder!
