

The Amazing Son In-Law Chapter 581-590

Chapter 581

Marven looked at Warnia and smiled slightly: "I just came with father-in-law to attend a classmate gathering. There is nothing to trouble you, so I didn't tell you."

Warnia hurriedly said: "Mr. Ye, your father-in-law is here for a class reunion. You should have told me earlier. I would prepare it carefully so as not to leave any flaw him."

Marven smiled and said: "There is no need to go into such a big trouble. It is a group of old men who come out to entertain and have some fun. It is too grand, I am afraid they will not adapt."

Marven said again: "Besides, I never told my father-in-law that I have a good relationship with you. If you, the Song family eldest, come out to entertain him in person, I am afraid that he will be confused."

Warnia nodded hurriedly and said, "By the way, Mr. Ye, my grandfather will have a birthday banquet tomorrow at noon. Originally, I wanted to send you an invitation letter tonight. I happened to see you and I ask you for tomorrow. No time to participate? He has been talking about you for a long time and always wants you to visit him at home."

Marven thought for a while, then nodded and said: "Tomorrow is no problem, I will come by then."

To Marven, although the Song family is not a big family, it is also the largest family in Wrester after all. Having a good relationship with them can save a lot of trouble.

What's more, he has a good impression of Warnia, and thinks this woman is very smart and promising, so he also appreciates this a little bit more.

Seeing Marven's promise, Warnia hurriedly asked, "Mr. Ye, shall I pick you up tomorrow morning?"

Marven declined: "No, Mr. Song's birthday banquet. You must have lot of work to do tomorrow. I can just come by myself when the time comes."

Warnia nodded, smiled sweetly, and said, "That's okay, Mr. Ye, you will come to me directly when you arrive tomorrow."

"It is Okay."

Warnia looked at the time and said apologetically: "Mr. Ye, then I won't bother you now. I just have to go back and prepare for the birthday banquet."

"Go." Marven nodded, and after watching Warnia leave, he took the elevator to the tenth floor.

Ten floors, 1008 box.

The elders were surprised at the incomparable luxury here, and everyone held their mobile phones and snapped.

Even an underground emperor like Orvel can only reach the tenth floor at the highest level in the Brilliant Club. It can be seen that the people who can reach this floor are already very impressive.

Dave, and his old classmates, naturally did not have this ability and status, so this time was an eye-opener.

Everyone was complimenting Marven at this time, and someone said, "It's really covered by son-in-law Dave, this kind of place is just as magnificent as a palace."

"Yes! I have lived for more than 50 years in this life, and I have never been to such a luxurious place. Dave's son-in-law is really amazing."

Everyone kept flattering, making Dave proud.

At the beginning, he was always targeted and ridiculed, but he did not expect that now he suddenly became the most watched and complimented one among his classmates, which gave his self-esteem a huge satisfaction.

.....

While Dave and his classmates were enjoying the ultimate luxury on the tenth floor of the Brilliant Clubhouse, on the other side, Viola and Horiyah had already come to the Tomson Villa area, and sat down with the rich woman Horiyah introduced for playing mahjong.

Sitting on the east side of the mahjong table, a middle-aged woman dressed up as Mrs. Kuo, while preparing an electric mahjong machine, smiled and asked Horiyah: "Horiyah, who is this sister?"

Chapter 582

Horiyah said: "Sister Lian, let me introduce to you. This is a poker friend I told you before. Her name is Viola. Like you, she also likes playing mahjong and she has very good skills in cards. She has always been willing to bet and lose."

Viola hurriedly said to this woman at this time: "Hello, sister Lian!"

Sister Lian nodded lightly and smiled: "It just so happens that I have been missing a permanent long-term poker friend. If you are interested, you can often come and play with me and with Horiyah in the future."

Viola hurriedly said: "Oh, that's really great. To tell you the truth, I have a regular poker friend but she is going to the United States, I can't find a regular poker player to play cards!"

Sister Lian stretched out her hand and said to Viola politely: "Hello Viola, my name is Lian, welcome!"

Viola shook hands with her quickly.

Lian said again: "Oh, you see, my villa is basically idle after it's installed, so I just used it as a venue for my sisters to play mahjong."

Viola was envious, such a big villa, used to play mahjong, is really more luxurious than Shehlain's.

Immediately, she looked around the Tomson First-Class villa.

The decoration of this villa can be considered very luxurious, but it is not as big as the one Solmon Wang gave to Marven.

The villa Solmon Wang gave to Marven was the largest unit in the entire Tomson, and the Lian's set was the smallest in the Tomson villa.

But even the smallest units are already very large for most people.

So she asked Lian, "Sister Lian, how much did you spend on buying this villa?"

Lian was stunned, and then hurriedly said: "Hey, it didn't cost much, the total was about 80 million."

In fact, this villa is not Lian's at all, but a film and television company's property.

After the film and television company bought the villa, it renovated it and built it into an indoor shooting location. Some time ago, a TV series called New Love Apartment was completed here, but the TV series is still in post-production.

After the TV series was completed, the villa was just vacant. The next TV series will not start filming until one month, so it is temporarily rented out to recover the cost.

In order to set up a set for Viola, Horiyah rented this villa for a price of 5,000 a day, and prepared to do a game here, to take Viola's nothing, to report Viola's insult on the day.

The best thing is to pit Marven's villa over, so that he can turn himself over!

Viola didn't know that all of this was a trap against her. She thought that she was lucky today and met a bully and could develop into a long-term cash machine.

So she looked at Lian with a flattering expression and said, "Oh, Sister Lian, let's play cards together. That's really suitable. Next month, our family will move into the Tomson Villa. My son-in-law's villa is at a05!"

Lian had long known that she had a villa in Tomson, if it weren't for this villa, she would not have come to cooperate with Horiyah and pit Viola's savings.

This woman is in her fifties. She has been a croupier in Macau casinos for 30 years. She is definitely one of the best in the wave of poker, whether it's mahjong, Pai Gow, or Sieve. All, she can played superbly.

This time, Horiyah promised her that Horiyah would find the wrongdoer and kill the game. She would provide technical support, and the benefits would be divided between equally.

Therefore, Viola thought that Lian was the cash machine, and Lian regarded her as a big fat pig, and was about to split her in half and split her into half with Horiyah!

Chapter 583

Everyone has their own ghosts, and can't wait to start this killing pan.

So Lian clapped her hands, greeted another woman, and said with a smile: "Come on, this is Nivia, who is also my old friend, but she is not very good at the game. Let's just start with the four of us!"

Viola also said excitedly: "Okay, get started! To be honest, my hands are itchy!"

Lian smiled slightly and suggested, "Today is the first time I play mahjong with Viola sister. Let's not play too much. Let's start with a thousand and cap it 64 times."

"what?"

Viola was shocked in her heart and blurted out: "A thousand times, 64 times the cap, if this is a capped by Lian, a hand can be more than 60,000, do they usually play such a big one?"

Lian smiled and waved her hand and said, "Sister Viola, is this still a big one? To be honest, this is the smallest one I have played. The other day when I was fighting with others, it was 3,000 or 5,000. Up, maybe even ten thousand."

Then, she pointed to Horiyah, who was sitting next to Viola, and said: "The last time Horiyah played 5000 games with me, I lost more than 1 million in a short time, and Horiyah won 30 by herself. More than ten thousand, right?"

Horiyah hurriedly said: "Oh, Sister Lian, you are still too rich. I can't remember how much money I lost. Last time I lost more than two million. I won more than 50. Min won!"

The woman named Nivia smiled and said, "Oh, I won a little more than a hundred that day. For Sister Lian, isn't this drizzle?"

Lian smiled and said: "To be honest, this little money is really nothing. My husband made a few hundred million easily when he was young. It is nothing for me to lose thirty to fifty million in cards."

When Viola heard these words, her heart was so excited.

This Lian is simply a super fool!

What's more, She have Horiyah to cooperate with her, and she will definitely win a big win at that time!

Therefore, Viola immediately dispelled the doubts and worries she had just now, and said with a smile: "If sister Lian is okay, then let's get one thousand."

Lian nodded and smiled, and said, "Then I will start playing dice!"

"Okay!" Viola rubbed her hands, already feeling a little excited.

After Lian played the dice, she immediately began to take the lead.

Soon, the four people have set the first card straight.

Viola dealt with the card and was very excited!

It's really luck that can't stop it!

In this hand, She really want to have anything. There are only three sides on one side and 20,000 in one hand. These two cards are placed on one card, and she can draw immediately!

So Viola was very excited, and began to look forward to drawing a card she lacked.

After being unable to touch the cards for a few laps, she thought of her agreement with Horiyah, so she sent her a code, asking for three.

Horiyah also immediately understood her intentions, and hurriedly gave her a three-shot.

"Three!"

"Oh, I'll eat!" Viola was very happy, took the three in front of her, and played a card with a smile: "Eight tubes!"

After speaking, Viola triumphantly said: "I have a draw!"

Lian asked in surprise, "No, sister, did you draw so soon?"

Viola smiled and said, "Yes, the cards are pretty smooth!"

Lian nodded and said, "Then I hope I won't fire a gun."

After finishing speaking, she stretched out her hand and threw out a twenty thousand, and said, "Twenty thousand!"

Chapter 584

When Viola saw her throw 20,000 out, she couldn't help but immediately pushed the card and shouted: "Haha, I'm d*mn! I have 20,000!"

"Oh!" Lian deliberately said annoyedly: "Why are my hands so unwilling, why did I play this card!"

Viola hurriedly said: "Hey, Sister Lian, we have already said yes. If this card falls, you will die. You can't go back!"

Lian said, "Don't worry, Sister Viola, I'm not that kind of person. You fired this gun. You will definitely not be short of money."

Horiyah also helped her and said, "Yes, Viola, for Sister Lian, playing mahjong for a thousand is all small money! It's mainly for fun."

At this time, Lian had already handed over 24,000 to Viola and said, "You are a twenty-four fan, right? A total of twenty-four thousand. You count."

Viola was so excited that she took the money and counted it, then excitedly put it aside and continued to play mahjong with them.

Subsequently, Viola's card luck was surprisingly good.

Basically any hand of cards is surprisingly good.

Coupled with Horiyah's help, Viola almost always wins.

After three rounds of cards, Viola lost a total of two rounds. The other rounds kept winning, and three rounds of Mahjong had won more than 300,000!

She used to play mahjong, and she won at most 10,000. How could she have seen so much money, and when she counted the money, she found that she had won more than 300,000, and her excited eyes were red!

At this time, when the cards were shuffled again, Horiyah couldn't help coughing slightly when the fire was almost over.

Lian, who was sitting at the poker table, changed her face a little, and knew immediately that it was time to close the net.

Feed the pigs, it's time to kill the pigs!

Immediately afterwards, Lian yawned and said, "Oh, it's so boring to play a thousand mahjong, I'm almost falling asleep, or let's play a little bigger, it will refresh me!"

Horiyah smiled and said, "I can do it!"

After speaking, she looked at Viola and asked with a smile, "Viola, what do you think?"

Viola didn't know that she had fallen into a trap at this time. She felt that she had made more than 300,000 so easily. If she played a little bigger, she would make more than three million in a while!

She, who was in the mood, had no idea what to do if she lost.

So she was very excited and said: "Okay, then let's play bigger!"

Lian nodded, stretched her waist, and said lightly: "Then you can pay 10,000! It's boring to be too small."

After that, she added: "It doesn't matter if you guys are too big. I happen to have a neighbor who likes to play smaller mahjong. I can ask her to do it for me and I will go upstairs and sleep for a while."

“Ten thousand?” Viola was stunned. Is this a bit too big?

It might be too scary to lose five or six hundred thousand with one hand.

At this time, Horiyah always winked at her, and said with a smile: “Ten thousand is okay, Viola, you are so lucky, if you want to really play ten thousand, you won’t say making five million today!”

As soon as she heard about five million, Viola’s sanity disappeared.

If she doesn’t agree, Lian will probably ask her neighbor to come and help her fight, so how can she find a bully and make herself a few million?

So she nodded excitedly and said: “Okay! Then pay 10,000!”

“Ok!” Lian smiled slightly and said: “Come on, let’s start! The money is too big, let’s use mobile banking to transfer money, it is convenient.”

The other three also agreed and said: “Okay, I’ll pay 10,000!”

Chapter 585

After reaching a consensus, everyone began to draw cards again.

After Viola drew all the cards, she flipped the cards she was holding up, and straightened out the cards, and suddenly screamed in excitement!

Her card turned out to be the best!

The so-called “Tian Ting” means that the cards have been drawn as soon as they are drawn!

What a lot of luck it takes to have such a good hand!

Moreover, the cards she won are very good. She has a pair of seven to eighty thousand, winning sixty thousand and ninety thousand.

Generally speaking, as long as ten thousand or ninety thousand are in the hands of others, if they don’t hold right or go smoothly, they will definitely be played. That is to say, from now on, as long as someone beats one ninety thousand, you will be fooled!

Moreover, such a day draw can get the highest multiple by calling it directly!

Thinking of this, she was excited to buckle all the cards, and said excitedly: “I have a draw!”

Lian was surprised and said, “Sister Viola, so amazing, you listened to it as soon as you came up?”

“Yes!” Viola said with an unbearable smile: “I don’t know what’s wrong, I feel very lucky today!”

Lian nodded and said, “It seems that you are destined to win today.”

After finishing talking, Lian, who was sitting on the bank, straightened out the cards and flipped up the four cards and said, "Concealed!"

Viola was surprised and said, "Oh, sister Lian has a concealed bar when she starts the card. It's amazing!"

Lian smiled and said, "You didn't look at my other cards, it's so bad to die!"

Viola reminded: "By the way, Sister Lian, if you draw, the concealed bar must be revealed!"

"Of course!" Lian nodded and said with a smile: "The draw will definitely show up for you, don't worry!"

Because Viola has already called a draw, she can't switch to right now, and hit whatever she draws until she draws or someone fires a cannon.

But she didn't know, at this time, Lian's hidden card was 90,000!

There are four and sixty thousand, Horiyah and Nivia each have two.

Just as Viola was anxiously catching and playing, Lian suddenly smiled and said, "Oh, I'm also drawing!"

After speaking, she turned over the four cards of her hidden one.

Viola looked at these four cards and suddenly felt dizzy.

What a bad luck!

Lian actually concealed 90 thousand! No wonder she couldn't catch 90,000 in this long time, and no one shot 90,000!

Depressed, Viola couldn't help but think to himself, although 90,000 are gone, but 60,000 hasn't come out yet, which means she still has a chance!

She wanted to send Horiyah a secret signal and ask her to give herself a 60,000.

However, if you think about it carefully, everyone's mahjong game is to win three by oneself and one by one. If you let Horiyah play a 60,000 shot, then Horiyah will not be able to give money. Isn't it a waste of money? Such a good hand?

So she decided to rely on herself or someone else to fire the gun instead of Horiyah.

If Horiyah fired a shot of 60,000 by herself, she would be embarrassed. Horiyah must give the money to her!

When it was Viola's turn to draw the card, she felt like a million as soon as she started to touch it. She was suddenly excited, and when she lifted it up, she was suddenly disappointed.

It turned out to be 80,000.

Bad luck!

If she was a little bit smaller, just let grab grab 60,000, and you would feel it yourself!

In that case, a family of 640,000, that is nearly 2 million!

But Viola was also comforting herself in her heart, 80,000 have come, will 60,000 be far away?

So, she beat out 80,000 casually, and said: "80,000!"

Chapter 586

"Huh!" Lian knocked down the card all at once, and said excitedly: "I heard five to eighty thousand, all of them, the door is clear, and there is a concealed card. The total is forty-eight, and forty-eight is 480,000. Sister Viola, I'm sorry!"

Viola is like an ice cellar!

A single shot can cost 480,000? !

I only won more than 300,000 in a long time, but I paid it all back, not to mention, I got another 100,000...

This is a hundred thousand!

Viola felt extremely uncomfortable, and her whole mentality was a little broken.

Horiyah hurriedly persuaded her: "Oh, Viola, there is no way to win all the time in card games. You have won so many hands. It doesn't matter if you lose, you are back again after winning!"

Lian also smiled and said, "Yes, it's just a handful of cards. We have to play a few laps today!"

Viola is a little more comfortable now, but she is also suffocating in her heart, and must win back the lost money!

Immediately, she used mobile banking to give Lian 480,000, and the game continued.

However, in the next hand, Viola collapsed even more.

Turned it over and saw what kind of broken cards are these!

Either one is missing or nine is broken, and there is also one missing. There is not even a pair of bobbins and slivers in one hand!

If you want to draw such a card, you have to play at least seven or eight cards to be possible...

She is going to collapse!

How to fight this? !

It's estimated that everyone is playing cards, and she hasn't made up two decks of cards yet!

And the other three people on the table were all excited, as if the cards were all good.

Horiyah was the first to draw.

Then Lian and Nivia.

Seeing that the three of them had all drawn, Viola anxiously scratched her heart, fearing a shot, and secondly fearing that some of the three would touch themselves.

Seeing that his card is getting hopeless, Viola is even more anxious.

At this time, she reached out and touched one, feeling that this card was 80% safe, so she threw the card out and said, "This! You shouldn't even want this card, right?"

Nivia next to her said excitedly: "Haha, I'm going crazy! she is right!"

Horiyah said with some embarrassment: "Hey, I'm crazy too!..."

Lian smiled and said at this time: "Oh, I'm too foolish, thirteen!"

Viola looked at the cards of these three houses, and they all won hers!

This one hit her with one shot!

This is terrible...

With this hand alone, Viola lost one hundred and eighty times, which is 1.8 million!

Viola's whole person already felt the sky spinning.

what happened? Suddenly she lost two games in a row, and two games lost more than two million, which is too cruel!

Moreover, Viola doesn't have much money now, and all the deposits in her hand add up to more than two million. After such a calculation, there is at most two to three million left...

Viola wanted to cry without tears, but Nivia was already urging: "Sister Viola, let's settle the bill first, so we can move on."

When she heard that she was going to check out, Viola's expression was very ugly, one was 1.8 million, she couldn't be willing to give it!

The other three exchanged glances, or Horiyah came out to persuade her and said, “Viola, it doesn’t matter if you lose two. If you are lucky, you will win with two more. If you don’t play now, you will lose. But you really can’t come back!”

After that, she said again: “Last time we played cards together, Nivin also lost two or three million, and finally won two million with a four-year self-draw, followed by another three self-draw. It’s another two million, and it will make a lot of money at once!”

Chapter 587

Although Horiyah tried to stabilize Viola’s mentality, in fact Viola’s mentality at this time had collapsed!

To put it bluntly, she does have a set of mahjong, but the brand is really stinky. The biggest problem is not being able to lose, and all emotions are on her face.

For example, she would be excited for a long time if she slapped her a**, but when her card happened to be stopped by someone else, she would grin and wait for her to be eaten alive.

She won three laps, and finally won more than 300,000, but she lost two big ones at once. Naturally, it was very uncomfortable. Not only did she win three hundred thousand and lost all, she also lost two hundred. In the early days, this really lost half of her life savings!

Viola hasn’t made much money in her life, and her husband has no skills, so it is very rare to save two million.

When she was buying p2p financial management, she almost lost a lot of money. Fortunately, Marven came forward and asked for the profit.

Later, she even misrepresented her daughter’s rent refund of more than 100,000, plus the little money that Dave made by dumping antiques, and the total amount was two million.

As a result, in the two cards games, they were almost all lost...

Seeing that her face was green, Lian deliberately agitated her and said, “Sister Viola, do you still want to play? You don’t feel sorry for the money, right? Only more than two million, you can even afford Tomson’s first product. The big villa, isn’t this little pocket money for you?”

“Play! Why don’t play!” Viola’s face twitched slightly, and said, “This little money is not a problem, mainly for fun, let’s continue!”

“Just to be happy! Money doesn’t count.” The other two followed.

At this time, Viola had no idea that the other three not only cooperated with each other, but also calculated her to death.

This automatic mahjong table, when shuffling the cards, you can directly shuffle the cards according to the predetermined plan.

Even throw the dice can be controlled!

In this way, Lian can distribute the cards she wants to everyone in accordance with her own requirements.

In the last hand, Viola got the card, but the sixty thousand and ninety thousand were already divided by the other three people. Therefore, Viola's card was already a dead end as long as the three of them didn't fire a gun. She can never win.

But Viola doesn't know this.

After Viola got the Tianting card, she was naturally confident. Although she didn't win in the end, she also felt that she just missed the goal.

It was this mentality that made her more impulsive to fight.

Next, Lian used her mobile phone to control the mahjong machine and gave Viola a little water.

Viola won two hands in a row, both hands were neat, but there is nothing to do, winning is just a sh!t.

Therefore, Viola only won 100,000 in total with the two, which is a drop in the bucket compared to what she lost!

Viola's mentality has become more unstable. Losing two can lose more than two million, and winning two can only win one hundred thousand. Is this too disgusting? Can't she let herself fight two big ones?

Thinking of this, she gritted her teeth, ready to smash to the end with these three people!

The game continues.

With this hand, Viola has three east, three west, three south and two north, and the other two are two red.

Viola was stunned when she saw this deck of cards.

Chapter 588

This deck of cards is Tianting again, winning the two.

More importantly, if you can get a north wind, it will be three in the south, east and north. This is a big four!

The big four can win the biggest number!

If you can touch a north wind, you can return two million!

Thinking of this, she shouted directly with excitement, and then began to feel the north wind.

She felt that whether it was, it might not be of much use to others, and ordinary people would definitely type it out after taking it, so even if she couldn't touch it, she could at least wait for others to fire it.

However, how did she know that this hand was already done.

The North Wind and Hongzhong that she needs are all in the hands of Nivia, that is to say, like the previous hand of the day, her hand is a dead end that can never be won!

Viola waited hard for North Wind and Hongzhong. She waited for several rounds and didn't wait until after Lian drew a card, she knocked it down and said with a smile: "Oh, I'm drawing it myself again! This time it's in front of the gate. A total of forty-eight times, clear, all, and right!"

Nivia saw that she was touching six of them, and hurriedly said, "Oh, sister Lian, you are the last six. I have three in my hand! You are over the Moon!"

"Oh, it's really the Moon!"

Lian happily clapped her hands and said, "Then add eight times, fifty-six times for a family, or five hundred and sixty thousand."

Viola felt dizzy!

Only two hundred thousand are left in her own bank card, and this one loses another five hundred and sixty thousand, how can she afford it!

Viola couldn't help pulling Horiyah over, and asked in a low voice: "Sister-in-law, tell you the truth, I don't have much money, can you lend me a little?"

Horiyah cursed secretly in her heart that deserved it, but said in a pretentious manner: "Sister, I don't have this, you don't know the situation of the Xiao family..."

Viola hurriedly asked: "No, you and your eldest brother went to see the villa last time. Anyway, an old villa costs more than 10 million? Can you borrow hundreds of thousands?"

Horiyah sighed and said: "The money was all taken away by the dead Lady Xiao to fill the hole in the Xiao Group!"

Viola said anxiously: "Then what should I do, I don't have enough money to give! If I can't continue to fight, what can I do to turn over!"

At this time, Lian said: "Sister Viola, you don't have any money, are you? If you don't play, please settle this account quickly."

Viola couldn't do it anxiously, and said with a smile: "How come I don't have money, but I didn't bring so much. Can I owe this account first? When the eight laps are finished, we will make the knot together."

She felt that she had to find a way to win the money back today. If she doesn't fight now, the more than two million will be lost forever!

She thought that Lian was so rich, and often lost millions at a time, she should not care about the money, she was very talkative, and she should be able to agree to her request.

Unexpectedly, Lian's face suddenly became cold, and she said sharply, "Sister Viola, you can't do this! Playing mahjong is the result of every win or loss. How can there be any reason to owe it? It was given to you right away. Why do you want to go back on the bill now that you lose?"

Lian said again, "Besides, if you don't take out the money, you still have to play mahjong with us. Isn't that the empty glove Wang wolf? If you win, it's okay to say, if you lose, what will we do?"

Viola's face flushed, and could not speak.

Lian looked at her and said with some contempt: "I heard Horiyah say that your card is good, so I am willing to play with you. If you are unwilling to pay to continue playing, please put these five One hundred and sixty thousand knots, this is the end of today, no more play!"

Chapter 589

Viola has completely fallen into the pit now. She didn't realize that she was pitted. All she thought was about winning the money back.

Therefore, when Lian said that she would not play, Viola immediately became excited, and blurted out: "How can I say that I don't want to play and stop playing? After saying that I will play eight laps, only three laps! "

Lian said helplessly: "Sister, it's not that I don't want to play with you, the point is that you have no money."

After that, Lian said again: "Let's take a step back. You settle the money first, and then we can always play a little bit smaller? I will accompany you if we play one thousand or one hundred. play!"

"One thousand? One hundred?" Viola was anxious, and blurted out: "How can I do it! If I play such a small game, I can only win the ear of the monkey?"

Lian reluctantly said: "Then if you want to continue to play 10,000, you have to take out the money first, otherwise I won't play, and this is the end of today."

Horiyah hurriedly sang red face and said: "Sister Lian, Viola really doesn't have so much money in her hands. We are all friends. You give accommodations..."

After speaking, she did not forget to wink at Lian.

Lian immediately understood, and said: "Well, from Horiyah's face, if you don't have cash, you can take other things of equal value as collateral."

As soon as these words came out, Viola suddenly seemed to have grasped the last straw.

She hurriedly said: "The house I live in now is a three-bedroom house, which is worth a small two million. I will mortgage the house to you. Is this alright?"

“That’s okay!” Lian said with a smile: “But you have to get the real estate certificate first, and then write me a mortgage contract.”

Viola blurted out: “Okay, you are waiting for me, I will go back to get the real estate certificate!”

After speaking, Viola hurriedly got up and was about to leave.

Lian hurriedly stopped her and said, “Hey, don’t worry, sister Viola, you haven’t given me the five hundred and sixty thousand just now.”

Viola looked at the balance of the mobile bank and found that it was only two hundred and sixty thousand, so she said: “Sister Lian, I only have two hundred and sixty thousand, I will transfer it to you, and the rest will wait until I take the room book. Deduct from the mortgaged money, this head office?”

“It’s OK.” Lian said, “Then you first write me an IOU for 300,000, and then you go, otherwise, if you don’t return, who should I go for 300,000? Am I right?”

Viola just wanted to take the room book and continue to fight with them until she turned over. So when she heard this, she nodded without hesitation and said, “Okay, I will pay you an IOU!”

Lian immediately brought paper and pen, Viola wrote an IOU for 300,000 owed on it, and then pressed another fingerprint, and Lian let her go.

As soon as Viola got out of Tomson’s first product, she hurriedly drove home.

She calculated that her daughter must be busy in the company, and her husband and son-in-law must still be attending the class reunion. She hurriedly went back and took the room book before coming back. They would definitely not find it.

In this way, she can continue to fight with them until the turn over!

Soon, Viola took the book from the house and returned to the villa.

After Lian got the house book, she immediately searched the second-hand house quotation of the same type in this community with her mobile phone, and found that the lowest quotation was only 1.8 million. The unit size is only 1.8 million, and the general bank mortgage only recognizes 90% of market value, so if she mortgage, she can only mortgage 1.62 million.”

Viola just wanted to continue playing cards quickly so that she could turn over, so she blurted out: “Then it will be mortgaged with 1.62 million. I owe 300,000, and you can just give me 1.32 million! Let’s continue to fight, what do you think?”

Lian said, “That’s okay, but we have to draw up a mortgage contract. If you lose or don’t accept it, I will care who wants the money, right?”

Viola said impatiently: “Then hurry up, sign early and continue early!”

Later, after she finished the contract with Lian and pressed her fingerprints, Lian transferred her 1.32 million back from the mobile bank.

But she didn't care at all, because she knew that the 1.32 million was transferred to Viola's account and would come back soon.

Viola secretly made up her mind at this time, this time, she must bring back all the profits!

Chapter 590

Then immediately put into the game.

But she never dreamed that she would have entered the 1.32 million in just half an hour!

Viola had completely lost her eyes at this time. At the moment when all the money was lost, she was extremely unwilling to say: "Come, come, come again!"

Lian said: "Sister, you don't have any money anymore. Come again, if you lose again, what will you pay?"

"I....."

Viola suddenly didn't know how to answer this question.

She is indeed exhausted.

All the savings in the family were entered, even the only house.

Now, she has nothing to mortgage.

However, with sharp eyes, Lian recognized the jade bracelet on her wrist and blurted out: "Oh, I think your bracelet is good!"

"Bracelet?" Viola looked down at her wrist, and then remembered that she still has a valuable treasure!

This bracelet was a gift specially given by Qin Gang, the Patriarch of the Qin Family, to curry favor with her son-in-law, Marven.

Marven gave this bracelet to his daughter Avella. Avella stole it by her before she wore it, and later blatantly took it and refused to return it.

It was just a bracelet, Marven didn't care, and Avella was too embarrassed to ask his mother for it, so this bracelet was always on her hand.

Viola hurriedly took off the bracelet, handed it to Lian, and said with red eyes: "This bracelet, but the finest Laokeng jade, when I bought it for 5 million, you have to mortgage me 4 million, right?"

Lian took the bracelet, looked at it carefully, and was shocked.

This bracelet is indeed top-quality, old pit jade, and it also carries a variety of very good things, five million is not expensive.

However, she herself has been in the casino for many years, how to cheat people, how to take advantage of the fire, she is simply a connoisseur.

So she smiled, handed the bracelet back to Viola, and said with a smile: "Sister Viola, your bracelet is good, but to be honest, it's not worth five million, but at most hundreds of thousands."

"How is it possible!" Viola blurted out: "This thing was bought for five million, and I have seen the receipt!"

"If you buy five million, you may not really be able to sell it for five million." Lian smiled disdainfully: "The jade business itself is extremely watery. If you are slaughtered, you will be slaughtered. You can never come again?"

After that, Lian said again: "Let's do it, for the sake of everyone's good relationship, I will mortgage you one million for this bracelet, which is the most. If you are willing, you can sign it. If you don't want it, forget it."

Viola had long been gambling, and blurted out: "I am willing!"

Horiyah said at this time: "Oh, Viola, or just forget it today. If you pledge one million for this bracelet, it is estimated that two or three will be gone. Why bother?"

When Lian heard this, she nodded and said, "She is right. One million is really not a big deal. Why don't we make an appointment another day?"

"No!" Viola suddenly became anxious and blurted out: "You think I have no money, don't you? Tell you, my Lady Xiao still has a villa, which is in Tomson first-grade a05, worth 130 million!"

Horiyah hurriedly said, "Oh, isn't that villa owned by Marven? Can you use it as a mortgage?"

Viola was anxious and blurted out: "Of course I can! Why not? He is my son-in-law. If he dares to refuse by then, I will show him his death!"
