

The Amazing Son In-Law Chapter 601-610

Chapter 601

When Ron heard this, he panicked and hurriedly pointed at Lian and said, "Mr. Ye, that's my second aunt. She called me yesterday and said that she was going to set up a bureau for a woman and set her up. Big money, let me come over and sing black face when the time comes, so I agreed..."

After speaking, Ron hurriedly said again: "Mr. Ye, I was really taken advantage of!"

Marven glanced at Lian, and Lian was frightened.

Marven pointed at her and beckoned: "You, come here."

Lian did not dare to neglect, and hurriedly crawled to the front, and said tremblingly: "Mr. Ye, a misunderstanding! I didn't know that Viola is your mother-in-law, who gave me ten thousand courage, I dare not lie to her, right?"

After she finished speaking, she pointed to Horiyah and blurted out: "This stinky lady named Horiyah is hurting me! She said that her younger siblings are very rich and terrible, so she always wanted to teach her. Just ask me to make a round with her, wanting to win your mother-in-law's villa..."

Horiyah was also frightened and hurriedly said, "Marven, this is a misunderstanding. I didn't want to lie to your mother-in-law. I was also deceived by this Lian. Lian seemed to behave badly in front of me all day long. I think it's true that I can't play, I want to bring your mother-in-law over to make a fortune, but I didn't expect it, but was cheated by her..."

When Viola heard this, she scolded angrily: "Horiyah, you b*tch still want to lie to my money and villa?!"

Horiyah was clever, she stepped back and waved her hand: "Don't talk nonsense, I don't have one!"

Lian cursed coldly: "Do you dare to deny it? Okay, then I will show Mr. Ye to see our chat history!"

After speaking, she quickly took out her mobile phone, opened WeChat, and played a voice.

In the voice, Horiyah's voice came: "Sister Lian, I heard you have returned to Wrestrvel?"

Lian's voice followed: "Yes, I just came back two days ago."

Horiyah: "Sister Lian, you have been a croupier in Macau casinos for so many years. You must have a good job at the table, right?"

Lian: "I dare not dare, I can barely rank in the top five in Macau, but in Wrestrvel, I dare to say that there is no one I can't win."

Horiyah: "That's already amazing! Sister Lian, I have a way to make a fortune. I wonder if you are interested?"

Lian: "You probably introduce it."

Horiyah: "I have a younger sister, who is quite rich. The villa of Tomson's first-rate house is worth more than 100 million, and this stupid dog is addicted to gambling. Some are means. How about I call her over, you set up a round and win her a good deal?"

Lian: "A villa worth more than 100 million? Is it true?"

Horiyah: "It's true!"

Lian: "That's OK, but after it's done, I want 60%!"

Horiyah: "No problem! You will be six and I will be four!"

When the voice was played, Horiyah was already frightened. She hurriedly said to Marven: "Marven, I didn't mean it, I am your big aunt, we are all a family..."

Marven looked at her and said lightly: "Let's talk about your business later."

After speaking, let someone drag her aside.

Afterwards, he looked at Lian, smiled and asked, "I heard that your thousand skills are very powerful?"

Lian hurriedly explained: "Mr. Ye, in fact, Thousand Skills are little tricks for cheating, and I only know a little bit of fur..."

Marven nodded and asked, "How did you mainly cheat in this case today?"

Lian hurriedly explained: "This mahjong machine is customized. I can directly preset all the cards from the four companies in the computer in advance, and then start it with my mobile phone at any time. When the mahjong machine automatically shuffles the cards, Will follow my request, shuffle the cards, and then rise up."

After that, she further explained: "When the time comes, I will use the software to control the number of dice, and specify who will take which card. I will give your mother-in-law several cards from the sky, but they are all dead ends. It's a card that can't be won in a lifetime, plus Horiyah and Nivia cooperate with me, so I won't lose even more..."

After listening to her, Marven nodded lightly and asked, "How many people have you harmed with this method?"

Lian hurriedly said: "Not much, not much...I don't usually do this kind of thing."

Marven frowned and asked, "How many gamblers did you help the casino win in Macau? Among these gamblers, how many people went bankrupt, sold children and sold girls, or even died?"

Chapter 602

"This...this..." Lian was already sweating profusely.

Over the years, she has done a lot of such evil things, and I don't know how many people have gone bankrupt.

Gambling itself is an abyss that can swallow everything. Some people fall into it by themselves, and some people fall into it with their entire family.

However, Lian never cared about the life and death of these victims. She felt that this was her ability to eat. How could she win if others didn't lose?

Therefore, she has never felt guilty.

But Marven could see through the heart of such a person at a glance.

Such people are the cruelest and most ruthless vampires in the world.

She lives by sucking other people's blood, so she doesn't care if others will die or how terrible they will die after being sucked up by herself.

Marven naturally has no sympathy for this kind of person.

He looked at Lian playfully and said with a smile: "Let's do it, how about a few games with us?"

Lian was stunned, and asked in surprise: "Mr. Ye, what are you going to play..."

Marven said: "I don't know how to gamble. I don't know how to play poker, mahjong, or Pai Gow. I only know one kind, rock paper scissors."

Lian asked puzzledly: "Are you going to play rock-paper-scissors with me?"

Marven nodded: "Yes, I will play rock-paper-scissors with you, a handful of ten million, what do you think?"

"This...this..." Lian said nervously, "Mr. Ye, I dare not play with you..."

Marven said: "You have to play, and you have to play if you don't!"

Lian nodded in a panic: "That's OK...then listen to Mr. Ye..."

After speaking, she couldn't help asking: "Mr. Ye, how do we play?"

Marven smiled and said, "Don't worry, I have to make a preparation before playing."

"Prepare for work?" Lian looked surprised.

Marven smiled and said, "Don't you know the preparations? Just like you designed to cheat for my mother-in-law, I also want to give you a lot of money."

“Ah?!” Lian was even more puzzled...

Rock-paper-scissors, what can you do?

I’ve been a thousand years old for a lifetime, and I don’t know how this thing has become a thousand people!

Is it deliberately a few seconds behind the opponent? If you are optimistic about what others will do, what can you do to restrain them?

Isn’t this too low-level?

When she didn’t know why, Marven suddenly grabbed her right hand, straightened all her five fingers, and slammed it hard, click!

Five fingers broke at the same time!

Lian screamed in pain, but Marven lifted her left hand, and also snapped off the five fingers of her left hand.

Now, Lian’s fingers can no longer be controlled, and the ten fingers are only connected to the skin, and they hang naturally.

Marven said indifferently: “With your hand, I assume that you make cloth by default. If you want to make a rock, you have to make a fist with five fingers. If you want to make scissors, you have to make a v. Do you understand?”

Lian cried and said, “Mr. Ye, all of my ten fingers are broken. I can’t get out of rocks and scissors!”

Marven said disdainfully: “Then I don’t care, you can’t get out, it has nothing to do with me, besides, when you give a lot of money to others, isn’t it also a chance for the other party not to win? Let you taste it today. What do you mean by the way of the person, and the body of the person!”

Chapter 603

Lian collapsed.

Unexpectedly, Marven looked harmless to humans and astupidls, and his methods were so ruthless!

He broke her ten fingers, and then played rock-paper-scissors with her. Now she can only produce cloth. Wouldn’t he lose as many as he plays?

Marven looked at Lian at this time and said blankly: “Come on, let’s start.”

With that, Marven waved his hands while muttering in his mouth: “Scissors, rocks, cloth!”

As soon as the voice fell, he immediately gestured a scissors hand.

Lian couldn’t control her fingers at all, so she could only look at Marven with the eyes of a dead mother.

Marven smiled slightly and said: "I produce scissors and you produce cloth. I won. You owe me ten million."

After speaking, Marven said again: "Come on, let's play the second one."

"Scissors, rock, cloth!"

"Oh, I won again, you owe me 20 million."

"Come on, the third one!"

"Scissors, rock, cloth!"

"You are really sincere, why do you always make money? You really can't do anything about it. You owe me thirty million."

Marven amused himself, and soon won ten against Lian, accumulating 100 million.

So Marven said to her: "Come on, settle the account."

Lian cried and said, "Mr. Ye, I don't have so much money..."

Marven waved his hand: "Then I don't care, call your family, your daughter-in-law, your son-in-law and daughter-in-law, and your husband. Bring all the money in your family and all the real estate that can be mortgaged, one If one hundred million is less than one point, I will send you and all the people in your household register who are over 18 years old to work in the black coal mine to repay debts. A monthly salary of two thousand, when will it be enough for 100 million, and only then will you be free? ."

After speaking, he asked Mr. Orvel: "Do you know the man who operates the black coal kiln?"

"I know." Mr. Orvel blurted out: "I have a few buddies who committed something in Wrester a few years ago, and later went to open coal mines in Jinx, and they can all be sent at any time!"

"Very good." Marven nodded and said to Lian: "Come on, take the initiative to explain, how many people are there in your household registration?"

Lian was frightened and knelt on the ground and cried, "Mr. Ye, my son, and daughter are all high-achieving students who graduated from prestigious universities. They are now social pillars. You can't ruin their lives!"

Marven sneered and said, "Okay, your own children are all graduates from famous universities? But what about the families you have killed? Can their children still eat? Can they survive? Let alone go to school. A prestigious university. When you ruined their lives, why didn't you consider them?"

Lian regrets and fears, and her face is particularly pale.

She did kill a lot of people, and countless people were ruined by her, but she never cared.

She wants to make money, as long as she makes money, nothing else matters.

So now the retribution is coming.

Marven wants to send all the sons and daughters she has cultivated to the black coal mine to dig coal!

It is the best punishment for her to personally destroy her life's deceitful and abducted efforts!

Chapter 604

Lian was also frightened and cried and said, "Mr. Ye, I really knew it was wrong. If you ask for money, I can give you all of my money! I have been in Macau for many years, and I have saved some money. , I have a total of 20 million in my hand. I will give you all of this money. Please let my son and daughter go!"

With that, she immediately took out her mobile phone, opened the mobile banking, and showed the balance to Marven.

There are more than 21 million in her personal account.

Marven said indifferently: "You donate all of these two and one million to the official donation account of Project Hope!"

Having said that, he took out his mobile phone and found the official account of Project Hope, handed it to Lian, and said coldly: "Transfer now."

Lian hurriedly asked, "Mr. Ye, if I donate this money, you can let me go?"

Marven sneered and said, "You still want to bargain with me?"

Lian was so frightened by Marven that she hurriedly picked up her mobile phone and transferred all her money according to the donation account of Project Hope that Marven found.

After all the transfers, she handed the phone to Marven, crying, and said, "Mr. Ye, I have donated all the money, and the account balance is already zero. Can you let me go now?"

After Marven confirmed that she had donated all the money, he said coldly: "Don't forget, you just owed me 100 million when you played rock-paper-scissors. You donated more than 20 million, and you still owe me many more"

Lian cried and said, "Mr. Ye, the more than 20 million just now was my wealth..."

Marven nodded and said, "Didn't I tell you? Send all of your household registration to the black coal mine to dig coal for two thousand a month. When will you pay more than 70 million in gambling debt? Let you go when the time comes."

Lian collapsed and blurted out: "Mr. Ye, two thousand a month, only twenty-four thousand a year, and I can't make so much money to pay off her debts to death!"

Marven asked her back: “Those people who have been ruined by your gang to go bankrupt and have a lot of debts, how did they repay their debts? Have you ever thought about it? If you know today, why bother?”

Having said that, Marven asked Ron: “Please tell me honestly, who are your second aunts, who are your immediate family members?”

Ron hurriedly said: “She has a husband, a son, and a daughter. The son was married the year before. The daughter-in-law’s family opened a black casino in Wrestvel. Her daughter just got married last month and found a son-in-law to do it. Micro-loans specialize in young college students and have forced several college students to jump off the building.”

Marven nodded and said coldly: “Okay, Lian has given birth to two children, one is married to the daughter of the owner of Kaihei Casino, and the other is married for a small loan arranger. Your family is really a nest of snakes and rats. !”

After that, he immediately took out his phone and sent Zak Chen a WeChat.

The content of the WeChat is: “There is a woman named Lian who has just returned from Macau in Wrestvel. Please help me check her family and bring her husband, son, and daughter, daughter-in-law, all to Tomson c11.”

Although Mr. Orvel was an underground emperor in Wrestvel, it was only an underground world. If he was asked to directly tie up these people, he could tie them over with his ability, but the subsequent things might not be able to suppress them.

But Zak Chen is different.

Zak Chen is the spokesperson of the Ye family in Wrestvel. In Wrestvel, even the Song family’s Old Master, he must be polite when meeting him.

Therefore, Zak Chen has almost nothing impossible to accomplish in Wrestvel.

After receiving Marven’s order, Zak Chen didn’t have any delay and immediately sent people to investigate and search for Lian’s family.

Lian was crying bitterly at this time, and knelt on the ground and kowtowed to Marven, begging for forgiveness, her forehead was already bleeding and she didn’t dare to stop.

But Marven didn’t sympathize with her at all.

She has caused so many people to bankrupt their families, and it is time for her to have a taste of bankruptcy!

However, now she can only taste the feeling of bankruptcy once, which is already very cheap for her!

Chapter 605

While Lian cried bitterly, Marven asked Mr. Orvel's men to drag Horiyah in front of him.

Horiyah was already trembling with fright at this time, looked at Marven, and wailed and said, "Marven, I am your big aunt, you...you don't look at the face of the monk and look at the face of the Buddha, after all, you are Our son-in-law of the Xiao family, isn't it? You just spared me this time, what do you think?"

Marven laughed and said, "Don't talk to me about this useless thing. Let me talk about it first, how much money do you have now?"

Horiyah's heart tightened, and she blurted out: "I have no money...I really have no money!"

Marven said coldly: "I give you an opportunity to take the initiative to explain, you must grasp it well, otherwise, Lian is your role model."

Horiyah shook her whole body. She was horrified, but she also kept her eyes on her mind. She hurriedly said, "I...I have five million. This is our family's wealth... "

Marven nodded and said, "Okay, open your mobile banking and let me see the balance."

Horiyah panicked and said, "I...I don't have a mobile bank!"

"Really?" Marven said coldly: "If you let me find mobile banking installed in your phone, be careful that I break your leg."

Horiyah shuddered in shock, and hurriedly said: "I will show you, I will show you..."

After speaking, she hurriedly took out her mobile phone and opened the mobile banking.

Seeing the balance, Horiyah panicked.

This card is more than 15 million.

This is the life savings of her and her husband, plus the money that Theresa got from Fredmen to be his lover!

It was not in her hands before, but in the hands of her husband Noah.

However, as soon as the Lady Xiao was chasing for the money, Noah hurriedly transferred all the money to her.

She was planning to buy a house with the money.

But the last time she saw the house, she ran into Viola and was mocked to death by Viola.

So she dismissed the idea of buying a house, and planned to pit Viola's money and villa first, and then when she had money, she would buy a set.

However, if Marven knew that she had 15 million, then he would definitely not leave a penny for her...

Just when she didn't know what to do, Marven grabbed the phone and looked at it intently, then frowned: "Didn't you say there are only five million?"

Horiyah cried and said, "Marven, this is the savings of our family of four! The Xiao family will be over soon, and the Lady Xiao's villa will soon be taken away. We still expect to use the money to buy a house."

Then, she said pitifully, "Jay hasn't married yet, and Theresa hasn't married either. This is the last foundation of our family of four and the Lady Xiao..."

Marven snorted coldly: "What does it have to do with me? Don't say that I didn't give you a way out. You donate these 15 million now. I will spare your life for this matter today. Otherwise, I will let Mr. Orvel pick you directly later, you choose yourself!"

Horiyah glanced at the fierce Orvel, her heart was tense, and she said in fear: "I donate! I donate! Spare my life, and I will donate all the money!"

After that, she immediately used his mobile phone to transfer all her 15 million deposits to Project Hope.

Marven was only satisfied and said, "Okay, since you are so acquainted, then spare your life."

Horiyah was completely relieved, crying, and asked, "Marven, can you let me go?"

"Let you go?" Marven shook his head, and said, "I just said that I would spare you not to die. You can leave without saying anything!"

Chapter 606

"Ah?!" Horiyah said in a panic: "I donated all my 15 million..."

"What about that?" Marven said coldly, "You were the one who urged the chief to do this today. There is no reason to let Lian be punished by yourself, right?"

"Yes!" Lian blurted out angrily: "She is the real culprit!"

Marven looked at Horiyah and said with a smile: "Your accomplices all say you are the culprit. Whatever you say you have to follow your old partner and go to the black coal mine to dig for coal and continue to contribute to the Hope Project."

After speaking, Marven pointed to another woman named Nivia, and said: "And you, the three of you, go to the black coal kiln to work together to make atonement."

Nivia cried in fright, kowtow and said: "I was wronged, I was found by Lian to join in and play mahjong, I am not a culprit!"

Marven said coldly: "Do you think I would believe you? Don't be silly, and I will spare the other people in your household registration book. Otherwise, you will be like Lian, the whole family will be neat and tidy. Start digging for coal!"

Nivia trembled violently when he heard this. Although he was terrified, he didn't dare to squeak a word.

Marven immediately said to Orvel: "Mr. Orvel, today these little gangsters, including Ron, are counted as one. They will all be sent to work in the black coal kiln, and they will be given the worst accommodation and food. A monthly salary of 2,000, open all year round!"

After that, he sternly said: "These people, who work hard and consciously work overtime, will be given a reasonable salary increase. Those who do not work hard or shirk work will be deducted appropriately. Anyway, each of them, When will they donate 300,000 to the Hope Project by work, and then only let them go!"

Two thousand a month, twenty-four thousand a year, to save 300,000, it takes more than ten years.

Even if it is three thousand a month, thirty six thousand a year, it will take more than eight or nine years to save 300 thousand.

Marven felt that since this group of people were also part of this gambling game, they would naturally have to atone for those who were ruined by the gambling.

It is also necessary to atone for the children who have gone through all kinds of hardships because of their parents' gambling.

Letting them go to the black coal mine to dig for coal donations is the best punishment for them.

When Orvel heard this, he immediately said, "Okay Mr. Ye, I'll let someone arrange a bus for them!"

Marven said: "The gang of gangsters inside, break one leg of each before getting into the car, so as to avoid the black coal kiln being disobedient and trying to escape."

Mr. Orvel said immediately: "Mr. Ye, don't worry, I will break one of their legs first. When they get there, they are tied up with iron chains when they work, eat, go to the bathroom, and even sleep. No one can run away!"

"Good." Marven nodded with satisfaction.

Horiyah cried at this time and said, "Marven, you can't let me dig coal for a lifetime...I still have my husband and children to take care of, and my mother-in-law to support..."

Marven said indifferently: "This is simple, just like these people, when will you save 300,000 donations from work, and then will you regain your freedom?"

Horiyah suddenly collapsed and cried loudly, "Marven, you can't be so cruel Marven, you know, we are all a family!"

Marven asked her back: "Why were you so cruel when you cheated my mother-in-law? Why didn't you think about it, we are a family?"

"Yes!"

Viola, who had not spoken all the time, shouted angrily at this time: "Horiyah, you b*tch girl with no conscience, you still say you are a family with us?"

Horiyah knelt in front of her, crying and begging: "Sister, thousands of mistakes are all the fault of your sister-in-law, but I am still your sister-in-law after all, so please forgive me this time!"

Viola kicked her to the ground and yelled: "You have pitted my more than two million deposits. It is not enough. You have to pit my house. It is not enough to pit my son-in-law's house. This is going to drive our family of four to death! Do you still have any conscience or humanity?"

Speaking of this, Viola suddenly came back to her senses, slapped her thigh, and screamed: "Mom, my money!"

Chapter 607

Viola just watched these people crying bitterly, and completely forgot that they had won more than two million cash!

Now she suddenly remembered, and blurted out to Marven: "Hurry up and let them return the money to me! They also took my more than two million!"

The reason why Marven asked them to donate all their money to Project Hope was to punish them on the one hand and to teach the mother-in-law a lesson.

Are you not greedy?

Are you a gambler?

Don't you think you can make a fortune by playing mahjong?

Now let you lose all your cash, and let you increase your memory!

So Marven asked the two people pretentiously: "The money you won from my mother-in-law, quickly discuss how to pay it back!"

The two looked at each other, crying and said, "All our money was donated! Even the money we won against her just now has also been donated..."

Marven turned to look at his mother-in-law, and said helplessly: "Mom, they have no money."

"What are you talking about?!" Viola suddenly became mad, and rushed to grab Horiyah's hair with one hand and Lian's hair with the other, shaking her arms vigorously, and even pulled the heads of the two violently. Bumped together.

She cursed hysterically: “You two b@stards who have suffered thousands! Give me all my money quickly! Give me back!!!”

Both of them had a lot of hair torn off. They screamed in pain. Horiyah cried aggrievedly: “My sister, forgive me, my sister, all your money has gone to Lian. I haven’t beaten you. One hundred thousand, and all of them have been donated...”

Viola let go of Horiyah, tore at Lian’s hair with both hands, and then freed her hands to beat and dig on her face, and soon scratched her face with blood.

“What’s the last name, if you don’t return the money to me today, I have to peel off the skin on your face! I will ruin your face!”

Lian was so painful that she didn’t dare to fight back, she could only cry and begged: “Sister Viola, Sister Viola, please spare your life. I really have no money. All my money will be donated at your son-in-law’s orders. Yes, that includes winning your money, how can I still have money for you now...”

Viola was crazy, tearing her mouth and cursing: “I don’t care! You pay me back! Give me all my money!”

Lian’s mouth was soon torn and bleeding, and the pain made her cry.

Viola was already crazy at this time. She just wanted to get her money back. All the money in the family was in her account, which was all deceived by this group of people.

Now they just took the house back, nothing else...

Thinking of this, she was even more furious, kicking Lian to the ground with one kick, and riding on her, she drew left and right with blows.

Lian screamed while struggling violently. At this moment, Viola and Lian were stunned at the same time when they heard a sudden pop in the pocket of their jacket.

After a while, Viola roared like crazy: “Bangle! My mother’s bracelet! My mother’s jade bracelet!”

She yelled like crazy, and reached out to Lian’s pocket.

Immediately afterwards, she let out a painful ouch, and quickly pulled out her hand, her fingertips being cut and bleeding.

Even so, she took out a small broken jade bracelet from Lian’s pocket...

Viola looked at the broken bracelet and sat on the ground and cried!

Four or five million bracelets!

I am robbed!

The most valuable jewelry of this jadeite is a bracelet. A bracelet with such a good material can sell for four to five million, but once it is broken, you can only make some ring faces or small pendants, which are worthless and may not add up. Sell for two hundred thousand...

Chapter 608

Viola has collapsed.

Two million gambling debts could not be collected, and four or five million bracelets were still broken. This is a terrible loss!

She immediately turned to look at Nivia, hysterically cursing: "You didn't donate! You pay me back! Give me all your money! Otherwise I will kill you! I will tear you up!"

Nivia knelt on the ground in fright, crying and begging: "Sister, I am a pauper. There is a total deposit of more than 60,000. If you want it, I will transfer it to you..."

Viola went up and smoked her a few mouths, and said angrily: "I don't believe it! Open your mobile bank and let me see!"

Nivia cried and said, "I really have no money, eldest sister. I have an income of more than two thousand a month. If it weren't for the money, I wouldn't come here to harm people with the evil spirit Lian... .."

With that said, she opened her mobile bank, which indeed only had 63,000 in it.

Viola is about to collapse.

What is more than 60,000 for her? !

She has lost more than six million!

At this time, she couldn't help but look at Marven, and yelled: "You are all to blame! You are all to blame! You Rubbish, you say! Why did you let them donate the money! Why didn't you let them give me the money?!"

Marven frowned and said lightly: "Mom, I saved your life, this is the most important thing!"

"I pooh!" Viola jumped angrily: "I don't want you to save my life! I want you to save my money! My money is gone, and I am alive! You give me the money! Give it back! !!"

Marven looked at her coldly, not too lazy to be familiar with her.

He made her lose money and did it deliberately, in order to teach her a lesson.

Otherwise, next time she will still decide how much trouble will be caused.

It doesn't matter if she died on her own.

She will hurt Avella.

Orvel was also very dissatisfied with Viola's performance, he instinctively felt wronged for Marven.

What the f*ck is this mother-in-law? He save her life, is she still so sloppy?

Thinking of this, he shouted sharply: "I warn you, don't think that you are Mr. Ye's mother-in-law, you can be disrespectful to him! If it is too much, I will send you to the black coal kiln with them!"

Viola was taken aback, her arrogance immediately went down a lot, and she said with an annoyance: "What does our family matter have to do with you?"

After finishing speaking, he pointed to Marven and said, "Do you know that this guy is a big flicker? You are now being fooled around by him and serving him as a spearman. One day when you come back, you must be the first one. To hack him to death!"

No matter how angry, Orvel stretched out his hand and slapped her, and yelled, "If you dare to provoke my relationship with Mr. Ye, I will kill you!"

Viola really didn't dare to be arrogant now.

She knew Orvel's methods, if she really annoyed him, how could she manage it?

So she could only take a few steps back, and honestly did not dare to speak any more.

At this time, Orvel came to Marven, knelt on one knee, and said with a sad expression: "Mr. Ye, I am really wronged for you!"

After he finished speaking, he raised his voice a little, and blurted out: "Why do you want to be the son-in-law of this kind of shrew? Even if you and Mrs. Ye have a deep relationship, there is no need to keep this kind of mother-in-law in the world. , And she has disrespect you over and over again, I should have killed her long ago!"

Chapter 609

When Marven heard this, he shook his head slightly, and said lightly: "Forget Mr. Orvel, there are some things to learn to accept."

Orvel looked at Viola bitterly, while the latter was frightened.

At this time, Viola didn't dare to raise the subject of money anymore, so she could only temporarily feel wronged and distressed in her heart.

At this moment, several cars were parked in the courtyard of the villa, and Zak Chen personally walked in with five sturdy people who were tied up.

Each of these five people were full of fear. As soon as she entered the door and saw Lian, the young man blurted out and asked her: "Mom, what is going on?!"

Lian saw that her husband, son-in-law, daughter, and daughter-in-law were all arrested, and the ghost cried and howled suddenly.

“I’m sorry for you, I’m sorry for you, blame me... you have to suffer with me...”

A man in his fifties hurriedly asked: “Wife, what is going on?!”

Marven looked at him and said coldly, “Do you know that your wife has been so harmful to others?”

“I...I don’t know...” the man said dodgingly.

Marven had a full view of his reaction and sneered: “Still talking to me? Your wife has been a croupier for decades. What kind of person she is? You don’t know what it is!”

After all, he looked at the five people one by one, and then asked: “Which of you are Lian’s son and daughter?”

A young man and young woman raised their hands timidly. They still don’t know what happened.

Marven looked at them and sneered: “I heard that you are all high-achieving students from prestigious universities, then do you know, where did your university money come from?”

The two looked at each other, neither dared to speak.

Lian’s husband probably realized that something was wrong. It must be his wife who had been caught by someone. So he hurriedly said: “This gentleman, if my wife cheated while playing cards, then you can tell the truth. How much can I pay you?”

Lian cried and said, “Husband, our small 20 million has been donated, and the two million I won today have also been donated!”

“Donated it?!” Lian’s husband asked in surprise: “Who did you donate to?”

Marven said coldly: “Donated it to Project Hope!”

After all, he observed the family and sternly reprimanded: “You vampires who specialize in cheating, don’t know how many people have been scammed and how many families have been ruined for so many years! But, you yourself are doing very well. The children have all gone to prestigious universities and become successful people. Don’t you have to pay this debt?”

Everyone in Lian’s family was frightened.

Marven continued: “Today, I will send all your family to the black coal kiln in the west of Shanxi to dig coal for labor, and use your blood and sweat to redeem your sins for so many years!”

“Huh?!” all the young people suddenly collapsed.

A man shouted: “I am not from their family, I am just their son-in-law...”

Marven nodded: "Son-in-law! I heard that you are doing microloans? Tell me, how many young people have you cheated?"

"me....."

Marven snorted coldly: "From now on, I will listen to you one more nonsense, you don't have to go to the black coal kiln to dig for coal, I will dig a pit and bury you, 10 million years later, let you become coal!"

Another good-looking young woman cried and said, "I'm just their daughter-in-law, and I haven't done anything to hurt anybody!"

Marven asked back: "I heard that your house runs a black casino?"

Chapter 610

The woman suddenly turned pale and blurted: "I...I haven't participated in casino operations, I just do financial work..."

"Financial work?" Marven said indifferently: "Financial worker is also an accomplice, there is no need to be washed away, honestly follow to atonement, your family, really is a bunch of sc*m!"

Zak Chen said at this time: "Mr. Ye, I know this woman. Her father's name is Jones Laosi. He runs a black casino nearby. Do you want me to take them all?"

Marven said: "Check what you have done that hurts the world and reason. If the sin is unforgivable, just kill him."

The woman fell to the ground with fright.

Afterwards, three Toyota Coaster minibuses drove to Tomson. A dozen punks including Ron's legs were broken one by one, ready to be sent to the car.

Marven said to Viola at this time: "Mom, let's go."

Viola's expression was very ugly, she pulled Marven aside, and whispered: "They took that kind of video of me, you must help me find it out!"

"That kind of video?" Marven frowned and asked, "What do you mean?"

Viola said anxiously: "That's the kind of video! They told me to take off my clothes and shoot... You must find the video for me and delete it! Otherwise, in case the video streamed I won't live outside!"

Marven was stunned for a moment, but didn't expect the mother-in-law to enjoy this treatment.

Shaking his head helplessly, he pulled the Ron over and asked in a cold voice, "Where is the video you made?"

Ron was so scared that he cried and cried, “Mr. Ye I’m confused for a while...”

Marven said coldly: “Stop talking nonsense, say, where is the video?”

“In my phone!”

“Is it sent out?”

“No, no, absolutely not!”

Marven nodded, took out the phone from his pocket, handed it to Viola, and said, “Mom, you find the video and deleted it yourself.”

Viola hurriedly took the phone, found her video in the album, and deleted it completely.

Later, she still felt unsafe, so she just smashed the phone directly.

Afterwards, Viola said bitterly: “I have to wait for them to get in the car before I leave!”

Marven shrugged and said, “Okay, I’ll let them hurry up, it’s getting dark, and I have to go home to cook for Avella.”

Seeing a group of people being escorted to three CMBs separately, Viola was able to resolve her hatred and threw the car keys to Marven and said, “You drive.”

Marven said goodbye to Zak Chen and Mr. Orvel, drove into the Old Master’s BMW, and then drove away from Tomson.

As soon as the car got out of Tomson’s first-grade car, Viola began to cry and said, “Today is really bad! Two million is lost, and only sixty thousand is back! and the jade bracelet... ..”

The more Viola thought about it, the more distressed, and the more she thought about it, the more uncomfortable she was. While crying, she looked at Marven and scolded angrily: “It’s all to blame for this Rubbish! Do you think you are so idle, let them donate money to Project Hope What are you doing?! Why don’t you let them pay me all the money?!”

Marven said indifferently: “Mom, if you take their money, after they disappear, the police will investigate all the details of their life and would get to you in no time. You can’t wash it out even if you jump into the Yellow River. Then, Dad and Avella...”

As soon as Viola heard this, she was shocked and blurted: “You must never tell your father and Avella about this. You hear me?!”
