

## The Amazing Son In-Law Chapter 661-670

### Chapter 661

In Father Song's heart, Marven has always been the best candidate for the son-in-law of the Song family.

With his eighty years of life experience, he has already seen at a glance that Marven is different!

In Wrestrvel, he was the first to think that this son is extremely powerful, comparable to a real dragon on earth!

In addition, he had already seen the effect of Rejuvenating Pill, and he was full of attachment to Marven.

A good relationship with the Wu family is nothing more than a way to make the Song family more money.

However, although the Song family is not as rich as the Wu family, they are not short of money.

There is not much difference between more than 100 billion property and more than 200 billion property. Anyway, it is inexhaustible money.

For Mr. Song, money is no longer important, life and health are the most important!

Therefore, he dreamed that he could recruit Marven into the Song family as his son-in-law. How could he tolerate others on the Song family's territory and ridicule him?

Regnar and Roger were also startled.

No one had expected that Regnar was so straightforward, that Old Master Song was still between Marven and Wu's family, choosing the former!

Regnar felt hot on his face, and he hated Mr. Song to death. He couldn't help but secretly thought that this old immortal is really unskilled! In the presence of so many people, he can't get off the stage! What is the face of the future owner of this Wu family? !

Roger on the side was also very annoyed and frowned, "Grandpa Song, as far as I know, this Marven is just a liar who looks at Feng Shui! Don't be fooled by this waste!"

Mr. Song's expression was very ugly.

He looked at Roger and said coldly: "The Old Master has lived for eighty years, and he thinks he has the eye to see people, and he doesn't need your guidance!"

When Regnar heard this, his face suddenly became cold, and he said: "Uncle Song is going to speak for this outsider?"

"Yes!" Mr. Song said decisively, "In the eyes of the Old Master, Mr. Ye is a real dragon on earth, billions of mortals, no one can compare to him in any aspect!"

The voice falls!

The atmosphere solidified instantly!

Regnar was extremely annoyed.

He loves face the most in his life, and now he is so run on by Mr. Song, his heart is naturally furious.

At this moment, he even wanted to walk away, and then completely break with the Song family!

The Wu family is more influential than the Song family. If the Wu family breaks openly with the Song family, the Song family will inevitably be impacted and the loss will be at least several billion.

However, he felt in his heart that if he just waved away like this, the matter of his son marrying Warnia, he was afraid that there would be no better chance in future at all!

Regnar has been fascinated by wealthy men for a lifetime, and he knows too much about the importance of a good wife to wealthy men.

If Roger marries the daughter of an ordinary person in the future, the other party will not bring him any help, and may even lower his goal and determination to fight;

If Roger marries a star in the entertainment industry in the future, then the other party must be like a vampire, desperately drawing blood from him, screaming outside, and that will only speed up the prodigal's downfall!

If Roger will marry the second generation of a very good-tempered straw bag rich in the future, he may also be dragged into the rank of a prodigal. In that case, even if there are hundreds of billions of wealth, it may not be enough for him to corrupt the status.

He has seen too many giants regretting their lives for their wives mistakes.

Therefore, he must let his son marry a wise helper who can give him and the future family a great help!

## **Chapter 662**

It seems that no one is more suitable for this identity than Warnia!

Thinking of this, he was a little hesitant and reluctant.

The scene, with Regnar's gloomy silence, fell into a strange embarrassment.

Seeing this, Honor on the side secretly said badly.

If the Song family and the Wu family have cracks that are difficult to repair, or even turn against each other, it will undoubtedly be a big blow to the Song family!

More importantly, in this way, Warnia is even more unlikely to marry the Wu family!

If Warnia does not marry far away, her future paternal position will not be secure!

Even if the position of the Patriarch is secured, the assets of the Song Family will probably be divided by Warnia!

Therefore, he would never allow Warnia to stay in Song's house, let alone recruit Marven!

Therefore, he hurriedly stood up and made a haha, persuading and saying: "Uncle Wu, Young Mr. Roger, today is my grandfather's birthday banquet. As the saying goes, the elder is the oldest, not to mention that he is still the big birthday star today. In any case, you can't get angry and hurt the harmony of our family."

What Honor said was undoubtedly giving both sides a chance to ease.

Although Regnar was very angry, he didn't want to be too stiff with the Song family. He just couldn't step down because of face.

Grandpa Song, in fact, really wanted to be able to have both fish and bear paws. If he must choose one of the two, he must choose Marven. If he doesn't have to choose one of the two, then he must choose both.

Therefore, the appearance of Honor just catered to the expectations of the two people.

So Regnar took the lead and said: "The honor says that today is Uncle Song's 80th birthday celebration. In any case, it should not be disturbed by Uncle Song's birthday. What happened just now was that Wu was abrupt. Please forgive me, Uncle Song!"

Regnar's words not only gave himself a step, but also gave Mr. Song a step.

As a junior, he took the initiative to apologize on the grounds of his father's life. It was an act of respecting the elderly, so he did not lose face, and he also showed his respect and respect for the elder.

In his opinion, first use this step to ease his tit-for-tat confrontation with Mr. Song and stabilize Mr. Song.

As for this Marven, he has the opportunity to clean up him, not for a while, after the birthday banquet is over, he has 10,000 ways to kill him!

Father Song's expression also eased a lot, and he nodded and said, "You can only make money if you are kind, and I don't want everyone to make trouble too unpleasant."

After speaking, he looked at Marven and asked respectfully: "Mr. Ye, what do you think?"

Although Marven was unhappy with the Wu family man and his sons, he didn't need Mr. Song to stand up for him. He prefers to repair this kind of addictive stuff.

Besides, today is indeed Elder Song's birthday banquet, and there is no need to entangle other guests at other people's birthday banquets.

Even if you want to fight, out of respect for Master Ye, you should fight outside.

So he said indifferently: "Mr. Song today, you are the biggest, what you say is what I accept."

Father Song hurriedly laughed and said, "Oh, a misunderstanding, it is best if it is resolved! Come on, everyone moves to the banquet hall, and the birthday banquet is about to begin!"

Roger on the side, still intensely unhappy and angry deep in his heart, looked at Marven's eyes, almost bursting into flames.

But since the two elders had reached a consensus, he couldn't continue to hold Marven, so he had to temporarily suppress the soaring anger in his heart.

At the same time, he observed at Marven with cold eyes, gritted his teeth and swore: This waste, he is dead!

### **Chapter 663**

Everyone moved to the banquet hall, and the birthday banquet was about to begin.

Song Old Master exchanged a few words with Marven, and then took the lead.

Sitting next to him were his eldest son, third son, and fourth son.

Among the second-generation heirs of the Song family, Honor's father is the eldest son, Warnia's father is the second son, but Warnia's father died young, so only Warnia remains in this line.

As for the families of the third and fourth sons, because they are relatively young, their eldest children are in their teens and the youngest are only six or seven years old. They are all still in school, so there is no competitiveness in the next generation of heirs.

The rest of the guests also sat down one by one on the other tables.

Marven naturally sat at a table with the Qin Family, Wang Family, Mr. Orvel and others.

The Wu family sat with another group of local families, and the Zhao family and Kevin family, who had kneeled and licked them before, surrounded them directly, constantly flattering them.

The entire table of delicacies, as well as old wines, is already on the table.

Marven also sat down on the VIP table, Warnia could not sit with him, but the beautiful eyes were always on him, never shifting even for half a minute.

Sitting on Marven's right hand was Aoxue, and sitting on his left hand was Solmon Wang.

As soon as Solmon Wang sat down, he whispered to Marven, “Mr. Ye, Tomson’s first-class villa has almost been renovated. When do you plan to move in?”

Marven said, “I will move in after the decoration is completed.”

He has already discussed with Avella and want to live in the villa as soon as the decoration is complete. Not only will the environment be much better, but more importantly, he can be isolated from his mother-in-law Viola from the floor and avoid her interruption as much as possible.

Upon hearing this, Solmon Wang hurriedly said: “Mr. Ye, do you want me to buy some furniture and appliances in advance? Then you and Madam Ye can move in with your bags.”

Marven thought for a while. Although Avella is not too extravagant and wasteful, she still has a high pursuit of life style and style. In addition to the decoration of a house, the most important thing is the purchase and placement of furniture. If he let Solmon Wang do the work, it would be easier, but Avella might not like it.

Therefore, it would be better for Avella to choose this kind of thing according to her own preferences.

So he said to Solmon Wang: “You don’t bother to worry about furniture and home appliances. Then I will take my family to pick one. After all, everyone has different preferences.”

Solmon Wang hurriedly said: “I also thought about it this way, so I didn’t take the liberty of buying home appliances and furniture. However, I prepared a 10 million shopping card for you in advance, which can be used freely in all furniture and home appliances stores in Wrestrvel.”

Marven waved his hand and said with a smile: “That is so nice of you, but I won’t charge this money, it’s not appropriate.”

Marven was not short of money. The 10 billion that the Ye family gave was barely spent, and then he blackmailed more than 10 billion from Japan’s Kobayashi Pharmaceutical.

Now more than 20 billion is lying in the bank card, he really doesn’t know how to spend it.

This is not counting the net profit that the Emgrand Group keeps pouring in.

If the net profit is counted, it will be a larger sum.

Seeing Marven’s rejection of his kindness, Solmon Wang knew that Mr. Ye was definitely not short of the money, so he hurriedly said: “Then I will keep it for you first. If you need it, you can ask me at any time.”

Marven nodded lightly.

#### **Chapter 664**

At this time, he received a message from Warnia on WeChat: “Mr. Ye, don’t worry about what happened just now. If the Song family is there, the Wu family will not be too presumptuous.”

Marven smiled slightly and replied: "Don't mind, it's just some clowns."

At this time, Regnar and his son were sitting in the VIP seats on the other side.

Roger looked at Warnia, then at Marven, and saw that both of them were playing with their mobile phones. One put it down, the other picked it up, the other put it down, and the other one picked it up again. They were talking on WeChat.

He was even more angry at this time. Although he added Warnia's WeChat, this Warnia actually closed her circle of friends!

Even when they talk to her, she rarely responds.

But looking at the frequency of her chatting with Marven now, it was really for fear of delaying a second, almost immediately picking it up for a second, and there was even a small woman's smile on her face.

He is also a person who has made countless girls, and it is natural to see that Warnia is indeed in love with Marven now.

Thinking of this, he felt annoyed.

The anger just now ignited again.

So he whispered to Regnar beside him: "Dad, I must let this Marven die! he must die tonight!"

Regnar looked at his hatred and shook his head and said, "Do you know the only thing you dissatisfied with?"

Roger shook his head slightly, expressing puzzlement.

Regnar looked at him, sighed and said: "The only thing you are dissatisfied with is that you act too hastily and can't distinguish the priorities."

After that, Regnar said to Roger: "Marven is just an ordinary person with a little strength but no background. We can kill him at any time, not in a hurry. There is no need to just talk to Song because of him. Home is noisy, now the most important thing is to let you win Warnia!"

Roger is still a little unwilling, but can only give it up: "I know, then wait two days, I will let someone kill Marven!"

Regnar said lightly: "Don't worry, although Marven has no background, he has a lot of fans in Wrester, not only the Qin family, the Wang family, and Mr. Orvel, but even the Song family supports him. This is for us. It's trouble."

Roger hurriedly asked: "What should I do?"

Regnar said: "If you want to kill, you must first plan the overall situation!"

With that said, Regnar explained: "Don't think Mr. Orvel is just a b@stard in the underground world, but he has many younger brothers. Once this kind of person erupts, he will gather thousands of younger brothers every minute. This is our biggest Hidden danger, if we kill Marven, he in turn will fight us hard, we may not be able to escape Wrestvel alive."

"Mr. Orvel?" Roger frowned and blurted out: "Well, let's kill Mr. Orvel first!"

Regnar nodded and said, "That's what I think. I'll catch Mr. Orvel by surprise. When he is taken lightly, I will kill him directly, and then help Liu Guang to take over and let Liu Guang succeed him and become Wrestvel's underground King!"

After all, Regnar's expression flashed with sinister expression, and he said coldly, "By that time, we are equivalent to having a strong foundation of force in Wrestvel! If you want to kill Marven, or even even the Qin family and the Wang family. It's easy to kill everything you don't know how to promote at once!"

Roger was trembling with excitement, and blurted out: "Dad, when will Mr. Orvel be killed? I think this old dog is not pleasing to my eyes!"

Regnar said indifferently: "Don't worry, I will make people ready, and I will send Mr. Orvel to the west tonight!"

## **Chapter 665**

At the thought of killing Mr. Orvel tonight, Roger became excited!

Dad is right, Mr. Orvel is equivalent to Marven's firepower in Wrestvel!

If you want to defeat Marven smoothly, you must first remove his firepower point!

Moreover, just taking it off is not enough!

You have to turn this firepower point into your own firepower point!

In this way, this firepower point became the bridgehead for the Wu family to march into Wrestvel in the future!

At that time, Marven must pay the price of his life for the girl who insulted and made his own!

As for the Qin family and the Wang family, they have to pay the price for not kneeling and licking the Wu family!

At this time, Regnar looked at Roger and said lightly: "Calm down when things happen, and don't be overly excited."

Roger hurriedly put away the involuntary excitement on his face, and said, "Dad, I see!"

"Yeah." Regnar nodded, no longer taking Marven's matter into his heart, but asked: "A birthday gift for Mr. Song, is it ready?"

Roger nodded and said: "It's ready. I've inquired that Mr. Song likes Wang Yin and Wang Bohu's calligraphy and painting the most. He collects a lot of them on weekdays, so I specially asked someone to get one from the collection at home overnight. Wang Bohu's Moon Spring picture scroll is used as a birthday gift. This painting is worth at least two to three billion. I believe he will like it!"

Regnar gave a hum, his eyes also showed satisfaction.

Even if it is placed in the Wu family, the Yuequan scroll is a treasure among the treasures. With this painting as a stepping stone, it will open the door of the Song family and let the Old Master Song pay more attention to the Wu family, and even make him agree to the marriage between the two families.

The birthday banquet has officially begun at this time.

Mr. Song stepped onto the small stage built up to thank all the guests present and thank everyone for coming to his eighty-year-old birthday banquet.

After the speech, the birthday banquet came to the stage where everyone took turns to congratulate and present birthday gifts.

Two bodyguards in black suits brought up an imperial armchair, and assisted Mr. Song to sit down on the armchair.

Honor's father, third uncle, and fourth uncle got up first and lined up to the stage.

The three of them bowed their heads to the Old Master's birthday, and then offered birthday gifts one by one.

Boyu received the gift next to him, and at the same time used the microphone to report the gift and value of the other party.

This is also the tacit understanding and habit that the upper-class family has already formed.

"The eldest son, Tianming Song, gave a tropical island to the Maldives worth 500 million!"

As soon as these words came out, they were amazed in average!

As soon as he came up, Mr. Song has a tropical island. It seemed that Tianming Song was really magnificent!

This Tianming Song is Honor's father and Warnia's uncle.

Tianming Song said to Mr. Song at this moment: "Dad, I heard that you have been caught in the cold a few days ago, and your son bought a tropical island specially. If it gets cold later, you will go there to spend the winter!"

Mr. Song nodded very satisfied: "Okay, okay, Tianming, That is so nice of you!"

“The third son, Song Tiansheng, gave a set of Classical Villa in Sanya, worth 200 million!”

A middle-aged man who was much younger than Tianming Song hurriedly said: “Dad, your son didn’t expect my eldest brother to give you an island so generously, this villa really pales in comparison!”

The Old Master Song smiled slightly: “It’s fine when you have your heart. Don’t worry too much.”

“The fourth son, Song Tianen, give a luxury yacht worth 150 million!”

Another middle-aged man hurriedly said: “Dad, this yacht and the Sanya villa were bought together by my third brother and I. If you go to Sanya in the future, you can make a yacht voyage to relax.”

After speaking, he hurriedly said complimentingly: “But we didn’t expect that my eldest brother can gift you an island, and then you can drive the yacht to the Maldives!”

Mr. Song smiled and nodded, and said, “Well, winter is coming. As a family, we can go to the islands of Maldives to spend the winter!”

## **Chapter 666**

After the three sons gave the presents, Warnia and Honor got up together and came to Mr. Song.

At the same time, the two knelt down in front of Mr. Song and took out the birthday gift at the same time.

Boyu reported to the side:

“The honor of the eldest grandson Song, I presented a pair of Laokeng ice-type jadeite ornaments, worth 80 million. He wishes the father a blessing in the East China Sea and a longevity than the gods.”

“The eldest granddaughter Warnia, sent a pair of Ancient pictures, worth 70 million, she wishesh the father a longevity and great prosperity.”

At this time, other guests also stepped forward one after another, giving gifts.

Although they are not as valuable as the gifts from the Song family themselves, they are all valuable gifts, basically between 10 million and 30 million.

At this time, Regnar and Roger stood up, Roger holding the gift, and Regnar came to Father Song together.

Roger gave Marven a provocative look, his heart filled with contempt.

He is about to give away the priceless authentic Wang Yin, which must be the most valuable gift among all the guests!

At that time, he will definitely be able to compare Marven to let him know that there is a huge difference between him and himself!

Thinking of this, Roger was incomparably in his heart, holding the calligraphy and painting in his hand, and bowed to Mr. Song.

Afterwards, he walked up to Mr. Song and said with a smile: "Grandpa Song, this is a gift from me! I heard that you like Wang Yin's calligraphy and painting. I let someone bring an authentic piece of Wang Yin from Wu's house overnight. Hundreds of millions of Yuequan scrolls, I hope you like it."

Boyu immediately reported in a loud voice: "The eldest son of the Wu family gave a copy of Wang Yin's original Yuequan picture scroll, worth over 100 million!"

As soon as this remark came out, the guests at the scene turned their eyes.

Wang Yin's calligraphy and painting are not many in the market, and they belong to the kind that has a price but no market.

Any one of the most common paintings costs at least 30 to 40 million, and the tall ones will be overwhelming.

Once Wang Yin's picture of Lushan waterfalls was sold abroad for 3.6 billion.

And this pair of Yuequan scrolls is also a rare treasure of Wang Yin.

Five years ago, it was photographed by a mysterious rich man at a price of nearly 200 million. Since then, no one never heard any news about Yuequan scrolls.

Unexpectedly, this painting actually reached the Wu family.

It seems that the mysterious rich man who made the purchase should be the Wu family.

This painting was worth 200 million five years ago, and now it is sold for 300 million if it is sold for auction!

If you are lucky, four hundred million may not be impossible!

When Mr. Song heard this, his eyes lit up!

He really didn't expect that the Wu family's shots were so generous, but it was just a birthday gift, it turned out to be a Yuequan scroll worth three or four billion!

He likes Wang Yin's calligraphy and painting, and everyone in Wrestvel knows it. Naturally, it is impossible for the Wu family not to understand.

This time they took out Wang Yin's Yuequan picture scroll, which can be said to be a standard one, regardless of cost.

So Father Song couldn't hide his excitement and said, "Mr. Wu has a heart! This painting has been fascinated for a long time, and I admire him very much. I didn't expect that Mr. Wu would be willing to give it to me. I am so grateful!"

Roger was very proud of hearing this.

Haha, you guessed it right! This Old Master is obsessed with Wang Yin. When he saw this painting, his eyes couldn't get out!

However, he said calmly on the surface: "Grandpa Song, you don't have to be so polite, this is what the younger generation should do."

With that, he couldn't help but look at Marven.

Marven hasn't come out to give gifts yet, and now he has his most precious gift before him, he is afraid that he will definitely be compared with him!

So, he deliberately smiled at Marven: "Brother Ye doesn't know what gift he prepared for Grandpa Song? Grandpa Song admires you so much, you shouldn't let him down, right?"

### **Chapter 667**

In Roger's view, there is a picture of Wang Yin's Moon Spring of his own here, and Marven is a mere son-in-law. How can he be 'compare with himself? !

Therefore, he felt that this time, he was bound to crush Marven, and become the one that surprised all the guests the most, and also the one who most delighted Mr. Song.

After all, in Roger's view, Marven is just a live-in son-in-law and a wasteful rag. It is impossible for him to give any decent gifts.

Therefore, no matter what he sent, he couldn't compare with the Moon Spring picture scroll he sent!

So he deliberately sneered and said: "Grandpa Song, I heard that Mr. Ye has been in the feng shui mystery fraud circle all the year round. He must have deceived a lot of good things for so long. He must give you a gift worth hundreds of millions. Even billions of treasures?"

After that, Roger sneered at Marven again: "The gift I gave is worth only three to four billion. I believe Mr. Ye's gift is definitely worth more than mine!"

When Mr. Song heard this, his brow furrowed and he became even more dissatisfied with Roger. His face became colder: "No matter what Mr. Ye gave to the Old Master, in the Old Master's eyes, it is a priceless treasure!"

Roger was a little surprised at once.

Mr. Song, what fascinating soup was poured by Marven?

At this moment, Marven was named by him and stood up with a smile on his face.

Everyone was staring at him, wondering what gift he would give.

However, he saw that his hands were empty, and he didn't look like he could hold a valuable gift.

Could it be that Marven was going to play "Karate" for the Old Master Song? !

Even if he gives away a set of calligraphy and painting, the volume is absolutely impossible to put in the pocket!

But Marven was empty-handed, which made most people think that he must have not prepared a gift.

Even if a gift is prepared, it is probably not worth any money, and it is definitely not as good as the picture scroll given by the young master of the Wu family.

Mr. Song himself had already raised his heart to his throat at this time.

His eyes kept looking at Marven.

Seeing that Marven was empty-handed, he was shaking with excitement!

What he was most afraid of was seeing Marven holding a gift box, holding a scroll, or holding something else for himself.

Because he didn't want anything except Rejuvenation Pill!

The Yuequan scroll is really good. As an antique calligraphy and painting, it really caters to one's own preferences.

However, that is just a preference.

If a person is about to die, what's the use of putting all his favorite things in front of him?

At that time, he was rather willing to use all these things for a few days of life.

Therefore, Mr. Song is looking forward to Marven being able to give himself a rejuvenating pill. He has been looking forward to it for a long time! It can even be said to be his greatest expectation in life now.

At this moment, Marven paced unhurriedly in front of Old Master Song.

Without waiting for him to speak, Roger sneered: "Oh, I said Brother Ye, you are too petty, aren't you? Grandpa Song is celebrating his 80th birthday today. You came to the birthday banquet without giving anything and empty-handed?"

Marven smiled slightly, and asked him, "Who told you that I won't bring anything?"

"What about the gift you have? Take it out!"

Roger said contemptuously: "Could it be that he bought a small souvenir that came in his pocket? I don't want to look at it. Which of these birthday gifts is not worth more than tens of millions?"

## Chapter 668

Marven looked at him, smiled contemptuously, and then took out a small wooden box from his pocket.

This small square box was bought by Marven on the street stall. It cost five. The main reason for buying it was that the rejuvenating pill is a medicine, and it is not suitable for putting it in your pocket or wrapping it in toilet paper.

When Roger looked at the small wooden box, he immediately curled his lips and said, "Oh, let me go, what is this? You bought it at a stall for ten?"

Marven smiled and said: "You are half right. It was indeed bought at a street stall, but it didn't cost ten, it only cost five."

Everyone was stunned by Marven's words!

Marven doesn't take Mr. Song seriously, right?

Father Song had his eighty birthday, he actually gave a five-dollar wooden box?

Even if there is something in this wooden box, what valuable thing can it be?

Really valuable things cannot be packed in such broken boxes.

As a result, many people around booed.

Even Honor, covering his mouth, quietly let out a "cut".

Roger even grabbed Marven's handle and said indignantly: "Marven, do you still have Grandpa Song in your eyes?! Are you deliberately trying to find fault with this kind of garbage?"

Marven ignored him, but opened the small wooden box, revealing the black and round rejuvenating pill inside, and said to the Old Master Song: "Mr. Song, this is the birthday gift I prepared for you! It was a coincidence, I got it by chance. I hope you like it."

The reason why he said he did it by chance is to avoid unnecessary trouble.

When Mr. Song saw this, his whole body was excited!

He just felt a surge of energy rushing over his head, and stood up in a moment of excitement.

As soon as Grandpa Song got up, his whole body was shaking violently. This was mainly because he was so excited that he didn't know what to do!

He dreamed that Mr. Ye could give him the same opportunity as Tianqi, but this opportunity was so precious that he only dared to think about it in his heart.

However, he never dreamed that the dream would come true at this moment!

Mr. Ye, really gave him a chance!

When he walked to Marven tremblingly, all the guests were staring at him.

Those who are not familiar with Marven, seeing the Old Master walking towards Marven trembling, thought that the Old Master must be furious, maybe he had never suffered such humiliation in his life, and they would come up and give Marven a slap in the face, and then drive him out directly.

Roger saw that in the box, it turned out to be just a dark, inconspicuous pill, and there was no magic at all.

So he couldn't help but mocked: "Marven, Grandpa Song's 80th birthday, would you give such a broken pill? Isn't this the Dali pill you bought from the street? Ordinary people will eat it? Will be poisoned to death by your pill?!"

Marven ignored him, and just explained to Mr. Song: "Mr. Song, this Rejuvenation Pill has the effects of prolonging life and improving physical fitness. After taking it, it will make people live at least ten years old, and life expectancy will be extended by at least ten years."

Hearing this, Roger couldn't help shaking his head and mocking: "Marven, do you think Grandpa Song can be fooled by a liar like you? A bullshit Dali pills can make you ten years younger? What international joke is this? Think of so many high-end people of us as fools?"

Most of the guests who didn't know Marven also nodded one after another.

Ten years younger? Who would believe it?

However, no one thought that at this moment, Old Master Song came to Marven trembling, and knelt on the ground with a thump!

Everyone present saw this scene, instantly as if struck by lightning, there was an uproar in the hall!

### **Chapter 669**

No one would have imagined that the eighty-year-old Mr. Song would actually kneel to Marven!

It stands to reason that when a person lives to eighty years old, his parents and elders may have already been in the soil.

What's more, Father Song is still the head of the Song family!

The Song family is the largest family in Wrestdel!

Their 80-year-old Patriarch actually kneeled for a young man in his twenties!

This makes everyone incredible!

Roger was also trapped.

What the h\*ll? !

With a strong pill, Mr. Song would kneel?

You said it earlier!

A painting of Mr. Wu's three to four hundred billion, exchange it for Dali pills, enough for your 200th birthday!

And buddies don't beg you to kneel down on, just betroth Warnia to him!

At this time, the Song family also had different expressions.

Warnia's expression was filled with uncontrollable excitement and joy.

Her parents died early, and her grandfather raised her to adulthood. She has the deepest relationship with Mr. Song.

Moreover, she had heard from her grandfather long ago that the genius doctor Tianqi had the opportunity of rejuvenating pills, and she also knew that grandfather desperately wanted to be able to get such a chance.

For Warnia, she also hopes that grandpa can get this opportunity and live healthy for more than ten years.

However, the other Song family members do not think so.

Seeing this scene, the most depressed is Honor.

Elder Song is still alive, and he has not completely handed over power to his father. If his father cannot completely control the Song family, it will be difficult for him to become the sole heir of the Song family in the future.

Now, Father Song has not distributed the estate, so no one knows how much assets he intends to give to the family of these three sons after his death.

No one knew how much assets he would give to Warnia, a child without a father or mother.

If Honor's father can't get the entire Song family, it will be even more impossible for himself.

Therefore, he doesn't want the Old Master to extend his life for more than ten years.

At this moment, Old Master Song knelt in front of Marven, with tears of excitement.

With a smile on his face, Marven put the box containing the Rejuvenation Pill in his hand, and said lightly: "This medicine is extremely precious and has disappeared in the world, so I advise you to take it as soon as possible to avoid accidents."

Father Song took the wooden box and was extremely excited!

Immediately, he leaned down amidst everyone's stunned mouth, his forehead hit the ground directly!

With the palms of his hands facing up and the backs of his hands on the ground, he said piously:

"Thank you, Mr. Ye for giving this opportunity! Mr. Ye's kindness, Song has no retribution, and hereby swears to the Nine Heavens God that he will do his utmost to be loyal to Mr. Ye for the rest of his life!"

The scene was shocked!

If you hadn't seen it with your own eyes, who could believe that Elder Song would kneel and kowtow to a young man and say such pious words? !

The most incomprehensible is Roger!

### **Chapter 670**

He felt that this old thing must be old and confused, or his brain was slapped, otherwise, how could he kowtow to Marven? !

Mr. Song's seniority is the most present today. Even though the Wu family is stronger than the Song family, the assets his father can control are still less than Mr. Song, not to mention Mr. Song is still an elder.

Looking at other guests, although many of them are ordinary second-rate families, they are at least with net worth of over 100 million.

In the entire scene, there was only one real rag, and that rag was Marven!

However, Mr. Song just knelt down for this smelly pauper and knocked his head.

Why?

Marven is a bullsh\*t?

Why did Mr. Song kowtow to Marven so low?

In other words, the head is knocked, doesn't it mean that the granddaughter can also give it away? !

Thinking of this, Roger felt very depressed in his heart!

If Marven's prestige is not extinguished, maybe Father Song would be willing to put Warnia on him as a junior!

So, he gritted his teeth and blurted out: "Grandpa Song! How can you believe this kind of stinky silk? His Dali pill was bought by a barefoot doctor on the side of the road. The box is five, and Dali pill may be the most unhealthy. It's only ten, you can't be fooled by him! Otherwise, it doesn't matter if you are deceived. If you eat badly, you will be in trouble!"

Father Song glared at Roger, and said coldly, "Mr. Wu, although you are a guest of my Song family, Mr. Ye is an old benefactor, and he has a life-saving and re-creation grace for the old. If you dare to show Mr. Ye again if you want to be presumptuous, don't blame the old man for being rude!"

Roger was anxious and blurted out: "Grandpa Song, are you always confused? You believe in such a liar?!"

Warnia stood up at this time and scolded angrily: "Roger! Please be careful when you speak! Don't be too presumptuous!"

Roger frowned and asked Warnia: "Grandpa Song is always confused, are you also confused? This kind of rubbish pill, besides deceiving the demented elderly, can it be useful? You also studied in the world's top university in the United States. A high-achieving student, do you believe the bullshit Marvin said?!"

"Of course I believe it!" Warnia said without hesitation: "I will never doubt what Mr. Ye said! It's you, if you deliberately target Mr. Ye and insinuate my grandpa, I'll let people drive you out!"

"You..." Roger was about to collapse.

What number is this?

A powerful pill, crippled you grandparent and grandchildren?

You give me this sh!t, I don't even bother to take a look!

Why do you still treat this thing as treasure?

If I f\*cking give a pair of three or four billion, Mr. Song would say just thank you!

When someone gave him a strong pill, Mr. Song would kneel down for him?

d\*mn, if you want to calculate by value, Mr. Song has to kneel for him!

He said indignantly: "Come here, let's let the people present judge, what is the value of this Dali Pill? Will it be more precious than the Moon Spring picture scroll I sent? Why is your Song family so polite to this rag? , Don't respect me at all?!"

Seeing that his son gave such an expensive gift, Regnar was even insulted. He really couldn't see it!

He stood up, snorted angrily, and said: "Uncle Song, although your Song family is the largest family in Wrester, you can't wantonly insult my Wu family? Why can someone send a piece of rubbish? You humbly bow. My son gave the Yuequan picture scroll, but he still has to be treated indifferently by you?"

"Today, if you don't tell me why, then I can only think that your Song family deliberately targeted our Wu family!"

Father Song held the rejuvenating pill in his hand and shouted sternly: “Regnar, you are still the son of Wu’s family, but you are blindfolded and sitting on the well! Do you really think this pill is rubbish? I tell you, if you know the effect of this pill , You will kneel in front of Mr. Ye and beg Mr. Ye to give you one!”

Regnar said coldly: “Me? What a joke! I’m less than 60 years old this year, do you think I’m as confused as you?!”

Marven looked at Regnar with a resolute and somewhat sarcasm expression, smiled slightly, and said to Mr. Song: “Mr. Song, if someone can’t talk about ice, insects that can’t live in winter, won’t believe that there is ice in the world. People who have experienced miracles will not believe that there is a God in this world.”

Speaking of this, Marven smiled playfully, and said calmly: “In this case, you might as well take this pill in public, so that these people can see the good fortune of this rejuvenation pill!”
