

## The Amazing Son In-Law Chapter 471-480

### Chapter 671

Grandpa Song himself couldn't wait for this rejuvenation pill, and when he held it in his hand, he wanted to take it down immediately.

After all, he had seen Tianqi after taking the medicine, and knew that this rejuvenation pill had a superb effect, so he did feel relieved when he held it in his hand, for fear of unexpected changes.

Only if you eat it, you can really feel safe!

Now that Marven has also said it, Old Son Song naturally agreed in a hurry and said gratefully: "Mr. Ye, then I will take it now!"

After finishing speaking, the Old Master Song carefully took the Rejuvenation Pill in his hand, put it in his mouth with excitement, and swallowed it into his abdomen!

As soon as it entered the entrance, Mr. Song felt that the pill had turned into a stream of heat into his limbs and veins, and his whole body was warm, as if he had returned to his teenage years, and every cell was full of vitality.

Like Tianqi, every part of his body was nourished by medicine, and his whole body was glowing with the long-lost youth.

He was even surprised to find that the dark wounds and old problems he had left many years ago were gradually disappearing, and the wrinkles on his face had become lighter and tighter.

The scalp also feels itchy, and it seems that new hair is growing!

In the eyes of everyone, at this time Father Song had undergone an astonishing change!

Originally, Mr. Song's rickety body became straight, and his Wang hair was gradually turning black. Although not all turned black, a considerable part of it turned black.

The age lines on the face have also faded to an extent visible to the naked eye, and the spirit are completely different from before!

If Mr. Song looked like an Old Master in his eighties and dying, he now looks like he is in his sixties at most!

Moreover, the spirit of the Old Master Song has also become very good all of a sudden, the look in his eyes is a bit of a middle-aged person!

Originally, these people who dismissed the Rejuvenation Pill were already stunned by the deterioration of Old Master Song at this moment!

No one has seen such a miraculous sight, even Warnia was completely shocked by this sight!

The former rickety Old Master has now become a gray-haired middle-aged and Old Master. This reminds Warnia to think of the Old Master who embraced her in his arms when her father died ten years ago and told her not to be afraid, that everything still has him.

At that time, grandfather was only in his sixties, and he looked exactly the same as he is now.

In other words, Grandpa's life clock, because of this rejuvenation pill, has gone backwards!

His life span will be extended by more than ten years...

Does this mean that Grandpa can live to be a hundred years old in the future?

Warnia burst into tears of joy!

The other relatives of the Song family didn't really care about her. Her father passed away. They were grieving on the surface, but they were celebrating in their hearts. There was one less person in the inheritance competition with them.

Therefore, her only relative in the world is Father Song!

Of course she hopes that Mr. Song can live a long life!

When Mr. Song was dying, he once told her that the biggest regret was that he didn't see her married.

The Old Master said that Warnia had lost her parents since she was a child, and she was the most reassuring child and his favorite. Of course, it was also the child who was the most sincere and filial to him.

Therefore, he was particularly afraid that he would suddenly die, and Warnia did not marry and start a family.

In that case, she will become a lonely person.

Mr. Song hopes to watch her marry, and to marry a man who loves her, she loves, is reliable, stable, and is able to take care and protect her.

Only in that way can he die with confidence.

But now, Warnia knows that grandpa doesn't have to worry about not seeing her getting married.

He has extended his life span for at least more than ten years. Not only can he see her getting married, he can even see that she has children, and he can enjoy the family happiness of four generations under one roof!

Thinking of this, she couldn't help but look at Marvin.

**Chapter 672**

If she is to marry someone and have children, she only wants to marry Marven alone.

But, will Marven fall in love with her?

Will Marven be willing to abandon his current marriage that is not true and be with her?

Thinking of this, Warnia was also a little worried.

At this time, the other people on the scene had already exploded!

They saw with their own eyes the earth-shaking changes that had taken place in Mr. Song, and they were all excited as if they had seen God!

“This... it’s impossible... Why did Mr. Song become so young all at once?!”

“My God, this is the effect of Rejuvenation Pill?!”

“A medicine is a miracle, this is a magic medicine!”

“Mr. Ye is really a dragon on earth!”

“I...I also want a rejuvenation pill...”

“Me too...I am willing to buy even 10 million!”

“Ten million? What are you going to do with chicken feathers? I will buy it for 100 million!”

“f\*ck, if Mr. Ye wants to sell, I will pay 200 million!”

The scene has been overwhelmed by awe!

If you don’t see it with your own eyes, who can believe that there is really a rejuvenation in this world?

This kind of thing that can only be seen on TV, turned out to be really true!

The people present are all successful people, most of whom are in their 40s or 50s, or even older.

People of this age have already felt the cruelty and pain of the passing of time.

For men in their 50s and 60s, wrinkles have already crawled on their cheeks, and their physical fitness is much worse than when they were young. Backaches and lumbar muscle strain are inevitable.

As for hair loss, blessing, wake up, and the rapid degradation of that ability, it is also unspeakable pain for middle-aged and elderly men.

Which man in his 50s and 60s does not miss his happiness in his youth?

It's a pity that most men have physical and no financial resources when they are young, but when they are older, they become financial well and lack physical strength.

Want to coexist with financial strength, physical strength, and energy, except for the rich second generation like Regnar, how can anyone else have such an opportunity?

Many people are looking forward to the opposite s3x when they are young, but they don't look forward to the opposite s3x. When they are older and have a successful career, when countless young people of the opposite s3x surround themselves, they are already unable to do so.

Such middle-aged and elderly people do not expect to experience the coexistence of financial and physical strength, but can only hope to have a good baby in the next life.

Therefore, when they saw the miracle that happened to Mr. Song before their eyes, everyone's heart was extremely expectant and hot!

Even Regnar, who had been a rich second generation since he was a child, was looking forward to the changes in Mr. Song at this time!

He has experienced a young age with finance, physical strength and energy.

At that time, he was a playboy sought after by countless beauties. He had been among the tens of thousands of flowers without any leaves. He was really as cool as he was, no worse than the current national man.

However, that's just Regnar's glorious history. He used to urinate against the wind, and now he urinates with the wind.

The more so, the more he missed the brave and mighty, unrestrained, and unrestrained youth.

Therefore, when he looked at Marven at this time, his previous anger and hatred were gone. Instead, he had a strong yearning and expectation...

So, he involuntarily walked up to Marven, suddenly folded his fists, bowed slightly, and blurted out respectfully: "Mr. Ye, I didn't know if you have any remaining rejuvenation pills. If there are, please give me the next one. , I would like to pay 500 million in cash!"

### **Chapter 673**

No one at the scene expected that Regnar, who was still scolding Marven just now, and even pressured Mr. Song to give an explanation, would change so quickly.

Even Roger himself was stunned!

He blurted out subconsciously and asked: "Dad! Why are you so polite with such a live-in son-in-law? Don't forget, when he was outside, he called our house rubbish!"

Regnar blurted out, "b\*stard! You shut up!"

There are some things Ragnar could not say in front of so many people.

However, he was already roaring in his heart.

You bastard, do you know a bullshit?

When you are young, in your twenties, and your body is at its peak, you can sing songs every night, drink swigs every day, go to bed at three o'clock, start at nine o'clock, and stay up all night, but it's not working anymore like that for him!

His current state is that a typical full man does not know that a hungry man is hungry!

He eats big fish and meat every day, and doesn't even understand why a person who hasn't eaten for three days would bend his waist for five buckets of rice.

That's because he has never tasted the feeling of hunger!

He doesn't know the feeling of being hungry that makes him flustered, swollen hair, weak limbs, and uneven breath. He will never realize the original intention of someone kneeling for a steamed bun!

For Ragnar, although a person has not really reached old age, his body must be much worse than when he was young. He has money, status, and strength, but he has no youth. Therefore, he saw the changes of Mr. Song. It is so big, deep down in his heart, he has longed for it.

Saying five hundred million to buy one such magical medicine, even if it is five billion, he is still willing to buy it!

After Roger was scolded by his father, his expression became very ugly.

However, he did not dare to speak against his father again, because he knew Ragnar's temper, if he said more, he would most likely be beaten in public!

When Roger was downcast and wanted to retreat, Ragnar saw that Marven had no response to his offer, and hurriedly scolded Roger, who was about to retreat, "bastard thing, why don't you get out, and apologize to Mr. Ye?" !"

Roger's eyes were incomparably wrong, and he subconsciously said, "Dad, you let me apologize to him?!"

Ragnar yelled coldly: "Yes! Come over and apologize to Mr. Ye, otherwise I can't spare you!"

Under the gaze of so many people, Roger was so demanded and reprimanded by his father, that he wanted to die deep in his heart.

Especially Warnia is also looking at him, and her eyes seem to be a bit ridiculous and playful...

This made Roger suffocate the fire!

At this moment, he really couldn't help it, and blurted out: "Dad! You just kill me, I can't apologize to this kind of smelly rug!"

After that, he turned and walked out.

Seeing this situation, Regnar suddenly became angry!

The biggest shortcoming of his own son is that he doesn't know how to deal in current affairs.

Even if you are a billionaire, sometimes you should lower your body, you must lower; if you want to kneel down, you must kneel down.

He had never seen the magic medicine of Rejuvenation Pill, and now he has seen it, he definitely cannot miss it!

If this is missed, it would be a pity for a lifetime!

In the face of such things, the dignity of the son is a bullsh\*t? !

Just when he was about to stop Roger, Marven, who had been silent for a while, smiled lightly and said, "Mr. Wu, since Mr. Wu is unhappy, don't make it difficult for others. As the saying goes, the twisted melon is not sweet, strong. The required apology is boring."

After that, he stopped paying attention to Regnar, and instead said to Mr. Song: "Mr. Song, Rejuvenation Pill can at least extend your life for more than ten years, and it will be easy to live to be a hundred years old. I hope you will have a birthday party for a hundred years. At that time, don't forget to invite me."

As soon as he heard this, Mr. Song was excited with tears in his eyes, knelt on the ground with a thud, and said piously: "I thank Mr. Ye for this reinvention! The kindness of Mr. Ye is unforgettable!"

Marven smiled and nodded, and said faintly: "Don't just thank me, but also thank your good granddaughter Warnia. If it weren't for her, I wouldn't get to know your Song family, let alone take this precious one. The incomparable rejuvenation pill is given to you, so you must not treat her badly in the future!"

In a word, Warnia trembled all over!

She knew in her heart that Marven was giving herself a gift!

A big gift that she can even inherit from the Song family!

#### **Chapter 674**

She looked at Marven very gratefully, and the emotion in her heart for him was sublimated again!

She even felt that Marven's kindness to her was enough to pay it back with her life!

When Honor heard this, his heart was very angry.

He blames!

He blamed Marven for being nosy!

Blame him for renewing his life for Mr. Song!

Even blamed him for giving credit to Warnia!

However, he didn't dare to show the slightest bit of resentment in his heart, and could only be murderous in his heart.

At this time, Mr. Song nodded his head and said piously: "Old Song will remember Mr. Ye's instructions!"

After that, he leaned down again, kowtowed and thanked!

Father Song knelt down twice, and Marven had a chance to stop him, but Marven did not do so.

The reason for this is simple, because Marven felt that he should kneel!

He gave him such a good fortune, so that his lifespan has increased sharply for more than ten years. This kind of good fortune is so great that he will kneel and knock himself twice, even if he will knock himself twice every day for the rest of his life!

Ordinary people believe in gods and pray three times and nine worships in front of the gods every day. Can the gods give him ten years of life?

Can't!

Gods can't, but he can!

Therefore, it is entirely natural to receive two kowtows from his Old Master Song!

Seeing this, the children of the Song family all came forward one after another, first of all, Tianming Song, the eldest son of Mr. Song, and his third and fourth brothers.

The three brothers came to the front and immediately knelt behind Mr. Song.

Tianming Song held up his arched hands and said loudly, "Thank you Mr. Ye for giving my father such an opportunity. Tianming Song, the son of Song patriarch, thanks you Mr. Ye!"

After finishing speaking, one head knocked on the ground, and he couldn't afford it for a long time!

His third and fourth brothers also learned the same way, and they all thanked as well!

Honor and Warnia also walked to the front and knelt behind them.

Honor was extremely resentful, but he still shouted with a pious face: "Thank you, Mr. Ye, for giving me such an opportunity. Song Honor, thanks you Mr. Ye!"

Warnia glanced at Marven deeply, her eyes were quite complicated, with gratitude, admiration, and awe.

Immediately, she knelt on the ground and said in a very beautiful voice: "Thank you, Mr. Ye, for giving me such an opportunity. Warnia, the granddaughter of Song parents and granddaughter, thanks you Mr. Ye!"

The remaining little grandchildren and little granddaughters followed suit and knelt down and thanked him one by one.

Today, it's Mr. Song's 80th birthday!

Originally, he should be sitting in the main seat, accepting the worship and blessings of his descendants.

And now, all the descendants of Song, from the 80-year-old man himself to the seven or eight-year-old grandsons, all kneeling down, facing the indifferent Marven, extremely grateful, kowtowing their bodies and heads!

This scene stunned everyone on the scene!

This, but the first family of Wrester!

Now, everyone in this whole family kneels and kowtows to Marven!

However, no one at the scene felt that it was a shame for the whole family to bow down together.

On the contrary, they are very envious in their hearts! Even so jealous!

why?

Why did this great opportunity not fall on them? !

### **Chapter 675**

Regnar developed a strong jealousy towards Mr. Song.

If he knew this medicine was so magical, even if he grabbed it, he had to get it in his hands!

It's a pity that he actually offended Marven with eyeless eyes.

Before that, he wanted to kill Marven so that his son could better pursue Warnia.

But after that, he just wanted to ask for a rejuvenation pill from Marven.

As for who the son will marry in the future, this question is no longer so important in the face of Rejuvenating Pill.

So, he took advantage of the gap between the Song family's kneeling and rushed out of the Song family villa, preparing to bring back the resentful Roger.

Roger said angrily, "Dad, what are you asking me to do? Go and apologize to that waste?"

"Yes!" Regnar said sharply, "Apologize first. If apology doesn't work, then kneel down and apologize! If kneeling down and apologize doesn't work, just kowtow and apologize. In short, you must let him forgive!"

"Why?!" Roger suddenly exploded!

"Let me kowtow to him and apologize? Then you might as well kill me! Don't you see that Warnia likes him? If I knelt down and apologize to him again, then I will have no chance to pursue Warnia!"

Regnar said coldly: "Now, what matters is not whether you can marry Warnia, but whether I can get Marven's Rejuvenation Pill!"

Roger blurted out: "Dad, you are still young, what do you want that stuff for?"

"Young?" Regnar laughed at himself and blurted out: "In any case, you must first get a rejuvenation pill from Marven. Now, nothing is more important than this!"

Roger's eyes were about to split: "Dad! Have you forgotten our plan?! Kill Mr. Orvel today, and Marven tomorrow! Are you just for a rejuvenating pill and you are not caring about anything?"

Regnar glared at him and said coldly: "Why don't you know anything about strategy? If Marven is a mountain in front of us, then we must blow him up and flatten him, but now we find it in this mountain. After the treasure, can you still blast him to pieces and flatten him?!"

Roger asked subconsciously: "Dad, what do you mean..."

Regnar's expression flashed a bit sullenly, and he said coldly: "First hollow out the treasures in the mountain, and then blow the mountain to pieces, this is the choice that a wise man will make!"

Hearing this, Roger smiled and blurted out, "Dad, what do you mean, get the Rejuvenation Pill first, and then kill Marven?!"

"Yes!" Regnar said coldly: "Didn't Marven just say that? This Rejuvenation Pill was obtained by chance. Since he is willing to give Old Song one, it proves that he definitely has a surplus! Otherwise! If it is, whoever it is, it is impossible to give the only rejuvenation pill to outsiders!"

Speaking of this, Regnar snorted and said resolutely: "I guess Marven has at least a few rejuvenation pills on him. If you can get it, you can protect my Wu family for a hundred years!"

Roger hurriedly asked: "Then after getting the Rejuvenation Pill, do you still have to get rid of Mr. Orvel and Marven according to the original plan?"

“Of course!” Regnar said with a gloomy expression: “Not only them, I will get rid of all the people who stand by Marven in Wrestrvel! Even Old Song even this nasty Old Master! d\*mn, no wonder This old thing doesn’t even give me the face. It turns out that he discovered that Marven has such a great value!”

Roger asked tentatively: “Dad, do you want to do something with the Song family?”

Regnar nodded and looked around to make sure that there was no one. Then he said seriously: “First find a way to get the Rejuvenation Pill, and then kill Mr. Orvel and Marven. Then, I will give the Song family a way to survive. Let them marry Warnia to you obediently. If they still don’t know how to praise you, then they can’t blame me for being rude!”

After that, Regnar said again: “However, before this, you must listen to my instructions, and you must not be arrogant anymore!”

### **Chapter 676**

Roger immediately said excitedly: “Dad, I listen to you!”

Regnar nodded in satisfaction and said, “Come, come in and ask Marven for medicine with me!”

“Ask for medicine?” Roger asked hurriedly, “How can I ask for it?”

“Kneel!” Regnar said indifferently, “The whole Song family knelt down, and we have to kneel too!”

“Kneel? Kneel to Marven?!” Roger immediately jumped up and said excitedly: “Let me kneel to him?! Dad, you might as well kill me!”

Regnar frowned and observed at him: “What I just said, you should bullsh\*t again now?”

Roger said with a sad face, “Dad, this is kneeling! When did I kneel down to anyone other than you and grandpa! Didn’t you keep saying that men have gold under their knees?”

Regnar sneered: “When Han Xin was humiliated by his hips, if he was the same as you thought, then he wouldn’t be able to be named God of War by future generations!”

After that, Regnar asked in turn: “What about kneeling if a big man can bend and stretch? Kneel first and then kill him, he is a true hero!”

When Roger heard this, he nodded, and said angrily: “Okay, I will listen to my dad...”

Regnar patted him on the shoulder and said with a smile: “Being able to bend is already a huge improvement!”

After all, he couldn’t hide his excitement and said: “Come, follow me in!”

.....

In the banquet hall at this time, Marven had helped Elder Song to get up.

As Father Song got up, the other Song family members also stood up.

Everyone's birthday gifts were also offered, so Marven returned to his seat and let Old Master Song continue the birthday banquet.

Back at the dinner table, a group of people gathered around, all around Marven, talking all kinds of pleading words in excitement.

Everyone came rushing to rejuvenate.

Some people have even started to bid for 300 million, 400 million, and even 500 million all the way.

Marven said calmly, "Everyone, I got the Rejuvenation Pill by accident, but it's gone now."

Someone recognized Marven, knowing that he was Mr. Ye who led Hong Kong master to death at the metaphysical conference, so they shouted: "Mr. Ye, you are the supreme of Nanguang, this spring pill, surely Did he refined it himself? Please show mercy and refine a batch for us old men. We are willing to offer the highest price!"

Marven thought to himself, if people knew that he could regenerate the spring pill, he would not be at peace in this life, so he said lightly: "Even if I am the Supreme Master of Nanguang, there are some things that I can't do with my ability."

As Marven said, he couldn't help showing a look of regret, saying: "According to my research, this rejuvenation pill is a product from a genius doctor and warlock in ancient times, and it is a pill that was refined for emperors and generals. This pill is extremely refined. Difficult, many medicines have even disappeared, and even the refining method has been lost. It is impossible to re-refining, but rest assured, if I have the ability to copy the rejuvenating pills in the future, I will definitely share it with you by then! "

When everyone heard this, it was worth giving up, and at the same time they hope that Marven can really copy the Rejuvenation Pill.

Hearing this, Roger, who had just entered the door, heard this, and Roger hurriedly said to Regnar: "Dad, Marven has no rejuvenation pills!"

"Nothing?" Regnar smiled contemptuously and said confidently: "I don't believe it!"

## **Chapter 677**

Roger saw his father firmly believe that Marven must still have a rejuvenation pill, so he looked at him and blurted out and asked, "Dad, are you really going to find him and beg for a rejuvenation pill?"

"Yes." Regnar nodded, and said: "You will come with me later, I will apologize to him for you, you kneel down and beg for forgiveness, and then I will tell him about it."

Roger's expression was a little depressed: "Dad, you mean I kneel down to admit his mistake, and then you sing red face in the middle?"

Regnar glanced at Roger sideways, and asked, "Do you have an opinion?"

Roger was startled by the look in his father's eyes, and hurriedly waved his hand and said, "No...I have no opinion!"

Regnar nodded in satisfaction and said: "I said, a man must be able to bend and stretch. If you kneel is useless, I will kneel as well. As long as I can get a rejuvenation pill, I can call him father. In this world is there anything more important than life?"

"Okay..." Roger knew that his father had been completely hooked by the Rejuvenation Pill, and it was useless to say anything at this time.

When the father and son were walking back, Marven sent everyone around him away.

The banquet was about to begin, but he looked around, only to find that the table he was sitting on was two places empty.

These two positions were prepared for Tianqi and his granddaughter Zhovia.

Marven couldn't help but wonder.

Based on his understanding of Tianqi, Tianqi had a strong sense of time and kept his promises. He should not be so late.

Thinking of this, Marven took out his mobile phone and called Tianqi.

Soon, the call was connected.

However, it was Zhovia who answered the phone.

"...Mr. Ye..."

Zhovia's voice was a bit nervous and aggrieved.

Marven hurriedly asked: "Zhovia? Where's your grandfather? Why didn't you come to Mr. Song's birthday party?"

Zhovia sounded with an angry voice: "Ye...Mr. Ye, my grandfather's hospital was smashed! He is busy cleaning up, and may not be able to come to the birthday banquet because he is afraid that it will affect everyone's mood. I didn't tell you and Mr. Song..."

Marven wondered, Tianqi was famous, why would anyone not open eyes and smash his shop?

So he hurriedly asked: "Who did it?"

Zhovia said: "They were the two fathers and sons of the Wu family in Suzhou. They wanted my grandpa to go to Suzhou to treat Wu Qi in their home. My grandfather felt that Wu Qi's actions were too despicable, so he didn't agree to see him. So they smashed the medical hall!"

Marven looked cold!

It turned out to be the Wu family father and son? !

A bit of anger flashed in his heart, and then quickly asked: "You and Mr. Shi are not injured, are you?"

Zhovia hurriedly said: "No, I was not in the store at the time. When I came back, the store had been smashed, and the Wu family had already left, but Grandpa was fine, it was just the store they smashed."  
"

Marven heard that the two of them were not injured, so he relaxed, and said with a cold face, "Zhovia, tell Tianqi, I will deal with this matter."

With that, Marven hung up the phone, a cold wave appeared on his face.

Sure enough, the Wu family man and his son were arrogant, and they didn't know how to constrain when they came to Wrestvel.

### **Chapter 678**

Why did Tianqi want to set up a Clinic in Wrestvel? Didn't they stay here just because they wanted to repay his kindness?

As a result, the Wu family father and son actually smashed his Clinic. With this breath, he couldn't swallow anything!

Unexpectedly, at this moment, Regnar returned with Roger.

Moreover, instead of bringing Roger back to his table, he took Roger directly and rushed to Marven!

When he came to Marven, Regnar immediately arched his hand and said respectfully: "Mr. Ye, the dog had no eyes and no beads just now, and he offended you. Now I will bring him to apologize to you. I hope you will not remember the villain. Don't be familiar with him in that regard!"

Marven just hung up the phone and was angry. Unexpectedly, Regnar took Roger to apologize. He knew that Regnar wanted to get the rejuvenate, so he made a plan and smiled calmly: "Mr. Regnar, use you and your son In other words, I'm just a live-in son-in-law and a Rubbish sling. Where can I be worthy of the apology of Mr. Regnar? For Mr. Regnar, I'm a Rubbish sling. You can scold or beat whenever you want?"

When Regnar heard this, he knew that Marven didn't plan to just let it go.

So, he immediately shouted to Roger with a calm face: "b\*stard thing! Don't you want to kneel down for Mr. Ye!"

As soon as this word came out, many people turned their attention here.

They questioned from the bottom of their hearts, would the Wu family really kneel down to Mr. Ye? !

Roger's angry scalp was numb, and his whole body was hot!

What he said was also the young master of the Wu family. In Wrestvel, he was a super rich second generation. He asked him to kneel down for a Wrestvel waste home son-in-law. If this spreads out, how will he see people in the future?

As he hesitated to see, Marven suddenly glanced at his father next to him, and Roger was shocked. He was afraid that Regnar would be angry, so he could only bite his head, bent his legs and knelt on the ground angrily.

"Hey! Young Mr. Roger really kneeled!"

There was an uproar at the scene!

Roger's face was so hot that he wanted to die.

Regnar didn't speak after seeing him kneeling, and immediately shouted, "What are you doing in a daze? Don't apologize to Mr. Ye quickly!"

Roger could only say in an irritating voice: "Mr. Ye, I'm sorry, I was wrong, please forgive me!"

Marven said calmly: "Apologizing without sincerity, in fact, it's better not to say it. This will save everyone's time and don't waste everyone's feelings."

When Regnar heard this, he suddenly understood that just letting his son kneel down was not enough to impress Marven.

So he shouted angrily and said, "Don't kowtow to Mr. Ye and beg Mr. Ye for forgiveness!"

Roger clenched his teeth, leaned over and kowtowed, "Mr. Ye, please forgive my impulse, and I'm extremely sorry!"

Marven smiled playfully and said, "Since you apologize so sincerely, then this incident has never happened."

Regnar finally breathed a sigh of relief and couldn't wait to blurt out: "Mr. Ye, I have something to ask for! I don't know if Mr. Ye can sell a rejuvenating pill, and would like to make a billion!"

The people present all exclaimed!

It was five hundred million just now, but now it has become one billion in the blink of an eye? Sure enough, the Wu family is rich. In the Wu family's eyes, one billion 800 million may be nothing at all.

Marven smiled slightly at this time and said, "Mr. Regnar, you think too much. Don't say I don't have a rejuvenation pill now. Even if I have it, it's impossible to sell it for a billion. Even if I sell it for a billion, it's I will never sell it to you!"

Having said that, Marven snorted coldly, and said: "I am a man who bears a lot of grudges. I clearly remember that you have been clamoring for me to be responsible for the beating of Liu Guang and you have to make me pay the price. Came to me for medicine, do you think I am a goldfish with only seven seconds of memory?"

### **Chapter 679**

Hearing what Marven said, Regnar felt tight.

Knowing that Marven would not be so easy to give up, but he offered a sky-high price of one billion. He thought that he was looking at the face of money and would no longer take into account the contradiction just now.

But what he didn't expect was that this guy didn't pay attention to the sky-high price of one billion at all. Once he came up, he would go through the old account with himself.

If it is normal, no matter how big the business is, and encountering such a negotiating opponent, Regnar will also walk away.

But now, he really didn't dare to leave.

Because, deep in his heart, he was completely unable to resist the temptation of Rejuvenation Pill, as if he had been stunned by it, so that his mind was full of it and the effects of consuming it.

So he knelt down almost without hesitation, clasped his fists in his hands, and said to Marven piously: "Mr. Ye, just now it was someone Wu who didn't know Your excellency. All colleagues in Wrestrvel respect you as a true dragon on earth. Please don't be familiar with me, a common man!"

Regnar speaks very well.

In order to prevent the opponent from stepping on himself, he deliberately lifted the opponent up high. At this time, most people couldn't care more about him.

However, Marven was not just celebrating the festival with the Wu family and his son at this time, but more importantly, they actually smashed Tianqi's the Clinic.

With this tone, Marven had to give it out, and he wouldn't be upset.

So Marven looked at Regnar, smiled lightly, and said: "One billion is indeed quite sincere, but Mr. Regnar, your manners seem to be inferior to your son."

Regnar was taken aback for a moment, and instantly realized that Marven didn't think he had knocked his head.

He didn't think that kowtow was a shame, after all, it was for rejuvenation!

Thinking of this, he didn't hesitate and bowed.

After kowtow, Regnar raised his head and said piously: "Mr. Ye, please give Wu a chance. As long as you are willing to sell a rejuvenating pill to Wu, Wu will immediately credit one billion in cash into your account! "

Marven looked at him, smiled playfully, and said: "The rejuvenation pill is simple, in fact, you guessed it, I do still have the rejuvenation pill, but I keep it for myself, but since your price is right, then I can also consider selling it to you..."

As he said, Marven reached into his pocket and slowly took out a small wooden box exactly the same as the one given to Mr. Song. After opening it, it was indeed a rejuvenating pill inside.

After the Rejuvenation Pill was taken out, Marven stood up and said to everyone present: "Everyone, Rejuvenation Pill is very important. I just hid a private with you, and I hope you will forgive me. I will tell you all here. This Rejuvenation Pill, there is indeed one more, but this one was prepared for myself, and sincerely did not intend to sell it, but President Wu was sincere and quoted a high price, so I really have to consider it carefully. "

Although everyone was greedy for this rejuvenation pill, they were helpless.

After all, there are too few people who can come up with a billion in cash.

It is estimated that no more than five people were present.

Besides, who would dare to compete with Wu's family at this time?

For this medicine, Regnar, father and son, knelt on the ground to Marven. If he bids at this time, he still hates him?

Regnar looked at this rejuvenating pill, smelling the fresh medicinal fragrance from the rejuvenating pill, and said with excitement: "Mr. Ye, as long as you are willing to sell it, one billion in cash will be paid immediately!"

Marven smiled slightly: "Don't worry, before we talk about Rejuvenating pill, there is one more thing that we haven't talked about clearly."

"Also?" Regnar frowned and asked, "What's the matter?"

Marven's expression gradually became gloomy, and he asked in a cold voice, "I and Tianqi are also considered to be year-end friends. You father and son smashed Tianqi's the Clinic. How is this incident?"

When these words came out, Old Song could not help but frown, his face was gloomy, and he blurted out: "Regnar, the genius doctor Tianqi is an expert in Wrestrvel, who has saved the lives of unknown number of people, and he and the Old Master are also good friends. Why did you smash his hospital?!"

When Regnar heard this, his head was as big as a fight.

Unexpectedly, Tianqi and Marven would still have a happy relationship? !

## Chapter 680

This is really tricky!

He didn't know this relationship before! He just thought it was nothing more than a well-known old Chinese doctor. Since he couldn't beat him, he just smashed his shop and gave him a little pressure to force him to agree to see his young son.

But he didn't expect to cause trouble here.

However, he had to be eager to get the rejuvenate. At this time, his eyes rolled and he could only point to Roger beside him, and said indignantly, "Hey! This is my son, who is impulsive and ill-considered! I have no choice but to teach my son.!"

Roger's facial expression twitched.

He really didn't expect that he would instantly become his backer.

Although he was very angry, he did not dare to show his dissatisfaction.

Since he let him carry this pot, he can only grit his teeth!

So, he lowered his head and said: "I'm sorry, it was my impulse to smash the shop where the genius doctor was. Please forgive me, Mr. Ye!"

Regnar also hurriedly said to the side: "Mr. Ye can rest assured that all losses of the genius doctor will be compensated ten times!"

Marven said lightly: "There are some things that can't be solved by losing money."

Regnar hurriedly asked, "How does Mr. Ye want to solve it?"

"Me?" Marven looked at him and said with a smile: "My solution is very simple..."

With that, Marven deliberately slowed down the rhythm a bit, and looked at Roger.

With eyes facing each other, Roger was a little flustered by the fierce air in Marven's eyes.

While he was still speculating about what kind of solution Marven would propose, Marven suddenly shot, grabbed his right wrist, and then gently twisted...

Just hearing a click, Roger's right wrist was broken directly by Marven!

"what!!!"

Roger screamed in pain, his complexion immediately turned red, then turned pale again...

"Ah...Broken! My hand is broken! Marven, you are looking for death!"

Marven directly threw away his severed hand and said coldly: "Since you smashed Tianqi's shop, then I will abolish your hand. This is called organ Exchange!"

Roger yelled in pain and shouted: "Dad, this rubbish broke my hand. I want to kill him! I want him to die!!!"

Regnar was also dumbfounded. He didn't expect that Marven would directly act on his son, and the shot was so harsh that he would abolish one of his son's hands when he came up.

However, at this moment, he was still looking forward to that rejuvenation pill in his heart.

For him now, if Marven is willing to sell him the Rejuvenation Pill and his son has his hand broken, he can still bear it. After he has taken the Rejuvenation Pill, he will find Marven to settle the account!

So, with a black face, he opened his mouth and said: "Mr. Ye, my son has already paid the price for smashing the genius doctor's Clinic. Now you can sell me the rejuvenating pills, right?"

"Rejuvenation Pill..." Marven took the Rejuvenation Pill out of the small wooden box and placed it in front of him several times.

At this time, Regnar looked at this rejuvenation pill, his eyes were about to shine!

However, he did not expect that Marven suddenly smiled faintly at this time, and said jokingly, "Compared to your billions, I still think it's better to eat!"

After speaking, he stretched out his hand and put the Rejuvenating Pill in his mouth, chewed it twice, and swallowed it directly!
