

The Amazing Son In-Law Chapter 701-710

Chapter 701

Before that, every time Liu Ming came to Tianxiang Mansion to find Orvel with the word "Poor Hanging" on his forehead, his heart was extremely broken.

Every time he came over, he would be watched by the guests and waiters of Tianxiang Mansion, which made him feel a kind of extreme humiliation.

However, today is different.

Today is the last time for Orvel to die. After tonight, Orvel will completely pass away in Wrestvel! Instead, his father, Liu Guang will be the boss now!

At that time, his father will become the underground emperor of Wrestvel!

At that time, people will respect him as "Mr. Liu Guang"!

"At that time, I will also remove the humiliating scar on my forehead, and I will always be free from the shadow of the word poor hanging."

At the thought of this, Liu Ming was almost excited.

At this time, after seeing his son in the car, Liu Guang hurriedly said respectfully to Jones Zizhou, the Wu family bodyguard, "Mr. Zizhou, everything will depend on you later!"

Jones Zizhou nodded coldly and said, "Don't worry, no one in Wrestvel is an opponent of Jones Zizhou! This Mr. Orvel won't survive tonight!"

Liu Guang was extremely excited.

At this moment, he and his son have been looking forward to it for a long time.

.....

At this moment, Orvel directly invited Dave and others to the Diamond Box of Tianxiang Mansion.

He protected Dave all the way, pointed to the noblest seat among them, and respectfully said: "Mr. Xiao, please come to your seat."

Dave was still a little uncomfortable. He looked at President Pei and said, "President Pei should be here!"

President Pei's heart was tense, and he hurriedly waved his hand and said, "Oh, Dave, how dare I sit in the seat! You should come!"

If Dave asked him to take a seat just now, he would have taken it without thinking.

After all, he is the president and the person in charge of the Calligraphy and Painting Association. It is normal to be here.

However, after seeing Orvel being so polite to Dave, he suddenly felt a little timid. Fortunately, he didn't show up in front of Dave like Sun Youcai. Otherwise, he would go to the pig farm to experience a special life with the old sow. Opportunity, he has his own.

When other people saw this scene, they hurriedly echoed: "Yes, Brother Xiao, you must be the one to sit here, please hurry up!"

Dave was still very proud of being touted in the clouds and mists, so he smiled: "Haha, since everyone is so enthusiastic, it is hard to be kind, I won't be polite to everyone!"

After he finished speaking, he sat on the main seat, and Xuwen and Chairman Pei sat on his left and right.

After Orvel waited for him to take his seat, he smiled and said, "Mr. Xiao, please wait for a while. The food will be ready soon. You can use tea first."

While he was talking, a beautiful female manager walked into the box and came closer to Orvel's ear and said: "Mr. Orvel, that kid from the Liu family has come to see you."

After listening to that, he immediately became happy and said: "Well, today is the day when Mr. Xiao became the standing director of the Painting and Calligraphy Association. Since this kid is here, call him into the box. To help Mr. Xiao!"

The beautiful female manager got the order and bowed slightly and walked out of the diamond box.

When Dave heard that, in addition to allowing himself to use the diamond box, Mr. Orvel also specially prepared a celebration program. He was flattered and said: "Mr. Orvel, you don't need to be so polite..."

Orvel waved his hand and said with a smile: "Haha, this is what I should do!"

After speaking, he played a dumb riddle and then said: "Mr. Xiao, don't worry, the show I prepared for you is definitely the only one in Wrestvel, and it has something to do with your son-in-law, Mr. Ye. I promise to make you shine!"

Upon hearing this, everyone was also interested, sitting in their respective positions, looking forward to it.

Chapter 702

After a while, the beautiful female manager turned back again, and this time, behind her, there was a young man who shrank and dared not look up.

Dave and the others in the Calligraphy and Painting Association were immediately confused and said to their hearts, this kid is the show Mr. Orvel prepared?

This young man, there is nothing outstanding about him!

However, at this moment, when the young man in front of him walked into the box, without saying anything, he immediately bowed to Orvel and said respectfully and fearfully: "Uncle, I'm here to report to you. Please review it."

The person who came was Liu Ming.

On the same day, after mentioning the word "poor hanging" in the Champs Elysées Hot Springs, Orvel clearly told him that he would come to his front every other week to check it out in person.

In order to make sure this guy dare not do any scar removal repairs, let alone plastic surgery.

However, Orvel didn't know that he came here today not to make a point, but to make a stand.

From entering the door to now, Liu Ming has been counting the number of security guards silently.

After entering the box, he took a closer look at the people in the box.

Seeing that the box was full of old men, he was relieved.

Even if this Old Master is a friend of Mr. Orvel, he might not have any practical combat effectiveness. With a machete, he can knock them down.

At this time, Orvel said to Liu Ming: "Liu Ming, these are the leaders of our Wrestvel Calligraphy and Painting Association. Since it is the Calligraphy and Painting Association, it is natural to have a lot of research and attainments in calligraphy. Lift up, let Mr. Xiao and the others look at the human calligraphy on your forehead, and let everyone comment on it!"

Hearing this, Liu Ming's heart was instantly humiliated!

He wanted to turn around and leave, but he knew very well in his heart that his father was still waiting for him to go back and report the situation before bringing someone in.

Therefore, he must hold back now, and do a full set of acting!

Thinking of this, he could only grit his teeth, slowly raised his head, and showed his forehead to everyone present.

Although these old men are not young anymore, they are more or less presbyopic, but the words "poor hanging" on his forehead are really eye-catching! Everyone recognized it at a glance!

Chairman Pei said in surprise: "This...what's going on? This little gentleman, why should you engrave the word "poor hang" on his forehead?"

Orvel sneered and said: "This little brother usually has a bad mouth, and he likes to call others poor. He accidentally offended Mr. Ye and even called Mr. Ye Poor hanging. Since he likes to say these two words,

then we engraved them on his forehead so that he will accompany these two characters for the rest of his life.

Dave asked in surprise, "Is this lettering on his forehead because he offended my son-in-law?"

"Yes!" Orvel nodded and said, "Your son-in-law, Mr. Ye!"

President Pei said in surprise: "Oh, Dave, why haven't you told us that you have such a powerful son-in-law!"

"Yeah!" Xuwen also sighed: "Dave, what you hide is too deep, it's really low-key!"

Dave laughed and said, "Oh, my son-in-law is very low-key, so I'm not too high-key!"

Everyone complimented.

Liu Ming looked at Dave with a smug look and thought viciously, it turns out that this old thing is the b@stard father-in-law of Marven!

It is going to be a jackpot today!

Today, he must take his life!

Think of it as asking d*mn son-in-law for some interest!

Chapter 703

After Liu Ming was ridiculed by the crowd, he was sent out by Orvel.

If he always goes out of Tianxiang Mansion, he will definitely go home with his forehead.

But this time, instead of covering his forehead, he walked back to the parking lot with a murderous look and got into the car that Liu Guang and Jones Zizhou were in.

Liu Guang had been waiting here for a long time. When Liu Ming got in the car, he hurriedly asked: "Son, what's the situation inside?"

Liu Ming gritted his teeth and said: "There are more than 30 waiters and security guards, but more than half are women. The ones who are really a bit combative are twelve security guards."

Liu Guang turned his head to look at the middle-aged man who was next to him, and said worriedly: "Mr. Zizhou, are you sure with so many people? If you start working in a while, will you not suffer?"

Jones Zizhou sneered coldly and said, "Don't say that more than half of the 30-odd people are women. Even if they are all security guards, it is useless to us!"

Liu Guang immediately complimented: "Mr. Zizhou is really extraordinary! I admire it!"

Jones Zizhou nodded arrogantly, looked at Liu Ming again, and asked, "Where is Orvel now?"

Liu Ming blurted out: "Orvel is in the Diamond Box on the top floor!"

As he said, he said with a look of excitement: "Dad, Mr. Zizhou, I found a surprise in there!"

"Oh? What is it?" Liu Guang asked quickly.

Liu Mingyin smiled coldly, and said: "I found Marven's wasteful Old Master in there, he is also eating here! And he was in the diamond box, Orvel was also there to wait on him, and we will go in for a while, do you want him? Kill them together?"

"Marven's father-in-law?!" Liu Guang was overjoyed when he heard this, and said: "It's really easy! At Old Song's birthday banquet today, this Marven beat me! Get him first today! Dave pays some interest now!"

If he can kill Marven's father-in-law, he will be able to avenge himself and his son. Secondly, Mr. Wuxin hates Marven. If he kills his father-in-law, Mr. Wuxin will definitely treat him differently.

Thinking of this, he turned his head to look at Jones Zizhou, and said, "Mr. Zizhou, how Marven treated Mr. Donghai and the young master at the Song family birthday banquet. You must have heard of it too. Since Marven's wasteful Old Master is also there. Do you think we should get rid of him too?"

Jones Zizhou nodded and said: "Marven insulted my master and young master. I naturally wish to cut him a thousand times. Since I meet his Old Master, I have no reason to spare him!"

Liu Guang nodded excitedly, and said, "Then let's go in together, and let them die today!"

...

The other side.

In the diamond box of Tianxiang Mansion, a variety of dishes are served on the table, which can be described as a delicacy.

As the underground emperor of Wrestrvel, Orvel said with respect to Dave at this moment: "Mr. Xiao, I specially asked the back chef to prepare this table of special health-preserving dishes. I hope it will suit your appetite. These ingredients are the ones that the only top-class in Wrestrvel can buy, and it is natural and without any additives."

Dave's saliva flowed down looking at the various delicacies in front of him.

Even before the Xiao family went bankrupt, he had never been to such a top restaurant, let alone eaten such good things.

Sometimes, he dreams of experiencing the extravagant life of such a master. He can order a top-quality shark fin, a top-quality abalone, and steam an Australian lobster or king crab in the restaurant.

However, for so many years, he has never had such an opportunity. He has eaten the most expensive meal, which had the per capita is only two thousand. Today, he has already spared it, and he is ready to eat a meal of two or three hundred thousand per person.

Chapter 704

But Orvel's preparations today were truly extravagant. One serving of the best double-headed abalone cost 8,880. Dave was dumbfounded.

Let alone black truffles, caviar, and other delicacies, it costs thousands for a casual serving.

This meal, if calculated according to the specifications, is already at least two to three million!

Dave had never eaten such an expensive meal in his entire life. He was so excited and busy eating that he said to Orvel: "Mr. Orvel, thank you so much for your great hospitality!"

Orvel smiled slightly, took out a business card of his own from his pocket, handed it to Dave's hand, and said: "Mr. Xiao, this is the next business card, please keep it! Next time you come to Tianxiang Mansion again, Give me a call and I will immediately ask someone to pack out the diamond box and use it as you like."

After Dave took the business card, he was filled with joy.

Other people in the Calligraphy and Painting Association were even more enthusiastic when they saw such a scene!

This Dave is really amazing! The famous Orvel is like a grandson in front of him, and there is no such thing as a big boss.

Mr. Orvel not only served dishes and poured wine in the box himself, but even took the initiative to pour a glass of white wine. He came to Dave's face and said respectfully: "Mr. Xiao, I toast you a glass!"

Dave immediately held up the wine glass flattered, touched Orvel, and then drank the wine in the glass.

After a glass of wine, he couldn't help sighing: "Oh, this wine is really delicious!"

Mr. Orvel smiled and said: "This is a 40-year-old Moutai, and you need a six-figure bottle for a kilogram. Mr. Xiao will drink more if he likes it. I will let someone bring two more bottles later. !"

Dave hurriedly thanked: "Oh, Mr. Orvel, I really don't know how to thank you! You are so kind!"

"I should be!" Orvel said piously: "Mr. Ye treats me as kind as a mountain, and you are Mr. Ye's father-in-law. I naturally have to treat you wholeheartedly to be worthy of Mr. Ye's kindness to me!"

Dave couldn't help sighing, why did this Marven fool? He's almost fooling Mr. Orvel into his dog legs!

Unexpectedly, this guy has no other abilities, but the ability to fool people is really amazing...

Others at the dinner table, seeing Dave having such a face in front of Orvel, had long been willing to cater to him.

President Pei couldn't help holding up the wine glass and said with a smile on his face: "Oh, today I really want to thank Dave for arranging such a show! The Old Master has lived all his life and has never eaten such a luxurious meal. My eye is opened!"

As he said, he said with a serious look: "In addition, today our Calligraphy and Painting Association has ushered in a new executive director. Come, come, let us all respect director Xiao with a glass!"

Everyone was also very acquainted, and they picked up their wine glasses and said with a smile: "Director Xiao, we respect you together!"

When Dave heard that Chairman Pei took the lead in calling himself Director Xiao, he was surprised and said: "Chairman Pei, am I elected?!"

"Of course!" Chairman Pei said with a smile: "Dave, our standing director is none other than you!"

When Dave heard this, he was immediately excited and said hurriedly, "Thank you, President Pei! Thank you, everyone! I will continue to work harder and make more contributions to our Calligraphy and Painting Association!"

Everyone also laughed flatteringly, and then they brought up their glasses together.

When he was about to have a drink, there was a loud bang, and the door of the box was kicked open!

Chapter 705

The people in the box were suddenly startled by the loud noise.

Everyone was too busy to watch and saw a burly middle-aged man walking into the box with a cold face.

And behind him, four middle-aged men with arrogant faces also stepped in.

These five people are Donghai's personal bodyguards.

Liu Guang and Liu Ming followed these men's a** with arrogant faces, with a grin on their faces, very arrogant.

Mr. Orvel frowned when he saw Liu Guang and Liu Ming his son and said coldly: "You father and son are really courageous, dare you to bring someone to kick my Tianxiang Mansion?"

Liu Ming snorted coldly and said, "Orvel, your death is imminent and will not delay your pretending? Tell you, you humiliated me dare not forget for a moment, today we are here to kill you!"

When these words came out, everyone's jaw dropped!

Did they hear him right?

There are people who are bold enough to want the life of Orvel?!

Mr. Orvel also sneered sarcastically at this time: "You want my life? Do you really think that Orvel is eating dry rice? Do you know how many younger brothers I have in Wrestvel?"

Liu Guang said coldly at this moment: "I'm telling you Mr. Orvel, no matter how many little brothers you have are useless, and all of the more than ten security guards in your Tianxiang Mansion have been abolished, and no one can save you now!"

As he said, he pointed to Jones Zizhou beside him, with a vicious expression on his face: "These are all masters of the Wu family. With them, you are hard to fly today, and you are definitely in a place to die! Mr. Wu gives you a chance. You kneel in front of him and lick his shoes clean. He will leave you a whole body. Otherwise, I will smash you into pieces today!"

When Orvel heard this, he couldn't help feeling a little nervous.

It seems that he was still negligent!

For so many years, his position in Wrestvel has been so respected that he has long believed that there are still people in Wrestvel who dared not to touch himself.

Therefore, he did not always carry dozens of bodyguards with him.

He always feels that a dozen security guards in Tianxiang Mansion are good at protecting and to ensure his safety.

But no one thought that the Wu family would actually do something to him!

Moreover, the five bodyguards of the Wu family really looked extraordinary, at first glance they were masters of combat.

It seems that even if he brings twenty people here today, he may not be able to stop these five people!

At this time, Liu Ming pointed at Dave and asked in a cold voice: "You are Marven's, Old Master?!"

Dave said in his heart: "You...what do you want to do?!"

"What do I want to do?" Liu Ming sneered, and said, "Marven's Rubbish, not only humiliating me but also humiliate my father? He is lucky if he is not here today, otherwise, he would get killed here today!"

After speaking, Liu Ming looked at Dave and said viciously: "However, since Marven is not here today, then you, the Old Master, pay some interest for him!"

When Dave heard this, his face paled in fright, and he asked in a panic: "What...what do you mean...what do you want to do?"

"What do I want to do?" Liu Ming gritted his teeth and said: "Of course I am going to kill you! Let your good son-in-law come to collect the body for you!"

Dave was taken aback and immediately wanted to drill under the table.

At the dinner table, the other members of the Calligraphy and Painting Association also hid in the corner for fear of getting hurt.

Jones Zizhou said coldly at this time: "All those who have nothing to do with Mr. Orvel and Dave, get out of here! Otherwise, I will kill them together!"

As soon as the voice fell, President Pei and the others ran out in a panic.

Dave's friend Xuwen was at a loss. He wanted to escape, but seeing that Dave's life was in danger here, he didn't want to abandon him for a while.

Chapter 706

Dave Xiao was trembling in fright at this time. Seeing that Xu WenDollar was still hesitant, he hurriedly said: "Old Xu, go quickly. If this group of people really do anything to you, I can't explain to your family!"

Zhang Zizhou shouted coldly: "If you don't want to go, just stay."

Xu WenDollar gritted his teeth and dared not delay any longer, and hurried out of the box.

Dave Xiao was desperate in his heart, but fortunately Hong Wu was still in the box, so he prayed that Hong Wu could cope with the situation.

However, Hong Wu could do nothing at this time.

This group of people kicked open the door of the diamond box and made such a big movement. If there was no accident, their own people would have appeared long ago.

Up to now, no one has come over, which proves that these people have been ill-adjusted.

Liu Guang gritted his teeth and looked at Hong Wu, and said coldly: "Hong Wu, your death date is here!"

After speaking, he turned his head and said respectfully to Zhang Zizhou: "Mr. Zizhou, please do it!"

Zhang Zizhou nodded, took a step forward, and said, "Hong Wu, come forward and die!"

When Hong Wu was young, he was considered a half-practiceer. He did not accept his fate when he was young. Instead, he prepared a posture to deal with it. He said coldly: "If you want my fate, it depends on whether you have this ability. Now!"

Zhang Zizhou sneered and said, "You are just an ant in my eyes!"

After all, he walked directly towards Orvel Hong.

Orvel Hong looked solemn, but knew that he couldn't give in at this time, so he immediately punched Zhang Zizhou.

Zhang Zizhou sneered, only to punch lightly.

But when the two fists collided, Orvel Hong only felt that his body was hit by a huge boulder, and with a puff, he felt a strong attack. He couldn't stand it, he immediately flew out and fell to the ground. .

Orvel Hong, who fell to the ground, suddenly changed his complexion. He couldn't believe that the strength of this man was so abnormal! It's crushing yourself!

Liu Ming saw this scene, his eyes lit up, and his heart was ecstatic!

And his father Liu Guang is even more excited!

The one who fell to the ground was the underground emperor of Wrester!

However, after tonight, his position will be replaced by himself!

And he will become a dead body!

Thinking of this, Liu Guang immediately sneered: "Hong Wu, aren't you very arrogant and awesome? Now you know what there are outsiders and there are heaven outside, right?"

After all, Liu Guang walked up to Orvel Hong and gritted his teeth and said: "Before killing you, I also want you to taste it. What is humiliation!"

Immediately, he hurriedly said to Zhang Zizhou: "Mr. Zizhou, please help me to control him. I want to engrave the word "poor hang" on his forehead to avenge my son!"

Zhang Zizhou said coldly: "I came to kill him today, not to ask you to engrave him. If you want to engrave, you can wait until I kill him!"

Liu Guang hurriedly said: "Mr. Zizhou, in that case, he won't be able to feel the pain of humiliation and death!"

Zhang Zizhou glanced at him and said, "The surname over there is Xiao, you can engrave it whatever you want, Hong Wu, I will kill him first!"

After all, Zhang Zizhou pinched Orvel Hong's neck with one hand, and lifted the volley with his feet hanging in the air!

Zhang Zizhou only used a little force on his hand, and Hong Wu suddenly felt a sharp pain in his neck, completely out of breath, and it felt more painful than hanging himself. It seemed that his Adam's apple would be crushed vigorously!

At this moment, Hong Wu's face was full of black and purple, his heart had already realized that he would die today!

Chapter 707

As early as when Liu Guanggang rushed into the Diamond Box, Marven Ye left home and drove the old man's BMW car to Tianxiang Mansion.

Originally, he was not prepared to go out so early.

But his mother-in-law Viola Ma kept talking to him at home.

For a while, I disliked Dave Xiao and went to a restaurant to be extravagant. I felt that 20,000 Dollar would be better for her to buy cosmetics, and by the way, I could go to the mahjong hall to rub a few circles with friends;

After a while, I disliked Marven Ye for not going out to work and eat plain rice when he was idle at home;

Later, she said more and more vigorously. She insisted on introducing Marven Ye a job as a security guard in the parking lot. She also said that the salary of 3,000 Dollar a month would be paid to her.

Marven Ye knew that Viola Ma had run out of money recently, and her pocket was cleaner than her face, and she couldn't play outside, so she could only stay at home most of the time.

And as long as she is at home, she will be sulking and complaining constantly.

She was in a bad mood, and Marven Ye was even more unpleasant.

It just so happened that tonight the old wife Dave Xiao and his wife Avella Xiao hadn't come home yet, so Viola Ma kept chirping at him, really annoying Marven Ye, so he went out early, even in the car. Sitting is much better than listening to her complaining at home.

Marven Ye drove to Tianxiang Mansion and stopped at the door of Tianxiang Mansion. He didn't get up in a hurry.

He checked that the time was still early, and it was estimated that the old man would have to sit on it for a while, so he turned off the fire and sat in the car to listen to songs and pass the time.

According to the original plan, the plan was to wait for the old man to call himself after he had finished drinking and had enough food and drink, and then went up to pick him up.

However, after waiting at the gate of Tianxiang Mansion for a while, Marven Ye realized that something was wrong.

At the gate of Tianxiang Mansion, there have always been two security guards and two waitresses. The security guards are responsible for guarding and the waiter is responsible for welcoming guests.

But today, there is no one at the gate of Tianxiang Mansion.

Moreover, there was a sign at the door stating that business was closed.

"what's the situation?"

Marven Ye thought to himself, did Hong Wu know that the old man is coming today, so he directly booked the venue for him?

Hong Wu is very insightful in handling things, and maybe he might be a charter.

Thinking like this, he saw a lot of panicked old men at the gate of Tianxiang Mansion.

Marven Ye was even more puzzled.

These old men all looked the same age as Dave Xiao, and each of them looked scared, as if something had happened inside.

So Marven Ye hurriedly got out of the car and stopped an old man to ask: "Uncle, what happened upstairs?"

It was Chairman Pei who was stopped.

He was still in shock, and he kept shaking and said, "You're killing upstairs!"

When Marven Ye heard this, he snorted in his heart!

Murdered? !

what's the situation? !

Could it be that something happened to Tianxiang Mansion? !

Thinking of this, he immediately rushed into Tianxiang Mansion.

Chapter 708

When I entered Tianxiang Mansion, I discovered that the waiter and security had fallen to the ground.

Marven Ye stepped forward to investigate, and found that all the waiters and security guards had passed out, and everyone had bruises on their necks, and it seemed that they had passed out with their hands.

"This is a master!" Marven Ye couldn't help but pay attention, and immediately stepped upstairs!

At this time, Orvel Hong was dying, his eyes turned white.

On the other side, Liu Guang and Liu Ming winked at each other seeing this.

Liu Ming took a dagger from his waist and looked at Dave Xiao who was trembling in the corner, and said coldly: "Since Mr. Hong Wuyou Zizhou dealt with it, then I will let this Dave Xiao suffer double crime!"

After that, he said to his father Liu Guang: “Dad, you grab this old thing, and I will engrave the four characters “poor hang father-in-law” on his forehead!”

Liu Guang nodded, and said coldly: “Engrave! Must engrave! Be harder and engrave me on his skull!”

Dave Xiao’s scared soul was not possessed, and he blurted out: “I have no grievances with you, why do you treat me like this?!”

“No grievances and no enmity?!” Liu Ming rushed to Dave Xiao with a vigorous step, slapped him directly, and slapped Dave Xiao’s face severely.

“I’m not dead! Your son-in-law has humiliated me, dare you say that you have no grievances with me? I tell you, today I will not only engrave the four characters of hanging father-in-law on your forehead, I f*cking want it Kill you! Let your damn poor son-in-law come and collect your body!”

Liu Ming’s blade was extremely sharp, and Dave Xiao cried in fright as he watched the cold light refracted by the blade.

However, he had no other way. He could only blurt out to shout to Orvel Hong: “Fifth Lord, Orvel help!”

Orvel Hong was on the verge of death at this time. His brain was about to lose consciousness due to lack of oxygen. Suddenly he heard Dave Xiao’s call for help. With the last bit of effort, he said: “Mr. Xiao, I’m sorry, it was Hong Wu who made you tired. Five first step!”

Zhang Zizhou said with a gloomy expression: “Hong Wu, you haven’t died for so long, you old guy is a bit capable, but I advise you not to insist anymore. If you continue to persist, you will only suffer more pain!”

Hong Wu’s face was completely black and purple, but he still roared hoarsely: “I will never let you off if I am a ghost!”

“Oh?” Zhang Zizhou sneered: “Then I will wait for you to turn into a ghost to find me tonight. Then, I will let you die again!”

Hong Wu smiled hard and said, “Don’t worry, Master Ye will avenge me today! I will walk a little slower on Huangquan Road and wait for you to come over!”

“Noisy!”

Zhang Zizhou snorted coldly and said, “Master Ye in your mouth is nothing but rubbish in my eyes!”

After that, Zhang Zizhou said again: “But you really have to go slower on Huangquan Road, because soon I will send Master Ye on the road. Then, on Huangquan Road, you two can go together!”

“Just rely on you?” Hong Wu sneered incomparably, “You don’t know Master Ye’s strength at all. In front of Master Ye, you are not even worthy of rubbish!”

“Looking for death!” Zhang Zizhou looked cold, and said coldly: “Come on, if you have anything, go and talk to Lord Yan!”

Immediately, he increased a bit of strength in his hand, and the breath of Hong Wu was immediately pinched. The last bit of back light has been exhausted, and the lamp is about to run out.

Liu Ming laughed loudly at this moment: “Cool! Kill Hong Wu and Marven Ye’s father-in-law tonight, if you kill Marven Ye tomorrow, I will get revenge!”

At this time, Liu Guang had already held down Dave Xiao’s head and said to Liu Ming: “Son, hurry up and engrave! After the engraving, I will take a photo as a souvenir!”

“Good!” Liu Ming grinned, the tip of the knife already touching Dave Xiao’s forehead.

At this time, Hong Wu’s eyes were completely rolled up, and he almost died of breath.

At this moment, the door of the box was suddenly kicked directly by someone!

When Dave Xiao saw someone coming, he broke down and cried, and shouted loudly, “Marven Ye, my good son-in-law, if you come one step later, you can only collect the body!”

Chapter 709

Marven Ye’s face was as cold as frost at this time!

He really didn’t expect that Liu Guang and Liu Ming would dare to bring someone to kill Hong Wu and his father-in-law!

At this moment, he was so angry that he had already moved to kill!

And Liu Guang and Liu Ming were too excited when they saw him coming!

After such a long time, how much ridicule and humiliation Liu Ming has been living a life worse than death?

And all this is thanks to Marven Ye!

Right now, I finally got revenge!

And Liu Guang was slapped by Marven Ye today, and he naturally hated him to the bone. Originally regretted that he could not take his life today, he did not expect that he would come to the door himself!

Immediately, Liu Guang said to Zhang Zizhou: “Mr. Zizhou! This bastard is Marven Ye! Kill him!”

Liu Ming shouted from the side: “Mr. Zizhou, quickly kill this poor man!”

Marven Ye frowned and said, “You let Hong Wu and my old man, I might consider spare you a dog.”

Liu Guang was furious, and blurted out, “Marven Ye, what are you talking about rubbish? He wants to pretend to be forceful when he died, so he really takes himself seriously? Do you know if Mr. Zizhou can take you every minute? Life!”

After speaking, he said coldly again: “I tell you, since you dare to appear here today, then don’t think about being able to go out alive!”

Marven Ye said disdainfully: “Do you think it’s just a few rubbish? Can you kill me?”

Liu Guang looked at Marven Ye coldly, and the villain said with great ambition: “Marven Ye, I know you are skilled, but the few behind me, but the great masters carefully cultivated by the Wu family, are all powerful, how can you? If you can fight, you can’t be their opponent! Believe it or not, Mr. Zizhou will hit you all over the floor with a single move. Can’t you survive or die?!”

Liu Ming hurriedly said: “Dad, what can I say to Marven Ye this trash, want me to say, just beat him into a trash! I want him to kneel in front of me, kowtow to admit his mistake, and before Marven Ye’s death, I also have to engrave the word waste on his forehead, take it with my mobile phone, and post the video to the Internet so that the whole Wrester will know that Marven Ye is a useless waste!”

Liu Guang laughed and said, “Okay! Just do what you said!”

Seeing Zhang Zizhou pinching Hong Wu hard, Marven Ye said coldly: “Let him go, what’s coming at me!”

Zhang Zizhou said with a look of contempt: “Let go of him? Boy, believe it or not, I can kill you with one hand! I will send you on the road with Hong Wu!”

Seeing his face full of confidence, Marven Ye sneered: “This hand of yours doesn’t belong to you anymore!”

After that, he rushed up immediately!

Zhang Zizhou didn’t expect Marven Ye to rush towards him, and before letting go of Hong Wu with his right hand, he attacked Marven Ye fiercely with his left hand!

Zhang Zizhou was full of confidence at this time.

He felt that he was already strong and out of place. How could an ordinary person be his opponent?

Even if it is Hong Wu who has been fighting for half a lifetime, isn’t it still done by one hand?

However, what he did not expect was that Marven Ye flashed his attack in an instant, and then suddenly grabbed his arm and punched his shoulder!

This punch is beyond imagination!

Just listen to a click!

Zhang Zizhou’s left shoulder has all been shattered into dust!

The bones turned into powder in the flesh, this kind of pain is like thousands of bone spurs, constantly piercing the nerves and flesh, causing Zhang Zizhou to grin in pain, as if all his strength was emptied in an instant!

Immediately afterwards, as soon as he loosened his right hand, Hong Wu slumped to the ground, and his whole body had no reaction.

Marven Ye looked at him, and could sense that he still had an extremely weak breath, and he was not dead, and he was relieved.

Since Hong Wu only had a trace of life left, Marven Ye didn't worry about saving him immediately. Instead, he looked at the group of people in front of him and said coldly, "None of you want to leave today!"

Chapter 710

Zhang Zizhou's left shoulder was shattered, and there was only a layer of skin and flesh on his left arm, completely out of control, he could only hang on one side, and his expression at this time was even more horrified!

He is the king of special forces! Very strong! Never encountered an opponent in the military!

If it weren't for the price offered by the Wu family, how could he be willing to be someone else's bodyguard and thug with his strength and arrogance.

Zhang Zizhou has never tasted defeat for so many years, but he did not expect that he was just a face-to-face with Marven Ye, and his left arm was abolished. This Marven Ye's strength is too strong, right? !

Marven Ye looked at Zhang Zizhou with a look of horror, and sneered, "What? Afraid?"

Zhang Zizhou looked terrified, took a step back subconsciously, and questioned: "Who are you? Why do you have such strength?"

Marven Ye said lightly: "Who am I? I am the person you shouldn't mess with in your life!"

Zhang Zizhou gritted his teeth and said to the four brothers around him: "Go together and kill him!"

The other four immediately rushed forward, and Zhang Zizhou joined them with a stubborn arm!

The five immediately surrounded Marven Ye with a murderous look!

However, their faces are extremely solemn!

Just now Marven Ye did it, and even Zhang Zizhou couldn't make an effective defense. It can be seen that the opponent's skill is much better than them!

Therefore, they can only hope that the five people can work together to beat Marven Ye!

Marven Ye smiled coldly at this time, and said indifferently: "The chicken and dog."

In the next moment, Marven Ye was like lightning, and he fought fiercely with the five people in an instant!

However, Marven Ye's speed, strength, and explosive power are much stronger than them!

Therefore, in front of Marven Ye, these people have no power to parry!

There was only a crackling sound, mixed with the screams of a few people, constantly resounding through the box.

And these five people constantly feel that they are being hit hard!

Some suddenly got a punch in the chest, and several ribs broke!

Others, like Zhang Zizhou, accidentally broke their arms and became one-armed heroes!

There was even worse. Marven Ye smashed his chin with a punch, and there was a pile of bones and rotten flesh attached to his lower lip. It looked so miserable!

Zhang Zizhou didn't find any good end either. He suffered heavy blows in the abdomen, and his whole person was like a dead dog, sitting on the ground unable to move!

At this time, he was completely frightened!

Before today, he had never thought that someone would be so strong that he could crush himself with a gentle hand!

And now, after years of encountering a rival, he finally understands the truth that there are mountains beyond the mountains, and the heavens beyond the sky!

Marven Ye's strength, for him, was already terrifying to the degree of abnormality! In front of him, he is the real ant!

And Liu Guang and his son, who were still arrogant, looked shocked when they saw such a scene!

Didn't you even dream that Zhang Zizhou was beaten into a dead dog in front of Marven Ye after a few encounters!

Not only him, but also his four subordinates have become four dead dogs who can only panic and pant!

Marven Ye stepped heavily on Zhang Zizhou's chest and broke many of his ribs.

He looked down at the terrified Zhang Zizhou, watching the painful vomiting blood, coldly asked: "Come on, tell me, who is the real ant?!"
