

## The Amazing Son In Law Chapter 71-80

### Chapter 71

Through the hazy frosted crystal glass, the whole Wrestvel saw this extremely grand wedding.

While countless people are extremely envious, they are also guessing in their hearts, who is the couple who got married in the sky garden?

Moreover, these two people are too mysterious. Their wedding was attended by only the two of them, not even a relative or friend, not even a witness!

On the crystal stage, Marven took Avella's hand and pulled out the jade necklace that was already prepared.

"Avella, this is my wedding anniversary gift for you, I hope you like it!"

Avella looked at the crystal-clear jade necklace and exclaimed: "This one shouldn't be the treasure of Rare Earth Pavilion's shop? Marven, where did you get it?"

When talking, Avella was shocked.

Could it be that Marven is the god-level rich man in the video?

Otherwise, how could this jade necklace be in his hand?

but

But this is not, this can't be!

Who is Marven, he couldn't know better, how could he be a god-level rich man?

He is completely indifferent to the word rich!

Marven saw Avella's surprise at this time, and he had an urge in his heart to tell her his true identity and tell her that he was the descendant of the great Ye family and the heir of trillions of wealth.

However, the next moment, he suddenly thought of a very serious matter.

What's the situation of the Ye family now, I don't know it!

In my impression, I met my uncle when I was young, that is to say, the previous generation of the entire Ye family was not the only one with Dad.

Since there are more than one sons, those uncles and uncles of my own may also have heirs. These people will inevitably regard him as a thorn in their eyes and flesh.

If he rashly announces his identity before he knows everything and does not have enough ability to protect himself and Avella, then he's afraid that Avella will be killed!

The methods used by the rich to fight for the property are very cruel. He really doesn't want his beloved wife because he takes risks.

Thinking of this, he deliberately lied: "This necklace looks exactly like the treasure of Rare Earth Pavilion's town shop, but it is something I paid to find someone to imitate. Although it also uses good jade materials, it is similar to that one in the Pavilion. Still, it is still far behind, and it cost tens of thousands in total."

With that said, Marven asked Avella nervously again: "Avella, don't you like it?"

Avella was relieved!

This is much more reasonable.

So she hurriedly smiled and said: "Fool, how can I dislike it! You have done so much, and it is too late for me to be not moved!"

Marven also breathed a sigh of relief and hurriedly put the jade necklace on for Avella himself.

He looked at Avella with sincere eyes, and said emotionally: "Avella, marrying me for the past three years has caused you a lot of wrongs, but starting from today, I can assure you that no one can bully you anymore!"

Avella nodded emotionally. At this moment, she realized that her husband was finally going to raise his head and be a man!

At the end of the wedding, Marven took Avella away quietly from the exclusive elevator in the sky garden.

Countless people onlookers on the scene felt a sense of loss.

Are the hero and heroine gone?

The two of them ran over and mysteriously fed the world a bit, and then ran away?

## **Chapter 72**

For a while, the whole city was discussing this grand wedding.

But no one knows who the hero and heroine of the wedding are.

Marven drove the BMW 520 modified from the BMW 760 and returned home with his wife.

On the way, Avella was still immersed in great happiness and couldn't help herself from overthinking about all that happened in the last few hours.

She couldn't help but ask Marven, "How did you reserve the Sky Garden? It seems that there has never been a private reservation before, right?"

Marven smiled slightly and said, "To be honest, a senior executive in Shangri-La is a good friend of mine from the orphanage. We used to have a hard time together. I will share half steamed bun with him, so this time I begged him for help and he was very interesting."

Avella nodded slightly: "It turns out to be like this, why haven't I heard you talk about it."

Marven said: "There are too many friends in the orphanage, and I can't finish talking for three days and three nights. I thought you didn't like listening to this, so I never mentioned."

Avella said earnestly: "You are my husband. I am naturally very interested in what you have done before, and I really want to know."

Marven smiled and said, "Then I will tell you more!"

"it is good!"

Back in the community, Marven drove the car downstairs.

Just parked the car and got off with Avella, just in time to meet the father-in-law and mother-in-law walking back.

The mother-in-law saw them and immediately exclaimed: "Of course, where did this BMW come from?"

When the father-in-law saw this car, his eyes shone!

"Oh! BMW! Of course, you bought it new? A big deal!"

Avella hurriedly said, "Dad, Mom. I didn't buy the car, it was Marven."

"Marven?" Father-in-law frowned and asked, "Marven, where did you get the money to buy this car? Did you use our house money?"

Marven hurriedly said, "No, Dad, I bought this with my own money."

The mother-in-law on the side took the father-in-law around the car and said, "Huh! Eat and live with us every day, save money to buy a BMW and don't know how to honor us, what a Wang-eyed wolf!"

Avella hurriedly said, "Mom, don't say that about Marven"

The father-in-law's voice was jealous: "Huh, you still bought a BMW 520, at Marven's level, worthy of such a good car? Buying a BMW 3 Series is not enough for him?"

The mother-in-law said coldly: "I'm telling you, your dad doesn't have a car yet! Half of his body is about to fall into the soil. If you don't let him enjoy it, I'm afraid he won't be able to enjoy it in the future either!"

With that, the mother-in-law said angrily: "Well, give this car to your dad!"

Avella looked at Marven and asked tentatively, "Marven, do you think it's okay?"

Marven thought, yes, but this is not the BMW 520, this is the 760!

To be honest, the old husband is just a tight-handed sling, and he is not favored by the Lady Xiao. For him, 760 is too wasteful.

Thinking of this, he hurriedly complimented: "Oh, dad, this is the BMW 520, the last model in the BMW 5 series, nicknamed the beggar version. If you drive this car out, you will be laughed at."

Mother-in-law twisted her eyebrows: "What? Are you reluctant to give this away?"

Marven hurriedly waved his hand: "No, no, how can I be reluctant, I think, I can't let you drive a beggar version, otherwise, this 520 will not be given to you, I will buy you a 530. The 530 is one step higher than the 520, so you have face when you drive out!"

The mother-in-law frowned and asked, "Do you have money to buy 530?"

Marven said: "I only paid a down payment for this car, and I still have some money in my hand. Don't worry, I will buy you a car early tomorrow morning!"

### **Chapter 73**

As soon as the father-in-law and mother-in-law heard that Marven would buy them a better one tomorrow, the two immediately laughed.

The father-in-law did not know that what he had missed was a top-notch BMW 760.

Avella was a little worried. After returning to the room and washing up, she quietly asked Marven, "Do you still have money to buy a car? I still have some private money here, or you can take it and use it for purchase!"

Marven hurriedly waved his hand: "No, I'm still a little bit more useful."

Avella apologized and said, "I'm really sorry, I didn't expect my parents to be like this"

Marven smiled and said, "What are you talking about? Your father and your mother are also my father and mother. We are all a family, and it is right to honor them."

With that said, Marven lay on his small floor and smiled: "Don't worry, I will buy another one tomorrow morning!"

Avella said moved: "Marven, thank you!"

Marven laughed: "What are you polite with me about, wife!"

Avella asked him with a blushing face, "Will you not be cold at night when you sleep on the ground?"

Marven blurted out: "No, it's not cold at all, don't worry, it's alright!"

Avella suddenly groaned: "If it's not cold, just fall asleep! Pig-head!"

Finally, she wanted him to sleep in the bed, but this pig head turned out to be so bad

Marven suddenly realized at this moment that he seemed to have accidentally missed something

So he hurriedly said: "Oh my wife, it's so cold on the ground, it makes me shiver!"

Avella said angrily: "If it's cold, add a quilt!"

"Hey"

Marven was immediately depressed.

After a long while, he did not give up and asked: "My wife, it seems to have cooled down, I'm so cold!"

Avella ignored him, kicked off a quilt, and said angrily: "How cold can it be at night in summer? If it's still cold, I'll find you a down jacket to wear!"

Marven was desperate, and it seemed that his wife would really not let him go to bed tonight!

The next day, Avella prepared to go to work early in the morning.

Marven made breakfast for her, handed her the key to the BMW car, and said, "Let's drive to the company today."

Avella couldn't help but said, "The car you bought, I drive to work, isn't it appropriate?"

Marven said, "What's wrong with this? You are my wife, and the car was bought for you, not for me."

Avella nodded lightly and said thankfully, "Thank you!"

After speaking, she took the key of the BMW car from him.

The father-in-law on the side looked envious, and blurted out: "Marven, you said you will buy me a car, did you forget?"

"I haven't forgotten it!" Marven said hurriedly: "Wait for me, I'll buy it for you. Just wait for the new car to drive back home!"

The father-in-law suddenly smiled and said happily: "Then I'm just waiting! BMW 530, you said it yourself, don't buy a wrong model!"

Marven was amused for a while, nodded, and said, “Dad, don’t worry, I will buy the BMW 530 for you today!”

After that, he followed his wife downstairs and pulled his little e-bike from the BMW 760 from the trunk of the BMW 760.

Avella drove this BMW 760 to work, and Marven himself rode his e-bike to the BMW 4s shop again.

When he was approaching the BMW 4s store, he happened to pass by the door of the Audi store.

#### **Chapter 74**

People in the Audi store first saw him, and a salesperson blurted out: “f\*ck, the man who bought the BMW 760 is here again riding a little e-bike!”

“d\*mn, if you kneel down for him today, you still have to stop him and sell him a top-equipped Audi a8!”

“Yes!”

All of a sudden, a large number of Audi salesmen rushed out and surrounded him.

“Sir! Come to our store to see the latest top-match Audi a8!”

“Sir! Our a8 is very powerful, using a w12 engine, which is even better than the BMW 760’s v12 engine!”

Marven asked curiously: “Is it so awesome?”

“Really!” An Audi salesman hurriedly introduced: “Brother, let me tell you that our w12 engine can be turned off left and right. When the 12-cylinder is half off, there are 6 cylinders, which is more fuel-efficient!”

Marven said contemptuously: “I should buy a 12-cylinder car and turned off the 6-cylinder to save fuel? Isn’t it good for me to buy a 6-cylinder car?”

“This...this...this...”

The salesman realized that he had said the wrong thing, his face flushed.

Marven sneered at them and said, “I know what you think. You were uncomfortable when you saw that I bought a BMW 760 yesterday. So today, you are trying to coax me into becoming your customer, right?”

A group of people nodded hurriedly.

Marven hummed: “Tell you guys! It’s late! Yesterday you ignored me, but today I make you unable to climb high!”

After speaking, Marven pressed the horn of the little e-bike.

“Didi...”

“Get out of the way! Brother is going to the BMW store to buy a car!”

BMW’s sales also ran out at this time, and said angrily: “Audi’s grandson, what are you doing? Are you robbing our customers? Didn’t you see our customers just ignore you? Then surround you distinguished customers, believe it or not, I’ll call the media to expose you guys!”

Audi’s guy couldn’t hold it, so he could only walk away in despair.

The manager of the BMW 4s shop came to greet Marven in person and asked respectfully: “Mr. Marven, do you still want to buy a car today?”

Marven nodded and said, “Is there a BMW 530? I’ll drive away today!”

“Yes!”

The manager was so excited.

He bought a BMW 760 yesterday and a BMW 530 today. This is really a big customer!

So he hurriedly said: “Sir, please come with me, I will show you the show car.”

Marven gave a hum and followed him into the exhibition hall.

There happened to be a BMW 530 in the exhibition hall. Marven sat in and felt it, and found that although this car looked very similar to the 7 series, it was really a lot worse inside. , Already considered high configuration.

So he was about to swipe his card to buy a car. At this moment, he heard a familiar voice and said: “Oh my dear, I really like the BMW x6! Would you buy me an x6?”

Sitting in the car, Marven followed the sound, but found out that Lili, the fiancée of his university friend Darren, was holding a strange man at this time, with a look of intimacy and ambiguity.

Marven frowned and thought to himself, Lili called that man dear, could this woman cuckold Darren?

He couldn’t help but get annoyed, because he hated this kind of woman who has no moral bottom line and is unfaithful to feelings in her life.

Moreover, Darren is busy with business, and she unexpectedly came out to cuckold him, this kind of woman is too disgusting!

At this time, he listened to the man with a lustful face and asked: “If I bought you x6 now, how would you explain that to Darren?”

“Darren?” Lili said with a look of disgust: “Don’t mention the waste. The family wants money and he has no money and no ability. If it’s not for looking at others to be honest and practical, I would not follow him altogether!”

## **Chapter 75**

The man grinned, squeezed Lili’s face, and asked, “Now you are my woman, and you are still going to be with him? Zhao Dong’s woman, must not allow other men to get involved!”

Lili hurriedly said, “Don’t worry, Dong, I haven’t let him touch me since we were together. I think he is dirty! My body will always be always Dong’s only, and it’s only used to serve Dong. Brother, you are alone!”

Then, she explained: “Actually, I wanted to break up with him immediately after the restaurant opened, but I didn’t expect that a classmate this guy knew was a bit capable and helped him fix the troubles in the development zone. Scar, I want to wait for the business to stabilize before telling him to break up and kick him out of the restaurant.”

Zhao Dong laughed and said, “It’s just a scar, what’s the deal? If you told me earlier, I can ask his eldest brother to apologize to you with just one call.”

Lili smiled and said, “Oh, you’re still good at it Dong! At that time, it was urgent, I didn’t care to call you, and Darren was also there, I’m afraid you will be unhappy if you meet him!”

Zhao Dong pinched her waist and said with a smile: “You are quite sensible!”

Lili hurriedly rubbed her arm in front of her and said, “Dong, are you willing to buy a BMW x6 for someone else?”

Zhao Dong smiled and said, “So, later, we will go to my house and let you feed several times. Then you will break up with that pauper, and I will buy you a BMW x6 tomorrow!”

Lili asked in surprise: “Dong, is what you said is true? Will you really buy me x6 tomorrow?”

“When did I lie to you?” Zhao Dong grinned and said, “However, you have to serve me well before you can drive it!”

Lili immediately winked and said, “Don’t worry, Dong, I will take care of you when I get to your house later!”

The two said, turned around, and left the 4s shop.

Marven was very annoyed at a couple of dogs, and immediately took out his mobile phone and called Darren.

As soon as Darren answered the phone, he immediately said excitedly: “Marven, how are you doing? Why do you think of calling me?”

Marven said lightly: “Call to greet you, what are you up to now?”

Darren said: "I'm helping out at the back kitchen of the restaurant. It's not fast at noon, and it's about to be served, so I'll help."

Marven asked: "Are you busy in the hotel every day?"

Darren said: "Yes, the restaurant has just opened, and there are many things. Besides, more than half of the money in this restaurant is from Lili's father. If I don't work harder, they will look down upon them."

Marven asked again: "How much did you pay?"

"I gave out one hundred thousand. This is all my savings since graduating from university."

Marven continued to ask: "Who is the owner of the restaurant?"

Darren said: "It's me!"

Marven asked: "Is your name written in the industrial and commercial registration?"

Darren said: "That's not the case. The industrial and commercial registration is in Lili's father's name. Lili and I are not married yet. Since they paid the money, it wasn't appropriate to write my name on the paper."

After speaking, Darren said again: "But her father said that after we get married, he will shift the ownership of the hotel to me."

Marven shook his head as he listened, this fool, I don't know if he has been used!

Lili treated him like a cow, a horse, and as a slave, and asked him to work in the hotel business in the development zone. She went out to steal people by herself, and got together with rich men, and planned to kick him out.

Now the hotel has nothing to do with Darren in the business registration. Once Lili turns her face, he can only go out of the house!

When the time comes, not only will everything be in vain, but his own 100,000 will also vanish!

Thinking of this, he felt even more disgusted with Lili and asked Darren directly: "Why did Lili go out now?"

## **Chapter 76**

Darren smiled and said, "She, went to the hairdresser, what's wrong?"

Marven sneered: "Doing hair? Did she say that?"

"Yes indeed!"

"You believe what she said?"

Darren asked in a surprised tone: "Marven, what do you mean? Just say it, don't go around."

Marven gave a hum and said: "Then I'll tell you the truth. I saw Lili in a BMW 4s store. She was still hugging a man named Zhaodong, and she kept calling that Zhaodong my dear, She might be cuckolded by him."

"Impossible!" Darren blurted out: "Lili is not that kind of person at all! Could it be you who recognized the wrong person?"

Marven said confidently: "I can't be mistaken, it was her."

"I don't believe it!" Darren said coldly, "Marven, we are in a good relationship, but you can't say bad things about my wife just because we are friends!"

Marven said coldly: "Darren, wake up! Your wife is already with other men, and that Zhaodong also promised to buy her a BMW x6. Now Lili is going home with him, preparing for the evening. She will break up with you when she comes back! As an old classmate, I advise you to prepare early!"

Without waiting for Darren's answer, Marven continued: "You'd better transfer the painting that I sent you out first, and keep that painting. You still have the capital to make a comeback, but if you don't believe me, then I don't have any method to save you from the trouble coming up ahead."

Darren was also anxious and said, "Marven! Don't talk nonsense here! Lili is my fiancée, I know her best, she will never betray me! If you frame her again, I will break my relationship with you!"

Marven frowned and said lightly: "Okay, as a friend, the reminder I should give has been given. If you don't believe me, then I have nothing to do. Good luck!"

After speaking, Marven hung up the phone directly.

What an idiot who was dazzled by love, He secretly recorded a video and sent him to see it!

At this time, the manager of the BMW store knocked on the window and asked him: "Sir, are you satisfied with this 530?"

Marven nodded: "It's pretty good. Let's take this one. Get me a new one from the warehouse."

The manager immediately beamed his eyebrows: "Wait a minute, I will arrange for someone to pick up the car!"

Soon, a black BMW 530 drove over by the salesman stop there. Marven simply swiped the card to pay and picked up the car, then folded the little e-bike, stuffed it into the trunk, and drove away in a big swing.

On the way back, his father-in-law and mother-in-law called, in turn, to ask him if he was back.

When Marven arrived downstairs, he realized that they were already waiting downstairs.

Seeing Marven really bought a BMW 530, the old couple smiled excitedly.

The father-in-law went around the BMW several times and exclaimed: "Good car! Good car! I didn't expect that I could still drive a BMW!"

Marven smiled and said, "Dad, you might be able to drive a Rolls Royce in the future."

The father-in-law laughed and said: "Then it depends on your ability!"

The mother-in-law was also very happy on the sidelines, and her attitude towards Marven had also changed a lot.

Father-in-law got in the car for a test drive, and after returning, he said, "The car is really good, and it's comfortable to drive, but the car is too long and not easy to handle. Marven, you will be the driver for me this afternoon. I just made an appointment with someone to see things."

Marven nodded: "OK dad."

The mother-in-law said with excitement: "When I turn around, I will be a driver and take me to have afternoon tea with my friends! Let them also see that I am also picked up by a BMW when I go out!"

"OK, mom!"

## **Chapter 77**

After lunch, the Old Master, Dave, was already dressed neatly and urged Marven to say, "Marven, hurry up and get ready. Drive in our new car and follow me to Antique Street. There is a new Wang Dynasty official kiln vase in a store. I want to see it."

Marven couldn't help but persuade: "Dad, you're starting to play antiques again now? We don't have much money at home. Is it not a bit too extravagant to buy antiques?"

Dave has no ability to make money, but he has a lot of dreams of getting rich. He likes to go shopping in the antique street when he has nothing to do. He wants to pick up a leak in his dreams, but in the past few years, he has basically been cheated.

It stopped for a while before, but he didn't expect that not only did it not completely stop, but it was revived.

Seeing that Marven even dared to point to him, Dave coldly snorted and said, "Don't talk so much nonsense, just send me over."

Marven had no choice but to go against him, so he had to drive Dave to Antique Street.

Wrestvel is a famous historical city. It is located on the antique street outside the scenic spot. It is also well-known in China. Antique dealers and shoppers from all over the country gather here.

The local tourism department also took advantage of the trend and spent a lot of money to renovate the Antique Street and turn it into a tourist attraction.

When he arrived at Antique Street, Dave came to the door of an antique shop and explained to the receptionist that he had an appointment. It was convenient to invite two people to the VIP room at the back to see the goods.

Marven was about to follow in, but Dave turned back and said, "Don't follow in. You can't understand it even if you come in. Wait for me at the door of the VIP room!"

Marven nodded: "I know Dad!"

With his hands on his back, Dave followed the reception staff into the VIP room, and Marven sat down in the lounge area.

A few minutes later, Marven suddenly heard a crisp sound coming from the VIP room.

Later, Marven saw his old father-in-law coming out in a panic.

He still muttered: "It's over, it's over! This is over!"

Marven hurriedly walked to the front and looked behind Dave. He saw that a tall and thin ceramic bottle had fallen into two on the ground, and there were still many small ceramic fragments on the ground.

Through the fragments, we can vaguely see that the one that was broken should be a Wang Dynasty jade pot spring bottle.

He had been in the Ye family since he was a child, and he was also very knowledgeable. You can tell at a glance that this bottle is a genuine antique, and it is not a big problem to sell it up to several million in the market.

It seems that Dave has caused a major disaster this time.

In the VIP room, a middle-aged man said with a dark face: "Mr. Xiao, our jade pot spring bottle at least cost five million. Now you have broken it, you must pay the price!"

This person is Liangyun, the manager of Jiqingtang.

Dave pulled Marven over, and said in a panic: "This is my rich son-in-law, do you know how much he has? Don't say just five million, even fifty million is nothing! It's nothing for him to pay at once. Talk to him! I have something to do, let's go now!"

After that, Dave pushed Marven in, turned his head, and ran out.

Marven looked dumbfounded, this Old Master is too shameless, this is a clear plan to let him be a scapegoat!

Liangyun looked at Marven and asked coldly, "This gentleman, a total of 5.38 million is due, are you swiping your card or transferring money?"

Marven spread his hands: "I have no money."

He was not unable to afford it but wanted to teach the Old Master a lesson so that he would not be able to come to Antique Street every day.

"No money?" Liangyun gritted his teeth: "You smashed our most precious thing, do you think you can leave without money, just by hiding your assets?"

Marven said helplessly: "I didn't want to hide anything, but I really don't have any money. Besides, I didn't smash your bottle. Why should you make me pay?"

### **Chapter 78**

Liangyun was out of luck: "Isn't that your father-in-law?"

Marven nodded: "There you go, it's my father-in-law, not me. Whoever smashed it, find him to pay for it.?"

Liangyun was annoyed for a while, but what Marven said also made sense.

He couldn't help but ask him to pay compensation, otherwise, the signboard of JiQingtang would be ruined.

So he hurriedly blurted out to a few people around him: "You guys, hurry up and get me back that old guy!"

Marven watched them chasing the Old Master in a hurry, and he laughed and said nothing.

In fact, he could just swipe his card to pay the money, but then, wouldn't it be cheaper for his shameless Old Master?

Instead of that, it's better to let this old guy suffer.

Otherwise, if he encounters such a thing again in the future, he will cheat him shamelessly again.

All JiQingtang's people were dispatched and they all went to catch Mr. Dave. Marven was fine on his own, so he looked at the broken bottle on the ground.

The bottle is about half a meter high, and now it has broken into two halves and a pile of fragments, which is really a pity.

However, he suddenly noticed that something seemed to be hidden at the bottom of the lower half of the bottle.

He hurriedly reached in and took out a small wooden box!

Unexpectedly, there is such a mystery in this bottle!

The shape of the bottle has a small mouth and a big opening. The wooden box is obviously two or three times larger than the mouth of the bottle. It seems that this was not stuffed in the later stage, but when the bottle was made, the wooden box was used directly. The box is made in!

In this way, this wooden box should have been left by the Wang Dynasty too!

He took the wooden box in his hand and looked at it carefully, then with a little force, he opened the wooden box with a snap.

As the wooden box opened, an extreme fragrance suddenly escaped, and Marven took a sip, only feeling refreshed.

Take a closer look, inside the wooden box, lies an ancient book that is not as big as a palm!

Marven picked up this very pocket-sized ancient book and saw four ancient seal characters written on the title page of the Jiuxuantianjing.

“This name is a bit interesting, I don’t know what it is.” Marven opened the book and looked at it.

The first one is the medical technique, which records a large number of cases and treatment methods.

Marven frowned slightly. He had also been in contact with traditional medicine and knew some basic theories of traditional medicine, but the content recorded in this book was obviously much better than the methods used in traditional medicine today.

Some methods of diagnosis and treatment are unheard of. Even at the end of the medical technique chapter, Marven also saw alchemy, the effect of some pills, which is simply beyond the real knowledge of society.

Marven became interested and sat on the ground, constantly flipping.

Unexpectedly, in the Nine Profound Sky Sutras, there are also the contents of Feng Shui fortune-telling, as well as various magical methods such as treasure inspection and restoration, in addition to many other strange things.

Marven looked at it for a long time, only to feel that every word in the book was digging into his mind, his heart was like boiling water.

This is a peerless treasure!

## **Chapter 79**

Marven was overjoyed and immediately prepared to stuff the Nine Profound Heaven Scriptures into his arms.

As a result, the book immediately turned into powder and disappeared.

However, every word in the book was clearly printed in Marven's brain.

At this time, Dave who ran away was brutally escorted back by several big and three rough men.

Seeing the redness and swelling on both sides of his face, it seems that it was a grab for a gasp!

Looking at his embarrassed appearance, Marven just wanted to laugh.

This old guy, it is outrageous to want to throw the pot at him after getting into trouble! Letting him take a lesson is a punishment.

The Old Master, Dave, was particularly embarrassed at this time. He ran desperately just now and was exhausted.

But he didn't have a car key either. He was old and fat, and couldn't run fast. How could he compete with these young people?

So after a few meetings, he was caught, tied back, and slapped several times. It was really miserable to get home.

Several people caught Dave back, and manager Liangyun gritted his teeth and said: "Old thing, you want to run after you smashed our bottle? You don't want to pay Jiqingtang!"

The Old Master in horror said, "I didn't mean it, it's because this bottle is too slippery."

Liangyun said coldly: "Stop talking nonsense with me! I will give you an afternoon to raise money. If you can't afford it, I will report and warn you of deliberately damaging other people's property. The case value of more than five million is enough for you to sit in prison. Now!"

Dave trembled in fright. He looked at Marven as if he saw a life-saving straw: "Marven, my good son-in-law! I will die if you don't save me!"

Marven said helplessly: "Dad, I don't have that much money!"

Dave hurriedly blurted out: "Then you will go to jail instead of me! My family has supported you for so long, and it's time for you to repay you!"

Marven thought to himself, why do you have the face to say such things?

Just as he was about to refuse, the middle-aged man took the lead and said: "If you are wronged, you have a debtor, our Jiqingtang is the most trustworthy business. You broke the bottle and you have to pay for it!"

After all, he said to Marven: "You can go, but it's best to help him raise enough money, otherwise, after this afternoon, I will send him to the police station!"

Marven nodded lightly.

Dave was frightened and cried and said, "Good son-in-law, you can't go! What should I do if you leave!"

Marven couldn't help being amused when he saw him so frightened.

But of course, he can't laugh on the face.

He was trying to find an excuse to raise money to leave, and let the Old Master stay here to suffer.

But it suddenly occurred to him that there was an ancient method of repairing porcelain artifacts in the shop just now, so he thought, "Manager if I can repair that jade pot spring bottle, can you let him go?"

Liangyun sneered and said, "Who do you think you are, and you need to restore the antiques. To tell you the truth, I have sent the photos to the Wrester cultural relic appraisal experts."

Marven shook his head and said: "Your bottle is broken, it's useless to keep it, I will try it without losing anything."

Liangyun sneered disdainfully, and said, "Okay, right? Okay! I want to see what you can do!"

Marven said, "Prepare me a piece of rice paper, a brush, and five eggs. The eggs will be raw."

Liangyun waited to see what kind of joke Marven would make, and without hesitation, he quickly found a basket of raw eggs for Marven.

But he still couldn't help but ridiculed: "Use eggs to repair cultural relics. I have never seen such a method. I warn you, don't play tricks. Either you pay compensation or we take your father-in-law to court. Five million is enough for your father-in-law to sit in prison for a lifetime."

## **Chapter 80**

Marven nodded and said, "What if I fix it?"

Liangyun coldly hummed, "If it is verified by professionals and it is repaired and most of the losses can be recovered, then you can go!"

"Okay!" Marven nodded: "A word is a deal!"

After speaking, he immediately stopped talking to him, picked up the writing brush, and outlined the outline of the Yuhuchun bottle on the rice paper.

Afterward, he knocked the egg in a small mouth, dipped a little egg Wang with his index finger, wiped it on a fragment of the bottle, pressed it on the paper model, and then picked up a piece and pressed it on. The paper model was gradually being antiqued. The fragments are posted on

Everyone kept silent, for fear of interrupting his repair process.

Soon, half an hour passed.

When Marven straightened up again, what appeared in front of everyone was a Wang Dynasty jade pot spring bottle that looked like a new.

He smiled at Liangyun and said, "You can see where there are flaws."

Liangyun picked up the bottle and looked up and down a few times before he said disdainfully: "Are you teasing me? You f\*cking paste it with egg liquid, even if it's repaired? I will break your leg and paste it with egg liquid. Ok?"

"Don't mess with that bottle!"

At this moment, a clear and urgent voice suddenly came from the door.

Immediately afterward, a glamorous beauty in a small Wang casual suit stepped in.

She has a beautiful face, a perfect and tall figure, close to a height of 1.7 meters, exuding a luxurious aura, those beautiful eyes look into the room, her eyes are full of cold and arrogance, like a queen of frost.

The moment Liangyun saw this woman, his face changed drastically, and he quickly lowered his head respectfully and said, "Miss, why are you here?"

The visitor is the actual owner of Jiqingtang, Warnia Song, the eldest of the Song family, the top family of Wrester.

Warnia snorted coldly, and said angrily: "I'm afraid I don't come, you will ruin all this shop! What's the matter?"

Liangyun smiled wryly and quickly replied: "A customer accidentally broke the bottle while looking at it. His son-in-law repaired it with an egg. I was about to say that such a repair is worthless, and I want to talk to them about compensation."

Warnia leaned to the edge of the antique bottle and observed for a while, her complexion suddenly changed!

Then, she immediately turned her head and scolded Liangyun and said, "Quickly let go! Whoever makes you don't understand, just touch it!"

Liangyun was immediately stunned: "Miss, what are you?"

Warnia said angrily: "This is a cultural relic that has just been restored. Except for the restoration experts, other people can't touch them with their hands for the time being. Don't you understand this rule?"

Liangyun hesitated and said, "This is just using egg liquid to paste it again, isn't it a repair?"

Warnia's beautiful eyes were angry, and she scolded: "You idiot, after the bottle is repaired, the price will at least double, but because you touch it with your hand, you will lose at least two million! You pack your things and don't come tomorrow! "

She had seen a porcelain plate in the same period at an auction in Hong Kong.

The history of the porcelain plate is very interesting. It is porcelain of the Wang Dynasty. It was broken in the Song Dynasty and repaired by skilled craftsmen in the Song Dynasty in the same way.

And because this repair method is extremely rare and has long been lost in history, the final transaction price of the porcelain plate was 13 million, which far exceeded the actual value of the porcelain plate.

Now that this bottle was repaired by Marven with a lost technique, the value of the bottle will rise!

Liangyun's face was pale, and he didn't expect that if he just touched the jade pot spring bottle, he would have caused such a big loss and lost his job.

Warnia then asked, "Where is the man who repaired this jade pot spring bottle? Take me to see him."
