

The Amazing Son In-Law Chapter 721-730

Chapter 721

Jones Zizhou shut up, and Mr. Orvel pulled the third person who had volunteered before him, and asked Marven: "Mr. Ye, what to engrave on his head?"

Marven replied: "Wuxin is gay."

Mr. Orvel nodded and waved his big hand, six bloody big characters were engraved on the man's forehead in Chinese.

Immediately afterwards, it was the fourth.

Mr. Orvel said to Marven: "Mr. Ye, it's seven words this time."

"Yeah." Marven thought for a while and said: "Then Donghai is incompetent."

Mr. Orvel couldn't help but laughed and said, "Mr. Ye, why is the bird incompetent? Shouldn't it be s3x?"

Marven waved his hand: "s3x is a sensitive word. You can't use it indiscriminately. If you let the girls see it, they will blush."

Immediately afterwards, Mr. Orvel finished the calligraphy of the fourth person's body.

The last one left is Jones Zizhou.

Jones Zizhou looked at the blood on his four little brothers' heads and faces, and was frightened.

He is a very arrogant person. He has always been strong and unmatched, which gave him the best illusion in the world. The more he has this illusion, the more serious the burden of idols.

However, he really didn't dare to say a word of bullshit at this time, otherwise, he was really afraid that Marven would let Orvel engrave on him as a teacher!

Not to mention carving out the teacher's table, even if it is a song, he can't stand it!

So he could only silently tremble and cry, waiting for the moment when his fame is destroyed.

At this moment, Jones Zizhou had only one wish in his heart, that is, Marven must not let Mr. Orvel engrave too vulgar sentences for himself.

However, he did not understand Marven.

The more this time, the more Marven likes to be vulgar.

Holding a bloody knife, Mr. Orvel pointed to Jones Zizhou, who was pale, and asked, "Mr. Ye?"

Marven thought for a while and said, "Isn't these eight characters? Be casual, close to the people, and grounded at that moment."

After speaking, Marven said again: "In this way, I'll poop to Wuxin for him to eat."

Jones Zizhou felt ashamed when he heard these words.

Mr. Orvel hurriedly asked, "Mr. Ye, is it wrong? Wu Qi, not Wuxin, likes to eat sh!t."

Marven waved his hand casually and said, "Oh, it's the same. Anyway, he wants to show Donghai and Wuxin when he goes back. It's better to carve Wuxin."

"Come!" Mr. Orvel nodded immediately and said: "Then I will engrave him, a bit bigger and a bit deeper!"

Jones Zizhou looked at the bloody tip of the knife and cried, "Great Mr. Orvel, Great Mr. Orvel! I beg you to do one thing?"

Mr. Orvel said impatiently, "Why are you so much nonsense?"

Jones Zizhou cried and said, "Great Mr. Orvel, I just want you to change the knife. This knife has been carved from Liu Guang, and it has been carved by five people. It is not disinfected. It is easy to get sick. In case anyone has one. AIDS or something, isn't that going to lead to a cross infection..."

When Jones Zizhou said this, the other four people trembled with fright.

One of them blurted out and asked: "Are you three free of AIDS?!"

"No!" The other three shook their heads.

Chapter 722

But whether it is true or not, no one knows.

Orvel was also a little annoyed at this time, and slapped Jones Zizhou's face with a slap, and cursed: "Just your bullshit, if you don't believe it, I will give you a preface to the King of Teng?"

Jones Zizhou was drawn to observe at Venus. At this time, he really didn't dare to beep any more, so he could only cry while enduring Mr. Orvel's sharp blade.

He could feel the sensation of the tip of the knife cutting the skin on his forehead and touching the skull. The sharp pain made him almost faint, and the blood was constantly dripping from his forehead, even making him unable to open his eyes at all.

He had to regret and regret at this moment in his heart. He knew that today, no matter how much Donghai gave, he would not be able to kill Mr. Orvel...

Unfortunately, in this world, there is no regret medicine to take...

At this time, Donghai's five bodyguards all became human calligraphy works, and all five faces were terrible. Especially the last Jones Zizhou was carved with eight characters directly, and his forehead was not enough, so he borrowed the place of his face. , The whole face looked terrifying.

Moreover, the words engraved on their faces are all insults to the Wu family, and it is estimated that the Wu family will see their lungs explode.

Jones Zizhou cried and asked, "Mr. Ye, can you let us go?"

Marven said: "Of course I can let it go, but in order to prevent you people from continuing to help the gang, I have to teach you a lesson!"

After all, Marven grabbed the person in front of him, smashed his two arms with two punches, and with the remaining people did the same.

In the blink of an eye, all of these people's arms were scrapped.

In the future, wanting to be a bodyguard, a killer, and a thug is absolutely useless. No one will hire such a disabled person as a bodyguard.

Therefore, it is certainly impossible for them to continue to harm society in the future.

The five of them had been tortured at this time and looked uncomfortable, and it felt that even if they were caught in the temple of Yama, they would feel more comfortable than here.

Marven is too human! His method of torture is simply unheard of...

At this time, Marven stood up with satisfaction and said coldly: "You five, go back and bring words to Donghai and Wuxin. If they want to target me, just let them go, but if they dare to involve rest of the people around me, then I will make the entire Wu family an example!"

The five people struggled to get up with their legs and ran out of Tianxiang Mansion in a very embarrassing manner.

After the five people fled, Mr. Orvel asked Marven: "Mr. Ye, Liu Guang, Liu Ming's cross talk video, what are you going to do with it? Do you want to upload it on YouTube now?"

Marven waved his hand and said with a smile: "Don't worry, wait a while, let Liu Guang and Liu Ming run for a while, or it will be seen by the Wu family as soon as I let go, and the Wu family will offer a reward. Their lives, then they may not survive tomorrow morning and have to report to Hades."

Mr. Orvel hurriedly said, "Isn't it better to die? These two people should have died a long time ago as dogs with Wu's family!"

Marven smiled and said: "If you didn't make this video, it would naturally be the most worry-free killing them, but since the video has been filmed, it would naturally make them live the most worried, because they only need to live, Wu family will be laughed at by the people all over the country, and will be

immersed in the pain of humiliation and anger all day long, unable to extricate themselves! Therefore, Liu Guang and Liu Ming have to be kept alive! They are alive, this is interesting!”

Mr. Orvel nodded immediately and said, “I understand Mr. Ye!”

After that, Mr. Orvel asked again: “Mr. Ye, what about Donghai and Wuxin?”

Marven looked at the time and said, “I guess these five people will go to Donghai to complain and complain now, but Donghai is a very dogged person. If the situation is wrong, he will definitely run away, maybe even overnight. Take Wuxin back to Suzhou.”

Mr. Orvel blurted out: “Mr. Ye, then we have to find a way, we can’t let the tiger go back to the mountain!”

Marven smiled slightly and said, “It’s okay to let the tigers go back to the mountain. After all, the Wu family is more than these two tigers. Let them go back first to bring out more tigers. The best way is to find an opportunity to kill them all at once!”

Speaking of this, Marven asked Mr. Orvel: “Have you heard a word?”

Mr. Orvel hurriedly asked, “Mr. Ye, what are you talking about?”

Marven smiled and said, “A family, it just needs to be neat and tidy!”

Chapter 723

Dave has been in the corner, silently watching his son-in-law turn things around and kill all quarters, and he is extremely shocked.

He didn’t understand why Marven had such a strong strength and such a strong aura.

This is totally two extremes from Marven, who is usually called a rag by Viola at home!

At this time, Marven stepped forward to him and asked, “Dad, are you okay?”

Dave hurriedly shook his head and said, “I am okay, it’s okay, oh, fortunately you came in time, otherwise I will be miserable...”

Marven smiled slightly and said, “Dad, you are fine. I have already taught these people, are you satisfied?”

“Satisfied and satisfied!” Dave nodded as if pounding garlic, and then said a little worried: “Marven, were you a bit too cruel just now? That Wu family... won’t come to avenge you, right?”

Marven smiled and said: “When dealing with Wu family, you can’t be afraid of their revenge. If you don’t provoke him, he will kill you. Then instead of doing this, it’s better to do it with him, what do you think?”

Dave said embarrassingly, “That’s right, but I’m just worried. They bit us hard. We don’t have the money or the big business as of their family. If we really do it, we might want lose!”

Marven waved his hand: "Dad, don't worry, I will protect Avella, as well as ensure the safety of you and mom. Don't worry about that."

Dave nodded um.

Marven said again: "By the way, Dad, in order not to worry Avella and Mom about this matter, we must not tell them both when we go back."

"That's that!" How dare Dave say, if Viola knew about such a big thing, she wouldn't try to fry him? She must be upset at home!

Marven relaxed.

The only thing he's afraid of is that the Old Master can't keep his mouth shut and tell what happened today.

But he seemed scared enough to follow his words, Guess this matter can be stabilized.

Marven immediately said to Orvel: "Mr. Orvel, find more subordinates to accompany you these days, and by the way, find some subordinates to protect my family members secretly, don't take it lightly."

Mr. Orvel nodded immediately: "Mr. Ye, please rest assured, I will make arrangements!"

"Yeah." Marven smiled slightly: "Okay, I will take father-in-law home. Now that the matter is resolved, we should also go back."

After finishing speaking, he said to Dave, "Dad, shall we go?"

"OK, OK." Dave nodded hurriedly.

He just wants to go home quickly and digest the whole bunch of things that just happened.

When Marven took the old man home, Liu Guang and his son were at home like bandits, frantically tossing and cleaning the gold and silver at home.

Liu Ming's mother hadn't figured out what was going on. Seeing that her husband was also engraved with words on his forehead, and it was the four characters of the father of the poor, she hurried forward to ask.

Liu Guang blurted out: "Don't ask so much, we are in a big disaster now, and we must pack our things quickly. We must leave Wrestvel tonight, otherwise we may die without a place to bury!"

"Ah?!" Liu Ming's mother hurriedly asked: "Where are we going?"

"Go to Malaysia!" Liu Guang said, "Go to my brother, and never return to China again!"

“What?!” Liu Ming’s mother collapsed instantly and cried out: “Why are you going to Malaysia suddenly? I can’t come back later? What about my parents? What about my brothers and sisters?”

Liu Guang questioned: “You don’t want your life anymore? Give it back to your parents. Your parents are doing well in Wrestrvel. Now the trouble is that our family of three will die. Maybe your parents will come to give it to you. The three of us, to collect the corpses? Hurry up and pack things!”

Chapter 724

When Liu Ming’s mother heard this, she didn’t dare to say more. She knew the situation was serious, so she hurriedly started to pack her things.

Liu Guang asked Liu Ming at this time: “Look at the situation on YouTube, has our video been sent by Marven?”

Liu Ming opened his hands and said, “My phone is at Marven’s. Marven used my phone to take pictures.”

“d*mn it.” Liu Guang hurriedly took out his mobile phone, threw it to Liu Ming, and said, “Hurry up and check it.”

Liu Ming took the phone and immediately started downloading and installing the app.

After swiping a few videos on YouTube, he found that there was no cross talk between himself and his father. He was a little relieved and said, “Marven probably hasn’t posted yet.”

“That’s good.” Liu Guang nodded and said, “Let’s not delay, go quickly! Let’s leave in half an hour!”

After finishing speaking, he told his wife, “Don’t bring anything you can’t finish with. Call your mother back and ask her to help us sell everything for cash, and then take it to the black market and exchange it into dollars. When we get to Malaysia, the renminbi will not work well, so we have to use the U.S.D.!”

His wife nodded quickly: “I’ll call her later, because she has our spare key!”

.....

At this moment, Jones Zizhou and other five broken arms have returned to Shangri-La Hotel.

All five of them had no arms and could not drive a car, so they could only hit two cars.

When taking a taxi, a lot of drivers didn’t dare to pull it when they saw them, and ran away in a hurry.

After all, these five guys are too scary, one by one, bloody and scornful, and more importantly, there are d*mn words engraved on their heads, this is absolutely abnormal!

Later, Jones Zizhou was in a hurry. He promised ten for the road and gave ten thousand, and then he stopped a rental car.

After stopping, the five people squeezed in.

The driver hurriedly said: "Oh, my car can take up to five people with the driver and passengers. You have one more. Let's get another one!"

Jones Zizhou said angrily: "What the h*ll is so much nonsense, I am giving you 10,000, can't you get one more?"

As soon as the driver heard this, he had no choice but to bear it, nodded and said: "Then you sit behind the four squeeze, don't close the door."

Four people desperately squeezed in the back row. Jones Zizhou sat in the passenger seat and said with a gloomy expression: "Go to the Shangri-La Hotel, drive faster!"

The driver subconsciously said: "Five, if you are injured like this, why not go to the hospital first?"

"If you fcking talk, I will fck you!"

Jones Zizhou looked upset.

The driver shrank his neck in shock.

The other younger brothers couldn't help saying, "Brother, let's go to the hospital first, at least stop the bleeding and see if the shoulder can be saved..."

"Save me!" Jones Zizhou said with an extremely gloomy expression: "No matter how good the orthopedic doctor is, it is impossible to cure us. We have to let the Wu family and his son know that we are abolished because of them, and they have to give everything they say. A resettlement fee. In addition, we have to let them know how much Marven looked down on him and how much he insulted him. Only in this way can he kill Marven at all costs and avenge us!"

Another person asked: "Brother, if they see these words on our foreheads, if they are seen by Mr. Donghai and Young Mr. Wuxin will they not be angry with us?"

"How is it possible?" Jones Zizhou said: "These are all made by Marven for attacking Orvel, who are wronged and debts are in charge. He can understand the situation!"

Chapter 725

Car to the door of Shangri-La.

The five couldn't even open the door.

The Shangri-La waiters themselves saw the rental, and rarely took the initiative to open the door for the guests who took the rental. When they saw the rental, they deliberately used it as air, so they didn't come forward.

There was a moment of silence in the car, and Jones Zizhou could only shout to the driver: "d*mn, you are blind? Don't you know to help open the door?"

The driver was a little annoyed and said, "Then you pay the fare first, 10,000, you said yes."

Jones Zizhou said: "You help me drive the door, and you take it from my pocket after getting out of the car. My arm is injured and I can't move."

The driver got out of the car and helped them open the door.

Immediately afterwards, five people with blood all over their heads finally got out of the car.

They were covered in bruises and scribbled characters on their foreheads, so they looked very scary and very eye-catching.

Therefore, when they appeared, they immediately attracted the attention of everyone around them, and what's more, they subconsciously made a harsh laugh.

"What's the matter with these people, they actually have lettering on their foreheads, are they doing performance art? Hahaha, it's really funny, it's so funny!"

"Yes, I have lived for most of my life, and I have seen many artists, some pretending to be beggars begging on the street, and some who use a needle to draw ink and paint on paper. I have never seen such a wonderful work, and have carved it. The characters are ugly!"

"This situation and this scene really opened my eyes. In my opinion, these people and the rich second generation who grabbed sh!t on YouTube some time ago have a good fight!"

"Dude, you reminded me of this. I have to quickly take a picture and post it on YouTube, so that netizens all over the country will come and see these wonderful works of Wrester. By then, the number of hits will not reach millions?"

"Yes, right, right, everyone hurry up and take pictures. After passing this village, there will be no more shop!"

While talking, someone took out their mobile phone, turned on Livestream, clicked on the video to shoot, and directly posted the desolate appearance of Jones Zizhou and others to the Internet.

Seeing everyone holding their cellphones to snap at him, Jones Zizhou suddenly became angry. He wanted to reach out to cover his forehead, but his arms were all gone, and he couldn't raise it at all.

He was so annoyed that he could only blurt out, "What are you shooting? Get out!"

Everyone shuddered by his ferocious appearance, and they didn't want to be familiar with this kind of mad dog. Only then did they choose to stop with unfinished intentions, and hid far away.

Jones Zizhou was satisfied when he saw such a scene, and immediately took his people into the Shangri-La Hotel.

The driver hurriedly stopped him: "Hey, hey, you have not given me the ten thousand you promised!"

Jones Zizhou observed at him coldly, and said angrily: "I'll give it to your mother!"

After speaking, he lifted his foot and kicked him out with one kick.

Although both hands have been abolished, and the foundation of years of hard training has also been abolished, but it is not a problem for Jones Zizhou to beat a taxi driver.

After he kicked over, he immediately said to the four people around him: "d*mn, kick him to death!"

The four people rushed up immediately, kicking the taxi driver.

Chapter 726

When the Shangri-La security captain saw this, he immediately led the team and rushed over, stopped them, and said coldly: "You people, don't make trouble at Shangri-La's door, or don't blame me for being impolite!"

Jones Zizhou knew that Zak Chen, the boss of Shangri-La, had a strong background, so he hurriedly stopped, stopped the people around him, and said to the driver: "Fortune telling you today, please be careful in the future, or you will be killed!"

After speaking, they entered Shangri-La.

As soon as they were about to enter, the security guards immediately reached out to stop them, and the lobby manager hurriedly came over and said: "Sorry, gentlemen, you are indecently dressed and poorly groomed. According to regulations, you cannot enter our Shangri-La Hotel!"

Hearing this, Jones Zizhou calmed down and said with disdain: "We are from the Wu family of Donghai, you, a little manager, dare to stop me?!"

The lobby manager frowned and said with a strong attitude: "This gentleman, I don't care if you are from the Wu family or someone from another family. According to the regulations, you are not allowed to enter Shangri-La!"

After speaking, he said coldly: "Your faces have already scared our guests and affected the reputation of our hotel. Please leave immediately, otherwise, you will be at your own risk!"

Jones Zizhou's heart was raging, and he said coldly: "I will give you the face of President Zak Chen and will not beat you, but if you continue to find uncomfortable, then don't blame me for being rude to you!"

The lobby manager did not back down and blurted out: "I'm sorry, the rules are the rules, you can't enter Shangri-La!"

Jones Zizhou gritted his teeth.

Not to mention a lobby manager, even if the security team all come up, it is impossible to be the opponent of their five useless people. Everyone can take this group of people down with the work of their legs.

However, the other party is Zak Chen's dog, which is a bit tricky. If Zak Chen is offended, wouldn't it be worth the loss?

At this moment, their noises attracted the attention of many people in the lobby.

Many people were watching them whispering, and Jones Zizhou listened carefully, only to realize that these people were actually discussing what characters were carved on their foreheads!

He was immediately embarrassed and unwilling to stay here to be watched, so he said to the lobby manager with a black face, "I will give you three seconds, give me the f*ck, otherwise, don't blame if I'm not polite to you!"

The lobby manager also had a bit of temper, and immediately shouted to the security captain: "Captain Jones, these people have seriously affected the image of Shangri-La, kick them all out!"

Jones Zizhou was furious and cursed: "Shame on your face, beat me!"

After speaking, he rushed forward first, kicked the lobby manager to the ground with one kick, and immediately vomited blood from his kick!

Jones Zizhou vomited bloody sputum on his face, cursing: "If you don't know whether you live or die, dare to talk more, believe it or not, I will just destroy you!"

The lobby manager endured the huge pain in his body, and ordered several security guards behind him: "Shoot out all these guys who dare to make trouble in Shangri-La!"

But with this order, before a few security guards could react, unexpectedly, the other four bodyguards of Wu's family rushed forward, and they went crazy in an instant!

This group of people suffered a lot in front of Marven, and they were already holding back the fire. Suddenly, there was an object of exasperation. They had completely lost their minds and vented wildly to this group of people. They just wanted to put the group in front of them. People were killed to relieve the hatred in the heart.

Although Marven had their hands severed, they were from a strongly trained family. Their legs and knees could cause great damage to these security guards.

Therefore, with just one move, all these weak security guards were overthrown to the ground, causing the opponent to lose combat effectiveness.

Seeing that these people were dying, and if they continued to fight, they would definitely be dead. Jones Zizhou asked everyone to stop the attack and said coldly, "A bunch of dogs that don't have long eyes slap their mouths, and they dare to fight against Wu family guards. I ah, Don't look at what virtue you are!"

After speaking, he took the elevator directly with people and went upstairs.

Chapter 727

After the five Jones Zizhou left, the scene was in a mess.

Shangri-La's lobby manager and several security guards were all injured lying on the ground, their noses and faces swollen looking very miserable.

A security guard struggled to get up and hurriedly helped the lobby manager from the ground, and couldn't help but ask: "Manager, what should we do now?"

The lobby manager said with a cold face, "You quickly take other people to the hospital, I will find Mr. Marven! If you dare to make trouble in Shangri-La, I still don't believe Mr. Marven will let him go!"

With that said, he limped to Zak Chen's office.

At this time, Donghai and Wuxin, the father and son, were staying in the presidential suite of the Shangri-La Hotel, patiently waiting for Jones Zizhou and others to return.

A few dozen minutes ago, Donghai also received a message from Liu Guang, saying that he had arrived at Tianxiang Mansion and subdued Orvel. Not only that, but he also found an unexpected surprise. Marven's wasteful Old Master, was also dining in Tianxiang Mansion.

This made Donghai very happy. He felt that just taking advantage of this opportunity, he would kill Marven's father-in-law first.

But now seeing that time has passed by almost an hour, Liu Guang has not reported any progress to him, which makes Donghai aware that something is wrong.

He called Liu Guang but no one answered, and he called Jones Zizhou again, but no one answered.

Actually, the mobile phone is in Jones Zizhou's pocket, but both of his arms are useless, and there is no way to get the mobile phone out of his pocket.

The other four people are the same, and there is nothing they can do at this time.

If only the fingers were scrapped, it would be nice to still be able to control the phone by sliding the belly of the fingers with the drooping fingers, but now, the whole arm can't use any strength, it's a complete mess.

Donghai couldn't get through Jones Zizhou's phone, and he couldn't help feeling a little nervous.

Jones Zizhou's strength is very strong. He hasn't met an opponent so far, so he can't plant on him, right?

Wuxin frowned and couldn't help but say to his father Donghai: "Dad, Liu Guang's situation, no one has given us any reply up to now, did Jones Zizhou and the others have an accident?"

Donghai shook his head and said confidently: "Impossible, Jones Zizhou and the others are all practicers. They are powerful. Looking at the whole Wrestvel, it is impossible for anyone to be their opponent!"

As he was talking, he took out his phone again and called Jones Zizhou.

Immediately afterwards, he heard a cell phone ringing outside the corridor.

While he was still wondering, he heard the doorbell ring.

It was a little brother of Jones Zizhou, who pressed the doorbell with his forehead.

When Wuxin heard the doorbell rang, he blurted out: "It is estimated that someone has returned!"

After finishing speaking, he hurried to the door, opened the door and was stunned for a moment!

Donghai paced over slowly at this time, still smiling and saying: "What are you talking about? With Mr. Orvel's insignificant role, how can he beat Jones Zizhou?"

After finishing speaking, he did not forget to say to his son who was in a daze at the door, and said with earnest words: "You, don't rush and mess up your position. You must be calm when you become a big thing. You have to think about this in the future. Don't you?"

Wuxin swallowed his saliva, pointed at the five ghost-like people outside the door with horror, and said blankly: "Dad, come and take a look!"

"What are you looking at?" Donghai said indifferently, "Have they come back from Tianxiang? What are they still standing outside the door? Don't let them come in and tell me in detail about the process of killing Mr. Orvel!"

When Wuxin heard this, he took a step back subconsciously to make room. Jones Zizhou and the five people gathered up their courage, shook their two broken arms, and walked in with their heads downcast and dejected!

When Donghai saw the five people coming in, he was shocked and stunned. The tea cup in his hand was suddenly unsteady, and he dropped to the ground...

Chapter 728

He looked at five ghost-like people, and said dumbfounded: "You...you...what's the matter?! What happened to your foreheads? Why is it all blood?! This... How does it happen? It looks like it was written by someone?!"

As several of them kept their heads down, it was difficult for Donghai to make out the words on their foreheads.

Jones Zizhou immediately took a step forward, thumped, and knelt in front of Donghai, and said in fear, "Mr. Donghai, I was not able to do things well, please punish me!"

Seeing these people in such a horrible situation, Donghai's heart shook, his face changed suddenly, and he asked: "You can tell me clearly, what happened?!"

Jones Zizhou knelt on the ground, bowed his head and cried, "Mr. Donghai, we went to help Liu Guang deal with Orvel as ordered by the young master. Today in Tianxiang Mansion, we had already controlled Orvel and even caught Dave, Marven's old father-in-law, but who expected that Marven suddenly rushed in..."

Speaking of this, he wept bitterly and said: "Mr. Orvel, that Marven's strength is too strong, not to mention that I am not his opponent. Even the five of us can't help beat him at all. However, not only did we all have our arms scrapped by him, but he also engraved words on our foreheads..."

Donghai was struck by lightning!

Better than Jones Zizhou? ! Is that still a human? !

He trembled with disbelief on his face and said, "Even you are not Marven's opponents?! That Rubbish...that Rubbish is so strong?!"

As he said, he thought of engraving, and hurriedly asked: "Engraving? What kind of words? Look up, let me see!"

Jones Zizhou and the others hesitated for a while, but didn't dare to defy Donghai's orders, they could only raise their heads with a gray face, that expression was even more tragic than the dead family!

Donghai and his son observed at these people's foreheads, and suddenly became furious!

Wuxin beep!

Wu Qi loves to eat sh!t!

Wuxin is gay!

Donghai is incompetent!

I want to poop to Wuxin to eat!

They looked at these extremely humiliating words, their faces turned green!

Donghai has lived for most of his life. He has seen all kinds of punishment methods, and he has even seen many corpses who died tragically, but he has never seen such a scene!

This...this is f*cking cruel!

Engrave on someone's forehead, and the engraved words are still so full of humiliation!

This really makes people feel a tingling scalp and chills in the limbs!

Donghai was panicked and angry, and questioned: "This is all done by the waste Marven?!"

Jones Zizhou knelt on the ground and said: "It was the calligraphy that he asked Orvel to make, and he also asked me to bring you a message, saying that if you want to target him, just go for him, but if you dare to involve people around him, then he will let Wu family never recover..."

After Wuxin heard this, he couldn't help but furious, gritted his teeth and said: "Dad, Marven alone would dare to let my Wu family be overwhelmed. What a big tone! How can you be worthy of the Wu family's face if you don't kill him!"

Donghai's expression was a bit cold, and he said, "Do you think it is easy to kill him? These five people have been completely abandoned. You and I, the father and son are in Wrestvel. Now there is not even a bodyguard. If Marven comes to the door, can we resist?!"

Just now, Wuxin, who was pretending to be forced to kill Marven, turned pale in shock and said: "Dad, let's run now!"

Donghai glared at him, and said in dissatisfaction: "What are you panicking? This is Shangri-La! I don't believe that Orgeyon Ye family's property, that waste dare to kill here! If he really dares to come, then Orgeyon Ye family will never let him go!"

Chapter 729

At this moment, the lobby manager who was kicked half-dead by Jones Zizhou, with the support of several employees, staggered to the door of Zak Chen's office.

Knocking on the office door, as soon as the lobby manager entered, Zak Chen saw that he was completely injured, and blurted out, "Manager, what's the matter?"

Manager said indignantly: "Mr. Marven, some bodyguards from Donghai Wu's family dared to break into our hotel and fight me and some security guards in the lobby!"

"What?!" Zak Chen frowned and blurted out: "What's the matter? Both the Wu family and his son live in our presidential suite, and their bodyguards also live in it. Why did they break into the hotel to fight?"

Manager hurriedly explained: "It's like this. A few of them seemed to have just had a fight with someone outside. They were covered in blood, their arms were broken, and their foreheads were carved with a knife. , The faces full of blood, it looks like filth, doesn't our hotel always have a request to not allow guests with disheveled clothes to enter, so I stopped them..."

Zak Chen frowned.

He had also heard of Wu's bodyguard.

It is said that the strength is very extraordinary.

These five people, in Wrestvel, even Zak Chen's own bodyguards may not be their opponents. Therefore, when Zak Chen heard that their arms and foreheads were engraved on them, he was stunned!

He couldn't figure out, when did Crouching Tiger, Hidden Dragon start in places like Wrestvel?

Is there such a master who can abolish all the five bodyguards of the Wu family? What kind of perverted power must this be?

Thinking of this, he said to Manager: "This matter is a bit weird, don't worry, I'll call someone to check it."

Zak Chen had many eyes and ears in Wrestvel. He quickly picked up his mobile phone, dialed a number, and said in a cold voice: "Check it out now, the bodyguard of Wu's family from Suzhou, what did they do in Wrestvel tonight, within five minutes, I want to know all results!"

Three minutes later, Zak Chen's phone rang. Hearing the words on the other end of the phone, Zak Chen was struck by lightning!

It turned out that the bodyguard of the Wu family went to Tianxiang Mansion tonight and wanted to punish Mr. Orvel, but unexpectedly, they were defeated by his young master Marven!

The five masters of the Wu family were actually defeated by the young master? !

Oh my god, Mr. Ye has such a powerful strength? !

Zak Chen was terrified!

Immediately, a strong anger surged in his heart!

Wu family, so bold!

Mr. Orvel had been with the young master for a long time, and he was considered half of the Ye family. How dare the Wu family come to Wrestvel to punish Mr. Orvel, and even clashed with his own young master?

They are tired of life, right? !

Moreover, after this group of people went to punish Mr. Orvel and was beaten to death by his young master, they were so arrogant that they beat the lobby manager of Shangri-La? !

What the h*ll is going to offend the Ye Family to death!

Thinking of this, Zak Chen was furious!

He even gave the father and son face back and let them live in the presidential suite in Shangri-La. If the young master knew about it, what if the crime came down?

The angry Zak Chen almost wished to rush to the presidential suite where the Wu family and his son are located, and break the legs of these two dogs!

However, when he thought that the young master was also involved, he didn't dare to call the shots without authorization, so he immediately called Marven.

When the phone was connected, Marven had just stopped the car.

After the Old Master got off the car, Marven said to him: "Dad, I will pick up the phone and follow you."

Dave nodded and said, "You can pick it up, I'll smoke a cigarette outside and wait for you."

Marven nodded.

The Old Master went to smoke, and he sat in the car to answer the phone.

As soon as the phone was connected, Zak Chen hurriedly said, "Mr. Ye I heard that you have a conflict with Wu's bodyguard?"

Marven gave a hum, and said, "Your information is quite timely!"

Zak Chen hurriedly said: "Mr. Ye I also heard that these five people are making trouble in Shangri-La, and I found out after finding someone to check."

With that said, Zak Chen explained what happened after the five Jones Zizhou went to Shangri-La.

After listening to Marven, he said coldly: "These five dogs, I didn't expect that dogs can't change their poop. I thought they could learn to be honest and low-key, but I didn't expect them to have both arms and legs troubled!"

Zak Chen hurriedly said: "Mr. Ye now the Wu family man and his son are also in Shangri-La, what do you want to do with them, you only need to give an order and do so immediately!"

Marven smiled slightly and said, "In this way, you go to their room first and interrupt the legs of these five dogs. I want to see they have all their hands and feet gone, what else will they do to cause trouble."

Zak Chen blurted out: "OK Master! What else do you want?"

Marven said again: "There are also Donghai and Wuxin. I don't plan to kill them for the time being, but I can't make them go so easily. You can help me to interrupt one of them and drive them out of Wrestrvel!"

"Okay!" Zak Chen said immediately: "Mr. Ye don't worry, I will do this wisely!"

After speaking, Zak Chen asked again: "By the way, Mr. Ye do you want me to tell them clearly so that they know what kind of existence they provoke?"

"No." Marven said indifferently: "If I let them know my true identity, they will probably be completely persuaded. That would be boring."

After speaking, Marven said again: "Remember, you need to teach them this time, it is completely because the Wu family bodyguards made trouble in Shangri-La and ruined Ye family's face."

Zak Chen said immediately: "I understand Mr. Ye!"

"Well, you understand, just do it."

.....

In the presidential suite at this time, Donghai was darkened, looking at the five dead dogs in front of him!

On the one hand, he hated the waste of these five people, even if they could not handle a waste like Marven, on the other hand, he hated the words engraved on the heads of these five people.

d*mn, it's a complete insult to the Wu family!

He shouted to Jones Zizhou in a cold voice: "I will arrange for someone to perform cosmetic surgery on you, cut off all the skin on your forehead, take skin from other parts of your body and transplant it, and then you should be able to remove these words!"

Jones Zizhou nodded hurriedly, and said with a trembling, "Thank you, Mr. Donghai..."

Donghai used to have some respect for Jones Zizhou, but now he is not pleasing to the eye.

So, he said coldly: "I will transfer a group of new bodyguards from the family, and then you can disband on the spot."

"Disbanded on the spot?!" Jones Zizhou blurted out: "Mr. Donghai, are you trying to fire us?"

Donghai frowned and asked, "Otherwise? I'll keep you as a bodyguard? Can you still be a bodyguard like this?"

Jones Zizhou blurted out: "Mr. Donghai, our five brothers have been with you for so long, and we have killed many people, prevented a lot of disasters, and suffered a lot of injuries for you. Today, all five of us were abandoned by Marven, this all happened while fulfilling your orders. How can you leave us at this time and let us disband on the spot?"

Donghai asked in return: "Why? If you don't dissolve, do you still want me to provide for you?!"

As he said, Donghai said in disgust: "Don't tell me these useless things. I will give you 500,000 severance pay at that time. If you know how to raise money, you can get out of it. If you don't know how to raise money, Don't blame me for being rude then!"
