

The Amazing Son In-Law Chapter 891-900

Chapter 891

Viola never dreamed that after more than 20 years, she would still get such a fat beating because of Meiqing's incident.

She was looking at herself and was about to persuade Gena, but she didn't expect that after Mrs. Xiao moved out of this matter, she would directly subvert all her efforts, and instead plunge her into an endless abyss.

The few women who came up to beat her up had all experienced the tragic past of being meddled by women, so when they hit her, they brought all their new and old hatreds into it, and they didn't show any mercy at all.

Viola was beaten again quickly, and her whole body was almost dying. Several times Viola felt that she was going to be in shock, but before she was really shocked, she was woken up twice by others.

After a group of people beat Viola, the Old Mrs. Xiao said to the side: "I think we'd better get this sorrowful woman to the toilet, so that she won't make us upset here!"

"Yes!" The woman who rushed up to start her hands coldly said, "The Lady Xiao is right. Throw her into the toilet!"

With that said, she greeted another woman next to her and said, "We are both hold a leg, and we will drag her in."

"Okay!" The other party immediately nodded and agreed, so the two of them pulled Viola's leg and dragged her from the ground to the toilet.

Theresa also hurriedly followed. Seeing that the two women threw Viola into the toilet, she took out the washbasin and took a basin of water and poured it directly on her body. She sneered and said, "Viola, you never dreamed. Do you think you will have today? Just rely on you, still want to fight with grandma?"

Viola was awakened by the cold water, shaking violently and regretting in her heart.

She shouldn't say those things in front of Gena, trying to arouse Gena's sympathy.

If she didn't accuse Mrs. Xiao of what happened just now, she wouldn't end up like this.

What she regrets more is that she shouldn't have stolen the bank card of her son-in-law Marvin, and never dreamed that Marvin turned out to be a transnational liar!

If she didn't steal his bank card, he would be the one who would come in and suffer this time sooner or later, but because she couldn't control her hands, she was here now, suffering this inhuman torture.

Her intestines are already regretful.

That night, Viola sat in the corner of the toilet holding her legs and struggled till dawn.

In the evening, Viola had already developed a high fever, which made her bewildered.

More importantly, she hasn't eaten anything for nearly 48 hours!

When everyone else started to wash in the toilet in the morning, Viola was so weak that she didn't even have the strength to lift her eyelids.

Someone in the cell went to get the breakfast for the whole cell. The breakfast consisted of rice porridge with steamed buns.

When Gena and others were eating, they found that Viola hadn't come out, so she told someone to say: "Go in and see if the sorrowful woman is dead, and drag her out if she isn't."

So the man came to the toilet, took a look at Viola, and found Viola was curled up in the corner shivering, so she walked forward, grabbed her hair, and abruptly pulled her out of it.

When Viola came out, Gena was already eating her box of lunch.

Just like yesterday morning, Gena finished the steamed buns and deliberately left about one-third of the porridge. Then she looked at Viola and said playfully, "You haven't eaten anything for two days and two nights. You must be hungry? "

Chapter 892

Viola nodded in a daze, and said: "Sister Gena, please let me have a bite, otherwise I might really die..."

Gena sneered and poured all the porridge in the bowl on the ground, then tapped a little with her toes, and said with a sneer: "Do you want to eat it? Then lick it on the ground!"

When Gena asked Viola to lick the porridge on the ground yesterday, Viola was 10,000 unwilling.

Because she felt that, no matter what, she could not just lie on the ground and do such abusive things just to eat one bite.

But now, she can't take care of so much anymore. What about the three abuses, as long as they can fill up their stomachs, or even just fill up, let herself kneel on the ground and lick?

So she immediately knelt down and lay on the ground without hesitation, licking the cold porridge on the concrete floor with her tongue.

Old Mrs. Xiao couldn't be more happy seeing this scene.

The thought that Viola might stay in it for ten to twenty years or even longer in the future made her feel even more excited.

Viola licked the porridge on the ground bit by bit, and even ate a lot of sand in her mouth, but she didn't care about it at all.

At this moment, the prison guard opened the door of the cell, looked at Viola in the room, and said coldly: "Viola, come out, the police station is about to interrogate!"

Those who have not been sentenced in the detention center are collectively referred to as suspects. Suspects are often taken back to the police station by the police for interrogation. This is also a normal process.

As soon as Viola heard that she was going to be interrogated, she had no doubts, she immediately got up with difficulty, crying and rushed to the door, watching the prison guard pleading: "Please, take me away soon."

She didn't know long ago that this arraignment was just a good show arranged for by her son-in-law Marvin!

The prison guard saw her in such a miserable state, her whole body was wounded, even two front teeth had fallen, and he couldn't help but be surprised.

Immediately, she said to Viola: "Come out quickly, the police officer who will pick you up is still waiting!"

These two police officers are the two police officers who sent Viola over the previous two days.

After less than 48 hours, Viola has become inhumane, making them a little dumbfounded.

But they also knew that someone had already greeted them and prevented them from asking about Viola, so they all pretended not to see it and said directly to Viola, "Let's go, our car is waiting outside."

After that, the man walked up to Viola with handcuffs and handcuffed her hands together.

Viola followed them out and asked nervously, "Comrade police officer, I was really wronged. Is there any progress in your case? When will my grievance be cleared and when will you let me go home?"

After speaking, Viola couldn't help but wept bitterly.

The police officer said: "You are now involved in a transnational fraud case. This is the largest transnational fraud ever recorded in the world, and you, as the first suspect we have now, are the key to our investigation and arrest. Breakthrough."

After that, the police officer said again: "If you are more acquainted, you'd better confess all your accomplices. This can help us solve the case, and it can also help you do meritorious service and strive for leniency!"

Viola cried bitterly and said tremblingly: "Comrade Constable. Please believe me, I am willing to swear with my life that I really don't know anything about this. The person you are going to arrest is my son-in-law. I can take you to arrest him. If you have any problems, you can try him, or even shoot him, there is no problem, but you can't wrong the good guy!"

Chapter 893

As soon as Viola was taken to the police station, she was immediately stuffed into the interrogation room.

Several police officers came in immediately, sat in front of her, and said, "Viola, how have you considered these two days? Are you ready to explain your business?"

Viola cried and said, "Comrade police officer, I was really wronged..."

The officer snorted coldly: "What? Are you stubborn? Do you really think we are vegetarian? If we can't catch your accomplices, you will have to fight all crimes by yourself. In this case, you might be going to be shot!"

When he heard that he might be shot, Viola panicked and immediately pleaded: "Comrade police officer, I have said it many times, that card is really not mine!"

"I took that card out of my son-in-law's pocket, and the code of that card is my son-in-law's birthday. This is enough to prove that this card belongs to my son-in-law, not mine. Since you said this Card is suspected of transnational fraud, and the real mastermind must be my d*mn son-in-law. Why don't you arrest him and try him?"

The police officer sneered: "Your son-in-law's name is Marven, right?"

Viola hurriedly asked: "You have already investigated him. Did you catch him? Did you try him out of the blue? Did you sentence him to give him a quick account?"

The police officer took out a premium card from a file bag, put the premium card in front of Viola, and asked, "Viola, was this the bank card you used to withdraw money from the bank?"

Viola recognized the premium card at a glance. As soon as she closed her eyes in the past two days, what this card appeared in her mind.

If it weren't for this card, how could one become a prisoner and suffer so many inhuman tortures?

So she was really worried about this card, and she was deeply impressed!

She resentfully said: "This is the card, this is what I stole from my son-in-law's pocket! He must be the culprit! You quickly catch him, try him, and shoot him!"

The police officer sneered, then took out another portfolio, opened the portfolio, and poured the contents on the table.

What made Viola dream of was that all the premium cards that came out of this portfolio were exactly the same, and there were at least a few hundred!

Viola exclaimed and asked: "Are these cards found from Marven's b@stard?"

The police officer said: "To tell you the truth, that transnational criminal group forged many of these black gold cards, and they are very, very intelligent. They bought the personal information of many people from the Internet and set the forged card passwords. Set these people's birthdays and send these cards to these people to trick them into going to the bank to check the balance in this card."

"The balance of each of these hundreds of cards is 21.9 billion!"

"Once the deceived person can't control his greed and tries to take the money from the card, then he becomes an accomplice to help the criminal group defraud the bank and take money from the bank."

"Fortunately, you did not get the money at that time, you have been arrested by us, otherwise once you get out of that bank, the criminal group will look at you, kidnap you, ask for your bank card password, and then Take away all the 21.9 billion you just scammed from the bank, and finally kill you and divide your body! In that case, you will evaporate in this world!"

Viola was stunned, she blurted out and asked: "You mean, this card was mailed to my son-in-law Marven by the criminal group?"

"That's right!" the police officer said sharply, "and not only sent it to your son-in-law, as far as we know, at least thousands of people in Wrestvel received this card! There are tens of thousands of people across the country!"

Chapter 894

As he said, the police officer said again: "Your son-in-law is a very upright person, and a very magnanimous person. He has no greed. After he received this card, he found out the balance of this card. We immediately reported to the police. We were going to tell him not to behave in a rush, but unexpectedly, you stole this card without a long eye, and you took it to Citibank to withdraw money!"

Viola exclaimed and said regretfully: "Oh! I should have known this situation, even if I killed me, I would not steal his bank card!"

As Viola said, the whole person was already crying, she did not expect that she would step on this kind of thunder without long eyes!

It turned out that this card was a criminal's who stole Marven's personal data, and then forged it and sent it directly to Marven!

What they did was to lure Marven and make Marven greedy for the 21.9 billion balance in the card!

Then asked Marven to go to the bank to transfer the money out and transfer it to his own account!

In that way, Marven helped them complete the whole process of defrauding the bank, and they could completely get rid of the crime and avoid all risks!

After Marven transfers the money to his own account, these criminals can directly approach Marven, threaten him to call out the money, and then kill Marven and let him take the blame... ..

Thinking of this, Viola was already covered in cold sweat.

She didn't have the slightest doubt about what the police officer told her.

At this time, she realized that when she was about to transfer the 21.9 billion in the bank, she almost passed Death!

If it weren't for the police to arrive in time, taken her away, so that she might have been killed by the criminal group until now!

When she thought that she was almost dead, but she was lucky enough to get her life back, she was grateful!

Even the inhuman torture in the cell has suddenly become worthwhile!

Fortunately, she went to the cell and was tortured by Old Mrs. Xiao and Gena, otherwise, she would have become a lonely ghost!

Fortunately, Viola couldn't help crying and said to the police officer: "Comrade police officer, since you all know that I have been wronged, please let me go!"

The police officer said coldly: "Let you go, if we let you go, if you talk too much about this matter, if you start to provoke the snake, then how will we catch the suspect in the future?"

Viola hurriedly stated: "You can rest assured, as long as you let me go, I will never talk about this to anyone!"

The police officer asked, "Can you really not tell anyone? Even your daughter and your husband, you can never say a word!"

Viola nodded and said, "I can! I can! I can definitely do it!"

The police officer said coldly: "I can't believe you. As long as you miss a word on this matter, it may bring irreversible consequences. Can you afford it by then?"

Viola cried and said, "Comrade police officer, please rest assured, I will take this matter into the coffin even if I die, and I will never mention a word again!"

Chapter 895

Viola had completely believed the story the police officer told her.

What she worries most now is that the police officers continue to lock her in the detention center in order not to provoke them. Then she really doesn't know when and when she will be able to regain her freedom.

So she looked at the police officer pleadingly, crying and said, "Comrade police officer, I really don't know a word, so you just let me go. If you lock me up again, I will die inside. Up..."

The police officer shook his head cautiously and said, "Ms. Viola, I still can't believe you. I see people like you a lot. On the surface, no one tells you. In fact, the mouth is faster than anyone. If you let them go, they will tell others about this immediately."

As he said, the police officer said again: "And don't think that I locked you up to solve the case. In fact, it is also for your safety!"

"Because after letting you out, once you talk nonsense, once they know about it, they are likely to kill you! It is even possible to kill you, and then all the evidence will be planted on you, let You their substitute!"

"In that case, wouldn't you be more wronged?"

"So, to be on the safe side, you should continue to stay in our detention center until we have caught all the suspects before releasing you. This will also ensure your safety."

Viola said desperately: "Then I have to wait until the year of the monkey and the moon? I beg you to be merciful and let me go. I really won't talk nonsense. I beg you, I am willing to kneel down for you. Kow my head, just beg you to let me go, don't lock me up again..."

Speaking of this, Viola is already crying out of breath...

"Forget it." The police officer said coldly: "We can't take this risk. After all, this case is about the international criminal police of 23 countries. If we do it because of you, we can't bear this responsibility.!"

The police officer next to her sang red face at this time and said, "I think her attitude is quite sincere. As long as she can control her own mouth, it doesn't hurt to let her go."

The black-faced police officer replied: "If the case cannot go on because of her, who will bear the responsibility? If she is killed because of this, who will bear the responsibility?"

The red-faced policeman looked at Viola and asked, "Viola, can you control your own mouth? If you can, you write a letter of guarantee, we will consider letting you go, but if you promise to write , Go out and talk nonsense, even if you say a word nonsense, as long as we know about it, we will immediately arrest you, and will never let you out until the case is finished!"

Viola wiped her tears with her sleeves, crying out of breath, and said, "Comrade police officer, you can rest your heart. I will tell you a heart-wrenching remark. I am also greedy for life and fear of death. Human, this matter is related to my own life safety. Even if they kill me and force me with a gun, I dare not say a word!"

The black-faced police officer asked coldly: "What about your son-in-law? Will you go to your son-in-law to confront this matter right after you leave?"

Viola sighed in her heart, didn't she even have the chance to find Marven that b@stard?

Then who should be accounted for after so many beatings and so many humiliations in the detention center?

Chapter 896

So, she asked in a low voice tentatively, "That...comrade police officer...I'm just at home, can I tell my son-in-law about this in private?"

The black-faced police officer slapped the table angrily, and blurted out to the red-faced police officer beside him: "I said this kind of stupid woman can't believe it. You have to let her go. Did you hear what she said? Go down and confront son-in-law! Isn't this going to kill herself and ruin our case?"

The red-faced police officer's complexion also darkened, staring at Viola, and said coldly: "Viola, you really disappoint me. I just thought you could do it without mentioning it. I didn't expect you to return and want to confront your son-in-law! Are all the things I said to you just for nothing?"

Viola panicked suddenly, and tremblingly asked: "Comrade Constable, to be honest, I will end the game today. It will be Marven's card. Can't I confront him? Is it?"

The red-faced police officer scolded angrily: "Stupid! Marven is one of the members who received the premium card! The criminal gang itself has been staring at him, and it is even possible that his every move, every word and deed is in their observation. Within the monitoring range, there may be many monitors and listening devices installed in your home. If you dare to go back and mention a word with him, it is very likely that you will be killed, or even your whole family!"

Viola was shocked and hurriedly said: "Then I won't say it, I won't say it, I won't say a word, I won't say anyone!"

The black-faced policeman snorted coldly: "Now say this? Tell you! It's too late! I said a long time ago that people like you are not credible at all, and letting you out is a scourge. Sooner or later it will ruin our major affairs. Then take your own life in!"

After finishing speaking, he said to the red-faced police officer: "I think it's better to shut her back again, when the case is solved, and when will she be released!"

The red-faced police officer no longer objected, nodded and said, "Be cautious, I think it can only be this way!"

When Viola heard the conversation between the two, she burst into tears and burst into tears, crying heartbreakingly. While slamming her mouth with her handcuffed hands, she blurted out: "Comrade police officer, I really know what's wrong. Yes, I really don't say a word anymore, you let me go, I will never mention this to anyone again, please don't send me back, otherwise I will die inside!"

The black-faced police officer observed at her and said coldly: "I can't believe you at all!"

Viola regretted it and wanted to beat herself to death.

"Why do you want to mention Marven? What is more important now than letting yourself out?"

Besides, what's the point of going to Marven by herself? This card itself was given to Marven deliberately by criminals. It was low-handed and could not stand the temptation. Even if she went to settle accounts with Marven, he would still be an unknown teacher.

What's more, there is that d*mn transnational criminal group behind this, if because she scolds Marven, he ends up killing himself, wouldn't it be a big loss? !

It's okay now, just because she had a bad mouth, she was able to let herself go, but now it seems that she has been tossed by herself...

She thought over and over again, and could only use the trick of a b*tch crying, making trouble, and hanging herself. She cried and said to the two police officers: "Comrade police officer, if you don't let me go, then I will hang myself in the detention center when I go back!"

Chapter 897

Seeing Viola looking for life, the two police officers looked at each other and the red-faced policeman asked: "Viola, we can consider letting you go, but there are some issues that must be communicated to you first. Let you go, you go home, your family asks about your whereabouts in the past two days, how do you tell them?"

Viola hurriedly said: "I, I will tell them...I have these two days... these two days..."

Viola hesitated for a long time, and didn't say a word, so she came, because she herself didn't know how to explain to her husband and daughter after returning home.

After all, she has been missing for two days and nights for no reason. What's more important is that she doesn't have a good place all over her body now, and still just getting beaten.

More importantly, even the front teeth have been lost, which is too miserable.

The red-faced policeman said indifferently: "Let's do it, I'll give you an idea. If we decide to let you go after consideration, then after you get home, you can tell your husband, your daughter and your son-in-law, this In two days you entered an MLM organization by mistake. The MLM organization brainwashed you and asked you to go to the bank to complete the fraud, and then you were arrested by the police."

Viola nodded quickly, and blurted out: "Comrade police officer, don't worry, as long as you put me back, I will tell my family according to your instructions, and I will never reveal a word about this matter, let alone It will delay your capture of transnational fraudsters!"

The policeman hummed and said lightly: "Okay, let's study and discuss this matter, and we will send you back to the detention center immediately. If we discuss and decide to release you, the detention center will directly handle the formalities for you. ."

Viola hurriedly asked: "Comrade Constable, you will not let me go to the end of the discussion, will you?"

The black-faced police officer slapped the table and scolded, "We have to discuss this matter! You can go back and wait patiently for the results of our discussion. There is no room for you to bargain!"

When Viola heard this, she didn't dare to say more, so she agreed to honestly and tremblingly said, "Comrade police officer, am I going to wait for news now?"

"Yes!" The black-faced police officer said coldly: "We will let the police drive you back now. You must remember that after you go out of this door, don't say a word about related things!"

Viola nodded resolutely and promised: "Don't worry, I won't say a word even if one kills me!"

Later, Viola was driven back to the detention center by two policemen.

On the way back, she was very depressed.

Unexpectedly, this incident turned out to be such a reason.

It's a big matter, and it's impossible to find Marven's b@stard to settle accounts.

Otherwise, if she can't speak a word well, miss a word, and are known by the police, she will probably catch themselves back to the detention center again.

In that case, don't know which year and month she can come out.

.....

Just when Viola was sent back to the detention center, Dave couldn't wait to find a chance and continued to meet Meiqing again.

Last night, he had a very delicious home-cooked meal with Meiqing at home, and it was Meiqing who cooked it herself, which made Dave happy.

So early in the morning, he sent Meiqing a WeChat message, inviting her to visit University, their alma mater, to find memories of the year.

As soon as Meiqing heard that he invited her to visit her alma mater, she immediately agreed without hesitation.

Chapter 898

Immediately, Dave immediately cleaned himself up, ignoring breakfast, so he was anxious to go out.

Seeing him dressed up again, Avella immediately asked, "Dad, where are you going this morning?"

Dave happily said: "I have an appointment with your Aunt, and we will go to my alma mater today. She hasn't come back for more than 20 years!"

When Avella heard this, he suddenly became angry, and blurted out: "Mom has been missing for almost two days and two nights, and there is still no news. How can you go hanging out with Aunt? Are you not prepared? Go and find out where mom is?"

“Hey...” Dave chuckled, and said in a veiled manner, alas, isn’t it up to you and Marven to find her? After all, you two are young people, doing things more reliably than an old guy, so I just wait patiently for your good news. “

Avella angrily said, “Dad, I’m really angry no matter how you look like this! How come you still can’t tell the priorities? My mother’s safety is in your heart, isn’t it better than staying with Aunt Is it important to visit your alma mater?”

Dave knew that this kind of thing was wrong, so he didn’t want to talk too much about the right or wrong of this matter with his daughter, so he waved his hand in a hurry and said, “Oh, it’s late, I won’t follow. You said it, let’s talk to you when I come back, I’ll go first, bye!”

After speaking, he has already stepped out.

Avella wanted to stop him in the end, but it was no longer useful.

Dave has already seized the door.

Seeing Dave leaving, Avella said angrily to Marven: “Have you seen? Dad won’t even take you this time. I believe Aunt will not take her son with her today. They are going to be there. The world of two people...”

Marven hurriedly said: “Oh, don’t think about it so much. They are just old classmates meeting each other. What kind of two-person world is it?”

Avella said with red eyes: “You don’t need to excuse them, I can see what they are doing at a glance...”

After that, she asked Marven again: “By the way, have those friends started to help you find mother’s whereabouts? Did they reply to you?”

Marven said: “They told me that there would be results within today, and I also asked them to inquire. There have been no serious social security or criminal cases recently, so they also told me that my mother is not in danger. The possibility is very low. We should be able to get mother back in a day or two.”

Hearing this, Avella’s mood improved. She sighed and said, “I hope your friends can be more reliable. It’s best to let mom come back today. Otherwise, I really am going to crash...”

Marven couldn’t help but slander in his heart, letting her come back is sure to let it back anytime.

But the key is to make her shut up honestly.

Otherwise, letting her back is a hidden danger.

It’s better to let her stay in the detention center.

So he sent Zak Chen a WeChat and asked him: “How is the matter with my mother-in-law?”

Zak Chen quickly replied: "I asked the police to say hello to her. The words were very serious. I believe she must not dare to talk nonsense!"

Marven relaxed and said: "In this way, you send a few more people in to help me make a scene, deepen and deepen her impression, and let her shut her mouth completely!"

Chapter 899

Dave dressed himself as an old overseas Chinese who had returned from Nanyang, handsome and stylish.

This time, he and Meiqing had a very tacit understanding, Dave did not bring Marven with him, and Meiqing did not bring her son Paul.

Dave personally drove his BMW 5 Series, went to the Shangri-La Hotel to pick up Meiqing, and went back to his alma mater together.

Now, Meiqing is wearing a long gray woolen coat, and she looks very temperamental. As soon as she meets at the door of Shangri-La, Dave is fascinated by her.

He got out of the car and opened the door to Meiqing, and he couldn't help but exclaimed, "Meiqing, what you are wearing today is so beautiful!"

Meiqing smiled slightly and said, "I'm all of an age. What is beautiful or not? I just have to go back to my alma mater to have a look, so I should tidy myself up a bit, and I can't shame my alma mater."

Having said that, Meiqing said again: "Besides, I will have a party with our old classmates today."

"Oh, yes!" Dave patted his head and said, "Look at my memory. I just wanted to accompany you to visit my alma mater. I forgot about the class reunion. By the way, is the location of the class reunion set? If there is no decision, I can ask my son-in-law to help."

Meiqing hurriedly said: "The place has already been decided. I asked Paul to help him. He said it was a local place Clubhouse."

Dave was surprised and said: "Brilliant Clubhouse? The requirements for the guests are very high. Will Paul be able to get membership there as soon as he arrives in Wrestvel?"

Meiqing smiled and said, "I don't know the details. I only know that he told me that our law firm seems to have a long-term cooperative relationship with the parent company of this brilliant club. Legal affairs are entrusted to our law firm."

Dave couldn't help being shocked!

The parent company of Brilliant Club is naturally the famous Song family in Wrestvel. He did not expect that the law firm of Meiqing's family would have a cooperative relationship with the Song family!

He originally wanted his son-in-law Marven to help arrange a venue in the Brilliant Clubhouse, and by the way, he could also make himself pretentious.

But he didn't expect that Meiqing's son solved the matter directly, which is really extraordinary.

So, Dave hurriedly made an inviting gesture and said, "Come on, Meiqing, get in the car."

Meiqing thanked him, and gracefully sat in the co-pilot of Dave's BMW 5 Series.

As Dave drove towards University, he couldn't help but sigh: "You have been away for more than 20 years and haven't come back again?"

Meiqing said: "I have been back to China, Suzhou, but I have never returned to Wrestvel."

Dave hurriedly asked, "Isn't it because of that incident that you didn't return to Wrestvel?"

Meiqing said seriously: "Half and half, on the one hand, because of the previous incident, I don't want to come back to face the memories. On the other hand, I have no relatives in Wrestvel, and my old classmates have not been in contact for a long time. So I never came back."

Chapter 900

Dave nodded, thinking of the last time when the classmates reunion, many classmates used their previous relationship with Meiqing and Viola to tease them.

Therefore, he said to Meiqing seriously: "Meiqing, we have a party today. Maybe those old classmates will tease us about what we have done in the past. Don't take it too seriously. It's a bit old and rude!"

Meiqing smiled and said, "As long as it's not distorting the facts, it doesn't matter if they make a joke. If I'm afraid of them ridicule, how can I bring these classmates together? Everyone hasn't seen each other for more than 20 years. What's the point of teasing me?"

.....

When they arrived at University, Dave parked his car in the parking lot at the entrance of the school and walked into the school side by side with Meiqing.

Classes are taking place in the school, so the campus is very quiet.

The two of them were walking on the concrete road of the campus. Dave introduced to Meiqing next to him, saying: "In fact, our school has been rebuilt and renovated several times over the years, and it is no longer what it looked like in the past. It's broken."

"Yes!" Meiqing couldn't help but sighed: "I remember that our school had only one cement road back then, that is the road that came in from the school gate. The other roads were paved with slag ash, and sometimes the school let the local Students from home bring some burnt briquettes to pave the road. The road was very muddy when it rained. At that time, it was very disgusting, but now that I think about it, I still miss it."

"Yes, yes, yes!" Dave said with a smile: "I used to bring burnt briquettes from home to the school. Do you remember that the school had a sports meeting that year. As a result, the track in our school's

playground was too bad. Just start, we tried every means to get more materials that could be used to pave the road.”

Meiqing smiled and said: “Of course I remember, at that time you paid for me, brought a lot of male students, and bought burnt briquettes everywhere in the city by pushing a tricycle.”

With that said, Meiqing looked at Dave’s eyes with ambiguous brilliance, and said with emotion: “I remember that at that time you drove a lot of cars to the school. Later, half of the entire playground track was covered. The people you brought spread out, so the teachers and the school value you very much and made you the president of our school.”

“Yes.” Dave rubbed his hands with some embarrassment, and said, “Dedication was popular at that time!”
