

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2676

"What happened?" Suzi asked with interest.

"Liao Jie called me just now as soon as I got on the bus. He was still talking about our past. I told him calmly that it used to be the past, but now there is only one relationship between us. That is the public relationship. As for public relations, isn't it appropriate for you to talk about private matters now?"

Suzi boasted with a smile, "That's how it should be!"

"Also." Galia said happily, "I realize that Liao Jie wants to cooperate with us, but he still has to take the air. He just wants to get the order from our company, and he has to force me to resign.

What he said in front of me just now, if you don't resign, I will not cooperate with you.

I will Okay.

In this case, we will start a new round of bidding from tomorrow. I will hang up after saying this.

I just want to give him some ruthlessness.

Maybe our company can save more in terms of cost. A little."

"Yo, the little girl is getting smarter and smarter now, and she knows that she can fight for the company's interests again." Suzi couldn't help but praise Galia.

Galia sighed softly: "This is also his own doing. Originally, our company could give him 5% of the net profit, but if we squeeze it again, maybe 4%. In this case, the net profit alone is only 4%. We can save more than 10 million, so why not do it.

Sister Suzi, the call is coming again, I will hang up first."

Galia hurriedly hung up the phone.

She looked at the number and it was sure that Liao Jie was calling again.

Galia smiled calmly, it seemed that Liao Jie had lost his temper.

She picked up the call unhurriedly: "Hey, Mr. Liao, have you...changed your mind?"

Liao Jie said viciously on the other end of the phone: "Do you want me to change my mind and continue to cooperate with you? Galia answered truthfully: "

Of course I hope, after all, your company is a qualified company that we have spent a long time bidding in, and we are not willing to give up easily.

As long as you want to continue to cooperate with us, I will be a part of the company. Staff, you are very welcome.

Of course, if you are unwilling to cooperate with us, we will not force it, after all, the melon is not sweet!"

"Understood, that is, you will not learn from Fu no matter what. The group left, right?" Liao Jie asked.

"The company didn't fire me, why should I leave?" Galia replied calmly.

"We won your company with great difficulty. I've thought about it, but we can't cause damage to our company because of your despicable behavior. Since you don't want to resign, then we have to meet on a narrow road. I want to tell you in advance, whether it is Whatever the consequences, you have to bear it yourself!" Liao Jie put down his harsh words.

"Okay." Galia said gently.

She was mentally prepared for everything.

She waited for all the storms to come.

Because, what should come can never be avoided, and the best way is to face it bravely.

Besides, isn't it just pestering Liao Jie for a while?

It doesn't seem to be anything, does it?

Galia waited for Liao Jie for a week and the other party did not move. During this week, she prepared the other party's information neatly and waited for the other party to come to sign the contract.

This weekend, Galia will go to Galia's parents' house first, then Christopher's parents' house.

On Sunday afternoon, when she returned from Christopher's parents' house, she saw Suzi and Rayna standing outside the gate of the community.

"Why are you here?" Galia asked in surprise.

"Take you to a movie. I heard that a recently released movie was very good. I heard that there was a scumbag in it. The audience wanted to strangle her to death through the screen.

Galia used to like watching movies . , every time the three of us are together.

So today we invite you to go together."

Galia smiled and said, "I'm so happy." The

three went to the cinema together and took their seats. The film started slowly, and the first The one who came out was the ugly and mischievous scumbag.

"Oh...how do I look like that woman?" Galia said with her mouth open.

Chapter 2677

Suzi and Rayna looked at Galia in confusion, the two of them said in unison, "What's wrong, Galia? Who are you talking about... like?"

Galia pointed to the camera in the movie: "Just... just this woman, this woman I have seen before, she is the one who wanders around Galia. The woman at the door of the house. Are you sure that she is an actress, not a member of a fraud group?"

Suzi: "..."

She only watches movies, but she never pays attention to actors and the like. .

The once famous Avril, the top female star in the country, Suzi didn't even know Avril, and she also attracted Avril's jealousy.

What's more, an 18th-tier young actor who plays a female scumbag?

Suzi shook his head, then looked at Rayna: "Rongrong, do you know this actress?"

Min Qing is a groupie.

She was born with no ideals and aspirations, and her daily pursuits are to take care of children and quarrel with Jun Ruian. Now that the children are older and go to kindergarten, her work in construction is getting easier and easier, and her life is also Very comfortable, the rest of the time is not just chasing stars.

When it comes to chasing stars, Rayna is the most professional.

And, it can be said incessantly.

"She is a little star who has only woken up in the last year or so. If you say that she just woke up, she is not considered a star. Let me tell you, she is not even an 18th tier actress, but only a 72nd tier actress

. It's a little better than the kind of extras who can only eat lunch every day.

It's probably worth a thousand dollars for an episode.

But how many episodes can she have in a TV series?

Just this movie, which is so popular now, has been released online for half a year, and the box office has remained high. She can get a salary of 10,000 yuan at most for this movie.

But I do know a little bit about her.

She herself is not ugly, even if she plays scumbags, you will think she is ugly.

She is out of town.

Basically, she developed in Nancheng and Kyoto, and she has played at least 100 supporting roles in the past two years. It's like a special run, several runs a day, and the most vicious supporting roles are interspersed on various sets.

This woman is now a vicious supporting role professional.

The first reason is that her voice is congenitally hoarse, which makes it uncomfortable to hear.

The second reason is that her appearance is not as beautiful as those big beauties, and she wants to be in the entertainment industry, so she can only play a vicious supporting role first.

Over time, she has become a professional user of vicious supporting roles.

When everyone sees this face, they will bring it in freely, she is a bad person.

Galia, you also brought it in like this, right?

Galia nodded, then shook her head: "Yes, but not all. " Because I saw her sneakily stalking Galia's parents a few days ago, her expression was really like a female ghost, and her eyes were all evil.

I think I may have identified the wrong person.

They should not be alone.

This woman in the movie has played hundreds of roles, and people say that she is a small artist. Shouldn't do that kind of stalking old man and old lady.

I must be mistaken.

Rayna and Suzi looked at each other and smiled, Rayna said, "I guess you must have admitted your mistake, there are actually a lot of people who look alike in the world . "

"Well. Let's watch a movie." Galia said.

After watching the movie, Galia didn't take the actress to heart anymore, and she went to work as usual after that.

On Monday night, Galia was originally going to tutor her English, but when she thought that the suspicious woman had been stalking Galia's parents a few days ago, Galia felt a little uneasy.

Simply give up the time to study English at night and go to Galia's parents' house to have a look.

Chapter 2678

Who knew that when Galia came to her parents' house, she saw a person.

"Brother Mingzhen, you... are you here?" Galia shouted politely.

For more than a year, it's not that Galia hasn't seen Darius, but she rarely sees him.

It's not that Darius doesn't want to see Galia's parents, but that Darius's condition has not been very good over the past few years.

After losing Galia, Darius felt like he had lost half of his life, with no energy at all.

The whole person has also become much older.

He has almost become a workaholic. Every day he goes to get off work and gets off work, when he returns home to talk to his parents, he locks himself in the house, watches videos with Galia, and sees Galia's photos.

At first, Darius came to Galia's parents very diligently, but every time he came, he would kneel and cry at Galia's parents, and the three often hugged each other and cried.

Later, Darius felt that this was not an option.

Because when he was with Galia's parents, he was full of sad memories.
Remember the website address

, so Darius rarely comes back to Yan's house. However, during Chinese New Year and festivals, Darius still has to come. Not only that, every month, Darius will have people give away 100,000 yuan to Yan's father and Yan's mother, and also for them Find a babysitter or something.

It's just that Yan's father and Yan's mother were afraid of noise, so they quit the domestic helper.

Yan's father and Yan's mother also feel sorry for Darius. In recent years, seeing Darius languishing, the old couple shed tears every time they think about it.

Even, they have persuaded Darius several times to stop waiting for Galia.

Find another one now.

Every time he persuades like this, and persuades more and more, Darius rarely comes back to Yan's house.

Especially in the past year, when Darius knew that Christopher's girlfriend Galia was taking care of the second elder, he came back even less often.

He was only immersed in his own world of missing his beloved wife.

At this moment, seeing Galia's arrival, Darius's reaction was slow.

"Galia, are you here?" Darius asked mechanically.

"Brother Ming Zhen, I don't know how to comfort you. Christopher has been looking for Galia outside. I think Galia will be found one day." Galia didn't know what to say.

Darius's face forced a smile: "Galia, I can rest assured that my parents and my mother will be taken care of by you, look, brother... I have nothing to give you, brother's mouth is also clumsy. , this is one million, it's your reward.

Don't be too stinky, Galia."

After speaking, he handed a card to Galia.

Galia didn't want to: "Brother Mingzhen, don't be so decadent, your strict parents and Yan mother are also sad, so cheer up together and wait for Galia to come back, okay?"

Darius nodded: "Okay.

" He got up and looked at Yan's father and Yan's mother, and said in a low and unmotivated voice: "Dad, Mom, Galia is here to take care of you, I can rest assured, Mom and Dad, I'll go first, I'm in a hurry to go out today, I'm in a hurry. I forgot my cell phone, what if Galia calls me and I can't answer it?

I'll go back first."

After speaking, Darius went back in a hurry.

His mobile phone was several years old. There were many photos of Galia on the mobile phone. He was reluctant to change the mobile phone. The mobile phone was often broken, and sometimes there was no sound.

He had to keep his phone on guard from time to time. He was so anxious that he forgot to bring his phone, so he was anxious to get back.

"Go back quickly, child, don't be too sad." Now Galia's parents are more open than Darius.

Darius nodded and left the Yan family.

Since Galia disappeared, Darius walked with his head down habitually. When he left the gate of the community, he bumped into a woman with a full heart.

"How did you walk! Don't look at it!" Darius's tone was very unpleasant.

"Shu...Shu Shao, it's such a coincidence to meet you here?" the woman with a raspy voice asked in a pleasing tone.

Chapter 2679

Darius looked up and saw the woman in front of him.

The powder on the woman's face looked like it had just come out of the bowl, and it was more like a zombie to be precise.

"Mi Lu! How many times have I told you, don't look for me again! Don't look for me again! If you look for me again, I will make you have nowhere to go in Nancheng. Believe it or not!" Shu Ming looked at him in disgust. The woman in front of you.

The woman called Mi Lu looked at Darius with a smile on her face: "Shu Shao, that...can I buy you a cup of coffee? I...I just want to I have no other intentions to be friends with you."

"Are you worthy?" Shu Ming looked at Mi Lu in disgust. Mi

Lu: "...friends, don't you distinguish between high and low?"

"Friends do not distinguish between rich and poor, but high and low, just a shameless woman like you, do you think I will treat you as a friend?"

Lu, I just wanted to ask you, from what point do you see that I am a romantic girl?

Even if I am a romantic girl

, but I am one of the best romantic girls in the southern city, I can like you!

Just you!

Eighteen lines Actor, do you have a good number!

Where do you get your confidence?

I warn you, if you dare to follow me again, I will let you go!"

Darius shook his hand and left.

Someone suddenly stopped him behind him: "Brother Mingzhen! What's your relationship with this woman?"

Darius turned around and saw Galia.

"Galia, why did you come out?"

Galia looked at the woman with heavy makeup in front of her with cold eyes: "Brother Ming Zhen, this woman was following Yan's father and Yan's mother a few days ago. She is not a good person!

Do you know her?"

Darius looked at the woman named Mi Lu viciously: "You still don't get out!"

Mi Lu glanced at Galia, her eyes were mixed, and she was about to speak, paused, then she turned and left .

Only then did Darius look at Galia and sigh, "A young actor of the 18th tier."

"It's really her!" Galia was surprised.

Darius looked up at Galia: "You know her too?"

Galia sneered: "The day before yesterday, I watched a very popular movie with Suzi and Qingrong. This woman also made a great appearance in the movie, and she played a bad character. To the villainous female supporting

cast of Changtai With a sigh of relief, "It's all my fault." Galia looked at Darius puzzled: "What's the matter, Brother Mingzhen, how can you blame this?" "Eh..." Darius sighed: "This matter It's a long story." Having said this, Darius's face became angry. This was all a year and a half ago. When the film that is currently being broadcast was being drafted more than a year ago, the film director approached Darius and hoped that he could invest. At that time, Darius was in depression. If another director came to find Darius to raise funds, Darius would not pay attention. But this person is Jin Jiaming.

Darius had to help him.

Jin Jiaming's colleague with sufficient funds, Darius became the biggest investor in the film.
