

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2680

Out of respect for Darius, it was originally a rule of the industry. Therefore, in terms of casting, Jin Jiaming asked Darius's opinion.

Darius declined on the spot.

At that time, Jin Jiaming saw that Darius was too invigorated, so he wanted to find something for him to do, so at that time Jin Jiaming tried his best to persuade Darius: "Ming Zhen, Galia loves this industry very much, maybe Galia will come to fight for a role too. What?

If I meet Galia at the casting scene, wouldn't I have nowhere to go?" After these words, Darius suddenly woke up.

Darius's spirit also cheered up: "Okay, very good, I will participate!"

His spirit improved immediately, the casting process was very boring, and the directors were numb when looking at the beautiful women every day. Darius has always been serious.

Actually, he's not casting.

He was looking for Galia.

However, after more than a month of selection, Darius did not find any trace of Galia, not even a woman who looked like Galia. Remember that the website

says they look alike, even in height, voice, and walking posture, none of them look like Galia.

Later, Darius had gradually lost interest in casting, and he was not ready to participate in the casting. At this time, Mi Lu came.

That was the end of the casting of the cast, and the entire cast was only one person short of all the characters, but this role was very difficult to choose.

Because the character is not only ugly, but also treacherous and vicious. At the same time, she also has a pitiful side of her. In the early stage of this character, she was forcibly insulted by several men, and then one of them got sick and took her to bed. The contagion also got dirty. He was originally a victim, but this victim chose to harm others.

She wants more innocent people to be victimized to balance herself.

Not only that, but she specializes in destroying other people's marriages and families.

If she sees a woman who is happy and dressed beautifully, she will do everything she can to hook up with that woman's husband, try her best to infect that woman's husband with her ills, and then let the husband infect his wife .

Such a role is really vicious, and because of her ugly appearance, actresses who generally want to develop their image are reluctant to play this role.

However, if you find an extra, you won't be able to play this kind of layering.

Moreover, the role of this role is very small, and it is regarded as a supporting role in the supporting role.

With such a small number of scenes, but so many things and such a vicious side must be interpreted, this role is very difficult to choose.

A good actor in the director's picture, people don't want to destroy their image.

There are also people who are willing to act, but they are all people who have no experience in acting at all, are old and ugly, and just want to rub off on the popularity.

For a time, this role really stumped the director.

Even Darius, who didn't know anything about this matter, laughed miserably and made fun of Jin Jiaming: "Jiaming, it turns out that making a movie is enough to worry about the casting."

Jin Jiaming glanced at Darius angrily: "Who said it wasn't! Do you think everything is that easy? I tell you, fortunately you invested in me without hesitation. If I go to other people to find funds, I may not be able to find it for a few years.

A good script That's it.

Eh...

The funds you gave me were good enough, but I couldn't find a suitable actor.

Ming Zhen, do you know how much effort I spent in the early stages of preparing this script and this movie?

I just want to make a really loud movie, I'm sure about this movie!

As long as I get all the parts in place.

I'm sure I can make this movie and make her famous all over the world! "

Shu Ming Zhen smiled and comforted Jin Jiaming: "I believe in you. At

this time, another audition came, a woman with an unfamiliar face, and the woman asked submissively when she entered the door: "Is this the last supporting actress?" I want to try it, can I? "

Just after asking, the woman saw Darius, she was startled, and then shouted: "Shu... little, are you... too?"

Chapter 2681

Shu Ming looked at the woman in shock and asked her: "Do you know me?"
The

woman smiled in inferiority: " Young Master Shu, you are... one of the best noble sons in Nancheng, who doesn't know you in Nancheng?"

Darius hates this kind of woman the most.

In fact, he doesn't like to strike up a conversation with any woman.

When he was not in love with Galia before, he never provokes women, and after he fell in love with Galia, he never looked at any woman much.

Especially now, Galia's whereabouts are unknown, and he will be disgusted when he sees any woman talking to him more.

"Miss, I don't know you!" Darius said unceremoniously.

"Shu Shao, I...I...Can I treat you to a meal?" The woman ignored Darius's drive away, and only humbled herself and asked Darius.

At that moment, Darius wanted to kick the woman to death: "..."

Jin Jiaming, who was next to him, stared at the woman with round eyes: "It's you, it's you, I really have nowhere to go, I have to come here. It doesn't take much effort." The

woman looked at Jin Jiaming in surprise: "Really?"

"Of course it's true, I'm looking for something like you, who exudes a stalker and a cheap feeling from the bottom of my heart. , when will you be on the set?" The

woman asked nonchalantly: "You...you mean...I...I was passed, I haven't auditioned yet. just... passed?"

Jin Jiaming nodded: "The way you greeted Young Master Shu just now is very similar to the vicious female partner in the middle of me! Now we can talk about the salary.

Do you... have an agency?" The

woman shook Shaking his head: "I...I don't, I...I like acting very much, I have also been an extra for a long time, the kind that shows my face, I'm already in the film and television city, I have played a lot of vicious scumbags.

I, I have experience.

Director, you said, what price do you want to give me?" The

director glanced at Darius and said with a smile: "Now the investor is here, You used to be an extra, and now you're in this part of the show, and you don't have a lot of roles, so you may be given very little, maybe not much more than your extra.

However, if you play my role, There may be a lot of crews looking for you in the future, and then you will rise."

For the crew, it is necessary to save money if you can save money.

Jin Jiaming is no exception.

He wanted to see how the woman in front of him bargained with him. If the woman said she wanted to increase the price, Jin Jiaming would not disagree.

However, the woman agreed without hesitation: "Yes, but can I have a request?"

Jin Jiaming looked at the woman with interest: "You said..." The

woman raised her eyes and looked at Darius : "I...I want to invite Shu Shao...to have a meal."

Jin Jiaming: "..."

Shu Ming Zhen: "..."

After a long while, Shu Ming Zhen stared at the woman with wide eyes, then raised his foot and kicked the woman out of the door: "Get out!"

There happened to be a good reporter outside the door.

Those reporters were all holding cameras and waiting to film the casting situation. Seeing such a situation now, the reporters were all stunned.

However, after a few seconds, the reporters found out that it was about to eat a big melon by accident.

Nancheng's leading young master, Darius, beats the actress on the set.

OMG!

The reporter took the camera with various lenses, and Darius still had an angry look on his face.

If this kind of video is uploaded, it can become popular all over the country overnight.

Who knew that when the reporter started filming, the actress who was kicked to the ground smiled and asked the stunned director Jin Jiaming: "Director Jin, look at this, Shao Shu and I, can we act okay?"
