

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2684

And this movie is almost tailor-made for Galia, don't you want to make this movie available?

Maybe Galia will be able to come back after this movie is released?

Darius sighed desolately: "Yes, if Galia can see this movie, maybe he will come back. " "

So Ming Zhen is just an actress. She doesn't want to sleep with you, she just wants to be your friend. I can understand her very well. She is at the bottom of the society and suffers too much." There are so many, and finally she suddenly saw the noble boy who is one of the best in the whole South City in this crew. I ask, which actor doesn't want to strike up a conversation with you?

Not to mention Mi Lu, even if she is an A-list star, she may still approach you.

Until then, will you care or not?

This woman is also thick-skinned, you just ignore her.

You are a dignified Shu family headed family, is it not easy to avoid this woman?

Every day you go out, the driver will pick you up and the bodyguard will follow. It would be strange if this woman could be next to you!

Even if I help a bunch of my brothers, I promise to be her friend, okay? "

Darius is not an unreasonable person. On the contrary, he has always been considerate of others.

What's more, he is director Jin Jiaming who has known him for so many years. Darius knows Jin Jiaming's character.

He thought about it and nodded: "understood. "

In the future, be friends with her?" " Jin Jiaming asked.

Darius: "Only before your film is finished, once your film is finished, when it's time for the release, I will have nothing to do with her."

For the first time in his life, Darius was kidnapped to have sex with an A woman who can't hit the pole is a friend.

It was because he agreed to Jin Jiaming, so from that moment on, Darius often received calls from this woman.

Invite him for coffee today.

Call him tomorrow and ask him to greet him.

Even if the weather changed a little, the woman named Mi Lu would call Darius to ask him to wear more clothes or add more clothes.

For a while, Darius was harassed every now and then by this woman named Mi Lu, and he wanted to kill that woman.

When he couldn't help it, he would roar at Mi Lu: "Where do you like me? Do you have my family's property? I'm sorry, even if you marry me, I won't give you half of my family's property!"

Mi Lu's face is always so thick: "Shu Shao, don't you have the same knowledge as me? I brought you a special product of rolling noodles from my hometown of Shaanxi, and you can't buy such a taste in Nancheng.

Let's make an appointment, I will Send it to you?"

"Don't eat!"

"It's okay, if you don't want to see me, I'll secretly deliver it to your door, you don't need to see me, I'll leave something for you, and I'll leave ." Mi Lu was like a shit plaster, and the entangled Shu Ming was out of breath.

But he couldn't really fall out with Mi Lu.

First, because Mi Lu is a weak woman, he is a big man, and he really can't bear to be cruel to Mi Lu.

The two are also involved in Jin Jiaming's drama.

Mi Lu is a woman, don't watch her stalk Shu Ming whenever she has a chance, but her acting skills are really good.

The cheapness, the viciousness, the bad intentions, and the pitiful appearance of the dying struggle were all performed superbly by Mi Lu.

So much so that when the movie first started showing, there was a period of time when Mi Lu, who only showed a few scenes in the movie, almost changed the heroine's limelight.

It's because of her bad person image that she performs brilliantly and makes people pitiful. "

However, when the film was launched successfully, it was also time for Darius to get rid of Mi Lu.

He blocked Mi Lu's phone number and decided not to meet Mi Lu.

But he never thought that Mi Lu would entangle him with his father-in-law and his mother-in-law. He also followed his father-in-law and mother-in-law.

"Looks like I have to give her some color! Hearing Galia finished speaking to him, Darius said viciously.

Chapter 2685

Galia also sighed: "So it is, I said this woman will not come here for no reason. Well, she actually has a relationship. She follows Galia's parents because she wants to know what is the relationship between you and Galia's parents? If so, this woman has a lot of scheming

?

Do you want to replace

Galia?" That's what Galia said.

She has never been in contact with Mi Lu, so she doesn't know Mi Lu.

And in the process of listening to Darius's remarks, she could tell that Mi Lu was just chasing Darius, but she didn't do anything excessive.

"Does she really like you? Some women are very vain, and feel that it is not easy to meet the second richest man in Nancheng in this life, so she will fight whenever she has a chance, but she may not have a bad heart, she just What about vanity?" Galia had done such a thing to entangle others.

Maybe this Mi Lu is the same as her?

It's not easy to be a 72-line young actor.

Those who are actors, in order to climb up, in order to compete for resources, which one is not full of black material? Remember the website

“Brother Ming Zhen, I can see from the movie that Mi Lu’s acting is very good, just the look in her eyes makes me feel scared.

She should be a serious acting woman.

Maybe... ...

Does she really like your character?

Have you had a good chat with her?”

In fact, Galia doesn’t know how to comfort Darius at this moment. Darius’s character, Darius’s care for Galia’s parents in recent years, and his self-cultivation that is not close to women, all make Galia admire Darius very much.

How can anyone in this world do that? My wife’s whereabouts have been unknown for three or four years, but I have been waiting, waiting.

In order to wait for his wife, he never gave any woman a second glance.

In order to see more photos of his wife, his mobile phone is damaged, and he is reluctant to change it?

What’s more, he is one of the richest people. If he were to let it out, his wife had been missing for three years. As a rule, he didn’t have to wait, and he could marry another one.

As long as he says these words, there will be countless beauties and ladies in Nancheng who want to marry Darius, right?

But Darius had never done this before.

He has been waiting for his wife in decadence like an ascetic.

Galia was thinking that if Darius couldn't wait for his wife in this life, he might wilt and die.

Thinking of this, Galia felt sad.

She calmly spoke to Darius: "Brother Mingzhen, you have a good talk with that actress, I think, maybe she really... Really loves you?"

"Darius, maybe it's a good thing.

Because for three years, Galia has not been heard from, and the hope of finding her has become increasingly slim.

Galia's voice just fell, but she didn't expect Darius to sneer: "Impossible! Galia, I will never accept anyone in my life!

I only like my wife.

My wife gave me twins . . .

can feel that my wife and children are not dead.

They are alive.

Perhaps, suffering in a corner.

They are suffering outside, how can I enjoy beautiful women in my arms at home?

I can not!

Galia wanted to say, "Mi Lu is not pretty either .

But Galia didn't say anything. She

knew that there was no way for a man who fell into deep love to persuade him. Galia felt relieved for Galia and said in her heart, "Sister Galia, you really found a good husband, if you can feel the deep affection of Brother Ming Zhen for you, and if you are still alive in this world, you should come back as soon as possible.

Your family is waiting for you.

Brother Christopher has been looking for you outside for several years.

And your mom and dad, their hair is gray.

Chapter 2686

Sister Galia, when will you be back? "

Seeing the back of Shu Ming's lonely departure, Galia's nausea is like a desolate autumn leaf, and her heart is inexplicably desolate.

She suddenly thought, in this world, who has an easy life? It

seems that everyone She is suffering.

Galia's parents are suffering.

Christopher is suffering.

Darius is suffering.

Especially Galia, who now has two children, if she is still alive in this world, she may be true She is in a certain corner, suffering huge pain.

Everyone has to bear it.

When she thinks of this, Galia feels that she is so tangled, what is it?

She even went to Suzi for help.

Really . Hypocritical!

Galia blamed herself!

After blaming herself, she went back to have dinner with Galia's parents, and then came out of Galia's house. Before

entering the gate of the community, Galia's out-of-the-way vision caught sight of it again . Mi Lu.

Mi Lu was standing in the corner, and she could avoid Galia's sight. But she was

accidentally discovered by Galia.

Galia came to Mi Lu and asked very sternly: "I just heard Mr. Shu said that you have always wanted to be friends with Mr. Shu. "

Milu didn't answer.

"Although I don't know about you being an actor, I also know a little bit. Your business is definitely not easy, especially when you are an 18th-tier young actor, when you are at the bottom of the food chain, you always have to see an opportunity. Take the chance.

But Milu, I have to tell you...

Mr. Shu has a wife and children.

He loves her wife and children very much.

So he can't have anything to do with you.

I don't actually have one. What the right interferes with you, I just tell you.

You should also know that this is Mr. Shu's father-in-law's house. It's useless for you to come here and stare at the two old people.

Can you please stop disturbing the old people in the future?

This affects their lives very much. The two old people are very pitiful. The whereabouts of their daughters are unknown, and they are alone at such a young age. If you are staring at them like this,

how can they still live?

I have seen your movies, You acted very well. I admire how you can play a supporting role so deeply.

I believe that with your acting skills, you will be able to shine in the near future.

Can you please let the two old men go?"

Galia's words were already very polite.

Originally, she had a very bad impression of Mi Lu, just looking at Mi Lu's face with disgust, but after hearing Darius say a lot about her, Galia would have a kind of sympathy for this woman.

Neither is easy.

Including herself, when she pestered Liao Jie for a year, many people would regard her as a heinous concubine. Only she herself knew how pitiful she was at that time. How helpless.

So at this time, Galia didn't want to be too hard on this unknown little actor Mi Lu who was equivalent to an extra.

Mi Lu didn't speak, just lowered her head.

"Are you... going?" Galia asked Mi Lu patiently, if Mi Lu didn't leave, Galia would really not be able to leave Galia's parents' house.

Milu still didn't speak.

Galia was a little angry: "If you really don't leave, I really have to consider calling the police."

At this time, Mi Lu suddenly raised her head, looked at Galia with tears on her face, and asked, "They, they.Are you ok?"

Chapter 2687

Galia looked at and Mi Lu in confusion: "You have asked me three or four times in this case. Every time I see you, you ask me this, I don't understand, why do you ask? Are

Galia's parents okay, what does it have to do with you?"

Galia's words were thorny.

She didn't mean to look down on each other.

In contrast, she is actually a bit worse than the other party. She is a woman who has not even paid off her debts, and the other party, big or small, is a small star. She acted in this movie and became a scumbag supporting actress, which is already broken. Out of the circle.

She is now deliberately concealing it and putting on makeup on purpose. If it is in public, this Mi Lu should be able to collect a small number of fans now, right?

Galia actually admires women with such acting skills.

It's just acting.

Wouldn't it be right if you brought change to the old man's life?

Milu nodded: "You...you're right. " "Remember the website

. Her voice is hoarse and unpleasant, just like an old crow calling. There is a feeling of disgust in the senses. No wonder she is a scumbag. Maybe she has an innate advantage?

Galia sighed. : "Let's go, I don't care who you are after, you may need to find a gold master in the entertainment industry, that is your business, but you are not allowed to annoy the two old people in the future.

They are already miserable. I don't allow you to hurt them! "

Woman: "I...I just want Shu Shao..."

"Go away! "Galia said in a hurry and drove him away.

The woman left unwillingly. Just after the woman left, Galia received a call from Darius.

"Galia, please help to take care of the two elderly people. They usually don't have much activity. They just like to get up early to go to the free market to buy fresh vegetables and meat.

This is what they cultivated when they were young. Habits.

And they often cook some of Galia's favorite meals, and it's still like that.

So Galia, you are close to their second wife. Ku has always been delivering food, so Brother Mingzhen will subsidize you 10,000 yuan a month in the future, and you will help watch the second old man in the morning and evening."

Galia immediately refused after hearing this: "Brother Mingzhen, what do you say? What, how could I ask for your money? My monthly salary is quite a lot now. Don't worry, this is a trivial matter for me. I was renting a house to live near my uncle and aunt, and that was my plan. I know what you mean, just don't want others to harass them. They are at home during the day, so they go out to buy vegetables in the morning.

Don't worry, I will take care

of it. You can save ten thousand yuan.

Wait for me When you marry Christopher in the future, you will give me a red envelope." At

the other end, Darius smiled: "Okay. I will keep it for you."

Galia paused before saying, "Brother Mingzhen, that woman ..."

Darius immediately interrupted Galia's words: "Don't worry Galia, in my heart, there is only Galia with the same name as you, if she doesn't come back in this life, I will I will not marry and have children again.

I will wait for her for the rest of my life.

Even if she returns when she is 80, I will wait until she is 80.

If she never comes back in this life, I will grow old alone.

As for the little movie actor, I won't give her a second look, let alone her, even if she is ten times more beautiful than her, I won't like her, not to mention she is so..."

Actually Darius is not a person who dislikes the poor, loves the rich and dislikes people's appearance.

However, she really dislikes that woman.
