

# Dragon Husband 1808

Chapter 1808 Crimson

Everyone was staring at the pitch-black pit, with an ominous premonition in their hearts.  
as predicted!

Suddenly, a low roar came from the giant pit!

Like a human being like a beast, it was difficult to tell the difference for a while!

After a while, a huge roar suddenly sounded, and a pitch-black thing shot up from the giant pit!

"Bang!" That thing smashed directly on the ground in front of everyone.

Seeing this, everyone exclaimed.

Is this thing in front of you a person?

His whole body was already black as if it had been grilled by charcoal.

There was blood oozing out of it.

Between red and black, it is especially squat.

Everyone can barely see the facial features of this thing, but it looks like a human being.

This thing is two meters long, and its hands are extraordinarily long.

"Bastard! You dare to plot against me! Today, you are all going to die! All of you are going to die for me!"

After hearing this voice, everyone confirmed that this thing was the monster from before.

It's just that he was surrounded by black energy before, and he couldn't see why.

Now, the black qi was completely dissipated by the thunder, revealing his true body.

It's just that this real body, everyone still can't see his face, obviously he has also been hit hard in the blast of ten thousand thunders just now.

Seeing this monster appear, the people at the scene suddenly became agitated and seemed at a loss.

This scene is indeed beyond everyone's expectations.

This bombardment is not dead!

Ye Qiongqi was really angry at this moment.

This injury is definitely the worst injury he has suffered in recent decades!

He himself has injuries, and he has used ancient things to repair his injuries over the years.

I never imagined that decades of hard work would come to nothing!

Today, he was bombarded by the lightning array he laid, and his body was severely injured again, even more serious than the previous injury.

It can be said that his current strength has dropped by nearly half!

Everywhere he goes, he is like a god. He never thought that he would be tricked by a hairy child here today!

What a shame!

He suddenly looked up to the sky!

That side of the country's prayer seal is still circling, exuding a faint azure air.

Seeing this scene, Ye Qiongqi's anger rose again in an instant.

He also understands that all the weirdness is due to this Jiangshan Prayer Seal!

It was the healing power in Jiangshan Prayer Seal that cut off the connection between him and Lightning.

Hateful!

It's my fault that I underestimate the enemy. I didn't notice this just now, so I followed that kid's way!

Ye Qiongqi originally came here for the biggest purpose this time, that is, the Jiangshan Prayer Seal.

Only after coming here, I found that there are no less than five or six kinds of ancient things among the people here.

This surprised him greatly, and also relaxed his coveted Jiangshan prayer seal.

I saw Ye Qiongqi wave one hand!

A bowl of thick lightning fell directly from the sky!

It smashed into the Jiangshan prayer seal abruptly!

The Jiangshan prayer print trembled in mid-air, and it was obviously also hit hard.

But after all, it is something that the three ancient emperors worked together to forge, and its toughness is also extraordinary.

Ye Qiongqi was even more angry and waved his hands together!

Lightning bolts suddenly cracked, and all of them fell on Jiangshan's prayer seal.

Finally, no matter how tough the Jiangshan Prayer Seal was, it couldn't resist the continuous bombardment of lightning.

Su Hongxiu looked anxious.

She turned to look at Wiliam on Su Yongcun's back, thinking of telling Wiliam to quickly put away the Jiangshan prayer print.

However, she saw Wiliam's empty eyes.

It was as if nothing could interest him.

Moreover, Wiliam experienced this ordeal, and his injuries became more serious. He seemed to be weak, and he was not able to take back the Jiangshan Prayer Seal at all.

In the blink of an eye, a crack suddenly appeared on the body of the Jiangshan Prayer Seal.

After this crack appeared, the Jiangshan Prayer Seal seemed to have lost control, and staggered and fell down.

The eyes of the people at the scene froze, not good!

The Jiangshan Prayer Seal seems to be badly damaged and will be snatched away by that monster.

Sure enough, Ye Qiongqi stretched out a hand and wanted to take the Jiangshan Prayer Seal in his pocket.

At this time, a white light flashed!

The white light hit Jiangshan Prayer Seal directly!

The Jiangshan Prayer Seal was thrown out like this, and with a "bang", it fell into the sky of the blue python, splashing a burst of water.

Everyone looked at the owner of the white light again and found that it was Li Chunfeng who sent it!

Li Chunfeng's face was as deep as water, and after sending out a burst of energy, he looked at Ye Qiongqi sharply.

"Chunfeng, you don't want to die! This will only anger that monster even more!" Su Hongxiu couldn't help shouting out.

However, Li Chunfeng said indifferently: "It is the best choice to bury this thing in the moat, you can't let that monster get it, or maybe it will be used by him to make some kind of moth. When I go back here, I will definitely be able to feel the prayer seal of Jiangshan, and I will be able to recall it again."

"And this monster, now wants to get the Prayer Seal of Jiangshan, unless he drains the water of this blue python!"

"Besides, do you think that if we don't provoke that monster, he will let us go?"

Li Chunfeng's coherent answer left Su Hongxiu speechless for a while.

There is nothing wrong with what Li Chunfeng said.

At this moment, Su Hongxiu was a little ashamed.

She has always been a self-proclaimed ice-snow smart, and she is.

Even she is a bit smarter than Li Chunfeng.

Just today, the shocks made her completely lose her mind, and she couldn't see through many things with her eyes.

It was this Li Chunfeng who first caught the attention of Su Hongxiu.

This girl, who is usually unassuming, is quite low-key.

Never thought that at a critical moment, he would be so calm and courageous.

The white light just now pushed her to the forefront.

But she was fearless and still made the most correct and rational choice.

The woman beside William was indeed hiding a dragon and a crouching tiger.

Sure enough, Ye Qionggi's eyes also stared at Li Chunfeng, and his eyes were full of violence.

Like crazy, he shouted loudly: "You little girl, dare to spoil my good deeds! Today, I will slash you with a thousand swords! Then, I will take the ancient things from you!"

Antiquity?

Does Li Chunfeng have something of antiquity on his body?

Su Hongxiu was stunned for a moment, why didn't you hear about it before?

Does Li Chunfeng also have any magic weapon?

Li Chunfeng's face was cold, but he took a step forward and stood in front of everyone.

She sighed and said, "I knew this would happen. If you want it, get it if you can."

The voice fell!

The sky darkened in an instant, and it suddenly turned crimson!
