

Dragon Husband 1809

Chapter 1809 No Return

"Ah! How has the sky changed!" Su Hongxiu shouted first, thinking it was this monster again.

I saw the sky above her head, instantly changing color!

The crimson color looks extremely terrifying!

And in this crimson, even the clouds gradually changed their shape.

The tiny clouds gathered together to form an incomparably magnificent rhododendron shape!

After Su Hongxiu finished shouting, she realized that the people around her were extremely quiet.

It seems to be very accustomed to this scene.

Su Hongxiu blushed, feeling a little ashamed.

She is the suzerain of the tall and thin tall buildings.

Advertisement

It is also well-informed.

Now she is the only one who exclaims, but others are very calm.

Apparently she hadn't seen much of the world.

"Sect Master Du, what is going on here?" Su Hongxiu asked Du Zhaixing behind him.

His eyes were aimed at the blooming crimson cuckoo in the sky.

Du Zhaixing also sighed and said, "I told you a long time ago, don't call me Sect Master Du, now I am not the Sect Master of Han Xing Wangqing."

This sentence made Su Hongxiu explode again.

Isn't Du Zhaixing the suzerain of Han Xing Wangqing?

When did this happen?

Advertisement

Du Zhaixing did say before that he should not call her the suzerain.

At that time, Su Hongxiu just felt that the other party was polite.

Never thought it would be so meaningful!

Then who is the suzerain of Han Xing Wangqing now?

Su Hongxiu looked around again.

All around are Han Xing forgetful people.

They also looked at the crimson cuckoo blooming in the sky, and their eyes gradually turned from indifferent to pious.

It seems that this magnificent cuckoo is their belief.

In the end, Su Hongxiu set his eyes on a person whom everyone expected.

Li Chunfeng!

Li Chunfeng was still dressed in white, and his face was indifferent.

However, there was an overwhelming aura about her at this moment.

The king's air!

This kind of imperial air actually made Su Hongxiu dare not look at Li Chunfeng again for a while!

At this moment, Su Hongxiu was already shocked.

Li Chunfeng actually seemed to have changed a person in an instant, and his temperament had completely changed.

What the hell is going on here?

Li Chunfeng has been hiding before?

Has she always been a superhero?

The crimson cuckoo in the sky was created by Li Chunfeng?

"Don't..." A weak voice sounded.

Su Hongxiu turned to look, surprised again.

The person who spoke was actually Wiliam, who had been sluggish.

At this moment, Wiliam's eyes looked at the crimson cuckoo in the sky, and his eyes became extremely sad.

His voice was weak, as if trying to stop something, but there was absolutely no way to do it.

The moment Wiliam saw the crimson cuckoo in the sky, his head actually seemed to be struck by lightning again.

His body trembled.

He remembered many, many things.

Finally, has it come this far?

Li Chunfeng!

You are actually hiding it from me!

It's so hard to hide from me!

Crimson cuckoo, Wiliam has seen it before!

When Wiliam took Li Chunfeng to Hanxing to forget his feelings before, Li Chunfeng wanted to completely inherit the emperor's heart, so he entered the illusion of Emperor Wangwang.

Then, the sky also burst into blooming crimson cuckoos, and the crimson cuckoos also turned into a terrible rain of cuckoos.

At that time, Wiliam wondered if Li Chunfeng made this scene.

Only later, Du Zhaixing remarked, dispelling Wiliam's thoughts.

The bloodline is not pure, which is true.

Wiliam also checked with Li Chunfeng on the spot. Who would have thought that Li Chunfeng, who had never lied, would lie to Wiliam for the first time.

Still telling such a big lie!

Wiliam felt hatred at the moment!

In fact, many details, Wiliam can see clues.

It's just that I didn't go to the bottom of it!

For example, Wiliam seemed to see that Du Zhaixing locked the door after Li Chunfeng came out, and then shook the weird key.

This grip, now that I think about it, should have directly crushed the key!

In other words, from now on, no one can enter this door.

There is no need for anyone to enter!

Why do this?

There is only one answer!

The inheritance of the emperor's heart was a success!

At that time, Wiliam made Li Chunfeng swear not to try to inherit the emperor's heart.

Li Chunfeng agreed on the spot.

Now that I think about it, why would you agree?

Just because the inheritance is successful, naturally there is no need to try again.

And the reason why Li Chunfeng chose to stay in Han Xing Wangqing alone seems to be because he was in harmony with Han Xing Wangqing's people!

But after she inherited the emperor's heart, she naturally inherited the position of the suzerain of Han Xing's forgetfulness!

Everything, like streaks of thunder, smashed into Wiliam's mind.

All the foreshadowings, all the things that can't be understood, are completely revealed at this moment!

Li Chunfeng, the success of the inheritance of the emperor's heart!

The blood of Emperor Wang himself, and then the Chunxin of Emperor Wang, is now Li Chunfeng!

The eternal emperor!

Become the greatest suzerain in the history of Hanxing Wangqing!

The current Li Chunfeng, it is not an exaggeration to say that he is the incarnation of Emperor Wang!

However, this scene made Wiliam's eyes turn red instantly.

Inheriting the emperor's heart, what does it mean?

It means that Li Chunfeng has also reached the extreme bloodline!

William didn't want to, never wanted to.

I don't want Li Chunfeng to go this far.

Unexpectedly, everything was out of William's calculations.

A lie of Li Chunfeng defeated all.

In William's mind, the prophecy of the Lady of the Peach Blossom couldn't help but emerge.

The reason why language is a prophecy is that you put all your effort into it, but you reach the same goal in different ways.

Everything will go back to where it started.

"Don't..." William continued to shout weakly, trying to stop Li Chunfeng.

However, the overall situation has been set, and it is not William's cry that can change the facts.

Li Chunfeng looked back at William, with a deep regret in his eyes.

William, I didn't want to bully you.

A lot of things you don't know...

But it doesn't matter, there is only one lie.

There won't be a next time, definitely.

What you want, I will fulfill you.

"I'm sorry, I didn't mean to hide it from you. I have the path I want to go, and the things I pursue. William, even you can't make the decision for me. My own choice, and the price I bear. I No complaints and no regrets!" Li Chunfeng said, stepping forward!

Body volleyed up!

Under her feet, there appeared a dreary illusion of azaleas!

These rhododendrons bloom warmly, as if the world is rich.

Between heaven and earth, there seems to be a cuckoo chirping blood of "no return, no return".

Li Chunfeng stepped on the azalea and walked towards the monster.

In the icy cold, with endless impassioned and mournful chills.

The road was chosen by Li Chunfeng.

Right or wrong, Li Chunfeng bears it.

Don't blame God, don't blame others.

My name is Li Chunfeng...

The spring breeze of peach and plum spring breeze with a glass of wine.

I'm a lover and a god!

I don't return...
