

Dragon Husband Chapter Chapter 1872

Chapter 1872 Secret

This scene in front of them makes everyone have mixed feelings!

So much happened today!

But all the magic was actually created by a young junior!

He first answered one hundred questions in one booth, and his skills shocked four!

Then he used the magic of silver needles, making the people present stunned!

Next, he brought the dead back to life with one hand, and in everyone's heart, it is already an unattainable height!

And now, in the face of the suffering of all beings, he has used this ghost-like technique to save all beings in an instant!

Everyone knelt down, this time they were sincerely convinced!

In other words, everyone's knees were sore and weak long ago.

This time, I finally had a reason to formally kneel.

Kneeling to the king, kneeling to the savior is good.

Only in this way can the emotions in everyone's hearts be released at this moment.

The ghost in one hand was shaking all over.

He didn't even know what kind of treasure he had dug up!

This kid, in the despair, contempt, and helplessness of everyone, has created miracles again and again.

If so many people die in Yu Shizhi, although the thought of immortal prison is the original sin, but Yu Shizhi will not escape the crisis of being reviled by the world.

William resolved it easily.

It is equivalent to saving Yushizhiren from the mess of reputation.

Yushizhiren has always been a sect that pays great attention to reputation.

This time, Wiliam Fengshen, I see who else has an opinion!

“Get up. It’s not necessary.” Wiliam just said lightly.

In his mind, it was just a hands-on effort.

As for Elder Li’s various calculations, in Wiliam’s view, they are even more insignificant.

In the face of absolute strength, no amount of calculations are useless.

The living ghost looked at Elder Li with one hand, “Elder Li! You have done such an unacceptable thing today, and I will make it public! Let you think about the Immortal Prison and be cast aside forever!”

Elder Li’s face was extremely ugly at the moment, and even a living ghost didn’t know if he heard him talking.

Elder Li looked straight at Wiliam, and there was a feeling of powerlessness in his heart.

It’s like looking at a mountain at the foot of the mountain.

I thought I could climb up by gritting my teeth.

However, when I got to the top of the mountain, I found that the mountain was towering into the clouds, like a cloud, I don’t know where it stretched!

This mountain will never end!

Xinglin Bodhisattva also sat on the ground.

For the first time, I felt regret in my heart.

It seems that Wiliam should not have been targeted from the beginning.

This targeting is beyond redemption!

Just read the Immortal Prison, and it’s over!

Not only is the treasure of Zhenzong gone, but the reputation is completely destroyed.

Can he blame Elder Li?

cannot.

Because these actions of Elder Li were also under his acquiescence.

Next, how to end...

"Come on, let the world know about this!" The one-handed ghost shouted loudly.

At this time, Xinglin Bodhisattva shuddered and shouted instinctively, "No! You can't tell the world about this!"

The one-handed ghost is ignoring the reason, and he has made up his mind.

Xinglin Bodhisattva suddenly thought of something!

He grunted up from the ground, walked in front of the living ghost, and said in a low voice, "You can't say it! Don't forget, you won't be much better in controlling the world! If you say it, I will Tell your story too!"

Having said that, the heart of the one-handed ghost trembled, and it turned out to be a little guilty and looked around.

When Xinglin Bodhisattva saw the face of a living ghost, he finally felt a little confident.

The one-handed ghost is so depressed at the moment!

He said to Xinglin Bodhisattva, "Come with me! This is not the place to talk."

After speaking, he glanced at Su Emei.

Su Emei seemed to know something, and immediately said to the scene: "Everyone has just recovered, let's rest for a while, and we will give you an explanation later."

After saying that, she quickly followed the ghost and walked towards the back hall.

However, when she passed by Wiliam, she pulled Wiliam by surprise.

Several people entered a room, and Su Emei immediately closed the door.

In the room at the moment, there is an elder who is in control of the world, as well as a living ghost, and Su Emei.

There were two elders, Xinglin Bodhisattva, and Young Master Miaoshou who read the Immortal Prison.

Wiliam was the only outsider.

Seeing Wiliam being brought here, the one-handed ghost frowned slightly, but he was relieved immediately.

never mind.

And Xinglin Bodhisattva immediately said: "One-handed ghost, let's make an exchange, if you help us suppress this matter today, then we are willing to keep your secret for the rest of our lives, and we will never threaten you again with that matter. "

"You fart!" Su Emei couldn't help cursing.

Just thinking about Immortal Prison is really shameless.

Say anything outside!

Also keep secrets for a lifetime, no longer coerce.

The ghost knows how many times he has blackmailed Yu Shizhi with this matter.

"Emei, don't talk for now." The one-handed ghost is still an elder, and he scolded Su Emei.

Then he looked at Xinglin Bodhisattva, "We no longer believe what you said. Besides, what you have done today is unbearable! Do you want us to think about the Immortal Prison to block the mouth of this world! Forgive me! We can't do it!"

And Young Master Miaoshou also seemed to know about this, and he showed a arrogant smile again, "Hoho, isn't it? Can't do it? Okay, let's try it! When the time comes, we will die together! The secret is even more serious than what we have done today! If you are going to die, you must die before us! Pull your backs, and we are worth it!"

The face of a living ghost suddenly turned ugly.

This shameless thought of Immortal Prison!

The hatred in his heart at this moment!

Yu Shizhi has always paid attention to reputation, and should not leave this handle in the hands of Yi Nian Immortal Prison!

Well now, in turn, I was blackmailed again and again!

"So, you still think about it, how to settle this matter today is better. I have a suggestion here, I don't know if you want to listen to it or not." Master Master said with a smile.

"Speak!" The one-handed ghost was too lazy to pay attention to this guy.

And the master master looked at the scene and said slowly: "I'm suggesting, since this fairy doctor seeking truth will be in your home court, then today's matter should be

borne by you, Yu Shizhi, and we think about it. There is no need for the immortal prison to come forward. As long as you come forward and say that this matter has nothing to do with us, then we can exchange the conditions that my grandfather just said, how? This suggestion is reasonable, right?"

"Of course, we don't care how to persuade or bribe those people outside. This is your business."
