

A Man Like None Other Chapter 2153-2158

Chapter 2153

After Tong Youcai and his mother left, Tong Haiyang's expression became cold!

"Could it be that if you destroy the law, will you really be punished by God?"

Tong Haiyang stared out the window blankly, looking at the blue sky!

Even if they don't ask about the world, they are hidden from the world, but if they want to become immortals and become Buddhas, it is still as difficult as going to the sky...

Even if they have become gods in the eyes of ordinary people, only they know it!

They are still a long way from the true God!

At this time, Tong Youcai, who had walked out of the room, happily said to his mother, "Mom, see if you don't, this is an opportunity, our chance is here!"

"This time, I must compare that Tong Yougong. In the future, Tianlei Pai will be mine!"

"But you have to hurry up and tell Uncle Wang, let him modify my genes!"

Tong Youcai's mother looked at her son and nodded: "Don't worry, I've got your Uncle Wang done, you can modify your genes at any time, and your Uncle Wang said that he will support you."

"Hahaha, that's great, with Uncle Wang's support, even a child has merit. No matter how talented you are, Lei Pai will be mine sooner or later."

Tong Youcai laughed excitedly.

"Son, you just boasted about Haikou in front of your dad. How are you going to deal with the person who hurt your eldest brother?"

"If he can hurt your eldest brother, it proves that he is not weak, and you are definitely not an opponent." The

woman asked worriedly.

"Mom, don't worry, I've already inquired about it, that guy named David doesn't have much strength, but the elder brother underestimated the enemy and was injured!

"Strength, if it wasn't for someone from the Pure Yang Sect, that guy would have been brought back long ago!"

"And there is a more important thing, that David should be an evil cultivator."

“As long as I catch him and learn his evil cultivating method, and adding genetic modification, the whole hidden world is afraid that there will be nothing. People are my opponents.”

“At that time, Tong Youcai can only be a resource for my cultivation...”

Tong Youcai’s eyes flashed with endless greed, it seems that his ambitions are not only the Tianlei faction!

“But how did you ask Chunyang Sect to hand over people?” The woman continued to ask.

“I just need to inform the other sects about the Pure Yang Sect’s protection of Xie Xiu. When the time comes, we will go and ask for someone. I believe that the Pure Yang Sect will definitely give someone.” Tong Youcai said with a slight smile.

“Well, I’ll tell you Uncle Wang and let him accompany you. I’ve secretly accompanied him for so many years, and it’s time for him to repay our mother and son!”

After that, Tong Youcai’s mother left in a hurry!

Tong Youcai, on the other hand, has endless greed flashing in his eyes

.....

Pure Yangzong!

David slowly opened his eyes, looking at the clean and tidy room, David frowned!

Because he can’t remember where he is!

He only remembered the moment before he fainted, and then he remembered nothing!

Slowly getting up, David moved his body and found that there was no major problem. Then the spiritual power swam around in the body and found that it was also unobstructed!

“Where is this? Who saved me?”

David muttered, wanting to open the door and go out!

But just after the door was opened, they bumped into a beautiful figure!

“I’m sorry...”

David quickly apologized!

And this figure is Liu Rui, Liu Rui is holding a bowl of lotus seed soup in his hand, and David is scattered!

“You...you’re awake, I’m so sorry!”

Liu Rui hurriedly wiped David's body!

David looked at Liu Rui and recognized at a glance that this was the girl with a boy and a girl on the side when he and Tong Yougong were fighting!

Chapter 2154

At that time, both of them looked at him with murderous intent. Although David didn't know the reason, he was sure that the two would not be friends!

But looking at the girl's expression and expression now, it doesn't seem to be malicious!

"Where am I? What's your name? How many days have I been in a coma?"

David asked Liu Rui.

"My name is Liu Rui, this is the Chunyang Sect, and my master rescued you."

"You have been in a coma for three days and three nights, and I almost thought you couldn't survive!"

Liu Rui smiled slightly. .

"What kind of Tianlei faction does your Pure Yang Sect follow, and it is also the Hidden World Sect?"

David asked.

"I don't know if I should say something, but I'd better call my master!"

After Liu Rui finished speaking, she turned around and was about to go out!

But as soon as he turned around, Liu Xing walked in and saw that David was awake, and Liu Xing said with a trace of anger in his eyes: "My life is really big, and it was really saved by Master, and Master did not hesitate to save his own life. Zengyuandan gave this evil cultivator, I really don't know what the master thinks."

"Brother, the master said that he is not a cultist, and the master will definitely not be wrong."

"And how could the evil cultivator attract such a large number of people? As for the power of faith, there must be a misunderstanding here."

"I'm going to call Master over now!"

Liu Rui went to call Yue Buqun after she finished speaking!

But Liu Xing still looked at David with cold eyes.

David knew that the other party had misunderstood, and quickly explained: "This brother, I'm really not an evil cultivator, absorbing that Jueyuan's strength is just a part of my ability in the practice."

“I didn’t kill and absorb other people’s strengths for the sake of cultivation, and I didn’t kill any ordinary people. I hope you don’t misunderstand.”

Since he was saved by the other party, David felt that it was necessary to explain clearly.

“Hmph, you are not an evil cultivator, how could you be able to injure Tong Yougong, the Martial God, with your Martial Saint realm?”

“Even I can’t hurt that Tong Yougong, you are a little Martial Saint, why can you? “

It’s clear that you are an evil cultivator, I don’t know what kind of evil cultivator you used!”

Liu Xing snorted coldly, not believing what David said at all!

David opened his mouth and didn’t know how to explain it!

At this moment, an old and stern voice came.

“Xing’er, your arrogant temperament must be changed. If you can’t do something, don’t you allow others to do it?”

“You have such a jealous mind, why don’t you practice more!”

Yue Buqun came in and reprimanded Liu Xing!

Liu Xing bowed his head and said nothing!

“David, this is my master, Yue Buqun, the sect master of Chunyang Sect...”

Liu Rui was introduced to David!

“Sect Master Yue, thank you for saving your life!”

David thanked Yue Buqun!

“Little brother is too polite, saving the dead and helping the wounded is what my martial arts world should do.”

“It’s just that many people have forgotten their original intentions in pursuit of fame and strength.”

“Now seeing you recover, I’m also happy!”

Yue Buqun showed a kind smile on his face!

But just after speaking, Yue Buqun’s face suddenly changed, and then he coughed violently, and his breathing became short!

Seeing this, Liu Xing and Liu Rui hurried forward to support Yue Buqun!

“Junior sister, quickly get the medicine for Master...”

Liu Xing said to Liu Rui.

“Oh...” Liu Rui nodded, then took out a porcelain bottle from Yue Buqun’s pocket, and poured out a pill from it!

After stuffing the pill into Yue Buqun’s mouth, Yue Buqun soon recovered!

“It’s an old problem, it made my little brother laugh...”

Yue Buqun smiled awkwardly.

At this time, Liu Rui, who was beside him, was holding the porcelain bottle, frowned and said, “Master, you...you have only one Zengyuan Dan left?”

Chapter 2155

“Yes.” Yue Buqun nodded!

“Master, how can this be done? This is your life-saving elixir, and it cannot be broken.”

“I will go to the warehouse to prepare resources and send them to the Medicine Refining Sect, so that they can refine some Yuan-enhancing pills for Master.”

Liu Xing was about to leave, but was caught by Yue Buqun!

“Xing’er, don’t go there. For so many years, our Pure Yang Sect has spent a lot of resources in order to prolong my life!”

“As a result, our Pure Yang Sect’s disciples have much less cultivation resources than other sects. This makes our Chunyang Sect weaker than other sects!”

“Because the teacher knows that after you go out, you are looked down upon and bullied by others, this is because the teacher is incompetent!”

“My life should be like this, don’t waste resources, in the future Pure Yangzong depends on you!”

Yue Buqun said earnestly, pulling Liu Xing.

“Master, for you, it doesn’t matter how much resources are wasted, I can follow my brothers to find resources every day!”

“There are still many resources in our Pure Yang Sect that have not been exploited, we just work a little harder every day!”

“Ke Chun Yangzong can’t live without you...”

Liu Rui cried and said while crying.

Liu Xing's eyes were also red, but Yue Buqun still shook his head!

"Sect Master Yue, can I ask, do you have any incurable disease?"

David asked when he saw this.

"I was only injured by an evil cultivator in my dantian many years ago, which caused an evil spirit in my body, which made me want to die!"

"In these years, we can only rely on the Zengyuan Pill of Refining Medicine Sect to suppress this evil spirit, but Refining Medicine Sect's lions can open their mouths and increase the required resources year by year. Today, it is difficult for our Pure Yang Sect to afford it. "

It's because I have this evil aura in my body that I can find out right away that you are not an evil cultivator, because the aura in your body is not the same as that evil cultivator!"

Yue Buqun explained.

When David heard it, he came to understand, no wonder that Liu Xing and Liu Rui hated Xie Xiu to the core, and seeing that they absorbed Jue Yuan's strength, they mistakenly thought they were Xie Xiu, and they were full of murderous intent towards themselves!

"Sect Master Yue, because the exercises I practice are a bit peculiar, I can absorb the strength of others and refine them. Can you let me check it out for you to see if I can suck the evil spirit out of your body!"

David said . Yue Buqun asked.

"What do you want to do? Do you want to suck away the master's strength?"

Liu Xing asked David cautiously.

"Don't get me wrong, I just absorb the evil spirit in the main body of Yuezong, and I won't absorb his strength."

David hurriedly shook his head to explain!

"Although you say that, how can we trust you? If you have malicious intentions, isn't my master in danger?"

Liu Xing still didn't believe David!

Seeing this, David said helplessly: "Sect Master Yue is my savior, how could I possibly harm him."

"No way, who knows who you are."

Liu Xing simply disagreed!

Even Liu Rui did not dare to let Yue Buqun take risks, and Yue Buqun himself remained silent.

Yue Buqun didn't know whether David had the ability to absorb the evil spirit in his body, but Yue Buqun was also a little worried.

Seeing that Yue Buqun was silent, David knew that Yue Buqun was also a little worried. After all, the two met by chance, and Yue Buqun didn't know if he really had that strength!

After thinking for a while, David suddenly thought of a way: "I can force the evil spirit in Yuezhong's main body out of the body, right?"

"How do you force the evil spirit out of Master?" Liu Rui asked.

"You can ask Sect Master Yue to take a Qi Chasing Pill, so that the evil energy can be forced out of Sect Master Yue."

"At that time, I will absorb and refine that evil energy, so that I don't touch Yue Sect Master. Sect Master, should you rest assured?"

David said.

Chapter 2156

"Qi Chasing Pill?" Yue Buqun and several others were slightly taken aback!

"How come there is such a medicinal pill, why won't the alchemy sect give it to my master? In this way, the evil spirit in my master's body can be forced out of the body, and I don't need to be tortured, and I can use the Zengyuan Dan to suppress it and prolong my life."

Liu Star asked in confusion.

"Perhaps the Refining Medicine Sect couldn't refine this Qi Chasing Pill at all, or maybe there is no pill recipe!"

David explained with a slight smile!

"How is it possible that in the entire martial arts world, there are almost no alchemists who can compete with the Medicine Sect."

"Even the Yaoshen Valley in the Kyoto martial arts world is nothing compared to the Medicine Sect..."

Liu Xing fundamentally I don't believe it, there are still medicines that cannot be refined by the Refining Sect!

After listening to David, he smiled lightly: "Although you can't hide from the world, you can improve the speed of cultivation, but it also limits your thinking."

“Although I don’t know the medicine refining sect you are talking about, but I can refine it. Pills, they definitely won’t be able to refine them.”

“And you said that the God of Medicine Valley, I am the owner of the valley...”

After David finished speaking, Liu Xing and the others were shocked.

“How is that possible? You are so young, how could you be the valley owner of Yaoshen Valley?”

“Also, alchemists are different from us martial artists. They need a lot of experience and time to learn.”

“The current senior alchemists, which one? Isn’t it too old?”

Liu Xing shook his head in disbelief.

Seeing that he couldn’t convince the other party no matter how he explained, David could only lightly smile and said, “If I have that ability, I’ll know after a try. I’ll give you a prescription, and you can follow the record above to get the medicine.”

“When I refine the Qi Chasing Pill and force out the evil spirit in the main body of Yuezong, you will naturally believe it!”

After David finished speaking, he took a pen and paper from the table and wrote a prescription!

Liu Xing took the prescription, the medicinal materials on it, they have the pure Yangzong, you must know that these things are also cultivation resources!

Liu Xing looked at Yue Buqun, but Yue Buqun nodded and said: “I believe this little brother once, go and get the medicine...”

Soon, Liu Xing will be arrested!

David didn’t write any ink, and took out the Shennong Ding directly from the storage ring!

Immediately after, put all the medicines into Shennong Cauldron, put the palm of your hand, and a light blue flame danced in the palm of your hand!

Then David waved his hand, and the blue flame in his hand instantly began to burn in Shennong Ding!

David sat cross-legged, and one after another spiritual power penetrated into the Shennong Ding!

Yue Buqun and a few people looked at David like this, they didn’t speak, they watched quietly!

An hour later, a faint light flashed in the Shennong Ding.

David also got up and walked to Shennong Ding!

Liu Xing hurried over and found a brown pill in the Shennong Ding, which was emitting light!

David did not take it with his hand, but with a light wave of his hand, the Qi Chasing Pill rose into the air, and instantly fell in front of Yue Buqun!

“Sect Master Yue, take this pill, and the evil spirit in your body will be forced out.”

David said lightly.

Yue Buqun nodded and swallowed the Qi Chasing Pill without hesitation!

Soon, Yue Buqun’s complexion began to look ugly, and then his face was full of grief and pain!

His hands were clenching their fists tightly, as if they were suffering great pain!

Seeing this, Liu Xing and Liu Rui rushed over!

“Master...”

“Master...” The

two of them shouted, but at this moment, Yue Buqun’s face was bulging, his eyes were wide, his mouth was open, but he couldn’t speak!

“Boy, you dare to harm my master...” When

Liu Xing saw this, his body was full of anger, and he punched David!

David stepped back, dodging Liu Xing’s punch, and hurriedly explained: “Don’t get me wrong, the Qi Chasing Pill wants to force out the evil spirit, and you must go through such pain...”

But where is Liu Xing? Listening to David’s explanation, he kept attacking David, and David could only dodge desperately!

Chapter 2157

“Ah...”

Yue Buqun fell to the ground and began to scream in pain!

“Master, Master...”

Liu Rui’s face was pale with fright, and she kept calling out Yue Buqun!

When Liu Xing saw this, his heart became even more ruthless. He had already determined that David was harming his master, so he shot even more ruthlessly!

David frowned when he looked at Yue Buqun: “Could it be that I was wrong?”

“Boy, my master has three strengths and two weaknesses, and I will never let you out of the Pure Yang Sect.”

Liu Xing was full of anger. The fist hit David!

David didn't have time to waste time fighting with Liu Xing at this time. As soon as he stretched out his hand, Peng's voice directly caught Liu Xing's punch!

“The evil spirit in your master's body is strange, let me go and see...”

David said coldly to Liu Xing.

“It's all your fault, you dare to go over...”

Liu Xing glared at David, but the fist that was thrown out was caught by David, and he couldn't take it back!

You must know that Liu Xing is also a god of martial arts. Although he is not inferior to that child's meritorious deeds, he will not be caught by the fist of David, a little martial saint, and he cannot move!

But just when Liu Xing was about to throw another punch at David, he was kicked away by David!

The dignified god of war was played by David like this.

“I fought with you...”

Liu Xing felt that he had suffered a great humiliation, and burst out the energy of the whole body, and the terrifying energy directly caused the house to tremble violently!

“If you want your master to die, then go ahead...”

David glared at Liu Xing and said coldly.

“Senior brother, master is about to die, it's about to die...”

Liu Rui cried, at a loss!

Liu Xing hurriedly rushed over: “Master, Master, hold on, I will take you to the Refining Medicine Sect, no matter how much you pay, I will let the Medicine Refining Sect save you...”

After speaking, Liu Xing was about to hug Yue Bu. The group left and went to the alchemy sect!

“You take your master away now, then he is really helpless, let me take a look...”

David said to Liu Xing.

“My master was hurt like this by you, do you still want to see it?”

At this time, Liu Rui also glared at David and yelled!

In their opinion, Yue Buqun's behavior was caused by eating the Qi Chasing Pill refined by David!

"I want to harm your master, why bother..."

David wanted to explain, but found that Yue Buqun's face was dark blue, and a cloud of black mist shrouded his forehead!

He knew that there was no time left, and golden light flashed on his fingers, and then suddenly, several golden lights penetrated into Yue Buqun's body!

Just after Jin Guang did not enter the Yuebu group, David's brows furrowed tightly again!

"Sure enough, this evil spirit actually contains remnants of souls..."

David said something in his mouth.

Following Yue Buqun's scream, a cloud of black mist flew out from Yue Buqun's mouth.

The black fog almost filled the entire room, making everyone unable to see the situation in front of them in an instant!

"Take your master out, hurry up..."

David shouted loudly.

Liu Xing and Liu Rui looked at the black mist that Yue Buqun spit out, and they were a little confused. They didn't react until David shouted, and rushed out of the room with Yue Buqun!

At this moment, the black mist surrounded David and slowly turned into a figure!

"Little remnant soul, dare to make waves..."

David snorted coldly.

The figure looked at David and laughed: "A little Martial Saint can actually force me out, he really has arrogant capital!"

"But even if I am just a remnant at the moment, I want to kill you. , it's just a raised hand!"

"You are just an ant in my eyes..."

"An ant?" David sneered: "But you were forced out by this ant, isn't it? It means that you are not as good as ants?"

Chapter 2158

"Hahaha, crazy enough, but I like it, your cultivation level will belong to me immediately!"

” Just wrap up David!

David wanted to devour and refine this black mist, but when he opened his mouth, he suddenly remembered something, so he dismissed the idea!

I saw David radiating golden light, and the golden body was activated, and the dazzling golden light instantly penetrated those black mists!

The black mist once again condensed into a figure, staring at David!

“It’s no wonder that you can force me out from the realm of the Martial Saint. It turns out that you are the real body of a golden dragon...”

“But your body is useless to me, but the power of the dragon in your body can be used by me! “

After all, the figure flashed out in an instant, and before David could react, he felt a heavy blow to his chest!

The whole person took a few steps back, and there were gaps in the indestructible golden body on the chest!

David’s brows wrinkled, a remnant of a soul is nothing, but it has such power, then the body of this guy, I don’t know how terrifying it will be!

“Who are you? Why did you leave a remnant of your soul in the body of Sect Master Yue?”

David asked the figure.

“You talk too much, do you think I’ll tell you?”

“You shouldn’t belong here, but you are nosy, the hidden world is not as simple as you think!”

“You really think these hidden worlds are The door does not ask about world affairs?”

“It’s just other places outside the world, and there are no resources that they fancy. If there are, do you think these hidden world sects will still be indifferent?”

“Remember, human nature is always greedy, no People really do not compete with the world.”

After the figure finished speaking, he shot again, this time at a faster speed, so that David could not see the slightest movement!

Bang.....

Another palm slapped on David’s body, Davidyou took a few steps back!

The indestructible golden body completely disappeared slowly and turned into nothingness!

With two palms, the undamaged golden body is directly broken, which shows the strength of this remnant soul!

“It seems that if I don’t do it, then I’ll be a sick cat...”

After David finished speaking, his body erupted with golden light, which instantly illuminated the entire room!

Immediately after, a punch was swiped towards the figure!

“Holy Light Fist...”

One after another boxing shadow, exuding golden light, instantly enveloped the dark shadow!

“Hahaha, I’m just a remnant of the soul, can you still hit me?” The

figure laughed and suddenly turned into a cloud of black mist, and then disappeared!

Then a strong wind hit David’s back!

David instinctively turned sideways, but he was still hit.

David’s body rushed forward, directly smashing the table and chairs in front of him!

“Haha, you are obedient, I only need your dragon power, your body is still yours, even if you lose the dragon power, your strength will not decrease much.” The

figure laughed and said to David.

David frowned, his face became more and more solemn!

Looking around the house, David knew that in this room, there was too little time for David to react!

Because the opponent is just a remnant of the soul, it is difficult to leave breath fluctuations even when he is in action, so it is difficult for David to capture the trace of the opponent!

David flipped his wrist, and the Dragon Slaying Sword appeared in his hand!

Seeing the Dragon Slaying Sword in David’s hand, the figure’s eyes glowed with greed!

The power of the dragon was injected into the Dragon Slaying Sword, and the Dragon Slaying Sword shone with golden light, and a golden dragon hovered above the sword body!

“Cut...”

David slashed out with a sword, and countless swords filled the room!

Seeing this, the figure instantly turned into a black fog, and the sword light passed through the black fog and instantly slashed on the surrounding walls!

Boom...
