

## A Man Like None Other Chapter 2159-2166

### Chapter 2159

With a loud noise, the house was chopped up instantly, and the flying fragments were blown away by David's breath!

At this moment, David and that figure were exposed in the empty compound!

The loud noise attracted many disciples of the Pure Yang Sect!

At this time, Yue Buqun had also recovered. Looking at David in mid-air confronting the figure, Yue Buqun's face was very gloomy!

"Sect Master Yue, this remnant soul is the source of your pain for so many years..."

David pointed at the figure with his sword and said.

Yue Buqun looked at the figure with anger flashing in his eyes!

I saw a wave of the sleeve robe, and the entire Pure Yangzong rose to the starting point of brilliance, and these brilliance rose to the air, forming an invisible big net, directly shrouding the figure!

Yue Buqun's shot made the figure panic, and his expression became solemn!

"The flames are in the sky..."

accompanied by a loud shout from Yue Buqun's mouth!

The invisible big net instantly raised flames, and the hot flames were constantly shrinking towards the figure, leaving him nowhere to escape!

"Yue Buqun, if you dare to hurt me, I will give it back a hundredfold. Don't forget that this is just a remnant of my soul. Even if I destroy this remnant of my soul, it won't hurt me."

"But I will let it go . Your Pure Yang Sect has fallen into a place of doom..." The

figure faced the shrinking flame net, threatening Yue Buqun!

Yue Buqun snorted coldly, and the flames became even hotter!

"Ah..." The

figure finally let out a scream!

"Sect Master Yue, don't kill him..."

Seeing this, David rushed to Yue Buqun, trying to stop Yue Buqun.

But it was too late, the figure had already disappeared, and nothing was left!

Seeing that the figure was gone, David couldn't help sighing!

"Little brother, is it still useful for you to leave that remnant soul?"

Yue Buqun asked.

"Sect Master Yue, this remnant soul can stay in your body for so many years. Even if it is forced out, it still has such strength. It can be seen that this guy's body is very strong, and the most important thing is that his body will not be too far away from here!

"Knowing that the remnant soul left behind by a person is the weakest, and there are very few evil cultivators who can sacrifice the remnant soul alive, and if the remnant soul can be controlled, there is also a distance limit, and it is not endless!"

"So I think Let this remnant soul escape, so that we can find the body of this evil cultivator based on this remnant soul."

David explained with Yue Buqun.

The reason why David didn't absorb this remnant soul refining just now is also for this reason!

Destroying a remnant soul doesn't do much damage to the evil cultivator's body!

But now that the remnant soul has been destroyed, it is not so easy to find the evil cultivator's body!

Now that the Pure Yang Sect is in the bright, the evil cultivator is in the dark. If you want to attack the Pure Yang Sect, the Pure Yang Sect is afraid that it will be too late to even take precautions!

After listening to David's explanation, Yue Buqun also felt that he was a little impulsive just now, but now that he is like this, he can only take one step at a time!

"Little brother, you saved my life, I'm so grateful, old man. Whatever you want, feel free to say it. As long as our Pure Yang Sect has it, I will never be stingy."

Yue Buqun thanked David!

"Sect Master Yue, you also saved my life, didn't you? We can be considered even."

David smiled lightly.

Yue Buqun was stunned for a moment, and then he laughed loudly: "It's even, but since you came to my Chunyang Sect, you have to stay here for a few more days, and let me do the best of my friendship."

"Okay!" Chen Flat nodded.

After all, David also planned to find these hidden world sects to inquire about the Rebirth Spring. Now that Yue Buqun took the initiative to let David stay, of course David was happy!

It happened that David wanted to follow Yue Buqun to inquire about the Rebirth Spring, and by the way, learn about the hidden Shizongmen.

### **Chapter 2160**

“Rui’er, Xing’er, please apologize to Brother Chen soon.”

Yue Buqun said to Liu Rui and Liu Xing.

Seeing this, Liu Rui hurried forward and said to David with an embarrassed face: “Mr. Chen, I’m really sorry just now, I misunderstood you...”

“Miss Liu is polite, in that case, it is normal to have an overreaction. “

David smiled slightly.

But Liu Xing stood dazedly, and did not apologize to David in the past!

“Xing’er, what’s the matter with you?” Yue Buqun frowned slightly!

Liu Xing gritted his teeth, and finally turned around and ran away, and did not apologize to David!

“Hey, this kid is too arrogant...”

Seeing this, Yue Buqun sighed involuntarily: “Brother Chen, don’t take an offense, these apprentices are spoiled by me!”

“No!” David smiled!

“Rui’er, take someone to clean up this place, and I’ll chat with Brother Chen...”

Yue Buqun said to Liu Rui.

Liu Rui nodded, and then Yue Buqun took David to other rooms!

In fact, Yue Buqun also has a lot of doubts about David, why David is so young, his alchemy skills are already well-established, and relying on the realm of Martial Saint, he can compete with Martial God!

Yue Buqun poured David a cup of tea and was about to ask his own question, but David spoke first!

“Sect Master Yue, I have knowledge and want to ask for advice. I wonder if I can?”

David asked.

“Brother Chen, if you have anything, just ask!” Yue Buqun nodded.

“I don’t know Sect Master Yue, do you know Rebirth Spring?”

David asked.

I saw Yue Buqun stunned for a moment, and said somewhat unexpectedly: “How do you know about Rebirth Spring? And what’s the use of you looking for Rebirth Spring?”

Seeing this, David hurriedly explained it. Yue Buqun heard what David was. He used the Rebirth Spring to save people, so he said: “This Rebirth Spring is the secret of us hidden world sects. If it is not for people in the hidden world, few people know it.”

“This Rebirth Spring does have the ability to reshape the body, only But not everyone can use the Rebirth Spring.”

“Where is the Rebirth Spring? Can Sect Master Yue show me?” David asked excitedly when he heard that Yue Buqun knew.

“Brother Chen, don’t worry, this Rebirth Spring is at the foot of the Kunlun Mountains, and it is the place where the major sects and gangs of our hidden world meet.”

“Because of this, this Rebirth Spring is jointly managed by our three sects and six factions. It’s just that the right to use the regeneration spring this year is in the hands of the Refining Medicine Sect!”

“I will not be able to get the right to use it until next year, so if you want to save your friend, you must agree to the Refining Medicine Sect. “

Yue Buqun explained carefully!

“Where is the Alchemy Sect? I’ll go find them...” David couldn’t wait.

“Brother Chen, you stay here for one day first, and I will accompany you tomorrow. By the way, I ask the Refining Medicine Sect, why there is a remnant of the evil cultivator in my body, but the Medicine Refining Sect couldn’t find it.

” Medicine Sect has requested a lot of resources from our Pure Yang Sect, but that Zengyuan Pill can only suppress the evil spirit in my body!”

“If it wasn’t for Brother Chen’s actions, we would not know that our Pure Yang Sect would continue to do away with that Refining Medicine Sect ! When will you ask for it!”

Yue Buqun said angrily.

“It’s normal to not be able to find the remnant soul. I didn’t find it at first, but the Yuan-enhancing Pill refined by the Refining Medicine Sect can suppress the remnant soul, which is very strange. You must know that the remnant soul enters the body. After that, unless you find a way to force it out.”

“It’s a bit impossible to use medicinal pills to suppress the remnant soul. Even me, there is no way to make medicinal pills that can suppress the residual soul.”

David also felt that the medicine refining sect was a bit strange. Zengyuan Dan, just right to suppress the remnant soul, is not such a coincidence!

Maybe, this remnant soul has any connection with the Medicine Refining Sect, and the Medicine Refining Sect deliberately used this to ask for the resources of the Pure Yang Sect!

“We’ll find out when we go to the Refining Medicine Sect tomorrow. Brother Chen should rest first!”

Yue Buqun left after saying that and then walked out of the Pure Yang Sect. No one knew where he went

Chapter 2161

David sat cross-legged in the room, quietly refining the strength he absorbed!

At the entrance of Chunyangzong, Liu Xing is smoking a cigarette in a depressed mood!

The appearance of David was a great blow to him.

Originally arrogant, he was hit again and again!

Because of the resource problem of Chunyang Sect, his strength is not as good as that of Tong Gonggong, but now even David, the Martial Saint, is no match!

“Hey, why did the most talented disciple of Chunyang Sect come to the door to smoke? Is there something bothering you?”

At this time, Tong Youcai brought a few people to Chunyang Sect, and after seeing Liu Xing , said with a bit of playfulness.

When Liu Xing saw Tong Youcai and the few people behind him, he asked with an unhappy expression: “Tong Youcai, what are you doing here in our Chunyang Sect?”

“We don’t seem to have anything to do with your Tianlei faction. Right?”

Liu Xing’s eyes were cold, his face full of disgust.

For the people of the Tianlei faction, Liu Xing is very disgusted.

“There is no intersection, but I heard that your Pure Yang sect has taken in an evil cultivator, so I brought a few other sects here to see!

” Qi Xie Xiu is here?”

“Don’t you know that Xie Xiu is the public enemy of our martial arts world...”

Tong Youcai said with a sneer.

“Fu\*\* your motherFu\*\*ers, you only take in the evil cultivators, our Pure Yang Sect has no evil cultivators.”

Liu Xing scolded Tong Youcai angrily.

Tong Youcai was not angry, but a middle-aged man beside him was angry, his face turned cold, and then he slapped Liu Xing!

No one could see the middle-aged man’s movements clearly, Liu Xing’s face was slapped hard, and instantly became red and swollen!

“Boy, when talking, it’s better not to bring his mother, understand?”

The middle-aged man warned Liu Xing coldly.

Liu Xing felt the breath of the middle-aged man, and was so scared that he didn’t dare to speak, only to be slapped in vain!

“Uncle Wang, how can I use you to deal with this guy, even if he is a genius disciple of Chunyang Sect, but in my eyes, he is a piece of garbage.”

Tong Youcai looked disdainful!

Liu Xing glared at him, but Tong Youcai had masters by his side, and Liu Xing was not impulsive!

“What about Yue Buqun, let him come out and make it clear, so many of us come here, do you want a little disciple of you to receive it?”

At this time, an old man stepped forward and reprimanded Liu Xing!

Liu Xing looked at the old man with a respectful expression on his face: “Elder Pei, my master has gone out, he is not here...”

This old man is the elder of the Ziyun Sect among the three sects and six sects. Much higher than Liu Xing!

Therefore, Liu Xing did not dare to be presumptuous, and could only be respectful!

“Going out? Did you know we were coming, so you went out to avoid us?”

Tong Youcai asked with a sneer.

“Tong Youcai, don’t talk nonsense, my master just went out, how could he know that you were coming!”

Liu Xing glared at Tong Youcai and said.

“Since we’re out, let’s go in and wait for him...”

Tong Youcai said, and was about to break into the Pure Yang Sect.

Liu Xing reached out his hand and stopped: "Without Master's order, outsiders are not allowed to enter the Pure Yang Sect."

"What? Could it be that I brought so many elders from major sects, and I can't enter your Pure Yang Sect?"

"I think your Pure Yang Sect is too arrogant, and ignores our sects?"

Tong Talented intentionally instigating the relationship between Chunyang Sect and the major sects!

Hearing what Tong Youcai said, the elders of the major sects also faced anger.

"We old people, can't we enter your Pure Yang sect?"

The elder Pei asked angrily.

"Elder Pei, this is indeed Master's rule, and I can't do anything about it!"

Liu Xing looked embarrassed!

Chapter 2162

"Liu Xing, if we insist on going in, what can you do?"

"Yue Buqun doesn't show up and doesn't let us in, I'm afraid there is something in your Chunyang Sect that you can't see. Is it something?"

Tong Youcai said with a sneer on his face.

"You Tianlei faction can't see people..."

At this time, Liu Rui heard the movement and brought people over!

Seeing that Liu Rui was here, Tong Youcai's eyes flashed.

"Miss Liu is getting more and more beautiful, this little figure is perfect..."

Tong Youcai unabashedly looked at Liu Rui with his lustful eyes!

Tong Youcai's gaze made Liu Xing suddenly furious!

Who doesn't know that in Chunyang Sect, Liu Xing and Liu Rui are golden boys and girls. They are almost childhood sweethearts, and Liu Xing likes Liu Rui very much!

Now that Tong Youcai molested Liu Rui in front of Liu Xing, of course Liu Xing would be angry!

"Tong Youcai, shut your stinky mouth. Believe it or not, I swelled your stinky mouth?"

Liu Xing glared at Tong Youcai and said angrily.

“Hahaha, just based on your strength, do you have that ability?”

“If you have the ability, just do it, I’ll wait for you...”

Tong Youcai put his face in front of Liu Xing, deliberately provoking Liu Xing, Let Liu Xing do it!

Liu Rui pulled the corner of Liu Xing’s clothes on the side: “Senior brother, don’t be impulsive, this guy is deliberately angering you.”

If Liu Xing made the first move at this time, it would be a loss.

In front of so many people, Liu Xing would be hard to argue at that time!

Liu Xing’s face was flushed with anger, his fists were tightly clenched together, and the breath on his body continued to erupt!

Seeing that Liu Xing did not dare to do anything, Tong Youcai said with a smile: “Since you do not dare to do it, then get out of the way.”

“Either hand over that evil cultivator, or let us in...”

Liu Xing looked at Tong The arrogant appearance of talent is really unbearable!

Suddenly, a punch hit Tong Youcai.

But just when Liu Xing was about to hit Tong Youcai with a punch, Tong Youcai suddenly retreated and escaped the punch!

Immediately after that, Tong Youcai threw a punch.

Before Liu Xing’s fist could be retracted, Tong Youcai’s punch was already in front of him!

Obviously Tong Youcai has already made preparations and is waiting for Liu Xing to take action!

Bang ... ..

caught off guard, Liu Xing was smashed a fist in the chest, the body directly back!

After taking a few steps back, Liu Xing stabilized his figure until he was supported by the disciples of Chunyang Sect!

Liu Xing looked at Tong Youcai angrily. In front of so many elders of various sects, Liu Xing was punched by Tong Youcai, and he couldn’t swallow it at all!

To say that Liu Xing's strength is inferior to Tong Yougong, he can admit that, but this Tong Youcai's strength is inferior to that of Tong Yougong. Liu Xing's strength should be equal to that of Tong Youcai!

Now two people who are evenly matched, Liu Xing was beaten back and forth again and again, which made his old face have no place to rest.

"Tong Youcai, I'll kill you..."

Liu Xing roared and rushed towards Tong Youcai again!

But at this time, David walked out slowly, walked directly to the door, and said to the people from the various sects in front of him: "Are you looking for me? Say I'm a cultist?"

Tong Youcai looked He glanced at David and asked, "Your name is David?"

"Yes!" David nodded!

"That's yours, you are Xie Xiu, did you hurt my brother?"

Tong Youcai asked.

"You're talking about Lei Pai's Tong Gonggong that day, right? Yes, I was injured. What do you think?"

David nodded calmly.

"Hmph, you evil cultivator, dare to hurt my brother, today I want to avenge my brother, kill you evil cultivator, and save the people..."

Tong Youcai's face was gloomy, he flipped his palm, and The long knife appeared.

A red light shone on the long sword!

Chapter 2163

"Tong Youcai, my master said that Mr. Chen is not an evil cultivator."

Seeing this, Liu Rui hurriedly explained.

"I said he is, he is, you don't have to argue."

Tong Youcai didn't listen to Liu Rui's explanation at all!

Liu Rui wanted to say something but was stopped by David: "Don't tell him, if you want to add to the crime, there is nothing to worry about. If he wants to avenge his brother, it depends on whether he has the ability."

David finished, It was also with a flip of the palm of his hand, the Dragon Slaying Sword appeared in his hand, and the dazzling golden light flickered on the Dragon Slaying Sword!

“Haha, you are only a little Martial Sage, and you dare to say such a big thing. It was my brother’s carelessness that he was injured by you. Today I will let you know the gap between Martial Saint and Martial God!”

Tong Youcai laughed. Then, the long knife pointed at David!

David looked at Tong Youcai coldly, the corners of his mouth raised slightly, showing a disdainful expression.

“Three moves, if you can force me to use the fourth move, I will let you take it away...”

David sneered.

When everyone heard David’s words, there was an uproar!

“Where did this kid come from? How can a little Martial Sage be so arrogant?”

“I heard that he is from the Kyoto martial arts world, just a frog at the bottom of the well. How does he know that the Martial God is powerful!”

” He is in the realm of the Martial God, but he was careless and was injured by this kid, so this kid is extremely arrogant and looks down on the Martial God.”

The elders of several sects whispered, but they all sneered at David’s words!

The gap between the Martial Saint and the Martial God is not a star and a half. If a Martial God wants to crush a Martial Saint, it is no different from crushing an ant!

“You’re crazy...”

Tong Youcai shouted angrily, and the breath on his body suddenly burst out!

The long knife in his hand exudes an edge!

Tong Youcai’s figure was as fast as lightning, and in an instant, several sharp edges came straight to David!

Every edge contains the power to destroy the sky and the earth, even a boulder can be split into powder in an instant!

Seeing this, Liu Rui seemed a little worried. After all, David had just recovered. How to face Tong Youcai’s sharp move!

At the beginning, David also fought to his death, so Tong Yougong was injured. Now Tong Youcai makes a killing move. Liu Rui doesn’t know if David can stand it!

Liu Rui helped a little, but her strength, I’m afraid, can’t stop it at all!

At this time, David's eyes narrowed slightly, seeing that Tong Youcai's shot turned out to be a killer move, obviously wanting to defeat the enemy with one move and take him down!

The indestructible golden body on David's body was activated, and bright golden light radiated from David's whole body.

Immediately afterwards, the Dragon Slaying Sword in his hand also swiped down, and in an instant, he swung countless sword qi and directly greeted him!

One after another blade and one after another sword qi collided together, and a huge sound broke out!

The scattered energy swept all around like a tornado!

Everyone around exudes aura, forming a barrier to block the aftermath of the scattered energy!

The smoke dissipated, David stood silently holding the Dragon Slaying Sword, motionless!

And that Tong Youcai had a gloomy face, looking at David in front of him, Tong Youcai felt that his face was hot!

He is the god of martial arts, facing David, the martial sage, he stabbed with all his strength, but he didn't get hurt in the slightest!

It is too embarrassing to have so many elders of the sect look at it!

Others were surprised when they saw that David didn't move and was unscathed!

"It seems that this kid is really capable, no wonder he is so arrogant..."

The elder Pei whispered.

As for the uncle Wang behind Tong Youcai, his face was solemn, his brows were slightly wrinkled, and his eyes were fixed on David!

"Too weak, your knife is far worse than your brother..."

David said with a touch of sarcasm.

Tong Youcai was furious, and he was most annoying when people said he was not as good as Tong Yougong.

Chapter 2164

"Boy, you're courting death..."

Tong Youcai shouted loudly and swung his sword out again!

This knife actually exudes a sharp edge in the sky, overwhelming the sky, and covering David's entire body!

David unhurriedly raised the Dragon Slaying Sword, accompanied by a dragon roar!

Fierce sword energy shot out from the Dragon Slaying Sword.

The sword qi turned into a golden dragon, rushing straight into the sky, and then the golden dragon turned into thousands of golden lights, rushing down from the sky!

All the blades that filled the sky were blocked, and one of the sword beams stabbed straight at Tong Youcai!

Tong Youcai's expression changed, and he hurriedly took out a knife to block it!

Dang .....

With a crisp sound, Tong Youcai only felt that his body was hit by a boulder from the sky. The huge force made Tong Youcai's arms go numb, and his feet fell deeply into the ground!

Everyone looked at the scene in front of them, and they were all inconceivable. None of them could have imagined that a Martial Saint could explode with such power!

"The sword in his hand is a spiritual sword that has opened the mind. No wonder he has such courage to fight with the god of war."

Uncle Wang stared at the Dragon Slaying Sword in David's hand and said.

When everyone heard it, they couldn't help but set their eyes on David's Dragon Slaying Sword!

"It's no wonder that a Martial Saint can explode with such power. It turns out that he has a peerless spirit sword in his hand."

Elder Pei's eyes glowed with greed!

The elders of other sects also have greedy expressions on their faces. Such a treasured sword, in the hands of a Martial Saint, is simply a waste.

If this sword is in their hands, it will definitely be able to exert greater power!

When David listened to the words of several people, he smiled coldly.

"Since you think it's the power that the sword in my hand brought me, then this last move, I don't need the sword."

David flipped his palm, and the Dragon Slaying Sword disappeared.

His fists were clenched, and the golden light on his body flickered.

He was planning to fight with that Tong Youcai with his bare hands!

A Martial Saint, with his bare hands, fighting with a Martial God, and the other party still holding a weapon?

Is this tired of living?

In the eyes of everyone, David is tired of living and actively seeks death!

At this moment, Tong Youcai felt a great insult, the long knife in his hand exuded a coquettish crimson red, and he fought his fate to turn the breath in his body!

With this knife, Tong Youcai knew that whether he could kill David or not, he would lose all his face!

He never thought that David, a martial sage, would be able to resist his own two moves, and even take the top spot!

For a time, everyone was waiting quietly, waiting for Tong Youcai's knife, in fact, they were looking forward to seeing how David would take Tong Youcai's knife with his bare hands!

"Ah..."

Tong Youcai burst into a roar, swinging the long knife in his hand.

The endless red light instantly turned the sky red, and David flew into the sky, with light shining on his fists, the whole person pierced through the red light and smashed towards Tong Youcai!

"Shengguang Fist..."

David was like a flying fairy in the sky, his body exuded golden light, and before the person arrived, the endless breath had instantly pressed on that Tong Youcai!

"Don't..."

Tong Youcai's eyes showed panic, and the long knife in his hand was in front of him!

Boom.....

David's punch smashed hard on Tong Youcai's long knife!

Kacha.....

With a crisp sound, Tong Youcai's long knife was instantly broken into two pieces!

And Tong Youcai's body was directly punched by David and smashed into the ground!

As the smoke and dust disappeared, Tong Youcai was lying in a deep pit, spitting blood, and was even more embarrassed!

A pair of eyes looked at David in disbelief.

He is a god of martial arts, a real god of martial arts. He has never modified his genes. His strength as a god of martial arts is all based on his own efforts.

But now he was beaten so embarrassed by a Martial Saint?

Everyone looked at the embarrassed Tong Youcai, and their eyes widened in shock!

They also said just now that David's strength is due to the sword in his hand!

But now David smashed Tong Youcai directly into the ground with his bare hands!

Now, what can they say?

What other excuses can there be?

For a time, the atmosphere froze, as if time had stopped at this moment, and everyone had a strong inconceivable expression on their faces!

### **Chapter 2165**

At the same time, on a mountain outside Chunyang Sect!

Yue Buqun sat upright in front of a very strange looking stone!

One side of the stone seems to have been polished by hand, very smooth and bright, like a mirror!

On the stone, there are three large characters Sansheng Stone carved.

Yue Buqun bit his finger, and then a drop of bright red blood dripped on the Sansheng Stone, and soon the Sansheng Stone flashed a coquettish red light!

When the Sansheng Stone was flashing red, Yue Buqun put a hair on it!

There are words in the mouth!

"Three lives and three lives, the past and present, the past and the present, are vivid in my eyes..."

Soon, the shadow of David appeared on the three lives stone!

This hair belongs to David, and this three-life stone can see people's past and present lives through Mou Jie.

David's ability made Yue Buqun very curious, so he wanted to know who David was.

Although David is not an evil cultivator, David's various performances also let Yue Buqun know that he is absolutely extraordinary!

Yue Buqun pinched the magic trick, and the breaths hit the Sansheng Stone, and the mirror surface of the Sansheng Stone kept flashing David's figure!

It's just that David's figure is very vague, even intermittent!

Seeing this, Yue Buqun frowned slightly, so he couldn't see any information about David at all!

After a while, Yue Buqun gritted his teeth, and then a mouthful of blood spurted on the Sansheng Stone!

Sanshengshi suddenly trembled, and the red light appeared, almost reflecting half of the sky!

"Sanshengshi, quickly calculate this person's life experience..."

Yue Buqun kept shouting!

Sanshengshi began to shake violently, and even made a humming sound!

Boom.....

Suddenly, Sanshengshi made a loud noise and exploded in an instant, with a huge impact, and even overturned Yue Buqun in front of him!

Yue Buqun was shocked when he saw this, but fortunately he was prepared, so he was not injured.

But Sanshengshi was destroyed!

Looking at the broken Sansheng Stone, Yue Buqun's face was full of astonishment!

"This... how could this be?"

Yue Buqun picked up a piece of gravel, distressed!

"Is this a secret? Could it be that this David's life experience is a secret?"

"The secret cannot be revealed..." The

more Yue Buqun thought about it, the more ugly his face became, and in the end his whole body trembled slightly!

"This David is definitely not a mortal, definitely not..."

Yue Buqun threw away the gravel in his hand, and his figure was fleeting...

..... The

entrance of Chunyangzong!

Tong Youcai was so embarrassed by David's punch that he had only half his life left, and finally crawled out of the ditch!

"You...how can you be so strong? No, this shouldn't..."

Tong Youcai looked at David with disbelief!

In front of so many people, as the second son of the Tianlei faction, a strong martial artist, he was beaten so embarrassed by the martial saint David!

Tong Youcai knew that after this battle, he might become a laughing stock in the hidden world!

"Little Master, are you alright?"

Uncle Wang next to Tong Youcai stepped forward and asked with great concern!

The kind of caring look in Uncle Wang's eyes, people don't know, they think Tong You is his son!

"Uncle Wang, kill him, kill him for me..."

Tong Youcai shouted, and now he can only calm the anger in his heart by letting David die!

"Okay!"

Uncle Wang nodded without the slightest hesitation, and then looked at David with a gloomy face!

"Boy, you hurt our young master in public, you should be damned..."

Uncle Wang gritted his teeth, and his breath exploded instantly.

David looked at Uncle Wang and sneered, "Why do I look less like your young master and more like your son? Even if I hit my son, you won't be so angry, right?"

David only I just wanted to make fun of that Uncle Wang, but who knew that his words seemed to sting a certain nerve of Uncle Wang, causing Uncle Wang to be instantly furious!

"You're courting death..."

Uncle Wang shouted angrily, and his body instantly reached David, and then grabbed David!

### **Chapter 2166**

His strength is obviously much higher than that of David. Seeing this, David can only mobilize the spiritual power in his body to the extreme!

David doesn't know at this moment, whether he can take the blow of this uncle Wang, after all, there is a big gap between the strength of the two!

"You Tianlei faction bully the small, is it a skill?"

Seeing this, Liu Rui hurriedly shouted, and he planned to use this to make Uncle Wang stop!

Because she knew that David couldn't withstand the opponent's blow at all!

It's just that Uncle Wang doesn't care at all, the overwhelming force of his palm has already pressed against David!

"Holy Light Fist..."

David roared hard, golden light flashing above his fist, no matter what, David would go all out to take this palm!

But just when David was about to punch, a figure suddenly appeared in front of him, blocking him directly!

listen right away To a bang!

That Uncle Wang instantly took a few steps back, and the figure in front of David was shaking, taking three steps back!

"Sect Master Yue..." The

person who came was Yue Buqun, who blocked the palm for David!

"Wang Defa, you are an elder, but you do something to the younger generation, so shameless?"

Yue Buqun looked at the uncle Wang and said mockingly.

"Yue Buqun, you openly shield Xie Xiu, this guy is Xie Xiu, what kind of junior!"

"Everyone gets Xie Xiu and punishes him. What's wrong with my actions against Xie Xiu.

"In the face of all of us, dare to protect this evil cultivator, what do you mean?"

Wang Defa asked Yue Buqun sternly.

"You fart, your eyes saw that he was an evil cultivator? Could it be that the evil cultivator is your Tianlei faction, you can define it with just one mouth?" "Then what about your

Tianlei faction's genetic modification?"

I don't know, if you violate the rules and forcibly improve your strength, will you be punished by God?"

Yue Buqun also asked Wang Defa loudly!

"You just farted, elders, don't listen to his nonsense!"

Wang Defa hurriedly said to the elders of several other sects.

“Wang Defa, I’m talking nonsense? You can hide from anyone, but you can’t hide from me. You have forgotten my skills.”

“Now do you want me to tell you that in public? , let everyone listen to the fun...”

Yue Buqun said with a sneer, looking at Wang Defa.

“Yue Buqun, how dare you...”

Wang Defa’s face turned cold, and his expression became tense!

“Look if I dare.” Yue Buqun snorted coldly, and then continued, “Wang Defa, as an elder of the Tianlei faction, you are still the brother of Tong Haiyang, but you...”

“Yue Buqun, you Shut up for me...”

Wang Defa panicked and slapped Yue Buqun with a palm, but Yue Buqun avoided it!

“Yue Buqun, if you have the seeds, forget it today, let’s wait and see...”

After Wang Defa finished speaking, he pulled up Tong Youcai and left!

When the elders of other sects saw this, it was not easy to say anything, and they also left!

Until everyone left, Liu Rui asked very curiously, “Master, do you know what secret Wang Defa is, tell us.”

“You little girl, what are you curious about, go and practice the exercises.”

“You two are about the same age . Bigger than Brother Chen, but not as strong as the enemy’s family, I’m too embarrassed to ask about things!”

Yue Buqun reprimanded Liu Rui and Liu Xing!

Liu Rui smiled, then ran away, and Liu Xing also nodded. At this time, he was arrogant and convinced David in his heart!

No matter what realm David showed, his real strength was beyond his reach!

Just as Liu Xing and Liu Rui walked back, David asked Yue Buqun, “Sect Master Yue, what secret does Wang Defa have? It seems that he is so afraid of you to tell it?”

Yue Buqun glanced at David and laughed. “Brother Chen was also curious, but since you asked, I’ll tell you.”

Then Yue Buqun leaned into David’s ear and whispered a few words!

After listening to this, David's face was full of surprise, "No wonder I just said that Tong You is his son, and this guy is anxious..."

"Hahaha, people in the hidden world are also mortals, with a mortal heart..."

Yue Buqun laughed!
