

A Man Like None Other Chapter 2185-2192

Chapter 2185

Thunder Pie!

Tong Haiyang was also going to attend the meeting, but before he left, he called Tong Youcai to his side!

At this time, Tong Youcai, after genetic modification, has greatly increased his strength, but in front of Tong Haiyang, Tong Youcai is trying his best to suppress his breath!

“Dad, what do you have to do with me?”

Tong Youcai asked.

“You are talented, the regeneration spring has stopped flowing, and have you heard about the changes in the Kunlun Mountains?”

Tong Haiyang asked.

“I heard that many people are saying that the ruins of the Narcissus Palace have appeared, and many people have already climbed the Kunlun Mountains!”

Tong Youcai said!

“Yes, this time the Kunlun Mountains changed, it is very likely that the ruins of the Narcissus Palace appeared, so I plan to ask you to take someone to investigate.”

“But the ruins of Narcissus Palace are very dangerous, are you confident?”

Tong Haiyang gently patted Tong Youcai’s shoulder.

When Tong Youcai heard this, he was stunned for a moment, and his face showed excitement: “Dad, you...you really let me explore the ruins of the Narcissus Palace?”

“Of course, if you don’t go, who else can go... “

Tong Haiyang nodded.

“Then...then will my brother agree?” Tong Youcai asked.

“Hmph, your brother is still thinking about Yasuo, he is more and more disappointing to me...”

Tong Haiyang snorted coldly.

When Tong Youcai heard this, he couldn’t mention how excited he was, and he said firmly, “Dad, don’t worry, I will definitely find the ruins of the Narcissus Palace. Even if it is a sea of swords and flames, I will go to it.

”, as expected of my son, Tong Haiyang, that’s how it should be!” Tong Haiyang patted Tong Youcai’s shoulder with satisfaction, and then continued, “Bring some more people, if those martial artists from outside the world want to compete with us for relics, Kill it directly...”

“Dad, can I take Uncle Wang with me?” Tong Youcai asked Tong Haiyang.

The reason why Tong Youcai wanted to take Wang Defa with him was because of Wang Defa’s high strength, and because Wang Defa was his biological father, he wanted Wang Defa to gain something from the ruins!

When Tong Haiyang heard this, a wicked look flashed in his eyes, but it was only fleeting, and then he said earnestly, “Your uncle Wang will stay at home, I will go out to the meeting, and you have to leave, our Tianlei faction is not in charge. Humans can’t do it!”

Tong Youcai heard it reasonable, so he nodded and said, “Dad is right, then let Uncle Wang stay at home...”

After Tong Youcai turned and left, he looked at Tong Youcai’s back, and Tong Haiyang’s Eyes full of cold!

At this time, in a wing of Tianlei School, Wang Defa was with Tong Youcai’s mother!

Now that Tong Youcai’s genetic modification has been completed, when are they plotting to kill Tong Haiyang and send the entire Tianlei under control!

“Mom, I’m going to the Kunlun Mountains, and I’m going to look for the ruins of the Narcissus Palace.”

Tong Youcai found his mother excitedly!

But seeing Wang Defa also present, Tong Youcai closed his mouth in embarrassment!

“Youcai, what’s going on? Why did you think of looking for the ruins?”

asked Tong Youcai’s mother.

“Mom, my dad asked me to go there. Now that the Kunlun Mountains are changing, it should be the ruins of the Narcissus Palace. My dad asked me to take people to explore the ruins.”

“There must be a lot of good things in the ruins of the Narcissus Palace, said Maybe this time of exploration will improve my strength a lot!”

“By that time, Tong Yougong will no longer be my opponent. I see how crazy he is!”

Tong Youcai explained excitedly!

“The ruins of the Narcissus Palace?” Wang Defa frowned slightly. “The ruins are extremely dangerous. How could Big Brother let you explore them?”

“Of course I know that the ruins are dangerous. My dad asked me to bring some more people there, so that I could experience it. Now .”

“What a great opportunity. That Tong Yougong wanted to go, but my dad wouldn’t let him go. Now my dad is very disappointed in Tong Yougong.”

Tong Youcai said happily.

Chapter 2186

Being appreciated by Tong Haiyang, and Tong Haiyang’s attitude towards him changed, Tong Youcai felt his importance!

However, Wang Defa felt a little uncomfortable at the moment!

“Defa, otherwise you go with Youcai. If there is danger, you can help him resist!”

Tong Youcai’s mother said to Wang Defa.

“No, my dad said, let Uncle Wang stay at home, we are all gone, who will Tianlei send to take care of it!” “I’m not a child anymore, and my genes have been modified, and my strength has improved now. A lot, what are you afraid of!”

“I won’t tell you, I will take the time to bring people...”

Tong Youcai finished speaking, happily brought people and headed towards the Kunlun Mountains!

At the same time, towards Kunlun David and Liu Rui were also rushed by the mountains!

At this moment above the Kunlun Mountains, hundreds of warriors have already gathered, and these people are searching for the ruins!

There were also many people who discovered the natural karst cave that appeared, but it was just a piece of darkness under the karst cave, and no one dared to go directly to the adventure!

Tong Youcai rushed to the Kunlun Mountains with a dozen people from the Tianlei faction!

Looking at the hundreds of warriors on the mountain, Tong Youcai jumped lightly and suspended in mid-air, followed by a loud shout, “This place has been set as a restricted area by my Tianlei faction. You, kill without mercy...”

Tong Youcai’s words instantly caused the anger of many warriors!

“What kind of gang is the Tianlei faction? Why is it so loud?”

“Look at this kid at such a young age, he talks too crazy...”

“How come I’ve never heard of the Tianlei faction?”

Many martial artists There was a lot of discussions, but seeing Tong Youcai's extraordinary strength, no one stood up!

At this moment, an old man stood up, exuding the breath of Martial Saint peak, this kind of strength is even a master of masters outside the hidden world! "What kind of Tianlei sect are you, why have I never heard of it? This Kunlun Mountains is a place where many warriors are trained. Anyone can come, so why is it a forbidden place for your Tianlei

sect?"

They all stood up and criticized Tong Youcai loudly!

"You little boy, do you dare to use your strength to fight against our entire martial arts world?"

"Don't think that you can hang in the air and feel that you are very powerful, just this ability, who can't!"

"I Look at what kind of Tianlei faction you are, hurry up, if you provoke public anger, let you die without a burial!"

Many warriors shouted, and they didn't take Tong Youcai seriously at all!

"Hmph, a bunch of ignorant ants..."

Tong Youcai snorted coldly, the aura of the martial god on his body burst out instantly, and for a moment, the aura like a roar of a gust of wind, rolled towards the old man and the surrounding warriors!

"Martial God, this is the Qi of the Martial God..."

"Such a young Martial God, so scary, so scary..."

Feeling the terrifying aura, everyone turned pale with fright!

The old man and the scolding warriors just didn't have time to react at all, and were instantly crushed to death by Tong Youcai's martial spirit...

Seeing this scene, the remaining warriors seemed to see the devil In general, turn around and run down the mountain!

They are all scrambling for the first, for fear that they will be crushed by the terrifying spirit of the Martial God!

"Hahaha, hahaha..."

Looking at the warriors fleeing frantically, Tong Youcai laughed, with endless excitement in his laughter!

“Third elders, you take people all the way from the bottom of the mountain to set up cards, and no one is allowed to go up the mountain.”

“The ruins of the Narcissus Palace are sent by us from Tianlei!”

Tong Youcai ordered to an old man.

“According to the order...” The

third elder took the order and led people to set up cards from the bottom of the mountain!

Tong Youcai took the rest of the people and went straight to the cave that suddenly appeared!

Chapter 2187

About an hour later, David and Liu Rui also arrived at the foot of the Kunlun Mountains!

At this time, many warriors are gathering not far from the foot of the mountain, all with panic on their faces!

Seeing the panic of many warriors, David was a little surprised. He didn't understand what happened here to make these warriors look like this!

“Mr. Chen...”

At this moment, someone suddenly called David!

David was stunned for a moment, and soon found a young man walking towards him with quick steps!

David took a closer look and recognized it immediately. It turned out that the person who came was Jiang Wei from the Jiang family in the northwest. You must know that behind the Jiang family in the northwest was the Tianluo Tower in the secret realm.

“Brother Jiang, why did you come here?”

David asked in surprise.

You must know that the northwest is thousands of kilometers away from here. It is obviously unreasonable for Jiang Wei to come here. Even if there is a change in the Kunlun Mountains, it is impossible for their Jiang family to receive news!

Jiang Wei looked at David and sighed lightly, “Hey, Mr. Chen doesn't know anything, since Penglai Island's spiritual qi recovery failed, the days of our secret realm endorsement families have been miserable.

” It's our time, so we abandoned us!”

“In the past, we relied on the resources of the Secret Realm family, but now we don't have human resources, so we can only look for resources everywhere!

” The scenery...”

Along with Jiang Wei’s lament, Hong Qianjiu from the Hong family in East China, Qiao Zhiyong from the Qiao family in the northeast, and Zhu Hao from the Zhu family in the southwest also came over!

They all followed David to say hello. In the past, they all looked down on David, especially that Zhu Hao, but since Penglai Island, who would dare to disobey David!

David also felt a little bit when he looked at these young masters who used to be magnificent!

As the so-called cunning rabbit died and the dog cooked, the spiritual energy recovery failed, and these families were useless and became abandoned sons!

“Mr. Chen, are these your friends?”

Liu Rui looked at Jiang Wei and the others in surprise and asked David.

Because in Liu Rui’s eyes, Jiang Wei and others are not strong, how could they become David’s friends!

“That’s right...” David nodded!

Liu Rui rolled her eyes and said nothing.

“Mr. Chen, did you come here because of the changes in the Kunlun Mountains, and you want to find the ruins?”

Hong Qianjiu asked.

David nodded, “That’s right...”

“Mr. Chen, you’re late, this place has been occupied, and we were driven down the mountain.”

Jiang Wei said helplessly.

“Occupied? Who is so domineering?” David was a little surprised!

With so many warriors, which family can have such arrogant strength!

“It seems to be a Tianlei faction, but the other party is a Martial God. He didn’t make a move just now. He just used the spirit of the Martial Saint to crush a lot of people to death!

” With fear!

“Tianlei faction?” David frowned slightly!

“Lei Pai is so courageous that he dares to monopolize the ruins of the Narcissus Palace by himself. It’s shameless!”

Liu Rui said angrily after hearing this!

“There’s no way, who would let someone have a martial arts master? In the martial arts world, if that sect family has a martial arts master, that’s the uncle!”

Jiang Wei said with a sigh.

“Hmph, what is a martial arts master, it seems that other sects don’t have martial arts...”

Liu Rui snorted coldly, because in the three sects and six sects in the hidden world, there are martial gods, and many disciples are martial gods!

Even in the alchemy sect, which focuses on alchemy, there are many martial gods!

Seeing Liu Rui say this, Jiang Wei and the others all looked at Liu Rui.

“Mr. Chen, is this young lady your friend? It sounds like she is also a god of war...”

Jiang Wei asked David.

Chapter 2188

David nodded and said with a slight smile, “Yes, she is indeed a Martial God.”

As soon as these words came out, Jiang Wei was instantly stunned, his mouth was round, and he looked at Liu Rui in disbelief!

Obviously they don’t quite believe that Liu Rui is a little girl, how could she be the god of war!

Liu Rui also saw that a few people didn’t believe it, so the spirit of the god of war came out a little, and Jiang Wei and the others felt terrifying pressure in an instant!

This time, several people had to believe it, and looked at Liu Rui in shock!

“Mr. Chen, you... what state are you in now?”

Jiang Wei asked David.

“Eighth-Rank Martial Saint Realm...” David said lightly.

When they heard that David had reached the realm of the eighth-rank Martial Saint, the faces of several people were even more shocked.

Know that they separated from Penglai Island At that time, David was nothing but the Marquis of Great Wu!

Now that he is in the realm of the eighth-rank Martial Saint, if you add time, you can also break through to the Martial God!

However, David, the eighth-rank Martial Saint, has no problem even dealing with the fifth-rank Martial God!

“Now that Mr. Chen is here, we are still afraid of what the Tianlei faction will do.”

“A Martial God, an eighth-rank Martial Saint, who else in the martial arts world dares to refuse.”

Zhu Hao said excitedly!

Because when he was on Penglai Island, Zhu Hao was always angry with David, so after seeing David, the master lowered his head and dared not speak!

Now that David is already an eighth-rank Martial Saint, and the woman he brings with him is a Martial God, this kind of strength can be said to have gone sideways!

“Zhu Hao, I remember that you always wanted to follow Mr. Chen’s gestures twice.”

Jiang Wei looked at Zhu Hao and said playfully.

Zhu Hao blushed and said embarrassedly, “That’s my ignorance. Now Mr. Chen’s fart can kill me!”

“Hehehe...” When

Liu Rui heard this, she was amused and laughed. stand up!

“Don’t be careless, the martial arts world is not what you see, there are many masters in the martial arts world, and the martial arts may not be anything.”

“You will follow me up the mountain in a while, don’t act without authorization...”

David said Jiang Wei and several others warned!

“Mr. Chen, don’t worry, we will do what you say, nothing else...”

Jiang Wei nodded heavily!

Soon, David took Jiang Wei and others towards the Kunlun Mountains!

Seeing this, many other warriors even followed behind. After all, there must be treasures in such a big change in the Kunlun Mountains. In the face of interests, many people will take risks!

Slowly, David and the others even followed behind hundreds of warriors, heading towards the Kunlun Mountains together!

At this moment, several Tianlei Sect disciples at the foot of the mountain were chatting while leaning on the big tree!

Seeing that the warriors who had been driven away came back one after another, several Tianlei Sect disciples were instantly furious!

“So bold, don’t you understand what our second young master said?”

“I drove you away, but you dare to come back, do you want to die?”

A Tianlei disciple stepped forward and stopped David and the others. , very arrogantly cursed!

For these martial artists, the disciples of the Tianlei School did not pay attention to them at all, they were like ants!

“This Kunlun Mountain doesn’t belong to your family. I don’t want to go up the mountain, right?”

David asked lightly.

“No, our Tianlei faction has now sealed this place, and it has become a forbidden area, so you can’t go in!” The

Thunder faction disciple said arrogantly that day.

“What if I have to go in?” David asked.

“That’s courting death...” With that

said, the disciples of the Tianlei School actually exuded the aura of a half-step Martial God!

Feeling this breath, Jiang Wei and the others’ faces instantly turned ugly. An ordinary disciple of his family was actually many times stronger than them!

“When did your Tianlei faction become so arrogant, you didn’t take other sects seriously!”

After Liu Rui finished speaking, he stepped forward and kicked the disciples of the Thunder faction that day!

Chapter 2189

“Okay...”

Jiang Wei and the others began to applaud when they saw this.

Just now, they were bullied by the Thunder faction that day and could not resist, and now they are happy to see the disciples of the Thunder faction being beaten!

And that day, the disciple of the Thunder Sect got up with a dignified expression, glared at Liu Rui and said, “Who are you? Do you know the fate of offending our Tianlei Sect?”

” The appearance of bullying.”

“What...”

Liu Rui bullied him, and once again shot at the disciples of the Lei faction that day!

David also saw that the Tianlei faction was unhappy, and one rushed forward, David and Liu Rui, instantly beat those Tianlei faction disciples without the ability to fight back!

“Brother Jiang, with such an opportunity, we should also take revenge...”

Hong Qianjiu said and rushed forward!

This time, hundreds of warriors swarmed up and directly beat up several disciples of the Lei faction that day, crying and calling their mothers!

Jiang Wei and Hong Qianjiu were all very excited when they saw that several disciples of the Tianlei faction were beaten away!

“I see, as long as we follow Mr. Chen, no one can bully us...”

Jiang Wei said loudly to the many warriors.

Many martial artists have also heard of David’s name. After all, David’s reputation is also well-known in the martial arts world.

“Let’s go...”

After David finished speaking, he took the lead and walked towards the mountain!

After walking for a while, there was a strong smell of blood, and then I saw mutilated corpses that were crushed everywhere on the ground!

“Mr. Chen, these people were all killed by the people from the Lei faction that day, and they were directly crushed to death with the Qi of the Martial God!”

Jiang Wei stepped forward and said to David.

Looking at the corpses on the ground, David frowned.

In the face of absolute strength, human beings are even more insignificant than ants, and just their momentum alone has crushed so many people to death!

“Third elders, that’s them...”

At this time, the disciples of the Tianlei faction who had just been kicked back came back, and they brought the elders of the Tianlei faction with them!

Seeing this, the third elder of the Tianlei sect was angry, "Liu Rui, you are a member of the Pure Yang Sect, but you are attacking my disciples of the Tianlei sect, aren't you afraid of causing a war between the two factions?" The

third elder knew Liu Rui, but for other people, do not know!

"This Kunlun Mountains doesn't belong to anyone, but your Tianlei faction is banned. Does this mean that you don't care about our other sects?"

Liu Rui asked.

"Hmph, what can you do if you don't take you guys seriously, just relying on your Pure Yang Sect, do you dare to be my enemy of the Tianlei faction?"

"Besides, you bring these ants up the mountain, they don't deserve to stay on the mountain at all! "The

third elder snorted coldly, in his eyes, except for the sects of the hidden world, other people in the martial arts world are like ants.

The words of the three elders deeply stimulated those warriors, and they were all angry, but although they were angry, they did not dare to say anything more!

After all, the strength is here, and their strength is really inferior to ants in the eyes of others!

"They are ants, so what are you? In my eyes, you are not even as good as ants."

David looked at the third elder and said coldly.

"What are you talking about, stinky boy?" The

third elder's expression turned cold, and then the aura of the Martial God burst out in an instant. This aura made many warriors feel the pressure one after another, and they stood unsteadily, and the blood in their chests was tumbling!

Seeing this, Liu Rui also burst out the breath of her body, resisting the pressure of the three elders, so as to give some barriers to the warriors behind him!

It's just that Liu Rui's strength is obviously inferior to those of the three elders. Although she is trying hard to resist, the aura of the Martial God is still pressing on everyone's heads, making everyone feel a little uncomfortable.

Chapter 2190

"Hmph, you are only a second-rank Martial God, you dare to fight against me, and you don't even see if you are qualified or not."

Seeing that Liu Rui was resisting him, the third elder could not help but snorted coldly!

"He's not qualified, what about me?"

After David finished speaking, his aura also burst out!

“Haha, you are just a martial sage, and you dare to speak up in front of me.” The

third elder laughed, but soon he felt that his breath was being resisted, and he couldn't help but look at Chen. Ping, followed by a low drink, the breath suddenly increased!

The strong coercion instantly caused many warriors to fall to the ground!

“Fourth-Rank Martial God, it's really good...”

David said with a faint smile!

“Since you know the strength of the old man, then you should know the fate of offending the old man.” The

third elder said contemptuously.

“The fourth-rank Martial God is really good, but in my eyes, it's just garbage.”

David sneered!

“Bah, you sharp-toothed boy, you are a little martial sage, how dare you look down on me like that.”

“I'm going to crush you all into flesh today, so that you know the power of the fourth-rank Martial God. The

three elders shouted, the breath on the body was fully opened, and the terrifying coercion made the world change color!

Seeing this, many warriors all turned pale with fright. It was obvious that the breath of these three elders was obviously higher than that of Liu Rui and David!

David is only an eighth-rank Martial Saint, how can he face a fourth-rank Martial God?

At this time, some warriors began to regret following up the mountain, and they began to retreat step by step!

“Is the fourth-rank Martial God this powerful?” David sneered, and suddenly the golden light erupted on his body, and a wave of terrifying coercion instantly rushed towards the three elders and others!

The three elders and the disciples of the Tianlei School were shocked. They never thought that the aura of this young man who only had the strength of the Martial Saint was even more terrifying than the aura of the fourth-rank Martial God!

“Now you should know that you are a piece of garbage, right?” With

that said, David's body abruptly stood up and went straight to the three elders!

All the warriors only felt their bodies loosen, and then all looked at David in horror, their eyes full of incredible!

A Martial Saint, the breath that burst out, directly resisted the Qi of the Martial God, and even took the initiative to attack the Martial God!

"Mr. Chen, he is really a god. The realm of the eighth-rank Martial Saint has such strength."

Jiang Wei said incredulously.

And that Hong Qianjiu, Zhu Hao, Qiao Zhiyong and others were also shocked, and they admired David even more!

Seeing that David dared to take the initiative to attack him, the third elder shouted in a low voice and said with both hands, "Come hammer..."

Soon, the two Tianlei Sect disciples directly threw two copper hammers, and the copper hammers were in the air. It instantly became bigger and fell directly into the hands of the third elder!

The two copper hammers spun in the hands of the third elders, and when they touched them lightly, they made a burst of noises, causing everyone to cover their ears, and their faces changed greatly!

David slammed it out with a punch, and the golden light flickered on the fist!

"Hmph, little Wusheng, who dares to fight with his bare hands is simply courting death." The

third elder snorted coldly, and the two hammers directly greeted him and slammed it down at David, as if he was going to smash David into flesh. !

Dang.....

David's fist slammed together with the copper hammer, making a harsh metal collision sound, and the fire radiated everywhere.

The face of the third elder changed, he did not expect David's fist to be so hard, he even followed the copper hammer in his hand to hit it hard!

The huge power made the third elder's wrist start to go numb, and the entire arm seemed to have lost its strength!

Looking at David with a calm expression, he stood quietly in front of the third elder with a bit of disdain on his face!

Chapter 2191

This time, many warriors were shocked. I didn't expect David to follow the opponent's copper hammer directly with his bare hands, and looking at David, it seemed that nothing happened!

The third elder gritted his teeth, he couldn't let people see that his arm was injured, otherwise it would be too embarrassing!

"Boy, I didn't expect you to have some skills. I only used three successes, and you were taken over..."
The

three elders said, trying to save face for himself!

"You just used 30% of your power?" David pretended to be full of surprise and said, "I just used 10%, but now I'll use 30%, it depends on how much you use."

After that, David deceived again. In front of him, there are no gorgeous moves, just a ferocious punch, smashing towards the three elders!

Feeling the terrifying wind coming from the front, the third elder's complexion has already changed. of panic!

He was just bragging just now, but now David's punch seems to be more ferocious than the punch just now!

"Shake the sky and the earth..." The

three elders were full of energy, and after shouting loudly, the two hammers touched, and then they went up together!

Boom.....

With a loud noise, everyone saw a burst of dust flying, and all the surrounding rocks were cracked.

When the smoke and dust slowly dissipated, everyone almost dropped their jaws!

I saw that the three elders were all overwhelmed, and the copper hammer held in both hands had only one handle still in his hand, and the two copper hammers were all shattered and scattered on the ground!

The third elder was stunned, looking at the copper hammer in his hand, his eyes almost fell out of shock!

"Hmph, even with this little ability, I dare to speak up."

David snorted coldly, and kicked the three elders out with a kick!

The body of the three elders flew out instantly, and a mouthful of blood drew an arc in the air!

The other Tianlei Sect disciples were also stunned, staring at David in a daze, not daring to move!

David walked towards the three elders step by step. When the third elder saw David walking towards him, he said in horror, "You, what are you doing?"

David stepped forward and stepped on the chest of the three elders. He asked in a cold voice, "Who killed those warriors from your Tianlei faction?" The

third elder glanced at the mutilated corpses of the warriors on the ground, his eyes dodged, and he didn't know how to answer!

He can't give Tong Youcai directly, after all, Tong Youcai is the second young master of the Tianlei faction!

Seeing the third elder's eyes dodging, David's feet suddenly exerted force, and the third elder's chest collapsed instantly!

Blood poured out of his mouth instantly, and the expression of the third elder became very painful!

"I...I said, I said..."

"It was our second young master, these people were killed by the second young master." The

third elder was frightened and could only speak.

"Tong Youcai?" David looked a little surprised. After all, Tong Youcai's strength is not high, and he was sent to the Kunlun Mountains to find the ruins of the Narcissus Palace. Logically speaking, Tong Youcai should be sent here. After all, the ruins of the Narcissus Palace should be sent to him. So dangerous, it will kill people.

"Where is Tong Youcai?"

David asked coldly.

"Second Young Master has entered the cave, and the ruins of the Narcissus Palace may be in the cave." The

third elder did not dare to hide anything, and said truthfully.

"I told you, please don't kill me, don't kill me..." The

third elder begged to David.

And many warriors saw the appearance of the three elders praying, and they couldn't help but contempt for a while. It seems that the god of war is also a human being, and there is no difference.

The so-called one by one blowing the gods of war into gods is all nonsense!

"I don't kill you, aren't those warriors dead in vain?"

David's eyes flashed coldly, and he stepped on it!

The three elders spurted out a mouthful of blood, and the breath of life quickly declined, and finally disappeared!

When the rest of the Tianlei Sect disciples saw this, they were so frightened that they almost didn't wet their pants, they turned around and ran away!

Chapter 2192

When David saw this, he grabbed it with his hand, and the Dragon Slaying Sword appeared, and then the figure shuttled out like lightning!

Everyone only heard a few screams, and the disciples of the Tianlei faction who escaped have all died tragically under the sword of David!

When David came back, blood was still dripping from the Dragon Slaying Sword!

This is when many warriors look at David, their eyes are full of awe, in front of David, they dare not take a breath!

Liu Rui frowned slightly, "Mr. Chen, you shouldn't be impulsive and kill all these Tianlei people."

"They deserve to die, don't kill them, do they all deserve to die?"

David Leng said coldly.

Liu Rui is no longer talking, but in the eyes of these hidden world warriors, those warriors outside the world are indeed like ants. not worth!

"Let's go..."

David put away the Dragon Slaying Sword, and then continued to go up the mountain. No one was stopping them this time!

The reason why David killed all these people was to prevent these people from the Tianlei faction from taking revenge on many warriors!

It is impossible for David to take these warriors all the time, and it is impossible to bring them all into the ruins in public. You must know that the ruins are very dangerous in public!

If these disciples of the Tianlei faction suddenly attacked when they were separated, then these warriors who went up the mountain could only become lambs to be slaughtered.

Soon, David and the others found the cave that suddenly appeared. They saw that the cave was so huge that nothing could be seen in the darkness!

However, the cold air kept coming out from the cave, and it was accompanied by a lot of spiritual energy!

“Brother Jiang, don’t go into the cave. I don’t know what’s going on inside. If your strength goes down, I’m afraid it will be dangerous.”

“If there are relics that appear, you may be able to find other resources by looking around here. !”

David said to Jiang Wei and others.

After all, Jiang Wei and the others are too weak. If they were to go into the cave, they would probably be thrown to their death. From above, they had no idea how deep the cave was!

“Well, Mr. Chen, be careful too!”

Jiang Wei nodded, they also have self-knowledge, knowing their strength, they can’t get into the hole at all!

David brought Liu Rui and jumped down without hesitation.

No matter how deep the cave is, it doesn’t matter to David and the others. Now they can fly with air, so it’s impossible to fall to death!

With the wind whistling in their ears, David and Liu Rui were descending rapidly!

It was pitch black in front of them, and when they regained their sight, they found that they had reached an open space.

David looked up and found that he could not see the entrance of the hole at all. At this time, they seemed to have come to another world!

“Is this a secret realm?”

David couldn’t help but be a little surprised. Many secret realms were created by tearing apart the space.

But this secret realm is actually in the mountains, but David is not sure, he can only explore slowly!

David could only pick a random direction, and take Liu Rui to slowly walk forward!

Soon a large forest appeared in front of the two of them, and the trees were so lush that they could not see the end!

“Mr. Chen, this... is this inside the Kunlun Mountains? Is there a world inside the Kunlun Mountains?”

Looking at the large forest, Liu Rui asked in surprise.

“I don’t know, but even if there is another world inside the mountain range, it is not unusual!”

What happened now is not unusual to David.

David took Liu Rui into the forest, and soon David frowned.

And Liu Rui's face became red, and her expression was a little unnatural!

“There is poisonous fog here, be careful...”

David took out a detoxification pill from his body and let Liu Rui eat it!

David himself is invulnerable to all poisons, so this poisonous mist has no effect on him at all!
