

A Man Like None Other Chapter 2193-2210

Chapter 2193

“Roar!”

At this moment, bursts of beasts roared, followed by screams!

When David and Liu Rui heard it, they hurried to the place where the voice came from!

But when they arrived, they found several warrior corpses lying on the ground!

These warriors are not from the Tianlei faction. They should be from a certain family. They may have sneaked in when the Tianlei faction was blocked and the mountains were locked!

But the strength of these people is too low, and they can only find their own way to go down into this cave without authorization!

Looking at the beasts, David pulled out the Dragon Slaying Sword and followed Liu Rui to attack!

You must know that these beasts are also resources, and soon a few bright beast pills were taken into their pockets by David!

However, there are still beasts in the Kunlun Mountains. It was unexpected by David!

Don't know what to find next!

At this moment, deep in the forest, a clearing!

Several people in strange costumes gathered together, and beside these people, there were also the corpses of several beasts!

The clothes on these people are embroidered with flame patterns, and the breath on their bodies is also a bit weird!

It is obvious at a glance that these people are evil cultivators!

“The sect leader is not here, we have to guard here. If we can take the ruins of the Narcissus Palace as our own, then we will no longer be afraid of the three sects and six sects!”

An old man said with a gloomy expression.

“Great Protector, can you really be sure that this is the ruins of the Narcissus Palace?”

“It is impossible for other sects not to send people for such a big change.”

Another person asked.

“Don’t worry, we are the closest to here. When people from other sects arrive, we have found the ruins of the Narcissus Palace, and we have it for ourselves!”

“This time the leader went to the Medicine Refinement Sect and failed to obtain resources, so we can only rely on Burning Heaven Sect. It ‘s my own.” The

Great Protector said.

“But when the leader is leaving, we must be careful and wait for him to come back.”

Another person said.

“Don’t come again when you can’t miss the opportunity. If you wait for the leader to come back, maybe the ruins of Narcissus Palace have already been looted by others!”

“Now we have set up formations everywhere, as long as someone comes in, they can be trapped for a while until we find them. The ruins of the Narcissus Palace, I believe the sect master will definitely reward us.”

“At that time, we will no longer have to live in hiding on this mountain!” The

Great Protector’s eyes flashed with light, and his face was full of confidence!

“We all follow the arrangements of the Great Protector!”

Several people nodded.

“Okay, then let’s continue to set off now.” The

Great Protector waved his hand, and several people disappeared in the depths of the forest in an instant!

Just after the people from Burning Tianzong left, where they were resting, a green mist began to fill the forest!

There are many places in the whole forest like this place with green mist!

At this moment, David followed Liu Rui continuously towards the depths of the forest!

David’s consciousness spreads. In this kind of place, David can only rely on his consciousness to identify the direction!

However, David and Liu Rui feel that they have walked for a long time, but it seems that they have not moved the place!

Because all the places we walked were trees, and now there are still trees on both sides, and there is no change!

“Mr. Chen, do you think we will stay where we are? Why do I feel like we are still in the same position after walking for a long time.”

“And now I can’t even hear a sound, and there are no beasts.”

Liu Rui faced with some fear David asked.

David frowned slightly, then shook his head, “Impossible, although the trees on both sides are the same, haven’t you noticed that the poisonous fog around you is getting thicker and thicker? And it started to turn from black to green...”

David said so As soon as he said it, Liu Rui realized that, at some point, the surrounding fog had slowly turned green.

Chapter 2194

However, when Liu Rui took Jiedu Dan, the poisonous mist had no effect on her, so Liu Rui didn’t pay too much attention along the way!

David closed his eyes slightly, and then suddenly took a breath, sucking the poisonous mist into his body!

Immediately afterwards, David’s brows furrowed.

“Mr. Chen, what’s the matter? What’s the difference between this poisonous mist?”

Liu Rui hurriedly asked.

“The poisonous fog at the beginning was naturally formed, and these poisonous fogs are artificially created.”

“It seems that we have entered someone else’s formation, no wonder we have been unable to get out!”

David It was only at this time that they discovered that they had entered the formation by mistake!

The reason why David didn’t find out at first was because he was careless.

And this formation is definitely not something that ordinary sects can set up. It must be a master of magic, and with this green poisonous mist, the opponent may be an evil cultivator!

“Mr. Chen, someone set up a formation here, could it be that Tong Youcai?”

“After all, they came in before us, so they should be right in front of us!”

Liu Rui asked.

David shook his head again, “This shouldn’t be set by Tong Youcai. He doesn’t have the ability. There must be other people besides the Tianlei faction. Now we have to be careful!”

David reminded Liu Rui After all, it is very dangerous for a group of unknown people to suddenly appear here!

Because they don't know whether the other party is an enemy or a friend, and the other party is still in the dark, they are in the light!

"Then what should we do? Can you break this formation?"

Although Liu Rui is a god of war, he doesn't know anything about this formation!

"For me, this kind of small magic circle breaks with just a wave of my hand!"

David said confidently.

David's eyes really couldn't be caught by such a small formation. If he hadn't been careless at the beginning, David wouldn't have been trapped in this formation!

At the same time, the people from Fen Tian Sect who had already left suddenly stopped!

"Great Protector, what's wrong?"

Someone asked the Great Protector.

"Someone broke into our formation, black and white are impermanent, you two go and see, if you can catch people, you can use them to exchange resources!"

"If they resist, kill them, no matter whether they are Who, do you understand?" The

Great Protector said to the guy with two skin colors: one white and one black.

"Don't worry, the guardian, our brothers promise to complete the task..."

After speaking, the black and white impermanent figure instantly disappeared into the thick fog!

At this time, David was flipping his hands, and the huge suction force caused the poisonous mist around him to be sucked by David!

And with the golden light, the surrounding space appeared a wave of water-like fluctuations!

But at this moment, David frowned and shouted, "Who is sneaking, get out..."

Accompanied by David's angry shout, the voice came out far away with rolling spiritual power!

"I didn't expect that there are experts in the hidden world who can break our formation so quickly..."

With a loud voice, a black and white impermanent figure appeared!

Both are wearing weird outfits and have a big flame pattern on their chests!

It's just that the skin color of the two people is very special!

One was pale, as if he had vitiligo.

And the other one with a dark complexion, who I don't know, thought it was a kind of fu**ing borrowed from abroad!

This contrast makes it very funny for the two of them to stand together, but both of them exude the breath of a fourth-rank Martial God. With such strength, I am afraid that no one dares to laugh at them!

"Fen Tianjiao? You are actually members of the Burning Tianjiao?"

After seeing these two people appear, Liu Rui's face clearly showed a trace of panic!

Chapter 2195

Black and White Impermanence was stunned for a moment, looked at Liu Rui and said, "I didn't expect that you little girl would still know about my Fentian Sect .

"

Impermanence looked at Liu Rui, with a greedy lust in his eyes!

"Miss Liu, what is Burning Heaven Sect?" David asked.

He doesn't understand, isn't this hidden world only three sects and six sects?

When will another Burning Heaven Sect appear, and looking at the strength of these two people, the overall strength of this Burning Heaven Sect must be very good!

"Mr. Chen, this Burning Heaven Sect is an evil cultivator. The remnant soul planted in my master's body belongs to this Burning Heaven Sect leader, Yao Qing.

"Leaving a remnant of the soul, which makes the The Refining Medicine Sect extorts a lot of resources from our Pure Yang Sect every year. "

Liu Rui explained in detail with David.

"Is it him?" "David remembered the remnant soul. At that time, the remnant soul was very powerful!

If the main body exists, the strength is even more unimaginable!

"It seems that in this hidden world, there are too many old things with abnormal strength. Now ..."

David couldn't help but sighed!

"It turns out to be the little girls of the Pure Yang Sect, just so we caught you, and let that old man Yue Buqun use resources to redeem people. Hei Wuchang heard that it belonged to the

Pure Yang Sect, and immediately said confidently!

Because the Pure Yang Sect has the worst overall strength among the three sects and six sects, except the Refining Medicine Sect, the Pure Yang Sect has the worst overall strength. Don't worry if Zong does it!

"Old Hei, you will deal with the boy who only has Wu Sheng in a while, this little girl will deal with me, I will have a good time. "

I haven't touched a woman for many years. I want to enjoy it today..."

Bai Wuchang stared at Liu Rui, eager to swallow Liu Rui!

David is just a martial arts saint, plus Liu Rui is a second-rank Martial God, so Black and White Impermanence can be certain, and David and the others are settled!

"You... shameless, beast..."

Liu Rui's face suddenly turned red when she saw Bai Wuchang's foul language. Very embarrassing!

"Hahaha, seeing this little girl angry, why am I getting more and more excited? "

Bai Wuchang burst out laughing!

Hei Wuchang said to David, "Boy, leave your valuables behind, just get out of here, you don't look like a person from the hidden world, so I'll be big." Have mercy and spare your life! "

"Aren't you going to kill me?" "David pretended to be surprised.

"Yes, you get out now, I don't have to kill you, you can just get in the way here, we two want to be together, hehe..." Hei

Wuchang said with a wicked smile!

"Hey, it's a pity you don't kill me, but I want to kill you..."

David sneered!

Hei Wuchang was stunned for a moment, he didn't expect David, a little martial sage, to dare to say such a thing!

"Boy, don't you know who you are talking to?"

Hei Wuchang's eyes narrowed slightly.

To know that a little Martial Saint, after encountering the Martial God, he can only kneel down and beg for mercy, how can he dare to speak out?

"I really don't know who I'm talking to. You look like a bastard. Did your mother go to Africa when she gave birth to you?"

David asked.

Pfft...

At this time of nervousness, David's words instantly made Liu Rui laugh out loud!

However, the black impermanence was directly furious, and he directly pulled out a dark soul stick.

"Boy, today I'm going to smash your corpse into ten thousand pieces, and send your soul into the eighteen layers of hell. You can't be reincarnated forever!

"

At this moment, Bai Wuchang also instantly pulled out a whole body of pure white soul-inducing stick, which exuded bursts of cold air!

Chapter 2196

Liu Rui stopped her laughter, looked at each other vigilantly, and her aura was all mobilized!

However, her second-rank Martial God, I am afraid it is difficult to pass five moves in the opponent's hands!

After all, Liu Rui doesn't have the leapfrog ability of David!

The higher the realm, the difference between each small realm is a world of difference.

What's more, this black and white impermanence is a fourth-rank Martial God, and Liu Rui has no chance of winning!

"Miss Liu, take a rest and see how I suck up these two guys..."

David smiled slightly, and then the breath on his body erupted!

Liu Rui nodded, then took a few steps back, planning to watch David deal with this black and white impermanence alone!

"Hmph, are you crazy, you just a little Wusheng dares to deal with the two of us, and I will kill you alone..."

Hei Wuchang snorted coldly, and walked towards David in an instant!

David's humiliation just now made him angry. No, if he didn't kill David, he couldn't take this breath.

In the blink of an eye, Hei Wuchang had already arrived in front of David, and the spirit stick in his hand was raised high and smashed hard. Go down! Go down

with this stick, no matter what it is, it will be smashed to pieces!

David smiled coldly, turned his body slightly, and avoided it directly!

Immediately after that, his body emitted golden light, which was not damaged. Wrapped around the body, like a golden armored god of war!

Seeing the indestructible golden body that suddenly appeared on David's body, the black and white impermanence was stunned!

"No wonder you are so mad, so you still hide the treasure armor, but even if you are Bronze head and iron arm, this old man smashed you into flesh today too!

Hei Wuchang roared! Chen

Ping did not speak, the golden light burst out, and then a holy light fist smashed out towards Hei Wuchang! The

bright golden light instantly illuminated a large forest!

After a slight change, he hurriedly blocked it with the soul-inducing stick.

Dang.....

a deafening sound, a huge force spread around, and all the thick trees around were uprooted by the force!

And the black impermanence only felt himself His arm was numb, and his body kept retreating back!

"What a terrifying power, how could this be radiated by a small Martial Saint? "

Hei Wuchang looked at David in disbelief!

"Old Hei, be careful, this kid is pretending to be a pig and eating a tiger. His strength can never be in the realm of a small Martial Saint..."

Bai Wuchang on the side reminded Hei Wuchang!

Hei Wuchang nodded, and his body jumped up!

When he was still in the air, Hei Wuchang suddenly swung a stick, and saw endless black mist emitting from the spirit stick, and then turned into a ghost, lashing out at David!

David looked at the ghosts that turned into black mist in front of him, the corners of his mouth raised slightly, and he laughed!

Seeing David actually smiling, Hei Wuchang was stunned for a moment, it felt very strange!

But before he could react, he saw David's anger sinking into his dantian, and he suddenly opened his mouth, a huge suction force, like a whirlwind, engulfed those ghosts!

Slowly the strong wind subsided, David touched his stomach, and suddenly hiccupped!

And that Hei Wuchang looked at David in surprise, his eyes were full of incredible!

"You... your kid can actually do sorcery? Could it be that you are also a sorcerer?" Hei

Wuchang asked in surprise.

"Bah, I don't see any sorcery, but my practice method is just enough to restrain you!"

David snorted, and then kicked his foot, and the whole person rushed towards Hei Wuchang like an arrow from the string. !

Seeing David rushing over, this time the black and impermanent face was no longer so relaxed, his pupils shrank suddenly, and the breath on his body erupted.

Chapter 2197

"Holy Light Fist..."

This time, on David's fist, the golden light was as dazzling as the sun, and the dazzling light made everyone almost unable to open their eyes!

Endless spiritual power gathered together and moved towards the black and impermanent chest!

Hei Wuchang's complexion changed, and he hurriedly blocked it again with the spirit stick!

But David's speed did not decrease, and he smashed it with one punch!

Boom.....

A deafening bang, the whole earth is shaking!

Even Jiang Wei and the others above the mountains felt the changes in the mountains!

Hei Wuchang's eyes were full of horror, only to see that his spirit stick was broken instantly under David's punch, and David's strength continued to smash on Hei Wuchang's chest!

Hei Wuchang's body was like a piece of paper, it flew up in an instant, dozens of trees were knocked down violently, and then fell to the ground!

Hei Wuchang's mouth continued to spurt blood, and his face was full of horror!

“How is that possible, you... What realm are you?”

Hei Wuchang never thought that David, who he didn't care about at all, would have such strength!

“Old Hei, are you alright?”

Bai Wuchang was also surprised, he stepped forward to help Hei Wuchang up, and gave him a pill by the way!

After Hei Wuchang took the medicine pill, the breath in his body began to recover quickly!

“It's okay, we can't die yet, it looks like our brothers are going to join forces!”

Hei Wuchang felt that he was dealing with David at first, and he didn't need the two of them to fight together. Pump to death!

But I didn't want to be directly slapped by David, and I was injured!

“Okay, this kid is quite hidden, but when did such a young master appear again in the hidden world, so I haven't heard of it?”

Bai Wuchang looked at David, his eyes full of doubts!

In the martial arts world outside the world, there are no masters at all, and in the three sects and six sects in the hidden world, they don't remember a young master like David!

“Whether he is outside or inside, he must die, or the reputation of our brothers will be ruined...” Hei Wuchang gritted his

teeth, his eyes full of anger.

“Even if the two of you go together, the result is still the same, so I still advise you not to struggle fearlessly.”

David said with a cold smile.

“Arrogant...” Hei Wuchang snorted coldly, the breath on his body has recovered!

“Old Hei, let's kill him together!”

Bai Wuchang's breath exploded, and his eyes narrowed!

Immediately, the two jumped up in an instant, and then left and left towards David!

The two fourth-rank Martial Gods attacked David together, but David did not move, and the undamaged golden body on his body played to the extreme.

Soon, behind David, a golden dragon began to flash out, and the huge golden dragon circled behind David!

At this moment, David's skin is also shining with light, and the powerful body is combined with the indestructible golden body. David's current body is already extremely hard!

"All Souls Return to the Sect..."

Bai Wuchang waved the ghost stick in Bai Wuchang's hand, and countless black qi turned into ghosts and charged towards David!

And the black impermanence is the flames rising from the palm of the hand, and the flames are surrounded by black mist!

The two arrived in front of David at almost the same time, and David waved his palm out and directly followed the black impermanence!

Bang.....

Black Impermanence's body was instantly knocked out.

At the same time, the soul-inducing stick in Bai Wuchang's hand smashed on David's body fiercely, and fires splashed one after another. Many golden scales on David's body were smashed and turned into nothingness!

The glowing skin was exposed, but David was not harmed at all!

On the contrary, Bai Wuchang only felt his wrist go numb, and the spirit stick in his hand almost came out of his hand!

Chapter 2198

David looked at Bai Wuchang coldly, stretched out his hand, grabbed Bai Wuchang's spirit stick, and then held it in his hand, his hands suddenly forced, and directly broke Bai Wuchang's spirit stick!

Then he kicked it out, directly hitting Bai Wuchang's chest and kicking Bai Wuchang away!

Black and white impermanence both fell to the ground and looked at David in disbelief!

The two fourth-rank Martial Gods were so vulnerable in front of David, a little Martial Saint!

Now both of their weapons have been destroyed, and they are also injured!

"Old Bai, it looks like the two of us are going to be planted today."

Hei Wuchang said solemnly!

"Even if we die, we have to pull this guy on the back. It looks like it's time for the two of us to sacrifice!"r>

Bai Wuchang said.

Saying that, Bai Wuchang actually took out a small porcelain bottle, and then opened the small porcelain bottle, and a terrifying evil spirit burst out from the small porcelain bottle!

Feeling the evil spirit, David frowned slightly, because this evil spirit brought a strong sense of crisis to David!

Just when David didn't understand why the evil spirit was so terrifying, he saw that the evil spirit turned into a figure, opened the bloody mouth, and swallowed the black and white impermanence in an instant!

This time, David was very surprised, he didn't understand what these two guys were doing!

"Ah..."

Immediately afterwards, Black and White Impermanence began to scream in pain. The two of them were swallowed up by the figure, and the screams of the two continued to come from the figure's abdomen!

This time, David was stunned, he didn't understand what was going on!

And that Liu Rui was so frightened that his face was pale, he had never seen it before, and he was so cruel to himself!

Soon, as the black and white impermanence screams stopped, the figure slowly began to change from virtual to real!

Then a man with half dark skin and half fair skin appeared in front of Davidping, and this man still had no traces of it!

"Shameless, hooligan..."

Seeing this, Liu Rui hurriedly cursed and turned her body around!

And the strength of the man in front of him has jumped to the fifth-rank Martial God.

David looked at the person in front of him in surprise, not understanding what happened. Could it be that the black and white impermanence was swallowed up by this person, and then it became like this?

"Boy, you forced our brothers to do this, we have to kill you today!" The

man said, but the voice he made was really dark and impermanent!

"Yes, our brothers are one, just to kill you!"

The voice of Bai Wuchang came out of the man's mouth again!

“Hmph, no matter what sorcery you use, it’s garbage in front of me, do it...”

David snorted coldly.

After the man heard it, he let out a hoarse roar, like a ghost crying and wolf howling, and rushed towards David!

This time, the man’s speed was as fast as lightning, and the breath of the explosion set off waves of tornadoes!

When David saw this, he didn’t use his body to resist, but stepped on his feet, and his body was instantly raised by dozens of meters!

And the man’s fist fell in the air, and the forest behind David was directly swept away by the terrifying strong wind. Hundreds of thousands of trees were all uprooted, forming an open space!

Seeing that his punch failed, the man looked up at David in the air, and his body jumped up, followed by countless boxing shadows, instantly surrounding David!

Bang bang bang bang...

Countless fists fell on David, smashing David from the air, and then smashed into the ground!

“Mr. Chen...”

Seeing this, Liu Rui shouted with worry on her face!

After smashing David into the ground, the man didn’t look at him, but looked at Liu Rui, his eyes full of lewd smiles!

Chapter 2199

“Don’t shout, he will definitely die this time, and it will be your turn next.”

“This time, you can taste my brother at the same time...” The

man said as he walked towards Liu Rui!

And Liu Rui turned her head and didn’t dare to look at the man, so she could only keep stepping back!

“You’re so outrageous, you dare to be so sure that I’m dead?”

At this moment, David’s voice came slowly from behind!

The man was stunned for a moment, then looked back suddenly, and found that David was not hurt in the slightest except that the undamaged golden body on his body had disappeared!

“This... how is this possible? Why didn’t you die?” The

man's face was full of disbelief.

"Mr. Chen..."

Seeing that David was all right, Liu Rui hurriedly ran behind David and hid!

"I said that, You are nothing but rubbish. If you kill me, wouldn't I be very shameless? "

David said with a cold smile.

"This is impossible, absolutely impossible. Who are you?" The

man asked David loudly!

"If you want to know who I am, go to hell and ask the Lord of Hell..."

Come on, David's body was in front of the man in an instant. The

man was shocked, and his body quickly backed away. It's a pity that his speed is not as fast as David's! I saw David's fist getting bigger and bigger ,

and slammed into the man!

A corpse was placed in front of David!

"Want to escape? "

Looking at the black fog, David jumped to catch up!

David's body exuded golden light, and his speed was as fast as lightning. He instantly caught up with the black fog and directly penetrated the past! The

black fog turned into a The figure smiled coldly and said, "I don't have a real body right now, you can't hurt me..."

"If you can't hurt you, then I'll eat you..."

After David finished speaking, his abdomen sank, suddenly A mouth, a huge suction force, moved towards the figure!

This time, the figure panicked, feeling the huge suction force, desperately trying to break free, but couldn't break free at all!

"No, don't kill us, As long as you don't kill us, we can agree to any conditions you have! At

this time, the figure spoke.

The voice of the black and white impermanence brothers came from the figure's mouth. Although the two people were dead, their souls were still there!

"Now I think of begging for mercy, but it's too late..."

David did not let go of the two. People, but directly sucked the black mist that followed the souls of the two people into the body!

The Heart Condensation Art began to operate, rapidly refining the black mist that was sucked into the body!

"Let's go..."

David looked at Liu Rui and said!

Liu Rui nodded, followed closely behind David, and slowly walked towards the depths of the forest!

At this time, at the end of the forest, a magnificent palace stands!

Tong Youcai looked at the magnificent palace in front of him with excitement flashing in his eyes.

"The ruins of the Narcissus Palace, this should be the ruins of the Narcissus Palace, hahaha..."

"I found it, I finally found it..."

Tong Youcai shouted excitedly!

But soon, Tong Youcai's laughter stopped abruptly, and then he looked into the depths of the forest with his sharp eyes!

"Second Young Master, what's wrong?"

A Tianlei Sect disciple stepped forward and asked.

"Someone came in here again!" Tong Youcai frowned slightly.

"How is it possible, there are three elders who are guarding outside, and those garbage outside the world don't want to come in."

The Tianlei Sect disciple said.

"It shouldn't be a warrior from outside the world, but a person from the hidden world. Those people outside the world can't have such a breath!"

Tong Youcai's eyes were slightly condensed, and there was murder in his eyes!

"People from the Hidden Realm? Could it be that there are people from other sects coming in? Ordinarily the Third Elder will notify us."

Another Tianlei Sect disciple said in surprise.

“Maybe the third elder has already encountered an accident. The ruins of the Narcissus Palace have appeared. Which sect doesn’t want to take it for itself, but now that we have found it, then no one wants to take it away!”

Tong Youcai’s eyes were murderous, and the The breath keeps rising!

Chapter 2200

“Second Young Master, let’s go in quickly.”

Someone urged Tong Youcai!

“Okay, but everyone should be careful, the ruins of the Narcissus Palace are very dangerous, don’t throw your life here!”

After speaking, Tong Youcai led everyone towards the palace slowly!

At the same time, the Great Protector of the Fentian Sect was still looking for the ruins, and he was stunned and stopped!

“Great Protector, what’s wrong?”

Someone stepped forward and asked. The Great Protector frowned and said, “It’s broken, Black and White Impermanence

was killed...”

“What?

It can instantly reach the realm of the fifth-grade Martial God!”

If it wasn’t for those old guys from the three sects and six factions, who would have killed the Black and White Impermanence Brothers so easily?”

Someone asked incredulously. “

I guess he’s from the Tianlei faction. That boy from the Tianlei faction, Tong Gonggong, is young, but he’s already in the realm of a fifth-rank Martial God. “

And this guy has heard that his genes have been modified to become immortal. If Black and White Impermanence encounters him, he will definitely not have a chance to survive!” The

Great Protector said with a dignified face.

This time, everyone’s face was solemn, and they bowed their heads and said nothing!

The Great Protector glanced at everyone, and then said to a thin old man holding a token, "Old Liu, you stay and use the formation to block the people of the Tianlei faction. We have to find the ruins of the Narcissus Palace before them."

I have a reincarnation pill here. If you eat it at the critical moment, you can hold on to your life!" "The

Great Protector is planning to hold back the people from the Tianlei faction so that they

can find the ruins first! But what he didn't know was that Tong Youcai of the Tianlei faction had already found the ruins and killed Black and White Impermanence. It's not Tong Yougong from the Tianlei faction at all, but David!

However, because there is no such person in the hidden world, many people do not know David's existence, nor do they think of David!

Lao Liu Without hesitation, he took the Tensei Pill directly and said to the Great Protector, "Don't worry, Great Protector, even if they die, I can hold them back. In my formation, they can't get out for ten days or eight days."

This old Liu seems to be quite confident in his technique!

"Don't take it lightly. Although Lei Pai was not proficient in techniques that day, it is possible that they would invite a master of techniques."

You just need to think of a way to stop them. If you don't have to, try to avoid conflicts." "The

Great Protector persuaded the old Liu.

"Understood!"

Lao Liu nodded.

The great protector took the people away and continued to search for the ruins, while this old Liu suddenly inserted the token in his hand on the ground, and pinched the magic formula with both hands, and the void began to tremble continuously!

Soon, the surrounding scenery began to change, the forests slowly disappeared, a small stream began to appear, and many people lived by the stream!

Not far away, there is a majestic mountain range, which stretches for thousands of miles and seems to be connected to the sky!

Lao Liu is sitting on a big rock at the moment with a tobacco pouch in his mouth!

There are many working people around, and children are playing and playing!

Looking at everything around him, a sneer appeared on Lao Liu's face. He was getting more and more satisfied with his technique!

On the other side, David and Liu Rui are still groping forward, because they don't know where the ruins of the Narcissus Palace are!

In this forest, David's consciousness is also greatly restricted, so he can only probe within a few miles!

Two people walking in this forest of towering trees will feel very depressed after a long time!

Liu Rui's face was ugly at this time, as if she was about to suffocate, and she was eager to get out of this forest now!

Chapter 2201

At this moment, the eyes of the two of them suddenly became brighter, and they saw a village appear, as well as the Xiaoxi Mountains.

Seeing this, Liu Rui was very excited.

"I finally got out of the depressing forest. If I don't get out, I'll be suffocated to death."

"But it's so strange that there are villages in this mountain range!"

Liu Rui said to David.

David frowned slightly, looking at everything in front of him carefully!

"After walking for such a long time, my face is sweaty, I just washed my face..."

Looking at the clear news, Liu Rui walked over directly!

But at this moment, David grabbed Liu Rui, "Don't go over..."

"What's wrong?" Liu Rui asked.

"I feel like there's something wrong here..."

David said with a frown.

"Is there a problem? What's the problem?" Liu Rui looked around carefully and found nothing wrong!

And by the stream not far away, an old man was sitting on a stone smoking a cigarette, and there was a child beside him!

This old man is Lao Liu, and the children around him can only be illusions!

"I can't say it now, but I always feel good here."

David has not found out that this place is nothing but an illusion!

It can be seen that this old willow's technique is brilliant!

"Is there any problem, we'll find out if we ask in the past!"

Liu Rui said, walking towards the old man and the child!

Seeing this, David could only follow him and ask first!

"Master, where are you?"

Liu Rui stepped forward and asked the old Liu.

Lao Liu raised his head, then looked at David and Liu Rui, a trace of doubt flashed in his eyes!

"Who are you?" Lao Liu didn't answer Liu Rui, but asked instead.

Because the Great Protector said that the person who killed the black and white impermanence is likely to be the Tianlei faction, so he set up an illusion again to delay the time of the Tianlei faction!

But now David and Liu Rui are obviously not from the Tianlei faction, that's why Lao Liu asked this question.

"We are..."

Liu Rui was about to say that he was from the Chunyang Sect, but was interrupted by David.

"We are mountain people who entered here by mistake. After walking in the forest for a long time, we discovered this place. What kind of place is this place?"

David asked Lao Liu.

"This is the Immortal Village. Our ancestors have lived here for generations."

Lao Liu said lightly.

"Immortal Village?" Liu Rui was startled, "Aren't you all immortals here?"

"Hahaha, the girl is joking, how could they all be immortals, but because the people in our village have lived for a long time, they are called immortals. Village."

Lao Liu laughed.

"Grandpa, grandpa, I want to take a bath..."

At this moment, the child ran over and said, pulling the corner of Lao Liu's clothes.

"Go..." Lao Liu waved his hand, and the child jumped into the stream happily!

“Why do people in your village live so long?”

“Are you all martial arts masters?”

Liu Rui asked curiously.

“That’s not true, it’s just because the creek in our village, no matter how badly injured, even if the organ fails, as long as you take a dip in the creek, everything will be fine.”

“People in our village like to take baths here. , so everyone lives a long time!”

Lao Liu explained.

When Liu Rui heard this, her eyes flashed with excitement, she looked at David and said, “Mr. Chen, did you hear that, this stream seems to follow the regeneration spring, maybe the spring water of the regeneration spring flows out from here!”

“I’m going to give it a try to see if this stream is the same as the regeneration spring!”

Liu Rui said, she was going to check it out!

David stopped Liu Rui and said, “Let me go and have a look. After all, I have been soaking in the spring water for a few days, and I know more about the spring water than you!”

After that, David walked to the creek, squatted down slowly, and looked at the clear water. The stream, gently touched with his hand.

Chapter 2202

Just when David’s hand touched the stream, a turbid air instantly entered the body from David’s hand!

After this turbid air entered David’s body, it immediately began to corrode David’s internal organs!

It’s just that David has the power of the dragon in his body to protect his body, which has long been invulnerable to all poisons, so this turbid qi was quickly refined by David with the Concentration Technique!

David stood up slowly and looked at Lao Liu with his eyes slightly condensed.

Liu Rui hurriedly asked, “Mr. Chen, how is it? Is the stream here the same as the water in the regeneration spring?”

David did not answer Liu Rui, but moved his fingers, and a red light penetrated into Liu Rui. In Rui’s mind!

Immediately afterwards, David chanted the Qingxin Mantra, and the coolness swept through David and Liu Rui’s bodies in an instant!

When Liu Rui opened her eyes and looked carefully, she found that there was nothing around, they were still in the forest, but at this moment there was a gloomy old man in front of them!

“This... what the hell is going on here?”

Liu Rui’s face was full of surprise, and there was incredibility in her eyes!

“The two of us walked into an illusion, and everything we just saw was fake.”

David explained to Liu Rui. “Good boy, you have been able to break the old man

’s illusion in such a short period of time. You are the first!”

In Liu’s hands, and Lao Liu’s whole body, black mist began to emerge!

At this moment, Lao Liu’s face was hideous, and his body was full of murderous aura.

“The people of Burning Heaven Sect, I didn’t expect to kill two guys who are neither black nor white, and now another one!”

David felt the aura on Lao Liu’s body, and immediately guessed the identity of the other party!

Lao Liu was stunned for a moment, and he said in disbelief, “What did you just say? Black and white impermanence are you killing?”

“Yes!” David nodded!

“Impossible, you are only a small Martial Saint, how could you kill Black and White Impermanence.”

“And this little girl is only a second-rank Martial God, and the two of you are not opponents of Black and White Impermanence.”

“Since you know Black and White Impermanence. Impermanence is dead, then you must know who the real murderer is, you simply don’t have the strength to kill the black and white impermanence brothers!”

Lao Liu didn’t believe that Hei Wuchang was killed by David.

If it was said that it was Tong Yougong from the Tianlei faction, he would still believe it, but if David, the martial sage, killed two people, Black and White Impermanence, Lao Liu would not believe it!

“Since you don’t believe me, there’s nothing I can do, but in the end you will definitely believe that what I said is the truth.”

David smiled lightly.

“Regardless of whether you killed the black and white impermanence or not, now that you have broken into this place, you must die, because only our Fentian Cult here is qualified to obtain the ruins!” As

he spoke, the fog rolled over Lao Liu's body, murderous!

"Miss Liu, you step back first..."

David's eyes narrowed, and his eyes were full of Ling Lie's murderous aura!

"Hmph, a little Martial Saint, who dares to speak up, I'll kill you first, let's see what skills you have to kill Black and White Impermanence!"

After speaking, Lao Liu jumped up, and in mid-air, started A large amount of black fog was condensed, and then the token in the hand was shot directly!

A big dead word appeared out of thin air, flames were burning on the dead word, and the surroundings were full of extremely poisonous black mist!

This dead word with a strong poison, pressed down on David!

When David saw this, the Dragon Slaying Sword instantly appeared in his hand!

Although the strength of this old Liu is not very high, this guy is a master of magic, and David almost fell into it with the illusion just now.

Therefore, David took out the Dragon Slaying Sword as soon as he shot, and then a sword qi swept across!

The sword qi instantly slashed on the big dead character and instantly split the dead character from it. After the split, the dead character disappeared, and even the flame on it disappeared!

Chapter 2203

However, the Dragon Slaying Sword in David's hands was unabated and went straight to Lao Liu's chest!

"Hahaha, the little Wusheng wants to kill me too..."

Lao Liu laughed, his body disappeared out of thin air!

David's sword directly stabbed a cloud of black mist, and countless poisonous insects in the black mist covered David's body.

And that Lao Liu didn't know when he had reached the side!

Seeing that David was wrapped in densely packed poisonous insects, Lao Liu laughed again.

"Boy, let you taste this old man's poisonous heart..."

Lao Liu said with a smile!

Liu Rui watched nervously by the side!

But David held the Dragon Slaying Sword and was surrounded by countless poisonous insects, but he didn't panic at all!

I saw a faint blue rising from David's Dragon Slaying Sword. The flame, followed by David's whole body!

The blue flames began to burn, and the poisonous insects wrapped around David's body instantly vanished under the flames!

"Spirit fire?"

Lao Liu frowned when he saw that there was a spirit fire burning on David's body!

"Just this means, it's not enough..."

David waved the Dragon Slaying Sword in his hand again, and a dazzling sword beam went straight to Lao Liu!

But the sword light passed through Lao Liu's body in an instant, and Lao Liu gradually faded into a cloud of black mist again!

And this time, the black mist turned into a beast, raising its head and letting out a roar!

But Lao Liu himself did not know when, and appeared on David's side again!

"Boy, you can't hit me..."

Lao Liu said confidently.

"Your illusion is really good, it can be so realistic!"

At this time, David also discovered that every time he attacked, it was not the body of the old Liu, but the illusion!

However, David couldn't detect at the first time whether the old Liu in front of him was transformed into an illusion!

This caused David to hit the phantom body every time he shot, and he couldn't hurt Lao Liu at all!

"Haha, now that you know it, then just grab it and save me wasting my time!"

Lao Liu laughed, and the black mist on his body continued to rise!

"Hmph, although your illusion skills are good, I'm not a muddy..."

David snorted coldly, the Dragon Slaying Sword in his hand flickered with light, and the sound of dragon chants sounded!

“Roar...” The

beast roared and charged towards David.

On the other hand, David threw the Dragon Slaying Sword in his hand, and the Dragon Slaying Sword turned into a golden dragon, directly fighting with the beasts!

David turned to look at Lao Liu, his fists clenched tightly, and the golden light flickered on his fists!

“Holy Light Fist...”

David smashed Lao Liu with a punch!

When Lao Liu saw this, there was a flash of panic in his eyes. He didn't expect that the Dragon Slaying Sword in David's hand would have consciousness and could fight on his own!

Just when David's punch hit Lao Liu, Lao Liu's body suddenly disappeared again, followed by a cloud of black mist rising, and then Lao Liu's body appeared on one side!

“Boy, I said, you can't hit me, don't waste your effort!”

Lao Liu said to David.

But where would David listen, I saw David grabbed his hands towards the void suddenly, and the spiritual power like shackles gathered around him!

Soon, David blocked the space in front of him. No matter how brilliant Lao Liu's illusion was, he couldn't leave this space.

Lao Liu also seemed to feel the changes in the surrounding space, his face changed slightly, and his figure quickly retreated!

Lao Liu's strength is not strong, he relies on his own magic, but if he is locked in a closed space, then his magic will be useless, and illusion will be useless!

Dang...

There was a sudden loud noise, and I saw Lao Liu's body as if it had hit a transparent glass, and then I only felt dizzy!

“You can't escape, this space has been blocked by me, where can you escape?”

David said coldly.

Chapter 2204

“Hmph, in front of me, you are also equipped to use magic.”

After speaking, Lao Liu took out the token in his hand, and then slammed the token into the ground, chanting words in his mouth!

As the space began to fluctuate, David could feel that his forbidden formation was being violently impacted!

When David saw this, he immediately attacked the old willow, and he couldn't let him break through this taboo formation!

Old Liu's attainment in magic really made David a little impressed!

When Lao Liu saw David attacking, he had no choice but to push his hands suddenly, and the token on the ground suddenly flew up and went straight to David!

Boom.....

David smashed the token with a punch, instantly smashing the token!

Immediately after David came to the old Liu, he stretched out his hand and stuck the old Liu's neck.

"Don't, don't kill me, I can help you find the ruins."

Seeing this, Lao Liu hurriedly followed David to beg for mercy.

The strength David has shown has exceeded his imagination. Whether it is strength or magic, he is not David's opponent!

"Can you help me find the ruins?"

David looked at Lao Liu and asked in disbelief.

"Yes, as long as you don't kill me, I can help you!"

Lao Liu nodded.

"How can I trust you?" David knew that Lao Liu's techniques were indeed brilliant, but after all, this Lao Liu was from the Burning Heaven Sect, so David couldn't believe it!

"You can put a taboo in my body, or let me swallow the poison pill, as long as you don't kill me, I will really listen to you."

Lao Liu desperately followed David to beg for mercy, in the face of life and death, no one was willing to go dead!

"Mr. Chen, you can't believe the words of Fen Tianjiao's evil cultivators..."

Liu Rui said loudly to David.

She was afraid that David believed what Lao Liu said and was finally deceived!

“I’m not an evil cultivator of the Burning Heaven Cult, I was just forced to join them. I was originally a Kunlun Mountain Warlock, but they occupied my territory and forced me to join them!”

“What I said is true, There is no lie, please spare my life!”

Lao Liu followed David to beg for mercy!

David looked at the old willow, then nodded and said, “I can spare you, but you must eat this heart-devouring pill. If you dare to lie to me, then you will be eaten by ten thousand ants and die...”

David With that said, he took out a black pill and handed it to Lao Liu.

“Okay, I’ll eat, I definitely didn’t lie to you...”

Lao Liu swallowed the Heart Devouring Pill without hesitation!

Seeing this, David also released Lao Liu, and then with a wave of his hand, the space taboo was broken!

“Okay, take us to find the ruins!”

David said to Lao Liu.

Lao Liu nodded, and then took David and the others to continue on their way!

At this moment, outside the ruins hall, Tong Youcai originally planned to bring people into the ruins hall, but he set off the formation mechanism, and the group was trapped in a poisonous miasma. Several disciples of Tianlei School Directly poisoned!

Fortunately, Tong Youcai also brought a few masters of magic this time, and they joined forces to clear the poisonous miasma and crack the formation!

“What’s the matter?” Tong Youcai frowned slightly and asked coldly.

Although he knew that the ruins of Narcissus Palace must be very dangerous and the formations were everywhere, he didn’t expect to be trapped before entering the ruins.

If there is no way to break the formation mechanism at the beginning, how can we go back?

“Second Young Master, we are already working hard, it will be fine soon...”

An old man wiped the sweat from his forehead and said to Tong Youcai.

“What a waste, it’s been over an hour, and it hasn’t broken yet!”

Tong Youcai was very dissatisfied!

“Second Young Master, this formation is very strange. It is an ancient formation. We need a certain amount of time to crack it.” The

old man said very embarrassedly.

Chapter 2205

“What a fu**ing waste, at this level, you dare to be called a master of magic, it’s a waste of resources, speed up me!”

Tong Youcai scolded very irritably!

If they are trapped all the time, they may be cheaper than others, but there is no way, the first person to enter the ruins will definitely suffer more difficulties than others!

Several magic masters could only speed up, and Tong Youcai sat aside with a frown. This seemingly incompetent magic circle could trap them for so long. It seems that the ruins of the Narcissus Palace are really Well-deserved reputation!

At this moment, Tong Youcai suddenly turned his head and looked aside, and then his face became a little ugly!

“Bad, someone is coming here, we can’t let them rush ahead of us, hurry up...”

Tong Youcai felt that someone was coming, and immediately became anxiousurging!

At this time, David and Liu Rui also looked in one direction at the same time!

One after another, the Qi of Martial God continued to spread from the entrance to the depths of the forest!

“Mr. Chen, has someone entered again?”

Liu Rui asked, feeling the breath.

“Well, and there are not a few people, it looks like it’s going to be lively!”

David said solemnly.

After all, the more people there are, the more difficult it is to get the treasures in the ruins!

Bang bang bang ...

A loud sound came, two old men wearing white scarves were slashing the big trees in front of them. The two sides are separated, a wide road in the forest, appears!

And on the road just opened up, a sedan chair appeared, four girls in white dresses, carrying a sedan chair, and the top of the sedan chair was inlaid with a gossip pattern!

Soon, these people arrived in front of David and them, and Liu Rui frowned after seeing the sedan chair, "Why is this sissy here?"

"What do you mean!"

"The sissy is that Leng Yun, the eldest young master of the Feixing faction, a big man who dresses like a woman all day long, and it makes me sick to see it!"

Liu Rui said with disgust.

At this moment, the sedan chair stopped, and then the sedan chair was lifted, and a man in white clothes and heavy makeup walked down.

This person looks very charming, and there is a coquettish air between his gestures.

David looked at the people who got up and down the sedan chair, and was a little dumbfounded. Could this be what Liu Rui said, the eldest young master of the Feixing faction?

Is this a man?

"Mr. Chen, this guy is a bit perverted, you have to be careful..."

Seeing David staring straight at Leng Yun, Liu Rui reminded in a low voice, "He is really a man, don't be fooled by his appearance!"

And after that Leng Yun came out of the sedan chair, when he saw Liu Rui, he smiled slightly. "It's such a coincidence, I didn't expect to meet Sister Rui here..."

Leng Yun stepped forward quickly, and he was very surprised. Greeted Liu Rui enthusiastically, and stepped forward to hold Liu Rui's hand!

But Liu Rui avoided it in disgust.

"Why did Young Master Leng come here?"

Liu Rui asked Leng Yun.

"This change in the Kunlun Mountains may be the birth of the ruins of the Narcissus Palace. Of course I have to come and see. If there is any precious thing, I will get it!"

Leng Yun said with a smile.

Seeing this, David was sure that the coquettish guy in front of him was really a man, and the Adam's apple on his neck was very obvious!

While talking with Liu Rui, Leng Yun's eyes fell on David!

When he saw David, Leng Yun was stunned for a moment, and there was a bit of heat in his eyes!

Feeling the hot gaze of the cold cloud, David shivered slightly, goosebumps all over his body.

“Sister Rui, who is this handsome guy? Looking good, isn’t it from your Pure Yang Sect?”

Leng Yun asked Liu Rui.

Chapter 2206

“No, this is Mr. David Chen, a warrior outside the hidden world!”

Liu Rui introduced!

“A warrior outside the world?” Leng Yun looked a little surprised. “I didn’t expect that a warrior outside the world would have the guts to come to such a place!”

“Hello, handsome guy, my name is Leng Yun, I’m so happy to meet you. !”

Leng Yun politely reached out to David!

David didn’t want to shake hands with this guy who was neither male nor female, but the other party was so polite, David couldn’t be too rude, he could only reach out and shake it!

But that Leng Yun grabbed David’s hand and gently stroked it with the other hand!

This time, David felt a chill in his heart and almost vomited it out on the spot, so he hurriedly got rid of Leng Yun’s hand!

“Hehe, Chen Dashuai’s strength is not small!”

Leng Yun smiled, and then said, “Sister Rui’er, since we met, let’s go together, so that we can take care of

him.” “There are a lot of beasts here. Don’t hurt the handsome guy Chen...”

Leng Yun’s words made Liu Rui unable to answer, so he could only look at David, and David was tumbling in his heart at this time, and he resisted and didn’t spit it out!

Leng Yun saw that no one was talking, so he took out a compass and said, “Come with me, you can find the location of the ruins as soon as possible, otherwise you will search like this, I’m afraid you won’t be able to find it for a few days.”

Seeing Leng Yun like this Said, David nodded and said, “Okay...”

“Okay, let’s go...”

Leng Yun said happily.

“Master, please get on the sedan chair...”

At this moment, an old man in white cloth came over and said to Leng Yun.

“I’m not going to be a sedan chair anymore, it’s too boring, I want to stroll for a while!”

“Let’s go ahead and open the way...”

Leng Yun waved his hand and said!

The two old men opened the way again, and threw the trees in front of them like straw to both sides!

Along the way, Leng Yun kept talking to David, and his eyes were full of love!

David could only adjust his breathing and try his best to get himself into the meditation state of cultivation, otherwise he would have vomited out long ago!

Seeing David’s forbearance, Liu Rui laughed!

However, with the addition of Leng Yun, under the guidance of the compass, David and the others quickly walked out of the forest, and a magnificent palace appeared in front of them!

The entire palace is very huge, and it continues to extend backwards. No one knows how far the palace extends. To be able to build such a magnificent building inside the mountain range can also see the strength of the Narcissus Palace!

“This is the ruins of the Narcissus Palace, it’s really spectacular...”

Seeing this, Liu Rui couldn’t help sighing!

“This Narcissus Palace used to be a very large sect. Even if we add up the three sects and six sects in the Hidden Realm, they can’t equal a Narcissus Palace, so it’s nothing to have such a handwriting!”

Leng Yun is very said calmly.

Obviously, before he came, he had a certain understanding of the history of Narcissus Palace!

“There is a formation in front of this Narcissus Palace. If you want to enter, you must break the formation!”

At this time, Lao Liu spoke up!

“Formation?” Leng Yun snorted coldly, “What kind of formation can stop me...”

“Brother Chen, come with me to ensure your safety, and no formation can hurt you. “

David looked at Leng Yun’s disgusting appearance, did not speak, but walked straight towards the ruins of the Narcissus Palace!

David also knows that there is a formation, so just break the formation directly!

As David and the others got closer and closer to the ruins hall, the space trembled, David and the others seemed to be teleported to another space in an instant!

At this moment, Tong Youcai, who was still trapped in the formation, felt the fluctuations around him, and then saw many people suddenly appear!

Chapter 2207

“David?”

Tong Youcai’s eyes were directly attracted by David!

After all, Tong Youcai hated David deeply. Now that David appeared suddenly, Tong Youcai rushed over!

David didn’t expect to see Tong Youcai here!

However, when Tong Youcai rushed towards him, David was already ready, the breath on his body rose, and golden light flashed above his fist!

But before David could take action, he found that a white shadow flashed in front of him, and then he collided with Tong Youcai!

Bang.....

Tong Youcai’s body took a few steps back, and then he stabilized his figure!

“Second Young Master, are you alright?”

Several Tianlei Sect disciples asked hastily.

Tong Youcai shook his head, then looked at Leng Yun who was colliding with him and said, “Leng Yun, what do you want to do?”

Leng Yun ignored him, but turned his head and asked David with concern, “Chen Da Handsome guy, are you alright?”

David didn’t say anything when he saw this, but he took a few steps back and opened the distance from that Leng Yun!

It’s really disgusting.....

Seeing Leng Yun like this, Tong Youcai immediately understood, but he still warned Leng Yun with a cold face, “Leng Yun, I have a holiday with this David, you better be Don’t get involved!”

“Tong Youcai, why do you have to do it now for the holidays?”

“You’re already trapped in this formation, are you still in the mood to fight and kill?”

“Think about how to get out first, I think you’ve been trapped here for a long time, and you haven’t gone out yet, is it shameful to lose it?”

Leng Yun said to Tong Youcai with disdain.

“This is an ancient formation. Several of our magic masters are already cracking the formation, and they will succeed soon!”

Tong Youcai said.

When Leng Yun heard this, he laughed and said, “You guys from the Tianlei faction still dare to call themselves masters of magic techniques? If you want to break the formation, it’s just a matter of waving your hands!”

Tong Youcai was cold . Yun mocked, but he didn’t even fight back, because he knew that the eldest young master of the Feixing faction in front of him was indeed a magician!

Not only has the strength reached the fourth rank of Martial God, but also the skill of magic is stronger than others!

I saw Leng Yun pinching the orchid finger, and I saw a red light beating, followed by a wave!

The space fluctuated for a while, and the formation in front of him disappeared instantly!

The majestic hall was once again exposed to everyone’s sight!

Seeing this scene, Tong Youcai’s eyes flashed with shock.

As for the masters of the Tianlei faction, their faces were full of embarrassment, and they bowed their heads and said nothing!

“Mr. Chen, don’t look at this Leng Yun as a sissy, but this technique is still very clever and a genius.”

Liu Rui whispered in David’s ear.

David’s mouth was slightly raised, and he smiled disdainfully, but didn’t say anything!

Although this Leng Yun’s technique is really good, it’s not a genius, let alone a genius.

This Leng Yun’s technique is not even comparable to that of Lao Liu. The reason why he can break this formation so easily is entirely because several masters of techniques from the Tianlei faction have already cracked it!

“Okay, the formation is broken, we can go in, but you have to follow me closely, I believe there are many powerful formations waiting in there!”

“If anyone strays in a while, they will be plotted by the formation organization. , but don’t blame me for not caring about you!”

Leng Yun finished, then looked at David and said, “Brother Chen, come with me, no one dares to do anything to you!”

The group walked towards the hall, while Tong Youcai was Glancing at David coldly, “Hmph, I didn’t expect you to sell your body in order to survive. It’s disgusting...”

David didn’t say much, and didn’t pay any attention to Tong Youcai. He wanted to see this now. Who is in the Narcissus Palace ruins, and what does it have to do with the regeneration spring!

The regeneration spring disappeared, and the bodies of Hu Mazi and Long Xingxu had to find a way to heal them!

Chapter 2208

Everyone walked along the steps towards the majestic hall, and soon came to the hall!

I don’t know how many years this Narcissus Palace ruins have been here, but when you enter the main hall, they are still intact, and all kinds of decorations are arranged in an orderly manner.

Everyone was shocked by the cleanliness of the hall, but this quiet hall did not let everyone relax their vigilance. Often, the quieter the seemingly safe place, the more dangerous it was!

“Follow me, so as not to touch the formation mechanism...”

Leng Yun walked slowly in front with the compass in his hand!

The compass shone with light, and a pointer was mapped in the void, pointing the direction!

In this way, everyone passed through the hall without any danger, which made everyone a little relaxed. In one breath!

However, everyone was somewhat disappointed. After all, although there was no danger in the hall, no treasure was found!

You must know that they ventured here to get treasures!

After passing through the hall, there is a long corridor, the corridor is only three or four meters wide, and there are rows of houses on both sides.

The door of the house was tightly closed. Although many people were curious and wanted to know what was in these houses, no one dared to open it easily!

But not long after everyone walked into the corridor, the doors of the houses on both sides suddenly opened by themselves.

The sound of opening the door startled everyone, all of them looked like they were facing a formidable enemy, with a look of alertness!

“Mr. Chen, I’m afraid there is a death battle...”

Lao Liu whispered in David’s ear.

“Miss Liu, watch me for a while, if the situation is not right, run out with me immediately!”

David urged Liu Rui!

David has also reached the gap. Although it seems to be quiet here, there are undercurrents surging!

Soon, from the houses on both sides, gusts of yin wind continued to emerge, and the appearance of the yin wind made the already nervous people even more nervous!

Leng Yun stopped, frowning slightly, “Everyone, be careful, there may be a life-and-death formation here, don’t run around!”

Tong Youcai looked at his own magic masters. Master Fa also nodded, “Second Young Master, be careful, we also feel that this place is very dangerous!”

This time, everyone looked at the houses on both sides with caution, Leng Yun’s finger lightly tapped the compass, and the compass flashed. Even more dazzling red light, and also suspended the compass above everyone’s heads!

“Check the houses on both sides first, don’t go forward...”

Leng Yun said loudly.

Leng Yun’s voice fell, and the two old men of Feixing sent quickly rushed towards the nearest house!

Everyone watched silently, no one moved, they wanted to see if the two old men would be in danger!

After the two old men rushed into the room, there was no movement, no one made a sound, and the time passed minute by minute!

After a full five minutes, the two old men ran out, and they were holding some reddish-brown stones in their hands.

“Master, the blood-soaked stone, this is a treasure...” The

two old men shouted as soon as they came out!

And these reddish-brown stones are exuding a lot of yin qi at the moment, the yin wind just now should be caused by this!

“Go to another room to check...”

After Leng Yun finished speaking, he also rushed towards a room!

“Don’t be stunned...” Seeing this, Tong Youcai immediately greeted his men and went to the rooms on both sides to find the blood-soaked stone.

As everyone re-entered the houses on both sides, the overcast wind roared even more, and David’s body trembled slightly due to the coldness!

“Withdraw...”

David frowned, pulling up Liu Rui and thinking about withdrawing from the back!

Lao Liu followed closely behind, and followed David to run out.

He noticed the danger almost at the same time as David!

Chapter 2209

“Mr. Chen, what’s wrong? Those blood-soaked stones are treasures.”

Liu Rui asked David very puzzled.

“Those are not treasures, but murderous objects. I feel the killing intent inside!”

David said to Liu Rui after running out of the corridor.

Lao Liu also nodded, “I feel it too, there is definitely danger in those houses!”

At this moment, David and the others heard screams from the houses on both sides of the corridor!

Then someone kept running out of the room!

And behind these people, followed by a terrifying shadow!

Those blood-soaked stones exuded cold air, and those cold air turned into a very aggressive black shadow!

this suddenThe sudden change made everyone in a mess!

One of the black shadows instantly penetrated a person’s body, and the person fell to the ground and died before he even had time to scream!

A large number of black shadows kept pouring out of the room. Whether it was the Tianlei faction or the Flying Star faction, they were caught off guard by this sudden change, and someone was injured!

“It’s broken, this is a death formation, escape quickly...”

Leng Yun saw this, and then realized that this was a death formation, and those blood-soaked stones were not treasures.

Everyone began desperately to flee towards the road where they came, and they were all frightened by the sight in front of them!

Tong Youcai's eyes narrowed slightly, and the breath on his body skyrocketed.

Accompanied by an angry shout, Tong Youcai unleashed his fists, and instantly smashed a black shadow away.

But from the houses on both sides, there will be more shadows rushing out!

When Tong Youcai saw this, he could only fight and retreat. If these unknown things were fought like this, Tong Youcai was afraid that he would be exhausted to death!

The people from the Tianlei faction are protecting Tong Youcai, but those shadows are not afraid of anything, constantly attacking!

"It's terrible..."

Liu Rui couldn't help but be surprised when she saw the scene in front of her!

"Let's go quickly, we can't stay here for a long time..."

Although David and the others escaped from the corridor, it is obvious that this silent hall cannot stay for long!

But just when David was about to take Liu Rui to escape the ruins, suddenly a gust of wind blew past the entrance of the main hall, the heavy hall door closed directly, and the yin qi soaring to the sky permeated from all around, directly covering the entire hall. stand up!

"It's broken, we can't get out either..."

Lao Liu frowned when he saw this!

And at this moment, in the pervading yin qi, black shadows began to appear, surrounding David and the others!

"It seems that we can only fight..."

David took out the Dragon Slaying Sword, which was burning with raging spiritual fire!

These black shadows are the original body, so just hacking and killing them can't hurt them at all, but the spirit fire is very effective in dealing with this evil spirit!

Lao Liu is also using the magic trick, and the flames are burning around him, constantly revolving around him!

Liu Rui frowned, "These black shadows are too perverted, they can't be killed at all..."

Liu Rui crushed a black shadow with a punch, but soon the shadows gathered again and moved towards Liu Rui again. Attack!

Although David has a spirit fire, he can defeat the shadow, but more shadows will appear soon!

Looking at the yin qi that filled the entire hall, David also felt a little helpless!

Even if he can refine the yin qi, he can absorb so much yin qi by himself, I am afraid that the year of the monkey and the month of the horse won't be enough!

At this time, Tong Youcai and Leng Yun had already rushed out, but when they saw that the entire hall was filled with yin qi and countless black shadows were about to move, they were all stunned!

"Damn, if I knew this earlier, I would bring more people here."

Leng Yun couldn't care less about his image now, and kept fighting with the shadows with the compass in his hand!

Chapter 2210

The compass is shining, and as long as the shadows are irradiated, the shadows can be instantly defeated!

As for the two old men brought by Leng Yun, they were back-to-back, shaped like the wind, spinning rapidly, forming a huge storm that quickly blew those shadows away!

It's just that the main hall has been closed, and the yin energy has been blown away, and it also gathered into black shadows in other corners of the main hall, and attacked again.

Tong Youcai's body swelled like a mutation, and the wounds on his body had green blood, and he was able to heal the wounds soon!

Tong Youcai formed a hurricane with every punch that Tong Youcai smashed, directly dispersing those shadows!

But no matter how many black shadows they disperse, in the end, these yin qi will condense again and turn into black shadows attacking!

Although these people can control the situation temporarily, as time goes by, they will eventually be exhausted!

"Mr. Chen, what should I do?"

At this moment, Liu Rui's forehead was full of sweat, and a strand of hair was stuck on her forehead!

Lao Liu also has a solemn expression on his face, which is obviously a huge consumption, and it makes him a little overwhelmed!

David was also very anxious at this time, and kept observing the situation. Although this was a death formation, no matter what kind of formation, there would be a cracking technique!

However, countless dark shadows and constant attacks made David unable to calm down and investigate this formation!

David wanted Liu Rui and Lao Liu to block him, so he calmed down to investigate, but the two of them couldn't stop so many shadows at all!

At this time, David can only go to Leng Yun and Tong Youcai for help, and join forces to create a quiet space for himself!

Although David didn't like talking to that Leng Yun very much, but now there is no other way!

David approached Leng Yun and Tong Youcai!

Then he said, "This is the death formation, we must break the formation, otherwise we will be exhausted to death in it.

" ?"

Tong Youcai roared after David angrily after smashing a black shadow with one punch!

"Brother Chen, do you have a way to break the death formation?"

Leng Yun asked David affectionately.

"If you want to break the death formation, you must first find the formation's eye, and now I am restrained, and there is no way to find the formation's eye!"

"Now we need to cooperate, you help me block these dark shadows and create a quiet space for me, I can find the formation eye with peace of mind!"

David said following Leng Yun and Tong Youcai.

"Okay, no problem!" Leng Yun agreed without hesitation!

But that Tong Youcai shook his head and said, "David, do you think we are fools? Let us block you, and you can relax yourself!"

"In the end, we all died of exhaustion. Isn't that the treasure in this ruin? It's all yours."

"I'm not that stupid, you can do it yourself..."

Tong Youcai hated David to death, how could he block those dark shadows for David!

However, Leng Yun agreed, and it was enough to withstand it for a while!

Leng Yun took a few of his subordinates, plus Lao Liu and Liu Rui, and surrounded David, creating an absolutely safe and quiet space for David!

David closed his eyes slightly, his consciousness spread out in an instant, and the surging power of his consciousness enveloped the entire hall, and David's hands kept stroking gently in the air, as if there was something in front of him! Seeing David

like that, Tong Youcai snorted coldly, "Pretend, this is the death battle of Narcissus Palace, how can it be so broken!"

Move, the people around him also began to move, blocking the dark shadow rushing for him!
