

A Man Like None Other Chapter 2211-2215

Chapter 2211

Everyone performs their own stunts, no one dares to be lazy at this time, this is a moment of life and death!

And Leng Yun's compass is suspended above everyone's heads, and endless rays of light shine on several people, allowing everyone to temporarily escape the intrusion of Yin Qi!

Along with David's slow movement, he actually walked into the corridor that he had just escaped from. It must be known that the Yin Qi is the heaviest here, and the shadows are the most.

The houses on both sides kept rushing out of shadows, which made Liu Rui and the others feel the pressure instantly!

"This idiot managed to escape from there, but now he has entered again..."

Tong Youcai saw that David was walking towards the corridor, and couldn't help but scolded!

Just when everyone couldn't bear it, David's eyes suddenly opened, and two rays of light shot out from David's eyes!

The two rays of light went towards the depths of the corridor, and everyone saw that in the depths of the corridor, a bright red figure appeared!

The face of the figure is hideous, and there is a sharp sword stuck in his body. I don't know who sculpted it, but it comes alive!

"The sculpture is where the eye is located, and the eye needs to be destroyed..."

David said loudly.

"Then destroy him..."

After Lao Liu finished speaking, his body jumped up, and several flames waved from his hands!

But just as Lao Liu was about to approach the humanoid sculpture, a huge yin qi suddenly rushed in and swallowed Lao Liu in an instant!

David's eyes and hands were quick, he stepped forward and grabbed Lao Liu, and dragged him back!

As a place of formation, it is impossible to get close to it easily!

"You block here, let me come..."

After David finished speaking, the Dragon Slaying Sword in his hand was brimming with brilliance, and a sound of dragon roar sounded!

Soon a golden dragon appeared, and suddenly rushed toward the Yin Qi in front of him, and the golden dragon disappeared in an instant!

And David's body followed closely behind and rushed into the huge Yin Qi!

Others are struggling to resist the attack of those shadows!

Now David's figure has disappeared in the huge Yin Qi, no one knows whether David will succeed!

But they can only wait now, waiting for David to destroy the eyes!

Chen Zai rushed into the huge yin qi, and instantly felt a huge pressure. I saw that in the yin qi, a huge palm was slowly pressing toward him!

When David saw this, he didn't care about the huge palm at all, but held the Dragon Slaying Sword and exerted the power of the dragon to the extreme!

Soon, the Dragon Slaying Sword in his hand instantly slashed out a dazzling sword beam, and suddenly moved toward the sculpture!

Boom.....

This sword slashed heavily on the sculpture, causing a huge explosion, and countless cracks oscillated on the sculpture. Although it didn't shatter, David was also happy!

"Let's come again..."

David knew that the sculpture would definitely shatter, and the death formation would be broken!

But just when David was about to swing his sword again, the huge palm was already pressed down!

David only felt his body sink, as if the entire Kunlun Mountains were pressing down on him!

The body fell rapidly, smashed to the ground fiercely, and a smear of blood flowed out from the corner of the mouth!

David wanted to get up, but found that his body was so crushed that he couldn't move at all!

Listening to the constant fighting, David knew that Liu Rui and the others couldn't last long!

"Ah..."

David's eyes widened, he let out a loud shout, gritted his teeth and slowly got up!

David stooped and stood up reluctantly, the Dragon Slaying Sword in his hand was firmly against the ground, supporting his body!

Although he stood up, in this posture, David couldn't swing his sword at all!

Looking at the sculpture in front of him, David's body flashed with light, and he suddenly rushed up!

Chapter 2212

David was planning to hit the sculpture with his body and destroy it!

Boom.....

David's body suddenly collided with the sculpture!

Boom.....

The sculpture collapsed with a bang, and then shattered to the ground!

With the fragmentation of the sculpture, the dark hall and corridors that were full of Yin Qi suddenly became brighter!

The Yin Qi disappeared without a trace in an instant, and those black shadows also dissipated in an instant.

Liu Rui and the others hurriedly looked at David and found that David was lying on the ground at this time, gasping for breath!

And Tong Youcai in the main hall, looking at the Yin Qi that suddenly disappeared, his face is full of surprise!

"Could it be that that kid really broke his eyes?"

Tong Youcai frowned, leading people to rush into the corridor!

"Mr. Chen, are you okay?"

Liu Rui helped David up.

"It's okay!" David shook his head!

"What is this?" Lao Liu found that although the collapsed sculpture was shattered, something was shining brightly!

David looked over, threw the gravel away, and found that there was actually a mummified corpse inside the sculpture.

The mummified corpse is a female, with a ferocious expression, the same as that of the sculpture!

And the body of the mummy is wearing ancient clothes, and it looks like it has existed for many years!

And that flashing light is the three emerald gems on the chest of the mummy!

There is a lot of heaven and earth in the gemstone. When David picked up a gemstone, he instantly felt relieved for a while, and the large amount of spiritual power consumed was replenished in an instant!

Everyone also felt an unprecedented ease. The fierce battle just now made almost everyone exhausted, but now they all feel very relaxed!

David held the gem, and his mind moved, and a message appeared in the wordless scripture in his mind!

“Mysterious spar, ancient spirit stone, a kind of spar that exists in the heaven and human world!”

Looking at the information, David was full of surprise!

This kind of stone actually exists in the heaven and human world, but why does it appear here?

Could it be that the Narcissus Palace still has a connection with the Heaven and Human Realm?

David took off the other two mysterious spar from the body of the mummified corpse, and then carefully observed the mummified corpse!

Although the mummified corpse has existed for many years, the face can still be vaguely recognized, it should be a woman in her thirties, and she looks good!

But looking at that hideous expression, it seems that when he was alive, he was enclosed in the sculpture!

David was a little puzzled, how could there be a spar from the Heaven and Human Realm on this corpse!

Could it be that this woman is from the Heaven and Human Realm?

How could he die in the Narcissus Palace and be made into an eye?

How did this Narcissus Palace fall?

Looking at the ruins of the Narcissus Palace, it is very well preserved, and there is no trace of fighting. How can such a big sect be gone?

Various questions troubled David, but David knew that now was not the time to think about it!

David found the mummified corpse for stones, built a grave, and buried it!

He then walked up to Leng Yun with three Profound Crystal Stones and said, “I’ll give you one, this thing is helpful for cultivation.”

Leng Yun took the Profound Crystal Stone and felt the aura of heaven and earth emanating from the Profound Crystal Stone. Instant power up!

This made Leng Yun very surprised. Although the Hidden Realm also has many resources and various gems, he has never seen such a magical stone!

“Miss Liu, I’ll give you one...”

David gave Liu Rui one, so that Liu Rui also quickly recovered her strength!

After all, he was able to break through the eyes, and all his efforts were made. David could not swallow this mysterious spar alone!

As for that Lao Liu, he is a member of the Burning Heaven Sect. David is still not sure if he is really rehabilitated, so it is impossible for Lao Liu to get the Profound Crystal Stone!

Lao Liu also has self-knowledge and is not dissatisfied!

On the contrary, Tong Youcai looked at the emerald-green mysterious spar, and his eyes were full of scorching heat!

After a little wink at his own people, Tong Youcai walked towards David!

Chapter 2213

“David, the treasures in the ruins of the Narcissus Palace are not yours, so why are you qualified to distribute them?”

“And you must know that I have the most people from the Tianlei faction, and we contribute the most. Ying, you are already dead now!”

Tong Youcai looked at David very dissatisfiedly and said.

“What do you mean?” David asked.

“It doesn’t make any sense, these three gems must be given to me.”

Tong Youcai has a domineering attitude. This does not seem to want gems, it is obviously a threat!

David looked at Tong Youcai like that and couldn’t help sneering!

And Liu Rui frowned, “Tong Youcai, do you want your face? Just now Mr. Chen asked you to cooperate, but you didn’t agree. Yes, now that we have broken our eyes and got gems, you came here to ask for it shamelessly? “

“How did your parents teach you?” Don’t educate you shameless? “

Liu Rui must have been out of breath, so she spoke very sharply!

“What did you say?” “Tong Youcai seemed to have been stabbed in the sore spot, his face became angry, and the breath on his body began to rise!

“What? Am I right? Just now, whenever you helped, you don’t have to shamelessly come here to ask for gems! “

Mr. Chen destroyed the array eye, which is considered to have saved the big guy. It’s fine if you don’t thank you, but you even came over to ask for gems, shameless...”

Liu Rui became more and more angry, and scolded Tong Youcai, not at all. Don’t be afraid of him!

“You’re courting death...”

Tong Youcai was furious, and slapped Liu Rui with a palm!

Liu Rui was not Tong Youcai’s opponent at all, but he didn’t panic in the face of Tong Youcai’s attack

! When Tong Youcai started, Leng Yun on the side shot!

Leng Yun directly grabbed Tong Youcai’s wrist, and said lightly, “Tong Youcai, I think sister Ruier is right, I gave you a chance just now, We join forces, but you don’t agree! “

“Now what we desperately get, you want to take it away effortlessly. Is there such a good thing in the world?” “

“If you think that you have a lot of people from Tianlei and you are strong, you might as well give it a try. The big deal is that the fish will die and the net will be broken, and no one will want to walk out of this ruins.” “

Leng Yun’s words made Tong Youcai fearful, so he could only withdraw his hand. Although he was unwilling, he didn’t say anything!

If it was just David and the three of them, Tong Youcai was not afraid at all, but with the addition of Leng Yunji People, Tong Youcai is not sure!

What’s more, he doesn’t want to have a conflict with Feixing faction, otherwise, after going out, there is no way to explain!

After a pause, everyone continued to cross the corridor and continue to walk backwards!

With the continuous deepening, David began to feel the kind of breath in the regeneration spring!

It seems that the regeneration spring should flow out of this ruins.

After walking for a while, a naturally formed arched stone gate appeared. The stone gate was extremely thick and had a lot of chisel marks. It should have been repaired later!

Above the stone gate, the three characters of Narcissus Palace are still clearly visible, even after hundreds of years, everything is still intact!

“It’s such a strange sect, how do you fix the gate in this place? Could it be that the hall we entered in front of you is not the Narcissus Palace?”

Liu Rui looked at the stone gate and asked curiously.

“The main hall we entered also belongs to the Narcissus Palace, but it is not really entering the Narcissus Palace. It is the front hall of the sect. In the past, many sects would set up a front hall, in the front hall to teach and learn, and entertain guests. .”

“These people will not be allowed to enter the sect, in order to prevent some secrets in the sect from being probed.”

“Now there should be sects with this design, and it is not surprising! “

Leng Yun explained to Liu Rui!

Chapter 2214

After listening to Leng Yunyi, Liu Rui realized it. It seemed that so many rooms on both sides of the corridor should have been used for entertaining guests at that time.

These people will not be allowed to live in the sect. This is also a defensive measure to prevent someone from having bad thoughts about the sect!

“This is the real Narcissus Palace. It seems that what we encountered just now is just an appetizer, and the real danger is still to come!”

Lao Liu looked at the heavy stone gate and said with some emotion.

David also knew that the real danger was in this Narcissus Palace, like the formation that I just encountered in the main hall, it should be just a small dismount!

“Go and open the door...”

At this moment, Tong Youcai waved his hand and instructed two Tianlei Sect disciples to push the Shimen open!

“Don’t push it, this stone gate is weird...” ...”

David stopped and said!

“Hmph, it’s just a stone gate, what’s so weird? Do you want to push it open by yourself, and then if there is any treasure in it, you can assign it again, say the stone gate you pushed open? “

If you are so careful, don’t play in front of me...”

Tong Youcai snorted coldly, and then said to the two Tianlei disciples, “Go push it away, don’t worry about him!” “

Two Tianlei Sect disciples walked to the stone gate, looked at the heavy stone gate, and pushed it hard!

Two people with half-step Martial God strength, it should be very easy to push the stone gate open, but the two of them exhausted. After exerting all his strength, the stone door did not move at all!

“You can’t open a stone door even if you are trash? Seeing this, Tong Youcai shouted angrily!

“Tong Youcai, have your disciples of the Tianlei School not eaten?” Or let my people push it away? “

Leng Yun looked at Tong Youcai with a half-smile but not a smile and asked.

Tong Youcai felt humiliated, so he could only shout at the two Tianlei disciples, “If you can’t open the Shimen, you should apologize with death. Disgraceful thing...” When the

two Tianlei Sect disciples heard it, they could only use all the energy in their bodies, and punched them into the stone gate, and at this moment, light lines suddenly appeared on the stone gate.

The pattern of light flickered, and it was obvious that someone had placed a formation on the stone gate, so the stone gate was so heavy that it didn’t move at all!

Om.....

Suddenly, two blue flames rose up, and the two Tianlei disciples He was pushing Shimen hard, but his body was burning!

“Ah...”

“Ah...” The

two Tianlei Sect disciples started screaming when they saw the fire on their bodies, and kept slapping the flames on their bodies, but the flames were still on fire. The more you beat, the more intense the burning!

Seeing this, Tong Youcai hurriedly stepped forward to greet his subordinates to put out the fire. Several masters of the Tianlei School of magic were pinching their magic tricks, and the water columns seemed to fall from the sky, directly impacting the two Tianlei School disciples who were on fire!

But no matter what, the blue flame would not go out, until the two Tianlei Sect disciples burned to ashes, the flame gradually disappeared!

Looking at the marks on the ground, Tong Youcai’s eyes were full of anger. Before he entered the Narcissus Palace, he had already lost several subordinates!

“Mr. Chen kindly reminded him just now, but he was ignored by others. Now that he is fine, he was burned to death...”

Liu Rui said gloatingly.

When Tong Youcai heard it, he was even angrier, but there was nothing he could do. If he listened to David's dissuasion just now, his two subordinates might not die!

"There is even a formation on this stone gate. It seems that this Narcissus Palace is really not simple!"

Leng Yun looked at the formation on the stone gate and sighed.

"You guys, study it and break this formation..."

Tong Youcai commanded several magic masters from the Tianlei faction to break the formation on Shimen!

After all, the front of the formation was broken by David, which has already made their Tianlei faction very faceless!

Now if the Tianlei faction breaks the formation on this stone gate, it can be considered to regain some face, and after entering, Tong Youcai also has a say in the distribution of treasures!

Chapter 2215

Several magic masters stepped forward and carefully studied the above formation, but they did not dare to touch it easily, they could only watch from a distance!

After watching it for a while, an old man said to Tong Youcai, "Second Young Master, this is the destiny, it is an ancient strange formation, even if it is a needle to cast the formation, if the formation is not broken, no one can do anything. The needle was removed."

"And there is a killing formation in this formation. As long as the formation is forcibly broken, you will be burned to death by the fire just like before."

"So powerful?" Tong Youcai frowned. A wrinkle, "Then can you disarm this formation?"

"Yes, I have studied this type of formation, and it can be dismantled, but it will take some time," the old man said.

"How long will it take?" Tong Youcai continued to ask.

"One day, one day, we will be able to break this formation." The old man stretched out a finger and said.

When Tong Youcai heard it, it was not a long day, so he nodded and said, "Then break the formation quickly, you will be rewarded for breaking this formation!" After

hearing this, several magic masters from the Tianlei School hurriedly began to join forces to break the formation. Array!

“The formation set up by the Narcissus Palace is really powerful. With this formation, I’m afraid I won’t be able to break it for a day!”

“I didn’t expect that the magic masters of the Tianlei School would be so clever.”

Lao Liu Said with some emotion.

“Just this bunch of trash can’t be broken in three days, don’t listen to their bragging!”

Leng Yun looked disdainful, and he couldn’t look down on these magic masters of the Tianlei faction!

When Tong Youcai heard that Leng Yun belittled their Tianlei faction, he was a little unhappy. He looked at Leng Yun and said, “Leng Yun, you are very skilled, can you open it with extra time? I guess you don’t even have a method!”

“This kind of formation, even if I do it, it is estimated that it will take at least three days. You Tianlei faction masters of magic, let alone one day, they may not be able to open it for ten days!”

Leng Yun’s words, let Tong You Cai’s face is getting colder!

“They can’t open it for a month. This kind of formation cannot be solved by their ability.”

David also spoke at this time.

As for the Tianlei faction’s several magic masters, although they claim to be masters, their magic skills are not brilliant at all, so they deceive people like Tong Youcai. After all, they know little about magic!

“David, don’t speak rude words here, you have the ability, you broke this formation in one day.”

Tong Youcai roared at David!

“To break this formation, how can it be used for a day, I only need one minute...”

David said with a slight smile.

Seeing David say this, Leng Yun and Lao Liu also looked at him. After all, these two are also masters of magic, and they can see the level of the formation!

Such an ingenious ancient formation was broken in one minute, it was a joke!

Although Tong Youcai didn’t understand it, he broke the formation within a minute after hearing David’s words, and he didn’t believe at all, “You stop bragging, I don’t believe you have that ability!”

“If you have that ability, just try it. Got it, but I broke this formation, and the treasure I saw after opening the stone gate needs me to distribute it!”

“Do you dare to let me try it?”

David asked Tong Youcai with a sneer.

Tong Youcai looked at David's confident appearance, and he hesitated for a while. He was really afraid that David would break the formation in one minute!

"Brother Chen, if you can break this formation in one minute, I don't want the treasure inside."

Leng Yun said.

He knows the magic, and he doesn't believe that David can break the formation on the stone gate in one minute!

Although Leng Yun said this, Tong Youcai did not dare to gamble, and could only say to the hastily master of magic arts of the Tianlei faction, "You speed up, don't be looked down upon by others, saying that you are not worthy of the name of master of magic arts at all. ."

Chapter 2216

In fact, these old men also heard the conversation just now. At this moment, they all held their breaths in their hearts. They must open this formation and let everyone see it!

But at this moment, light suddenly flashed on the stone gate, followed by a blast of vast air. An old man couldn't dodge in time, and was instantly cut off by this vast air.

Blood splattered, and the other old men were all splattered with blood, and they were all stunned and stunned!

"This... what's going on?"

Tong Youcai asked with a confused expression.

"This...this..." The old man who just said that he can crack the formation and can succeed in a day is now full of panic and speechless!

"As I said, you can't break the formation for a month. The way to break the formation is wrong, that is to forcefully break the formation, and a killing formation is set up in this formation. To break the line is to die! "

"Now you know how powerful it is, right?" Do you dare to continue breaking out? "

David said calmly.

The masters of the Tianlei faction hurriedly stepped back one by one, away from Shimen!

This time, the Tong Youcai was so angry that he almost vomited blood!

"David, didn't you say Can it be broken in a minute? You go try it, I promise you, the treasure behind the stone gate, you will distribute it!

Tong Youcai nodded to David and said! Since the formation

is so powerful, if David breaks the formation, he will most likely die here, so Tong Youcai will agree

! Shimen is already open now! “

David smiled lightly and walked towards Shimen!

“Mr. Chen, you have to be careful...”

Liu Rui reminded David!

“Don’t worry, I’m sure...”

David smiled slightly and walked to Shimen In front of him, he gently placed his hands on the stone gate!

Seeing such a scene, everyone held their breaths, wanting to see what would happen to David!

Lao Liu and that Leng Yun also watched intently, wondering what David was relying on. The technique, break the formation in one minute!

I saw David’s hands flashing golden light, streaks of golden light penetrated through the stone gate, and the lines in the formation began to flash with golden light!

Om.....

Suddenly , Golden light masterpiece, a terrifying aura emanated from the stone gate, David was swallowed by this breath in an instant!

After the others felt this breath, their bodies quickly retreated!

“Hahaha, this is pretending Forced to end, it took one minute to break the formation, and now the formation is activated, there is no doubt of death! “

Tong Youcai burst out laughing!

Liu Rui looked at David nervously, her hands tightly clenched into fists!

On the other hand, Lao Liu and Leng Yun were concerned about the formation on the stone gate, and the terrifying aura just now did not want to emanate from the killing formation.

“Squeaky...”

Suddenly, there was a sound of boulders rubbing against each other, making people feel goosebumps all over!

Immediately afterwards, I saw David slowly pushing the stone door open. That terrifying aura did not cause any harm to David!

With the opening of the stone gate, icy and biting yin winds emerged from the ruins of the Narcissus Palace!

Everyone shivered involuntarily.

This yin wind makes people feel hairy, as if this place is not like a sect, but more like an underground morgue!

However, David pushed Shimen open in such a short time, which surprised everyone!

“Mr. Chen, how did you do it? You broke the formation in such a short time?”

Lao Liu was very curious as to how David broke the formation.

Leng Yun was equally curious and walked up to the front and said, “Brother Chen, what method are you using? We haven’t seen you break through?”

That Tong Youcai was also stunned at this moment, wanting to hear the truth. , Everyone is full of doubts about David breaking the formation in such a short time!

Chapter 2217

David smiled slightly, looked at Tong Youcai who came up to him, and then said, “If I can break the formation so quickly, I have to thank Tianlei for sending the second young master.”

When Tong Youcai heard this, he was immediately confused Now, they looked at David and said, “Thank me? Why thank me?”

Lao Liu and the others were also confused. They didn’t understand what David meant, and why breaking the formation had nothing to do with the Tianlei faction.

“Of course I would like to thank you. If you didn’t let your subordinates forcibly break the formation, let the killing formation start, and consume the energy in the killing formation, I would not have broken this formation so quickly!

” Although there are killing formations in the formation, but because of the age, the power of the killing formation is also weakening, and you let your people to forcibly break the formation, start the killing formation, and make the energy in the killing formation almost exhausted!

” So I’m going to break, it’s a lot easier, and you don’t have to worry about getting hurt at all...”

David looked at Tong Youcai and said with a smug look.

This time, Tong Youcai was an idiot, and the whole person’s face became more ugly than eating shit!

He I wanted to let my people open the stone gate first, so that I could take the initiative, but I didn’t want to make a wedding dress for David!

Lao Liu and Leng Yun laughed when they heard it, but they both knew that David was deliberately telling Tong Youcai to listen.

David was able to break the formation so quickly, which is not the reason at all! It's

just that David didn't want to say it, and they won't ask!

"Let's go in..."

David looked at Tong Youcai who was already very angry at this moment, he smiled slightly, and wanted to bring everyone into the Narcissus Palace!

Tong Youcai lost his soldiers, so he could only follow behind!

After entering Shimen, a huge square appeared, and the square was placed on top. There are eighteen stone pillars, each stone pillar is engraved with a dragon-shaped pattern, and each dragon is different!

Sen Han's yin qi is constantly blowing on everyone's body, even if these people are masters, they can feel that Senhan's coldness. At the time of Yin Qi, my whole body shivered involuntarily!

At the end of the square, there was a stone wall, and there was no way to go. This made everyone feel very strange!

"Mr. Chen, what's going on? Is the Narcissus Palace so big? Seeing

that there was no way, Liu Rui asked very strangely.

David shook his head, his consciousness spread, and he wanted to penetrate the stone wall in front of him, but he found that there was no way to penetrate, because there was really no way here. It is the stone wall of the mountain.

"Impossible, is this Narcissus Palace only this big? "

David's doubts were revealed!

And that Tong Youcai and Leng Yun had already instructed their subordinates to search everywhere, hoping to find some treasures!

But in the huge square, except for the eighteen stone pillars, there is really nothing!

This time, almost everyone was lost to the extreme!

It took so much effort to come to the ruins of the Narcissus Palace, but it was only so small that it didn't even have any treasures!

"What the hell broke the ruins of Narcissus Palace, there is no bullshit, I lost several people!"

Seeing that the treasure was not found, Tong Youcai couldn't help scolding!

“No, it’s so possible that this Narcissus Palace is only this big? And there’s nothing left?”

Leng Yun also frowned, feeling unlikely!

“Mr. Chen, have you noticed that these eighteen stone pillars seem to be placed in a strange position!”

“It looks like a formation...”

Lao Liu whispered in David’s ear.

David looked at the stone pillars carefully, then stepped forward and gently stroked the stone pillar with one hand!

Just when David’s hand touched the stone pillar, there was a slight change in Longjing’s body, and he felt an aura that seemed to exist, emanating from the stone pillar!

Soon, the dragon-shaped pattern carved on the stone pillar, and the two eyes began to shine!

Chapter 2218

Seeing this scene, everyone became nervous, not understanding what was going on, for fear that another formation would be suddenly activated!

David looked at the glowing dragon-shaped pattern, then turned around and touched another stone pillar!

Immediately after that, the eyes of the dragon-shaped pattern on the stone pillar also shone!

Seeing this, David started a stone pillar and touched it with his hands!

When David touched the last stone pillar, the entire square had already been illuminated by rays of light, and these rays of light slowly formed a dragon in mid-air!

Looking at the giant dragon that appeared in the air, everyone was startled!

Rumbling.....

Then the whole square began to tremble, and the stone gate behind him should be closed in an instant!

This time, these people can’t get away if they want to run!

“David, what the hell did you do? Are you trying to kill us?”

Tong Youcai yelled at David!

But David ignored him at all, but stared at the giant dragon blankly, then his body slowly floated up, and finally followed the giant dragon’s eyes!

David slowly stretched out his hand, wanting to touch the giant dragon.

But along with the dragon's roar, a huge force struck, David's body was like a leaf, he was slammed out, his body smashed on the stone wall, and then fell down!

"Mr. Chen..."

Seeing this, Liu Rui hurried forward to check, and found that there was blood on the corner of David's mouth!

You must know that David's body is extremely powerful, but he was directly injured by the roar of this giant dragon!

When Tong Youcai and Leng Yun saw this scene, their expressions were extremely nervous, and everyone was very alert to prevent the giant dragon from attacking them!

The trembling in the square became more severe, and the eighteen stone pillars began to collapse one after another.

The rocks cracked and splashed everywhere!

For a time, everyone was desperately dodging, for fear of being smashed!

Immediately after, the dragon roared again, and then rushed down from the air!

The dragon's body slammed into the ground, and the entire ground collapsed instantly!

Everyone was almost stunned, and looking at the center of the square, the giant dragon had disappeared, but a dark underground passage appeared!

This underground passage has been thinking about extending underground, without a trace of light, as if it leads to the eighteenth layer of hell!

Everyone looked at this underground passage, at a loss for a while, and did not dare to go in first, because no one knew what would happen to the first person to enter!

David looked towards the passage, and then a flame rose in his palm, illuminating the entire passage!

Then David walked in directly. Since he came, no matter what difficulties he encountered, David would not give up!

David went in, Liu Rui followed, followed by Lao Liu!

And when Leng Yun and Tong Youcai were outside, they couldn't make up their minds for a while!

The giant dragon that just appeared made them a little scared. If the giant dragon was in this passage at this time, and rushed in like this, I am afraid that there would be no chance to escape!

“Leng Yun, why don’t you go in?”

Tong Youcai looked at Leng Yun and asked.

“Why don’t you go in?” Leng Yun asked rhetorically.

“Such a small passage, if there are any mechanism formations in it, we are afraid that we will not even have a chance to escape, so I should be cautious!”

Tong Youcai said.

“You’re afraid of death, shouldn’t I be afraid...”

Leng Yun gave Tong Youcai a white look, and then continued, “Let’s wait a while, there’s nothing going on inside, then go in...”

Tong Youcai and Leng Yun led people around. After waiting outside for a while, I found that there was no movement inside, so I led people in one after another!

And David, with Liu Rui and Lao Liu, kept walking in front. Although the passage was not big, it was a little depressing, but fortunately, there was no danger, and there was no such thing as an organ formation!

Chapter 2219

But soon, there was a fork in the passage in front of David, and three identical corridors appeared, which made David a little troubled!

Obviously, of these three identical corridors, one of them must be safe.

The other two are extremely dangerous, but David doesn’t know which way it will be safe!

David carefully observed the three passages. There was nothing on the smooth stone walls, and the shapes were exactly the same. It was difficult to choose!

Just when David and the others were hesitating, Leng Yun and Tong Youcai had already caught up!

When they saw three passages appearing in front of them, they were stunned and didn’t know which one to take!

“What should I do?”

Tong Youcai frowned!

But no one paid any attention to him, David closed his eyes slightly, and the three senses flashed. Out of the body, towards the three passages away!

It’s just that the three passages are very long. Even though David’s consciousness has reached several miles away, he still hasn’t found the difference between the three passages.

At this time, Leng Yun took out the compass, bit his finger, and dropped a drop of blood on the compass!

Soon the compass flashed red, and the needle on it was shaking violently!

Soon, the pointer slowly stopped, and finally pointed to the leftmost channel!

Seeing this, Leng Yun put away the compass, smiled at David and said, "Brother Chen, this passage on the left is the correct one, do you want to go with me?"

David did not move, but when Leng Yun saw this, he brought He walked into the leftmost passage with his own people!

When Tong Youcai saw this, he hurriedly led someone to follow him!

"Tong Youcai, what are you doing?" Leng Yun said with a cold expression when he saw Tong Youcai following.

"Brother Leng, you and I will take care of you if you encounter anything along the way. Don't worry, if you find a treasure, I will let you pick it first!"

Tong Youcai lowered his body and said flatteringly with Leng Yun.

Tong Youcai knew that in this place, no matter how high the strength is, it is useless. If you don't know the magic, you are afraid that you will be trapped here!

And the few magic masters he brought are simply trash, that's why he kept up with Leng Yun so lowly!

Seeing that Tong Youcai said this, Leng Yun didn't care about anything, and continued to move forward with Tong Youcai and others!

"Mr. Chen, what should we do?"

Liu Rui asked anxiously seeing that Tong Youcai and Leng Yun had both left, but David remained motionless.

"No hurry, wait a minute..."

David stood quietly, although his consciousness had been withdrawn, but David did not make a rash choice!

No one knows what David is thinking!

After a while, David walked straight towards the passage in the middle, Liu Rui and Lao Liu could only follow after seeing this!

I don't know how long I have gone, I don't know how far I have gone!

Finally, just when a few people were about to collapse, there was finally light ahead and there was an exit!

Seeing this, several people were very happy and hurried out!

With the light in front of their eyes, several people looked at everything in front of them in amazement!

I saw the stream here, the sound of birds and flowers, it was like another world!

Except that there are no human beings living here, the other scene is very similar to the fairy village transformed by Lao Liu!

“It’s too beautiful here...”

Liu Rui couldn’t help but exclaimed when she saw the scene in front of her!

However, David did not appreciate the beautiful scenery, but walked straight to the stream, and then touched the stream lightly with his hand!

For a moment, David’s face showed excitement!

Because this stream is exactly the same as the water in the regeneration spring!

Maybe the water in the regeneration spring flows out of this stream!

David decided to find the source of this stream and see what the reason was that gave this stream a special effect!

But just when David and the others were about to go upstream along the stream, they saw Leng Yun, Tong Youcai and others coming over too!

However, looking at the faces of these people and the scars on their bodies, it is obvious that they came out after the war!

Chapter 2220

And when Tong Youcai saw David and several others walking out of the passage, and they looked very relaxed, he was about to die of anger!

He didn’t understand, how could David be so lucky?

David ignored them, but kept walking along the stream!

After walking a short distance, I saw a towering ancient tree with criss-crossing roots. This ancient tree was dozens of meters high!

From the ancient tree, a strong spiritual energy is constantly emitting!

The stream flows through the ancient trees, constantly scouring the roots of the ancient trees!

David looked at the ancient tree in front of him in surprise, then continued forward, and then soaked his hands in the stream!

The stream at this time was just an ordinary stream, and there was no such special aura!

But when David dipped his hand in the stream water that washed over the roots of the tree, that special smell appeared!

David finally understood now that the peculiar effect of the regeneration spring came from the ancient tree in front of him!

Looking up, David saw that there were apple-like spiritual fruits hanging on the ancient tree, and the spiritual energy was surrounded by spiritual energy!

“What a powerful ancient tree, I didn’t expect that there are such things in this Kunlun Mountains...”

David couldn’t help but be surprised!

At this time, Leng Yun, Tong Youcai and others also came over. When they saw the ancient tree in front of them, they were all shocked!

“The psychic tree, the psychic tree at this time...”

Leng Yun suddenly started shouting like a madman, the excitement on his face was indescribable!

“Brother Leng, what is a psychic tree?” Tong Youcai asked puzzled.

“This is what I read from an ancient book. This psychic tree is a divine tree. The fruit on it is called psychic fruit. As long as you eat a psychic fruit, you can instantly improve your cultivation!

” According to ancient books, after someone ate a few psychic fruits, the whole person was reborn, became an immortal cultivator, and finally ascended to the heaven...” The

more Leng Yun spoke, the more excited he became, so that his body trembled slightly!

When Tong Youcai heard this, his eyes widened, his face full of incredible!

Liu Rui and Lao Liu on the side were shocked when they heard it. None of them thought that this ancient tree was still so valuable!

“In this way, the people in this Narcissus Palace should all be immortal cultivators...”

David asked.

After all, eating psychic fruit can make a warrior reborn and become a cultivator. If this psychic tree is in the Narcissus Palace, the disciples of the Narcissus Palace should all be immortal cultivators!

“That’s not necessarily true. The ancient books said that only people with extraordinary talents can do it. However, taking this psychic fruit can indeed improve people’s cultivation and reshape the body. It is definitely a treasure among treasures...”

Leng Yun explained . road!

Hearing the remodeling of the body, David’s eyes lit up. After this ordinary stream washed the roots of the tree, he has the ability to reshape the body!

It only takes seven, seven and forty-nine days, which is too long!

But if this psychic fruit is given to Hu Mazi and Long Xingxu, then their bodies should recover soon, and maybe their strength can also breakthrough!

Thinking of this, David planned to jump up and pick off the psychic fruit. You must know that although this ancient tree is dense, there are not many psychic fruits, only eight!

So David intends to strike first, get a few psychic fruits, and save Hu Mazi and Long Xingxu!

Seeing that David was about to pick the psychic fruit, Tong Youcai also jumped up and stopped David!

“David, what are you doing?” Tong Youcai glared at David, “This psychic fruit is not yours, do you want to pick it?”

At this time, Leng Yun also stepped forward, his face coldly said, “Chen Da Handsome guy, you don’t pay attention, do you want to take it all by yourself?”

Facing the temptation of the psychic fruit, Leng Yun was not very polite to David at the moment, in front of huge interests, he has no friends, not to mention Leng Yun and David are not friends

Chapter 2221

“What do you think?”

David looked at Tong Youcai and Leng Yun and asked.

“Don’t think about it, this psychic fruit is a rare psychic fruit in the world. Who doesn’t want it, but if you want a psychic fruit, you have to look at your ability.”

“Now there are a total of eight psychic fruits, Brother Leng can take them Five, I want three...”

“As for you, don’t even want to take one, and keep your life!”

After Tong Youcai finished speaking, the aura on his body began to rise continuously!

He wanted to kill David for a long time, but Leng Yun had been protecting David, and Tong Youcai couldn’t do it!

This time, in the face of interests, he knew that Leng Yun would never help David, so he would say let Leng Yun take five psychic fruits!

Sure enough, when Leng Yun heard this, his face was full ofThe intentional smile is not helping David!

David looked at Tong Youcai coldly with disdain in his eyes!

“You want to kill me too?” David snorted coldly, “You’re still practicing for ten years...”

David’s disdain made Tong Youcai instantly furious and his body jumped up!

“David, now that I have modified my genes, killing you is like chopping melons and vegetables...”

Tong Youcai’s heart was extremely swollen since his genetic modification.

The body that jumped high, burst out with a terrifying breath, and then a punch fell, bursts of explosions sounded, and the entire space was shaking!

David looked coldly at Tong Youcai, his body suddenly appeared golden light, and the undamaged golden body was instantly wrapped around the whole body, and then the power of the dragon was condensed on the fist!

A golden dragon was wrapped around his arm, followed by a punch, accompanied by a dragon roar, and a terrifying punch went straight to Tong Youcai!

Boom...

A deafening sound, the terrifying energy is like a storm, and it swept away in an instant!

Everyone was blown away by the terrifying residual energy!

But the psychic tree on the side seems to have not been affected in any way, not even a leaf!

And that Tong Youcai felt a tightness in his chest, and then he spurted out a mouthful of blood, and the whole person fell from the air like a kite with a broken string, and smashed to the ground!

“Second Young Master...”

Upon seeing this, the disciples of the Tianlei School hurried forward to help Tong Youcai up!

Seeing that David injured Tong Youcai with one punch, Leng Yun couldn’t help being shocked. He didn’t expect David’s strength to be so strong.

Tong Youcai wiped a handful of blood, and frowned tightly together!

He didn’t expect that he modified his genes and his strength improved, but he still couldn’t beat David!

“I said, your strength can’t kill me at all, so go back and practice for ten years!”

“You don’t deserve this psychic fruit...”

David said coldly to Tong Youcai.

“Brother Chen, since we entered the ruins of the Narcissus Palace together and discovered the psychic fruit together, we might as well share it together.

” I can also take two, so that I don’t have to fight to the death!”

Leng Yun saw that David was so powerful, so he smiled slightly and stepped forward and said.

David looked at Leng Yun’s sissy appearance and thought it was pretty beautiful.

If it wasn’t for Davidzhan showing his strength, I’m afraid he wouldn’t let him take any of this Leng Yun!

“What you think is quite beautiful, why do you take four? Is it because you are a sissy?”

“I want all these eight psychic fruits, you all get out now, otherwise you won’t be able to get the psychic fruits, and you will die. I have to take it here!”

David said coldly.

David’s words instantly made Leng Yun’s face turn cold, and he no longer had the kindness he had just now!

“David, do you think you can be arrogant after defeating Tong Youcai?”

“It’s a favor for you to get two psychic fruits, but you still don’t appreciate it...”

Leng Yun’s eyes narrowed slightly, his body The killing intent began to rise!

Chapter 2222

“Brother Leng, stop talking nonsense with him, let’s kill him together, and then divide the psychic fruit...”

Tong Youcai said to Leng Yun.

Since he is not an opponent himself, then join Leng Yun together, the two of them can always beat David!

But before Leng Yun could speak, an old man from Feixing sent his body suddenly rushed out!

“It’s time to humiliate my son, court death...” The

old man slapped it with a palm, and lines appeared, followed by a huge net of fire, shrouding David!

The corner of David's mouth raised slightly, it was ridiculous that the other party used magic to deal with him!

I saw David's divine dragon's power erupted, golden rays of light flickered constantly outside David's body, and a huge golden dragon began to hover behind David!

One after another flames sprayed from the golden dragon's mouth. Come out, that huge fire net was defeated in an instant!

Facing the sudden appearance of the golden dragon, the old man was instantly stunned, his face full of incredulity!

Accompanied by a dragon roar, the golden dragon roared and swallowed the old man in one bite, followed by a pile of white bones spit out!

A good martial arts master, in the blink of an eye, became a pile of bones!

This time, everyone was stunned!

"You... Who are you?"

Leng Yun widened his eyes and looked at David in disbelief!

If David is just a martial artist outside the world, how can he have such strength?

But looking at David's realm, he is also an eighth-rank Martial Saint, far from reaching the level of the Martial God, but he can easily kill the Martial God?

Leng Yun has also seen leapfrog battles, but they are geniuses among geniuses, and he has never seen such a thing that directly crosses a big realm and kills in an instant!

Could it be that the warriors outside the world are already so arrogant?

Leng Yun fell into a deep confusion!

The golden dragon slowly disappeared, and the golden light on David also gradually dimmed.

"You don't need to know who I am, now you get out, I can spare you all..."

David said lightly.

"Hahaha, you are too confident..." Leng Yun laughed loudly, "Maybe we are not your opponents, but we have so many people together, enough to kill you..."

"Really? Then you can try Try!"

David's expression turned cold, and the Dragon Slaying Sword appeared in his hand instantly, followed by a sword beam, and a disciple of the Tianlei Sect was cut in half in an instant!

“Damn, you sneak attack...”

Tong Youcai was furious, he didn't expect David to dare to take the initiative!

“Tong Youcai, let's go, kill this kid...”

Leng Yun shouted, and followed Tong Youcai to attack David!

The disciples of the Feixing faction and the Tianlei faction also gathered around!

Seeing this, Liu Rui knew that today was a mortal situation, so she risked her life, holding a long sword, and jumped up!

Lao Liu stepped aside. He didn't do anything. After all, David was at a disadvantage now. If he did, he might die!

However, he didn't help Leng Yun and Tong Youcai either, he just watched quietly!

David alone, facing the attack of several people, didn't even have a trace of panic!

“Die...”

Tong Youcai shouted loudly, and slapped a palm towards David, the palm wind whistled, and bursts of tornadoes blew up!

At the same time, Leng Yun also jumped up, and the compass in his hand radiated a dazzling light, directly illuminating David!

They are planning to kill David with one blow, no longer delay!

David is holding the Dragon Slaying Sword, the golden dragon is circling behind him, and the golden light rises into the sky!

“Nine Shadow Swordsmanship, Slash...” In

an instant, there were only one David, but now there are six identical Davids!

Each David held a Dragon Slaying Sword, and six sword beams shot out!

“What's going on?”

Tong Youcai and Leng Yun were both stunned and looked at David in disbelief!

Chapter 2223

Before the two of them could react, they were instantly blown away by the sword light, and the surrounding disciples of the Tianlei School and Feixing School were penetrated by the sword light, and they lost their voices in an instant!

This time, Tong Youcai and Leng Yun's expressions were extremely ugly. Several people attacked together, not only did they not kill David, but they even killed several people by the opponent!

"I gave you a chance to live, but you didn't cherish it, so it's no wonder that you all die here today!"

David looked at the two of them with murderous intent!

At this moment, the corners of Leng Yun and Tong Youcai's eyes kept twitching, and they never thought that this would end up like this!

Now if they let them go, they will definitely not be reconciled, the psychic fruit is in sight, but if they don't go, they can't beat David.

For a while, Leng Yun and Tong Youcai were a little overwhelmed!

"Hahaha, the dignified Feixing faction and the Tianlei faction are scared of being beaten by a kid from outside the world. If this is spread out, wouldn't people be

laughed at!" Leng Yun and Tong Youcai were at a loss. Suddenly, a loud laugh came from behind!

Everyone hurriedly looked at them and found that several people wearing the same clothes came out, and these people were all powerful, at least in the realm of the third-rank Martial God!

"Fen Tianjiao?"

Leng Yun and Tong Youcai were both stunned when they saw the person coming!

And that Lao Liu's expression changed, he hurriedly stepped forward, and respectfully said to the leading old man, "Great Protector..." When

the Great Protector saw Lao Liu, his brows were slightly wrinkled, and he seemed a little surprised and said, "Lao Liu, you are so unexpected. Not dead? Are you still here?"

Lao Liu lowered his head and said nervously, "I am not strong enough, I was captured alive..."

At this time, Lao Liu did not dare to say that he surrendered to David and came here alive!

Although he ate David's poison pill, in this situation, he didn't dare to speak to David!

"Waste thing, get back..." The

Great Protector glared at Lao Liu, then looked at Leng Yun and Tong Youcai with a smile and said, "You two young masters, stay safe." It seemed

that the Great Protector and Leng Yun and Tong Youcai know each other!

Leng Yun and Tong Youcai looked very ugly and said nothing.

Finally, Leng Yun said, "Didn't your Fentian Cult disappear for many years? Why did you suddenly appear here?"

"Disappeared?" In the Kunlun Mountains."

"You are here because of the ruins of the Narcissus Palace?"

Tong Youcai also asked at this time.

"Nonsense, not for the ruins, what am I doing here!"

"But I can cooperate with the two of them and kill this kid. Then we will share the psychic fruit among the three parties!" The

great protector took the initiative to follow Leng Yun and Tong Youcai cooperate!

After all, the Fen Tian Sect belonged to evil cultivators. If Leng Yun and Tong Youcai were united, plus David, the Great Protector would be in danger if they knew that they were.

Therefore, he decided to take advantage of the conflict between Leng Yun and David, to start first and join forces with Leng Yun and the others!

This time, Leng Yun and Tong Youcai were a little hesitant. After all, their hidden world sect was not allowed to cooperate with evil cultivators!

"Leng Yun, Tong Youcai, as members of the hidden world sect, you are not allowed to cooperate with evil cultivators, otherwise you will be attacked by major families."

Seeing this, Liu Rui hurriedly faced Leng Yunhe . Tong Youcai said!

If they really join forces, then she and David are in danger!

"Hahaha, don't shout, you little girl of the Pure Yang Sect, now there are already sects in the hidden world to cooperate with us."

"The Medicine Refining Sect has been cooperating with us, and the resources sent by your Pure Yang Sect, Most of them are in our hands."

The Guardian said with a big laugh.

Chapter 2224

This time, everyone was shocked, especially Liu Rui. I didn't expect that after so many years, their Pure Yang Sect was deceived by the Medicine Refinement Sect and the Fen Tian Sect partnering!

Leng Yun and Tong Youcai were also surprised, looking very surprised!

“Young Master Leng, Young Master Tong, think about it, do you want to cooperate with me, kill this guy, and then divide the psychic fruit equally, or are you killed by this guy and let him swallow the psychic fruit alone?”

” The protector spoke to Leng Yun and Tong Youcai again.

“Okay, I’m willing to cooperate...”

Tong Youcai nodded.

After all, Tong Youcai had a grudge against David, and he always wanted to kill David!

Moreover, their Tianlei School’s genetic modification is also a crooked sect, so even if they cooperate with the Burning Heaven Cult, it is nothing!

Seeing this, Leng Yun can onlyHe nodded and said, “Okay, I’m also willing to cooperate...”

“Hahaha, wise...” The Great Protector laughed!

“Great Protector, after killing David, how will the psychic fruit be distributed? After all, there are only eight!”

Leng Yun asked the Great Protector.

“You two each take three, I only need two, but this ruin will be used as a base for our Burning Heaven Sect,”

said the Great Protector.

“Okay, no problem!” Leng Yun said with satisfaction.

After all, the psychic fruit is a priceless treasure. As for this relic, they are useless. They can’t move their sect here!

Seeing the alliance of the three, Liu Rui’s face became extremely ugly!

No matter how strong David is now, there is no way to deal with the combined attack of these three!

“You two would actually believe the words of an evil cultivator. You really killed me. Not sure if you can get the psychic fruit at that time!”

David said to Leng Yun and Tong Youcai.

“David, stop struggling, even if I kill you, I’m willing to get the psychic fruit, I just want you to die.”

Tong Youcai roared at David!

“Young Master Tong, why do you talk nonsense with him? Let’s just do it between us. A small outsider warrior is too arrogant!” The Dharma Protector

stared at David like a poisonous snake. He had already seen David’s extraordinary strength. !

“I originally wanted to give you a way to live, but now that you are following the evil cultivator, you can only die!”

David said lightly!

“Hahaha, David, look at your own situation and dare to say such a big thing.”

Tong Youcai laughed!

“Okay, let’s go together...”

After Leng Yun finished speaking, the compass in his hand was instantly thrown into the air, and a beam of light shone directly towards David!

Although David was very relaxed at this time, he was very nervous inside!

However, in the face of the attacks of these people in front of him, he could only bite the bullet and resist!

The Dragon Slaying Sword in David’s hand exuded endless brilliance, and his body radiated golden light. A huge golden dragon appeared behind David again!

David’s body slowly floated up, and the whole person stood proudly above the head of the golden dragon, one person and one dragon, like a fairy outside the sky!

Seeing this scene, Leng Yun and Tong Youcai were both stunned!

After all, they were shocked by this golden dragon!

“What are you doing, this golden dragon is just an illusion, what’s so scary!” The

Great Protector yelled at Leng Yun and Tong Youcai!

Only then did the two react, and then an endless aura erupted from their bodies!

Soon, the two of them rushed towards David with their respective subordinates. The Great Protector waved his hand, and several subordinates rushed forward!

And he himself went straight to Liu Rui!

David looked at the rushing people, and the sword qi burst out from the Dragon Slaying Sword in his hand, and countless sword qi shot out from the Dragon Slaying Sword!

And the golden dragon under the seat also uttered bursts of dragon roars, swung its tail, and set off a huge wave of air, which directly lifted the two warriors!

David, one person and one dragon, actually fought with more than a dozen people!

Chapter 2225

“Thunder strikes...”

Tong Youcai became anxious when he saw that David was fighting a dozen people by himself, without falling behind!

After a loud shout, the void vibrated for a while, and black clouds condensed in the mid-air, and there were continuous lightning strikes in the black clouds.

These lightning bolts are extremely fierce and dense, controlled by Tong Youcai, and they are constantly bombarding David!

The thunder rolled in, like a harbinger of an impending storm.

Seeing this, David couldn't help sneering!

Even if it is a real thunder calamity, David has never been afraid of it, let alone Tong Youcai, what kind of thunder, in David's eyes, is like a child's play!

David's body flickered with golden light, and one after another thunderbolt struck David, but it did not cause any damage to David!

When the cold cloud sees this, then it was commanding the compass, and a dazzling light shot out, turned into a sharp sword, and went straight to David!

David stepped on the golden dragon, and instantly shot out a brilliance in the dragon's mouth, instantly repelling the sharp sword!

The golden dragon roared, the endless terrifying aura emanated from David's body, and both Leng Yun and Tong Youcai were repelled by this aura!

And those other warriors, under this terrifying atmosphere, vomited blood one by one, and many people were seriously injured!

When the two Burning Heaven Sect masters saw this, they instantly squeezed the magic formula, and their bodies disappeared in mid-air, instantly making David lose his target!

Seeing this, David sneered!

Although these people's stealth skills are good, they can hide their bodies, but they can't hide their breath!

David had already locked the position of the two through his breath!

Just as the two Burning Heaven Sect masters were about to launch a sneak attack on David, the Dragon Slaying Sword in David's hand slashed behind him!

A sword qi shot up into the sky, directly slicing the two Burning Heaven Sect masters in half!

This time, more than a dozen people fought against David, and the casualties were so heavy!

"Damn, this kid is so powerful?"

Tong Youcai couldn't believe that David was an outsider warrior, and he was only in the realm of Martial Saint, but his strength was so terrifying!

Leng Yun also had a gloomy expression, gritted his teeth, and David's strength was beyond his imagination!

Now that their situation, if they spread it out in the hidden world, they would be laughed at by other sects!

"Then why didn't the Fentian Sect's great protector act yet?"

Leng Yun said angrily.

"This guy, doesn't want the mantis to catch the cicada or the oriole behind?"

Tong Youcai was very angry when he saw that the great protector didn't take action!

But when they looked at the Great Protector, they found that the Great Protector was attacking Liu Rui!

Liu Rui is no match for that great protector at all!

With just a few moves, Liu Rui was directly defeated by the great Dharma protector and captured by the great Dharma protector!

"Children outside the world, you really have some skills, you can fight a dozen hidden world masters alone, you can be so easy."

"But this little girl is in my hands now, if you dare to resist, I will kill him immediately. "The

great protector held Liu Rui hostage and said to David.

David frowned when he saw that Liu Rui was being held hostage by the Great Protector!

"As the great protector of the Fentian Sect, you can be considered a respectable figure in the hidden world, isn't it a bit too inauthentic to threaten me with a woman?"

David said coldly to the great protector.

“You don’t need to tell me this, I only care about the result, no matter the process, you just grab it now, or I’ll make this little girl’s head burst in an instant!” The

big protector grabbed Liu Rui’s head with one hand, right Threatened by David!

“Mr. Chen, don’t worry about me, kill them...”

Liu Rui shouted at David loudly!

Liu Rui can also see that even if these people join forces, it is estimated that it is difficult to be David’s opponent, so this great protector knows from the beginning, so he will take action on himself and threaten David with himself

Chapter 2226

“Shut up...”

The guardian slapped Liu Rui’s back with a palm, Liu Rui spurted out a mouthful of blood in an instant, and her face was extremely pale!

“Stop...”

David frowned, his eyes full of killing intent!

“Boy, be obedient, this little girl can survive, otherwise she will die...” The

Great Protector continued to threaten David!

Although Tong Youcai and Leng Yun at this time also have some shameless ways of protecting the law, but now there is really no better way to control David!

“Okay, I can capture it, but you have to let her go!”

David nodded, the golden dragon under the seat disappeared instantly, and David himself fell to the ground!

At the moment when David landed, Tong Youcai suddenly burst into breath, and then his body disappeared in place in an instant. Under the circumstance that David was defenseless, he slapped David with a fierce palm!

This palm was so powerful that it slapped directly on David’s back and made a loud noise!

David was hit hard by this palm, and his body flew out instantly, followed by a mouthful of blood!

David fell to the ground and glared at Tong Youcai, but Tong Youcai said proudly to David, “David, get up and continue to fight me? If you dare to do it, Liu Rui will be dead immediately. !”

David glared at Tong Youcai, but did not move, he knew that if he made a move at this time, the great protector would definitely kill Liu Rui!

Seeing that David was really afraid to move, Tong Youcai laughed, then jumped up and kicked David again!

Bang...

This kick made David's internal organs continue to roll, and the blood in his mouth continued to spurt. Obviously, he was seriously injured!

"Mr. Chen, Mr. Chen..."

Liu Rui saw that David couldn't fight back for her own sake, and was seriously injured, she immediately blamed herself and burst into tears!

"Mr. Chen, leave me alone, leave me alone..."

Liu Rui told David to leave her alone, but David didn't listen. After all, David's life was saved by Liu Rui, and he couldn't watch Liu Rui die. !

Tong Youcai saw that David really didn't dare to fight back, so he completely relaxed, and went straight forward to punch and kick David!

Tong Youcai was venting the anger in his heart until Tong Youcai was tired, and then he stopped, and David was also seriously injured at the moment, it was a little difficult to stand up!

"Okay, it's time for us to get the psychic fruit, this guy will be dealing with him soon!" The great protector threw Liu Rui away, and then said to Tong Youcai.

Now that David is seriously injured, any martial artist can easily kill him, so the Great Protector is no longer worried!

"Okay, when we finish dividing the psychic fruit, it won't be too late to kill this kid..."

Tong Youcai also nodded!

In fact, he didn't know that the reason why the Great Protector did not let Tong Youcai kill David was because the Great Protector had a crush on David's physical body and David's strength.

As long as he absorbs David's strength and captures David's body, the strength of the Great Dharma Protector will definitely increase a lot!

But now he can't say it clearly to prevent Tong Youcai and Leng Yun from having a dike against him!

"Mr. Chen, Mr. Chen... They all blame me, they all blame me. If I hadn't been caught, you wouldn't have done this."

Liu Rui stepped forward, subdued David, and then slowly wiped it away With the blood on David's body!

Liu Rui cried bitterly, she actually hated herself a little now, hating her own strength for being too weak, adding so much trouble to David.

“Miss Liu, you don’t have to blame yourself, I’m fine, I won’t die!”

David tried his best to squeeze out a smile!

“You are optimistic about the two of them, don’t let them run away.”

Tong Youcai ordered people to look at Liu Rui and David, and then followed the Great Protector to the psychic tree, thinking about how to pick off the psychic fruit!

Chapter 2227

“Great protector, although this psychic tree is not tall, none of us have picked the psychic fruit before, and we have no experience. I don’t know how to pick this psychic fruit?”

Leng Yun asked the big protector . road.

“It’s also the first time I’ve seen this thing, but we can try it out, and send someone to pick one first!”
The

Great Protector knew that there should be some restrictions on this kind of divine tree, and the psychic fruit is not so easy to pick . Yes, if you really touch the ban, you will lose your life!

“Alright, let’s send someone to pick one and try it first!”

Tong Youcai also supported the Great Protector’s proposal!

“You go up and pick one...” The

Great Protector pointed at Lao Liu, and then said!

This old Liu betrayed the Fen Tian Sect, and the great protector has not punished him yet. Treat him, and now just let him go to Lei to see!

When Lao Liu heard this, his face suddenly became very ugly!

He also knows that this psychic fruit is not so easy to pick.

But now that the Great Protector has spoken, he can’t help but listen, so Lao Liu can only bite the bullet and start to climb up the psychic tree!

A transparent wall of air flickered around Lao Liu. This is a body protection array. If something happens, it can block the damage for Lao Liu!

In this way, Lao Liu carefully went to the psychic tree, looking at the psychic fruit in front of him, Lao Liu never dared to reach out!

The fingertips moved, and red lights shot towards the surroundings. Lao Liu was checking to see if there were any restrictions around him!

After some exploration, it was found that there was no formation restriction on the psychic tree, and Lao Liu was relieved!

Then slowly reach out and grab the psychic fruit!

Under the tree, Tong Youcai, Leng Yun, and the great protector all looked up nervously. If Lao Liu succeeded, they would rush up without hesitation and pick off the psychic fruit!

But just as Lao Liu's hand touched the psychic fruit, the psychic fruit instantly emitted a fragrance, and then the entire psychic tree shook violently.

Lao Liu almost fell from above, Lao Liu hugged the tree trunk tightly, his face turned pale with fright!

"What's going on?"

Tong Youcai was so frightened that he hurried away, looking at the psychic tree shaking violently, and asked with a shocked expression.

The fierce battle just now failed to shake the psychic tree, not even the leaves!

But now, that old willow just touched the psychic fruit, the whole psychic tree shook violently in an instant, there must be something wrong!

"Lao Liu, take off the psychic fruit for me, no matter what happens!" The

Great Protector roared at Lao Liu.

No matter what happened to the psychic tree, the great protector had to pick off the psychic fruit first.

When Lao Liu heard this, he could only helplessly stretch out his hand again, but this time he was more cautious, and the speed of reaching out was even slower!

When Lao Liu trembled and touched the psychic fruit with his hands again, a strong wind suddenly hit!

Lao Liu didn't have time to react at all, he only felt a huge suction force, which instantly sucked Lao Liu in!

As for Tong Youcai and Leng Yun under the tree, their faces changed greatly at this moment, and they turned their heads and thought about running away!

I saw a huge green dragon with a big mouth, hovering above the tree canopy, just now the old willow was swallowed by this giant dragon!

There was no response at all, and he died!

Immediately afterwards, a dragon roar sounded, and a hurricane instantly blew on the ground!

“This... what is this?” The

Great Protector had never seen the dragon at all.

But Tong Youcai and Leng Yun had met before, and this underground entrance was smashed open by this giant dragon. They followed up but did not find the figure of this giant dragon. It turned out to be hidden above the tree canopy!

“This should be the divine beast guarding this psychic tree. If we want to get the psychic fruit, we must kill the giant dragon...”

Leng Yun said loudly.

Chapter 2228

But looking at the terrifying aura on the dragon, no one dares to say that they can beat this dragon!

If they don't kill the dragon, they can't get the psychic fruit!

“The strength of this giant dragon, I'm afraid we can't kill it at all...” The

Great Protector said with a frown.

“Then what should we do? Are we just giving up?”

Tong Youcai was unwilling, the psychic fruit was right in front of him, but he couldn't get it.

“There is one way, that is, let people attract the hatred of the giant dragon, attract the giant dragon away, and we take the opportunity to go forward and pick off the psychic fruit!”

said the great protector.

“This method is feasible, but who will attract the dragon's hatred?”

Leng Yun asked.

You know, this attracts dragon hatred, the person who leads the dragon away will surely die. Who would do such a thing?

The three looked at each other, no one would do such a mortal errand!

And if you ask those subordinates to do it, with the strength of those subordinates, it is estimated that they will be swallowed without leading the dragon away.

At this time, Tong Youcai suddenly set his eyes on Liu Rui and David, and his eyes flashed!

“Yes, we can let these two guys attract the hatred of the giant dragon, and we take the opportunity to pick off the psychic fruit!”

Tong Youcai himself wanted David to die, and this time let David attract the giant dragon, then Certainly must die!

“Good idea, the two of them won’t survive anyway, just use it!”

Leng Yun also nodded!

Although the great protector was a little reluctant to give up David’s physical body and strength, but in the face of the psychic fruit, he could only agree!

“David, we’ll give you a chance to live. You two will now lead the dragon away!”

“As long as the dragon is led away, the two of you can leave here and spare your life!”

Tong Youcai walked up to David and said arrogantly.

“Tong Youcai, do you think we are fools? If we go to attract giant dragons, we will be eaten by giant dragons, and we will surely die.”

Liu Rui shouted at Tong Youcai!

“That’s not necessarily true. If the two of you cooperate with each other, you will have a chance to survive. If you don’t go, we will kill the two of you now...”

At this time, Leng Yun also came over, facing Liu Rui and David threatened!

“Don’t dream, we won’t help you even if we die.”

Liu Rui knew she was going to die today, but she didn’t want to help these guys before she died!

“Okay, since you said so, then I’ll send you on your way!”

Tong Youcai burst into breath in an instant, and then he was about to attack Liu Rui and David!

“Wait a minute...”

David said at this time!

Tong Youcai stopped and asked David, “Have you figured it out, you must know your last chance to survive at this time!”

“Okay, I promise you, I will lure the dragon away.”

David nodded and said.

When Tong Youcai heard this, he was instantly overjoyed and said with a faint smile, "That's right, remember, the opportunity is always earned by yourself."

"Mr. Chen..."

Liu Rui didn't understand why David wanted to help Tong Youcai. them!

They are all dead anyway, so why help them before they die? Liu Rui is a little confused!

David waved his hand towards Liu Rui and said, "Even if I die, I don't want to die in their hands..." When

Liu Rui heard this, she didn't say anything anymore!

"Have the backbone, now you go to lure the dragon away, remember not to play tricks, if you don't lure the dragon away, you are like running away, you can't escape at all!"

Tong Youcai exhorted David!

David ignored him, but walked slowly towards the psychic tree with the Dragon Slaying Sword in hand, and Liu Rui followed closely behind!

Although she knew she was going to die and was mentally prepared, Liu Rui still looked a little nervous when she saw the giant dragon on the canopy!

"Don't be afraid, we won't die..."

David looked at Liu Rui, smiled slightly, and comforted Liu Rui.

Chapter 2229

Liu Rui nodded. I don't know since when, Liu Rui began to unconditionally believe David's words!

Tong Youcai and others watched from a distance, they did not dare to approach, and the giant dragon was only hovering on the psychic tree, and would not take the initiative to leave to attack others!

And when David approached with Liu Rui, the giant dragon began to roar, making a loud roar, as if preventing the two from getting close!

Liu Rui followed closely behind David and walked under the psychic tree!

"Go..."

David pulled Liu Rui up, and the two jumped up.

When the giant dragon saw this, it opened its bloody mouth, and a dragon breath sprayed towards David and Liu Rui!

The terrifying power caused the surrounding void to tremble. Even if they were hundreds of meters apart, they still felt this huge power of!

This force came towards David and Liu Rui fiercely. When David saw this, he gritted his teeth, and the golden light on his body flickered. He knew that he only had this chance!

But just when the power of the dragon's breath reached David, David's chest suddenly flashed light, and the dragon crystal in David's body began to emit the power of the dragon!

The power of the dragon's breath was instantly resolved, and David and Liu Rui also successfully reached the psychic tree and faced the dragon from a distance!

"Miss Liu, don't move, I'll deal with the dragon..."

After David finished speaking, he jumped up and went straight to the dragon!

It's just that David did not attack the giant dragon, but jumped to the top of the dragon's head, grabbed the dragon's horns with both hands, and stood on it!

And that ferocious dragon, at this moment, has become very docile, and a dragon roar uttered in his mouth, as if to please David!

This sudden scene made Liu Rui a little unbelievable!

Even Tong Youcai and the others were shocked to see David standing on the giant dragon's head, with a very surprised expression!

A sneer appeared on David's face, and he said to Liu Rui, "Miss Liu, you take off the psychic fruit, and I will stop these guys..."

David finished speaking, his hands emitting bursts of light, and the light entered instantly along the dragon's horns. To the body of the dragon!

Immediately afterwards, with a violent roar, he rushed straight down from the psychic tree!

Liu Rui did not dare to delay, and immediately began to pick the psychic fruit on the tree!

Seeing Liu Rui picking the psychic fruit, Tong Youcai and Leng Yun were all angry!

"Stop, this is ours..."

Tong Youcai, Leng Yun, and the Great Protector were furious, and charged directly at Liu Rui!

David rode the giant dragon and rushed out in an instant, followed by a force of dragon breath, which sent several people flying out!

Several people watched Liu Rui pick the psychic fruits, their eyes were full of blood red, and they almost vomited blood!

But now that David is driving the giant dragon and blocking them, they can't get close at all!

You must know that the dragon this time was not transformed by David. The strength of this dragon is also very powerful!

“What should I do? What should I do?”

“Did you just watch the psychic fruit being taken away by David?”

Tong Youcai roared anxiously, but no one dared to step forward to stop it!

Seeing that Liu Rui is about to take all the psychic fruits in his pocket, no one can break through David’s block!

Fen Tianjiao’s great protector looked at David with a gloomy gaze, and black mist began to fill his body!

“I have a way to kill the giant dragon in front of me and get back the psychic fruit...” The

Great Protector said slowly!

“What way?” Leng Yun and Tong Youcai said at the same time.

“Wait a minute and you’ll find out!”

After the Great Protector finished speaking, he slowly turned to look at the disciples of the Burning Heaven Sect, and said in a cold voice, “Now is the time for you to dedicate your life to the Burning Heaven Sect, and your souls will be immortalized. .”

After speaking, the Great Protector read the magic formula in his mouth, and then there were black tentacles appearing in the ground, and then entangled the disciples of the Burning Heaven Sect!

Chapter 2230

And these disciples of the Burning Heaven Sect were not only not afraid, on the contrary they showed excited expressions!

The black tentacles slammed into the bodies of those Burning Heaven Sect disciples, and the vigor continued to drain from the bodies of those Burning Heaven Sect disciples.

The strength of the great protector began to skyrocket rapidly, and the black mist that filled his body became even more intense!

Soon, the disciples of the Burning Heaven Sect were sucked into mummified corpses, but these people still had excitement on their faces when they died, as if death was a joyous thing for them!

Seeing this scene, Tong Youcai and Leng Yun were both dumbfounded. Although they knew the evil cultivation method, they could absorb the power of others to enhance themselves!

But actually seeing this scene with my own eyes is still very shocking!

“Great Protector, do you mean to absorb the strength of others to deal with this David?”

Leng Yun saw the Great Protector’s attempt!

“Yes, apart from this method, can you come up with a better method?” The

Great Protector nodded and said.

Leng Yun stopped talking, because there was really no better way to deal with David!

And Tong Youcai frowned and said, “You can absorb the strength of others and improve yourself, and you can really deal with David, but you can also deal with us easily. What if you don’t give us the psychic fruit? ?”

Tong Youcai has his own concerns. If the strength of the Dharma protector is really improved, then they will be lambs waiting to be slaughtered. Whether they will give the psychic fruit or not is not a matter of a word from the Dharma protector!

“Young Master Tong, do you have any other choice besides trusting me now?”

“And it is impossible for me to offend your two major sects for a few psychic fruits. I am not a fool!”

said the great protector.

“Tong Youcai, I think we can give it a try, otherwise we will not only get the psychic fruit, and David will not let us go.”

Leng Yun knew that after David got the psychic fruit, his strength would definitely be improved. A surge, and they won’t be able to survive by then!

Tong Youcai hesitated for a moment, then nodded and said, “Okay, let’s do it like this!”

Seeing Tong Youcai nodding, the disciples of the Tianlei Sect were all bewildered, and fell to their knees one by one, “Second Young Master, you can’t do this. Do it, we are loyal to you, you can’t abandon us!”

The disciples of the Feixing faction also knelt in front of Leng Yun and wanted to beg for mercy, but before they could say anything, tentacles began to attack and entangle them all. Living!

When those warriors saw this, they knew that it was useless to plead for mercy, and they began to quickly swept around, trying to escape from this place!

It’s a pity that none of them escaped the attack of the tentacles, and they were all entangled in it, unable to move at all!

With the continuous flow of the strength of those warriors to the great protector, the aura of the great protector began to soar rapidly!

Seeing this, David frowned slightly, driving the giant dragon and rushing down instantly!

He can't let this great protector improve his strength, otherwise it will be really difficult in the end!

David is still seriously injured, relying only on the power of the giant dragon. If the giant dragon can't defeat the great protector, then David will have no way to keep these psychic fruits!

With the sound of a dragon roar, the giant dragon, under the control of David, rushed towards the Great Protector!

The Great Protector snorted coldly, his body jumped up, and he punched the giant dragon!

The giant dragon opened its mouth, and the power of the dragon's breath spurted out, and it collided with the fist of the great protector!

Boom...

With a loud noise, the energy overflowed, and the power of the dragon's breath was instantly dissipated, and the terrifying power hit the giant dragon's head fiercely!

The dragon let out a painful roar, and David almost fell off the dragon's head!

The great protector also swayed and fell from the air.
