

His True Colors Chapter 216-223

Chapter 216

"Are you going to hurt me if she forces you? I took you for a sister, and this is how you treat me, how you treat me?" Jiang Ying Ying was very angry, more angry than being insulted, because the entire dorm room, she and Liang Hong's relationship is the best, the two were born close to each other, both are single parent family, have always sympathized with each other, Jiang Ying Ying even treats Liang Hong as her own sister, she has difficulties in life, even if she tightens her belt, Jiang Ying Ying will help her, but she never thought that Liang Hong will harm her.

Liang Hong knew how sorry she was for doing this to Jiang Ying Ying and cried, "I'm sorry, Ying Ying, please forgive me."

"Go away, we are no longer sisters from now on." Ying Ying Jiang said.

"Ying Ying me." Liang Hong wanted to say something, but the words that reached her throat were not spoken after all, she knew she was not in a position to ask Jiang Ying Ying to forgive her.

At this time, a middle-aged man came running to the restaurant, appearing very eager and sweaty, accompanied by Shen Dan, who was Shen Bin, Shen Dan's father.

After arriving at the school, Shen Dan has told Shen Bin about the course of events, when Shen Bin learned what had just happened, they are almost scared to death.

The young man who was able to make Lu Ning Bao Chen four big figures appear, this kind of weight level, he couldn't afford to offend, so he had to quickly find Han Qianqian to make amends.

After seeing Han Three Thousand and Jiang Ying Ying, Shen Bin walked up to the table and bowed and bent over and said, "Little brother, I brought my daughter here to apologize to Jiang Ying Ying, she was momentarily confused before she made a mistake, please forgive her."

Han Three thousand pretended not to see anything, gave Jiang Yingying food and said, "Eat more, you have to make up for being wronged so much."

Shen Bin saw that Han Qianqian didn't pay any attention to him and continued with a hard scalp, "The Shen family is willing to bear the consequences and will never run away from them, I will try my best to satisfy you if you have any requests."

"Apologize, be apologetic." Han Qianqian said without looking at Shen Bin.

Shen Bin's heart sank and he gritted his teeth and said to Shen Dan, "Don't kneel down yet."

"Dad" Shen Dan couldn't accept kneeling in public, she was a very face-loving person and had been spoiled by Shen Bin since she was a child, when had she ever done such a humiliating thing.

"Cut the crap, I told you to kneel down." Shen Bin looked at Shen Dan with a cold face, this young man in front of him, one word could make the Shen family ashes, if he didn't do what he wanted and didn't

satisfy him, the Shen family would be finished.

Shen Dan looked desperate, sneaking a glance at Han Qianqian, then kneeling down on both knees.

"What other demands do you have?" Shen Bin asked.

"Is this kind of sincerity enough?" Han Qianli asked rhetorically.

Shen Bin was stunned and clenched his teeth, he was at least a not-so-small celebrity in Rong City, and in terms of age, he was considered an elder, but he was still required to kneel?

But the thought of Han Qianqian being able to alert Lu Ning Bao Chen's four men, Shen Bin instantly let off steam, being able to mobilize these few big names, what was he Shen Bin?

With a bang, Shen Bin knelt down.

Han Qianqian said to the nervous Jiang Yingying, "Don't be afraid, eat, if anyone dares to take revenge on you in the future, I will definitely make him break his family."

Hearing this, Shen Bin's body trembled, this was clearly Han Qianqian knocking him around.

"In the future from now on, Jiang Ying Ying will be the guest of the Shen family, I will treat her well, if anyone dares to bully her, I, Shen Bin, will be the first to refuse." Shen Bin said.

Han Qianqian smiled, this Shen Bin is also an old fox, his brain is quite fast, Han Qianqian's intention of these words is to find a patron for Jiang Ying Ying in Rong City, to avoid similar things from happening again in the future, after all, she still has to study in Rong City.

Throughout the meal, the two Shen father and daughter knelt down, and it wasn't until Han Three Thousand and Jiang Ying Ying left that the two, whose legs were numb, got up with the help of the waiter.

"Dad, is this matter, sort of, resolved?" Shen Dan asked with a throbbing heart.

Shen Bin sighed and said, "Since he didn't say anything more, he shouldn't be looking for trouble with the Shen family, but who exactly is this young man and how could he possess such great ability?"

Shen Bin couldn't figure out how much face and high status it would take to be able to find Lu Ning Bao Chen to appear before the four of them at once.

"Dad, I want to marry him." Shen Dan suddenly said.

Shen Bin was stunned, then shook his head and said, "I know you want to marry into a noble family, but this kind of person is much higher than the Shen family, you are not worthy of him and he looks down on you, it's better to dispel this idea."

Shen Dan slumped his head weakly, the words he had just said were only spoken on impulse, and by careful deduction, how could such a thing be possible? It's nice that she's a thousand-year-old girl, but how does she compare to Han Qianqian?

Walking out of the restaurant, Han 3,000 sent Jiang Ying Ying to the school entrance and said to Jiang Ying Ying, "If you want to work part-time in the future, you can go to Shen Bin's company, he shouldn't make it difficult for you."

"Brother Three Thousand, thank you for helping me so much." Jiang Yingying said.

"How many times have I said thank you, you're not tired of it, my ears are getting calloused, don't say such words in the future." Han Marchand said.

Jiang Ying Ying didn't know how to appreciate Han Marchant except to say thank you, that's why she repeatedly brought it up, listening to Han Marchant's words and nodding her head, "When I go on vacation, I'll definitely work hard and treat you to a big meal."

"I'm looking forward to it, you'll have to work harder, I'm not going to a cheap place." Han Qianli pretended to pick up his clothes and continued, "After all, I'm a rich man driving a Lamborghini."

Jiang Ying Ying couldn't help but laugh when she saw Han Three Thousand's appearance and said, "Brother Three Thousand, don't pretend, I know you're different from other rich people."

Han 3000 had a serious expression and said, "What, don't I look like a rich guy?"

"Unlike." Jiang Ying Ying said dryly.

Han Giangli rolled his eyes, it seems that this life indeed doesn't have the qualifications to be a rich second generation ah, even pretending not to be like that.

"Go to class, I'm going to see this place in Rong City, first time here, bring some gifts home for my wife." Han Marchian said.

Jiang Ying Ying couldn't believe her eyes as she looked at Han Marchant and said, "Brother Marchant, you're already married?"

"Yes, husband and wife love each other and live in harmony, let's go." Han Marchian turned around and waved his hand to Jiang Ying Ying, this kind of little girl, when she's not paying attention, she'll keep her feelings, Han Marchian's words were also considered to have cut off Jiang Ying Ying's thoughts, of course, it could be self-inflicted.

Jiang Ying Ying watched Han Marchian drive away, which was only languishing back to the school.

How did he get married at such a young age?

Rong City had been developing very rapidly in recent years, with many high-rise buildings, and was already infinitely approaching the size of a first-tier city, so perhaps in another two or three years, it would be able to officially make it onto the list of first-tier cities.

Although Han Qianli had never been to this place before, it was a place to consider for development.

If it was before, Han Three Thousand wouldn't have had such thoughts, his goal in the past had only been to replace the Han family and surpass it.

But now, Han 3,000 knew that the Han family secretly had a powerful opponent, and that this opponent most likely held grandpa's life in his hands, so he had to do everything he could to make himself strong enough.

If grandpa was still alive, he would do everything he could to bring him back, and the only person in the entire Han family worthy of his attention was Han Tian Yang, a man who claimed to have been born with a heavenly upbringing, without any backstage capital, and with his own hands, he had fought his way to the Han family's current glory, and such a person was not only worthy of Han 3000's attention, but also respect, because in his heart, grandpa was like an idol.

The Earth's Core Prison, what exactly was it? Why had all the connections already been used and no news had been picked up about the Ground Zero prison.

Can we just wait for them to come to us?

According to the gopher, no one knew the location of the Geocentric Prison, and those national felons were personally taken away by the Geocentric Prison, and even national-level bigwigs couldn't access the core letter of the Geocentric Prison.

Driving to the most prosperous commercial street, Han Qianlian's Lamborghini caused many people to stop and watch, and when he parked the car and got off, a very sexy girl dressed in very sexy clothes walked up to him.

The body is tall and voluptuous, can not find any blemish, looks very beautiful, exquisite light makeup is also not like those heavy makeup girl with dusty taste.

Chapter 217

"No one in the passenger seat? I'm free tonight, so why don't you invite me to dinner." The woman threw a fawning look at Han 3,000.

Han Marchant sized her up from bottom to top and said, "I'm a driver."

As soon as the woman heard this, her expression instantly changed and she said through clenched teeth, "Wasting my time, why didn't a driver say so earlier."

"I'm a driver, do I need to hang a sign around my neck?" Han Giangli smiled helplessly.

But the woman was clearly no longer interested in him and turned away, not bothering to pay attention to what he had said.

"Hey." Han 3,000 sighed, this was the naked real world, a woman who seemed to be a gold-worshipper, but was actually ugly inside and would do anything for money.

"man, you're wasting a great opportunity ah, this kind of woman, you can casually get it on, but you don't even want it." A reluctant voice sounded in Han Qianli's ear.

Han 3000 turned his head to look, although he had changed his clothes, his appearance, Han 3000 still remembered it clearly.

"It's you."

"it's you!" Qing Yun's expression was shocked as he looked at Han Qianqian.

"If you're not going to tell fortunes, what are you doing here?" Han Qianli said cryptically, the last time this guy pretended to be a Taoist priest and pulled a bunch of stories about people with destiny, making Han Qianli think he was a liar, but he didn't expect to bump into him today in Rong City.

"What for? Look at this street." Qing Yun said.

Han Giangli looked around for a week, but it was nothing special, and asked in confusion, "What's going on in the street?"

"With all these girls in cool clothes, you're not a heavy nearsighted person, are you." Qing Yun said with a roll of his eyes.

Han Qianqian was speechless, this guy really was a liar.

"Don't you know that this street is the most prosperous commercial street in Rong City, coming here to see a beautiful girl, it's a visual feast ah, look at you look at it, so many big white legs, such a great view, where to find them. And nowadays, many of the online street shots are from here." Qing Yun said with a coveted face.

"You fake Taoist, don't you go and lie, can you fill your belly by looking at beautiful women?" Han Marchian said.

Speaking of the stomach, Qing Yun unconsciously touched it, the five organs purred, took Han Qianqian's shoulder and acted enthusiastic, saying, "You and I have a destiny, why don't Xiao Dao help you count today?"

"Counting in-laws? Luck? Or are you counting what I'm buying you?" Han Giangli said.

He wasn't embarrassed when Qing Yun's mind was revealed and said, "To say what to eat, I know of a famous food on this street, with your fortune, you should be able to afford it, Brother Rambo."

"Why should I treat you?" Han 3,000 asked.

"With your tall and powerful image, handsome, unmoved in the face of beauty, multi-golden and talented, learned and rich, suave, handsome and imposing, is that enough?" Qing Yun sputtered.

Listening to this mess of boasting, Han Giangli couldn't laugh or cry, this guy took off a robe like he was a completely different person, no different from a hooligan.

"But what does it have to do with you? I'm excellent, that's my thing too," Han 3,000 said.

"Wow, man, you have thicker skin than me, with that, we're brothers, let's go, I'll take you there." Qing Yun hugged Han Three Thousand's shoulders, not caring if Han Three Thousand answered or not, and drove the duck to the door.

When he arrived at the restaurant that Qing Yun said, Han Three Thousand was again speechless, with him being a poor Daoist priest, he actually dared to eat at such a high-class place, and there was no dish on the menu that was less than four figures.

"Dude, I'm Qing Yun, what's your name?" Qing Yun ordered the food and asked Han Marchant.

"Han Three Thousand Years." After saying that, Han Three Thousand Thousand was puzzled, "You're so poor that you can't even eat, and you dare to come to this kind of restaurant?"

"Brother Three Thousand Years, that can't be said, I go out to cheat cough cough, and read people's fortunes, that is also very profitable, and it is possible to come back to this kind of place once every six months." Qing Yun said.

Han Three Thousand Thousand completely ran out of words, not knowing how to describe this rogue in a robe.

Qing Yun ordered nearly ten dishes in one go, and this meal was less than a five-figure expense.

Gobbling down the food as if he had never eaten in half a lifetime, Han 3,000 quietly watched as the other customers saw this scene with disgust on their faces.

"You don't need to be in such a hurry, at least pay attention to your image." Han Qianli reminded.

Qing Yun shook his head repeatedly and said, "It's only in front of women that you need to pay attention to your image, what do you need an image for in front of food."

In less than ten minutes, Qing Yun ate, drank, and burped, only to find that Han Qianqian hadn't moved his chopsticks and said, "Eat, why aren't you eating?"

"Eat what?" Looking at the CD, Han Qianli said speechlessly.

Qing Yun sighed and said in an educated tone, "Brother Three Thousand, do you know what this is called?"

"And what's your point?" Han Giangli said cryptically.

"It's too slow to eat hot, but it doesn't matter to you, you have plenty of money anyway." Qing Yun said.

Talking about such topics at the dinner table, Han Three Thousand Thousand really didn't know what was going on in this oddball's head.

"Enough food and drink, it's almost time for our destiny." Han 3,000 stood up to pay the bill, although he had lost a little money, it was a waste of time to argue with such a liar Taoist.

Qing Yun followed Han Third Thousand and left the restaurant together, the shade of his soul intact.

"What else do you want?" Han Qianli was puzzled and asked.

"Big brother, from today onwards, you're my big brother, going up and down the mountain, as long as you say the word, I'll steadfastly watch you go." Qing Yun cupped his hands and said with a serious expression on his face.

"Are those who do your line of work all godly?" Han Qianli was speechless, Qing Yun had a tirade, he really couldn't keep up with Qing Yun's brain circuits.

"Brother, you misunderstood, this is discrimination against my profession, but I don't plan to be a Daoist priest anymore, so let me follow you," Qing Yun said.

"Go away." Han Giangli said, with such a psychopath, sooner or later he would get a psychopath too, it was best to stay as far away as possible.

Qing Yun deadpanned and followed Han Three Thousand, persuading him bitterly, "Big brother, how can someone of your distinguished status not have a little brother to serve by his side, don't worry, I can do anything except not do hard labor."

Han Qianqian stopped, turned around and raised his fist, threatening, "If you keep following me, I believe I'll beat out all that you just ate."

Qing Yun was so frightened that he retreated a few steps and said, "Big brother, I've been weak and sickly since I was young, no different from paper mache, if you hit me, you'll definitely still have to strangle me in the middle of the person screaming for help, so why bother."

Han 3,000 yuan powerless to put down his hand, how to spread out such a product, like brown sugar, it looks like it is not easy to get rid of.

"I'll call you big brother okay, you let me go." Han Marchian said.

"This won't work, I'm penniless, how can I be your big brother?" Qing Yun said, his eyes running, not knowing what bad idea he was up to again.

"Beautiful girl, my brother drives a Lamborghini, are you interested in a ride."

"Beautiful girl, Lamborghini test drive, do you want a free ride?"

"My big brother is rich, do you lack a boyfriend."

Qing Yun caught every girl that passed by him and had to grab someone else to ask, which made Han Qianqian feel ashamed for a moment, who is this psycho!

"A broken driver who actually has the nerve to woo others, how disgusting." At this time, the tall girl from earlier came over and looked at Han Qianli with disdain and said.

Hearing this, Qing Yun, who was a self-proclaimed little brother, was of course unhappy and said, "Watch your words, my big brother isn't a driver, it's just that you can't get into his eyes with your respectable appearance."

"You are saying that I'm ugly?" The tall girl gritted her teeth and said.

Qing Yun touched his nose and said, "It's not that ugly, but with my big brother's rank, it's normal to look down on you."

Han Qianli couldn't let this guy mess around any longer and quickly walked up to him and said, "Qing Yun, do you really want to try what it feels like to pinch someone?"

"Broken driver, you've already pissed me off with your an interesting friend, just you wait and see." The tall girl said angrily.

Chapter 218

Han Qianqiang didn't want to cause any trouble and pulled Qing Yun away.

But Qingyun obviously refused to let up, and was still screaming all the way, plastic face, liposuction legs, all kinds of slamming words were said, and was about to make that tall girl vomit blood.

"Big brother, I didn't expect you to be so good to me, afraid that I would be in trouble, so you pulled me away, don't worry, this kind of woman is just a powerful mouth, no real ability." Qing Yun said with a smile.

Han Qianqian's eyes were cold as he looked at Qing Yun, treating him well? If this guy got him involved in this matter, he wouldn't blink even if he was killed, Han Giang would not blink even if he was killed.

When Qing Yun felt the coldness coming from Han Three Thousand's body, he shivered unconsciously and said, "Brother, if you don't like my flamboyant personality, how about I restrain myself a bit in the future?"

Han Giangli took a deep breath and said, "Why do you want to follow me?"

"Eat your fill." Qing Yun said without hesitation.

"Other than that?" Han Qianli continued to ask.

"Brother, look at my age, I've never tasted what it's like to be a woman until now, so if you have a good heart, you can help me find a girlfriend."Qing Yun said.

"Fine, I can let you stay by my side, but don't blame me for not reminding you, betraying me will end in nothing but death."Han Qianli coldly said.

Qing Yun smiled and said, "Brother, how could I betray you, don't worry, people like me don't have much of aspirations, I'll be satisfied with enough food and warm clothes and another woman to warm my blanket."

The reason why Han Qianli agreed to Qing Yun, apart from him being deadly difficult, there was another point, Qing Yun's pace seemed to be as erratic as rootless flotsam, but it was all an illusion, he deliberately hid his strength in this way.

From Han Qianqian's perspective, he was by no means an ordinary person, and trying to stay by his side definitely had some sort of purpose.

Since he had a purpose, Han Three Thousand naturally had to find a way to make him reveal his fox tail.

"Big brother, there's a good place in Rong City, why don't I take you there?"Ayanami said.

"What's a good place?"

"It's still early, you'll know when it gets dark, and I'll never let you down."Qing Yun deliberately sold out.

After dark, Qing Yun brought Han Giangli to the entrance of a nightclub, which left Han Giangli speechless again, as he didn't have the slightest fondness for this noisy environment.

"This is what you call a nice place?"Han Three Thousand Years said.

Qing Yun hugged Han Qianqian's shoulders and said, "Beauty is like a cloud, this nightclub is famous for its many beauties."

"How can you, a pitiful Taoist priest, be familiar with these things?"Han Marchant said.

"Big brother, I'm just a fake, how can I be unmoved by women."

After walking into the nightclub, under the heavy metal music, groups of demons were dancing, ghosts were roaring and screaming, there were indeed quite a few women, it was a perfect place to hunt for women.

"Ning Yu, I ran into a fury today, I don't know where it came from, will you help me get my revenge?"The second floor card seat, here only the VIP VIPs of the nightclub were eligible to position themselves, Ning Yu became the supreme VIP of this nightclub with a monthly spending of more than October, the girl who spoke was named Qiu Fan, the same tall girl that Qing Yun scolded during the day.

Qiu Fan and Ning Yu had known each other for a long time, she had always hoped to become Ning Yu's girlfriend, but Ning Yu was fancy by nature and only liked to hunt, never had a formal girlfriend, although she had already slept with Ning Yu, but after a fresh start, Ning Yu never mentioned his thoughts about her, if not for the fact that she was thick-skinned enough to squat at the entrance of the nightclub every night, she wouldn't even have the qualifications to go up to the second floor.

In Ning Yu's heart, Qiu Fan wasn't even a spare tire, the reason why he hadn't broken off his relationship with Qiu Fan was because Qiu Fan had a very good sister, and Ning Yu had tried everything to get her to do so without success.

"Helping is fine, when will you persuade your sister to have dinner with me." Ning Yu said.

Qiu Yao was very unhappy at the mention of this, she felt that the reason why she couldn't develop a boyfriend/girlfriend relationship with Ning Yu was because of this sister, but she didn't dare to tear her sister apart, she knew that by doing so Ning Yu wouldn't even give her the right to accompany her.

"Ning Yu, she doesn't have the same body as me and isn't as pretty as me, what do you see in her?" Kew said.

"Can you not be tickled by the grapes you haven't eaten, and not know what it's like?" Ning smiled.

"Fine, I'll help you as long as you're willing to help me, she's living with me now, any little trick and you'll be able to get her." Qiu Yao said.

Ning stroked his chin and said with a deep gaze, "Wouldn't it be a dead fish?"

"A dead fish is better than nothing to catch, right."

When Ning heard this, he laughed and said, "Makes sense, she has a sister like you, I don't know what kind of bad luck she had in her last life, say it, who is it."

"A guy in a Lamborghini, seems to be a driver, but the license plate isn't local." Qiu Tao said.

"Not local?" Ning Yu frowned, the Ning family was very influential in Rong City, but out of Rong City it wasn't something he could mess around with, and to be able to drive a Lamborghini, that meant the other family must not be ordinary either.

It was not a good thing to cross the river and fight a snake in the ground.

"Ning Yu, you won't go back on your word, will you? Is there anyone else you Young Master Ning wouldn't dare to mess with?" Qiu Fan deliberately fanned the flames and said.

Ning Yu looked at Qiu Tao with cold eyes and said, "Baba, are you underestimating me Ning Yu?"

Qiu Tao cringed in fear and said, "Ning Yu, that's not what I meant, you're so powerful, how could there be someone you don't dare to mess with."

"Not local, it's true that it's a bit troublesome, but it's not a big deal." Ning Yu said.

At this time, Qiu Fan suddenly had a body shock, the two people sitting next to the bar downstairs, weren't they the two guys from today?

"Ning Yu, it's them, it's not a case of the wrongdoers not getting together, I didn't expect that they took the initiative to come to our door." Qiu Fan said, pointing at the two people at the bar downstairs.

Ning Yu sat up straight, although the light didn't allow him to see their faces clearly, but generally speaking, the faces were unfamiliar.

"Let's go, get your revenge, and take care of your sisters tonight by the way." Ning Yu said with a smile.

Qiu Fan stood up in a hurry, already thinking about how she would deal with Han Qianli and the two of them.

Qing Yun who scolded her would definitely be beaten up, and as for Han 3000 who drove her boss's car out to pretend and caused her to waste expressions, the least she could do was to kneel down and apologize to her.

Sitting at the bar, Qing Yun familiarly ordered two glasses of bartending, looking at his appearance, it didn't seem like his first time here, which also made Han 3000 even more sure that he wasn't simple.

If he was just a pitiful Taoist priest, how could he have the money to spend here?

"I don't drink, give me a glass of ice water, please." Han Qianliang said to the bartending girl at the bar.

The bartending girl looked surprised, she'd never seen anyone who went to a nightclub and didn't drink.

"There's a charge for the ice water too." The bartending girl said.

Han Qianli nodded and took out two hundred dollar bills, stuffing them into the bartending girl's collar.

"Big brother, you haven't come to places like this often, you're much more experienced than me." Seeing this scene, Qing Yun smiled and said.

Han 3,000 had seen the way tips were given in the Devil's Capital, and had never seen a pig run before?

At this time, Han Qianqian suddenly felt a heavy slap on the back of his head.

Turning his head, Ning Yu hugged Qiu Tao and said with a provocative face, "Dude, messing with my woman, you've got a lot of guts."

Looking at Qiu Tao, Han Giangli glared at Qing Yun again, if it wasn't for this guy, how would he have gotten into this trouble.

"Misunderstanding, your woman, I just met her today." Han Qianqian said.

Ning suddenly raised his hands, and the nightclub's music came to an abrupt halt.

"What's going on."

"DJ, are you out of your mind, I'm getting high."

"What!, you want to get laid off, right."

Curses were flying and the store's customers instantly erupted in discontent.

"Whoever has an opinion, come to me and say it." Ning Yu said loudly.

When those customers saw Ning Yu, they all shut their mouths one by one.

"Younger Ning, it's you, sorry sorry, I'm the one who's talking too much."

"Younger Ning has work to do, hurry up and turn on the lights."

"Turn on the lights, turn on the lights."

Han Qianqian saw this scene and smiled bitterly, this person called Ning Shao obviously had a high status in Rong City, otherwise, there wouldn't be so many customers afraid of him.

Ning Shao?

Isn't the most powerful and surnamed Ning in Rong City Ning Xingpeng?

"Your father wouldn't be Ning Xingpeng, would he?" Han 3,000 asked.

Chapter 221

"Sir, please show your invitation." The security chief said to Han Marchand.

"No." Han Marchand said with his hands spread out.

"No?" The security chief frowned seriously, Lu Hongguang's invitation card even if it was used had a collector's value, because this invitation card was equivalent to an honor in Rong City, being able to attend a party held by Lu Hongguang was a talking point in itself, so many people would carefully put the invitation card away, and this person in front of him actually said that he didn't have one, which meant that he hadn't gotten one at all.

"He's mixed in, blast him out." Qiu Fan sneered.

The security chief took a look at Qiu Tao, if it wasn't for this woman yelling, how could all those people in the arena now look over at him, if this matter was known to Lu Hongguang, not only would he lose his job, it would be difficult for him to move an inch in Rong City in the future.

"Both of you, don't make trouble here, honestly follow me out, otherwise I can't guarantee that you will be hurt."The security chief said.

Han Qianqian was as steady as a rock and said, "Although I don't have an invitation, but I came to the party, Lu Hongguang personally invited me, why don't you go and ask him for permission before you drive me out?"

"I didn't think you're quite good at bragging as a driver, Lu Hongguang personally hired you, what kind of a thing are you to be so proud of yourself?"Qiu Yao laughed disdainfully.

"It's none of your business here, shut up."The security captain snapped at Qiu Xuan.

Qiu Xuan was full of displeasure, she felt that she was breaking down Han Qianxiang for the good of the party, but how could she understand how the security captain felt right now, he was in charge of the current security, and being mixed in by unknown characters and being known to the top brass, he wouldn't be able to eat his way out.

"Please."The security captain made a gesture of invitation.

Han Qianli remained unmoving and said, "If I leave, you'll end up worse off, so why don't you go and ask for permission to see if I'm qualified to attend."

The security chief took a deep breath, according to the usual practice in previous years, at this time of the day, Lu Hongguang should be coming soon, if this person wasn't cleared out, the paper wouldn't be able to cover the fire.

"I'll say it one last time, I hope you don't embarrass me or yourself."The security chief said.

"I say why are you such a deadbeat?Just go and ask, and kick us out, I'm afraid you won't be able to regret it."Qing Yun stood up and said arrogantly.

Qiu Fan was quite happy to see the two of them not leaving, the bigger this matter was, the more humiliated Han 3000 would be, which was a situation she was happy to see.

In the crowd, Qiu Fan spotted Ning Yu who was watching the fun, to break down the identities of the two Han 3,000, as long as Ning Yu came out, the security chief would definitely not suspect anymore and would use direct methods to drive the two out.

"Don't believe their words, Ning knows these two, Ning knows exactly what kind of trash they are,"Qiu Tao said.

Ning Yu, as a melon eater, only wanted to see what was going on, and today's attendance at this party was to help Ning Xingpeng find out the truth, to see what kind of connections Lu Hongguang had, to put it bluntly, he was playing the role of a spy, and now being pulled out by Qiu Xiaoxiao made him gnash his teeth in hatred.

"Ning Yu, do you know these two as well?Who are they, if they're mixed in with the trash, you'll help testify and drive them out."

"Ning Yu, this is your Uncle Lu's territory, help out and take a look."

"These two, they can't be your friends, right."

Ning Yu listened to these words and had to appear with a hard scalp, after glaring hard at Qiu Wei, he came out and said, "Fellow elders, I do know these two, but they are not my friends, and I, Ning Yu, never befriend such trash."

At this time, no one noticed that Lu Hongguang had already entered the venue.

When his assistant found out about this matter, he asked, "Mr. Lu, it seems that some misunderstanding has arisen, I'll go and clarify."

Lu Hongguang pulled his assistant by the hand, his eyes dark with thought before saying, "Don't worry about it, wait until the situation is out of control before you step in."

The assistant looked puzzled, didn't Lu Hongguang treat this young man as a VIP? Why don't you help him when he's in trouble?

Naturally, Lu Hongguang's mind was not something that someone like an assistant could understand.

Having fought with Ning Xingpeng for so many years with mixed success, he had never been able to occupy an absolute advantage, and Lu Hongguang had never seen a breakthrough.

But today's situation was a breakthrough for Lu Hongguang.

He didn't know Han Qianqian's identity, but he knew clearly that the energy Han Qianqian possessed was amazing, and if Ning Yu offended him, wouldn't it be the same as Ning Xingpeng offending this big man?

This was an opportunity that had fallen from the sky, so how could someone with Lu Hongguang's meticulous mind miss it?

"With Ning testifying, I'm sure I don't need to verify the identities of the two of you, do you want to leave on your own, or do you want me to do it?" The security chief said to Han Qianqian.

Han Qianqian looked at Ning Yu and said with a calm demeanor, "Ning Yu, there is no connection between me and you, and this matter today has nothing to do with you."

"Of course it has nothing to do with me, I just don't want trash like you to ruin Uncle Lu's party, just look at the people present." After pointing around, Ning continued, "These people can be celebrities and big names in Rong City, what kind of a thing are you, what qualifications do you have to appear at the same party as them?"

These words, in addition to belittling Han Qianqian, also touted the others, which could be considered Ning Yu's kindness released to these people, disguised as a rallying cry.

When those people heard Ning Yu's words, they all laughed complacently, although they were all Lu Hongguang's people, being able to be valued by Ning Yu was a way to prove their value.

"Ning Yu, outsiders say that you're young and arrogant, but today, it seems that it's not all true."

"Yeah, it seems that the outside world has too much prejudice against you, a rich son."

"Those are just rumors, a young man as sensible as Ning Yu is a rare sight nowadays."

Bragging had always been a courtesy, and they naturally had to give Ning Yu some candy when he gave them candy to eat.

Ning Yu didn't expect that there would be such an unexpected reward today, making them feel good about themselves, and it would be even easier to pull them together in the future, if Ning Xingpeng knew about this, he would definitely reward him with millions of dollars in pocket money.

"Fellow elders, you are all worthy of my Ning Yu's respect, so today, let me drive this trash out for you." After Ning Yu finished speaking, he turned to look at Han Qianqian and snapped coldly, "Get out, do trash like you deserve to be here as well?"

"What are you going to do to us if we don't leave?" Qing Yun shouted.

Ning Yu smiled coldly and sneered, "Not leaving? Then let's see how much you can do."

Seeing Ning Yu coming towards him, Qing Yun hurriedly hid behind Han Qianqian and said, "Boss, you have to protect me, I'm such a fragile flower and grass, if I'm injured by him, I won't be able to get up without lying in the hospital for ten or eight years."

Ning Yu saw that Qing Yun was hiding, and put a hand on Han Qianqian's shoulder, pulling heavily, ready to pull Han Qianqian out.

But despite the fact that Ning Yu had used his full strength, he still couldn't shake Han 3000 by a single bit, giving him the feeling that Han 3000 was like a stone pillar stuck in the ground.

"You're not going to shed a tear until you see the coffin, are you?" Ning Yu gritted his teeth and said.

"That applies even more to you." Han Giangli said.

Ning Yu's anger flared and he waved his fist at Han Three Thousand and cursed, "Go to hell, something that doesn't know good from bad, you're asking for it."

The people watching the scene sighed and shook their heads, in their eyes, Han Three Thousand was indeed too ignorant of good and bad, could there be any good consequences for having to offend Ning Yu? If you honestly accept your fate and leave, there will be nothing left, but if you have to force Ning Yu to do something, not only will you be ashamed to get out, but you will also be beaten, why is this bitter?

The fist swung, and Han Giangli lightly skirted it, having dodged it by a hair's breadth, before kicking Ning Yu in the abdomen.

Ning Yu yelled in pain as he practiced retreating, then fell to the ground.

"You you f*cking dare to hit me!" Ning Yu looked angrily at Han Qianqian, since he was a child, he was the only one who bullied others, when had anyone ever dared to move on his head and beat him!

Trembling, Ning Yu stood up and said viciously, "No matter who you are today, I'm going to waste you."

Chapter 222

Qiu Tao was so excited that she was rubbing her palms under her breath, being able to stir up the conflict between Ning Yu and Han Giang, Han Giang's end would be even worse, this was something she was very happy to see, she had to let this driver know how miserable it would be to offend her.

"How dare you even hit Ning Yu, don't you know who Ning Yu is?" Qiu Fan said adding fuel to the fire, then ran to Ning Yu's side, acting concerned.

Ning Yu's brain was now incapable of thinking, filled with rage, and he wanted to kill Han Qianqian on the spot.

Those security guards didn't expect Han Qianqian to dare to attack Ning Yu, although the Ning family was a rival to Lu Hongguang, but how could they explain to Ning Xingpeng for letting Ning Yu get injured in the Lufeng Hotel?

A few security guards swarmed in, how to subdue Han 3,000, but then a very stern voice came out.

"What are you guys doing!" Lu Hongguang seized the right moment to make an appearance, Ning Yu could offend Han Qianqian but never involve his people.

"Mr. Lu."

"General Manager Lu."

"General Manager Lu."

Respectful shouts rose and fell as Lu Hongguang walked up to the security chief and asked in a stern voice, "What's the situation?"

The security captain was frightened, not expecting this to be hidden, he bowed his head and said, "I'm sorry Mr. Lu, I was negligent in letting in someone who didn't have an invitation card."

The assistant looked at Lu Hongguang and said to the security captain, "Mr. Han is an honored guest invited by Mr. Lu, I put away his invitation card for him, how could there be no invitation card."

After saying that, the assistant took out the invitation card.

When the others saw the invitation card, they were taken aback.

There were three styles of Lu Hongguang's invitations, each style represented the rank of a different guest, and the invitation the assistant was holding was a black hot gold border, it was Lu Hongguang's highest specification invitation and it hadn't been used for several years.

"Black gold invitations!"

"It's actually a black and gold invitation!"

"Mr. Lu hasn't used this invitation card for many years."

This young man was actually able to get this invitation card!

The security chief was dumbfounded, this invitation, he had only heard of it, never seen it before, it was hard for anyone to get because of the high rank.

"Lu Lu, I'm sorry, I didn't know, it's my fault."The security chief lowered his head and said in a panic.

Qiu Tao had been confused, she had decided that Han Qianli was in the mix, but now the fact in front of her was that Han Qianli had gotten an invitation of the highest caliber!

Wasn't he the driver?Why was it so important to Lu Hongguang.

At this time, Ning Yu gritted his teeth and walked over to Lu Hongguang's side.

The invitation was of a high level, but it would only surprise others, as the young master of the Ning family and the son of Ning Xingpeng, he wouldn't take this invitation seriously.

"Uncle Lu, your VIP has a lot of guts, even daring to hit me, you have to give me an explanation,"Ning Yu said in a cold voice.

Lu Hongguang gave Ning Yu a contemptuous glance and said, "Ning Yu, you come to my party every year, what is your purpose, I know very well, I turn a blind eye and forget all about it.But today, you've offended my VIPs and you want me to give you an explanation, it's too arrogant."

"Uncle Lu, what do you mean?"Ning Yu was gloomy, he didn't believe that Lu Hongguang dared to tear Ning Xingpeng apart from him.

"I'll call your father, this matter is not something you can resolve, fend for yourself."After saying that, Lu Hongguang pulled out his phone and dialed Ning Xingpeng's number.

"Ning Xingpeng, your son is causing trouble in my place, come over and solve it yourself."Lu Hongguang said.

When Ning Xingpeng heard this, he smiled faintly and said, "This kid, how can he cause trouble in your territory, not giving you any face at all, help me teach him a lesson, as an elder, does he still dare to disobey you."

"Ning Xingpeng, you probably don't quite understand the seriousness of the situation, I suggest you better come over here." Lu Hongguang said in a cold voice.

Ning Xingpeng frowned, in his opinion, even if Ning Yu had gotten into trouble, it was all just a few trivial matters, how much of a mark was his son, could he still not be clear? Lu Hongguang is so upfront, could it be that he wants to use this matter to deliberately cause trouble?

"Lu Hongguang, you don't have to be so highbrow. You wouldn't be so lowbrow as to embarrass me with this, would you? Is there a point to it, don't you know?" Ning Xingpeng said disdainfully.

The corners of Lu Hongguang's mouth rose slightly, Ning Xingpeng would be this kind of attitude, he had expected it, even if Ning Yu directly smashed his Lufeng Hotel, Ning Xingpeng would mostly not care too much about it, maybe he would even go home and praise Ning Yu, but today's matter involved a different level.

"Ning Xingpeng, I'm just being nice, I had a hard time inviting Brother Han today, and your son had a conflict with Brother Han, I can't make the decision on this." Lu Hongguang said.

"Brother Han? Who are you talking about!" Ning Xingpeng on the other end of the phone miserably stood up, his face frightened.

"Who else did you say there was? Hang up." After Lu Hongguang finished speaking, he directly hung up the phone.

Ning Xingpeng lost his mind for a moment, Brother Han, Han 3000!

Who else could it be but Han Qianqian.

Ning Yu, the adversary, had actually offended Han Qianqian!

Ning Xingpeng felt his hands couldn't help but tremble, he didn't know who Han Qianli was, but this young man's energy was unmatched in Rong City, not to mention the Ning family, even if the Ning family and Lu family joined forces, it was still a scum ah.

"Drive, to the Lu Feng Hotel." Ning Xingpeng said to the driver.

After hanging up the phone, Lu Hongguang said to Ning Yu, "Your father should be here soon, so think about how you're going to explain to him."

Ning Yu smiled fiercely, when his father came, it would be Lu Hongguang who would give him an explanation.

Qiu Yao, who was in shock, was relieved after hearing Lu Hongguang's words, as long as Ning Xingpeng came out, could there still be something he couldn't handle? So what if he's Lu Hongguang's VIP? There was no way that Lu Hongguang would tear his face off with Ning Xingpeng for him.

This meeting between the two giants of the business world filled the people watching with anticipation, and they even felt that whether or not the two could be separated would depend on today.

Lu Hongguang walked up to Han Qianli and said with an apologetic face, "Brother Han, I'm sorry, I was late, that's why you were misunderstood."

Han Qianli's eyes glittered with a brilliant light and said in a flat tone, "Did you come late, or did you come at a pinch? Lu Hongguang, how could someone as smart as you not be able to bring down Ning Xingpeng?"

Hearing this, Lu Hongguang was shocked and said in a row, "It's true that I've been delayed by some things, don't misunderstand brother Han."

Han Qianli smiled coldly, from the time Lu Hongguang called Ning Xingpeng, Han Qianli understood the wishful thinking in this guy's heart, and also guessed that he must have known about this matter, but just deliberately didn't show up.

The idea of Lu Hongguang wanting to fake his hand against the Ning family was a good one.

"Your idea is good, but using me as a tool is your biggest mistake," Han Qianli coldly said.

These words caused cold sweat to instantly seep out of Lu Hongguang's forehead, but as things stood, he could only bite his tongue and refuse to admit it, or else the two business giants of Rong City might fall overnight.

In less than ten minutes, Ning Xingpeng finally arrived, and it also heralded the beginning of this great drama.

On the way here, Ning Xingpeng's heart was still a little flustered, hoping that the Brother Han in Lu Hongguang's mouth would never be Han 3,000, although he knew that this possibility was almost non-existent, but if he thought otherwise, he would be very desperate.

But despair would be late, never less.

The moment Ning Xingpeng saw Han 3,000, it was as if his heart had been hollowed out.

"Dad, you've finally come, Lu Hongguang's guest beat me up, and he's even holding me responsible, you must help me take revenge." Ning Yu said.

Ning Xingpeng took a trembling glance at Han Qianli, took a deep breath, and hit Ning Yu in the face with a fist, snapping, "Bastard, are you going to destroy my Ning family?"

Never in his wildest dreams had Ning Yu imagined that Ning Xingpeng would punch him first after arriving on the scene, as if he had done something wrong.

Not only was Ning Yu puzzled, the others were also very confused.

Ning Xingpeng was well known in Rong City for protecting calves, and there were quite a few people who had fallen into Ning Yu's hands, and regardless of whether it was right or wrong, Ning Xingpeng would keep Ning Yu, and in the worst case, Ning Yu had even offended someone from the province, and Ning Xingpeng had spent a lot of money to settle the matter, but this time Ning Xingpeng's attitude was completely different.

Chapter 223

In the eyes of an outsider, this was a fairy fight, after all, the conflict originated from the two giants of Rong City, the Lu family was not to be messed with, and the Ning family was also not to be messed with.

Ning Xingpeng gave Ning Yu a punch, most likely just a ploy to chastise Ning Yu and then chastise Lu Hongguang in a higher stance.

This tactic of pre-emptively restraining oneself before restraining others was admired by the others, only someone like Ning Xingpeng would come up with such a method, right?

But when they noticed that Ning Xingpeng was walking towards Han Giangli and not Lu Hongguang, their hearts overflowed with mutterings.

Did he intend to teach this young man a lesson before chastising Lu Hongguang?

"Ning Xingpeng is worthy of being someone who plays all the mind tricks, I really can't figure out what he's thinking."

"If you were able to figure out his thoughts, would you still be in the position you are now?"

"It's not without reason that Ning Xingpeng has been able to grow the Ning family to such a size, watch, I also want to see what tricks he has up his sleeve, it's hard to say that Lu Hongguang will have to give him an apology today."

While the crowd was speculating, Ning Xingpeng had walked up to Han Giang, but his performance was not as responsible as the others thought, instead he bent down and lowered his head.

"Mr. Han, this matter is my son's fault, I'll make amends on his behalf." Ning Xingpeng said.

This action instantly caused the venue to explode!

Instead of chastising the young man, Ning Xingpeng gave him an apology, what was going on!

Those present, one by one, all rolled their eyes, believing that what was happening in front of them was an illusion, but no matter how soft it was, it couldn't change the fact that it was happening.

Ning Xingpeng did indeed make amends and bowed low!

"What is this situation."

"Ning Xingpeng apologizes! That's never been heard of before, he's not out of his mind!"

"You guys, can't you see that Ning Xingpeng is afraid of this young man?"

"Who the hell is he that he can be Lu Hongguang's VIP and still make Ning Xingpeng afraid, is there such a ruthless character in Rong City?"

Countless whispers of amazement rang out in the crowd, and besides being incredulous, they were even more curious about Han Qianli's status.

The two giants seemed to be inferior to him, a status that was no longer something they could imagine.

"Yesterday, your son asked me to kneel down and apologize, I didn't bother with him for your sake, but I didn't expect him to come and trouble me today, you don't know how to raise a man, do you want me to teach you?" Han Qianqian asked faintly.

Ning Xingpeng's scalp went numb, this beast, had he already provoked Han Qianqian yesterday? Why is he so eager to put a gun to his head when he's already been given a chance?

"Mr. Han, I'm the one who has failed to discipline him, please give me a chance and I'll definitely make him change his ways." Ning Xingpeng said.

Ning Yu was already confused at the side, he had never seen Ning Xingpeng whisper like this before, what could this young man, what could he do to make his father apologize?

"Dad, what are you doing, why are you apologizing to him, do you need to be afraid of him with our Ning family's strength?" Ning Yu walked up to Ning Xingpeng's side and said unconvincingly.

In Rong City, the Ning family had an extraordinary status, there was no one to provoke, since childhood, Ning Yu's arrogance had never been restrained in the slightest, during his school days, he had the courage to storm into the principal's office and beat him up, and he was safe and sound afterwards, instead the principal retired early, all of this proved the strength of the Ning family, and made Ning Yu understand more and more that he could put no one in his eyes, a rich second generation from out of town, and still not a mole?

Hearing Ning Yu's words, Ning Xingpeng's lungs were about to explode, he was trying to find a way to resolve this matter, but Ning Yu was adding insult to injury.

This young man in front of him, holding up the forces of Rong City, was not necessarily a match for him.

"Adversary, what are you babbling about, quickly apologize to Han Gongzi." Ning Xingpeng gritted his teeth and said.

"No, no way, there's no way I'm going to apologize to this trash, Dad, since when are you afraid of offending Lu Hongguang?" Ning said disdainfully, to this day, he still believed that it was because of Lu Hongguang that Ning Xingpeng behaved this way.

But in his opinion, what was there to fear from Lu Hongguang? And since when had Ning Xingpeng been afraid of Lu Hongguang?

In anger, Ning Xingpeng slapped Ning Yu in the face, grabbed Ning Yu's hair, and said angrily, "Kneel down and apologize to Mr. Han."

At this moment, Ning Xingpeng's state of mind was like walking on thin ice, and beneath the thin ice was the abyss, once he fell, the entire Ning family would be doomed.

Ning Yu didn't understand Ning Xingpeng's mood, and he didn't even know what Ning Xingpeng was afraid of, but he was a man who wanted to save face, how could he casually kneel down to someone?

I'd rather die than obey, that's Ning Yu's attitude!

"Dad, I don't know what's gotten into you today, but to make me kneel to this loser, never!" Ning Yu said in a cold voice.

Rubbish?

Ning Xingpeng laughed furiously, what right did Ning Yu have to curse Han 3,000 trash? In his eyes, everyone here was useless!

Bang!

Ning Xingpeng knelt down on both knees and trembled as he said to Han Giang, "Mr. Han, it's my fault, I'm too spoiled and that's why he's so unattractive, please give me a chance to discipline him."

The crowd was silent and the whispers came to an abrupt halt as everyone stared at the kneeling Ning Xingpeng with wide eyes, not daring to believe it.

Just making Ning Yu apologize was barely acceptable to them, but Ning Xingpeng personally kneeling down was beyond what they could comprehend.

What kind of person could make Ning Xingpeng kneel?

Even if it was the two of them, Bao Jingzhong and Chen Kaihua, Ning Xingpeng had the qualifications to be on equal footing with them ah.

Did this also mean that even Bao Jingzhong and Chen Kaihua would have to give this young man face?

The answer to whether these two gave face or not was quickly resolved as Bao Jingzhong and Chen Kaihua, also arrived at the venue.

This kind of business gathering, they never attended due to their sensitive status, but today something big had happened and the two had to come.

When Han Qianqian saw Bao Jingzhong and Chen Kaihua, dissatisfaction was clearly revealed between their brows and they looked at Lu Hongguang.

The appearance of these two was clearly notified by Lu Hongguang, he was unwilling not to poke a hole in the sky!

Lu Hongguang felt Han Qianqian's line of sight and lowered his head, not daring to look directly.

The bigger the matter was, the more the whole of Rong City would know that Ning Xingpeng had offended someone powerful, and only then would the group of businessmen belonging to Ning Xingpeng's system be more decisive in severing ties with the Ning family, to avoid bringing calamity to the fish pond.

This was Lu Hongguang's goal, he would use this opportunity to ruthlessly trample the Ning family underfoot, even if it would cause Han Qianqian's discontent, he had to give it a try.

"Gongshi Han."

"Gongshi Han."

Bao Jingzhong and Chen Kaihua shouted respectfully as they walked up to Han Three Thousand.

The people in the meeting hall had gone numb, their minds losing the ability to think, and they no longer bothered to guess Han Third Thousand's identity, as they were clear that it was impossible for them to guess who Han Third Thousand was with their own patterns.

Ning finally noticed at this point that something was not right, and that the two of them, Bao Jingzhong and Chen Kaihua, were treating him like he was a servant.

Looking at Ning Xingpeng who was kneeling on the ground, Ning Yu instantly despaired, although he was arrogant enough, he was no fool, even Bao Jingzhong and Chen Kaihua didn't dare to slack off, it was enough to show the amazing ability of this Han gongzi.

"Ning Xingpeng, you've got some guts, you even dare to offend Duke Han." Bao Jingzhong chided Ning Xingpeng.

"It seems that your Ning family doesn't want to hang around in Rong City anymore, in that case, you should think of a way to end it yourself." Chen Kaihua said in a cold voice.

The desperate expression on Ning Xingpeng's face was tinged with bitterness, he had always been very indulgent of Ning Yu, because he believed that in this place in Rong City, no matter what kind of trouble Ning Yu caused, he was capable of solving it, and Ning Yu was his only son, the only fire in the Ning family, so he spoiled, harbored, and patronized him.

But the heavens had eyes, Ning Yu had done so many hurtful things, so how could he keep on being lucky?

The iron that was kicked in this time was enough to doom the Ning family!

"Mr. Han, the Ning Family was planted in your hands, and I, Ning Xingpeng, have no complaints." Ning Xingpeng said as if he had instantly aged tens of years, his face dark.
