

## Chapter 3352

“Haha, hahaha.”

Feeling the envious gazes cast by everyone, Ye Shijun’s vanity was simply maximized at this time. Satisfied, he laughed again and again with joy, and the uncontrollable joy kept rising from the bottom of his heart.

Isn’t that what he wants? Don’t you want everyone’s attention, the focus of the audience?

After laughing, he looked back at George Han and nodded, “You’re not stupid.”

Sure enough, when Ye Shijun admitted it, there was an uproar at the scene. “My God, Demon Sage, Young Master Ye has reached the stage of Demon Sage cultivation, isn’t that too scary?”

Many seniors who have cultivated for many years have never achieved such achievements.”

“That’s not true, most of the masters are almost only in the realm of demons, and they may be inclined to the stage of demons between hiding, but it is necessary to It is almost impossible to completely reach the realm .”

“This is too terrifying, demon saints, no wonder even our family’s city master Zhu is following each other, and the guest and host are reversed.”

Zhu Yaner’s eyes There are some little stars of worship, no woman doesn’t like heroes, no one doesn’t worship masters, and the masters in front of you are really super masters!

If Zhu Yaner was still reluctant to choose Ye Shijun before George Han, then at least now, the balance between the two has changed and tends to be stable.

George Han is a fierce man from the sky, and his deeds in conquering the Devil’s Cloud Ghost City are definitely worthy of praise, but now Ye Shijun is also a devil-sage-level figure who stuns the sky, and neither side naturally loses.

Of course, George Han’s appearance does give George Han a lot of points, but don’t forget, Ye Gongzi’s family background and future obviously have great advantages.

Going out with a handsome man is very good  
, but having an emperor-like man is not bad at all.

Thinking of this, Zhu Yan’er looked at George Han with some pride. Although she was speechless, her eyes seemed to tell George Han that you used to ignore me, but I can’t help you today.

George Han didn’t care about her provocation at all, just looked at Ye Shijun and smiled slightly: “Interesting.”

“Interesting?” Ye Shijun smiled contemptuously: “I also think it is quite interesting, after all, I really want to know who is the fool “

George Han, I know you are invincible when it comes to pretending, but there is a saying that you will inevitably encounter ghosts if you walk too much this night,

and you will always be struck by lightning if you pretend too much. Unfortunately, Today, you just put on a hard rock.” As the

words fell, he looked at George Han coldly with provocation in his eyes.

George Han smiled lightly: “No wonder City Lord Zhu is full of confidence and interesting today. The four masters plus a Demon Saint-level master

do have crazy capital.”

“I underestimated you.”

George Han finished, There was no trepidation in their hearts like everyone imagined, and they even had to make surrender and other actions in their hands. Instead, they were lightly drawn with the jade sword in their hands, ready to fight at any time.

“Come on, let’s play.” George Han said.

“Three thousand!” From behind, Qing Ji called out George Han nervously.

Obviously, she was asking George Han if she needed her help.

Not only is there a lot of people on the other side, but the most important thing is that even a super expert like Mo Sheng has appeared. She is really worried about the safety of George Han.

George Han shook his head at her, indicating that she didn’t need to intervene, just protect Xia Wei.

Following Qing Ji’s opening, Zhu Yanshuo gently blocked Ye Shijun, took a slight step forward, and said coldly, “Wait a minute.”

“So there is another traitor in this temple.

” George Han at the temple gate, Zhu Yanshuo

didn’t notice Qing Ji standing beside the temple. Now that he saw Qing Ji, and he believed that he was in control of the audience, naturally he would not miss any chance to ridicule.

“Zhu Yanshuo, what do you want?” Qing Ji said coldly.

“How is it? What can I do? I just want to say a word.”

“Lonely man and widow have been in the same room for three days. No wonder they betrayed us. It turns out that some people are \*\*.

” laughing out loud.

Qing Ji’s face was cold: “Zhu Yanshuo, anyway, we have helped you before. As for being so ruthless? It doesn’t matter if you insult my innocence, don’t get involved with others. It’s not as dirty as you think, I’m just here to help you take care of your sister.”

“Or maybe, take care of Xia Wei.” When the

words were finished, Qing Ji glanced at George Han, and after he nodded in agreement, she slowly put down Xia Wei behind her, and then lifted his head slightly: "Presumably Haven't you seen the true face of Zhu Chengzhu's sister?"

### Chapter 3353

"Let your eyes open." As soon as

the voice fell, Qing Ji directly lifted Xia Wei's face slightly, and was immediately present. Everyone saw that ugly face, and they couldn't help frowning while they were stunned.

Some even more exaggerated, and even vomited on the spot.

Zhu Yanshuo and Zhu Yaner panicked almost subconsciously, and Zhu Yaner looked at that face with an unusually complicated expression.

"Zhu Yan'er, what's wrong with you? It's understandable that other people feel disgusted when they see this face, why do you see this face like this? I don't think anyone in this world is more familiar with this face than you, right?" Qing Ji sneered.

Hearing this, Zhu Yan'er's face suddenly turned blue and red, and she was so angry that she couldn't speak.

Zhu Yanshuo frowned: "Qingji, shut up your stinky mouth, if you want to talk nonsense again, don't blame me for tearing your mouth."

"Qingji naturally dare not refuse to listen to what City Lord Zhu said, but unfortunately, I said what I said. It's not nonsense, so of course I can continue talking, right? Zhu Yan'er."

"Oh, I forgot, you are changing Xia Wei's face now, should I call you Xia Wei?"

Ye Shijun I couldn't help but take action, but seeing such a farce and involving Zhu Yan'er I liked, I couldn't help but become interested, I raised my eyes, looked at Qing Ji, and said coldly,

"Where are you? What did you say?"

"You'd better make it clear, otherwise, I'll kill you later."

Seeing Ye Shijun's words, Zhu Yanshuo's two siblings became anxious, and Zhu Yanshuo was even more prepared to say something to stop him. Ye Shijun waved his hand and signaled. They don't interrupt, let Qing Ji speak slowly.

Qing Ji smiled: "Since

the dignified Demon Saint-level master wants to ask questions, Qing Ji naturally dare not answer, but I'm afraid your heart will not be able to bear it."

Ye Shijun didn't speak, and stared at Qing Ji with his eyes fixed.

"Okay, it's okay to tell you. In fact, it's the so-called Zhu Yan'er by your side, the sister of City Lord Zhu, who doesn't look like her now, but the girl next to me."

“Her name is Xia . Wei, her appearance is what Zhu Yan’er looks like now. To put it simply, the two changed their faces. Poor Xia Wei was chased and killed by the people of Devil Cloud Ghost City that day.

Who would have thought that they just escaped from the tiger’s mouth just now, and it’s like a ghost cave. Not only did they not rescue this poor girl, but they saw her beautiful appearance and moved their minds.”

“It just so happens that some people are very ugly. Incomparable, born from inferiority, so I simply came to steal the dragon and turn the phoenix. After stunning the girl, I used some shameful methods to transfer the beautiful face of others to myself, while the ugly face of my own was replaced. Other people’s faces.”

“Is this story interesting?” Qing Ji said, looking at Ye Shijun with a smile, with a faint mockery on the corner of her mouth.

Ye Shijun was shocked. Of course, he was not shocked by this story, but what was shocked was that if what Qing Ji said was true, then the woman standing beside him at this moment was not so stunning in the world at all. But in fact, she is a very ugly girl who makes people want to vomit at a glance.

“Qing Ji, stop talking nonsense here, my sister is born beautiful, you are just maliciously slandering.” Seeing this, Zhu Yanshuo suddenly burst into anger, pointing at Qing Ji and roaring angrily: “Young Master Ye is extremely smart, even if I wait. You are

not a fool, do you think you can slander us if you find an ugly girl and make it up?”

“Someone knows what is true or false, if this ugly girl really doesn’t mean anything to you, why use it in the backyard ? Ten thousand people are surrounded, and the four masters are sent to sit in town?”

Hearing this, a group of people suddenly whispered.

After all, what Qing Ji said was the truth.

There is no silver and three hundred cools here, no one understands the truth.

Seeing everyone behind him like this, Ye Shijun’s brows furrowed even tighter, because it seems now that maybe what Qing Ji said is the truth.

“Fuck me, you can bully me, insult my sister, I want you to die.” Zhu Yanshuo shouted, and the whole person rushed towards Qingji like a madman.

Qing Ji subconsciously wanted to resist, but the figure of George Han in front of her had already rushed out in advance...
