

His True Colors Chapter 881-890

Chapter 881

When the gazelle was completely lying on the ground and unable to move, Han 3,000 only saw that after the three of them had a discussion, one of them walked towards the gazelle, and I don't know what he was scratching on his forehead, but the gazelle suddenly became docile and wagged its tail at the man like a dog.

"What did he just do, and why did the antelope become so quick to treat him?" Han Giangli was confused.

Huang Snapdragon was just about to explain to his master, but Yan Chen was the first to do so.

"This is a special talisman, with this talisman, the master only needs one thought and the exotic beast will die, the gazelle rat knows that its life is in that person's hands, that's why it made a pleasing move." Yan Chen explained.

"That's not taming, that's threatening," Han Giangli said.

Yan Chen laughed coldly and said, "Do we still have to reason with these animals?"

When Yanran Chen said this, Han 3000 clearly felt the little white snake on his arm tremble and start spitting out letters, clearly very dissatisfied with Yanran Chen's words.

Han 3000 touched his arm, an action that amounted to calming the little white snake and telling it not to behave like a woman.

"Yanran Chen, from what you're saying, it sounds like you despise these exotic beasts and think they're inferior? But then you have to rely on these exotic beasts to elevate yourselves, don't you think it's ridiculous?" Han Qianli faded.

Yan Chen turned pale and said, "I'm a human and they're beasts, am I not taller than them?"

"In the eyes of the imperial court, I'm afraid that exotic beasts are more important than people, why does the imperial court value beast mastery, is it because of people or because of exotic beasts, you taste, carefully." Han Giangli smiled.

Yanran Chen's expression was extremely ugly, it did make sense for Han Qianli to say so, what the imperial court valued was people who could master exotic beasts, and exotic beasts were the most crucial part, at some level, what the imperial court valued, wasn't it those exotic beasts?

"Han Qianqian, if you want to compare yourself to these animals, I'm fine with that, but please don't bring me along, I'm not like you either, you're just a piece of trash while I'm the Chen family's eldest daughter." Yan Chen said coldly.

Huang Snap Yong fiercely clenched his fist, wishing he could kill Yanran Chen with one punch, wouldn't he be looking for death if he dared to talk to his master like that?

At that moment, the three of them came over and bowed in gratitude to Huang Snapdragon.

"Brother Huang, thank you for your help, it was our villainy just now."

"Please understand, Brother Huang, after all, this exotic beast is too precious, your sudden appearance forced us to think more."

"Brother Huang, we are from Xiao Ling City, if you come to Xiao Ling City to play, just let us know, the three of us brothers will definitely let Brother Huang have a good time."

Hearing about the Xiao Ling City, Huang Snap Yong's expression clearly showed a hint of yearning.

"I didn't expect you guys to be from Xiaoling City, I'll definitely go and play with you when I have time." Huang Snapdragon said with a smile.

The three of them looked at Han Qianqian, their eyes didn't stop for too long, instead, it was Yan Chen who brightened their eyes, after all, she was a beautiful woman who was still a great temptation for men.

"This is, " one of them asked Huang Snapdragon, pointing at Yan Chen.

"Just an ordinary person, not worth mentioning, we also have to go look for exotic beasts, so let's say goodbye." Huang Snapdragon said.

"That's fine, I hope to see Brother Huang in Lingxiao City."

After the two groups of people separated, Huang Snap Yong couldn't help but say, "I didn't expect them to be from Xiao Ling City, they've earned a lot this time."

Han Qianqian looked at Huang Snap Yong curiously, this guy reacted strangely when he heard the three words Xiao Ling City just now, and now he had a look of fascination, was there something special about Xiao Ling City?

"Where's the big money to be made?" Han Qianqiang asked.

The word "division" father hadn't even left his mouth yet, but Huang Snapdragon quickly took it back, almost making a big deal out of it, and quickly said, "How could someone like you possibly know the wonderful things about Xiaoling City, but I can give you an explanation . The city of Xiao Ling City, there is a river, the banks of the river are fireworks place, by boat, the girl standing on the banks of the river scratching her head, the scene is like a fairy tale, once there is a fancy person, can be invited on board a boat a narrative, Xiao Ling City's most magnificent landscape, is that the river in the undulating waves, that river swaying boats."

Han Qianli couldn't help but have numerous boats swaying left and right in his mind, the landscape was really quite magnificent, no wonder Huang Snapdragon would yearn for Xiao Ling City, as long as he was a man, he would probably want to go and see it.

Although Han Qianqiang wouldn't do anything unfaithful to Su Yingxia, it was quite good to see the world.

"So that's how it is, looks like I'll have to go for a long look when I have the chance." Han Giangli smiled.

At this moment, Yanran Chen suddenly snorted, as a woman, she naturally despised such a place of fireworks, and it was ridiculous that Han Qianqian would die here today and he would even presume to go to Xiao Ling City.

"Yanran Chen, with the relationship between the two of us, you don't have the qualifications to control me, do you?" Han Giangli said.

Yanran Chen didn't say anything, her brows filled with coldness.

The three of them continued on their way, and Chen Yanran, who was determined to get Han Qianqian killed, was even more determined at the moment, but it was a pity that it wasn't up to her to decide whether or not they would meet a foreign beast.

After walking for a little over half a day, the quiet Central District seemed very strange, but at this moment, Han Qianqian suddenly stopped walking.

"What are you doing?" Yanran Chen was shocked and also quickly stopped, walking to the central area already made her tremble, Han Qianqian suddenly made such a strange move, making her even more creeped out.

"In the air, a trace of blood is overflowing, do you smell it?" Han Qianqian said curtly, the fishy smell came from the front, it was obvious that something had happened in front.

The frowning Snapdragon Huang listened to Han Qianqian say that and carefully smelled it, indeed he smelled a fishy odor.

"It seems that someone has already died up ahead, I'm afraid that we've encountered powerful exotic beasts." Huang Snapdragon said curtly.

Powerful exotic beasts?

Isn't this the best chance to get Han Gong-gon killed?

Yan Chen thought nothing of it and continued to walk forward.

Han Giangli smiled helplessly and nodded to Huang Snapdragon.

Huang Snapdragon walked up to Han 3,000 and said in a low voice, "Master, is this woman crazy, she knows there's danger ahead, but she still dares to go."

"If she wants to get me killed, naturally she needs to encounter a powerful exotic beast, this isn't madness, it's ruthlessness." Han Giangli said.

Huang Snapdragon laughed coldly, with Yan Chen's realm, if Han Qianqian was dead, would this woman want to have a chance of surviving, it was ridiculous.

"What a fury of a woman."

Chapter 882

"How could it be them!" Seeing the bodies of the three people lying not far ahead, Huang Snapdragon was filled with astonishment.

These three, weren't they the three men from Xiao Ling City just now!

After the separation, Snapdragon Huang had thought that they would leave the Central District, after all, their gazelle rats were already in their hands, but they had never expected to die here.

Yan Chen was scared to death, the gazelle was a four-star exotic beast, but there was no gazelle among the bodies of the three, which meant that the gazelle had probably been hunted by an even more powerful exotic beast.

Above a four-star exotic beast!

I'm afraid that this will not only kill Han Qianqian, but she will most likely die here as well.

Huang Snapdragon was just about to move forward to check on her, when Han Qianqian snapped, "Stay where you are."

When Snapdragon Huang heard this, his legs were like lead, not daring to move a bit.

"The antelope rat must have been eaten, among these three, two of them are at the Three Lantern Realm, and there's a Four Lantern Realm, plus the Four Star Exotic Beast Antelope Rat, what kind of exotic beast can be so powerful." Yan Chen quietly took a step back and said.

"There aren't too many signs of a fight at the scene, which means they struggled for a short time, it looks like they've encountered something ruthless." Han Giangli looked at the surroundings, although there had been a fight, there were very few traces, indicating that they had died without much of a chance to fight back, and all three of the wounds were on their chests, obviously from very sharp claw cuts that killed them in one blow.

"What do we do now?" Huang Snapdragon asked to Han Three Thousand.

Han Giangli frowned, he wouldn't make a move unless he had to, but based on the current situation, it wouldn't do to not make a move, after all, the combined strength of these three was much more powerful than Huang Snapdragon, and I'm afraid that Huang Snapdragon alone wouldn't be able to deal with it.

And it was too late to run now, Han Giangli could feel a pair of eyes staring at them from somewhere in the shadows.

At that moment, there was a sudden roaring sound that resounded throughout the middle region of the Dragon Rock Mountain Range.

"It's a winged tiger, the sound of a winged tiger!"

"The Winged Tiger but the core area is a seven-star exotic beast, how could the sound come from the Central Region."

"It's over, those who went to the Central Region are afraid that they won't make it out alive."

The noise not only alarmed the people in the Central Region, but even the people on the outskirts of the Dragon Rock Mountain Range were also greatly shocked.

At this moment, Yan Chen's thoughts were all over the place, she only wanted to kill Han Qianli, never expecting to be able to encounter the Seven Star Exotic Beast, with her strength, there was no chance of escape.

Han Qianxiang would die, and she would also die here.

At this time, Yan Chen was very regretful inside, but she knew very well that regrets were useless now, the Winged Tiger was nearby and she had no way to escape.

"It's the winged tiger, we're all going to die here." Yan Chen said with a deathly expression.

"Stinking b*tch, what are you farting about, how do you know it's a winged tiger's voice." Snapdragon Huang panicked and cursed, he didn't want to run into a Winged Tiger, he had only just been promoted to the Four Lantern Realm and hadn't had time to enjoy the treatment of a strong man, if he died here, wouldn't it be a great grievance.

Yan Chen smiled coldly and said, "Is it useful to lie to yourself? Is it possible to live by self-deception?"

Snapdragon Huang wanted to retort, but at that moment, a snow-white tiger with wings appeared in front of the three, two meters tall and four meters long, with fluorescent white eyes that looked very oozing.

When it incited its wings, the ground flew sand and stone, enough to see how powerful this winged tiger was.

Snapdragon Huang was desperate, this was really a winged tiger!

It was like a big f*cking joke that a seven-star exotic beast from the core region of the Longyan Mountain Range would appear here.

Yan Chen laughed in despair and said, "Han Qianli, the one who died should be you, but I didn't expect to have to give you a funeral, I'm not happy."

Han Qianli's face was as frosty as ice, this woman was blaming him at a time like this, if she didn't have ill intentions, how could she have met the Seven Star Exotic Beast?

Before the Little White Snake was highly poisonous, Han Third Thousand might still be able to fight, but in his current physical condition, he couldn't fight the Winged Tiger, so it was hard to let the Little White Snake come out.

But it was a red-eyed jade python, and once it appeared in the world, I'm afraid it would be difficult for Han Qianxian to keep a low profile, and once it attracted the attention of the Imperial Court, Han Qianxian might get involved in more disputes.

This was the result that Han Three thousand did not want at the moment.

With a glance at Huang Snap Yong, Han Three thousand didn't make a sound, instead expressing his meaning with his mouthpiece.

After comprehending this, Huang Snap Yong walked directly to Yan Chen's side.

"What are you doing?" Yanran Chen asked.

Without saying anything, Snapdragon Huang struck Yanran Chen in the back of the neck, causing her to faint.

"Master, do you have a way to deal with the Winged Tiger?" Huang Snapdragon looked at Han Marchant with an expectant face, the hope of surviving now was something only Han Marchant could create.

Han Third Thousand shook his head and said, "I'm injured, I'm afraid I can't handle it on my own."

Huang Snapdragon was bitter for a moment, he was only a mere Four-Light Realm, even if he wanted to help Han Qianqian, this meager strength was really of little use.

"Master, what should we do now, the winged tiger can fly, we can't even run away if we want to." Snapdragon Huang said.

"The next thing you see, if you can't keep it a secret for me, I'll have to kill you." Han Giangli said.

Snapdragon Huang was very quick to nod his head, though he didn't know what he was about to see.

"Master, I'm your disciple, I would never betray you." Snapdragon Huang said, his heart especially curious as to what would happen next that would make Han Marchant so cautious.

Naturally, Snapdragon Huang could not have imagined that what he would see next would be something he would never forget, the Nine Star Exotic Beast Red-Eyed Jade Python, a powerful exotic beast that even the existing Extreme Masters of Xuanyuan World had the luxury of hoping for.

Han Giangli patted his arm and said, "It's your turn to go, don't f**king sleep."

The little white snake lazily crawled out and looked around.

Huang Snapdragon was first slightly startled, just such a small thing, could it be that Master was expecting it to deal with the Winged Tiger, wasn't this a joke?

"Master, what is this?" Snapdragon Huang asked in confusion, the small size simply made him not recognize it as a red-eyed jade python, after all, he had never actually seen one before and would never have expected the legendary red-eyed jade python to be so small.

Han Giangli didn't reply, seeing the red-eyed jade python bobbing and swimming to the feet of the winged tiger.

This little thing was awe-inspiring to all the exotic beasts in the Devil King's Cave, so it must be more than enough to deal with the winged tiger.

But what Han Giangli didn't expect was that the winged tiger lifted its foot and hatefully stepped on the little white snake.

"F**k!" Han Three Thousand Thousand bursts out foul-mouthed and stunned!

Chapter 883

Huang Snap Yong was also dumbfounded, I thought that Master would come up with some killer weapon, but I didn't expect it to be such a small thing, and I'm afraid the kick would have broken his bones!

"Master, you're you're" Huang Snap Yong's heart was filled with mixed emotions, he really didn't know what to say.

Han Giangli wiped the cold sweat from his forehead, it was quite powerful in the Demon King's Grotto, it's not like it was killed by a winged tiger when it arrived in Xuanyuan World.

And according to Snapdragon Huang, it should be a red-eyed jade python right, it was a nine-star exotic beast anyway, how could it not even be able to deal with a seven-star exotic beast?

Or is it in the growth stage right now, and its strength is not even close to nine stars?

This was finished.

It was clearly unrealistic for Han Qianqiang to face the Seven Star Winged Tiger in his current injury condition, and if the Red-Eyed Jade Python was really this bad, I'm afraid that the lives of several of them would be on the line.

"Don't worry." Han Qianqian said comfortingly to Huang Snapdragon, and although he was also unsure of what to do, he didn't show the slightest bit of panic on the surface.

Hearing Han Giang's words, Huang Snapdragon was a little calmer inside.

The Seven Star Winged Tiger's first trampling didn't seem to be enough, and raised its foot again, as if it wanted the little white snake to die a complete and utter death.

But at this moment, the Seven Star Winged Tiger suddenly froze, and a dangerous air made its eyes look around vigilantly, as if a great danger was imminent.

At this instant, Han Giangli noticed that the winged tiger's eyes were clearly shining with fear.

With a sky-shaking roar, the winged tiger seemed to be building up its courage, as well as calling out for its opponent to show up.

And this roar once again caused the periphery of the Dragon Rock Mountain Range to tremble, those One-Light Realm people were all panicking, many of them were already planning to leave, lest the winged tiger suddenly appear in the periphery and be victimized.

People were leaving one after another, but the entrance to the Central Region was still guarded by a figure that was unwilling to leave.

Chen Tiesin!

He knew that Yan Chen was still in the Central District, and he also knew that Yan Chen wanted to use this opportunity to kill Han Qianqiang.

However, he never expected that the Seven Star Winged Tiger would appear in the Central District, and if Yanran Chen were to encounter the Winged Tiger, she would definitely die, which made Chen Tiesin very worried.

Since childhood, the siblings had grown up together, Chen Tiesin had taken most of the responsibility of protecting Yanran Chen and loved his sister, he would always stand up for Yanran Chen no matter what, but this time, he hesitated.

Worry aside, but Chen Tiesin knew that if Yanran Chen really encountered the Winged Tiger, it would be absolutely impossible for him to save Yanran Chen with the strength of his Second Lamp Realm.

Even if he were to enter the Central Region, it would only be a dead end.

"Chen Tiesin, what are you waiting for, hurry up and leave, once the Winged Tiger appears in the outer area, everyone here will die." A young man shouted to Chen Tiesin, they seemed to be on good terms with each other, and when it came to a crisis, he didn't forget to remind Chen Tiesin.

"My sister is still inside." Chen Tiesin said with his fist squeezed.

"Do you think she still has a chance to come out alive, this is a Seven Star Winged Tiger, not an ordinary exotic beast." The man said.

Chen Tiesin naturally knew how powerful the Winged Tiger was, but he was not willing to let Yan Chen die in the Dragon Rock Mountain Range like this.

"Hurry up and leave, your strength can't save her, so why do you need to harm yourself." The man continued.

Chen Tiesin took a deep breath and said in a low voice, "Han Qianqian, if it wasn't for you, how would she face such a difficult situation, I'll find out all your information and have your family bury her with her."

After saying that, Chen Tiesin turned around with difficulty, it wasn't that he didn't want to save Yanran Chen, but he knew that there was nothing he could do.

"Why would she go to the Central District, with her strength, wouldn't it be a death sentence?" The man was confused and asked Chen Tiesin, before he couldn't understand why Yan Chen did this, after all, the Central District wasn't a place where ordinary people dared to go.

Chen Tiesin had already blamed Han Qianqian for this, and now hearing him ask, his hatred for Han Qianqian was even stronger.

"It's nothing, I just blame her bad luck." Chen Tiesin said.

Central District.

The winged tiger was still looking around for its place after the roar, but it hadn't noticed the small white snake beneath its feet, which was growing larger and thicker at a rate that was visible to the naked eye.

As the little white snake grew larger, its image became more and more similar to that of a foreign beast that Snapdragon had seen in a painting, but the beast in that painting was a nine-star red-eyed jade python.

The legendary nine-star exotic beast, currently in the entire Xuanyuan Continent, Huang Snap Yong only knew that the Imperial Court's emperor was able to handle it, and the emperor had the help of many eight-light and nine-light realms as well as pole masters in order to capture the nine-star exotic beast.

"Master Master is even a beast master, and he is also the strongest red-eyed jade python among the nine-star exotic beasts." As he said this, Huang Snapdragon couldn't help but have his legs tremble as he was really scared.

Previously, although he had guessed that Han Qianqian had the Extreme Mastery Realm, it was ultimately just a guess without any real evidence, so the shock in his heart wouldn't come too strongly.

But right now, the appearance of the Nine Star Exotic Beast Red-Eyed Jade Python was equivalent to sitting on Han Three Thousand's Extreme Master realm, so how could this not make Huang Snap Yong excited?

Pole Division!

Master was really an Extreme Master, and for him, such a great good thing was his capital to soar to the sky in the future.

How many people in the entire Xuanyuan world could have the honor of being a disciple of a great master!

It was also the first time Han Qianqian had seen the red-eyed jade python's true body, and his heart was a bit shocked, as the red-eyed jade python was now as big as a bucket, while its enlargement still continued, with no signs of stopping at all.

"This guy, how big is the real body?" Han Qianli said with a sigh on his face, usually this little thing was attached to his wrist, Han Qianli had never thought that it could be so large as to be so terrifying.

The ten feet long red-eyed jade python finally revealed its true colors.

The Seven Star Winged Tiger was now trembling in fear, and the powerful and ferocious one it was before had now turned into a well-behaved cat-like creature, constantly licking its paws.

The red-eyed jade python spat out a red letter with a hiss, and the winged tiger trembled in fear, actually kneeling on all fours as if begging for mercy from the red-eyed jade python.

The red-eyed jade python held its head high, and with a swing of its tail it directly struck the winged tiger.

The Winged Tiger that hit the mountain wall heavily let out a pitiful whimper, although it was strong enough as a seven-star beast, it had no resistance at all in front of a top nine-star beast like the Red-eyed Jade Python.

Just as the red-eyed jade python was about to devour the winged tiger in one gulp, Han Qianli suddenly made a move to stop it.

Chapter 884

"Don't k*ll it yet." Han Qianqian said to the Red-Eyed Jade Python.

The red-eyed jade python took Han Three Thousand's words as a holy decree, and since Han Three Thousand had spoken, it would naturally show mercy.

The winged tiger took a grateful glance at Han Three Thousand, it was clear that exotic beasts of this level had great intelligence, but just as it was about to bolt, Han Three Thousand spoke again, "Just because I don't let it kill you, doesn't mean you can leave."

The winged tiger was stunned in place, looking at a loss for words.

Only Han Three Thousand turned around and looked at Huang Snapdragon and asked, "Do you want it?"

"Want?" Huang Snapdragon looked at Han Marchant in shock and said, "What do you want?"

"Of course it's a winged tiger," Han Giangli said.

Huang Snapdragon instantly felt goosebumps on his skin, and even his sweat hairs stood on end.

Want a winged tiger?

Master's words meant that he was to tame the Winged Tiger.

This was something that Huang Snap Yong did not even dare to think about.

Once upon a time, Huang Snap Yong's greatest dream had been to tame a three-star exotic beast, and that dream was still very difficult to achieve.

But now, he had the chance to tame a seven-star exotic beast, and a winged tiger at that, which made Snapdragon Huang feel like he was dreaming.

"Master Master, you are not joking with me." Huang Snapdragon said with trepidation.

"Granny, just like a woman, do you want it or not, if you don't, I can have it killed." Han Giangli said impatiently.

"Yes, yes, yes, yes." Huang Snap Yong nodded his head like pounding garlic, how could he not want such a heavenly opportunity?

Taming the seven-star exotic beast, I'm afraid this is a once-in-a-lifetime opportunity for him, and if he missed it, he might not encounter it again in his next life.

The Winged Tiger was obviously a bit disgruntled, after all, Huang Snapdragon was only at the Four Lantern Realm, to it, this was like a disgrace.

But facing the pressure from the Red-Eyed Jade Python, it didn't dare to disobey, after all, Han Giang's words had just made it very clear that if Huang Snapdragon didn't want it, he would let the Red-Eyed Jade Python kill him.

Compared to death, the winged tiger was still more willing to become Huang Snapdragon's mount.

"Master, can I really do this?" Huang Snap Yong was still a little unsure about Han Qianqian, after all, he was only at the Four Lantern Realm now, if he tamed the Winged Tiger, there was no telling how many people would be shocked.

Just thinking about riding the Winged Tiger back to Long Yun City with that kind of gesture made Huang Snap Yong feel cool to the core, but I'm afraid that this would cause a lot of people to speculate, and if he exposed his master's identity, it would be troublesome.

"Don't worry, you won't say a word about this matter to the outside world, let them speculate."
Han Giangli said.

Snapdragon Huang nodded and walked up to the winged tiger.

"I know that I'm definitely not a match for you at my current state, but my master is an Extreme Master, and one day, my strength will match yours, and you can also rest assured that I will never treat you badly, I'm the son of the City Lord, and I'll help you find whatever you want to eat, no matter how much it costs." Huang Snapdragon said to the Winged Tiger.

After the words fell, Snapdragon Huang drew a symbol exclusive to taming beasts.

With the difference in strength between Huang Snapdragon and the Winged Tiger, the Winged Tiger could easily resist the symbol, but it didn't do so, after all, the Red-Eyed Jade Python was still salivating at the side, and if it refused, it would only end up with one thing, and that was becoming a meal in the belly of the Red-Eyed Jade Python, it still knew what it meant by choosing wisely.

When the symbol melted into the Winged Tiger's forehead, Snapdragon Huang had an extra sense in his heart that no matter where he was, he could sense where the Winged Tiger was, and with just one thought of his own, the Winged Tiger would die violently on the spot.

Suddenly, Snapdragon Huang knelt down to Han 3,000 and kowtowed ten times with a devout face.

This was Huang Snap Yong's sincere respect for Han Three Thousand Years, for not only had Han Three Thousand Years helped him break two realms in a row, but now he had even tamed a powerful seven-star exotic beast like the Winged Tiger for him, and these ten kowtows were only an act done because Huang Snap Yong didn't know how to repay Han Three Thousand Years, and in the future, he would be absolutely loyal to Han Three Thousand Years.

"Master, thank you." Huang Snapdragon said.

"Since you call me Master, these are the things I should do." Han Three thousand faintly said, knowing that from now on, Huang Snapdragon would not feel the slightest bit of betrayal towards him under any circumstances, which was a good thing for Han Three thousand.

After all, the world of Xuanyuan was unfamiliar to Han Three Thousand, and having a good helper would allow Han Three Thousand to reach his goal more smoothly.

Han 3000 looked at Yanran Chen, who was still in a fainting state at the side, and said to Huang Snap Yong, "Take her with you, it's almost time to leave."

Huang Snap Yong looked embarrassed, if it was before, he would definitely have the intention of taking advantage of others, after all, he had adored Chen Yanran for many years, it was his heart's desire to be able to kiss her, but now, no matter what, she was also his nominal teacher's wife, Huang Snap Yong would not dare to have any ill intentions.

"Master, although you don't have any relationship with her, but to me, she still has the name of a teacher's wife, it's not good for me to take her away." Snapdragon Huang said.

Han Giangli raised his eyebrows and said with a smile, "Didn't you always like her? And kill me because of her."

Huang Snap Yong almost shook himself out of his concussion and said, "Master, don't joke with me, how dare I, even if you don't want her, I wouldn't dare have the slightest relationship with her ah."

Han Qianli had no choice but to resist Yanran Chen on his shoulders himself.

The little white snake had regained his arm, and the winged tiger was following Huang Snapdragon, who appeared to have become much taller and more powerful.

Walking out of the Central District, Han Giangli discovered that not a single person could be seen near the Dragon Rock Mountain Range, which made him a bit strange.

"The Beast Hunt is over so soon?" Han Giangli was confused and asked Snapdragon Huang.

"In previous years, the Beast Hunt would have lasted at least half a month or so, so it couldn't have ended so quickly." Huang Snap Yong explained.

"Where are the people, why can't we see any of them?" Han Qianliang was strange.

When Snapdragon Huang looked at the winged tiger, a smile appeared on his lips as he said, "Master, I'm afraid that those people heard the roar of the winged tiger, so they were all scared, probably because they were worried that the winged tiger appeared on the outskirts, so they fled for their lives."

Han Giangli nodded, and there was no other explanation other than that.

"You go back to the city first, it's too attention-grabbing to walk with you." Han Three Thousand said to Snapdragon Huang.

"Master, if you have any requests, feel free to come find me at the city's main residence." Huang Snapdragon said.

Han Qianqian thought about it and said, "Come with me to Xiao Ling City in a few days and remember to bring more silver money."

Huang Snap Yong smiled obscenely and nodded repeatedly, "Master, I understand, don't worry, the silver money is definitely enough to manage."

Chapter 885

Huang Snapdragon brought the Winged Tiger into the city.

This matter instantly stirred the entire Long Yun City, and in less than fifteen minutes, the news was overwhelming.

Everyone was gazing at Snapdragon Huang's scenery from both sides of the road, looking at the huge body of the Winged Tiger with admiration.

This was the most glorious event in the history of Long Yun City, and Huang Snap Yong was destined to go down in the history of Long Yun City, because no one had ever tamed a seven-star beast before, and he had done it, and he was the pride of Long Yun City.

City Hall, Huang Houyi Ben was in agony because Huang Snap Yong had broken two realms in a row and had just laid a solid foundation for his position as City Lord, but this time, he had gone to the Central District for the Beast Hunt, and the appearance of the Winged Tiger in the Central District was almost a fatal blow to Huang Houyi.

Everyone knew how powerful the Winged Tiger was, being a seven-star exotic beast, Huang Snapdragon's four-light realm strength couldn't fight against it, so in Huang Houyi's opinion, Huang Snapdragon was on the ropes this time, not only would he lose his son, but he might also lose his position as city lord, a reality that Huang Snapdragon couldn't accept.

At that moment, a panicked servant ran to kneel down in front of Huang Hou Yi and said, "City Lord, Young Master, Young Master is back."

"Back!" Huang Houyi scuffled to his feet, he was able to come back alive, something Huang Houyi never expected.

"Not only did he come back, young master, young master also tamed the seven star exotic winged tiger." The servant continued.

Boom!

It was as if thunder had exploded in Huang Houyi's mind.

Taming the Seven Star Exotic Beast!

How is that possible?

How strong was Huang Snapdragon, Huang Houyi knew very well, four-light realm fighting seven-star exotic beasts, wasn't this a joke?

"Are you confused, what nonsense are you talking about, how could he tame the Seven Star Exotic Beast." Huang Houyi scolded.

"It's true, it's true, now everyone in the entire Long Yun City knows that the young master is bringing the winged tiger back to the city." The servant said excitedly.

Huang Hou Yi took in a deep breath of cool air, this servant would never say these words unless he wanted to die, the only explanation was that what he said was true.

But how did Huang Snapdragon do it!

How could he tame the Seven Star Exotic Beast!

"Quick, where's the man, I'm going to check it out." Huang Houyi said.

"The entrance, right in front of the City Lord's Palace."

Huang Houyi got windy on his feet, wishing he could run, and quickly walked to the entrance of the City Lord's Palace.

The first thing that caught the eye was the huge winged tiger, fluttering its wings to look extremely powerful, and Huang Snapdragon was standing next to the winged tiger, although he was much smaller than the winged tiger, he was even more eye-catching, after all, he was the one who had tamed the tiger.

Huang Hou Yi's hands and feet trembled with excitement, this was truly a blessing for the Huang family, Huang Snap Yong had tamed the Winged Tiger, in the future, who else in Long Yun City would dare to bark at the City Master's Mansion, would the three great families, still have the guts to use him as a puppet?

"Snapdragon, you you actually tamed the winged tiger!" Huang Houyi walked up to Huang Snapdragon and said excitedly.

Huang Snapdragon smiled faintly and said, "Father, how is it, is it domineering enough?"

"Tyrannical, of course it's tyrannical, this is a Seven Star Winged Tiger, the entire Long Yun City, other than you, who else is qualified to do it." Huang Houyi said.

"Now the three big families, whoever dares to be dissatisfied with you, I'll have the Winged Tiger trample their mansions." Huang Snapdragon said.

Huang Houyi knew that no one could shake his position as city lord anymore, and with this Winged Tiger in existence, the three great families would have to be obedient in the future.

The two Wang Xie families were very tormented at this time, Huang Snapdragon had broken two realms in a row to reach the strength of the Four Lantern Realm, which had become a major problem for them, and this problem had not yet been solved, and now Huang Snapdragon had brought back the Seven Star Exotic Beast from the Dragon Rock Mountain Range, which was almost fatal news for them.

Originally, they had planned to deprive Huang Houyi of his position as the city lord, so that this disobedient puppet would know how powerful it was, but now, with the Seven Star Exotic Beast currently, they were powerless to do so.

At the Wang residence, the Wang family lord instructed his subordinates, "Prepare generous gifts, I will personally go to the city lord's residence to congratulate Huang Snapdragon."

At the same time, this was also the case at the Xie Family Residence, where the Xie Family Lord asked his servant to prepare a great gift and to make a trip to the City Lord's Residence.

And this was the Chen Family Residence.

Chen Tiesin was filled with despair, in the past, he and Huang Snap Yong were in the same realm and could be considered equal, but some time ago, Huang Snap Yong had broken two realms in a row, causing Chen Tiesin to suffer a blow, of course, this blow was not a big one, in Chen Tiesin's opinion, as long as he sought out a famous master, he would still have a chance to surpass Huang Snap Yong's realm one day.

But now, the news of Huang Snap Yong taming the Seven Star Exotic Beast had returned, almost causing Chen Tie Xin to despair, as he knew that even if a famous master was willing to take him as a disciple, he might not have a chance to be able to tame the Seven Star Exotic Beast, and in this regard, he was losing and didn't even have the strength to resist at all.

"Seven-star exotic beast." Chen Tiesin smiled weakly, how many people's unattainable dream, but Huang Snapdragon had already achieved it.

At this time, Chen Yuanhai arrived in front of Chen Tiesin and said, "Did you hear, Huang Snapdragon has even brought the Winged Tiger back to Long Yun City."

"Father, the three great families of Long Yun City will never be able to fight against the City Hall again." Chen Tiesin said.

Naturally, Chen Yuanhai understood this truth, with the Seven Star Exotic Beast sitting in town, the three great families were just a few jumping clowns in the eyes of the City Lord's Palace, but this was not what Chen Yuanhai was concerned about.

"Since the Winged Tiger has already been tamed by Huang Snapdragon, is it possible for Yan Chen to survive?" Chen Yuanhai said.

Chen Tiesin's eyes gazed.

Previously, he had been so concerned about Huang Snap Yong that he had completely forgotten about Yanran Chen.

Now that he thought about it, it was indeed possible that Yanran Chen was still alive.

"Father, I'll immediately go to the City Hall, Huang Snap Yong definitely knows where his sister is."
Chen Tiesin stood up and couldn't wait to say.

Chen Yuanhai stopped him, since he had to go to the City Lord's Residence, he definitely couldn't go so simply.

Now that Wang Xie and his family had already stated their stance, the Chen family would definitely have to show their attitude as well, otherwise, the Chen family would definitely be targeted by the City Lord's Mansion in the future.

"First, have your servant prepare a gift to go for the reason of congratulating Huang Snapdragon." Chen Yuanhai said.

Chen Tiesin gritted his teeth, the previous Huang Snap Yong was nothing more than an idle trash in his eyes, spending his mind on women all day long, but now, he was going to congratulate this trash, causing Chen Tiesin to feel a million dissatisfactions in his heart.

"Father, this guy is only at the Four Lantern Realm, how could he tame a Seven Star Exotic Beast?" Chen Tiesin said unwillingly.

Chen Yuanhai sighed and said, "According to my guess, I'm afraid that Huang Snapdragon has a very powerful master who helped him break two realms in a row, and also helped him tame the Seven Star Exotic Beast."

Chapter 886

Awesome Master!

This sentence made Chen Tiesin even more unhappy, he had been running around for years in search of a senior master and had found nothing, while Huang Snapdragon was able to get a master who could help him tame the seven-star exotic beasts without putting in any effort, why was the world so unfair.

Just at this moment, a servant ran to the two in a panic and said, "Master, Eldest Young Master, Miss is back."

"Back!"

"Back!"

They were stunned, then hurried towards the gate of the residence.

They saw Han Qianqian carrying Chen Yanran on his shoulders.

Chen Tiesin started snapping at Han Three Thousand when he reached her, "Han Three Thousand, what are you doing, release my sister, you trash, you dare to take advantage of my sister."

Han Qianqian gave a faint glance at Chen Tiesin and said, "She's fainted, if I don't carry her back, do I leave her in the Dragon Rock Mountain Range? This isn't taking advantage."

Chen Tiesin couldn't care less, for him, it just wouldn't do for Yan Chen and Han Giang to be so close to each other.

"If you don't let go of her, I won't be polite to you." Chen Tiesin threatened.

Han Qianqiang smiled helplessly, this guy always looked like he was overbearing, but he was only in the Second Lamp Realm, and he didn't know where he got this kind of strength.

"Fine, fine, I'll put her down." Han Giangli said, directly throwing Yanran Chen to the ground.

When Chen Tiesin saw this, he quickly helped Chen Yanran up and then said to Han Qianli, "If anything happens to her, you won't be able to live."

Chen Yuanhai directly skimmed over Han Qianxiang, as if Han Qianxiang was a transparent figure in his eyes, and was relieved after checking that Yanran Chen's physical state was fine.

Chen Yuanhai, who was looking at Han Three Thousand with slanted eyes, asked, "What happened."

"Fainted." Han Marchiang said.

"I know fainted, I'm asking you how she fainted." Chen Yuanhai said coldly.

"I don't know, it was a complicated situation and I fainted too, I just woke up earlier than her." This was a statement that Han Qianqiang had thought of on the way back, and it was the only way to prevent them from asking more questions.

After all, Huang Snapdragon had tamed the Seven Star Exotic Beast, and the Seven Star Exotic Beast's appearance was seen by Yan Chen, so if he didn't faint, wouldn't he have to make up a story about Huang Snapdragon taming the Exotic Beast.

"What you're saying better be the truth, otherwise, I'll still be looking for you." Chen Yuanhai said.

"If there's nothing else, I'll go back to my room first." Han Giangli twisted his head after saying that and left.

Since Yanran Chen was still in a coma, Chen Yuanhai and his son didn't make things too difficult for Han Three Thousand.

They sent Chen Yanran back to her room and had her quietly lie on the bed, and it wasn't long before Chen Yanran woke up.

Since she saw the winged tiger before she fainted, at that time Yanran Chen felt sure she would die, so after she woke up, she subconsciously showed a frightened expression.

"What to do, what to do." Yanran Chen unconsciously said.

Hearing Yanran Chen's frightened tone, Chen Tiesin hurried to the bedside and said, "Yanran, it's fine, you have returned home safely, don't be afraid."

"Home?" Yan Chen looked around at everything that was familiar, this was indeed at home.

But, how could she be at home?

How did she survive in the face of the Seven Star Exotic Winged Tiger?

"Brother, what's going on, why am I at home, I met the winged tiger in Central, you know the winged tiger?" Chen Yanran said.

Chen Tiesin nodded, how could he not know about the Winged Tiger? And now the winged tiger had become the topic of discussion throughout Long Yun City.

"I didn't even die." Yanran Chen patted her head, as if she wanted to go to great lengths to remember what had happened before, but Huang Snapdragon's Four-Light Realm strength sneak attack knocked her out, something she simply couldn't feel.

"Yanran, you saw the Winged Tiger, then what, then what happened?" Chen Tiesin asked in confusion.

Yan Chen shook her head, not being able to remember what was going on at all, and said, "I remember, after seeing the winged tiger, I somehow passed out, and then I saw you guys, what happened in the meantime, I don't know."

"Brother, do you know what happened, how did I get back safely." Yan Chen asked back at Chen Tiesin.

Chen Tiesin shook his head, he didn't even go to the Central District, so naturally he wouldn't know what happened in the Central District, but he did know the outcome of the whole thing.

"I don't know what happened during the process, but you survived because Huang Snapdragon tamed the Winged Tiger." Chen Tiesin said.

"What!" Yan Chen sat up with fear in her eyes, taming the winged tiger, this was a seven star exotic beast, with the strength of Huang Snapdragon's Four Lantern Realm, how could it be possible.

"Brother, you're joking with me, how could Snapdragon Huang tame the Winged Tiger, he has broken two realms in a row, but he's only at the Four Lantern Realm now." Chen Yanran said.

Chen Tiesin also hoped that this matter was just a joke, but it was true, and it was witnessed by the entire Long Yun City, how could it be false?

Seeing that Chen Tiesin was silent, Yan Chen turned to Chen Yuanhai and asked, "Father, what's going on here, did Huang Snapdragon really tame the Winged Tiger?"

"I don't know what happened, but he did tame the winged tiger, he brought it back to Long Yun City, this is something that many people saw with their own eyes, it will never be false." Chen Yuanhai said.

Yan Chen took a sudden deep breath and looked at Chen Tiesin again.

She knew why Chen Tiexin was silent, as the gap between him and Huang Snapdragon was growing, and he must have been very unhappy inside.

However, this reluctance was very powerless, the Seven Star Exotic Beast, which was a powerful exotic beast that was out of reach for anyone.

"By the way, what about Han Qianli, how is he." Yanran Chen suddenly thought of Han Three Thousand and asked in a row.

Chen Tiesin said disdainfully, "He's not dead and he's the one who brought you back."

"I'll go find him right away, he definitely knows what's going on." Yan Chen said and stood up, in her opinion, she had passed out not witnessing the scene of the subjugation of the Winged Tiger, but Han Ganshi definitely knew.

"It's useless, he said he fainted too, he doesn't even know what's going on, he just woke up earlier than you." Chen Tiesin said.

Yanran Chen laughed coldly and said, "If he says he fainted, do you really believe him, and if he really fainted, why should he be able to wake up before me."

Chen Tiesin's eyes gazed and said with murderous intent, "Are you saying that this trash is lying to me?"

"Whether it's a lie or not, I'll just have to ask, maybe he's the only one who can help us unlock all the answers." Yan Chen said coldly.

Chapter 887

Han Giang was resting on his bed when Yan Chen came raging, but this was expected, after all, the matter of Huang Snap Yong taming the Seven Star Exotic Beast was so curious that it was obviously unlikely that Han Giang would want to simply gloss over it.

"Like you, I don't know anything, so even if you ask me, I don't have a satisfactory answer for you." Before Yanran Chen even opened her mouth, Han Giangli was the first to say.

Yanran Chen's gaze was torchy as she looked at Han Three Thousand, a woman's intuition telling her that Han Three Thousand hadn't fainted at all, and he had even witnessed Huang Snap Yong's process of subduing the Seven Star Exotic Beast.

"Han three thousand, you live in my Chen family, you eat my Chen family, the life you are living now is given to you by my Chen family, you were unconscious for such a long time, if I hadn't brought you back home, you would have been violently dead in the wilderness, you owe this to my Chen family." Yan Chen said.

"Isn't the reason why you would let me stay in the Chen family, just to use me?" Han Qianli faintly said.

"But I saved you, can you deny that?" Yanran Chen said.

Han 3000 thought about it, there was really no way to deny this, no matter what reason Yanran Chen had for letting him stay in the Chen family, the love did exist, if the others found out, or if he remained in the deserted suburbs, Han 3000 was afraid that he would either be buried alive or eaten to the bone by wild animals.

"Tell me, what do you want." Han Three Thousand asked.

"I want you to tell me everything you saw, how exactly did Huang Snapdragon manage to subdue the Winged Tiger." Chen Yanran said.

Han Giangli took a deep breath, stood up, walked over to Yanran Chen, and asked, "You really want to know?"

"Cut the crap." Yan Chen looked straight at Han Qianqian with cold eyes.

Han Qianli shrugged his shoulders and said, "Since you want to know, fine, I'll tell you, I helped Huang Snapdragon tame his seven-star exotic beast, and I helped him to break two realms in a row, so you're satisfied now."

Yan Chen gritted her teeth, how could she believe such ridiculous words.

With a trash like Han Qianqian, he could help Huang Snapdragon tame the Seven Star Exotic Beast, and even Huang Snapdragon's ability to break two realms in a row was related to him, wasn't this a joke?

"Han 3,000, do you think I would believe such ridiculous words?" Yan Chen scoffed with disdain.

Han Qianli waved his hand helplessly and said, "I'm telling the truth, if you don't believe me, I can't do anything about it."

"Snapdragon Huang has a master?" Yan Chen asked.

"Not bad."

"Was it his master who helped him tame the Seven Star Exotic Beast?"

"That's natural, how could Huang Snapdragon's four-light realm strength deal with a winged tiger."

"His master, what kind of person is he."

"Me." Han Giangli pointed at himself and said.

"Was he the one who threatened you to keep you from telling anyone about this?" Yan Chen didn't believe Han Qianqian's words at all, believing that he just didn't dare to reveal Master Huang Snapdragon's true identity.

"Think whatever you like, that's all I can say." Han Three Thousand lay back on the bed, he was considered very sincere and told Yanran Chen the true answer, but she didn't believe him, so there was nothing Han Three Thousand could do about it.

"I won't embarrass you, after all, such an expert threatened you, I'm sure you wouldn't dare to disobey him, but from today onwards, my Chen family has nothing more to do with you." Yan Chen said.

"What do you mean?" Han Qianli frowned.

"Hehe." Yan Chen smiled coldly and said, "What do you think you're capable of hanging around the Chen family, the Chen family doesn't take in trash like you, pack your things and get out of Long Yun City while you can, don't let me see you in Long Yun City in the future, or else I'll never let you go."

After saying that, Yanran Chen turned around and walked away.

Han Third Thousand didn't expect Yanran Chen to try to harm herself, turning her back so quickly, and had thought that she would be able to lurk by using the Chen family's identity, but now it seemed like there was no chance.

But this wasn't a big deal to Han 3,000, with Huang Snap Yong's disciple's status in Long Yun City, finding him a mansion was just a small problem.

When Yanran Chen returned to her room, Chen Tiesin and his son were still waiting here.

Seeing Yanran Chen return, Chen Tiesin eagerly asked, "How is it, did you ask anything?"

"It's true that Snapdragon Huang has a master, but Han Qianli refused to reveal that person's true identity, he should have been threatened, and I didn't dare to ask more, after all, it's not our place to dig

deeper when such a strong man wants to hide his identity." Yan Chen said with a heavy expression, it wasn't that she didn't want to force Han Giang to tell the truth, it was that she didn't dare to do so herself.

Chen Tiesin let out a long sigh, filled with a weak, bitter smile, and said, "It's amazing that someone like Huang Snapdragon can be so lucky, and I've given so much for this, but I've gotten nothing, the heavens are really blind."

"Brother, don't worry, you can definitely find a more powerful master." Chen Yanran consoled.

Chen Tiesin smiled to himself, a more powerful master?

In Chen Tiesin's mind, he would be very satisfied to find a Seven Lantern Realm powerhouse as his master, but Huang Snapdragon's master was able to easily subdue the Seven Star Exotic Beast Winged Tiger, which showed that Huang Snapdragon's master's realm was never just the Seven Lantern Realm, and above the Seven Lantern Realm, it was the Imperial Court's important minister, how could he be qualified to become the disciple of the Imperial Court's important minister?

City Lord Residence.

Huang Houyi stood in front of the winged tiger, so excited that he couldn't speak, the changes Huang Snapdragon had brought him so many surprises during this period of time that for a moment, Huang Houyi actually couldn't believe it was true.

Breaking two realms in a row was enough to make those three great families not dare to act rashly.

And now that Huang Snapdragon had returned with the Seven Star Exotic Beast, shocking the entire Long Yun City, I'm sure that the three great families were already trembling and even regretting that they had to go against the City Hall.

"Dad, how's it going, this exotic beast of mine is okay." Huang Snapdragon smiled and said to Huang Houyi.

It's okay?

More than just okay, in Huang Hou Yi's opinion, it was simply so strong that it was astonishing, and now Huang Snapdragon was fully qualified to enter the imperial court, which to Huang Hou Yi, was something that he had never dreamed of.

"Son, father doesn't know what to say, the surprises you've brought me are just too much." Huang Hou Yi said.

"Hehe, you're in no position to scold me for doing nothing now," Huang Snapdragon smiled.

"Of course, you're so powerful, how could you be idle." Huang Houyi said with a series of nods.

After dispersing the nearby servants, Huang Houyi walked over to Huang Snapdragon and asked in a low voice, "Did your master help you tame this seven-star exotic beast as well?"

"Good." Snapdragon Huang said proudly.

Chapter 888

Although Huang Snapdragon played no role in taming the Winged Tiger, being able to have such a master was enough to make Huang Snapdragon proud of himself, so he answered with great pride.

Huang Houyi wouldn't feel that it wasn't Huang Snapdragon's merit to belittle him, after all, not everyone was qualified to have such a master.

"Your master, what kind of realm is it that a seven-star exotic beast can even tame." Huang Houyi asked curiously.

When Huang Snapdragon recalled the process of taming the exotic beast, he still felt shocked inside, especially when the red-eyed jade python revealed its true form, the visual shock would probably make Huang Snapdragon remember it for the rest of his life.

The Red-Eyed Jade Python, that was a legendary nine-star exotic beast!

"Father, I know you're curious, but you have to be clear about what would happen if you knew certain things and accidentally said them," Huang Snapdragon said.

Huang Hou Yi nodded repeatedly, he was naturally clear about the stakes of such things, an expert of the level of Master Huang Snapdragon was unwilling to divulge his whereabouts, there must be a reason, if anyone leaked it out, the end result would be unthinkable.

"Alright, since that's the case, it's better for me not to know, in case I drink too much and accidentally talk too much, it would be bad." Huang Houyi said.

Huang Snapdragon patted Huang Houyi's shoulder and said, "Father, you just need to know that he is very powerful, so powerful that you can't imagine it."

At this time, a servant was standing at a distance, looking like he wanted to say something.

Huang Houyi waved at him and asked, "What is it."

"Wang Xie and his family are here." The servant approached and said to Huang Houyi.

Huang Hou Yi smiled faintly, the two Wang Xie families were probably here to show their goodwill, after all, now that Huang Hou Yi had tamed the Seven Star Exotic Beast, these two families were no longer qualified to do anything against the city.

"Tell them, I don't have time today, no see." Huang Houyi said.

"Yes." The subordinates took orders and left.

With a smug expression on his face, Huang Hou Yi said, "These old things used to treat me like a puppet, at that time I swore that one day I would trample them underfoot, I never thought that my wish would come true so soon, son, I have to thank you ah, if it wasn't for you, how could the two Wang Xie families change their attitude so quickly."

"Father, in the future, they will know more and more that my Huang family is powerful." Huang Snapdragon smiled.

Huang Hou Yi laughed up to the heavens, it could be said that the intention was great, once many people privately said that Huang Snapdragon was a useless loser, but now, Huang Snapdragon had proved himself with strength, who was still qualified to say those words?

The Chen Family Residence.

When the Wang Xie and Xie families appeared in front of the main gate of the City Lord's Mansion, they received the news at the first opportunity.

The intentions of the two Wang Xie families could be imagined, they were obviously scruffy about Huang Snap Yong's current strength, so they wanted to make peace with the City Lord's Mansion to avoid any more trouble in the future.

This wasn't good news for the Chen Clan, as if the Wang Xie Clan compromised with the City Lord's Mansion, the Chen Clan alone wouldn't be able to make any waves, and now that Snapdragon Huang had grown in strength and was accompanied by a Winged Tiger, it wasn't something the Chen Clan was qualified to deal with.

"It looks like I'm the only one who will personally go to the City Hall, from now on, Long Yun City will only be surnamed Huang." Chen Yuanhai said with a sigh.

Although Chen Tiesin did not want to see things come to this point, but Huang Snapdragon's strength was right there, the Chen family had no choice but to compromise.

"Father, it's better for me to go, how can I let you personally appear." Chen Tiesin said.

Chen Yuanhai shook his head helplessly and said, "The two families, Wang Xie and Xie, can be family heads, if I send you there, wouldn't it be tongue in cheek, this matter can only reflect the Chen family's sincerity if I personally go to handle it."

At this time, Yanran Chen suddenly said, "Father, I'll go with you."

"Yanran, why are you going." Chen Yuanhai was puzzled.

"I'm not married to Han Qianqian and I've already driven Han Qianqian out of the Chen family." After hesitating for a long time, Yanran Chen said through clenched teeth.

These words, however, alarmed both Chen Yuanhai and Chen Tiesin.

Although she did not express herself clearly, what she wanted to say, Chen Yuanhai and Chen Tiesin understood very clearly.

Once Yanran Chen, who had disdained Snapdragon Huang and even felt disgusted by his poor pursuit, but now, she was actively trying to show affection to Snapdragon Huang, which was not only putting down her dignity, but also disregarding even her own happiness.

"Yanran, no, I will never allow you to do that." Chen Tiesin objected.

"Brother, if I don't do this, how will I know who Snapdragon Huang's master is, and now that the Huang family's position is unassailable, my marrying him will also stabilize the Chen family's position in Long Yun City even more." Chen Yanran said.

"No, isn't this a joke to be seen by outsiders of my Chen family, Huang Snap Yong likes you, it's common knowledge in Long Yun City, you used to treat him with disdain and now you've taken the initiative to send him to your door, won't this be chewed up by outsiders who will say that you're deliberately climbing up to Huang Snap Yong." Chen Tiesin said.

"I know, but I believe that Huang Snapdragon will ban these remarks, and since he likes me, he will listen to me." After a pause, Yan Chen continued, "If I can control Snapdragon Huang, it would be the same as controlling the City Hall, and in the future, Long Yun City will be my Chen family's world."

These words sounded a bit heartwarming to Chen Yuanhai, but he was unaware of their ludicrousness, with Huang Snapdragon's current position, how could he still put Yan Chen in his sights?

It wasn't true that Huang Snap Yong used to like Yan Chen, but now, Huang Snap Yong had already forgotten all about Yan Chen in his heart, and this titular teacher's wife wasn't something Huang Snap Yong dared to mess with.

More importantly, if Huang Snap Yong were to learn that Han Qianxiang had been expelled from the Chen family, he would only consider the Chen family as his enemies.

The weight of a woman compared to her master, the latter was simply not comparable to the former.

"Yanran, are you sure that Huang Snapdragon still likes you now?" Chen Yuanhai asked.

Yan Chen smiled confidently and said, "Father, do you think that in the current Long Yun City, there is any woman whose posture can be compared to mine, it is not unreasonable that Huang Snapdragon would obsessively like me for so many years, it is not unreasonable that a man like him, I would be enough to turn his dreams around by dispensing a smile."

Chen Yuanhai nodded and said, "In that case, you should come with me, the two Wang Xie families haven't even entered the gate of the city's main residence, perhaps it will work wonders if you go there."

Chen Tiesin still wanted to say something, but since his father had already made his decision, it was not something he could influence, he could only remind Yan Chen, "Yanran, if Huang Snapdragon dares to give you half a face, you must not aggravate yourself."

"Brother, don't worry, how could he dare to give me a face." Yanran Chen smiled.

Chapter 889

"Master, young master, the Xie family is here."

City Lord, the servant ran to Huang Houyi and his son in a panic.

Huang Hou Yi glared at the servant, it wasn't a big deal, but it was worth him being so panicked.

The talents of the Wang Xie family had been driven away, could it be that he was still afraid of the Chen family?

"You're at least a member of the Citadel, and a Chen family scares you like this?" Huang Houyi said with dissatisfaction.

"Master, it's not just Chen Yuanhai who's here, there's also Chen Yanran." The servant said.

Huang Houyi was stunned, and only then did he understand the reason for his anxiety.

Huang Snapdragon had liked Yanran Chen for many years, this was something that everyone in Long Yun City knew, when she was faced with Huang Snapdragon's quest, she had always rejected it very happily, but had never personally come to the door.

And this time, Yanran Chen taking the initiative to come to the City Lord's Palace, that could mean a lot ah.

Huang Hou Yi took a look at Huang Snap Yong, then laughed up at the heavens and said, "Son, it seems that this woman has been so impressed with you that she has taken the initiative to come to my City Lord's Palace."

If it had been before, Huang Snapdragon would have wanted to kneel on the ground to greet Yanran Chen, in front of this woman, Huang Snapdragon had already abandoned his dignity, as long as he could make Yanran Chen happy, Huang Snapdragon was willing to do anything.

In Earth terms, he was a total licking dog.

But that was before, the current Snapdragon Huang had long since stopped putting Yan Chen in his heart, to him, this woman was the nominal teacher's wife, and only the master could say what would happen to her.

"Son, this is the best chance for you to get her, so you can see what you can do." Huang Houyi said with a smile.

Huang Snapdragon shook his head faintly and said, "Father, do you think I still need her now? With my current status, what kind of woman is not available, even if I were to ask for one from the Imperial Court, the Imperial Court would still select it carefully for me."

Huang Hou Yi nodded, although this was a bit exaggerated, but it was true that this possibility existed, a seven-star exotic beast master, the Imperial Court would definitely pay extra attention to it, and this small request from Huang Snapdragon was no matter to the Imperial Court.

"See or not, you can decide for yourself." Huang Houyi said.

"See, I want to see what she wants." After saying that, Huang Snapdragon followed his servant to the entrance of the City Lord's Mansion.

Yan Chen appeared at the City Lord's Palace, and the two Wang Xie families received the news at the same time, and since they hadn't even seen Huang Houyi's face, they were very dissatisfied with the Chen family for resorting to such lowly tactics.

"I didn't expect the Chen family to push Yanran Chen out, isn't this woman already married, does the Chen family still want to use her to pull in ties with the City Lord's Mansion?" The Wang Family Master gritted his teeth and said.

Family Lord Xie laughed coldly and said, "As far as I know, Yan Chen and that trash are only nominally married, they are not married at all, Yan Chen is still jade and ice clear, if the Chen family were to use her to bring the City Lord's Palace together, our two families would fall short."

"What's the difference between this kind of behavior of Chen Yuanhai and selling his daughter, this old thing is really impudent." The Wang Family Master said unwillingly, he didn't put the City Lord's Mansion in his eyes before, but now, the Wang Family Master was desperate to have a good relationship with the City Lord's Mansion, as this was the foundation of the Wang Family's future foothold in Long Yun City, and if the barrier between him and the City Lord's Mansion wasn't resolved, this would eventually become a hidden danger for the Wang Family.

"Hey." Family Lord Xie sighed and said, "Who let our family all have no beautiful daughters, but in my opinion, there is another possibility in this matter, Huang Snap Yong is not the same Huang Snap Yong after all, whether he still continues to like Yan Chen or not is unknown."

The Wang Family Master nodded, Huang Snap Yong was not the same as he used to be, maybe he still really didn't like Yanran Chen as a woman.

"Keep an eye on the City Lord's Palace for me, and report the latest information as soon as you get it." The Wang Family Master said to his servants.

Outside the main gate of the City Lord's Mansion.

When Yanran Chen saw Huang Snapdragon show up, she had a proud smile on her face, as both Wang Xie and his family had been chased away without seeing anyone, and the fact that Huang Snapdragon had come out to see her was enough to show the difference in treatment the City Lord's Mansion had given her.

In Huang Snapdragon's heart, there was still her, otherwise, why would she have come out in person.

"As the saying goes, when a scholar says goodbye, Huang Snapdragon, it's been a while since I've seen you, you're different now, a four-light realm powerhouse, and a seven-star beast master, I really didn't expect it." Yan Chen said to Snapdragon Huang with a smile on her face, this was absolutely impossible in the past, Yan Chen would be irritated whenever she saw Snapdragon Huang, so how could she smile at him.

"After all these years, I've never seen you smile at me, but the sun is beating out in the west today?" Huang Snapdragon was indifferent.

Chen Yanran's brows furrowed, the tone of her words made Chen Yanran feel as if Huang Snap Yong's attitude towards her had changed, but Chen Yanran guessed that he was merely deliberately trying to put up a front in front of her.

"Snapdragon Huang, aren't you going to invite me in for a seat?" Yan Chen said.

"The number of times I have invited you to the City Hall, countless times, I can't even remember myself, but every time you have very readily refused, in my opinion let's forget about it this time, if you have anything to say, just say it." Huang Snapdragon said.

Chen Yuanhai didn't interrupt at the side, because since Yanran Chen was here, it would be best to let her settle this matter, but he clearly felt at this time that Huang Snapdragon's attitude towards Yanran Chen had a feeling of rejection, which was not the attitude he should have towards his beloved.

The only explanation was that there was no longer a Yanran Chen in Snapdragon Huang's heart, all he had to do to have this change in attitude.

An unknown premonition spread in Chen Yuanhai's heart, but he didn't stop Yanran Chen, after all, he still held a bit of hope in his heart.

"Fine, I'll just say it here." After a pause, Yan Chen continued, "You should know about my relationship with Han 3000, we're just a nominal couple, and I didn't let him touch me."

"So? What is the significance of you telling me this?" Snapdragon Huang asked.

"I've already kicked him out of the Chen family, if you want to marry me, all you need to do is choose a good day and auspicious day." Yan Chen said her words very directly, without any subtlety, telling Snapdragon Huang plainly that I am willing to marry you.

But Snapdragon Huang who heard this was furious, what he cared about was not marrying Yanran Chen, but that his master had even been driven out of the Chen family by Yanran Chen!

This stupid woman, what a treasure in front of her eyes does not know the truth ah, she wants the Chen family to become stronger, all she needs to do is to take good care of Han Qianqian, even Chen Tiesin's realm is something Han Qianqian can help to improve, but she, she turned away the best opportunity, it's ridiculous.

Chapter 890

Huang Snapdragon wanted to ask where Han Qianqian had gone, but his relationship with Han Qianqian couldn't be exposed, and if he asked so directly, it would definitely arouse the Chen family's suspicion, so he could only press the urgent desire in his heart.

"Yanran Chen, you didn't really think I would still marry you, did you?" Snapdragon Wong said.

"You like me, don't you, and this is your best chance to get me, and you're willing to miss it?" Chen Yanran's face did not change as she asked, and throughout she was convinced that as long as she was willing to nod her head, then Huang Snapdragon would still love her just as much as before, and this absolute confidence was shown on Chen Yanran's body, which actually seemed especially ridiculous.

To describe Snapdragon's state of mind, he was once indifferent to me, but now he's beyond your reach.

Now that Snapdragon Huang has the qualifications to enter the Imperial Court, how can he be obsessed with Yanran Chen?

And this woman had even driven her master out of the house, so how could he possibly bring her into the City Hall!

"Yan Chen, you're too arrogant, I did like you as if you were possessed in the past, but now, you don't deserve it." Huang Snapdragon said coldly.

Unworthy!

These two words caused Yan Chen to instantly turn pale, she had never expected such words to come out of Snapdragon Huang's mouth.

All her confidence crumbled and disintegrated in this instant.

Yan Chen almost fell to the ground without stabilizing her body.

Bracing herself, Yanran Chen continued, "Snapdragon Huang, have you really thought this through, this is your last chance."

"Yanran Chen, I've thought about it very clearly, it's just that you don't know yourself well enough, guess how long it will take for the news of my taming the Seven Star Exotic Beast to reach the Imperial Court, and guess how long it will take for the Imperial Court to send someone to Long Yun City, now I already have the qualifications to enter the Imperial Court, and you, what are you?" Snapdragon Huang said.

These words were very devastating, and Huang Snap Yong didn't leave half a bit of room for Chen Yanran, if she wasn't Master's nominal wife and hadn't driven him out of the house, Huang Snap Yong might still have given Chen Yanran some face, but now, it wasn't necessary.

Since Han Qianqiang had been driven out of the Chen family, this woman in front of her wasn't even Master's nominal wife anymore.

Chen Yanran's face was as white as paper, what Huang Snap Yong said, she couldn't find half a point of rebuttal, the imperial court had always taken beast mastery very seriously, let alone a seven-star beast master like Huang Snap Yong, nowadays, entering the imperial court was just a matter of nodding his head.

"Snapdragon Huang, don't go too far." At this time, Chen Yuanhai, who was on the side, finally couldn't hold back and snapped at Huang Snapdragon in a stern voice.

"Chen Yuanhai, what kind of a thing are you again, daring to tell me what to do?" Huang Snap Yong looked at Chen Yuanhai with cold eyes, this old thing has always been arrogant in Long Yun City, he used to not even care about him and his father, but now that the pattern of events was changing, Chen Yuanhai couldn't even recognize his own identity.

"Chen Yuanhai, with my City Lord's current power, it's just a matter of words to destroy the Chen family, do you really dare to offend me?" Huang Snap Yong continued.

These words were like a pot of cold water that woke Chen Yuanhai up.

The current him was indeed no longer qualified to bark at the City Lord's Mansion, and even if the City Lord's Mansion were to exterminate the Chen family now, the Imperial Court would most likely harbor this matter, after all, to the Imperial Court, there was no comparison between an ordinary family and a Seven Star Beast Master.

"I am no longer the old me, and the City Lord's Mansion is no longer the old City Lord's Mansion, it is not something that you old thing can berate, do you really think that the current Long Yun City is still in charge of your three great families?" Huang Snapdragon sneered and looked towards Chen Yuanhai.

Chen Yuanhai did not dare to look directly into the eyes of Snapdragon Huang, to him, this young man who was not in his eyes was now above him and was not someone he was qualified to lecture.

Chen Yuanhai did not want this act of currying favor to end up turning into a deepening of the enmity between the City Lord's Palace and the Chen family.

"Huang Snap Yong, my Chen family will never interfere in any matter of the City Lord's Mansion in the future, this is the attitude of my Chen family, please also convey this to your father." Chen Yuanhai said, the compromises and concessions made by these words were considered throwing away all of the Chen family's dignity.

However, Chen Yuanhai had to do this, in front of the strong, how could there be any reason not to bow?

Right at this moment, Yan Chen suddenly knelt down.

This caused Chen Yuanhai to look panicked.

The compromise he had just made was already the biggest concession, so why was Yanran Chen still kneeling down?

"Daughter, what are you doing." Chen Yuanhai panicked and tried to assist Chen Yanran, but Chen Yanran questioned kneeling on both knees and pushed Chen Yuanhai away.

"Snapdragon Huang, I know, it was my fault before, please forgive me." Yanran Chen said to Snapdragon Huang.

In Huang Snap Yong's mind, Yan Chen's image had always been that of a high and mighty goddess, he never thought that the goddess would have the day to kneel down to him and pray for his forgiveness.

Unfortunately, forgiveness or not, it would not change the Chen family's position in Long Yun City, nor would it change Yan Chen's image within Snapdragon Huang's heart.

The most crucial factor in this matter was that the Chen family had failed to find a real opportunity, they had turned away the opportunity, treating a great and powerful man as trash and driving a top beast master out of the house.

That was the fault!

Big mistake!

Snapdragon Huang laughed, mocking from the bottom of his heart, looking at the woman in front of him thinking, if you treat your master better, the Chen family will soar to the sky in the future, Chen Tiesin wants to join the imperial court, it's just a matter of Master's words.

For so many years, Chen Tiesin had been out searching for his senior master for many years with nothing to show for it, and now, wasn't the most powerful person in the Chen family, but unfortunately, they had driven the powerful person away.

"Yan Chen, perhaps one day in the future, you will understand how wrong you were." Huang Snapdragon said indifferently, then turned around and returned to the city's main residence.

Yan Chen didn't quite understand Huang Snap Yong's words, one day in the future would know how wrong she was, what was wrong with that? Yan Chen didn't even know what was wrong with her.

Although it was true that she had been very excessive towards Snapdragon Huang in the past, but she had now knelt down to apologize, was it wrong to kneel down?

"Daughter, let's go home." Chen Yuanhai said with a heartbroken face as he assisted Yanran Chen.

Yanran Chen appeared to be a little disoriented, this trip to the City Lord's Mansion had turned out to be completely unexpected, besides being devastated, Huang Snapdragon's words had become her greatest confusion.

After returning to the City Lord's Mansion, Huang Houyi walked up to Huang Snapdragon and said, "How is it, is there a feeling of great joy, in the past, these three big families, but all of them did not look favorably on you, but now, you have finally taken out an evil breath for yourself."
