Fei Kexin said indifferently: "In your eyes, 10 million may be a lot, but for me, 10 million dollars is not as good as 1% of the compensation that I will pay to those victims on behalf of the Fei family. It's actually very dangerous, and a little carelessness could cost your life."

Immediately afterwards, Fei Kexin explained further: "Also, the matter of Jamura is known all over the world, and you must have heard of it. In order to make up for the victims as much as possible, the Fei family spent billions of dollars, 10 million dollars. Here, it's just a drop in the bucket."

As she said that, she looked at Holly Chen and Bella behind her, and said seriously: "Actually, what I want to say is that you shouldn't subjectively complain that Inspector Li didn't greet you before this, after all, I commissioned him to do this."

The matter is not only very complicated, but also very dangerous, if you are not careful, you may even die,"

"As for Inspector Li, who had already retired and planned to go back to take care of his life, there was no need to take risks, but it was precisely because the commission of ten million dollars made his heart that he took the risk and took the commission, and he did this, not in order to solve the case, not to make money for himself, but for the child in his daughter's belly."

Seeing their jaw-dropping expressions, Fei Kexin continued: "Also, Detective Li has gone through a lot of dangers naively these days."

As an employer, I admire his courage and his sense of responsibility to his family; "

"He exchanged his life for 10 million dollars so that his future grandson or granddaughter can ensure that he or she has a good life before birth, lay an excellent life foundation for him or her, and let him or her have a good life. To be able to be born to be a superior person, and to struggle for decades less than other peers!"

"For this, even if he gave his life, he would not hesitate. I personally think that this is very great!"

"So Mrs. Li, I think you should not only blame Inspector Li, but give him a big hug and apologize to him for your irrational behavior just now, what do you think?"

At this time, Holly Chen and Bella's mother and daughter were extremely shocked.

The An family members and Li Yalin were also shocked.

Because they can all see that Fei Kexin's ability to reverse the situation and control the rhythm is too strong, and his performance in this regard is a master.

The ability to tell a lie so easily and so impassively is not weak.

After Fei Kexin said these words, Li Yalin felt a little ashamed.

He knew what he was, so he couldn't help but sneer at himself: "I'm not a goddamn great, I was beaten into a sieve when I was still confused, and it's worse than cannon fodder. I shouted twice and fired two shots before the battle. I was so outrageous that I didn't even have a chance to let a fart fall down..."

Just when Li Yalin felt ashamed, her daughter Bella couldn't hold back.

She threw herself into Li Yalin's arms crying and choked: "Dad, our family is not short of money, why are you fighting so hard..."

Li Yalin was a little flustered all of a sudden, and he couldn't say anything for a while.

Still Fei Kexin said on the side: "Inspector Li said that there is no shortage of money, but I still hope that the child can have a better life in the future."

At this time, Holly Chen also changed from the anger just now to a mixture of emotion, shame, and fear.

She couldn't help but burst into tears and asked Li Yalin, "Old Li, how old are you, why do you work so hard when you finally retire!"

Li Yalin sneered and said embarrassingly, "Just... just like what Miss Fei said... it's all... for the sake of the children, for the children..."

She reached out and stroked the half of Li Yalin's face that was flushed by her slap, and asked with extreme guilt, "Does it hurt? I'm sorry, it's all my fault..."

Li Yalin was flattered and said, "It doesn't hurt, it doesn't hurt at all, it doesn't hurt at all!"

## **The Amazing Son In Law Chapter 5110**

charlie came to the top floor to greet him. Seeing that the helicopter door opened, Ito Nanako stepped down from the helicopter in a kimono, and couldn't help but be slightly taken aback.

Although Ito Nanako is really beautiful in a kimono, and has the gentle temperament unique to Japanese women, charlie still didn't understand why Ito Nanako went out in such a suit.

Seeing charlie, who was thinking about it all the time, right in front of her, Ito Nanako was overjoyed, with a particularly bright smile on her face, and said to charlie, "I haven't seen charlie-jun for many days!"

charlie smiled slightly, nodded and said, "I haven't seen you for a while, why are you dressed so grandly?"

At this time, the housekeeper of the Ito family and the aunt of Nanako Ito also got off the plane, and they helped Takehiko Ito, who was wearing a prosthesis, from the plane.

charlie saw that these people were all dressed formally, and his expression was even more surprised.

Nanako Ito stuck out her tongue and said playfully, "Today is my father's birthday, so we wore traditional Japanese clothes to celebrate my father's birthday, but I didn't expect that when we were about to have dinner, charliejun called and we Get on the plane right away."

Saying that, Ito Nanako looked at Ito Takehiko, who was beside him, and said with a smile, "My father's fifty-year-old birthday was actually on an airplane. Thinking about it, it's a very novel experience..."

Ito Yuhiko looked like an aggrieved old man. After giving Ito Nanako a blank look, he immediately bowed his hands to charlie, and said very respectfully, "Hello, Mr. wade, I finally see you again!"

charlie nodded and smiled, and said, "Mr. Ito, I didn't expect that today is your birthday. I'm really sorry that you flew so far on your birthday."

Ito Yuhiko said quickly: "Mr. wade, you are too serious. You are the benefactor of the Ito family. Whenever you need us, we will be there as soon as possible!"

After that, Ito Takehiko hurriedly asked: "Mr. wade, I don't know if you are so anxious to let us come to New York, what do you need us to do for you?"

charlie waved his hand: "There's nothing to do for Mr. Ito. The reason why I came here from so far is because I want to share some good things with you."

At this time, the housekeeper of the Ito family helped Hiroichi Tanaka out of the helicopter.

Seeing charlie talking to Ito Yuhiko, he bowed to charlie with his hands together very respectfully.

charlie smiled and said, "Mr. Tanaka, long time no see."

Tanaka Haoichi didn't expect Charlie to take the initiative to greet him, so he quickly said flattered, "Long time no see Mr. Wade, I didn't expect you to remember..."

Charlie said: "I knew you earlier than Mr. Ito, how could I not remember?"

When Ito Nanako went to Aurous Hill to participate in the competition, Charlie knew Tanaka Koichi.

He had a good impression of Koichi Tanaka because this person was relatively honest and loyal enough, and if he hadn't acted decisively and dragged Ito Takehiko to jump off the bridge to survive, Ito Takehiko must have been killed by the Takahashi family.

Tanaka Hiroshi's face was full of gratitude. In his opinion, if Charlie could remember himself and take the initiative to greet him, he had already given him a respect he didn't dare to expect at all.

At this time, Charlie said to several people, "Everyone, this is not the place to talk, let's go in and talk."

After speaking, he said to Isaac Cameron next to him: "Old Isaac, let the catering department prepare a table of banquets in my presidential suite, and then order a birthday cake, and celebrate Mr. Ito's birthday in an hour!"

## **The Amazing Son In Law Chapter 5111**

Hearing Charlie's instructions, Isaac Cameron immediately said, "Okay, young master, I'll make arrangements now."

After he finished speaking, he quickly turned and left.

At this time, Ito Yuhiko said a little embarrassedly: "Mr. Wade, you don't have to be so polite, you don't have to celebrate your birthday. If you have anything, you can give it a direct order."

Nanako Ito, who was on the side, couldn't guess the real purpose of Charlie for them to come to New York, so she said very sincerely: "Charlie, if you need the Ito family to do anything for you, please don't be polite to us! Request, the Ito family will definitely do their best!"

Charlie smiled and said, "If I really want to say, I have something to do for the Ito family, but it's not that I don't have anything."

Having said that, Charlie gave a slight pause, and then said, "I recently got a medicine that is helpful for the disabled by chance, so I wanted to ask Mr. Ito and Mr. Tanaka to try the medicine for me later."

Ito Yuhiko never dreamed that charlie would call him all the way to the United States, and he was actually asking him to test the medicine.

If it is an ordinary person who hears that they need to test the medicine by themselves, I am afraid that there will be some drumming in their hearts.

However, Ito Takehiko was 10,000 assured of charlie.

After all, after he and Tanaka Hiroshi had their limbs amputated, their physical condition was able to recover quickly, thanks to charlie's panacea.

So, he said without hesitation: "Mr. Wade, just give me the medicine, I'll take it now!"

Tanaka Koichi also said without hesitation: "Mr. Wade, I am also willing to do so!"

charlie smiled and said, "Don't you two ask first, what effect does this medicine have?"

Ito Takehiko blurted out: "No matter what medicine you have for me to try, I, Ito Takehiko, will never hesitate!"

Tanaka Koichi also followed suit: "Mr. Wade, you are the same as adults!"

charlie nodded and said with a smile: "If that's the case, then let's go in and talk about it. My drug is rather strange, and I can't just open my mouth to eat it. I need to soak the whole person in the bathtub first, and then take the drug."

Ito Yuhiko immediately said: "Don't say eating in the bathtub, even if I eat it upside down, I have no opinion!"

charlie smiled and said, "Okay, the room is ready for the two of you, come with me."

Nanako Ito walked up to charlie curiously at this time, and asked in a low voice, "Charlie, can i ask, what kind of medicine did my father take? What kind of effect does it have?"

charlie pretended to be mysterious and said: "The secret cannot be leaked. You will know in a while what the specific effects are."

Ito Nanako nodded lightly and did not continue to ask.

With what she knew about charlie, she believed that charlie would definitely not let her father take risks.

If it's just to test the quality of a drug, he doesn't need to go to great lengths to get his father to rush over from Japan.

Soon, the members of the Ito family, led by charlie, came to a luxurious suite that had been prepared.

Although not as large as the Presidential Suite, this suite also has three bedrooms and four bathrooms.

Among them, green beauty mud has been put into the bathtubs of two bathrooms.

After charlie brought the Ito family into the room, he let a few people sit down on the sofa, and then said, "I have already prepared two bathtubs, and later let Don Albert and the housekeeper take Mr. Ito together. Take Mr. Tanaka and Mr. Tanaka to different bathrooms, and after the two of them lie down in the bathtub, I will give the two of them the medicine."

Ito Yuhiko couldn't help but ask, "Mr. Wade, is there anything we need to pay attention to?"

## **The Amazing Son In Law Chapter 5112**

"No." charlie said with a smile: "A lot of beauty mud has been prepared in the bathtub. The two of you just close your eyes and rest when you lie in, and you don't have to worry about the rest."

"Okay!" Ito Yuhiko nodded heavily and said, "Since that's the case, let's not delay Mr. Wade's time, let's start right now!"

charlie nodded and smiled: "By the way, Mr. Ito, since today is your birthday, why don't you make a birthday wish."

"This..." Ito Yuhiko said embarrassedly: "I was on the plane when I came, and Nanako already made me make a wish..."

charlie smiled and asked, "Ask Mr. Ito what wish he made?"

Ito Yuhiko laughed at himself and said, "To be honest, I didn't make a wish at the time, I just walked through the scene at random."

Nanako Ito on the side heard this and said angrily: "Odosan! How can you fool yourself!"

"Do I have one?" Ito Yuhiko sneered and said, "Wish is a matter of course! I want to make a wish for world peace, so I have to ask the Americans whether they agree or not? It's impossible to make a wish..."

Ito Nanako said in disbelief: "Oduosang, aren't you arguing... Who would make such an unrealistic wish on his birthday... Can't you make a wish that is closely related to yourself? Such as good health, happiness and longevity, etc..."

Ito Takehiko looked at Nanako and charlie, and couldn't help sighing, "I want to make a wish that you will get married tomorrow, but then I have to ask Mr. Wade if he agrees?"

Takehiko Ito's words caught both Nanako and charlie by surprise.

You Qi Nanako stood up shyly and ashamed, and stomped her feet angrily: "Oduosang! You...you...you..."

Seeing that she couldn't say anything in a hurry, Ito Yuhiko deliberately asked, "What's wrong with me? Didn't you ask me to make a wish? I'm just a daughter like you, and of course I hope you get married sooner rather than later!"

Ito Nanako said angrily, "You can make a wish that I get married sooner, but why do you mention charliejun!"

Ito Yuhiko simply didn't do it again and again, pointed at charlie and asked : "What? Don't you want to marry Mr. Wade?"

Ito Nanako was in a hurry and blurted out without thinking, "Of course I want to..."

As she spoke, she suddenly realized that she had said something wrong, and hurriedly said: "No... Oduosang just wants me to get married soon, so just make a wish that I get married sooner. As for who to marry, that's all. It's not something you need to worry about..."

Ito Yuhiko spread his hands and said: "If the basic logic of wishing is to tell God what you want, then you must tell God clearly what I want, I want you to marry, but I don't want you to marry anyone. , I hope you can marry someone you love, and also someone I admire, so I have to make it clear to God, I hope you can marry Mr. Wade, otherwise, in case God's old man is blurred and messed up with other people If someone comes here, didn't I hurt you?"

Ito Nanako was embarrassed with goosebumps all over her body, so she could only say helplessly: "Oduosang, please stop here, don't say any more..."

Ito Yuhiko turned to look at charlie, and said helplessly, "Mr. Wade, do you think she is contradicting herself?"

Although charlie was a little embarrassed, he was not too affected. He looked at Yuhiko Ito and asked very seriously, "Mr. Ito, if you are asked to make a wish that only concerns you, then you will make it. what?"

Ito Yuhiko hummed and said casually: "If it's only about me, then I definitely want my two legs..."

Speaking of this, Ito Yuhiko smiled bitterly and waved his hand: "Forget it, this is impossible to achieve, I'm still not difficult for God..."

charlie smiled lightly and said, "Speak it out."

"Ah?" Ito Yuhiko asked inexplicably, "What did you say?"

charlie said seriously: "Speak your wishes."

Ito Yuhiko said: "It is meaningless to say something that is impossible to achieve..."

charlie's expression became a little serious, and he said slowly: "Don't worry about whether it can be achieved or not, let's say it boldly first, if you dare not say it, how can it be achieved?"
