

Dragon Husband Chapter Chapter 1892

The soul is the most precious thing in a person.

And Wiliam always believed that a person with a soul, even if his abilities were insufficient, the spirit and will extended from his soul were enough to make up for many deficiencies in abilities.

It can even create miracles.

Wiliam believed that Xiao Wangqing had his own soul and would create his own miracles.

There is not much space in the ice coffin, just enough to accommodate Xiao Wangqing.

Wiliam touched Xiao Wangqing's face, and said softly, "Xiao Wangqing, I'll put you in, and the rest of the way is up to you."

"You call me Dad, I wanted to do more for you, but now, it seems that I can only get here. There are many things, you have to grow up, you have to experience. I am here to accompany you."

"When you wake up, I will be with you in the future. So don't be afraid. I believe you will wake up."

After saying this, Wiliam looked forward to Xiao Wangqing's hearing.

Then, he hugged Xiao Wangqing and gently put her body into the ice coffin.

When Xiao Wangqing's body and Xiao Tiannv's body met, a strange scene appeared.

There seemed to be a barrier between the two, and Wiliam's hand was instantly thrown out.

The entire ice coffin seemed to be sealed.

A thin layer of frost also formed on Xiao Wangqing's body.

Fusion begins.

It also means that the struggle for the initiative has also begun.

Frost followed Xiao Wangqing's body and spread all the way to Xiao Tiannv's body.

Then, frost covered both of them.

Through the eyes, you can clearly see that the arms of the two people are slowly merging.

The two thin arms gradually merged into one arm.

And then, there is the fusion of the body.

After about half an hour, Xiao Wangqing and Xiao Tiannv had completely merged into one person.

Nothing has changed in appearance, but Wiliam always feels that his temperament seems to have changed.

But this is definitely not good news for him.

Xiao Wangqing's temperament cannot be changed!

He knew that the most crucial snatch had begun.

Did Xiao Wangqing stole Xiao Tiannv's body, or did Xiao Tiannv stole Xiao Wangqing's soul?

Regardless of whether Xiao Wangqing heard or not, Wiliam started calling out to Xiao Wangqing outside.

"Xiao Wangqing, you must do your best! You can't lose!"

However, the situation was very unfavorable for Xiao Wangqing.

Wiliam only felt that the aura of Xiao Wangqing, who had merged into one, became more and more obvious.

It is clearly the breath of the little girl from before.

Xiao Wangqing couldn't take over the little Tiannv at all!

The gap is too big.

After Wiliam knew this situation, he was really anxious.

According to this situation, Xiao Wangqing will be completely swallowed up in a few minutes.

Wiliam reached out and tried to open the ice coffin.

But the layer of sealing barrier above it was so strong that Wiliam's hand was bounced off as soon as he touched it.

Wiliam was in a hurry, no matter if it was thirty-seven-twenty-one.

He mobilized all the power of his body, and even used the power of the unicorn.

A punch slammed into the ice coffin.

However, the ice coffin only shook slightly, and then recovered again.

Wiliam was horrified, and his full blow was enough to completely destroy this underground.

But it was unable to cause any damage to the ice coffin!

"Wiliam! Use your long live red flower!" In Wiliam's body, the voice of the sky blue unicorn senior suddenly sounded.

Long live the red flower?

Wiliam was stunned for a moment, and quickly asked, "Why do you want to use Wanzai Honghua? Wanzai Honghua's current power is really too weak, I'm afraid it can't be..."

"No, you can!" Senior Tianqing Qilin's voice was very determined.

He explained: "A while ago, I have been absorbing the ancient things you gave me, so I fell into a deep sleep. And I just woke up. Do you know why I woke up? Because I felt a very familiar The breath! Do you remember Xixi Bingyu?"

"Xilei Bingyu? Isn't that something you used before?" Wiliam was shocked, as if he had thought of something.

Tears-breathing ice jade has always been used by Tianqing Qilin when it was reborn.

When Wiliam was on the battlefield of blood and tears before, he got a fragment of the ice jade, and then fused this fragment into the long live red flower, so that the long live red flower has been greatly advanced.

Hard to do!

Wiliam's eyes suddenly stared at this ice coffin!

"That's right! This ice coffin is actually made of Bingyu Bingyu! Ho, ho, there is nowhere to find a place to break through the iron shoes, it takes no effort to get it! I don't think the rest of the Bingyu Bingyu is actually Appeared here! According to your ability, it is impossible for you to break the ice coffin made of Xi Lei Bingyu. So there is only one

way, and that is to let the long live red flower in to help. Although this long live red flower on your body is not at all It was not made of Bingyu Bingyu, but I felt a very weak tool soul with the breath of Bingyu Bingyu. So this long-lived safflower will not be rejected by the ice coffin.” Tian Qing Kirin seems to know that time is running out and speaks very fast.

“But...” Wiliam suddenly thought of a question, “I came here this time to revive the artifact spirit in the long live safflower. The artifact spirit is too fragile. I’m afraid that when I enter, I will be directly disturbed by the little goddess. Broken, or rather, swallowed by her...”

“No! You believe me! Maybe, this is also a chance.” Tianqing Qilin didn’t explain too much, just said so.

Wiliam looked at the situation in front of him and could no longer think about it carefully.

Wiliam believed that Senior Tianqing Qilin would not harm him.

He took a deep breath and took out the long live red flower.

as predicted!

Long live Honghua quickly merged into the ice coffin after encountering it, without the slightest barrier!

“Now, use the power of the unicorn again! Add a little bit of my original Qilin breath! Put your hand on the ice coffin!” Senior Tianqing Qilin said to Wiliam.

Wiliam didn’t suspect him, so he quickly followed suit.

His hand was on the ice coffin.

No need for him to do anything, Tianqing Qilin has already transported his original Qilin breath to the past.

When this Origin Qilin’s breath touched the ice coffin, it was like a chemical reaction!

The entire ice coffin trembled violently!

Even Wiliam could feel a kind of excitement and excitement!

This excitement and excitement should come from Xi Lei Bingyu!

This tear-breathing ice jade is much bigger than what Wiliam got before.

So it should have its own artifact spirit.

It was the spirit of Xi Lei Bingyu that felt the breath of the original owner.

So it's excited, excited.

Even Wiliam saw a magical scene!

The entire ice coffin slowly turned into a trickle of water!

Suspended in the air, slowly surging towards the center position!

When Wiliam was able to see the center position clearly, his expression suddenly became weird!

The entire ice coffin turned into a stream of ice water, and all of it melted into the small long live red flower that looked like a fragile temple!
