

Dragon Husband Chapter Chapter 1894

Thinking of this, Wiliam's heart seemed to have 10,000 grass and mud horses galloping past, and the whole person was stunned.

This attribute of Xiao Wangqing, he actually forgot about it.

She also thought that Xiao Wangqing was missing her mother.

Oh no, there isn't.

I miss food.

Food makes you strong.

Wiliam forcibly got rid of this depression and regained his spirits.

Since there is a breakthrough, it is easy to do.

Wiliam first shouted tentatively, "Xiao Wangqing, get up and eat cotton candy?"

Xiao Wangqing's body trembled.

Wiliam was full of confidence.

"I invite you to eat, steamed lamb? Steamed bear's paw? Steamed deer's tail?" Wiliam said three times in a row.

Xiao Wangqing's body trembled three times in a row as if he had been shot by a machine gun.

Wiliam went on immediately, "Roasted duck, roasted chick, roasted goose, braised pig, braised duck, sauce chicken, bacon, pine flower, small belly, dried meat, sausage, assorted crispy plate, smoked chicken white Belly, steamed eight-treasure pig, duck stuffed with Jiangmi, canned pheasant, canned quail, braised goose, pheasant, rabbit breast, vegetable python, whitebait, steamed Hash..."

"Da da da da..." Xiao Wangqing's body fluttered continuously, unable to stop at all.

Wiliam clearly felt that the aura of a goddess on Xiao Wangqing's body was actually a little weaker, as if it was suppressed.

Wiliam took a deep breath and prepared to make something bigger.

So, he said in one breath: "braised duck shreds, braised duck strips, stir-fried waist shreds, yellow heart tube, braised white eel, braised eel, tempeh catfish, pot-roasted

carp, rotten turtle, caught and fried carp, Fried prawns, soft-fried tenderloin, soft-fried chicken, assorted sausages, braised cold duck, spicy oil rolls, fresh mushrooms, fish breasts, fish belly, fish fillets, vinegar and pork slices... ..”

Finally, Xiao Wangqing’s body stopped fluttering.

but became-

Swish.

She pursed her lips without realizing it.

Saliva flowed directly from the corner of Xiao Wangqing’s mouth.

William burst into tears.

Is this not enough?

You have learned to tell the name of the dish by yourself, but you still haven’t woken up!

William had no choice but to continue racking his brains, reporting all the delicacies he could think of.

Hard work pays off.

A strong aura suddenly rose from Xiao Wangqing’s body.

This kind of momentum is swallowing mountains and rivers!

It seemed that he could eat an entire Manchurian feast in one go.

And this is the momentum that belongs to Xiao Wangqing!

Xiao Wangqing’s soul is revived!

Her consciousness was struggling.

Although she hasn’t woken up yet, that’s enough.

William continued to shout: “Xiao Wangqing, can you hear me? I want to take you to eat delicious food all over the world. If you can hear it, just slap your mouth hard.”

Xiao Wangqing’s mouth chirps and chirps suddenly.

William sweated and said quickly: "Okay, I know. Now you should concentrate on dealing with the little goddess in your body. You must defeat her and not let her take away your soul. Otherwise, you will have nothing to eat, steamed buns. None of it!"

This sentence seems to have pierced Xiao Wangqing's heart with a needle!
How could she bear to have nothing to eat in this life!

How can you be satisfied with eating steamed buns in this life!

So, Xiao Wangqing's body suddenly rolled in midair!

Be caught off guard!

William was shocked!

Xiao Wangqing in the air kept rolling, twisting, and even twisting into a twist!

But fortunately, the little Tiannv's body is strong enough, and there is nothing wrong with twisting it like this.

William knew that this was Xiao Wangqing's boost of spirit, and he was vying for the initiative with Xiao Tiannv.

William's heart relaxed a little.

Being an old father is so hard.

It's even harder to be an old foodie.

William continued to talk about some dish names, like playing drums on the battlefield to cheer up the soldiers.

This picture is so weird.

But the effect is obvious.

At this time, Xiao Wangqing really had a tie with Xiao Tiannv.

The name of the dish is like chicken blood.

William couldn't help feeling that Xiao Wangqing's will to survive was still very terrifying.

It can even match the perfect posture of the little goddess.

I'm afraid this is the limit of Xiao Wangqing.

However, it seems that it is not enough.

Just evenly matched.

Just as Wiliam was thinking of a way, his pupils suddenly shrank!

In his mind, a buzzing voice!

It's like hearing a baby cry!

It is the spirit of the long live safflower weeping!

Wiliam's eyes immediately fixed on the long live red flower inserted between Xiao Wangqing's eyebrows!

I saw the long live safflower, as if the ice and snow had melted!

It actually slowly melted into Xiao Wangqing's eyebrows!

"No!" Wiliam was instinctively uneasy, and hurriedly called out.

However, the voice of the azure unicorn in his heart also came out, "It's okay, this should be your Long Live Red Flower Artifact Spirit helping Xiao Wangqing with all his strength."

"Then will he disappear?" Wiliam was most concerned about this question.

Tianqing Qilin's words are very firm, "It won't disappear, but it will exist in another form. This is also a chance, this is the sacrifice and achievement of the two children for you."

for me?

Wiliam was stunned for a moment, and his eyes were red again.

These two children!

Long live safflower, has completely melted into Xiao Wangqing's body.

Xiao Wangqing's body was immediately wrapped in a misty icy blue light.

This ray of light, as if it was the source of power, instantly enhanced Xiao Wangqing's aura!

In Wiliam's head, like a hallucination, there was the sound of two children working together.

“ah!”

“drink!”

The two voices, like a tug-of-war, exerted their strength together.

They were clearly the voices of Xiao Wangqing and Wanzai Honghua Qiling.

The two voices kept shouting and roaring.

By the end, even the voice was a little hoarse.

But the effect is obvious.

The imposing manner of the little girl has weakened a bit.

And this time the weakening, Wiliam clearly felt that it was not the kind of weakness that was suppressed.

It is the kind of weakness that is swallowed up!

Xiao Wangqing has overwhelmed Xiao Tiannv.

Wiliam felt excited!

Going to win!

With the deepening of the tug of war, Xiao Wangqing's momentum became stronger and stronger, and Xiao Tiannv's momentum was already very weak.

Finally, under Wiliam's gaze, Xiao Wangqing's body suddenly stopped shaking and tossing.

Slowly calmed down.

Xiao Wangqing suddenly opened his small mouth and burped violently.

I don't know if I'm full from Wiliam's report on the name of the dish, or if I'm full from the competition in my body.

With this full burp, Xiao Wangqing's eyes slowly opened.

As soon as the eyes opened, they looked like two sharp swords, shooting straight above!

The stone ceiling above was shot through immediately.

The light gradually disappeared, Xiao Wangqing turned his head and met William's eyes with affection in his eyes.

William's heart was suddenly filled with the excitement and warmth of father and daughter reunion.

He was thinking about what kind of moving words to use to decorate the reunion of the father and daughter for the rest of their lives.

However, Xiao Wangqing spoke first, still so single-handedly touching the heart!

"Dad, go! Take me to eat delicious food!"
